MATCH PREVIEW

After battling to a 1-0 road loss to Sacramento Republic FC on Saturday, Sounders FC 2 (1-3-0, 3 points) returns to Tacoma for a pair of home matches this week. John Hutchinson's side takes on Real Monarchs SLC on Wednesday (7:00 p.m. PT / USL YouTube Channel) before hosting Rio Grande Valley FC on Saturday (5:00 p.m. PT / ESPN+), both at Cheney Stadium.

In November of 2017, Seattle Sounders FC and the Tacoma Rainiers announced that beginning in 2018, Sounders FC 2's previously-announced transition to Tacoma is accelerating, allowing S2 to play its home matches at Cheney Stadium while progress continues toward a new soccer-specific facility. The two clubs previously reached a historic agreement to build a 5,000-seat facility in Central Tacoma on the footprint of Cheney Stadium. While that process moves forward, South Sound soccer fans are now able to see their USL side play in Tacoma several seasons ahead of schedule.

S2 WEEKLY NOTES

NINE-MAN S2 FALLS IN SACRAMENTO

Sounders FC 2 (1-3-0, 3 points) battled to a disappointing 1-0 loss on the road against Sacramento Republic FC (3-0-1, 10 points) on Saturday night at Papa Murphy's Park. It was a hectic affair as both sides were reduced to 10 men in the first half after a pair of red cards, while S2 saw another player sent off midway through the second half.

S2 dominated proceedings throughout the first half, and their tactical advantage was intensified when forward Felix Chenkam was taken down on a breakaway, drawing a straight red card for Republic FC defender Mitchell Taintor. The visitors continued to boss possession but were ultimately unable to capitalize on their numerical advantage before S2 defender Rodrigue Ele was sent off for his second yellow card of the match in the 44th minute, ensuring both sides would play with ten men to start the second half.

The Rave Green had the best chance of the opening stages of the second half, with Ibrahim Usman picking out the run of Chenkam with an inch-perfect cross in the 54th minute, but the Cameroonian's headed effort was tipped over the crossbar by Sacramento goalkeeper Josh Cohen. The tie shifted in favor of Sacramento in the 63rd minute, when Rave Green defender Denso Ulysse received a straight red card for a challenge on Villyan Bijev.

The scoreless deadlock ended when Republic FC was awarded a penalty kick after S2 substitute Jake Morris brought down Shannon Gomez on the edge of the area. Midfielder Adam Moffat found the back of the net from the ensuing spot kick. S2 nearly found a late equalizer through Nick Hinds. In the 93rd minute, captain Ray Saari launched a long-ball directly into the path of Hinds, who raced behind the defense but was unable to slide his shot past the onrushing Cohen.

S2 SIGNS OCAMPO-CHAVEZ

Sounders FC 2 on Tuesday announced that it has signed Academy forward Alfonso Ocampo-Chavez. The addition of the U.S. and Sounders FC U-17 standout brings S2 up to 14 contracted players ahead of this week's pair of home matches against Real Monarchs SLC on Wednesday and Rio Grande Valley FC Toros on Saturday. Prior this week's home matches at Cheney Stadium, MLS has also entered into a 2018 Standard USL Loan Agreement with Sounders FC midfielder Jordy Delem, while Sounders FC Academy player Sakari Carter has been added to S2's squad as a USL Academy signing, making both players eligible for selection by Head Coach John Hutchinson.

"Alfonso is a talented young player who has had success in our Academy and with various national teams. Signing with S2 gives him the opportunity to train and play at the professional level," said Sounders FC Director of Player Development Marc Nicholls. "He is still very young and this signing further confirms the club's commitment to the development of our bright players with potential."

Ocampo-Chavez, 16, has five goals in eight games for the Sounders FC U-17 squad, as well as two goals and two assists in two games for the U-19 side this season. He also won the golden boot with eight strikes at the 2017 Youdan Tournament, which Sounders FC's Academy won back in August for the second consecutive year. Ocampo-Chavez also appeared in one match for S2 last season.

"Bringing Alfonso into the fold with S2 gives us another good, young option in the attack," said Hutchinson. "It's still early in the season and I'm always happy to add another goal scorer, so now we'll get to work integrating him with the team."

S2 OPENING MATCH IN TACOMA - MARCH 16, 2018

S2 STRONG IN DEBUT IN TACOMA

Sounders FC 2 opened its 2018 USL season and a new era of S2 soccer in Tacoma with an emphatic 2-1 victory over archrival Portland Timbers 2 (0-0-1, 0 points) on March 16. It was a historic occasion, as a soldout Cheney Stadium crowd of 6,049 fans witnessed Tacoma's new professional club win its first match in the City of Destiny. Felix Chenkam and Nick Hinds bagged two goals at the end of the first half within two minutes of each other, giving Head Coach John Hutchinson his first win as S2 manager.

After Augustine Williams put Portland into the lead in the 30th minute, it was Chenkam that leveled the match at one goal apiece from the penalty spot, netting S2's first-ever goal in Tacoma in the 43rd minute. Hinds scored from open play minutes later, partnering with David Olsen on a one-touch combination inside the area for a clean finish in front of the supporters' section. Riding those two strikes to victory, S2 sealed the win at its new home, finishing the match with a passing accuracy of 75.5%, 15 total shots and 52.2% of the overall possession.

Tonight marked the first match at Cheney Stadium in the era of S2's new partnership with the Tacoma Rainiers. In November of 2017, Sounders FC and the Rainiers announced that beginning this season, Sounders FC 2's previously-announced transition to Tacoma was accelerating, allowing S2 to play its home matches at Cheney while progress continues toward a new soccer-specific facility. The two clubs previously reached a historic agreement to build a 5,000-seat facility in Central Tacoma on the footprint of Cheney Stadium. While that process moves forward, South Sound soccer fans are now able to see their USL side play in Tacoma several seasons ahead of schedule.

REACTIONS TO OPENER AT CHENEY

Following Seattle's 2-1 win over Timbers 2 in the club's 2018 USL opener on March 16, players and coaches reacted to the atmosphere and environment at Cheney Stadium, S2's new home venue after the club transitioned to playing matches in Tacoma.

SOUNDERS 2 HEAD COACH JOHN HUTCHINSON

On getting a win in the Cheney Stadium opener:

"Massive crowd, great environment for our team to play in first and foremost. I just want to thank all the people who came out tonight. It was a massive effort to support the S2 boys and I know they are very grateful – they couldn't wait to get out here and to start the home opener against Portland at home in front of a big crowd is an amazing goal for us."

On how the baseball field functioned as a soccer field:

"We came here today and the field was amazing. The groundsmen here are amazing and they do a good job. It's an amazing stadium and I couldn't believe how good it was, the grass was perfect. And the boys put on a good performance. We struggled towards the end but that's what's going to happen when you're a young team."

SOUNDERS FC 2 DEFENDER SAM ROGERS

On the atmosphere:

"It was absolutely fantastic, stellar crowd. It feels amazing to get the win because obviously it's the Timbers and everyone is super hyped in the locker room. You heard the whole fans the whole time."

SOUNDERS FC 2 FORWARD DAVID ESTRADA

On his S2 debut and playing at Cheney Stadium:

"Obviously, it was an unbelievable feeling. I was telling some of the younger guys that it felt like a mini-Century Link. I think this the type of atmosphere that these young guys are relishing the opportunity to get on the field. I think the fans were with us the whole game, it's a beautiful thing to see the support of Tacoma for this team, and kind of embracing it as their own."

S2 MOVES TO TACOMA

Seattle Sounders FC and the Tacoma Rainiers announced on November 1, 2017 that beginning in 2018, Sounders FC 2's previously-announced transition to Tacoma is accelerating, allowing S2 to play its home matches at Cheney Stadium, while progress continues toward a new soccer-specific facility. Earlier in 2017, the two clubs reached a historic agreement to build a 5,000-seat facility in Central Tacoma on the footprint of Cheney Stadium. While that process moves forward, South Sound soccer fans are now able to see their USL side play in Tacoma several seasons ahead of schedule.

"Our organization was already thrilled to be moving ahead with the Rainiers and the City of Tacoma on the new stadium project, but when we learned of the opportunity to begin playing USL games as soon as 2018 in a facility like Cheney Stadium, we embraced the chance," said Sounders FC Owner Adrian Hanauer. "From Rainiers leadership to the many civic officials in Tacoma that are working hard to deliver professional soccer to their city, we're humbled to have such willing partners in this effort. As soon as next season, fans can enjoy a first-class experience at Cheney, allowing the club to make a tangible connection to the City of Tacoma earlier than expected."

"We are so proud to bring another professional sports franchise to Tacoma," Rainiers President Aaron Artman said. "To partner with the top soccer organization in the country, the Sounders, adds a layer of passion and prestige to the project, fueled by a vibrant South Sound base of supporters. We are excited to deliver a fantastic USL experience with S2 at Cheney in 2018 and 2019, while keeping our focus on delivering a world class soccer specific stadium by 2020."

Originally announced in May of 2017, the partnership brings together two of the Northwest's premier professional sports organizations to reach a first-of-its-kind relationship in USL within the same regional market. The Tacoma Rainiers are an award-winning franchise that has been a staple of the South Sound community for over 50 years, operating as the top affiliate of Major League Baseball's Seattle Mariners. They will operate the business side of the new era of the USL club, taking advantage of the decades of experience operating a professional organization in the Tacoma market, while Sounders FC is set to maintain leadership over soccer operations and sporting infrastructure. With key details coming together - including a name for the organization that is representative of its new home - it was announced today that much like the naming of the Sounders FC First Team, Tacoma fans will have influence over the identity of their new club. Details for that process are forthcoming, with the team to play under the S2 brand in the near-term during this transition.

"From kids to adults of all ages, Tacoma is a city that loves sports," said Tacoma Mayor Marilyn Strickland. "Our baseball and soccer fans now have an opportunity to see professional soccer and baseball right here at home in facilities that the City of Tacoma and Metro Parks have developed with a true community partnership. Tacoma is the best kept secret on the West Coast and I am thrilled for the City we all love - Tacoma."

"Make no mistake about it, today's announcement is a big win for Tacoma," Council Ryan Member Mello said. "We will now have another significant regional attraction to draw people to Tacoma. That is good for the economy and it will add local jobs and commerce. However, it also improves our overall quality of life by adding another affordable attraction for our community's youth and families."

As previously announced, Sounders FC's soccer operations are set to remain at Starfire Sports, the club's Tukwila-based training ground. The First Team, S2 and Sounders FC Academy will all continue to train at Starfire under watchful eye of the club's technical staff led by General Manager & President of Soccer Garth Lagerwey. Both Cheney Stadium and the eventual new facility provide a first-class matchday experience for the rebranded S2 side, and gives the organization an opportunity to call-up players from Tacoma, mirroring the Mariners' relationship with the Rainiers. Additionally, Sounders FC is currently engaged with the Sounders Community Trust (SCT) - a charitable, fan and supporter-managed, non-profit organization that maintains a 20-percent interest of Sounders FC 2 - about next steps in Tacoma.

The City of Tacoma has a rooted soccer history and tradition. Current Sounders FC Head Coach Brian Schmetzer and club legend Alan Hinton were involved with the Tacoma Stars in the 1980s, an organization that the Rainiers recently helped relaunch, with Stars owner and Tacoma native Lane Smith, at the ShoWare Center in Kent. Tacoma's grassroots soccer ties run deep, from the formation of Washington Youth Soccer in the City of Destiny in 1966, to the professional ranks with sides like Tacoma Wanderers.
