## S2 WEEKLY NOTES

### LAST MATCH RECAP

A pair of dramatic late goals from forward David Estrada lifted Sounders FC 2 (3-7-2, 11 points) to a 2-1 comeback victory over OKC Energy FC (2-10-1, 7 points) at Cheney Stadium in Tacoma last Sunday afternoon. The win improved S2 to 3-4-0 in front of the home crowd this season, and it snapped a five-game winless streak overall.

OKC struck first in the 76th minute when midfielder Alex Dixon tapped in a cross from the far post to give Energy FC a 1-0 lead. Estrada equalized in the 83rd minute with a stunning goal. He received the ball just beyond the 18-yard line, tapped it between two defenders and volleyed it into the back of the net to even the game at 1-1. Two minutes later, in the 85th, Estrada scored the game-winning goal by finding a rebound in open space and lifting the ball into the top of the net to make it 2-1. He now leads the team and ranks tied for fifth in the USL with six goals on the season.

## S2 QUOTES

### S2 HEAD COACH JOHN HUTCHINSON

*On playing against Las Vegas:*

"We've spoken about the challenges ahead, coming up against some really good players. Some are in their peak form, some are in their twilight years, but they're all really good players. We watched a lot of video on them. They've got experience all over the park, and it just adds to what our team needs to develop into really good footballers. The word I'll use this week is repeatability. They got the win against OKC. Can they do it again? That's a question I've put to them. Can you stay in the game long enough if it's a tough game to get a result, or can you take hold of the game and dominate the game? We've been working really hard on keeping the ball more. I felt against OKC we turned it over a lot in silly areas, but we are trying to make them play. We want to be a good team on the ball, and it does take time."

### S2 MIDFIELDER FRANCISCO NARBON

*On playing multiple positions for S2 this season:*

"It's exciting. It's always hard to change positions every game, but it's exciting to learn new stuff and help the team however I can."

*On playing an older squad in Las Vegas:*

"They played this week, too, so they might be a little tired. Having experienced guys, they've played many, many games. They know what it's like to play a midweek game and weekend game. They'll be more than ready for us."

## S2 MOVES TO TACOMA

Seattle Sounders FC and the Tacoma Rainiers announced on November 1, 2017 that beginning in 2018, Sounders FC 2's previously-announced transition to Tacoma is accelerating, allowing S2 to play its home matches at Cheney Stadium, while progress continues toward a new soccer-specific facility. Earlier in 2017, the two clubs reached a historic agreement to build a 5,000-seat facility in Central Tacoma on the footprint of Cheney Stadium. While that process moves forward, South Sound soccer fans are now able to see their USL side play in Tacoma several seasons ahead of schedule.

"Our organization was already thrilled to be moving ahead with the Rainiers and the City of Tacoma on the new stadium project, but when we learned of the opportunity to begin playing USL games as soon as 2018 in a facility like Cheney Stadium, we embraced the chance," said Sounders FC Owner Adrian Hanauer. "From Rainiers leadership to the many civic officials in Tacoma that are working hard to deliver professional soccer to their city, we're humbled to have such willing partners in this effort. As soon as next season, fans can enjoy a first-class experience at Cheney, allowing the club to make a tangible connection to the City of Tacoma earlier than expected."

"We are so proud to bring another professional sports franchise to Tacoma," Rainiers President Aaron Artman said. "To partner with the top soccer organization in the country, the Sounders, adds a layer of passion and prestige to the project, fueled by a vibrant South Sound base of supporters. We are excited to deliver a fantastic USL experience with S2 at Cheney in 2018 and 2019, while keeping our focus on delivering a world class soccer specific stadium by 2020."

Originally announced in May of 2017, the partnership brings together two of the Northwest's premier professional sports organizations to reach a first-of-its-kind relationship in USL within the same regional market. The Tacoma Rainiers are an award-winning franchise that has been a staple of the South Sound community for over 50 years, operating as the top affiliate of Major League Baseball's Seattle Mariners. They will operate the business side of the new era of the USL club, taking advantage of the decades of experience operating a professional organization in the Tacoma market, while Sounders FC is set to maintain leadership over soccer operations and sporting infrastructure. With key details coming together - including a name for the organization that is representative of its new home - it was announced today that much like the naming of the Sounders FC First Team, Tacoma fans will have influence over the identity of their new club. Details for that process are forthcoming, with the team to play under the S2 brand in the near-term during this transition.
