Bay Area native Sebastian Lletget loves his new home Los Angeles | #ThisIsLA

by Adam Serrano, LA Galaxy Insider

Sebastian Lletget may be San Francisco Bay Area-bred, but “Da Boy” loves Los Angeles more than he ever could have thought when he made the move to SoCal a year ago.

Like a lot of young kids from Northern California, Lletget was raised to look down on the city nearly 400 miles to the south. As a fan of the San Francisco Giants and Golden State Warriors, Lletget’s love of Bay Area sports teams provided him with a connection to his hometown after he left Northern California for London in his teens to sign with English Premier League club West Ham United.

England provided the Californian with plenty of new experiences off the field, but on the field, Lletget was never able to lock down a regular place with the Hammers, ultimately leading to his move to the Galaxy a year ago. The Bay Area kid flourished in Los Angeles, playing in 20 games and scoring seven goals for his new side en route to becoming a fan favorite among the Galaxy faithful.

That warm reception from LA fans was key to “Da Boy” accepting his new home into his heart.

“I’m blurring the lines a little,” a smiling Lletget told LAGalaxy.com. “This city and this club have accepted me into their hearts. Galaxy fans especially have been fantastic. I know that I’m from a rival city, but it’s been a great transition so far, and I’m grateful for that.”

Like many Galaxy players, the 23-year-old has found his home in the South Bay enclave of Manhattan Beach. Alongside the picturesque views of the Pacific Ocean,

the Galaxy’s most photogenic player has discovered a new home.

“Manhattan Beach suits my personality. It’s tranquil and beautiful. It’s amazing,” said Lletget. “At the beginning it was a little bit different, but now I feel like Los Angeles is like home to me. I may be from the Bay Area, but I’ve got a lot of love for this city, and I’m going to show it through my soccer.”

In his first full year in Los Angeles, the new Angeleno is hoping to win a title for his adopted city.

“I’ve only been here seven months, but I can see that the Galaxy mean so much to this city,” Lletget said. “People are noticing that this is a big club and it means a lot to us to play for the city.”

“Da Boy” is known across MLS circles for his skill on the field as well his Instagram prowess. Lletget provides us with his favorite five places to take a selfie below:

LA Galaxy II Start Off 2016 USL Season Strong

Check out the future stars of the LA Galaxy on Wednesday, April 13, at StubHub Center

LA Galaxy II have started out the season strong, earning seven points in the team's first three matches. **Los Dos** earned wins over Arizona United SC and Saint Louis FC before earning a draw against Real Salt Lake on the road.

In the first two home matches, Los Dos were boosted by a brace from Ariel Lassiter before a standout performance from captain Jack McBean as Galaxy II earned a 2-0 win over Arizona and a 3-0 win over Saint Louis FC.

Galaxy II then traveled to face Real Monarchs SLC in the team's first road game of the season. After Galaxy II found themselves down 3-0 through the first 80 minutes, Los Dos came roaring to score three goals in the final ten minutes to pull level at 3-3 and steal a point at Rio Tinto Stadium. LA Galaxy Academy forward Ethan Zubak started the comeback with his first USL goal in the 81st minute. Ryo Fujii scored his first USL goal to double the lead in the 88th minute while McBean converted a penalty kick in stoppage time to level the match.

HABLANDO CON | **Giovani Dos Santos**

¿Qué nos puede contar acerca de su experiencia con Bruce Arena?

"Es un gran entrenador con gran trayectoria y experiencia. Creo que le ha dado muchísimo al fútbol de Estados Unidos y al LA Galaxy. Me siento afortunado y privilegiado de poder contar para un hombre tan importante en el fútbol estadounidense".

¿Qué es lo que más le ha aprendido a Arena?

"Yo creo que es un entrenador ganador que le gusta ver jugar a su equipo siempre bien. Me ha dado mucha confianza y es un placer estar bajo sus órdenes".

¿Cómo ha sido su experiencia hasta ahora en la MLS?

"Llevo pocos partidos jugados en la MLS, esta será mi segunda temporada, por llamarlo así, porque la pasada temporada solo estuve a partir de agosto, si mal no recuerdo. Esta temporada tengo mucha ilusión de hacer las cosas bien, de hacer una gran temporada, y de conseguir el título con mi equipo. Uno lo que siempre quiere es ganar títulos y espero conseguirlo este año".

LA Galaxy enfrentará a Portland Timbers este domingo, ¿qué esperan sacar de ese partido y como enfrentarán al rival?

"Sabemos que jugamos frente al vigente campeón [de la MLS Cup]. El año pasado tuvimos como equipo una muy mala experiencia en casa contra ellos y esperemos el día domingo hacer un gran partido, conseguir la victoria, y que la afición se vaya contenta

con nuestro desempeño".

¿Cuál será la estrategia para enfrentar a Portland Timbers?

"Preocuparnos por nosotros, hacer lo que venimos haciendo en casa, presionar como venimos trabajando en equipo. Las ocasiones que tengamos, tratar de concretarlas".

Este fin de semana, las pruebas de Sueño MLS arrancan en Los Ángeles, ¿qué mensaje le manda usted a todos estos jóvenes aspirantes a futbolistas que lo ven a usted como ídolo?

"Les recomiendo que disfruten, que lo dejen todo dentro del campo, que sean buenos compañeros y que trabajen duro. Al final yo creo que el sacrificio, el ser inteligente, el tomar las mejores decisiones es siempre lo más importante como jugador".

¿Qué recuerda con más emoción cuando tenía la edad de esos jóvenes que probarán para Sueño MLS?

"La disfruté muchísimo. El mundo del fútbol y la vida tiene buenos y malos momentos, pero yo creo que siempre uno tiene que tener claro lo que uno quiere sacar de la vida. Desde pequeño, siempre tenía en mi cabeza que quería ser jugador profesional, que quería llegar a ser un gran jugador y siempre luché por eso. Con sacrificio, siempre con la cabeza bien alta y sabiendo que tenía que trabajar durísimo para conseguirlo".

¿Le gustaría poder reencontrarse y tener

la oportunidad de jugar otra vez con su hermano Jonathan dos Santos?

“Claro que sí, sería para mí cumplir otro sueño. Poder encontrarnos, estar juntos y poder jugar juntos. Sería una de las mejores cosas que me podría pasar como profesional y en la vida también”.

¿Qué influencia tuvieron sus padres en sus logros deportivos?

“La verdad que muchísima, como todos saben mi papá fue jugador de fútbol. Él fue el que realmente nos formó y el que nos inculcó esa pasión por el fútbol. Mi madre fue siempre la que nos apoyó en todo momento. Estaba siempre detrás de nosotros. Cuando las cosas estaban mal, era la que siempre nos alentaba y nos daba esa confianza y yo creo que gran parte de nuestro éxito fue gracias a ellos. Formaron un gran grupo de trabajo alrededor de nosotros y nos dieron todas las herramientas

para poder llegar hasta donde hemos llegado”.

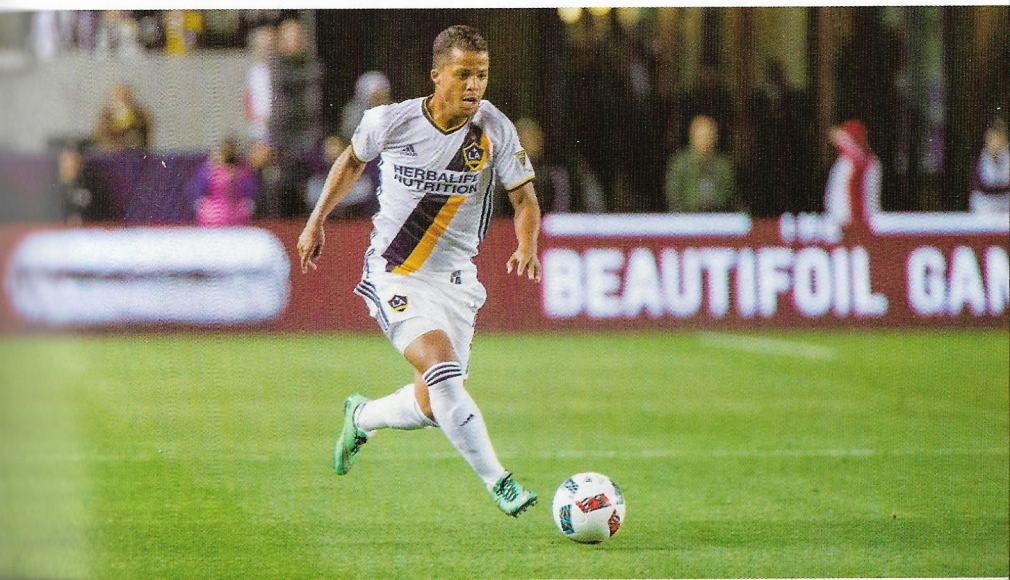

¿Cómo recuerda el momento en el que debutó con el FC Barcelona?

“Fue un momento mágico y uno de los momentos más felices de mi vida. Fue realizar un sueño después de muchos años de trabajo y sacrificio. A parte, fue grandioso el poder compartir vestuario con grandes jugadores, con grandes estrellas, y al final debutar con el equipo que prácticamente me lo dio todo desde los 11 años. Así que ese fue un momento especial en mi vida”.

¿Qué pueden esperar los aficionados de usted esta temporada?

“Pues lo mejor, yo quiero y creo que voy a entrar en la mejor etapa de mi carrera, así que puedan ver la mejor versión de Gio y trabajaré muy duro para poder seguir mejorando”.

Movement Tip— Get Fit Like the LA Galaxy

An exclusive workout from LA Galaxy Head Strength and Conditioning Coach Daniel Guzman

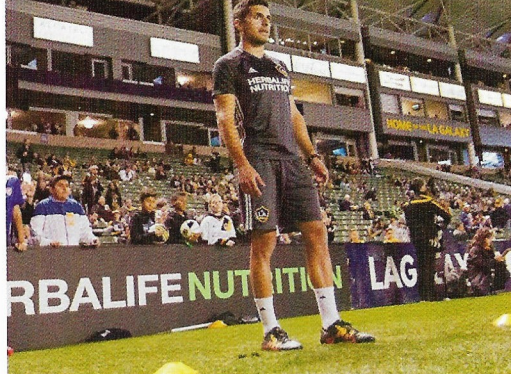

Ever wonder how Gyasi Zardes runs for 90 min non-stop? Or how Sebastian Lletget can sprint, change direction and accelerate repeatedly around the other team? Here is your inside look into one way these players get and maintain their fitness. They are called Endurance Intervals and they will push you to your limits.

Endurance Intervals:

- Start at one corner of the field and sprint at 90% of your max speed around the outside of the field for 45 seconds.
- Walk or jog for two minutes and 15 seconds as an active recovery.
- Once the rest is up, repeat the sprint for 45 seconds followed by a 2:15 rest.

Complete workout:

- Three 45 second sprints (2:15 recovery after each sprint)
- Three 30 second sprints (1:30 recovery after each sprint)

Total:

- 6 sprints

The important thing to remember is that the goal of this exercise is not to make a player tired, but to increase fitness capacity! Try this workout for yourself to see what our players do to stay fit.

Daniel Guzman is in his second season as Head of Strength and Conditioning for the LA Galaxy. Previously, Guzman started with EXOS at the StubHub Center. While at EXOS, Guzman worked with a wide variety of athletes including: the U.S. Men's National Team, Chivas USA, LA Galaxy II, as well as MLB, NFL, and NBA athletes. Guzman earned a Bachelor's of Science in Kinesiology with an Emphasis in Exercise Physiology from Westmont College in Santa Barbara, California. LA Galaxy to Host Special Olympics Southern California Unified Soccer Team Tryouts on April 23

LA Galaxy will form Special Olympics Southern California Unified Team for third-straight season

The LA Galaxy will host tryouts for the 2016 LA Galaxy Special Olympics Southern California (SOSC) Unified Soccer Team on Saturday, April 23, at StubHub Center, beginning at 12:30 p.m. PT. Participants, who will become a part of the 2016 LA Galaxy SOSC Unified Team to compete against other MLS-affiliated Special Olympics Unified Teams during the year, will receive two tickets to the LA Galaxy's match against Real Salt Lake that evening.

Players wishing to participate in tryouts can visit www.lagalaxy.com to download the registration form and receive more information.

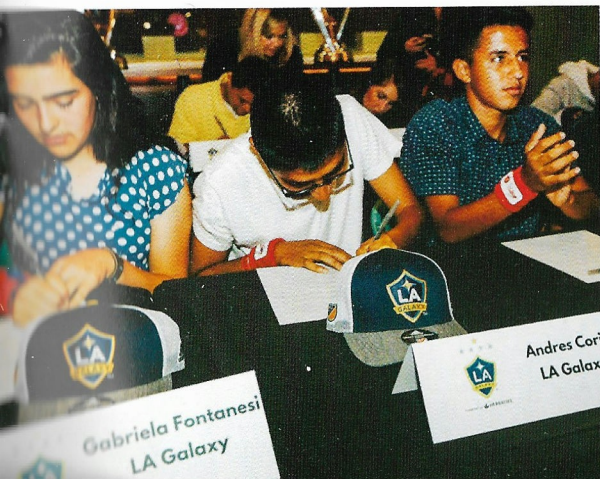

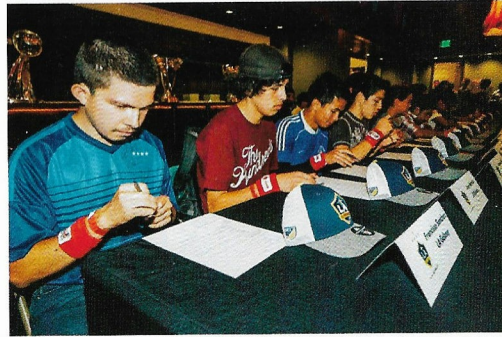

The LA Galaxy SOSC Unified Soccer Team Exchange program is a partnership between the LA Galaxy and Special Olympics Southern California that brings individuals with and without intellectual disabilities, ages 16-25, together as teammates to participate in unique training, competition and social experiences.

The goal of Unified Sports is to bring people with and without disabilities together to compete, learn and grow on the same team – as equals. Dedicated to promoting

social inclusion through shared sports training and competition experiences, Unified Sports breaks down stereotypes about people with intellectual disabilities in a fun way. It was inspired by a simple principle: playing together is a quick path to friendship and understanding.

The tryouts will take place on Field #5 at StubHub Center, the first field on the right as you use Entrance Gate A, off Avalon Blvd.

#FirstToFive Night – First to Five, Second to None

As part of the LA Galaxy's #FirstToFive Night during today's match, the first 18,500 fans to enter StubHub Center received a free "First to Five, Second to None" scarf courtesy of Chick-fil-A. The LA Galaxy's #FirstToFive Night celebrates the LA Galaxy's five MLS Cup wins against the defending MLS Cup champions Portland Timbers.

Additionally, Chick-fil-A will offer 18,000 Be Our Guest cards that are redeemable for one of five free food

items in Greater Los Angeles Chick-fil-A restaurants upon exit from the stadium. The Galaxy have also placed five championship stars across the north berm at StubHub Center to honor the club's rich history.
