LA Galaxy sign Romain Alessandrini as Designated Player

The LA Galaxy signed French midfielder **Romain Alessandrini** as their newest Designated Player on Feb. 26, 2017. Alessandrini, 27, joins after spending his professional career playing in France, most recently for Olympique de Marseille in France's top-flight division, Ligue 1.

"We are very excited to add a talented, attacking winger like Romain to our roster," said LA Galaxy General Manager Peter Vagenas. "He is in the prime of his career and has spent time playing at a top division in Europe. Romain will play a valuable role in our team's success this season and we look forward to him joining our roster ahead of the 2017 campaign."

Romain Alessandrini introduced himself to Galaxy fans on Feb. 25 with an impressive appearance in the Galaxy's 2-1 preseason defeat to the Portland Timbers on Sunday.

Alessandrini played a full half in the Galaxy's final preseason match, his second appearance in a week since arriving from France on Feb. 20. In his first match at StubHub Center, the Frenchman was dynamic as he helped set up the club's lone goal with a free kick that led to Daniel Steres' finish.

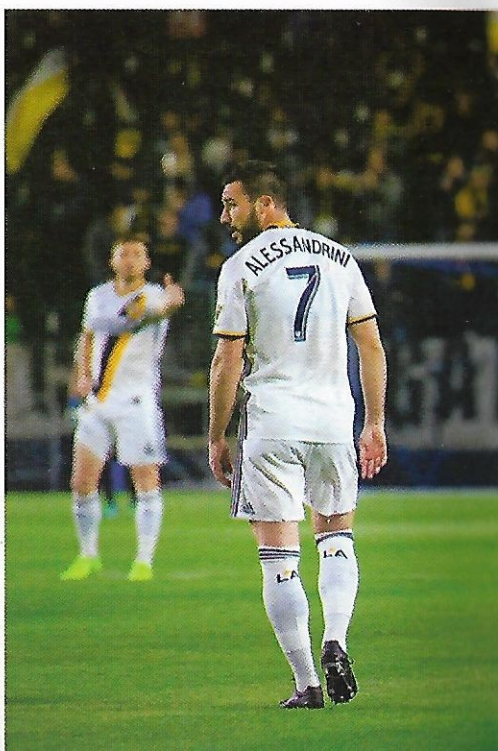

Alessandrini joins the Galaxy after nearly 10 years of playing professional in France for various teams, most recently in France's Ligue 1 for Marseille. In Ligue 1, France's

top professional division, Alessandrini totaled 31 goals and 21 assists. Prior to his time in France's top league, Alessandrini featured for FC Gueugnon and Clermont Foot Auvergne 63.

The French winger's professional career began when he joined Marseille's youth academy in 1999, spending six years there before he joined Gueugnon in France. In 2008, he made his professional debut as a teenager for Gueugnon and went on to make over 30 appearances in France's third division. In 2010, Alessandrini earned a contract with Clermont Foot in Ligue 2. In three years for the team, he made over 70 appearances and scored 24 goals with 11 assists in all competitions. His success in Ligue 2 saw him sign with Stade Rennais FC in the first division of France.

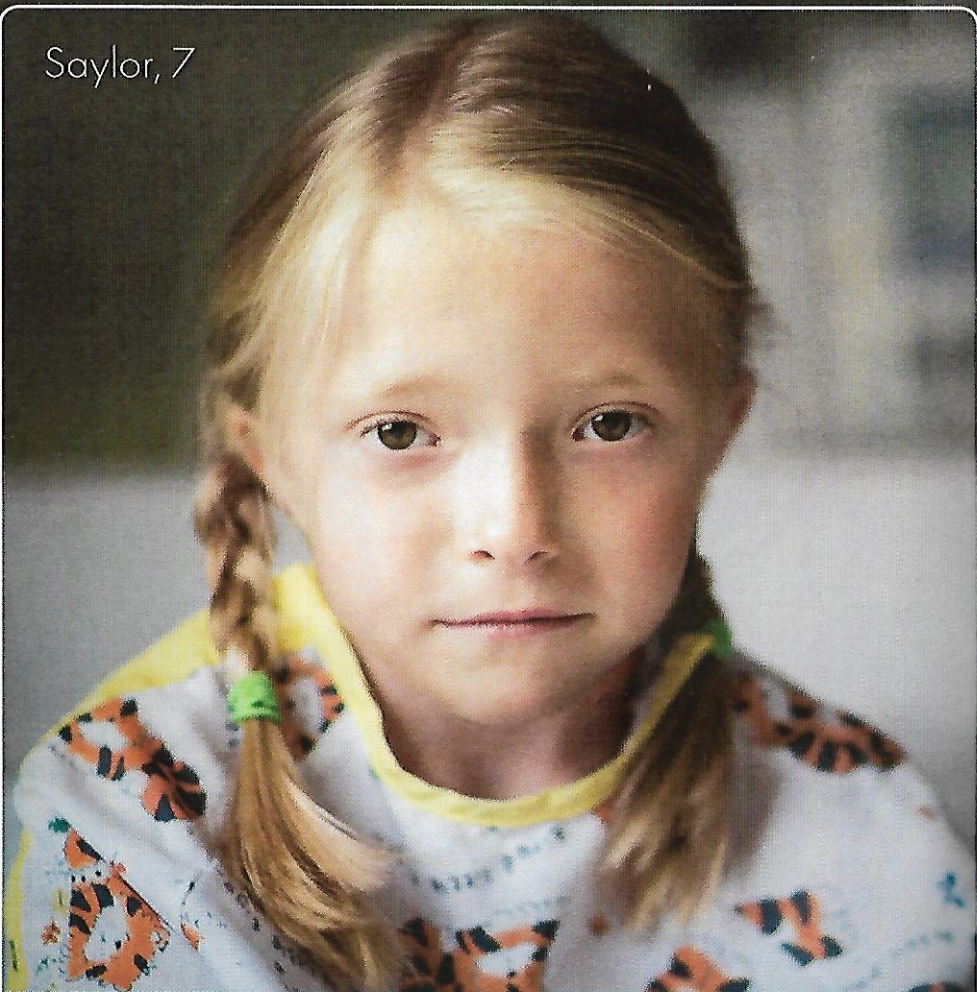

While in Ligue 1, Alessandrini scored 20 goals and added 12 assists as a member of Stade Rennais from 2012-2014 before signing with top French side Marseille. As a member of his hometown side Marseille, the 27-year-old tallied 11 goals and nine assists with the club prior to joining the LA Galaxy in Major League Soccer.

Internationally, Alessandrini was named to France's international squad in 2013 but did not make an appearance after withdrawing due to a minor injury.

Defender Jelle Van Damme named captain for 2017 season

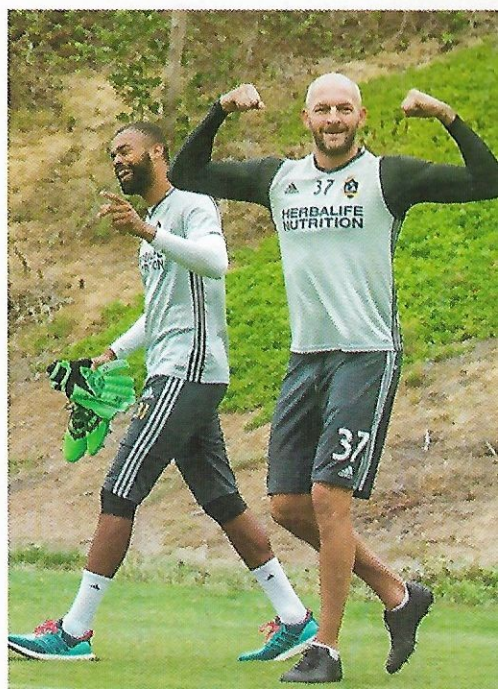

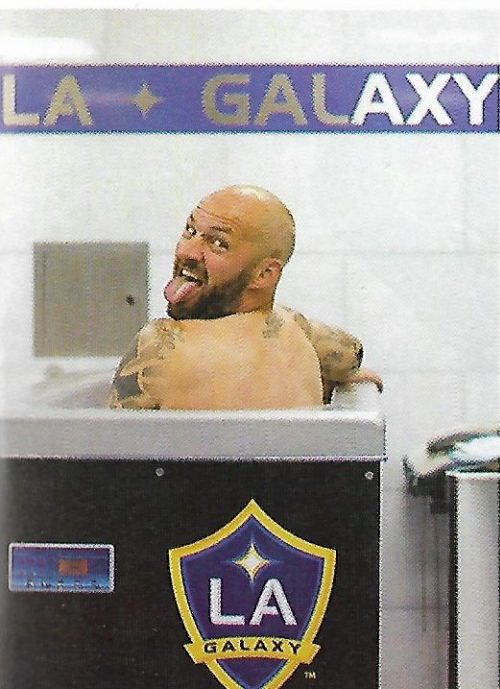

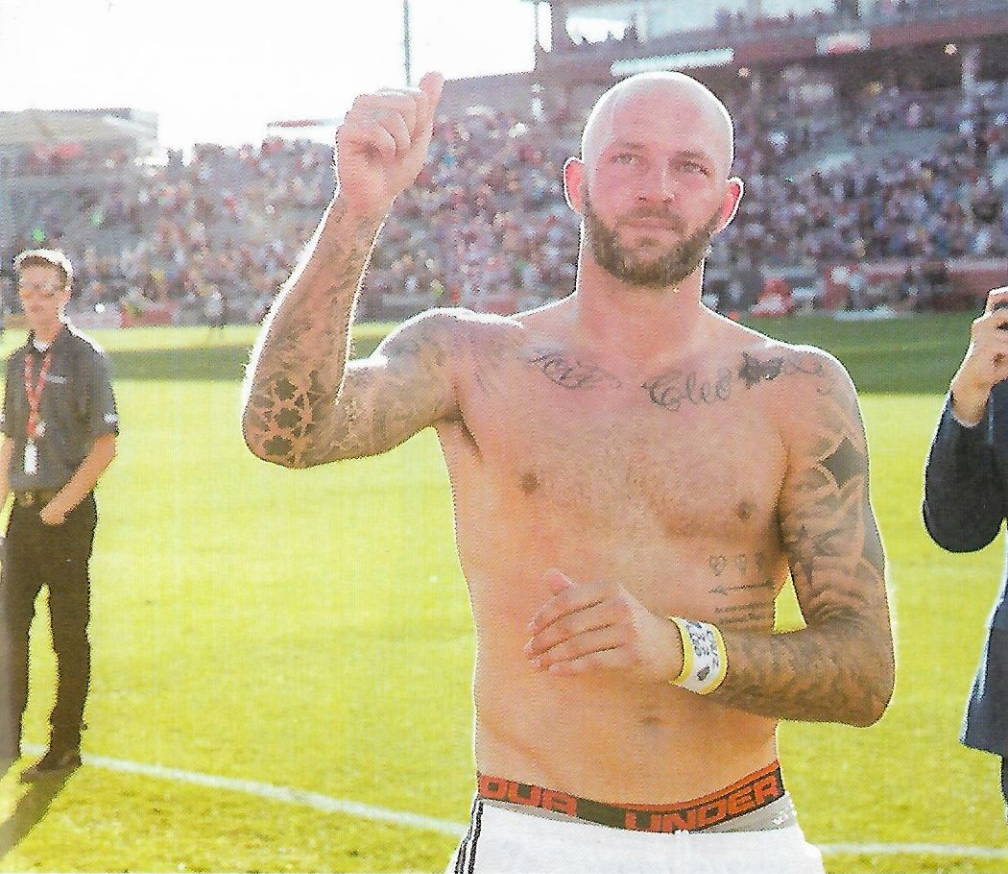

LA Galaxy announced Wednesday that defender Jelle Van Damme has been named the 2017 LA Galaxy Team Captain. Van Damme, 33, joined the LA Galaxy ahead of the 2016 MLS Season and went on to record one of the best seasons of any defender in the league last season.

Van Damme, 33, joined LA last offseason from Belgian side Standard Liege and went on to make 29 appearances for LA during the regular season in addition to three more during the Audi 2016 MLS Cup Playoffs, which all came as all starts. Van Damme also led a Galaxy defense that allowed just 39 goals on the season, tied for the third-fewest in Major League Soccer, which gave LA the league's second-best goal differential (+15).

In his first season with LA Galaxy, he was named a 2016 MLS All-Star and while also earning MLS Best XI.

The captain's armband had previously been worn by former Galaxy forward Robbie Keane since 2013, who departed from the team after the conclusion of last season.

The LA Galaxy have different camp locations throughout the South Bay, Orange County, Glendale, and Santa Barbara areas.

Each camp includes professional training, an LA Galaxy sack pack and water bottle, an LA Galaxy camp shirt, an LA Galaxy player appearance and autograph sessions, and a ticket to an LA Galaxy home game. Elite and Fantasy camp registrations include two tickets per participant.

LA Galaxy camps are designed to provide a better understanding of the game's overall tactics in a safe and fun environment. The Galaxy staff teaches using age-appropriate technical and tactical exercises designed by LA Galaxy Academy coaches with the player in mind. Players are put in an exciting soccer environment consisting of modern camp games, unique fitness learning, challenging skills demonstrations, and small-sided

competitions. The Galaxy strive to identify and develop key players in the community that could advance to play for the LA Galaxy one day.
