LA Galaxy launch new mobile app to enhance fan experience in collaboration with GlobalLogic

The LA Galaxy, in conjunction with official digital technology partner GlobalLogic, has announced the launch of the LA Galaxy App, a mobile platform that will offer fans access to the latest team news, stats and highlights in addition to several easy and accessible features to improve fan experiences – ticketing, concessions and merchandise – for fans at StubHub Center and abroad. The app, free of charge, is available to download now on mobile devices at the iOS store and for Android users.

"We are thrilled to launch the LA Galaxy App with GlobalLogic," said LA Galaxy President Chris Klein. "Fan experience continues to be one of our primary objectives and we are excited to launch a comprehensive platform to offer our fans easier access, information and experiences at our stadium and abroad.

We are proud to have worked alongside GlobalLogic to create this innovative digital app for our fans."

As part of the club's investment in the digital experience, the LA Galaxy have also partnered with Flash Seats® to improve fans' access to tickets through the new app, which is now also integrated and enabled with the team's and venue's official ticket resale partner, StubHub.

With the LA Galaxy App, Flash Seats® will be fully accessible as a method of ticket delivery. Fans can conveniently scan in with a mobile device upon entry to the stadium without paper tickets, ensuring that tickets cannot be lost or stolen. Also within the app, fans will be able to manage their LA Galaxy Season Ticket Membership inventory, post tickets directly to the team's official resale marketplace, StubHub, and easily transfer tickets to others until the start time of each event.

Additionally, concessions access at StubHub Center will be improved through the LA Galaxy App through a new partnership with Tapin2, which offers fans a new and convenient way to order with a push of a button. Fans utilizing the LA Galaxy App can order food and beverages for delivery directly to their seats in certain sections of the stadium. Additionally, fans are now able to pre-order food and beverages for express pick-up at the Rock &

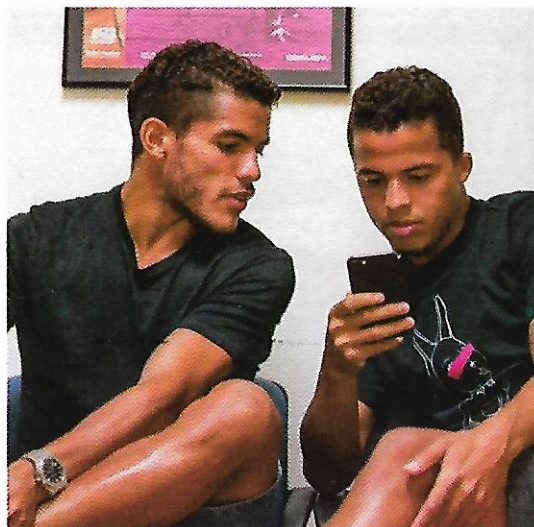

Brews stand on the Southeast corner of the concourse.

The LA Galaxy App will also offer fans new ways to receive merchandise from the LA Galaxy Team Store or to bid on exclusive memorabilia. Through the app, fans can order merchandise for delivery directly to their seats at StubHub Center. LA Galaxy Foundation auctions will also be available, giving fans the chance to win once-in-a-lifetime experi-

ences or exclusive autographed memorabilia and prizes, with proceeds benefiting the LA Galaxy Foundation.

For each LA Galaxy match, fans can also be a part of selecting the LA Galaxy Man of the Match, sponsored by Allstate, by voting exclusively through the app. The LA Galaxy app will incorporate additional features in the coming months.

Last year, GlobalLogic and the LA Galaxy announced that the club selected GlobalLogic, a leader in digital product development services, as the official digital technology partner of the LA Galaxy. As part of this partnership, GlobalLogic and the LA Galaxy have worked together to design and build a next-generation digital platform and mobile application for enhanced fan engagement.

Download the LA Galaxy App from the App Store on iOS and Android devices today!

LA Galaxy celebrate Hispanic Heritage Night Saturday at StubHub Center

The LA Galaxy will celebrate Hispanic Heritage Night Saturday at StubHub Center when the Galaxy host Columbus Crew SC (7:30 p.m. PT; Time Warner Cable SportsNet, Time Warner Cable Deportes). The Galaxy will recognize various Hispanic community leaders before the match at StubHub Center to celebrate Hispanic Heritage Month, which begins in September.

As part of Hispanic Heritage Night, the Galaxy will honor pop star Becky G, LA Galaxy legend Mauricio Cienfuegos, Director of Santa Ana Police Athletic & Activity League Kenny Aguilar and Director of Substance Abuse at Homeboy Industries Fabian Debora. The group will be recognized on the field at StubHub Center for their contributions and achievements during a special pregame ceremony.

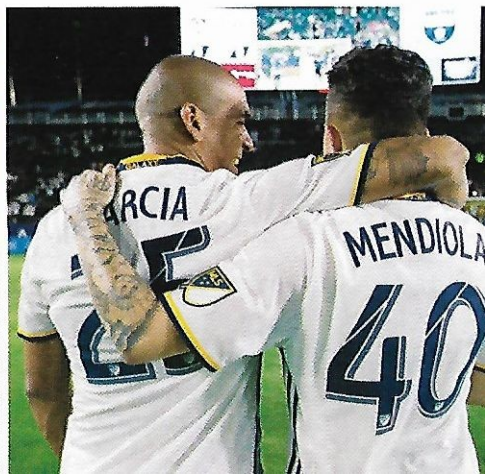

Becky G is one of *Rolling Stone's* "18 Teens Shaking Up Pop Culture," and was recently cast as Trini, the Yellow Power Ranger in the upcoming Power Rangers feature film (Lionsgate). Becky is one of Cover Girl's youngest faces, scored a #1 single (Can't Get Enough feat. Pitbull) on the Latin Billboard Charts, and guest-starred last Fall, on Fox's Emmy-winning *Empire*. In addition, Becky has

toured with Demi Lovato, Katy Perry, Jason Derulo, and J Balvin. Becky's latest single, "Sola," debuted at #1 on the iTunes Latin Pop chart.

Salvadoran legend Mauricio Cienfuegos represented the Galaxy from 1996-2003, winning an MLS Cup in 2002. The midfielder finished his storied career with LA after recording 78 assists and 35 goals in just 206 games for the Galaxy. Earlier this year, Cienfuegos was named to the inaugural LA Galaxy Ring of Honor.

Kenny Aguilar, Director of Santa Ana Police Athletic & Activity League, assisted with the installation of the LA Galaxy's 20 for 20 mini-pitch earlier this year. He maintains soccer programming and physical education programs in multiple elementary schools in the Santa Ana Unified School District, where 96% of USD students are Hispanic.

Fabian Debora, Director of Substance Abuse at Homeboy Industries, is a well-known artist who oversees a youth development art studio. He is also a graduate of Homeboy Industries, which provides hope, training, and support to formerly gang-involved and previously incarcerated men and women allowing them to redirect their lives and become contributing members of our community.

LA Galaxy featured as playable team in EA SPORTS™ FIFA 18 demo

The LA Galaxy are now one of 13 playable teams from across the world in the EA SPORTS™ FIFA 18 Demo, available for download now on PlayStation 4, Xbox One and PC. Additionally, the FIFA 18 demo features StubHub Center, the first MLS soccer-specific stadium included in an EA SPORTS™ FIFA franchise, as one of four usable stadiums. FIFA 18 will be available worldwide on September 29 on the PlayStation 4, Xbox One and PC game versions.

In the EA SPORTS™ FIFA 18 Demo, fans will be able to play as one of the following 13 teams in Kick Off Mode: **LA Galaxy**, Manchester United, Manchester City, Real Madrid CF, Atlético de Madrid, Juventus F.C., FC Bayern Munich, Paris Saint-Germain F.C., Toronto

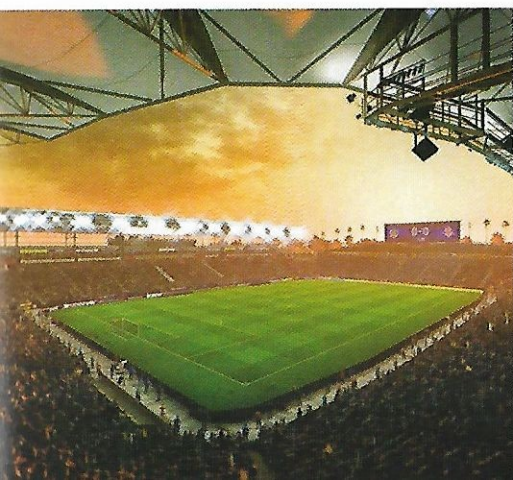

FC, Boca Juniors, C.D. Guadalajara, Vissel Kobe and Chelsea FC.

With new high-res crowds, regionalized atmospheres, player banners, on-pitch graphics, official MLS broadcast presentation package, and more, FIFA 18 brings the most immersive football experiences to life. Fans can also play in one of these four stadiums from around the world: **StubHub Center**, Santiago Bernabéu, La Bombonera, King Fahd Stadium.

Last month, EA SPORTS™ revealed that Alex Hunter will join the LA Galaxy and play at StubHub Center in FIFA 18 The Journey, which will feature LA Galaxy Home-grown forward Gyasi Zardes in a speaking role. Hunter, the talented young English forward, joins the Galaxy in Los Angeles after a breakout year in the Premier League last season during FIFA 17 The Journey, one of the most heralded additions to the EA SPORTS™ FIFA franchise.

StubHub Center, one of Major League Soccer's most iconic venues, has hosted a league-leading six MLS Cups, most recently in 2011, 2012 and 2014, all of which were won by the LA Galaxy. Serving as the home of MLS' most successful franchise, LA Galaxy, for 15 seasons, StubHub Center has become one of the prominent and recognizable soccer-specific venues in North America.

EA Vancouver began designing StubHub Center for FIFA 18 in January 2017, crafting the stunning accuracy and visuals of LA Galaxy games. Developed by EA Vancouver and EA Romania, FIFA 18 will be available worldwide on September 29.

LA Galaxy 2017 Soccer Camps are now open for registration at www.youth.lagalaxy.com. LA Galaxy Camps offer youth players exclusive opportunities to develop their skills in an elite training environment under dedicated Galaxy coaches and staff.

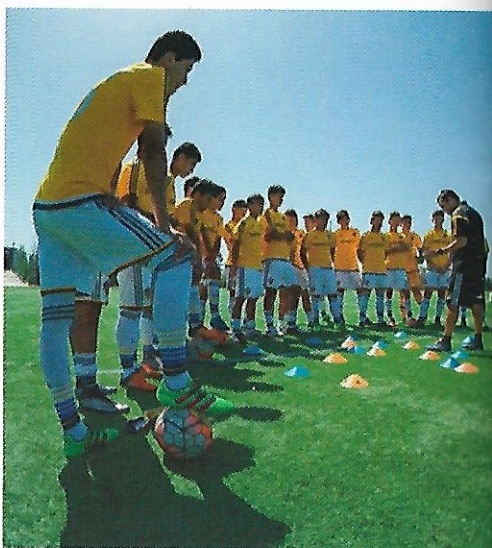

The Galaxy feature numerous camps for youth players, including Attacking and Defending Principles Camp, Goalkeeper Camp, Elite Camp, Full Day Camp, Female Soccer Camp, among others. For full descriptions, dates, and locations of each camp, visit www.youth.lagalaxy.com. The LA Galaxy have different camp locations throughout the South Bay, Orange County, Glendale, and Santa Barbara areas.

Each camp includes professional training, an LA Galaxy sack pack and water bottle, an LA Galaxy camp shirt, an LA Galaxy player appearance and autograph sessions, and a ticket to an LA Galaxy home game. Elite and Fantasy camp registrations include two tickets per participant.

LA Galaxy camps are designed to provide a better understanding of the game's overall tactics in a safe and fun environment. The Galaxy staff teaches using age-appropriate technical and tactical exercises designed by LA Galaxy Academy coaches with the player in mind. Players are put in an exciting soccer environment consisting of modern camp games, unique fitness learning, challenging skills demonstrations, and small-sided

competitions. The Galaxy strive to identify and develop key players in the community that could advance to play for the LA Galaxy one day.
