Photo Gallery: LA Galaxy Special Olympics Unified completes perfect season

The LA Galaxy Special Olympics Unified team closed out their undefeated season with an impressive 4-0 victory over the San Jose Earthquakes on Sunday at StubHub Center.

The Galaxy Unified squad jumped out to an early lead with Jose Conde finding the back of the net, followed

quickly by a tally from Carlos Arriaza. Los Angeles didn't let up the scoring as Duada Opejin notched a third before Logan Jones rounded out the scoring for the Galaxy.

The Galaxy Unified squad ended the year with three victories and an impressive 20 goals scored and only five conceded.

LA Galaxy launch new mobile app to enhance fan experience in collaboration with GlobalLogic

The LA Galaxy, in conjunction with official digital technology partner GlobalLogic, has announced the launch of the LA Galaxy App, a mobile platform that will offer fans access to the latest team news, stats and highlights in addition to several easy and accessible features to improve fan experiences – ticketing, concessions and merchandise – for fans at StubHub Center and abroad. The app, free of charge, is available to download now on mobile devices at the iOS store and for Android users.

“We are thrilled to launch the LA Galaxy App with GlobalLogic,” said LA Galaxy President Chris Klein. “Fan experience continues to be one of our primary objectives and we are excited to launch a comprehensive platform to offer our fans easier access, information and experiences at our stadium and abroad.

We are proud to have worked alongside GlobalLogic to create this innovative digital app for our fans.”

As part of the club’s investment in the digital experience, the LA Galaxy have also partnered with Flash Seats® to improve fans’ access to tickets through the new app, which is now also integrated and enabled with the team’s and venue’s official ticket resale partner, StubHub.

With the LA Galaxy App, Flash Seats® will be fully accessible as a method of ticket delivery. Fans can conveniently scan in with a mobile device upon entry to the stadium without paper tickets, ensuring that tickets cannot be lost or stolen. Also within the app, fans will be able to manage their LA Galaxy Season Ticket Membership inventory, post tickets directly to the team’s official resale marketplace, StubHub, and easily transfer tickets to others until the start time of each event.

Additionally, concessions access at StubHub Center will be improved through the LA Galaxy App through a new partnership with Tapin2, which offers fans a new and convenient way to order with a push of a button. Fans utilizing the LA Galaxy App can order food and beverages for delivery directly to their seats in certain sections of the stadium. Additionally, fans are now able to pre-order food and beverages for express pick-up at the Rock &

Brews stand on the Southeast corner of the concourse.

The LA Galaxy App will also offer fans new ways to receive merchandise from the LA Galaxy Team Store or to bid on exclusive memorabilia. Through the app, fans can order merchandise for delivery directly to their seats at StubHub Center. LA Galaxy Foundation auctions will also be available, giving fans the chance to win once-in-a-lifetime experi-

ences or exclusive autographed memorabilia and prizes, with proceeds benefiting the LA Galaxy Foundation.

For each LA Galaxy match, fans can also be a part of selecting the LA Galaxy Man of the Match, sponsored by Allstate, by voting exclusively through the app. The LA Galaxy app will incorporate additional features in the coming months.

Last year, GlobalLogic and the LA Galaxy announced that the club selected GlobalLogic, a leader in digital product development services, as the official digital technology partner of the LA Galaxy. As part of this partnership, GlobalLogic and the LA Galaxy have worked together to design and build a next-generation digital platform and mobile application for enhanced fan engagement.

Download the LA Galaxy App from the App Store on iOS and Android devices today!

Cozmo's Crazy Coloring Corner

Want to have you or your kiddo's favorite drawing of the LA Galaxy featured in the LA Galaxy Gameday Program for the next home match at StubHub Center? You're in luck. The LA Galaxy have launched "Cozmo's Crazy Coloring Corner" to feature a different fan's LA Galaxy artwork – color pencil, painting, water color, chalk and more – in a page of each of the LA Galaxy Gameday Programs for all remaining home games at StubHub Center.

"Cozmo's Crazy Coloring Corner" in the LA Galaxy

Gameday Program will feature a different piece of artwork each game day. Copies of the Gameday Program will be sent to the fan whose artwork is selected. The artist of the winning submission will receive four (4) free match tickets to the Galaxy's next home game, Saturday, September 16 at 7:30 p.m. against Toronto FC at Stubhub Center.

To have your artwork featured in the LA Galaxy Gameday Program, send a scanned image of the artwork to Chris Glidden at cglidden@lagalaxy.com along with the artist's name, age and place of residence.
