Energy FC takes on Orange County SC for the first time this season. The Teams will meet again in Orange County on August 25.

In Energy FC's last USL regular season match on May 13, the team played to a scoreless draw through the first half. In the 50th minute, Phoenix Rising midfielder Jason Johnson staked Phoenix Rising to a 1-0 lead. In a hard-fought match, each team had opportunities to score, including a hit post by Miguel Gonzalez late in the 2nd half. Energy FC earned a PK when Phillip Rasmussen was taken down in the box in the 3rd minute of five minutes of stoppage time. Kyle Hyland scored to tie the match at one and appear to send the teams to a draw. After the ensuing kickoff, Phoenix Rising maintained control, worked the ball toward the scoring area and with literally seconds left, Shaun Wright-Phillips scored to give Phoenix Rising FC a dramatic 2-1 win.

After an extended time between matches...one regular season match in 31 days...Energy FC returns to play with a vengeance, playing three matches in the span of seven days. A Lamar Hunt U.S. Open Cup match on May 17 against Moreno Valley FC (USL) followed by regular season matches on May 20 against Orange County and May 24 against Portland Timbers FC 2.

Energy FC enters this weekend's match with the second fewest matches played in the USL. The Rochester Rhinos have played only five matches, while Phoenix Rising FC, Reno 1868 FC and

Charlotte Independence have only played six. Compare that to Colorado Springs and Portland that have already played 10 matches this season.

This is the first meeting with Orange County SC. The previously-branded OC Blues have met Energy FC seven times in the last three seasons in USL regular season play. All-time, Energy FC owns a 4-2-1 mark and that includes a 2-1-1 mark in Oklahoma City.

It's that time of year when teams begin their play in the Lamar Hunt U.S. Open Cup. Last Wednesday, both Energy FC and the U23s played matches in the annual competition. Energy FC overcame a shaky start and downed Moreno Valley FC 5-1. Energy FC's PDL squad, fell behind early and fought valiantly in a 5-3 loss to the Tulsa Roughnecks FC in Tulsa. Energy FC now plays the Colorado Springs Switchbacks FC on May 31 in Round 3 of the Lamar Hunt U.S. Open Cup.

Energy FC has had some challenges scoring goals this season. Through six matches, The Greens have mustered only four goals. Surprisingly, that is not the fewest in the league. The Richmond Kickers have also scored four goals through eight games and have a 2-4-2 mark with a goal differential of -2. Toronto FC has scored only two goals in eight matches and have a 1-4-3 mark with a goal differential of -7. By way of comparison, Real Monarchs SLC have scored 20 goals in eight matches with a goal differential of +12, while San Antonio FC have scored 19 goals and have a goal differential of +15 through nine matches.

QUICK KICKS

Worldwide Goal - During Energy FC's match on April 11, a flip throw by Michael Harris and bicycle-kick goal by Miguel Gonzalez resulted in worldwide attention for Energy FC and the USL. The goal, which was the only tally of the game, has been seen an estimated 20 million times across the world. Nearly every major network showed the goal on certain programming, including ESPN, FoxSports, CNN Headline News, CNN Worldwide, SkySports, Telemundo and BBC. The goal was ESPN's #1 play in the Top Ten on April 12 and was voted the top play for that week.

Longest Tenured Coach - Energy FC Head Coach Jimmy Nielsen is knee-deep in his fourth season with Energy FC, making him the longest tenured coach in the USL's Western Conference. He owns a 33-32-27 mark in USL regular season contests and 38-35-27 mark that includes matches in the Lamar Hunt U.S. Open Cup.

U23's in action - Energy FC's U23 squad continues their regular season next Tuesday at home against Texas United SC at 4 p.m. at the soccer complex on the campus of the University of Central Oklahoma.

IGNITING SUCCESS

^^^ TAFT MIDDLE SCHOOL BEFORE...

...AND AFTER.

What started in 2012 as an effort to rebuild and maintain 44 athletic fields for Oklahoma City Public Schools (OKCPS), has become something so much bigger than building fields. From day one, there was a belief that all children deserve a safe place to play and the chance to belong to something bigger than themselves - where important life lessons can be taught and lifetime friendships can be formed. But without a field, how could they play?

Fast forward to 2017 and now it's easy to see the big picture. With each new athletic field, students and communities feel a renewed sense of hope, pride and opportunity. Rosters are growing. Attendance and grades are improving. Coaches are staying. Schools are getting their swagger back. Parents and communities are re-engaging and home games are now the norm instead of the exception.

Athletics is once again proving to be a powerful connector and catalyst for positive, sustainable change. And perhaps best of all, statistics are reinforcing the belief if students play, they stay and if they stay, they graduate. For the 2015-2016 OKCPS school year, statistics show 99% of student-athletes graduated versus 81% of non-athletes. Imagine the long term impact! More students graduating means more young adults better prepared to pursue college and career aspirations with confidence and hope for a bright future.

And it starts with a safe place to play, a committed, caring coach and the resources to learn and compete.

Fields & Futures, working closely with OKCPS Athletics, the Wes Welker Foundation, Oklahoma Cleats for Kids, OKC Police Athletic League, OKC Parks and Recreation, Energy FC and others, is working hard to remove obstacles and provide children the opportunities and resources they deserve.

Energy FC co-owner Liz and Tim McLaughlin founded Fields & Futures with the belief sports can be a game changer and life changer for young

students. So when you see \$2 of each Energy ticket donated to Fields & Futures, or you hear about Energy players and coaches working with young teams and players in the community to learn and grow the game, it's because we want to invest in a future where all children have the opportunity to play and benefit from all sports has to offer.

Thank you for your support!

NIKE SOCCER

SOCCER OPERATIONS

HEAD COACH JIMMY NIELSEN

OKC ENERGY FC INTRODUCED FORMER SPORTING KC GOALKEEPER JIMMY NIELSEN AS THE TEAM'S FIRST HEAD COACH ON DECEMBER 20, 2013.

Nielsen completed his final game as a professional, serving as goalkeeper for Sporting KC in their win over Real Salt Lake in MLS Cup 2013 on December 7. A veteran of nearly 600 professional games, Nielsen brings a wealth of experience to his new position.

Nielsen began his professional career with hometown club AaB Aalborg in Denmark, helping the team to the 1999 Danish Superliga championship. After a brief stint at Leicester City in 2007, he transferred to Danish club Vejle, for whom he made 63 appearances over two years. He was named Danish Goalkeeper of the Year in 1998 and 2004, and also represented his country at the U-19 and U-21 levels.

In February 2010, Nielsen joined Major League Soccer and became the starting goalkeeper for Sporting Kansas City. As a member of Sporting KC, Nielsen was a two-time MLS All Star, the 2012 MLS Goalkeeper of the Year, and goalkeeper for the 2012 Lamar Hunt U.S. Open championship club and the 2013 MLS Cup winning squad. He was named team captain prior to start of the 2012 season.

When Nielsen began his MLS career, he instantly became a fan favorite, whose signature bleach-blonde locks earned him the nickname "White Puma." But it wasn't just his play that endeared Nielsen to fans, though—it was his personality. He was known for stopping his car at local parks when driving by and joining in games with random children. Often, Nielsen would pull kids out of the crowd and have them kick balls at him as part of his pre-game warm-up.
