In Energy FC's last USL regular season match, the team used a pair of goals from Wojtech Wojcik to earn a 3-2 win over Phoenix Rising FC. With the match tied 0-0 in first half stoppage time, Wojcik put home a header on a cross-field service from Kyle Hyland. Phoenix FC forward J.J. Greer would tie the match 1-1 in the 47th minute. In the 56th minute, Hyland would get on the scoresheet again, this time with a goal of his own. Daniel Jackson fed the ball across the 18 to Hyland who blasted it home. Wojcik would strike again in the 69th minute when he put home the rebound of a Jackson shot to score what proved to be the game winner. Phoenix FC midfielder Eder Arreola scored in the 83rd minute to make the last 10 minutes of the match interesting. Goalkeeper Cody Laurendi had four saves on the evening.

Energy FC is in the midst of a stretch where they are playing multiple games in a small stretch. Including the team's match on May 31, The Greens will play six matches in a 17-day stretch. That includes home matches on June 6 and June 10, a Lamar Hunt U.S. Open Cup match on May 13 against the Colorado Rapids, and a three-match road trip that starts in Portland on June 16.

The last time Energy FC played San Antonio FC was July 9, 2016 in San Antonio. The teams played to a 0-0 draw. Energy FC has played San Antonio three times in franchise history and owns a 1-0-2 mark. The only other meeting in Oklahoma City was May 15, 2016, a 1-1 draw.

For the second straight season, Energy FC is moving into the 4th round of the Lamar

Hunt U.S. Open Cup. Their 2-1 win over Colorado Springs on May 31 advances them to the next round against the Colorado Rapids of the MLS. The match is slated to be played in Dick's Sporting Goods Park in Denver on Tuesday, June 13.

The win over Phoenix Rising FC on June 6 extended the team's home winning streak in USL play to four straight. After a loss in the home opener on April 8, the team has rattled off wins over Sacramento Republic FC, Orange County SC, Portland Timbers FC 2 and Phoenix Rising FC. Overall and including play in the U.S. Open Cup, the team has won five of its last six matches.

# IGNITING SUCCESS

^^^ TAFT MIDDLE SCHOOL BEFORE...

...AND AFTER.

What started in 2012 as an effort to rebuild and maintain 44 athletic fields for Oklahoma City Public Schools (OKCPS), has become something so much bigger than building fields. From day one, there was a belief that all children deserve a safe place to play and the chance to belong to something bigger than themselves - where important life lessons can be taught and lifetime friendships can be formed. But without a field, how could they play?

Fast forward to 2017 and now it's easy to see the big picture. With each new athletic field, students and communities feel a renewed sense of hope, pride and opportunity. Rosters are growing. Attendance and grades are improving. Coaches are staying. Schools are getting their swagger back. Parents and communities are re-engaging and home games are now the norm instead of the exception.

Athletics is once again proving to be a powerful connector and catalyst for positive, sustainable change. And perhaps best of all, statistics are reinforcing the belief if students play, they stay and if they stay, they graduate. For the 2015-2016 OKCPS school year, statistics show 99% of student-athletes graduated versus 81% of non-athletes. Imagine the long term impact! More students graduating means more young adults better prepared to pursue college and career aspirations with confidence and hope for a bright future.

And it starts with a safe place to play, a committed, caring coach and the resources to learn and compete.

Fields & Futures, working closely with OKCPS Athletics, the Wes Welker Foundation, Oklahoma Cleats for Kids, OKC Police Athletic League, OKC Parks and Recreation, Energy FC and others, is working hard to remove obstacles and provide children the opportunities and resources they deserve.

Energy FC co-owner Liz and Tim McLaughlin founded Fields & Futures with the belief sports can be a game changer and life changer for young

students. So when you see \$2 of each Energy ticket donated to Fields & Futures, or you hear about Energy players and coaches working with young teams and players in the community to learn and grow the game, it's because we want to invest in a future where all children have the opportunity to play and benefit from all sports has to offer.

Thank you for your support!

## HEAD COACH JIMMY NIELSEN

OKC ENERGY FC INTRODUCED FORMER SPORTING KC GOALKEEPER JIMMY NIELSEN AS THE TEAM'S FIRST HEAD COACH ON DECEMBER 20, 2013.

Nielsen completed his final game as a professional, serving as goalkeeper for Sporting KC in their win over Real Salt Lake in MLS Cup 2013 on December 7. A veteran of nearly 600 professional games, Nielsen brings a wealth of experience to his new position.

Nielsen began his professional career with hometown club AaB Aalborg in Denmark, helping the team to the 1999 Danish Superliga championship. After a brief stint at Leicester City in 2007, he transferred to Danish club Vejle, for whom he made 63 appearances over two years. He was named Danish Goalkeeper of the Year in 1998 and 2004, and also represented his country at the U-19 and U-21 levels.

In February 2010, Nielsen joined Major League Soccer and became the starting goalkeeper for Sporting Kansas City. As a member of Sporting KC, Nielsen was a two-time MLS All Star, the 2012 MLS Goalkeeper of the Year, and goalkeeper for the 2012 Lamar Hunt U.S. Open championship club and the 2013 MLS Cup winning squad. He was named team captain prior to start of the 2012 season.

When Nielsen began his MLS career, he instantly became a fan favorite, whose signature bleach-blonde locks earned him the nickname "White Puma." But it wasn't just his play that endeared Nielsen to fans, though—it was his personality. He was known for stopping his car at local parks when driving by and joining in games with random children. Often, Nielsen would pull kids out of the crowd and have them kick balls at him as part of his pre-game warm-up.
