Energy FC welcomes San Antonio FC to Taft Stadium for the final time during the regular season. The teams last met on July 14 in San Antonio. Energy FC used a dramatic stoppage time goal to salvage a 1-1 draw with San Antonio. The other meeting this season between these teams was Jun 10 in Oklahoma City, a 0-0 draw. All-time, the teams have met five times with Energy FC holding a 1-0-4 mark. That includes a 0-0-2 mark in OKC.

The last match for Energy FC was August 12 on the road against Tulsa Roughnecks FC. At the end of the first half, Energy FC trailed 1-0. In the 46', Energy FC was awarded a PK and Jose Angulo converted to tie the match 1-1. Just 10 minute later, Roughnecks forward Ian Svantesson scored the game-winner on a header. The win for Tulsa was their second 2-1 victory over Energy FC this season.

In the match against Tulsa, Energy FC fired 17 shots toward Tulsa keeper Fabian Cerda. That marks the third highest single-game shot total fired by Energy FC this season. Cerda's six saves on the night is the second most by an opposing keeper this season. The highest was an eight-save performance by Orange County SC's Charlie Lyon on May 20.

Despite the loss, Energy FC still occupies the #8 spot in the Western Conference with a one point lead over Orange County SC. Energy FC will be eagerly watching the match on Friday between Phoenix Rising and Orange County. Both teams have games in hand on Energy FC and trail by one and three points respectively. A win for Energy FC this Saturday puts them back at the .500 mark for the season at 9-9-5.

Taft Stadium continues to be a safe haven for Energy FC. The team has registered a win in each of its last three home matches and has

picked up points in eight of its last nine at Taft. The exception is a 2-1 loss to Tulsa on July 8. In those last nine matches at home, Energy FC is 7-1-1. The last time Energy FC won four straight at home was July 31 - August 29, 2015

The PK has been a constant for Energy FC this season...especially in the last three weeks. Energy FC has been awarded a PK in two straight and three of its last four matches. Including opponent's PKs and dating back to July 14, there have been PKs awarded in four of the last six matches.

Energy FC continues to be able to put the ball in the goal on a consistent basis. Including their match against Tulsa, they've recorded a goal in 11 straight USL matches and 15 of the last 17 in league play. The 11 straight games with a goal is the second longest such streak in franchise history and the second time that particular streak has reached double digits. The best is 14 matches set during the 2015 campaign.

Finally some routine from the schedule maker. For the final 10 weeks of the season, Energy FC plays just one game per week in nine of those weeks. The only week with multiple games is September 17 - 24 when they play three games in that stretch. One match is at home on September 17 against Tulsa while September 20, The Greens visit Reno and September 23 they take on Sacramento.

### QUICK KICKS

Longest Tenured Coach - Energy FC Head Coach Jimmy Nielsen is knee-deep in his fourth season with Energy FC, making him the longest tenured coach in the USL's Western Conference. He owns a 39-36-31 mark in USL regular season contests and 46-40-31 mark that includes matches in the Lamar Hunt U.S. Open Cup.

# IGNITING SUCCESS

^^^ TAFT MIDDLE SCHOOL BEFORE...

...AND AFTER.

What started in 2012 as an effort to rebuild and maintain 44 athletic fields for Oklahoma City Public Schools (OKCPS), has become something so much bigger than building fields. From day one, there was a belief that all children deserve a safe place to play and the chance to belong to something bigger than themselves – where important life lessons can be taught and lifetime friendships can be formed. But without a field, how could they play?

Fast forward to 2017 and now it's easy to see the big picture. With each new athletic field, students and communities feel a renewed sense of hope, pride and opportunity. Rosters are growing. Attendance and grades are improving. Coaches are staying. Schools are getting their swagger back. Parents and communities are re-engaging and home games are now the norm instead of the exception.

Athletics is once again proving to be a powerful connector and catalyst for positive, sustainable change. And perhaps best of all, statistics are reinforcing the belief if students play, they stay and if they stay, they graduate. For the 2015-2016 OKCPS school year, statistics show 99% of student-athletes graduated versus 81% of non-athletes. Imagine the long term impact! More students graduating means more young adults better prepared to pursue college and career aspirations with confidence and hope for a bright future.

And it starts with a safe place to play, a committed, caring coach and the resources to learn and compete.

Fields & Futures, working closely with OKCPS Athletics, the Wes Welker Foundation, Oklahoma Cleats for Kids, OKC Police Athletic League, OKC Parks and Recreation, Energy FC and others, is working hard to remove obstacles and provide children the opportunities and resources they deserve.

Energy FC co-owner Liz and Tim McLaughlin founded Fields & Futures with the belief sports can be a game changer and life changer for young

students. So when you see \$2 of each Energy ticket donated to Fields & Futures, or you hear about Energy players and coaches working with young teams and players in the community to learn and grow the game, it's because we want to invest in a future where all children have the opportunity to play and benefit from all sports has to offer.

Thank you for your support!

## HEAD COACH JIMMY NIELSEN

**OKC ENERGY FC INTRODUCED FORMER SPORTING KC GOALKEEPER JIMMY NIELSEN AS THE TEAM'S FIRST HEAD COACH ON DECEMBER 20, 2013.**

Nielsen completed his final game as a professional, serving as goalkeeper for Sporting KC in their win over Real Salt Lake in MLS Cup 2013 on December 7. A veteran of nearly 600 professional games, Nielsen brings a wealth of experience to his new position.

Nielsen began his professional career with hometown club AaB Aalborg in Denmark, helping the team to the 1999 Danish Superliga championship. After a brief stint at Leicester City in 2007, he transferred to Danish club Vejle, for whom he made 63 appearances over two years. He was named Danish Goalkeeper of the Year in 1998 and 2004, and also represented his country at the U-19 and U-21 levels.

In February 2010, Nielsen joined Major League Soccer and became the starting goalkeeper for Sporting Kansas City. As a member of Sporting KC, Nielsen was a two-time MLS All Star, the 2012 MLS Goalkeeper of the Year, and goalkeeper for the 2012 Lamar Hunt U.S. Open championship club and the 2013 MLS Cup winning squad. He was named team captain prior to start of the 2012 season.

When Nielsen began his MLS career, he instantly became a fan favorite, whose signature bleach-blonde locks earned him the nickname "White Puma." But it wasn't just his play that endeared Nielsen to fans, though—it was his personality. He was known for stopping his car at local parks when driving by and joining in games with random children. Often, Nielsen would pull kids out of the crowd and have them kick balls at him as part of his pre-game warm-up.
