Energy FC hosts Vancouver Whitecaps FC 2 for the only time this regular season. This marks the second time this season the two teams have met. Their only other meeting this season was June 24 at Thunderbird Stadium in Vancouver. The teams played to a 2-2 tie. During that match, **Juan Pablo Guzman** and **Andy Craven** each scored for Energy FC. **Cody Laurendi** made three saves on the afternoon.

This is Energy FC's sixth all-time regular-season meeting with Vancouver. All-time, Energy FC is 1-2-2, with a 1-0-1 record in Oklahoma City. It is unlikely these teams will meet again during the 2017 season.

The last match for Energy FC was a 2-0 loss September 2 on the road against Swope Park. A questionable call that awarded a PK to Swope Park's Lebo Moloto put Energy FC on their heels early in the first half. Moloto converted the PK to give Swope the 1-0 lead. After Energy FC re-gained their footing, they had chances, including a late-half surge by Miguel Gonzalez that went just wide. Moloto would add his second of the night in the 49' to give Swope a 2-0 lead they wouldn't relinquish.

The playoff race in the West will come down to the wire. Real Monarchs SLC became the first team to clinch a playoff spot over the weekend. Safe to say the final spots will be earned in the

final week of the regular season. As of games completed on September 6, just nine points separate the #5 seed from the #12 seed. Energy FC's loss put them outside the top 8 in the standings. The team with the most "cushion" is Phoenix Rising FC. They have 33 points and are in the #8 spot and they have at least two games in hand on the three teams above them in the standings.

Energy FC's schedule is favorable for them for the remainder of the season. With seven games left to play (including this match), five will be played in the friendly confines of Energy FC Field at Taft Stadium. At home, Energy FC is 7-2-2, compared with 2-8-4 away from Taft. The Greens have picked up points in nine of its last 10 at Taft, going 7-1-2.

Energy FC's final two road matches come within three days of one another. The team travels to Reno on September 20 and finishes the road slate of games against Sacramento.

### Quick Kicks

**International Flavor** - Energy FC begins this season well represented on the world map. Including the coaching staff, the side is represented by 11 different countries including: **United States, Jamaica, Colombia, Denmark, England, Scotland, Mexico, Puerto Rico, Spain, Wales and Poland.**

# IGNITING SUCCESS

^^^ TAFT MIDDLE SCHOOL BEFORE...

...AND AFTER.

What started in 2012 as an effort to rebuild and maintain 44 athletic fields for Oklahoma City Public Schools (OKCPS), has become something so much bigger than building fields. From day one, there was a belief that all children deserve a safe place to play and the chance to belong to something bigger than themselves – where important life lessons can be taught and lifetime friendships can be formed. But without a field, how could they play?

Fast forward to 2017 and now it's easy to see the big picture. With each new athletic field, students and communities feel a renewed sense of hope, pride and opportunity. Rosters are growing. Attendance and grades are improving. Coaches are staying. Schools are getting their swagger back. Parents and communities are re-engaging and home games are now the norm instead of the exception.

Athletics is once again proving to be a powerful connector and catalyst for positive, sustainable change. And perhaps best of all, statistics are reinforcing the belief. If students play, they stay and if they stay, they graduate. For the 2015-2016 OKCPS school year, statistics show 99% of student-athletes graduated versus 81% of non-athletes. Imagine the long term impact! More students graduating means more young adults better prepared to pursue college and career aspirations with confidence and hope for a bright future.

And it starts with a safe place to play, a committed, caring coach and the resources to learn and compete.

Fields & Futures, working closely with OKCPS Athletics, the Wes Welker Foundation, Oklahoma Cleats for Kids, OKC Police Athletic League, OKC Parks and Recreation, Energy FC and others, is working hard to remove obstacles and provide children the opportunities and resources they deserve.

Energy FC co-owner Liz and Tim McLaughlin founded Fields & Futures with the belief sports can be a game changer and life changer for young

students. So when you see \$2 of each Energy ticket donated to Fields & Futures, or you hear about Energy players and coaches working with young teams and players in the community to learn and grow the game, it's because we want to invest in a future where all children have the opportunity to play and benefit from all sports has to offer.

Thank you for your support!

## HEAD COACH JIMMY NIELSEN

**OKC ENERGY FC INTRODUCED FORMER SPORTING KC GOALKEEPER JIMMY NIELSEN AS THE TEAM'S FIRST HEAD COACH ON DECEMBER 20, 2013.**

Nielsen completed his final game as a professional, serving as goalkeeper for Sporting KC in their win over Real Salt Lake in MLS Cup 2013 on December 7. A veteran of nearly 600 professional games, Nielsen brings a wealth of experience to his new position.

Nielsen began his professional career with hometown club AaB Aalborg in Denmark, helping the team to the 1999 Danish Superliga championship. After a brief stint at Leicester City in 2007, he transferred to Danish club Vejle, for whom he made 63 appearances over two years. He was named Danish Goalkeeper of the Year in 1998 and 2004, and also represented his country at the U-19 and U-21 levels.

In February 2010, Nielsen joined Major League Soccer and became the starting goalkeeper for Sporting Kansas City. As a member of Sporting KC, Nielsen was a two-time MLS All Star, the 2012 MLS Goalkeeper of the Year, and goalkeeper for the 2012 Lamar Hunt U.S. Open championship club and the 2013 MLS Cup winning squad. He was named team captain prior to start of the 2012 season.

When Nielsen began his MLS career, he instantly became a fan favorite, whose signature bleach-blonde locks earned him the nickname "White Puma." But it wasn't just his play that endeared Nielsen to fans, though—it was his personality. He was known for stopping his car at local parks when driving by and joining in games with random children. Often, Nielsen would pull kids out of the crowd and have them kick balls at him as part of his pre-game warm-up.
