Energy FC begins its final three matches of the regular season with a Sunday tilt against LA Galaxy II (also known as Los Dos). In the previous meeting between these two clubs, Energy FC used a PK goal from **Andy Craven** in the 75' to earn a 1-1 draw. Energy FC outshot Los Dos 19-11 in the match.

This is Energy FC's 9th all-time regular-season meeting with Los Dos. Energy FC has a 1-4-3 mark all time, including a 1-2-1 mark in OKC.

Energy FC completed their road schedule for the 2017 regular season over the weekend. The team redeemed themselves after a 3-0 loss to Reno earlier in the week with a 3-1 win over Sacramento Republic FC. Things got off to a good start when **Jose Angulo** scored in the opening minute of the match. That was followed by a tally by **Jonathan Brown** in the 9'. Sacramento made it interesting with a goal in the 59'. However, **Miguel Gonzalez** finished off the match with a marker in the 83'. **C.J. Cochran**, making his first start since June made five saves in the win.

The win for Energy FC came at a great time and finished off their road slate of games. The Greens finished the road campaign 3-9-4. Only Toronto FC 2 have finished their slate of road games.

Early goals have been in the cards for Energy FC recently. In their last match, Energy FC was up 2-0 by the 9' of action. The goal by **Jose Angulo** in the 1' and **Jonathan Brown** in the 9' were the first and third fastest goals scored to start a game this season. Only Miguel Gonzalez's goal 4:40 into the match on September 17 against Tulsa was faster than Brown's tally.

Although Angulo and Brown's goals were early, they aren't the fastest two of the season. Andy Craven scored two goals on PKs just four minutes apart in June, while The Greens scored goals 7:34 apart against Tulsa on September 17 and 7:42 apart on July 22 against Colorado Springs.

Goalkeeper **C.J. Cochran** has stepped in admirably for **Cody Laurendi** who suffered an injury in the team's 3-0 loss to Reno on September 20. Laurendi is out for the remainder of the season. Cochran made a season-high tying five saves in the team's first-ever win in Sacramento. Cochran owns two of the three Energy FC road wins on the season. He earned a win on June 16 against Portland and the victory last Saturday against Sacramento.

Sacramento Republic earned a franchise-record tying 11 corner kicks in the last game. That ties the mark for corner kicks by an opponent with the Tulsa Roughnecks on September 6, 2015. The Republic were also active shooting the ball as they sent a season-high 18 shots goalward.

A win over Los Dos would put Energy FC in a place they've not been all season. Above the .500 mark. Four different times this season, the team has been at the .500 mark, but has yet to push over the threshold.

Energy FC Field at Taft Stadium continues to be a great spot for OKC. They've collected points in 11 of their last 12 at home and are 8-3 in that span. In all, the team is 8-2-3 at home.

# IGNITING SUCCESS

^^^ TAFT MIDDLE SCHOOL BEFORE...

...AND AFTER.

What started in 2012 as an effort to rebuild and maintain 44 athletic fields for Oklahoma City Public Schools (OKCPS), has become something so much bigger than building fields. From day one, there was a belief that all children deserve a safe place to play and the chance to belong to something bigger than themselves - where important life lessons can be taught and lifetime friendships can be formed. But without a field, how could they play?

Fast forward to 2017 and now it's easy to see the big picture. With each new athletic field, students and communities feel a renewed sense of hope, pride and opportunity. Rosters are growing. Attendance and grades are improving. Coaches are staying. Schools are getting their swagger back. Parents and communities are re-engaging and home games are now the norm instead of the exception.

Athletics is once again proving to be a powerful connector and catalyst for positive, sustainable change. And perhaps best of all, statistics are reinforcing the belief: If students play, they stay and if they stay, they graduate. For the 2015-2016 OKCPS school year, statistics show 99% of student-athletes graduated versus 81% of non-athletes. Imagine the long-term impact! More students graduating means more young adults better prepared to pursue college and career aspirations with confidence and hope for a bright future.

And it starts with a safe place to play, a committed, caring coach and the resources to learn and compete.

SOFTBALL TEAM

Fields & Futures, working closely with OKCPS Athletics, the Wes Welker Foundation, Oklahoma Cleats for Kids, OKC Police Athletic League, OKC Parks and Recreation, Energy FC and others, is working hard to remove obstacles and provide children the opportunities and resources they deserve.

Energy FC co-owner Liz and Tim McLaughlin founded Fields & Futures with the belief sports can be a game changer and life changer for young

students. So when you see \$2 of each Energy ticket donated to Fields & Futures, or you hear about Energy players and coaches working with young teams and players in the community to learn and grow the game, it's because we want to invest in a future where all children have the opportunity to play and benefit from all sports has to offer.

Thank you for your support!

# FAN CODE OF CONDUCT

To our Club, being a Green means that you're part of some of the most passionate fans in the United States and that you help serve as the face of our great city and club. It means that you are part of a larger mission of helping unite and build support for soccer in this great city.

As a whole, by demonstrating the OKC Standard, we will create new Greens. And at the same time, reflect the heart of the entire community.

## MLS Code of Conduct

Actions that are unacceptable include, but are not limited to:

- Physical harm or threats of physical harm to others
- Disrespectful and/or hateful public speech (verbally or online)
- Leading, participating, and/or encouraging in inappropriate chants
- Throwing any objects onto the field of play during a match

## Every Green should expect to:

- Watch the game in a safe, clean and healthy environment.
- Be treated in a courteous, consistent and professional manner.
- Be treated with dignity and respect by other spectators attending the game and those organizing the event.
- "Passionately support" the Energy, provided that the support is in good taste and neither adversely impacts the event experience of fellow spectators nor negatively impacts the game.
- Displays of good sportsmanship.
- Timely and accurate information related to the game.

It is up to every fan to display what it means to be a Green and to utilize the OKC Standard and to ensure everyone does as well. If you see individuals acting in a way that violates the OKC Standard, please inform them and us of their unacceptable behavior. Everyone must be held accountable for their individual actions.

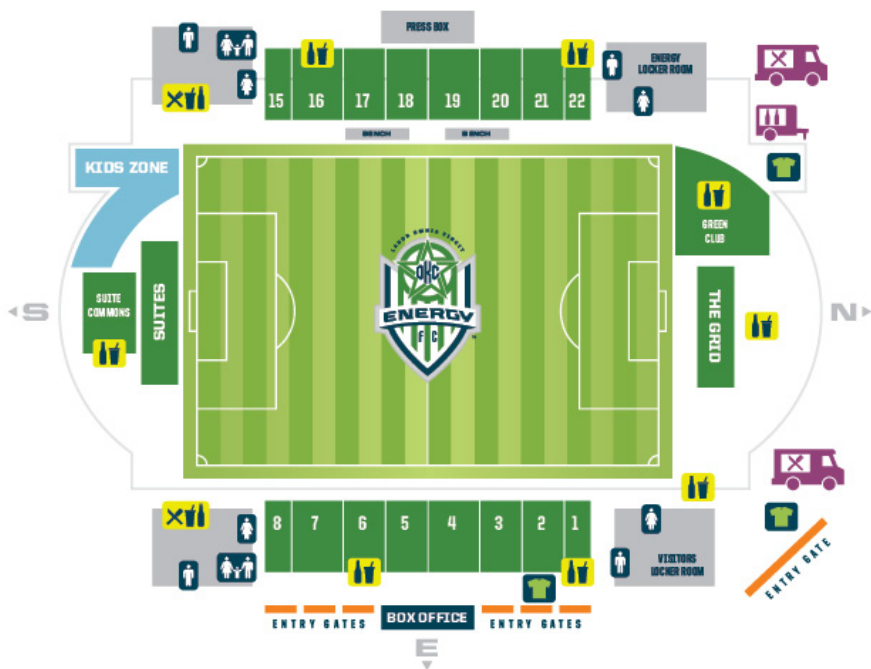

Slurs, derogatory language, physical harm and/or threats of physical harm towards anyone are completely unacceptable and will be dealt with in the strictest possible terms. Any Green who doesn't demonstrate the OKC Standard, whether at home or on the road, is subject to sanctions, including ejection, banishment, and arrest.

Our Energy comes from how we band together as one club, one city. We know that if the Greens believe in passionately supporting the team and embodying the OKC Standard, we will clearly display this club and City's greatness.

Every Green must be responsible for their own actions as we are responsible for protecting our organization and the reputation of our wonderful community.

## INCLEMENT WEATHER POLICY

OKC Energy FC understands the games played outside are subject to changing weather conditions. OKC Energy FC games kick off at 7 p.m. and will be played as scheduled ... rain or shine. If there are weather concerns, fans will be notified at the game and given choices about what their plan of action should be.

## POST MATCH AUTOGRAPHS

Following the game, fans are permitted to make their way to the west side track for a 15-minute autograph session with the players. The players will retire to the locker room to stretch and re-hydrate. Following that period of time, the players will return to the pitch. The clock starts when the first player makes their way onto the pitch.

## HEAD COACH JIMMY NIELSEN

**OKC ENERGY FC INTRODUCED FORMER SPORTING KC GOALKEEPER JIMMY NIELSEN AS THE TEAM'S FIRST HEAD COACH ON DECEMBER 20, 2013.**

Nielsen completed his final game as a professional, serving as goalkeeper for Sporting KC in their win over Real Salt Lake in MLS Cup 2013 on December 7. A veteran of nearly 600 professional games, Nielsen brings a wealth of experience to his new position.

Nielsen began his professional career with hometown club AaB Aalborg in Denmark, helping the team to the 1999 Danish Superliga championship. After a brief stint at Leicester City in 2007, he transferred to Danish club Vejle, for whom he made 63 appearances over two years. He was named Danish Goalkeeper of the Year in 1998 and 2004, and also represented his country at the U-19 and U-21 levels.

In February 2010, Nielsen joined Major League Soccer and became the starting goalkeeper for Sporting Kansas City. As a member of Sporting KC, Nielsen was a two-time MLS All Star, the 2012 MLS Goalkeeper of the Year, and goalkeeper for the 2012 Lamar Hunt U.S. Open championship club and the 2013 MLS Cup winning squad. He was named team captain prior to start of the 2012 season.

When Nielsen began his MLS career, he instantly became a fan favorite, whose signature bleach blonde locks earned him the nickname "White Puma." But it wasn't just his play that endeared Nielsen to fans, though—it was his personality. He was known for stopping his car at local parks when driving by and joining in games with random children. Often, Nielsen would pull kids out of the crowd and have them kick balls at him as part of his pre-game warm-up.
