Energy FC hosts Swope Park Rangers in the second-to-last match of the 2017 regular season. On this night, The Greens host the Swope Park Rangers. Energy FC has had their hands full with Swope Park this season, posting an 0-2-0 record and being outscored 5-1. The last matchup was September 2 in Kansas City where the Rangers won 2-0.

This is Energy FC's 7th all-time regular-season meeting with Swope Park. Energy FC is 3-3-0 in those matches, including a 1-1-0 mark in OKC. Energy FC hosted LA Galaxy II in the team's last match on October 1. Jose Angulo provided all the offense OKC would need with a hat trick. He scored a PK goal in the 38th minute and followed that with tallies 1:42 apart in the 2nd half to complete the trifecta. **C.J. Cochran** made his second straight start and earned his second clean sheet of the season.

The win for Energy FC extended their streak of consecutive games with a point earned at home to seven straight and 12 of their last 13. The only blemish is a 2-1 loss to Tulsa on July 8.

During Energy FC's last match, **Jose Angulo** recorded just the **second hat trick in franchise history** and the first at Taft Stadium. Prior to last Sunday, **Danni Konig** had recorded the only other hat trick. Konig turned the trick on August 8, 2015 in a 4-3 win over Portland Timbers FC 2. Angulo's three goals were scored in an elapsed time of 29 minutes 12 seconds. Konig's hat trick was scored in an elapsed time of 14 minutes 59 seconds.

Angulo has made his way into the Energy FC record books for 2017 twice in as many games. During the team's match on September 23 against Sacramento, he scored the earliest goal from the start of the match when he scored just 45 seconds in. In the last match, his 2nd and 3rd

goals of the hat trick came just 1 minute 42 seconds apart, the fastest two goals scored in Energy FC franchise history.

Goalkeeper C.J. Cochran has stepped in admirably for **Cody Laurendi** who suffered an injury in the team's 3-0 loss to Reno on September 20. Laurendi is out for the remainder of the season. Cochran has won both of his starts since then and has a 3-0-1 record on the season and was in goal for two of the team's three road wins on the season. He has posted clean sheets in two of those four games he's played.

Energy FC has scored six goals in their last two games, which ties a high water mark for goals scored in consecutive games. Including this two-game stretch, the team has turned this trick four times. The last was August 4 and 8 of the 2015 season. A 2-0 win over LA Galaxy II was followed by a 4-3 win over Portland Timbers FC 2. The other two occurrences were during the 2014 season. A 3-3 draw with Harrisburg July 23, 2014 followed by a 3-0 win over Dayton July 26, 2014. The other was a 4-2 loss to LA Galaxy II April 7, 2014 followed by 4-0 win over Arizona United on April 12, 2014.

The win over Los Dos put Energy FC one game above the .500 mark for the first time this season. Any point against Swope Park guarantees them a record at .500 for the season.

The win also put Energy FC on the cusp of clinching a playoff berth for the third time in four seasons under the guidance of **Jimmy Nielsen**. Energy FC needs a combination of four points from points earned by the club and points not earned by Orange County and Colorado Springs to punch their ticket to the postseason.

IGNITING SUCCESS

^^^ TAFT MIDDLE SCHOOL BEFORE...

...AND AFTER.

What started in 2012 as an effort to rebuild and maintain 44 athletic fields for Oklahoma City Public Schools (OKCPS), has become something so much bigger than building fields. From day one, there was a belief that all children deserve a safe place to play and the chance to belong to something bigger than themselves - where important life lessons can be taught and lifetime friendships can be formed. But without a field, how could they play?

Fast forward to 2017 and now it's easy to see the big picture. With each new athletic field, students and communities feel a renewed sense of hope, pride and opportunity. Rosters are growing. Attendance and grades are improving. Coaches are staying. Schools are getting their swagger back. Parents and communities are re-engaging and home games are now the norm instead of the exception.

Athletics is once again proving to be a powerful connector and catalyst for positive, sustainable change. And perhaps best of all, statistics are reinforcing the belief. If students play, they stay and if they stay, they graduate. For the 2015-2016 OKCPS school year, statistics show 99% of student-athletes graduated versus 81% of non-athletes. Imagine the long term impact! More students graduating means more young adults better prepared to pursue college and career aspirations with confidence and hope for a bright future.

And it starts with a safe place to play, a committed, caring coach and the resources to learn and compete.

Fields & Futures, working closely with OKCPS Athletics, the Wes Welker Foundation, Oklahoma Cleats for Kids, OKC Police Athletic League, OKC Parks and Recreation, Energy FC and others, is working hard to remove obstacles and provide children the opportunities and resources they deserve.

Energy FC co-owner Liz and Tim McLaughlin founded Fields & Futures with the belief sports can be a game changer and life changer for young

students. So when you see \$2 of each Energy ticket donated to Fields & Futures, or you hear about Energy players and coaches working with young teams and players in the community to learn and grow the game, it's because we want to invest in a future where all children have the opportunity to play and benefit from all sports has to offer.

Thank you for your support!

NIKE SOCCER

SOCCER OPERATIONS

HEAD COACH JIMMY NIELSEN

OKC ENERGY FC INTRODUCED FORMER SPORTING KC GOALKEEPER JIMMY NIELSEN AS THE TEAM'S FIRST HEAD COACH ON DECEMBER 20, 2013.

Nielsen completed his final game as a professional, serving as goalkeeper for Sporting KC in their win over Real Salt Lake in MLS Cup 2013 on December 7. A veteran of nearly 600 professional games, Nielsen brings a wealth of experience to his new position.

Nielsen began his professional career with hometown club AaB Aalborg in Denmark, helping the team to the 1999 Danish Superliga championship. After a brief stint at Leicester City in 2007, he transferred to Danish club Vejle, for whom he made 63 appearances over two years. He was named Danish Goalkeeper of the Year in 1998 and 2004, and also represented his country at the U-19 and U-21 levels.

In February 2010, Nielsen joined Major League Soccer and became the starting goalkeeper for Sporting Kansas City. As a member of Sporting KC, Nielsen was a two-time MLS All Star, the 2012 MLS Goalkeeper of the Year, and goalkeeper for the 2012 Lamar Hunt U.S. Open championship club and the 2013 MLS Cup winning squad. He was named team captain prior to start of the 2012 season.

When Nielsen began his MLS career, he instantly became a fan favorite, whose signature bleach blonde locks earned him the nickname "White Puma." But it wasn't just his play that endeared Nielsen to fans, though—it was his personality. He was known for stopping his car at local parks when driving by and joining in games with random children. Often, Nielsen would pull kids out of the crowd and have them kick balls at him as part of his pre-game warm-up.
