REGULAR SEASON MATCH: #5

HOME MATCH: #3

Energy FC last played on March 31 on the road against Fresno FC. After a quick strike by Juan Caffa in the 15', the Greens responded with a goal of their own just six minutes later to knot the match at 1-1. Ema Twumasi floated a ball across the front of the net that was headed in by Jaime Sij. The teams traded opportunities through the rest of the match until Fresno FC midfielder Rony Arugeta collected a loose ball inside the box and set it home for the winner in the 75'. The loss for Energy FC is their third straight.

Portland is in the midst of a three matches in eight-day stretch. They played last Saturday on the road against Real Monarchs SLC, then Wednesday on the road against Tulsa. Each of their matches this season have been played on the road. Their last match on April 4 in Tulsa resulted in a 0-0 draw.

The Portland side is looking to improve upon a rough season in 2017, which saw them post a 3-23-6 mark.

Saturday's match is the sixth meeting between Portland and Oklahoma City.

Energy FC owns a 4-1-0 mark all time, including a 2-0-0 record at home. The last meeting between the teams was June 16, 2017, on the road. The Greens benefited from two PK goals by Andy Craven en route to a 3-1 win. Philip Rasmussen added the other tally for OKC.

The loss to Fresno is the team's third straight following their season-opening win over Tulsa Roughnecks FC. Two of the three losses have been by one goal. One of the challenges during these last three matches has been shots toward goal.

During the first match against Tulsa, Energy FC sent 21 shots goalward, the second most in franchise history. During the last three matches, Energy FC has sent a combined 20 shots goalward.

Although Energy FC lost their match against Fresno, they were able to control the pace of play and possession in the match. According to the Opta Stats, Energy FC owned a 56%-44% advantage in possession for the match. That marked the first time this season that the Greens held an advantage in time of possessions and

were above the 50% mark. Their second-half possession time of 59% is the highest this season.

Energy FC enters this week's match against Portland riding a streak they'd sooner jettison. The three-match losing streak is the longest since a three-match skid during the 2015 campaign.

As the calendar inches closer to May, we also get closer to the start of the Energy FC U23s season. The PDL club announced recently the addition of 11 players, all from the state of Oklahoma, to play on the club this season. The list includes each of the last three Gatorade Players of the Year from Oklahoma. Players added include: Garrett McLaughlin, Daryl Dike, Josh Berney, Munashe Raranje, Cooper Clark, Dante Brigida, Butch Hampton, Omar Urquiza, Tyler Lacourse, Colton Haskin and Brandon Brus.

Energy FC U23s have drawn FC Wichita in the first round of the 2018 Lamar Hunt U.S. Open Cup. This marks the second straight season the U23s have qualified for the event. Last season they advanced to the second round with a win over Tulsa Athletic before falling to Tulsa Roughnecks FC.

The Energy FC roster and technical staff continue to have an international flair as the team is represented by 11 different countries: United States, Jamaica, Colombia, Denmark, England, Mexico, Puerto Rico, Spain, Wales, Ghana and Nigeria. The representation of Nigeria (Christian Ibeagha) brings the number of countries that have had players play for Energy FC to 18.

BUILD. INSPIRE. EMPOWER.

IGNITING SUCCESS

**– one field, one coach,
one student at a time**

**BALTO Sports Complex at
Roosevelt Middle School
October 2016**

What started in 2012

as an effort to rebuild 42 athletic fields for Oklahoma City Public Schools (OKCPS), in hopes of growing student participation in sports and getting more kids on a better path to graduation, has become something much bigger. From day one, there was a belief that all children deserve a safe place to play and the chance to belong to something bigger than themselves – where important life lessons can be taught and lifetime friendships can be formed. But without a field, how could they play?

Fast forward to 2018 and now it's easy to see what it's really about. Each new athletic field is bringing a renewed sense of hope and pride to the school and

community it serves. Rosters are growing. Coaches are staying. Culture is improving. Students are getting their swagger back. Parents and communities are re-engaging. Home games are now the norm instead of the exception.

Athletics is once again proving to be a powerful connector and catalyst for positive, sustainable change. And perhaps best of all, statistics are reinforcing the belief if students play, they stay and if they stay, they graduate. Two consecutive years of OKCPS statistics showed 99% of senior student-athletes graduated versus 81% of their non-athlete peers. More students graduating means more young adults better prepared to achieved their post-high school goals, and provide for their future families.

October 2017

And it starts with a safe place to play and a committed, caring coach. It starts with opportunity.

Fields & Futures, working closely with OKCPS Athletics, the Wes Welker Foundation, Oklahoma Cleats for Kids, OKC Police Athletic League, OKC Parks and Recreation, Energy FC and others, is working hard to remove obstacles and provide children the opportunities and resources they deserve.

Energy FC co-owners, Liz and Tim McLaughlin, founded Fields & Futures with the belief sports

can be a game-changer and life-changer for young students. So when you see \$2 of each Energy FC ticket donated to Fields & Futures, or you hear about Energy FC players and coaches working with young teams and players in the community, it's because we want to invest in a future where all children have the opportunity to play and benefit from all sports has to offer.

Thank you for your support!

Fan Code of Conduct

To our club, it means that you're a part of some of the most passionate fans in the United States and that you help serve as the face of our great city and club. It means that you are part of a larger mission of helping unite and build support for soccer in this great city.

As a whole, by demonstrating the OKC Standard, we will create new Greens. And at the same time, reflect the heart of the entire community.

MLS Code of Conduct

Actions that are unacceptable include, but are not limited, to:

- » Physical harm or threats of physical harm to others
- » Disrespectful and/or hateful public speech (verbally or online)
- » Leading, participating, and/or encouraging in inappropriate chants
- » Throwing any objects onto the field of play during a match

Every Green should expect to:

- » Watch the game in a safe, clean and healthy environment.
- » Be treated in a courteous, consistent and professional manner.
- » Be treated with dignity and respect by other spectators attending the game and those organizing the event.
- » "Passionately support" the Energy, provided that the support is in good taste and neither adversely impacts the event experience of fellow spectators nor negatively impacts the game.
- » Displays of good sportsmanship.
- » Timely and accurate information related to the game.

It is up to every fan to display what it means to be a Green and to utilize the OKC Standard and to ensure everyone does, as well. If you see individuals acting in a way that violates the OKC Standard, please inform them and us of their unacceptable behavior. Everyone must be held accountable for their individual actions.

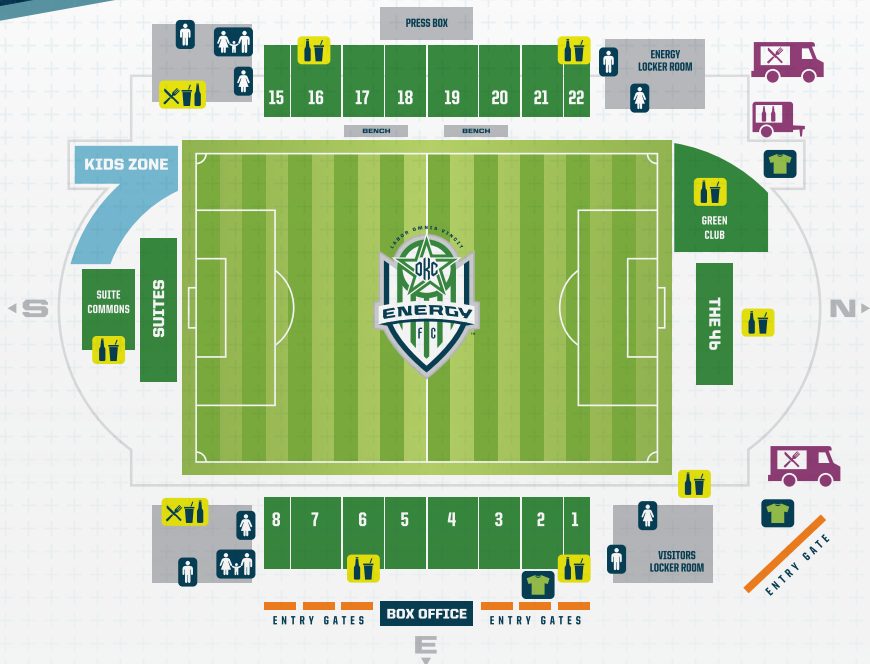

Slurs, derogatory language, physical harm and/or threats of physical harm toward anyone are completely unacceptable and will be dealt with in the strictest possible terms. Any Green who doesn't demonstrate the OKC Standard, whether at home or on the road, is subject to sanctions, including ejection, banishment and arrest.

Our energy comes from how we band together as one club, one city. We know that if the Greens believe in passionately supporting the team and embodying the OKC Standard, we will clearly display this club's and city's greatness.

Every Green must be responsible for their own actions as we are responsible for protecting our organization and the reputation of our wonderful community.

Inclement Weather Policy

Energy FC understands games played outside are subject to changing weather conditions. Energy FC games will be played as scheduled ... rain or shine. If there are weather concerns, fans will be notified at the game and given choices about what their plan of action should be.

Post-Match Autographs

Following the game, fans are permitted to make their way to the west side track for a 15-minute autograph session with the players. The players will retire to the locker room to stretch and re-hydrate. Following that period of time, the players will return to the pitch. The clock starts when the first player makes their way onto the pitch.

HEAD COACH & TECHNICAL DIRECTOR

Steve Cooke

Steve Cooke is the second coach in Energy FC history and assumed his role as head coach and technical director in December 2017.

Most recently, Cooke served as a coach at several levels with the Colorado Rapids of MLS. His career with the Rapids began in 2010 when he was named technical director within their development academy. After two years, he added the title of assistant coach with the first team to his duties, which he held until the middle of the

2017 season when he was named interim head coach of the club.

Prior to joining the Rapids, the Sheffield, England, native worked as technical director for Neusport Football Club in Las Vegas from 2007-2010 and spent 10 years in Arizona as a director of coaching for Serano Soccer Club and SC Del Sol.

Cooke originally moved to the United States in 1996 after six years with Sheffield Wednesday Football Club, then of the English Premier League, as youth team coach and centre of excellence director.

A graduate of Carnegie College, England, he owns his UEFA "A" Coaching License, USSF "A" Coaching License and he recently completed his Pro License course. He is one of four coaches in the USL and one of 30 in total that have earned their Pro License from U.S. Soccer. In addition to those elite qualifications, Cooke was part of the first Elite Formation Coaches License course conducted by the French Football Federation in conjunction with Major League Soccer.
