MEDIA INFORMATION

CREDENTIALS: Media representatives who do not have press credentials for the entire season (but will be working for an accredited media outlet on an immediate deadline) may request them on a single-game basis. Telephone or written credential requests must be made at least three working days in advance to Eddie White, Director of Publicity, Miami Dolphins, 4770 Biscayne Boulevard, Suite 1440, Miami, Florida 33137 (305-576-1004). Reserved credentials can be picked up at the Press Gate, located between Gates 9 and 10 at the Orange Bowl, on the day of the game.

Due to space limitations, it is not possible to issue credentials to freelance photographers. Field photographers are reminded to remain outside of the bench areas.

PRESS BOX: To get to the Orange Bowl press box, enter the Press Gate located between Gates 9 and 10. There are two press levels which are located on the third and fourth floors of the press box; all radio booths are now located on the third floor. Only credentials issued by the Miami Dolphins will be honored for admittance to the Orange Bowl.

LOCKER ROOMS: Admission to the home and visiting locker rooms is governed by each individual team. Only media representatives with proper credentials will be admitted to the locker rooms. No one will be admitted to the locker rooms prior to the game.

PARKING: Press parking at the Orange Bowl is very limited. All parking pass requests must be directed to Stadium Manager Walter Golby or to Assistant Manager Max Cruz, (305) 579-6971. Lot #1 (entrance N.W. 3rd Street) is the area utilized for media representatives.

Practices are normally closed to out-of-town media unless special permission is granted by the coaching staff. To request permission, or to arrange for lunchtime or post-practice interviews, please call the Dolphins Public Relations Department. Television crews are allowed to shoot the first 10 minutes of practice. The team locker room is now open to the general media for 30 minutes Tuesday-Friday.

PRACTICE DIRECTIONS: The Dolphins practice at St. Thomas University (formerly Biscayne College) during both the pre-season and the regular season. To get to the North Miami location, take I-95 north to 826 West. Follow 826 West to the N.W. 27th Avenue exit. When taking the N.W. 27th Avenue exit ramp, proceed through the first traffic light (stay in right lane) to the second light and turn left (N.W. 32nd Avenue). The entrance to the University will be about 500 yards down on your right. Show the gate guard proper media identification and he will direct you to the Dolphin complex. The Dolphins maintain press facilities in a three-room trailer located adjacent to the practice field.

ADVANCING: Generally, the Dolphins request that the opposing team's public relations representative visit training camp on Thursday to coincide with the weekly media conference call.

JOE ROBBIE

PRESIDENT

Give Joe Robbie a dream and he'll make it a goal. Give him a goal and he'll reach it. Robbie's dream of a luxury stadium built with private funds for his Dolphins soon will be a reality. The 73,000-seat Dolphin Stadium is slated to open August 16, 1987, with an exhibition game between Miami and the Chicago Bears. When that day arrives, Robbie once again will have accomplished that which he set out to do.

But today's dreams are tomorrow's memories. In the coming days, there will be new challenges, new struggles.

Challenge and struggle are not foreign to Robbie, however. During the days of his youth, the Robbie family was forced to overcome the Great Depression in the face of financial poverty. The struggle was difficult and the rewards few, but the challenge was met through hard work, honesty and self-initiative.

The tone had been set for Joe Robbie's life.

By the time he was 50, Robbie already had made a significant contribution to society in the areas of politics, government administration, public service and trial law. Most men would have been satisfied with that much.

Not Joe Robbie.

In 1965, Robbie contacted AFL Commissioner Joe Foss, a former classmate at the University of South Dakota, about a client's interest in an expansion franchise for Philadelphia. Foss turned down the idea of Philadelphia, but suggested Miami as a possibility.

When his client was not interested in South Florida, Robbie himself took up the project. With only a successful trial lawyer's income and a family of 11 children to support, the odds were against his raising the \$7.5-million franchise fee.

On top of the fee, Robbie had to overcome a virtual embargo on pro football imposed by the Orange Bowl Committee and the University of Miami, as well as adverse sentiment among AFL owners who preferred Atlanta for 1966 expansion.

Still, he remained undaunted and did the leg work and research in preparation for the franchise application. Robbie gained a powerful ally in then-Miami Mayor Robert King High, who had received a total endorsement of him from then-Vice President Hubert H. Humphrey, and followed that by recruiting show business personality Danny Thomas to be his co-applicant.

The AFL awarded Robbie and Thomas the franchise on August 6, 1965. Robbie took over operation of the franchise as managing general partner, and turned himself to the next challenge — building a championship team from the ground up.

From the word go, things were a struggle for the league's budding franchise and its bright new mind. Disappointment abounded, on the field and in the stands, as the team had a losing record of 15-39-2 and an average attendance of less than 29,000 over the first four years.

Thomas had sold out his interest in the Dolphins in 1968, and additional problems later arose when one of the limited partners secretly negotiated to move the team to Seattle. Robbie was quick to respond, recruiting five Miami investors to buy out the dissident partner's share and ensure the franchise remained in the city. Robbie had saved professional football in Miami.

Still, there were many skeptics as Robbie continued to make assurances that the Dolphins were in Miami to stay and that they would be a championship team one day. Those who really knew Joe Robbie never doubted him for a minute.

He took strong action in 1970, releasing the team's head coach, George Wilson, and hiring Don Shula, who had taken Baltimore to two NFL championship games.

The following season, Shula took the players Robbie and personnel director Joe Thomas had acquired in the first four years and turned the Dolphins from 3-10-1 losers in 1969 into 10-4 playoff qualifiers.

In the last 16 years, the Dolphins have either won or shared first place in the division 13 times. Since the merger of the two leagues in 1970, Miami has recorded the best won-lost regular-season record in the NFL, becoming one of the most recognized franchises in all of sports history.

Making his Dolphins into a championship team had been an obsession of Robbie. Pulitzer Prize-winning author James A. Michener recognized the importance of this, describing it in his book "Sports in America." Michener wrote:

"The majority of owners I have met are like Joe Robbie of Miami, real devotees, men and women to whom the building of a respectable team becomes a passion, and they add luster to the sporting scene . . . In the end, they are willing to make extraordinary sacrifices in order to build a winner, and their loyalty to their team often exceeds that of their players."

On the basis of his track record, it really should have been no surprise when Joe Robbie announced the Dolphin Stadium marketing plan at the team's 1984 Awards Banquet. After meeting opposition to the idea of a new stadium from local government for nearly a decade, Robbie ordered an all-out campaign, this in spite of the "expert" opinions of most outside the Dolphin organization who had ever "put a pencil" to the financial numbers involved in privately financing such a luxury stadium.

The standing challenge had been, "If Joe Robbie wants a new stadium, let him build it himself." As with any other challenge he has ever faced, Robbie met it head on — and made it work.

Two years after announcing plans for the stadium, Robbie is able to say that its financing is assured. Dolphin fans and supporters have placed almost \$10 million on security deposit and have signed 10-year luxury seating leases that would translate into an additional \$100 million over the next decade. With more luxury seating still to be leased, financing for the \$100-million facility is in place.

William Sullivan, president of the New England Patriots and one of his peers among NFL owners, calls Robbie's stadium project "... the finest contribution that any owner in my lifetime has made," and Sullivan is in his fourth decade of involvement with sports.

Dolphin Stadium promises to be an exciting place to be in the coming years. The 1989 Super Bowl is scheduled to be played there — the first Super Bowl played in South Florida in a decade — and there is an excellent chance that area sports fans will be able to watch major league baseball there by 1990.

Robbie views the new stadium as more than simply a place for sports to be played, though.

"Far and above the need for this kind of facility and its making the Miami region truly a major league sports center, is the unification that the new stadium will bring to the metropolitan area, knitting together the total South Florida region."

Robbie does not limit his energies to the area of sports, however. He involves himself personally in a number of civic endeavors. In addition, the Dolphins, under Robbie's direction, have given some \$2 million to charitable organizations in the community that supports them.

Through the years, the awards presented to him and the positions of public service he has held reveal a side of Joe Robbie that can be lost in the shadow of the success of the Dolphins.

To name but a few, he has served on the board of governors as executive vice-chairman of St. Jude's Children's Research Hospital, the board of governors of the annual Victor Awards for the benefit of the City of Hope National Medical Center, the board of trustees for Jackson Memorial Hospital, the United Way, American Health Foundation and St. Leo College.

Robbie also has served on the board of directors of the United Way of Dade County, Catholic Service Bureau, Crippled Children's Society of Dade County, Miami Society of Autistic Children, and is an honorary member of the American Indian Scholarships, Inc.

In 1977, the Touchdown Club of Washington awarded Robbie the prestigious Timmie Award for "extraordinary achievement" by the Dolphins over a four-year period. He also has received the United States Jaycees Hall of Leadership Award, Order of the Knights of St. Gregory (a papal honor), the Humanitarian Award from the Big Brothers and Big Sisters of Greater Miami, Owner of the Year Award by Minneapolis-St. Paul businessmen and the Football News' Man of the Year Award.

But perhaps no award sums up the challenge and struggle of Joe Robbie's lifetime better than the rare Horatio Alger Award, given to him in 1979. It is an honor bestowed on giants of the free enterprise system as well as U.S. presidents, in recognition of outstanding careers developed through "personal effort out of hardship."

"If I were asked to name the award that I would cherish most of any I know about," Robbie said in acceptance, "it would be this one. This to me represents struggle and achievement, and through my life, it has always been my opinion that the struggle itself is equally important and rewarding as the ultimate achievement."

Fellow NFL owners have long recognized Robbie's unique blend of astute business practices and human compassion, twice electing him to serve on the NFL Management Council. He served from 1972-77 and has been a member once again since 1983. He also has served on the NFL Properties Committee.

Born July 7, 1916 in Sisseton, South Dakota, Robbie got an early start in the business world. He was earning money as a by-lined sports editor of the local Sisseton Journal-Press by the time he was 14. In 1934, he interrupted his senior year of high school to enroll in the Civilian Conservation Corps (CCC) and went to work in the Black Hills area of South Dakota.

His education was not forgotten, though. Robbie had promised both his mother and himself that he would go back to school after CCC camp. He fulfilled that promise, graduating in 1935 and going on to college — the only one from his Depression-year class to do so.

Again, challenge and struggle were present. Robbie entered Northern State Teachers College in Aberdeen, S.D., with nothing more than a small amount of financial aid from a debate scholarship. The Dolphin owner has his own way of describing how he put himself through school.

"I was a hasher and a haberdasher; a college publicity director and a radio announcer; an adult education teacher and a law librarian," Robbie says. "In between, I handled odd jobs!"

The day after the Japanese attack on Pearl Harbor, Robbie volunteered as an enlisted man in the United States Navy. He rose through the ranks to become an officer and participated in five South Pacific theatre invasions. He received the Bronze Star for his service.

At war's end, Robbie returned to South Dakota to attend the University of South Dakota Law School, graduating with his juris doctorate in 1946.

While attending South Dakota, he was elected student body president. Coupled with his election to the same position at Northern State a few years earlier, Robbie may hold the distinction of being the only person ever chosen student body president at two different schools. Both schools subsequently have conferred an honorary doctorate degree upon him, as have four other colleges and universities.

Robbie also has served his alma mater by being national fund-raising chairman for the Dakota Dome, a \$7.2 million arena at the University of South Dakota.

After being admitted to the South Dakota bar, Robbie started his law practice in Mitchell, South Dakota. Within two year's time, he had been elected a representative to the South Dakota State Legislature, had served as State Democratic Chairman and was the candidate for governor on the Democratic ticket.

In 1951, his friend Hubert H. Humphrey encouraged Robbie to move his young family to Minneapolis. There, he was regional director of the Office of Price Stabilization for four states from 1952-53. He also became known as one of the best and most successful trial lawyers in the region.

That is not the full story, however. Not well publicized was the fact that Robbie always voluntarily gave a share of his practice to defend destitute defendants charged with serious crimes.

An associate described Joe Robbie the lawyer as, "... unrelenting in cross examination and eloquent in summation."

Robbie would go on to combine politics with his law practice. He ran against, and almost defeated, nationally-known and veteran Congressman Dr. Walter Judd in 1956 and 1958, despite the fact that Judd represented the solidly-Republican Fifth Congressional District.

Robbie received national recognition from legislators as chairman of the Minnesota Municipal Commission, which he presided over from 1959-65. He had drafted the bill, passed into law by the Minnesota Legislature, which created the commission. Other states subsequently have used that legislation as a model.

Despite his busy schedule today, Robbie has found a way to remain close to his family. His wife, Elizabeth, is the active owner of the Minnesota Strikers soccer team. One son, Tim, is general manager of the Strikers, and Mike is executive vice-president and general manager of the Dolphins. A daughter, Deborah, is business manager of the Minnesota Strikers and another son, Dan, served as ticket director for the Strikers and is now selling executive suites and club seats for Dolphin Stadium.

There are rewards other than on-field success that have come Robbie's way because of his continuing struggle for excellence. One was this tribute paid him by Miami Herald publisher Dick Capen in June, 1984. Capen wrote:

"Despite past differences, South Florida owes a lot to Joe Robbie. After all, it was he who took substantial risks in the early years and parlayed an expansion franchise in the old American Football League into one of the top operations in major-league sports. It also was Joe Robbie who recruited Don Shula, one of pro football's most admired coaches. We are a better community today because he brought the Dolphins here in 1966."

Well-known sports author Lou Sahadi wrote, "What Joe Robbie has done with his new stadium is just another example of his impressive accomplishments to professional sport."

In the coming years, it will be written that it also was Joe Robbie who set the standard by building the first stadium financed entirely with private funds, further making South Florida a major league sports center in the process.

And, because Joe Robbie will continue to meet the challenges of the day, who knows what more might be accomplished in the future.

DONALD F. SHULA

VICE-PRESIDENT, HEAD COACH

Don Shula would measure a coach's success by yardsticks other than victories and championships, although he has miles of achievements in those ways. Of greater importance to pro football's most celebrated winner is something intangible. What matters most is one's integrity as a competitor.

"If I'm remembered for anything as a coach," Shula says, "I hope it's for playing within the rules. I also hope it will be said that my teams showed class and dignity in victory or defeat."

Last season, Don Shula again proved his uncanny ability to mold his team's style to its personnel and took a team which was depleted by injuries to within one game of the Super Bowl. The Dolphins, struggling to put together a balanced attack, slumped at midseason, losing three games within four weeks. But Shula regrouped his troops and led Miami to seven straight victories to close the regular season. A victory over Cleveland (24-21) in the first round of the playoffs followed, before the Dolphins were edged by New England (31-14) in the AFC Championship Game. The Dolphins were 12-4 during the '85 regular season, including an unblemished 8-0 mark at home.

In '84 Shula's Dolphins flirted with an unbeaten season, fashioning 11 straight victories before losing to the San Diego Chargers in overtime. Those 11 wins, coupled with the five regular season triumphs that closed out the '83 regular season, gave Miami a streak of 16 consecutive wins. Only the 1933-34 Chicago Bears (17) managed a longer win streak.

Shula has assured his place among the giants of the National Football League by being the only coach to reach the Super Bowl three straight years, the youngest coach to win 100 games and the only coach to make six appearances in the Super Bowl. His career winning percentage of .717 is the best among the NFL's all-time top-10 winners and his career win total (255-99-6) is second only to the immortal George Halas (325-151-31) of Chicago.

Shula has become to coaching what his unbeaten 1972 Miami Dolphins are to team accomplishment: the standard of excellence by which all others are measured.

But there is an intriguing footnote to the record Shula has carved in his 23 years of pacing the NFL sidelines. This statistic speaks volumes about his coaching ability and his style — the Dolphins have been the least-penalized team in the NFL during Shula's 16 seasons in Miami.

"We never let an error go unchallenged," says Shula, who drills for precision in every practice. "Uncorrected errors will multiply. Someone once asked me if there wasn't benefit in overlooking one small flaw. I asked him, 'What is a small flaw?'"

Shula was voted Coach of the Decade for the 1970s by the Pro Football Hall of Fame's 25-member selection committee, and his Dolphins have reached the playoffs five more times in the 1980s.

His "ultimate" achievement was the NFL's first unbeaten, untied record of 17-0 in 1972 — in only the third season of Shula's transformation of the Dolphins from a struggling American Football League franchise to an NFL power. His incredible two-year record of 32-2, including Super Bowl conquests in 1972 and 1973, probably will never be surpassed.

Maybe because Shula never regarded an unbeaten season as impossible, the feat became a reality.

"At the beginning of the season, you don't say to yourself, 'We can't win every football game,'" he says. "I believe you go out every day trying to win and every week trying to win. You set a goal to be the best, and then you work hard every hour of every day, striving to reach that goal. If you allow yourself to settle for anything less than Number One, then you are cheating yourself."

With teams in Baltimore and Miami, Shula has built six unbeaten streaks of 10 or more games, and no other coach has more than two 10-game streaks. His .712 winning mark in 16 seasons in Miami (182-73-2) parallels his .728 percent success in Baltimore (73-26-4) from 1963 to 1969.

By winning the AFC East title in 1985, the Dolphins have either won or shared first place in the division 13 times in the 16 years under Shula and have reached the playoffs 12 times. His Dolphins have been almost invincible at the Orange Bowl with an 107-22-1 record (.827%), including an NFL-record 31-game winning streak at home from 1971 to 1974. A remarkable 18 times in 23 seasons, Shula's teams have won at least 10 games.

Shula, 56, has made a mark on the game as an innovator of defensive complexities and situational substitutions, and he has a reputation as a great motivator. Certainly, other coaches can develop brilliant strategy and exhort their players to perform at peak. But Shula seems to surpass others in his skill as a teacher.

"The important thing is not what Don Shula knows or what any of my assistant coaches know," Shula says. "The important thing is that we can transmit to the people we're responsible for. They're going to be tested on Sunday afternoon, and the fact that we win on Sunday afternoon indicates that we're getting through to them. That's what coaching is — the ability to transmit information."

Twice with the Dolphins, in 1970 and 1977, Shula has deployed five rookies in the starting defense and won 10 of 14 games each season. And for those exigencies brought on by injuries to his starting quarterback, Shula has more solutions. Backup quarterbacks for the Dolphins have a 27-7-1 record under Shula since 1970.

He cultivates a winning attitude in pre-season success which reads 88-27-4 (.756%), including 32-4-1 at Baltimore and 56-23-3 at Miami.

He had been the youngest head coach, 33, in NFL history when the Colts picked him in 1963 after Shula's three years as defensive coordinator of the Detroit Lions. In the old NFL, the Colts reached the title game in 1964 and 1968 after 12-2 and 13-1 campaigns, and the 1967 Colts posted an 11-1-2 record. Those three powerhouse teams averaged scoring almost 30 points per game.

Shula's resourcefulness is best documented in 1965 when injuries sidelined Colt quarterbacks John Unitas and Garry Cuozzo, and halfback Tom Matte wore the "playbook" on his wristband and directed a 20-17 upset at Los Angeles.

Shula transformed a 3-10-1 Dolphin team into a playoff qualifier his first season in Miami and laid the foundation for a perennial contender. In 1971, the Dolphins won their first of four consecutive AFC East titles, and on Christmas Day in Kansas City, the NFL's longest game (82 minutes, 40 seconds) ended with Garo Yepremian's winning 37-yard field goal in the second overtime. A week later, the Dolphins stymied the Unitas-led Colts 21-0 on the same Poly-Turf where Baltimore had won Super Bowl V the previous January.

Dethroning the Colts launched the Dolphins to three consecutive AFC championships — a feat unequalled in either conference since the 1970 merger. But a disappointing 24-3 loss to the Dallas Cowboys in Super Bowl VI foiled Shula and his players with greater drive, and in 1972, the Dolphins attracted headlines as the "Greatest Team Ever."

Shula had claimed 38-year-old Earl Morrall from the waiver list in April, 1972, recalling Morrall's leadership of the 1968 Colts. When quarterback Bob Griese suffered a broken ankle in the fifth game, Morrall took charge for 11 straight victories. The Dolphins rewrote the NFL rushing record (2,960 yards), and with a regular season record of 105-30-5, Shula became the first NFL coach to win 100 games in his first decade. Later in his career, he was to accomplish the even more impressive feat of winning 200 games in his first 20 seasons as an NFL boss.

Surprisingly, the unbeaten Dolphins were three-point underdogs to the Washington Redskins in Super Bowl VII. Shula elected to go with a healthy Griese, and the Dolphins dominated the Redskins 14-7 for the coach's first NFL crown.

No less impressive were the 1973 Dolphins, losing only twice in 17 games. The Dolphins set a modern NFL record by allowing only 1,290 yards passing and only five touchdown passes, and they overwhelmed three playoff opponents, 85-33, including a 24-7 rout of the Minnesota Vikings in Super Bowl VIII.

Another three-game surge in the playoffs, this time a 76-26 blitz, earned the AFC championship in the strike-shortened 1982 season and landed the Dolphins in Super Bowl XVII. Miami held a four-point lead in the fourth quarter before Washington broke a long touchdown run that sparked a 27-17 Redskin victory.

Donald Francis Shula was born January 4, 1930 in Grand River, Ohio, and raised in Painesville, Ohio. He was a running back at John Carroll University in Cleveland, and in 1950, he gained 125 yards when the Blue Streaks upset Syracuse, 21-15.

Shula was the lone rookie on Coach Paul Brown's defending NFL champion Cleveland Browns in 1951 (until Shula's college teammate Carl Taseff joined the Browns at mid-season). Shula and Taseff were involved in the largest trade in modern NFL history, a 15-player deal with Baltimore in 1953, and Shula played four seasons with the Colts (1953-56) and one season at Washington (1957) at right cornerback. He had 21 career interceptions for 247 yards.

Shula entered the coaching ranks with an assistant's job at Virginia (1958) and Kentucky (1959), and he joined the NFL's Detroit Lions in 1960 under Coach George Wilson — a man he later replaced in Miami. The Lions posted a 26-13-1 record with Shula as the defensive coordinator.

"I've tried to learn from all and copy none," Shula says. "Everyone I played or coached under were different types, and I learned from them while still being myself. I've never gone out and tried to be Paul Brown or Blanton Collier or George Wilson. They satisfied my great thirst for knowledge, my searching and looking to find out the what, the how, and the why. I tried to take all the things I've been exposed to, and if I can incorporate them into the framework of Don Shula, that's fine."

In 1963, Shula succeeded Weeb Ewbank as head coach at Baltimore, and in the 23 seasons which have followed, he has reached the NFL's championship game seven times with two victories.

Today, he takes an active role in NFL leadership, serving since 1975 on the select NFL Competition Committee which evaluates and recommends changes in playing rules. Improved safety in pro football has also been a major concern of this committee.

Coach Shula has given considerable time, plus financial and emotional support, to several area charities. The Don Shula Scholarship Foundation was created in 1978 and has awarded scholarships at several Florida colleges including the University of Florida, Florida State, University of Miami, St. Thomas University, Bethune-Cookman and Florida A&M University. Shula has also been active in the American Cancer Society, March of Dimes, American Red Cross, United Way and Catholic Charities.

Shula especially values his family life and his Catholic faith. He and the former Dorothy Bartish have been married 28 years (7/19/58) and have raised five children — two boys and three girls. Oldest son David, 27, and his wife Leslie have two sons.

David, a 1982 late-season addition to the Dolphin coaching staff, had broken all pass receiving records at Dartmouth and had played for Baltimore in 1981. Younger brother Michael, an all-state quarterback at Columbus High who led the Explorers to the state final in 1982, is a quarterback at Alabama.

The Shulas' oldest daughter, Donna, was married in 1984 and had a son last fall. Sharon graduated from law school at Florida State this past spring and Annie attends St. Thomas University.

ADMINISTRATIVE STAFF

J. MICHAEL ROBBIE

Executive Vice-President and General Manager

13th NFL Season, 13th with Dolphins

Born: January 6, 1948

Entering his ninth year as the Dolphins' executive vice-president and general manager, Mike Robbie is responsible for the overall operation of the team's front office. His duties encompass all aspects of club operations from contract negotiations to financial management.

Robbie's initial endeavors for the Dolphins came when he served in the team's ticket department from 1971-75, including two seasons as ticket director. He then took a three-year leave of absence to obtain his law degree from the University of South Dakota. He returned to South Florida and in October, 1978 was named to his current position. Robbie's legal training and business background, coupled with his earlier grassroots experience in the Dolphin organization laid solid groundwork for his successful entrance as the team's day-to-day administrator.

Included among his Dolphin projects has been the implementation of a computer system for all club operations from ticket accounts to scouting. In addition, Robbie has represented the Dolphins at NFL meetings since 1979.

Robbie earned both his Juris Doctor and M.B.A. degrees from South Dakota, and he has a B.S. in mechanical engineering from Notre Dame. He is a member of the South Dakota Bar. The fourth oldest of 11 Robbie children, he is a native of Mitchell, South Dakota and a graduate of Minneapolis De LaSalle High School.

Mike and his wife Dwyne were married in Redondo Beach, California in 1982 and live in Miami Shores.

JOE ABRELL

Vice-President-Public Affairs

3rd NFL Season, 3rd with Dolphins

Born: July 24, 1934

Joe Abrell's first two seasons with the Dolphins have certainly been busy and eventful. Named to the position of vice president-public affairs on July 6, 1984, Abrell has been heavily involved in Dolphin Stadium, coordinating marketing and sales for the new South Florida showpiece.

Prior to assuming his current post with the Dolphins, Abrell was Director of Public Affairs for Miami's WTVJ-TV (CBS), where he also hosted and was executive producer of the highly successful "Montage" magazine show. He had assumed his public affairs title in 1972 after serving three years as Channel 4's news director. In 1976, while still

ASSISTANT COACHES

DAVID SHULA

Assistant Head Coach, Receivers/Quarterbacks

Fifth NFL Season, Fifth with Dolphins

Born: May 28, 1959

Last February David Shula added the title of assistant head coach to his previous duties as receivers and quarterbacks coach for the Dolphins. With his new responsibility, Shula, one of brightest young minds in pro football, will get more involved in the overall football operation.

After three years as the Dolphins' receivers coach, Shula was given the added duties of working with Miami quarterbacks in 1985. He proved he takes after his famous father in two important characteristics — hard work and dedication.

Last year the Dolphins again enjoyed another successful season through the air as Miami was second in the league in passing as a team and Dan Marino was fourth in the individual rankings. In addition, Tony Nathan (seventh) and Mark Clayton (eighth) were ranked among the league's top-10 receivers.

In 1983 (David's first full season), the results of his endeavors were very apparent. During the '82 off-season, Shula spent considerable time with wide receiver Mark Duper and incoming rookie quarterback Dan Marino. The results were that Duper, a seldom-used player in '82, emerged as the Dolphins' first-ever 1,000-yard receiver, and Marino emerged as perhaps the finest rookie QB in NFL history. In the '83 off-season, Shula redirected much of his energies towards another second-year receiver, Mark Clayton, while continuing to work with Duper and Marino. The results were again spectacular as Clayton set club records for receptions and yards with Duper close behind.

The 27-year-old Shula became a permanent member of the team's coaching staff in January, 1983 following a one month temporary assignment to replace Wally English. At the time of his hiring, Shula was a first-year law student, and thus had to decide whether to pursue a legal or a coaching career.

Shula spent one season (1981) as a return specialist/wide receiver for the Baltimore Colts, leading the club in punt returns. On September 27, 1981, Shula Met Shula as son David's Colt club competed against father Don's Dolphin team. Miami won in Baltimore, 31-28.

Shula was a two-time All-Ivy League selection at Dartmouth and holds all major Big Green receiving records including most career catches (133) and most career receiving yardage (1,822). He started every game during his varsity career, and as a senior caught 52 passes (school record) for 758 yards. Shula was also a four-sport letterman at Hollywood's Chaminate High School.

David and his wife Leslie (married 6/5/82) live in Miami with their sons Danny (10/9/83) and Christopher (2/5/86).

BOB MATHESON

Linebackers

4th NFL Season, 4th with Dolphins

Born: November 25, 1944

The name Bob Matheson conjures up the image of big number 53 stalking the opponent for the Dolphin Super Bowl teams of the mid-1970s. Dolphins of the '80s are now getting accustomed to seeing Matheson in his new role as a prominent member of the Miami brain trust. Matheson joined the Dolphin coaching staff in February, 1983 with responsibilities for special teams and linebackers. This year, Matheson begins his second season concentrating entirely on improving the club's linebackers. Injuries have hurt the Dolphin linebacking corps in recent seasons, but with solid veterans like Bob Brudzinski and Hugh Green, plus rising young players like Jay Brophy and John Offerdahl, Matheson's troops certainly have the potential to be among the league's best.

Matheson was an NFL linebacker from 1967-79 for the Cleveland Browns and the Dolphins. A first round draft pick of the Browns in 1967, Matheson played for them for four seasons before being dealt to Miami for a second round draft pick in September, 1971. He became a very valuable weapon in the Dolphin defense's situational substitutions, being used as a fourth linebacker in passing situations with the option to blitz the quarterback or drop back into pass coverage. The now-famous "53 Defense" was named not only for Matheson's jersey number, but also for the five short zones and three deep zones in the pass defense that the system created.

Matheson's 137 total games still rank as the most ever played by a Dolphin linebacker. He led the team in tackles in 1974, was the club's Linebacker of the Year in '75 and had a career-high 130 tackles in '77. Matheson participated in three Super Bowls during his Dolphin tenure.

Matheson earned All-Atlantic Coast Conference honors during his collegiate career at Duke University (1964-66). In '66, he set a school record for tackles while also being tabbed on several major All-America teams. In 1981, he returned to Duke as the Blue Devils' linebacker coach, before joining the Dolphins in '83.

Bob and his wife Pam (married 6/17/67) live in Hollywood with their two sons, Todd (9/19/70) and Drew (8/24/73), and daughter, Jill (1/21/77).

MEL PHILLIPS

Defensive Backfield

7th NFL Season, 2nd with Dolphins

Born: January 6, 1942

Mel Phillips begins his second season as defensive backfield coach for the Dolphins. Last year, in his initial campaign with Miami, Phillips saw his DBs finish tied for third place in the AFC in interceptions. Before

coming to Miami, the 44-year old Phillips had previously held the same position for five seasons for the Detroit Lions (1980-84).

Known for his outstanding rapport with his players, Phillips coached in Detroit under then-Head Coach (and former Dolphin assistant) Monte Clark. With Miami, Phillips works with a defensive backfield rich in experience that features quality veterans like Don McNeal, William Judson, Mike Kozlowski, Lyle and Glenn Blackwood, Paul Lankford and Bud Brown.

Phillips, a native of Shelby, North Carolina, played 12 seasons for the San Francisco 49ers (1966-77), including eight as a starter at strong safety. A tenacious hitter during his playing days, his career statistics include 10 interceptions for 106 return yards (35-yard TD in 1970). Phillips twice won the 49ers' Len Eshmont Award, symbolic of the team's most valuable player. Following his retirement from the 49ers, Phillips worked for the city of San Francisco's juvenile probation department until joining the Lions.

Collegiately, Phillips attended North Carolina A&T where he played both ways as a defensive back and a running back. As a senior, Phillips rushed for 648 yards on 100 carries for 11 touchdowns, and also caught 19 passes for 277 yards and four scores. That season (1965), A&T won the conference championship and Phillips intercepted two passes and rushed for two TDs in the title game. Phillips also lettered for the swimming and track teams at A&T.

Mel and his wife Patricia (married 1/23/65) live in Miami Lakes with their daughters, Paulette (6/4/67) and Yvette (5/9/73).

JOHN SANDUSKY

Offense, Offensive Line

28th NFL Season, 11th with Dolphins

Born: December 28, 1925

John Sandusky — and his offensive line — just keeps getting better. A veteran of 28 NFL coaching seasons, Sandusky begins his 11th year with the Dolphins looking for continued success. Last season the Dolphin offensive line resembled a solid brick wall, allowing the fewest sacks (19) in the league for the third straight season. The next lowest total in the league was 33 by Pittsburgh. Miami was also fourth in the NFL in scoring with 428 points.

Despite his assistant coaching title, he is also quite knowledgeable about defense, having spent seven of his 28 seasons coaching the other side of the line of scrimmage. In two of the past three campaigns, four Dolphin offensive linemen have been singled out for some type of post-season honors.

The 60-year-old Sandusky joined the Dolphins in 1976 after spending three seasons (1973-75) as an assistant coach for the Philadelphia Eagles. Prior to that, he was a coach for the Baltimore Colts from 1959-72, including the 1963-69 seasons under then-Colt Head Coach Don Shula. When Shula moved to Miami in 1970, he attempted, but was unable, to bring Sandusky with him. Sandusky was on the Colt staff for their two Super Bowl appearances in games III and V.

When Don McCafferty was fired as Baltimore's head coach after winning only one of the first five games in 1972, Sandusky became the Colt boss and led his charges to four victories in their final nine games. Two of Sandusky's losses that season were to Shula's undefeated Dolphin team.

Sandusky was an All-America tackle at Villanova University (1946-49) before joining the NFL's Cleveland Browns in 1950. He played both offensive and defensive tackle in six seasons in Cleveland as the Browns

made it to the NFL title game in all six of those campaigns (three wins). Sandusky then played one year (1956) with the Green Bay Packers before beginning his coaching career at Villanova (1957-58).

Sandusky has the unique distinction of having served in four different capacities in the now-defunct College All-Star game in Chicago. He played (1950) and coached (1958) for the All-Stars, and also played (1951, 1955) and coached (1969, 1971) for the NFL championship team that annually opposed the collegians.

John and his son, Gerry, a sportscaster for WSVN-TV in Miami, reside in Cooper City. He also has two other sons (Jack and James) and a daughter (Ruth). Another son, Joe, died in 1978 of complications from pneumonia while a sophomore at Tulsa University.

John's wife, Ruth, passed away last December 15 after a long illness. They had been married 34 years.

DAN SEKANOVICH

Defensive Line

10th NFL Season, First with Dolphins

Born: July 27, 1933

A nine-year veteran of the NFL coaching ranks, Dan Sekanovich begins his first season with the Dolphins. The 53-year-old Sekanovich most recently spent three seasons (1983-85) as the assistant head coach/defensive line mentor with the Atlanta Falcons. While with Atlanta he helped to develop two top young linemen in Rick Bryan and Mike Gann.

Prior to his Atlanta post, Sekanovich developed one of the NFL's most feared defensive units, "The New York Sack Exchange," while defensive line coach for the New York Jets from 1977-82. In 1981, the Sack Exchange led the NFL in sacks with the defensive line getting 59 of 66.

Before joining the Jets, the West Hazleton, Pa., native enjoyed his first professional coaching experience when he served on Marv Levy's staff for the Montreal Alouettes of the Canadian Football League from 1973-76. Montreal captured the Grey Cup title in 1974 as Sekanovich coached both the offensive and defensive lines.

His collegiate coaching stops included: Kentucky (1971-72), Navy (1969-70), Pittsburgh (1968), Connecticut (1964-67) and Susquehanna (1961-63).

Sekanovich enjoyed a fine playing career (1951-53) at Tennessee under General Bob Neyland, where he played as a defensive end.

Dan and his wife, Delores, have a son, Dan, Jr., (11/23/66) and a daughter, Catherine (11/28/68).

CHUCK STUDLEY

Defense

18th NFL Season, 3rd with Dolphins

January 17, 1929

In 1986, Chuck Studley enters his third season as the man in charge of the Dolphin defense. The '84 campaign was a transition year for

Miami's defenders as Studley installed his defensive schemes following the departure of long-time Dolphin defensive coordinator Bill Arnsparger. With two Dolphin seasons under his belt, Studley is looking for improvement from his defensive troops who were overshadowed the past two years by the spectacular exploits of the team's record-setting offense.

Studley, who was named to his current post on December 27, 1983, had begun the '83 season as the defensive coordinator for the Houston Oilers. Following the team's 0-6 start, Head Coach Ed Biles resigned on October 10, with Studley being tabbed as interim head coach. He took over the undermanned Oilers, guiding them to upsets over Detroit and Cleveland, and nearly one over Miami. Studley's Oilers led Shula's Dolphins in the fourth quarter of their December 4 Astrodome encounter before the visitors finally prevailed, 24-17.

Prior to his service in Houston, Studley spent the 1979-82 seasons as the defensive coordinator for the San Francisco 49ers. The '81 49er squad went all the way, capturing Super Bowl XVI with a victory over the Cincinnati Bengals. Before heading to California, Studley had been a Bengal assistant for 10 seasons (1969-78).

Studley, born in Maywood, Illinois, was an All-America guard at the University of Illinois (1949-51), captaining its undefeated 1951 team that went to the Rose Bowl. He began his coaching career at Alton (Ill.) High School (1952-54) before returning to his alma mater to coach the Fighting Illini (1955-59). As a head coach, he led the University of Massachusetts to a Yankee Conference championship in 1960, then spent eight years at the helm of the University of Cincinnati, helping the Bearcats to a pair of Missouri Valley titles.

Chuck and his wife Peggy (married 6/24/50) live in Miami Lakes. They have six children (Carole, Doug, Susan, David, Mike and Steve) and four grandchildren.

CARL TASEFF

Offensive Backs

20th NFL Season, 17th with Dolphins

Born: September 28, 1928

When Don Shula arrived in Miami in 1970, so too did Carl Taseff. Taseff and Shula's relationship dates back to their college days when they played in the same backfield together for Coach Herb Eisele's John Carroll squad. They were also roommates while both played for Cleveland (1951-52) and Baltimore (1953-56). Taseff has coached the Dolphin offensive backs since coming to South Florida, and he's done it with great success. In fact, in the eight-year span from 1970-77, Taseff's backs ranked fifth or higher in NFL rushing on seven occasions. More importantly, Taseff has been able to change with the times. During the 1970s, the Dolphins employed a grind-it-out style that featured powerful fullback Larry Csonka. Since Dan Marino's emergence as Miami's air-oriented quarterback, Taseff's charges have become more a part of the passing game (ie. Tony Nathan led the team in receptions last year).

Taseff came to Miami after spending two years working for the CEPO scouting combine (1968-69). Prior to that, he had coaching stints with the AFL's Boston Patriots (1964) and the NFL's Detroit Lions (1965-66).

As a player, Taseff was a star running back at Cleveland's John Carroll University, scoring 22 touchdowns in 1950. He began his pro career in 1951 with his hometown Cleveland Browns before beginning a nine-year term (1953-61) with the Baltimore Colts. A cornerback for the Colts, Taseff set a team record with a 90-yard punt return for a touchdown against Green Bay (10/14/56). He holds an NFL record with a 99-yard return of a Walt Michaels field goal attempt against the Rams (12/12/59).

After the Colts, Taseff played the latter part of the '61 season for Philadelphia before winding up his playing career with Buffalo in 1962. Overall, Taseff's career stats show 112 punt returns for 826 yards... and no fumbles.

Carl and his wife Lucy (married 11/18/78) live in Pembroke Pines. He has two daughters, Cynthia Sue and Susan, by a previous marriage. He also has a granddaughter.

MIKE WESTHOFF

Special Teams, Tight Ends

Fourth NFL Season, First with Dolphins

Born: January 10, 1948

One of the newcomers to the Dolphins staff in 1986 is tight ends and special teams coach Mike Westhoff. Westhoff comes to Miami after spending a year in the United States Football League with the Arizona Outlaws, where he was the offensive line coach for Frank Kush.

Before his one-year stint in the USFL, Westhoff spent three seasons under Kush with the Baltimore/Indianapolis Colts (1982-84). While with the Colts, his responsibilities included tight ends, special teams and weight training.

The 38-year-old Westhoff began his collegiate playing career at Wyoming in 1965, where he was a starting outside linebacker as a freshman. He then transferred to Wichita State, where he was a three-year starter at linebacker and center. He graduated from Wichita State in 1970 with a degree in history. He was the team's MVP as a junior and served as captain during his senior campaign.

Westhoff started his collegiate coaching career as a graduate assistant at Indiana University, where he earned a master's degree in educational psychology in 1974. He moved to a full-time post as offensive line coach at Dayton in 1976, before taking over the defensive line and linebackers at Indiana State in 1977. He then coached at Northwestern (1978-80) and Texas Christian (1981), working with the offensive line.

Born in Pittsburgh, Pa., he was raised in Bethel Park, Pa. Mike and his wife, Marilyn, reside in Ft. Lauderdale with their son, John Thomas (4/27/81).

JUNIOR WADE

Strength and Conditioning

12th NFL Season, 12th with Dolphins

Born: February 2, 1947

In his fourth season as the Dolphins' Strength and Conditioning Coach, Junior Wade also administers the team's successful off-season conditioning program and assists with the Miami special teams. Previously, Wade had served eight years as the club's assistant trainer. The promotion to assistant coaching status was a well-deserved reward for the affable Wade. As a trainer, he had long had the respect of the Dolphin

players for his knowledge and his willingness to boost player morale by putting himself through the same rigorous rehabilitation as that prescribed for injured Dolphins.

Appointed to his present position on February 15, 1983, Wade first joined the Dolphins as training camp assistant for the 1973-74 pre-seasons. He was hired by the Dolphins on a full-time basis in time for the 1975 campaign. Wade's past job experience includes having worked as an athletic trainer and guidance counselor at Fayetteville State and as the trainer for the St. Louis Cardinals' baseball farm team in Orangeburg, South Carolina.

Wade was also the head baseball coach and assistant trainer at Davidson College. In 1975, he led the Wildcats to a 21-15 record, the best mark the school had ever posted. A three-year letterman himself at South Carolina State, Wade also earned his master's degree in education.

Junior, a native of Bath, South Carolina, lives in Miami with his wife Constance (married 12/13/70) and sons, Aaron (2/25/72) and Jason (2/24/80).

PLAYER PERSONNEL

CHARLEY WINNER

Director of Pro Personnel, Administrative Asst.

32nd NFL Season, Sixth with Dolphins

Born: July 2, 1925

Two years ago, Charley Winner was given the responsibility of negotiating most player contracts. That duty goes along with Winner's other tasks that include scouting upcoming Dolphin opponents, searching for free agent talent and handling waiver and trade transactions. A true veteran of the National Football League, Winner is in his 32nd league season and sixth with the Dolphins.

Winner joined the Dolphins in 1981 after working one year for a cable television company. Prior to that, he enjoyed a distinguished coaching career which began in 1948 as an assistant under future father-in-law Weeb Ewbank at Washington University in St. Louis. He moved to Case Tech in 1950 under Head Coach Lou Saban, remaining there for four seasons. In 1954, Winner began his professional coaching career at Baltimore, again with Ewbank at the helm. From 1954-65, he coached Colt ends, defensive backs, linebackers and served as defensive coordinator. During his Baltimore stint, he coached a defensive back named Don Shula, later serving on Shula's staff when he became the Colt boss.

In 1966, Winner accepted the head coaching position of the St. Louis Cardinals, a post he held for five seasons. His teams had a 35-30-5 record, including an outstanding 9-4-1 mark in 1968. From 1971-72, Winner coached defensive backs for George Allen's Washington Redskins, whose '72 squad lost to the Dolphins in the Super Bowl. He was again reunited in 1973 with Ewbank, this time as an assistant for the New York Jets. Winner took over as Jet head coach the following year, posting a 9-14 slate in two seasons. He then coached Cincinnati's defensive backfield from 1976-79. Under Winner's guidance, Bengal DBs had conference rankings of first (1976) and second (1978) during his tenure there.

A native of Somerville, New Jersey, Winner attended Southeast Missouri State College for one year before being drafted into the service in 1942. A radio operator and gunner in the Air Force, he flew 17 missions over Germany, and once spent six weeks in a German POW camp.

CHUCK CONNOR

Director of Player Personnel

Ninth NFL Season, Ninth with Dolphins

Born: July 7, 1937

The Dolphins' guru when it comes to scouting college players is Director of Player Personnel Chuck Connor, currently in his ninth season in that capacity. Preparing for the NFL's annual college draft is Connor's primary concern, and he has done that well during his Dolphin tenure, boasting 37 players from his first eight drafts who remain on the team's roster heading into the '86 pre-season.

Since Connor's arrival, the Dolphins have slowly rebuilt several key areas, including the defensive backfield, the offensive line, running back and the kicking game. Connor's astute scouting and drafting has accomplished this without missing a competitive beat. The Dolphins won divisional titles in 1979, '81, '83, '84 and '85, and made it to the Super Bowl in '82 and '84.

The McKees Rocks, Pennsylvania, native joined the Dolphins in February, 1978 after spending the previous three years scouting for BLESTO, an organization that provides college player evaluations to subscribing NFL teams. In his last year with BLESTO, Connor had been promoted from area to regional scout, responsible for a nine-state area in the southeastern United States.

Connor began his career as a coach on the high school level, spending 15 years (1960-74) at Montour High near Pittsburgh. Eight of those seasons were spent as a head coach, with his 1967 squad going undefeated. In '74, he continued as a teacher at Montour while becoming the defensive backfield coach at Carnegie-Mellon University. While at Montour, Connor had begun evaluating players from film for the Pittsburgh Steelers, which eventually led to his BLESTO position.

Chuck and his wife Dorothy (married 6/27/59) live in Stone Mountain, Georgia. They have four children, Chuck (4/23/60), Mike (1/16/65), Karen (6/20/66) and Scott (7/29/76).

MILT DAVIS

College Scout

20th NFL Season, Ninth with Dolphins

Born: May 31, 1929

Since 1978, the Dolphins' scout for the 14-state western region has been Milt Davis. In addition to his scouting duties, Davis also assists the Dolphin coaching staff during mini-camp and portions of summer train-

ing camp. He also serves as a counselor and biology professor at Los Angeles City College.

Davis began his scouting career in 1967 with the Baltimore Colts continuing in that capacity until 1976. He spent the '77 season "beating the bushes" for the Los Angeles Rams before joining the Dolphins.

In four seasons as a Colt defensive back (1957-60), Davis twice tied for the NFL lead in interceptions and was an All-Pro selection in 1957. In that rookie season, Davis picked off 10 of his 27 career interceptions. He was a member of the Colts' 1958 and '59 teams that defeated the New York Giants for the league championship.

Richly educated, Davis received his undergraduate degree, a master's degree in zoology (he's an avid bird-watcher) and a doctorate in administrative education from UCLA.

Milt and his wife Yvonne (married 1/18/58) live in Los Angeles. They have three children, Allison (2/19/59) and twins Brian and Hilary (5/21/62) and a grandson, Chance (4/3/84).

MIKE CARTWRIGHT

College Scout

8th NFL Season, 4th with Dolphins

Born: February 12, 1946

The responsibilities of scouting the Rocky Mountain and midwestern states fall on the shoulders of the capable Mike Cartwright. In his fourth Dolphin season, Cartwright came to the Miami organization from the BLESTO scouting combine. He worked for BLESTO from 1979-82, first as an area scout before being promoted to regional scout.

Cartwright's initial scouting position was with the San Francisco 49ers, working for Pro-Line. Prior to that, he was head coach and athletic director at St. Mary's School in Cheyenne, Wyoming for three years before serving the same tenure as head football coach at Cheyenne East High. Also a former teacher, Cartwright earned a B.S. in physical education and biological science from the University of Wyoming in 1970.

Mike and his wife Mary (married 9/25/74) live in Cheyenne with their son Jeremy (4/25/77), and Mike's two sons by a previous marriage, Chad (12/12/64) and Brad (12/30/68).

KEVIN COLBERT

College Scout

3rd NFL Season, 2nd with Dolphins

Beginning his second year with the Dolphins as a college scout, Kevin Colbert concentrates his duties on college athletes from Illinois to Alabama and eastward. Colbert joined the Miami staff after spending a

season with the BLESTO scouting combine, serving the northeast area. Prior to joining BLESTO, Colbert was the backfield coach and recruiting coordinator at Ohio Wesleyan for three years (1981-83). In '84 he aided Wesleyan as its head baseball coach.

From 1979 to '81, he served as a graduate assistant basketball coach and head baseball coach at Robert Morris College, where he pursued a master's degree in sports management. Before attending grad school, Colbert spent three months as an intern in the ticket office of the NBA's Detroit Pistons.

The Pittsburgh, Pa., native earned his undergraduate degree in sports management from Robert Morris in 1979.

Kevin and his wife, Janis (married 11/21/81), reside in Beaver Falls, Pa., with their two children, Kacie (5/22/83) and Jennifer (10/22/83).

FOOTBALL STAFF

BOB LUNDY

Head Trainer

20th NFL Season, 20th with Dolphins

Born: March 28, 1936

For 19 years, the job of taking care of the Dolphin players' daily assortment of major and minor injuries has belonged to Head Trainer Bob Lundy. One of the most respected trainers in the NFL, Lundy is responsible for the day-to-day treatment of injured Dolphins in coordination with team physicians. In conjunction with Assistant Coach Junior Wade, Lundy also oversees the team's off-season conditioning program.

Lundy keeps abreast of the latest advances in training technology through his regular attendance at NATA conventions. Perhaps his highest honor came in 1974 when Dolphin players awarded Lundy the game ball following Miami's fourth consecutive AFC Eastern Division title.

Lundy joined the Dolphins for their inaugural 1966 season under then-Head Coach George Wilson, and has been with the club for all but one of its campaigns (he sold real estate in 1973). When Don Shula took over as head coach in 1970, Lundy was retained and he has been manning the training room ever since.

A native of Wollaston, Massachusetts, Lundy is a 1958 graduate of Boston University. While a graduate student at Indiana University, he served as the Hoosiers' assistant trainer before becoming the head trainer at Detroit University (1960-63). Lundy's first professional job came in 1964 when he served two seasons as the Detroit Lions' assistant trainer.

This past May Lundy was honored by the National Athletic Trainers Association with a "Twenty-Five Year Award," which is the most prestigious award in the training profession.

Bob and his wife Alice (married 6/2/62) live in Miami. They have three sons, Bobby (3/30/63), Billy (6/30/66), and David (1/30/70).

BILL DAVIS

Assistant Trainer

4th NFL Season, 4th with Dolphins

Born: April 8, 1954

In his fourth season as the Dolphins' Assistant Trainer is 32-year-old Bill Davis. Davis assists Head Trainer Bob Lundy with injury treatment and rehabilitation of Dolphin players. He has been a full-time member of the Dolphin staff since May, 1983 after spending five pre-seasons (1975-79) as a summer training camp assistant to Lundy.

Davis initially got involved in athletic training while he was a student at Davidson College. He aided current Dolphin Assistant Coach Junior Wade while Wade was baseball coach and assistant trainer for the Wildcats. Davis received his B.A. degree from Davidson in 1976, and earned his NATA certification the following year.

In 1978, Davis got his master's degree in health and physical education from Tennessee Tech. The following fall, he was named Athletic Trainer for Men at the University of Tennessee-Martin, a position he held until accepting his current post.

Bill and his wife Linda (married 7/7/84) live in Cooper City with their four children - Kim, Bradley, Chas, and Brook.

BOB MONICA

Equipment Manager

6th NFL Season, 6th with Dolphins

Born: May 6, 1957

Bob Monica begins his second year as Dolphin equipment manager after four seasons as assistant equipment manager. Monica, a visible figure around the Dolphins' training camp, is responsible for issuing and ordering all playing equipment for the team.

The 29-year-old Monica earned a B.S. in sports administration from Miami's St. Thomas University. He transferred to St. Thomas from Furman University in Greenville, South Carolina, where he had been attending college on a football scholarship. A native of Madison, New Jersey, Monica captained Madison High School's 1976 football state champions. In addition, he was New Jersey state wrestling champion in the 188 lb. division (1976). In 1975, Monica traveled with the USA Junior Olympic Wrestling team to Germany and Bulgaria.

Prior to joining the Dolphins, Monica was a production manager for Electric Factory Concerts in Philadelphia. Single, he resides in Pembroke Pines. One of Bob's personal highlights came when he appeared as a bartender in the January 10, 1986 episode of Miami Vice.

DOLPHINS ARE BEST SINCE 1970 MERGER

Since the 1970 merger of the National and American Football Leagues, the Miami Dolphins have consistently ranked in the top echelon of pro football. In fact, the Dolphins have a better winning percentage than any other team during that span. The Dolphins are also the only team in either the AFC or NFC to win three straight conference championships (1971-73).

NEW DOLPHIN STADIUM

It'll be a \$100-million, 73,000-seat stadium. It'll be a state-of-the-art facility which promises to be the most modern of its kind. It'll be privately financed through the lease of some 230 executive suites and 10,000 luxury club seats.

It'll be an awesome structure.

It'll be special. It'll be something.

It'll be the new home of the Miami Dolphins!

The inaugural game in Dolphin Stadium is slated for August 16, 1987 when the Chicago Bears visit Miami. The game, which will be nationally televised, will be the ceremonial example of promises kept by Dolphin owner Joe Robbie to all sports fans of South Florida.

In the spring of 1984, before a packed house at the Dolphin Awards Banquet in Miami, Robbie announced his marketing plan for Dolphin Stadium, to be built at Lake Lucerne, south of Calder Race Track in north Dade county.

As South Florida sports fans have seen over the years, it was just another dream that Joe Robbie had worked, and worked hard, into reality.

When the Bears and Dolphins kickoff on that August 16, 1987 date, it'll mark still another fulfillment of promises made by Robbie and his Dolphin Stadium Corp. What Robbie did was take a vacant, litter-filled area covered with brush and turn it into a stadium that will be the talk of the sports world.

When Robbie spoke that May evening in 1984 he knew that more than \$9-million in security deposits, accompanied by bonafide 10-year leases which would translate into \$90-million over the decade, would have to be marketed before the financing with major banks could be arranged.

In addition, a veritable maze of governmental procedures, studies and hearings loomed over the coming months before the \$100-million project could even begin.

Cynics abounded.

The cynics were wrong!

They were proven wrong by the fans and friends of the Dolphins who backed their faith with their money. They were proven wrong by Robbie himself, who matched the faith exhibited by the Dolphins by expending \$3-million of his own money to clear the Lake Lucerne site and prepare for full-scale construction BEFORE being assured of full financing and full governmental clearance.

If the project had failed, the \$3-million loss would have been Robbie's alone.

But the project didn't fail. Did anyone who knows Robbie's track record really think it would? Certainly not!

The new Dolphin Stadium will be America's premier open stadium, designed for comfort, convenience and complete enjoyment. It'll be the toast of South Florida. The stadium will remain for decades as a standing legacy giving testimony of the faith and loyalty of not only Joe Robbie, but of the Dolphins themselves!

THE DOLPHIN NAME

Mariners, Marauders, Mustangs, Missiles, Moons, Sharks, Suns — none of those other names suggested to the American Football League expansion franchise in 1965 could raise a fin to the runaway winner.

"Dolphins" was submitted by 622 entrants in a contest which attracted 19,843 entries and more than a thousand different names. The dozen finalists were delivered to a seven-member screening committee of local media.

The bottlenose dolphin, an intelligent creature with an irresistible built-in grin, has inspired wonderment for centuries. Plutarch observed 1,900 years ago that the dolphin "is the only creature who loves man for his own sake." Every trainer will have a tale of the dolphin's cleverness and ingenuity, and scientists are fascinated by a dolphin's natural equipment which far surpasses the range of Navy sonar equipment.

"The dolphin is one of the fastest and smartest creatures of the sea," Joseph Robbie said in announcing the team name October 8, 1965. "Dolphins can attack and kill a shark or a whale. Sailors say bad luck will come to anyone who harms one of them."

Mrs. Robert Swanson of West Miami won two lifetime passes to Dolphin games with her nickname entry. The tiebreaker was picking the winner and score of the 1965 game between the University of Miami and Notre Dame — it ended in a scoreless tie.

THE ORANGE BOWL

As the Miami Dolphins enter their 21st season of existence, so too do they enter their 21st and final season of residency in the Orange Bowl. With a present capacity of 75,206, the Orange Bowl has been the site of many great sporting events including five Super Bowls, the annual Orange Bowl Classic, and championship boxing matches.

The Orange Bowl was originally built for \$325,000 in 1937 as a project of the Works Progress Administration. With an initial seating capacity of 25,000, bleacher seat expansion in 1945 added 12,000 seats. Three years later, double-decking of the north and south stands increased the Bowl's capacity to 60,000. In 1949, the sale of \$50 non-interest bonds enabled the addition of 7,500 seats to boost the stadium's total to 67,500. The decking of the west end zone in 1968 brought the Orange Bowl to its current capacity of just over 75,000, although temporary east end zone bleachers between 1971-76 brought the total seating to 80,045.

The Orange Bowl's playing field consists of Prescription Athletic Turf which was installed in 1976. The PAT replaced the Poly-Turf that had been in the stadium for the previous six seasons.

LIMITED INSTANT REPLAY SYSTEM

At the NFL Annual Meeting in March 1986, the clubs adopted (by 23-4-1 vote) a one-year system of limited Instant Replay by officiating calls for 1986.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks — an independent system using cameras, replay machines and technicians separate from the network covering the game and a "no frills" approach using existing television coverage.

In 1985, the NFL used the network feed of nine nationally televised preseason games to experiment with the basic system they later was adopted for 1986. A total of 28 plays were examined closely (17 confirmed, four were inconclusive, one was reversed, and six had no replay shown).

What is the objective of this system?

The clubs feel that on certain plays the telecast viewed by the general public should be used to correct and indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has indisputable visual evidence available to him that warrants the change.

Is the television network carrying the game part of the review process?

No. Although the Replay Official will be viewing the live network feed there is no communication to television personnel as to what plays to show or not to show.

What is the step-by-step procedure of a play review?

The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other monitor continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

If the Replay Official believes an error may have been made, the Umpire will be contacted (via a paging device worn at the beltline), and he then will use a walkie-talkie for further communication with the Replay Official.

The Replay Official will watch replay(s) on one or both monitors and complete his review within a reasonable period (probably 15-20 seconds) after the play is over. (If there is a time out, the Replay Official would not necessarily be restricted to the 15-20 second period.)

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.

The limited Instant Replay system concentrates on plays of possession or touching (e.g., fumbles, receptions, interceptions, muffs) and most plays governed by the sidelines, goal lines, end lines, and line of scrimmage (e.g., receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line).

However, the Instant Replay systems will not include the following fouls: clipping; encroachment and offsides; grasp of face-mask; false start; defensive pass interference; offensive pass interference; offensive holding and illegal use of hands; illegal batting or punching ball; illegal block on free kick or scrimmage kick; illegal crackback; illegal motion; illegal use of forearm or elbow; illegal use of hands by defense; illegally kicking the ball; illegally snapping the ball; intentional grounding; member of the punting team downfield early; illegal formation; palpably unfair act; piling on; roughing the passer; running into or roughing the kicker; striking, kicking, or kneeling; unnecessary roughness; unsportsmanlike conduct; and use of the helmet as a weapon.

WHAT TO LOOK FOR IN 1986

The Dolphins ...

- to record the 200th win (including playoffs) in their history. Miami has won 197.
- to score the 6,500th point in their history. They have 6,393.

'85 GAME-BY-GAME SUMMARIES

GAME #1 Houston 26, Miami 23

HOUSTON (SEPT. 8) - The Miami Dolphins opened the 1985 regular season with a 26-23 loss to the Houston Oilers before 47,656 fans in the Astrodome. The defeat was Miami's first on opening day since a 1980 17-7 loss to the Buffalo Bills. The Dolphins scored on their initial possession as Fuad Revez converted a 33-yard field goal to culminate a 14-play, 64-yard drive. Key plays in the drive included Dan Marino's 19-yard completion to Mark Clayton and Don Strock's 29-yard toss to Clayton (Marino was temporarily out with arm injury). Miami soon extended its lead to 10-0 when CB William Judson intercepted a Warren Moon pass and returned it 61 yards down the sideline for a touchdown. Midway through the second quarter, the Dolphins again increased their lead when rookie FB Ron Davenport's 26-yard run led to a 36-yard field goal by Revez. On the first play following the ensuing kickoff, Moon hooked up with Butch Woolfolk on an 80-yard TD play (PAT blocked by Doug Betters). Following an interception by Houston's Steve Brown, the Oilers got into position for a 35-yard field goal by Tony Zendejas to cut Miami's halftime margin to 13-9. After a 45-yard pass from Marino to Clayton, Revez connected on his third three-pointer of the day (23 yards). The Oilers trimmed their deficit to 16-12 when Zendejas made a 46-yard field goal following a 37-yard Moon to Woolfolk pass play. Houston later gained possession on the Dolphin 16-yard line, and three plays later, Mike Rozier scored the touchdown on three yards out. Strock came in at QB following Marino's second interception and promptly connected with Mark Duper for a 67-yard TD on the first play following an Oiler fumble. Trailing 23-19, Houston then moved 80 yards in 10 plays for the winning score, aided by a 48-yard Moon to Drew Hill pass and a fourth-down end zone pass interference penalty on Miami's Fulton Walker (Rozier scored from the one).

GAME #2 Miami 30, Indianapolis 13

MIAMI (SEPT. 15) - The Miami Dolphins won their first game of the 1985 regular season, defeating the Indianapolis Colts 30-13 before 53,693 fans in the Orange Bowl. Miami scored on its first offensive series as Fuad Revez connected on a 22-yard field goal, his first of three three-pointers on the day. The two key plays in the 79-yard drive included a pair of Dan Marino completions to Mark Clayton (26 yards) and Tony Nathan (25 yards). Twelve-yard completions to Nat Moore and Clayton then helped set up a 25-yard FG by Revez. The Colts took a 7-6 second quarter lead when QB Mike Pagan hit TE Pat Beach with a two-yard TD toss. Miami, however, regained the lead for good on its next possession, moving 80 yards in nine plays as Clayton made a spectacular six-yard catch for the touchdown to put the Dolphins ahead 13-7. Long plays in that scoring march included a 16-yard reception by TE Joe Rose

and a 27-yard pass interference penalty (intended for Rose). The third quarter opened with a 40-yard Reveiz field goal as a pair of 11-yard Marino passes to Vince Heflin and Moore led to those points. Miami extended its lead to 23-7 when Nathan broke several tackles and scored on a 21-yard run. Another 80-yard Dolphin TD drive culminated with a three-yard Marino to Moore pass. The Colts closed out the scoring when George Wonsley went in from one yard out.

GAME # 3 Miami 31, Kansas City 0

MIAMI (SEPT. 22, 1985) — The Miami Dolphins, led by a defense that limited Kansas City to just 284 yards, shutout the Chiefs 31-0 before 69,791 fans in the Orange Bowl. The shut out was Miami's first in 26 games (including playoffs) dating back to the Dolphins' 37-0 whitewashing of the Colts on November 20, 1983. After a scoreless first half that included a Dolphin goal-line stand after Kansas City had a first down at the Miami one-yard line, the Dolphins exploded in the second half. On their first possession of the third quarter, the Dolphins moved 53 yards in five plays with Dan Marino hitting TE Bruce Hardy for a nine-yard touchdown. A 42-yard kickoff return (Lorenzo Hampton for 10 yards, handoff to Mike Kozlowski for 32 more) and a 23-yard reception by Nat Moore set up that score. The next time the Dolphins had the ball, they scored again as an 11-play, 80-yard drive culminated in a 27-yard TD catch by Woody Bennett, just the third touchdown reception in his seven-year career. Marino scored the first of its 17 fourth-quarter points when rookie FB Ron Davenport scored from one-yard out following a Glenn Blackwood interception (17 yard return) and Marino completions to Davenport (14 yards) and Bennett (19 yards). Miami extended its lead to 28-0 when Kozlowski's 17-yard punt return and Tony Nathan's 21-yard run led to Davenport's three-yard touchdown. Linebacker Jay Brophy's first NFL interception and 41-yard return set up the game's final score which came on a 37-yard field goal by Fuad Reveiz.

GAME #4 Miami 30, Denver 26

DENVER (SEPT. 29) — The Miami Dolphins, led by quarterback Dan

Marino's 390 yards passing and running back Tony Nathan's 158 combined yards, defeated the Denver Broncos 30-26 before 73,614 fans in Mile High Stadium. Denver got on the scoreboard first when Gene Lang scored on a 10-yard run. The Broncos had to move just 25 yards for the TD following a fumble by Miami rookie Ron Davenport. It took the Dolphins just three plays to tie the game as Marino connected with Nat Moore on a 69-yard pass play. Miami edged ahead early in the second quarter when good field position (Denver 47) plus a personal foul on the Broncos allowed Fuad Reveiz to kick a 40-yard field goal. The see-saw scoring continued as Denver embarked on an eight-play, 82-yard drive that put the Broncos ahead 14-10. John Elway completions to Butch Johnson (29 yards) and Lang (24 yards) preceded Sammy Winder's seven-yard touchdown run. The Dolphins immediately trimmed the Denver advantage to a single point when a 73-yard Marino to Nathan pass play set up Reveiz's 24-yard field goal. That was to be the first of three scores in the final three minutes of the half. After stopping the Broncos, Miami took over with 1:53 remaining and drove 75 yards in 78 seconds (seven plays). A 30-yard completion to Mark Clayton was the big play before Marino hit TE Joe Rose for a 24-yard touchdown to put Miami ahead 20-14. On the ensuing series, Rich Karlis kicked a 43-yard field goal on the final play of the half. The Broncos scored on the first possession of the third quarter to take a 23-20 lead. A 10:11 drive covered 82 yards in 10 plays with Winder scoring from one yard out (PAT failed). Late in the quarter, WR Vince Heflin caught a Marino pass at the Denver 25 and eluded two tacklers to score on a 46-yard play that gave the Dolphins a 27-23 advantage. Miami extended that lead on Reveiz's 27-yard field goal that was set up by two Bronco pass interference penalties (28, 5 yards). A 29-yard Elway to Johnson pass paved the way for Karlis' 34-yard three-pointer that closed out the scoring. An interception by Miami's Bud Brown thwarted the Broncos' final drive.

GAME #5 Miami 24, Pittsburgh 20

MIAMI (OCT. 6) — The Miami Dolphins, led by a defense that limited the opposition to just 282 yards of total offense, defeated the Pittsburgh Steelers 24-20 before 72,820 fans in the Orange Bowl. The Dolphins scored on their first possession of the game as they took advantage of excellent field position (Miami 47) to move 53 yards in nine plays. Tony Nathan's one-yard plunge was set up by Mark Clayton's 15-yard catch. Pittsburgh tied the game early in the second quarter when Walter Abercrombie scored from one yard out after Nathan's fumble had given the Steelers possession at the Dolphin 18-yard line. Pittsburgh edged ahead later in the period when a 16-yard reception by Frank Pollard and a 14-yard run by Abercrombie paved the way for Gary Anderson's 48-yard field goal. The Dolphins immediately came back, marching 80 yards in nine plays with Marino hitting Johnson for the two-yard score. Key plays in that series included a 16-yard Marino completion to Clayton and a 15-yard run by Nathan. With just 12 seconds remaining in the half, the Steelers took a 17-14 lead on Malone's one-yard TD throw to Weegie Thompson that had been set up by a 29-yard pass interference penalty on Miami's John Swain. Again, Miami scored on its initial series of the half as Nat Moore's 26-yard catch helped the Dolphins get in position for Fuad Reveiz's 35-yard field goal. With the score knotted at 17-17 in the fourth quarter, Marino was intercepted by LB Robin Cole, giving the Steelers possession at Miami's 17-yard

line and leading to Anderson's 33-yard field goal. With 4:10 remaining in the game, the Dolphins put together a nine-play, 75-yard drive that culminated in Lorenzo Hampton's first regular season NFL touchdown with 47 seconds left. Marino completed five of six throws for 71 yards on the drive, including tosses to Clayton for 27 yards and Hardy for 22.

EAST RUTHERFORD (OCT. 14)—The Miami Dolphins, held to just 200 total yards while giving up 476 yards, were defeated by the New York Jets 23-7 before 73,807 fans at Giants Stadium. The defeat snapped Miami's seven game winning streak over New York. After a scoreless first quarter, the Jets moved 68 yards in 11 plays with Pat Leahy kicking a 22-yard field goal. The two key plays in the series featured a 20-yard Ken O'Brien to Mickey Shuler pass and a 20-yard run by Freeman McNeil. With one second remaining in the first half, Leahy booted an 18-yard field goal to give the Jets a 6-0 advantage. Four O'Brien completions for 54 yards helped set up the three-pointer. Both teams scored on their first possession of the third quarter. New York's 11-play, 80-yard march included a pair of McNeil receptions (13, 20 yards) before O'Brien connected with Kurt Sohn for a 15-yard touchdown. The Dolphins promptly shaved their deficit to 13-7 when Ron Davenport scored on a three-yard run. That 73-yard drive was highlighted by Dan Marino passes to Mark Clayton (14 yards) and Tony Nathan (25 yards). However, the Jets came right back, utilizing an 18-yard O'Brien to Sohn pass and a 17-yard McNeil run to set up Leahy for an 18-yard field goal. New York closed out the scoring in the fourth quarter on Tony Paige's one-yard TD.

MIAMI (OCT. 20)—The Miami Dolphins, led by quarterback Dan Marino's pinpoint passing and the last-second heroics of placekicker Fuad Revez, defeated the Tampa Bay Buccaneers 41-38 before 62,335 fans in the

Orange Bowl. The Dolphins scored points on their first four possessions of the game. On the Bucs' first series, Frank Garcia's punt was tipped by Jim Jensen, thus giving Miami excellent field position at the Tampa Bay 48-yard line. On the sixth play of the drive, Marino hit WR Nat Moore for a 16-yard touchdown. The Dolphins extended their first quarter lead to 14-0 when a four-yard Marino to Jensen scoring toss capped an 11-play, 58-yard drive. Tampa Bay cut into Miami's lead early in the second quarter when Jerry Bell's 27-yard catch and James Wilder's 20-yard run helped set up Wilder's 10-yard TD. However, the Dolphins came right back to make it 21-7 on FB Ron Davenport's one-yard touchdown (11 plays, 80 yards). Hugh Green's interception and 28-yard return to the Buccaneer two-yard line preceded Revez's 20-yard field goal that was actually blocked by Tampa Bay's Karl Morgan. The Bucs sliced their deficit to 24-14 with 12 seconds left in the half when QB Steve DeBerg connected with TE Jimmie Giles for the first of the duo's four touchdowns on the afternoon. Miami again started quickly in the third quarter as the team drove 80 yards in just six plays with Tony Nathan getting the six points on a one-yard run. Joe Rose's 42-yard catch was the key play in that march that put the Dolphins ahead 31-14. The Bucs retaliated immediately, moving 82 yards in six plays with Giles scoring on a 39-yard pass. The see-saw scoring continued as Miami charged back to reestablish its 17-point lead (38-21) on a 10-play, 79-yard drive that culminated with a three-yard Marino to Bruce Hardy TD toss. In the fourth quarter, Marino's fumbled snap gave the Bucs the ball at the Miami 21, and four plays later, DeBerg threw to Giles for a seven-yard score. Tampa Bay then closed the gap to 38-35 when Marino was intercepted by Jeremiah Castille, and the Buccaneers moved 38 yards for the touchdown which came on a 16-yard Giles reception. The Bucs finally got even when Donald Igwebuikie kicked a 38-yard field goal. Taking over on his own 29-yard line with 37 seconds remaining, Marino hooked up with Nathan for gains of 19 and 15 yards. With six seconds left, Revez then kicked a 43-yard field goal to win the game.

GAME #11 Miami 34, Indianapolis 20

INDIANAPOLIS (NOV. 17) — The Miami Dolphins, led by two touchdowns each by rookies Ron Davenport and Lorenzo Hampton, defeated the Indianapolis Colts 34-20 before 59,666 fans in the Hoosier Dome. The Dolphins got off to a slow start, allowing the Colts to jump out to a 10-0 lead. Indianapolis scored on its first possession when a 23-yard Mike Pagel to Ray Butler pass led to Raul Allegre's 28-yard field goal. When Miami was unable to move the ball on its ensuing series, Reggie Roby's punt was returned 70 yards for a touchdown by Robbie Martin. Miami got on the scoreboard late in the first quarter when Fuad Revez connected on a 45-yard field goal. The Dolphins had gotten into position for that score thanks to a Glenn Blackwood interception. Miami got even at 10-10 early in the second period when a 10-play, 63-yard drive culminated in a four-yard TD by Hampton. Each team then scored a field goal on its next possession to make it 13-13 at halftime. Indianapolis got theirs on a 30-yard Allegre FG as RB Curtis Dickey accounted for half of the drive's 56 yards. Miami's came on a 44-yarder by Revez in a march that featured a 19-yard completion from Marino to Mark Duper. Miami went ahead 20-13 in the third quarter when another Glenn Blackwood interception gave the Dolphins the ball at the Colt 32-yard line. Following a Marino to Bruce Hardy pass for 31 yards, Davenport scored the remaining yard for the touchdown. The Dolphins then caught the Colts off guard with a Revez onside kick that was recovered for Miami by Alex Moyer. Miami then moved 54 yards in just five plays that included a 37-yard connection from Marino to Moore. The TD came on Hampton's second six-pointer of the day from one yard out. Indianapolis immediately shaved Miami's advantage to 27-20 when QB Mike Pagel's pass to Wayne Capers was caught at the Dolphin 48 and run in for the touchdown (80-yard play). Miami returned the favor by getting points on its next series to close out the scoring as Marino moved the Dolphins 77 yards in eight plays with the score coming on a 17-yard Marino to Davenport toss. On each of the Colts' last two possessions of the game, they fumbled into the

Dolphin end zone with Glenn Blackwood (William Judson forced) and Bud Brown (Paul Lankford forced) recovering.

ORCHARD PARK (NOV. 24, 1985) — The Miami Dolphins, led by a defense that permitted just 255 total yards and only 12 first downs, defeated the Buffalo Bills 23-14 before 50,474 fans in Rich Stadium. The Dolphins scored on their first possession when an 18-yard Dan Marino to Mark Clayton pass helped set up a seven-yard scoring pass from Marino to FB Ron Davenport. With excellent field position (Bills 48) early in the second quarter, Miami extended its lead to 14-0 on a 15-yard toss from Marino to TE Dan Johnson. The Bills got on the board late in the half on an 11-play, 78-yard drive that included a pair of QB scrambles by Bruce Mathison (12, 17 yards) and culminated with an 11-yard touchdown pass from Mathison to Andre Reed. In the third quarter, after stopping Miami on a fourth-and-one at the Bills' 26, Buffalo tied the game on a 60-yard bomb from Mathison to Jerry Butler. The Dolphins, however, took the lead again following a fumbled punt by the Bills' Don Wilson at Miami's 11-yard line. Three plays later, Fuad Revez kicked a 22-yard field goal. The game's final points came in the fourth period when Miami embarked on a nine-play, 81-yard march (51 rushing) that featured a 15-yard run by Woody Bennett, a 22-yard Marino to Mark Duper toss and successive runs by Tony Nathan of 14, 12 and four yards (TD).

GAME #13 Miami 38, Chicago 24

MIAMI (DEC. 2) — The Miami Dolphins, led by a total offensive and defensive team effort, defeated the Chicago Bears 38-24 before 75,594 fans

in the Orange Bowl. The win prevented the Bears from a possible undefeated season and preserved the 1972 Dolphins as the only "perfect" team in NFL history. The Dolphins scored points on all five of their first half possessions against Chicago's #1 rated defense. Miami opened the scoring when a 30-yard pass from Dan Marino to Mark Duper helped set up Nat Moore's 33-yard catch and run for a touchdown. The Bears tied the game on the ensuing possession on QB Steve Fuller's one-yard run that came two plays after Fuller had connected with Willie Gault for a 69-yard pass play. Miami went ahead 10-7 when Lorenzo Hampton's season-high 46-yard kickoff return led to Fuad Revez's 47-yard field goal. Bob Brudzinski's interception paved the way for the Dolphins' next TD that came on FB Ron Davenport's one-yard run. Key plays in that drive included Marino throws to Moore (22 yards) and Duper (17 yards). Chicago's Keven Butler trimmed the Miami lead to 17-10 with a 30-yard field goal before Davenport scored another one-yard touchdown thanks to a 52-yard catch by Duper and a 26-yarder by Mark Clayton. The Dolphins made it 31-10 at halftime when William Judson blocked Maury Buford's punt (Robin Sendlein recovered at the Bear 6) and Marino hit Moore for the six-yard score. The Bears scored first in the second half when they recovered a Clayton fumble at the Dolphin 27-yard line and subsequently got the TD on another one-yard dive by Fuller. Miami jumped to a 38-17 lead when a Marino pass was deflected by Chicago's Dan Hampton, but caught by Clayton for a 42-yard touchdown play. Dennis Gentry's 50-yard kickoff return led to the last score of the evening as Fuller threw to Ken Margerum for a 19-yard TD. The scoreless fourth quarter featured a pair of Dolphin QB sacks, an interception by Judson and a fumble recovery by Hugh Green (Bill Barnett forced).

GAME #14 Miami 34, Green Bay 24

GREEN BAY (DEC. 8) — The Miami Dolphins, led by quarterback Dan Marino's 345 yards passing and five touchdowns, defeated the Green Bay Packers 34-24 before 52,671 fans at Lambeau Field. Green Bay got on the scoreboard first thanks to Al DelGreco's 22-yard field goal following a Dolphin fumble that gave the Packers possession at their own 49-yard line. On the ensuing kickoff, Miami's Lorenzo Hampton returned it 38 yards to set the Dolphins up at their own 44. An 11-play drive included a Marino to Tony Nathan pass for a 10-yard touchdown (PAT blocked). Following back-to-back fumbles by Marino and Packer QB Jim Zorn, the Dolphins embarked on a seven play, 81-yard drive highlighted by a 32-yard Marino to Joe Rose pass and ending with a 21-yard scoring play from Marino to Mark Clayton that put Miami ahead 13-3. Regaining possession at their own 46 with 69 seconds left in the half, Marino completed four of five throws with the last one going for a 16-yard score to Nat Moore to put Miami ahead 20-3. The Pack came back in the third quarter, scoring touchdowns on their first two possessions to trim Miami's lead to 20-17. On their first series of the period, Zorn moved the team 66 yards in just seven plays including a 29-yard TD toss to Preston Dennard. Green Bay's second score of the quarter came on a 56-yard bomb from Zorn to James Lofton. Early in the final period, the Packers mounted an 11-play, 62-yard march that ended when Eddie Lee Ivey scored on a one-yard dive (Packers ahead 24-20). The Dolphins immediately retaliated, driving 67 yards in 10 plays with important third down conversions coming on Marino completions to Moore (15 yards) and Nathan (17 yards). The go-ahead score that

gave Miami a 27-24 lead came on a leaping two-yard TD grab by Rose. Following a Paul Lankford interception, the Dolphins scored again when Marino audibled a third-and-one call and connected with Dan Johnson on a 61-yard pass and run play. Rookie LB Alex Moyer's first NFL interception sealed the Dolphin victory.

GAME #15 Miami 30, New England 27

MIAMI (DEC. 16) — The Miami Dolphins, led by safety Glenn Blackwood's two clutch interceptions and Fuad Revez's three field goals (all from 40+ yards), defeated the New England Patriots 30-27 before 69,489 fans in the Orange Bowl. The Dolphins recorded the first points of the night when Dan Marino connected with TE Joe Rose for a six-yard touchdown. Miami had to move just 39 yards for the score following S Bud Brown's recovery of a Tony Collins fumble. However, the Patriots retaliated on their next possession when QB Tony Eason's 40-yard hook-up with Stephen Starring paved the way for a 10-yard scoring reception by Irving Fryar. Miami again went ahead midway through the second quarter when Fuad Revez converted a 44-yard field goal following receptions by Mark Duper (15 yards) and Moore (19 yards). The Dolphins increased their lead to 17-7 when Joe Carter's 19-yard run helped set up Ron Davenport's one-yard scoring run. Glenn Blackwood's interception at the Dolphin nine-yard line preserved Miami's 10-point halftime lead. The Patriots made it 17-10 early in the third quarter when Tony Nathan's fumble gave New England the ball at the Miami 20 and led to Tony Franklin's 22-yard field goal. The Dolphins came right back to re-establish their 10-point margin (20-10) on Revez's season-high 49-yard field goal. Again, the Pats answered right back with a field goal of their own as Franklin also converted a 49-yarder. The Dolphins stretched their lead to 27-13 early in the final period when a 30-yard pass interference penalty on Ernest Gibson (intended for Nat Moore) led to Davenport's second one-yard TD of the evening. New England then embarked on a seven-play, 72-yard drive that culminated when Mosi Tatupu got the TD from one yard out. The Patriots tied the game at 27 when Carter's fumble on the ensuing kickoff was recovered by Cedric Jones, who ran 15 yards for the TD. The Dolphins got the winning points on Revez's 47-yard gamer. The victory was sealed when Glenn Blackwood intercepted an Eason pass at the Miami 11-yard line.

GAME #16 Miami 28, Buffalo 0

MIAMI (DEC. 22) — The Miami Dolphins, led by two touchdown catches by tight end Bruce Hardy and the solid play of linebacker Jackie Shipp, defeated the Buffalo Bills 28-0 before 64,811 fans in the Orange Bowl. The win was Miami's seventh in a row and gave the Dolphins the undisputed AFC Eastern Division championship, marking the 13th time in Head Coach Don Shula's 16 Miami seasons that the Dolphins have won or shared that crown. Miami scored on its first possession, moving 76 yards in 11 plays with the touchdown coming on a spectacular one-handed catch by Hardy (19 yards). The Dolphins increased their lead to 14-0 in the second quarter when Shipp's first NFL interception gave them the ball at the Bills' 32-yard line. Miami scored the TD in just three plays as a 23-yard Dan Marino to Mark Clayton pass preceded Marino's five-yard scoring strike to Hardy. The Dolphins' defense then stopped Bills' RB Joe Cribbs on two consecutive plays from the Miami one-yard line. The third quarter was scoreless as each team committed two turnovers. Early in the final period, Bruce Mathison's fumble was recovered by Dolphin lineman Bill Barnett at the Bills' 26-yard line. Five plays later, Nathan scored on a one-yard dive. After Buffalo turned the ball over on downs at its own 43, the Dolphins embarked on the final scoring drive of the day. A nine-yard reception by Tom Vigorito was the series' longest play before FB Ron Davenport scored on a 13-yard run. On Miami's last possession of the game, Davenport added a 33-yard run that was the Dolphins' longest of the season.

1970 AFC PLAYOFF Raiders Sink Dolphins With 82-Yard Bomb OAKLAND 21, MIAMI 14

OAKLAND, DEC. 27 — Quarterback Daryle Lamonica unloaded an 82-yard touchdown pass to Rod Sherman with 9:34 to play as Oakland spoiled the Dolphins' first appearance in the playoffs, 21-14, on a field oozing with mud.

The Dolphins, who had won six consecutive games to finish 10-4 and gain a wild-card berth, had taken a 7-0 lead in the second quarter when Bob Griese fired a 16-yard strike to Paul Warfield in the end zone. Lamonica matched that TD with a 22-yard toss to Fred Biletnikoff only 1:50 before halftime.

Raider right cornerback Willie Brown intercepted a wet and wobbly pass by Griese and fled 50 yards along the sideline for the tie-breaking TD. It came minutes after Jake Scott recovered an Oakland fumble at the Miami 10-yard line.

The heave to Sherman was insurance. Only three plays earlier, Dolphin kicker Garo Yepremian missed a 24-yard field-goal attempt for the second time in the game. Oakland's George Blanda also missed a 23-yarder.

1971 AFC PLAYOFF Dolphins Outlast Chiefs In Longest Game MIAMI 27, KANSAS CITY 24

KANSAS CITY, DEC. 25 — Garo Yepremian ended 82 minutes and 40 seconds of an epic struggle by thumping a 37-yard field goal with 7:40 elapsed in the second overtime, lifting the Dolphins past Kansas City, 27-24, on Christmas Day.

The Dolphins battled from behind three times to tie the AFC West champions, the third time on Bob Griese's five-yard pass to tight end Marv Fleming with 96 seconds remaining in regulation.

Kansas City running back Ed Podolak, who amassed 350 yards of all-purpose running, returned the ensuing kickoff 78 yards to the Dolphin 22 where Curtis Johnson made a desperation tackle. With 35 seconds on the clock, Jan Stenerud missed a 32-yard field-goal try.

Stenerud had a 42-yarder blocked by Nick Buoniconti in the fifth quarter, and Yepremian was short with a 45-yard effort. But Larry Csonka crashed 29 yards to the Chiefs 36, and that put Yepremian, the NFL's scoring leader, in position to win it. Goal posts were on the goal line; in 1974 the uprights were moved to the end line.

1971 AFC CHAMPIONSHIP Anderson, No-Names Stymie Colts MIAMI 21, BALTIMORE 0

MIAMI, JAN. 2, 1972 — Three lightning plays and a persistent defense propelled the Dolphins into Super Bowl VI with a 21-0 rout of Baltimore before an all-time Orange Bowl record crowd of 78,939.

Strong safety Dick Anderson intercepted a John Unitas pass which was deflected by Curtis Johnson, and behind a wall of six open-field blocks, Anderson weaved 62 yards for a third-quarter touchdown. "My eyes were popping as I ran," Anderson said. "I've never seen so many people land on their heads."

Before Anderson's convoy made it 14-0, the Dolphins staggered the defending Super Bowl champions when Bob Griese and Paul Warfield hooked up for a 75-yard TD pass. Warfield applied the clincher when he escaped 50 yards with a Griese pass, setting up a five-yard TD slam by fullback Larry Csonka.

The Colts hadn't been held scoreless for 97 games over seven seasons. They were stopped at the Dolphin 9 in the second quarter. Jim O'Brien missed two field-goal attempts and had another blocked by Lloyd Mumphord.

SUPER BOWL VI Cowboys Flatten Luckless Dolphins DALLAS 24, MIAMI 3

NEW ORLEANS, JAN. 16, 1972 — A 252-yard rushing attack and sharp passing by Roger Staubach spurred the Dallas Cowboys to a 24-3 victory over the Dolphins at Tulane Stadium.

Duane Thomas pranced 95 yards on 19 carries, fullback Walt Garrison added 74 yards on 14 carries and Staubach passed twice for touchdowns to Lance Alworth and Mike Ditka. Staubach, who was sacked twice in the first quarter, bounced back to complete 12 of 19 passes, and he scrambled from the Dolphin pass rush five times.

The Dolphins were frustrated all day; in the first quarter, Larry Csonka lost a fumble and Bob Griese was chased by tackle Bob Lilly for a 29-yard loss. Griese fumbled away a snap at the Dallas 16 in the fourth period.

Although it was an intriguing 10-3 at halftime, the Cowboys marched 71 yards in seven plays after kickoff, and Thomas swept three yards for the TD.

1972 AFC PLAYOFF Late TD Drive Rescues Unbeaten Dolphins MIAMI 20, CLEVELAND 14

MIAMI, DEC. 24 — On the ropes in the fourth quarter after an unprecedented 14 victories, the Dolphins responded to poised Earl Morrall and drove 80 yards for a touchdown with 4:56 to play for a 20-14 victory over the Cleveland Browns.
Morrall, the NFL's leading passer as he replaced injured Bob Griese 10 weeks earlier, had completed only four passes for 38 yards. But he threw 15 and 35 yards to Paul Warfield, reaching the Browns' 20, and a pass interference call against linebacker Billy Andrews put the ball at the 8.
Halfback Jim Kiick then bulled eight yards up the middle on a trap for the winning points. The triumph was sealed with a minute to play when linebacker Doug Swift intercepted quarterback Mike Phipps at the Dolphin 20.
Despite stealing five of Phipps' passes, the Dolphins were stung by a 27-yard TD pass to Fair Hooker and trailed, 14-13 with 8:11 to play.

1972 AFC CHAMPIONSHIP Griese Comes Off Bench to Rally Win MIAMI 21, PITTSBURGH 17

PITTSBURGH, DEC. 31 — Quarterback Bob Griese, playing 11 weeks after he had broken his right leg, ignited a third-quarter touchdown drive with a 52-yard pass to Paul Warfield, and the Dolphins overtook the Pittsburgh Steelers, 21-17, in unusually warm 63-degree weather.
Griese was given the nod in the second half after Earl Morrall had flipped a nine-yard touchdown pass to Larry Csonka for a 7-7 halftime deadlock. Punter Larry Seiple broke loose on a daring 37-yard run to set up that TD.
Trailing 10-7, Griese directed TD drives of 80 and 49 yards with Jim Kiick blasting two and three yards for the scores. Steeler quarterback Terry Bradshaw, who closed the gap with four straight completions on a 71-yard TD drive, was intercepted by Nick Buoniconti at midfield with 2½ minutes to play.
In addition to Seiple's dash, the Dolphins converted fourth-down situations on both Griese-led drives.

SUPER BOWL VII Dolphins Achieve Perfection in 17th Win MIAMI 14, WASHINGTON 7

LOS ANGELES, JAN. 14, 1973 — "This is the ultimate," Coach Don Shula said quietly after his unbeaten Dolphins dominated the Washington Redskins, 14-7, to cap a perfect season. It was Shula's first Super Bowl triumph in three tries.
A record Super Bowl crowd of 90,182 saw the Dolphins surge to a 14-0 halftime lead even as one touchdown was nullified by an offsides penalty. Miami intercepted three of Bill Kilmer's passes, and Manny Fernandez scuttled the Redskin running game with 17 tackles.

An original Dolphin, Howard Twilley, eluded cornerback Pat Fischer to snare a 28-yard touchdown pass from Bob Griese in the first quarter. Griese's 57-yard TD bomb to Paul Warfield was erased by the penalty, but a 32-yard interception return by linebacker Nick Buoniconti set up the Dolphins' second score.

Safety Jake Scott thwarted Kilmer with an end zone interception and 55-yard runback. The Redskins finally scored on a bizarre 49-yard fumble recovery by Mike Bass after a blocked field goal and attempted pass by kicker Garo Yepremian. Scott was named MVP.

1973 AFC PLAYOFF Stout Defense Cages Bengals MIAMI 34, CINCINNATI 16

MIAMI, DEC. 23 — A defense which had allowed only 15 touchdowns all season kept the Cincinnati Bengals out of the end zone while the Dolphins hammered 241 yards on the ground for a convincing 34-16 victory.
Mercury Morris scooted 106 yards on 20 carries and Bob Griese completed 11 of 18 passes including TDs of 13 yards to Paul Warfield and seven yards to Jim Mandich. Garo Yepremian converted long field goals of 50 and 46 yards in the second half to widen the winning margin.
The Dolphins led 21-3 when a lapse just before halftime gave life to the Bengals. Safety Neal Craig intercepted Griese and returned 45 yards for a score, and Horst Muhlman booted field goals for 46 and 12 yards — the second coming after Morris fumbled a kickoff — to make it 21-16.

1973 AFC CHAMPIONSHIP Dolphins Grind Raiders With 266 Rushing MIAMI 27, OAKLAND 10

MIAMI, DEC. 30 — A relentless running attack with Larry Csonka and Mercury Morris accounting for 203 of the 266 yards powered the Dolphins to a 27-10 triumph over the Oakland Raiders for a third straight American Conference title.

Csonka, a 237-pound battering ram who had his third consecutive 1,000-yard season, scored three touchdowns with his 117 yards on 29 carries. The Dolphins covered 64 and 63 yards exclusively on the ground for a 14-0 halftime lead.

Then as the Raiders battled within 17-10, Bob Griese directed ground assaults of 63 yards culminating in a field goal and 40 yards ending in Csonka's third TD.

Defensively, safety Dick Anderson forced a fourth-down fumble by Marv Hubbard at midfield, and the Dolphins took possession with a 20-10 lead and six minutes to play.

Oakland had stopped Miami's 218-game winning streak, 12-7, three months earlier.

SUPER BOWL VIII Dolphins Demolish Vikings MIAMI 24, MINNESOTA 7

HOUSTON, JAN. 13, 1974 — Winning for the 32nd time in 34 games, the Dolphins repeated as Super Bowl champions and proved themselves "Best Ever" with a 24-7 rout of the Minnesota Vikings at Rice Stadium.

There was no doubt from the beginning. The Dolphins swept 62 yards in 10 plays with the opening kickoff, scoring on Larry Csonka's five-yard smash. Minnesota punted, and the onslaught resumed with a 56-yard, 10-play Dolphin drive capped by Jim Kilck's one-yard plunge.

It was 17-0 before the Vikings crossed their 40, and a fourth-down fumble by Oscar Reed was recovered by safety Jake Scott at the Dolphin six-yard line.

A brilliant, diving catch by Paul Warfield netted 27 yards on a third-quarter TD drive that hiked it to 24-0. Csonka finished with his best-ever total of 145 yards on 33 carries. The Dolphins rushed for 703 yards and outscored opponents, 85-33, in the three-game playoff blitz. Csonka gained a Super Bowl record 145 yards and was named MVP.

1974 AFC PLAYOFF Dream of 'Triple Crown' Shattered OAKLAND 28, MIAMI 26

OAKLAND, DEC. 21 — Oakland quarterback Ken Stabler, falling in the clutches of Vern Den Herder, unloaded a wobbly eight yard pass that Clarence Davis wrested from three defenders in the end zone, and the Raiders scored a stunning 28-26 victory over the defending champion Dolphins.

Stabler, who had spent the last of his timeouts, appeared to have thrown an interception. But running back Davis clutched the football when bodies were entangled with 26 seconds remaining.

It was the fourth TD pass for lefthander Stabler and his second "freak" score. Four minutes earlier, Cliff Branch fell while catching a pass at the Dolphin 27, but defender Henry Stuckey also slipped, and Branch got up and escaped for a 72-yard TD.

The Dolphins, trailing by two points, went ahead with 2:08 remaining as rookie Benny Malone broke two tackles on a 23-yard touchdown run along the sideline.

1978 AFC "WILD-CARD" PLAYOFF Oilers Jolt Erring Dolphins HOUSTON 17, MIAMI 9

MIAMI, DEC. 24 — The Houston Oilers amassed a 455-209 margin in total yardage and, aided by five Dolphin turnovers, gained a 17-9 victory in a battle of AFC "wild-card" entries at the Orange Bowl.

Toni Fritsch kicked a 35-yard field goal with 7:25 remaining to snap a 7-7 tie that existed since the first quarter. An interception by linebacker Greg Bingham led to a clinching 50-yard touchdown drive capped by Earl Campbell's one-yard dive with 1:55 to go. Campbell, the NFL rushing leader with 1,450 yards as a rookie, had been checked for only 16 yards on 13 carries in the first half.

Dolphin quarterback Bob Griese, playing with very sore ribs, connected with tight end Andre Tillman for a 13-yard TD after Earnest Rhone had recovered a fumbled punt at the Houston 21. But Griese completed only 13 of 28 passes. Twice the Dolphins lost the ball inside the Oiler 10-yard line when the game was tied.

Houston's Dan Pastorini wore a flak jacket to protect three broken ribs, and he passed for 261 of his 306-yard total in the first half.

1979 AFC PLAYOFF Steelers Blitz Dolphins in First Quarter PITTSBURGH 34, MIAMI 14

PITTSBURGH, DEC. 30 — Launching a drive to their fourth Super Bowl title in six years, the Pittsburgh Steelers scored touchdowns on their first three possessions and coasted to a 34-14 victory at Three Rivers Stadium.

Miami managed only 25 yards rushing against the Steel Curtain and was stopped twice in the second quarter after achieving a first down inside the Steeler 10-yard line. The Dolphins got as close as 20-7 with a seven-yard TD pass from Bob Griese to Duriel Harris in the third period, but Pittsburgh responded with a 69-yard TD drive.

The Steelers marched 62, 62 and 56 yards for their first-quarter scores when quarterback Terry Bradshaw completed 8 of 10 passes including touchdowns to John Stallworth and Lynn Swann, who was standing alone in the end zone.

Don Strock directed a 13-play, 76-yard TD drive after relieving Griese in the fourth quarter.

1981 AFC PLAYOFF Chargers Survive Dolphins' Comeback SAN DIEGO 41, MIAMI 38

MIAMI, JAN. 2, 1982 — A record-setting showcase of the passing game resulted in NFL playoff marks for most points (79), most total yards (1,036) and most drama as the San Diego Chargers outlasted the Dolphins 41-38, in overtime.

"The Miracle That Died" was the Miami Herald headline after the Dolphins rallied behind reserve quarterback Don Strock to overcome a 24-point deficit. Strock completed 29 of 43 passes for 403 yards and four touchdowns, spurring the Dolphins to a 38-31 lead. A 12-yard sweep by Tony Nathan on the first play of the fourth quarter put the Dolphins on top. But Chargers' quarterback Dan Fouts, who passed for an NFL-record 4,802 yards during the season, led an 82-yard drive capped by a 9-yard pass to James Brooks to tie the game with 58 seconds remaining. Five players had more than 100 yards in receptions topped by Chargers' tight end Kellen Winslow with 13 catches for 166 yards.

Fouts, who finished with 433 yards on 33-of-53 marksmanship, hooked up with Charlie Joiner for 39 yards to the Dolphin 10-yard line. Rolf Benirschke then kicked a 29-yard field goal to end the struggle after 1:35 of overtime. Benirschke had missed a 27-yard attempt eight minutes earlier, and Miami's Uwe von Schamann had two attempts blocked — a 43-yarder on the last play of regulation and a 35-yarder after 11:27 of overtime.

It was the only game in NFL history in which two quarterbacks passed for more than 400 yards.

1982 AFC PLAYOFF (First Round) Woodley Keys Dolphin Revenge MIAMI 28, NEW ENGLAND 13

MIAMI, JAN. 8, 1983—For the first time in 9 years, the Miami Dolphins won a play-off game — defeating the New England Patriots 28-13. Dolphin QB David Woodley had one of his finest games, completing 16-of-19 passes for 246 yards and two TD's. He was a perfect 8-for-8 in the second half. The Dolphins, now 8-2 including this playoff game and winners of four straight, had not experienced a playoff win since January 13, 1974 when they downed Minnesota in Super Bowl VIII. The Dolphins took command in the second quarter gaining back-to-back TD drives of 76 and 79 yards that turned a 3-0 deficit into a 14-3 halftime advantage. The four Miami TD's came on a pair of two-yard passes from David Woodley to tight end Bruce Hardy a one yard run by Andra Franklin and Woody Bennett's two-yard burst up the middle Franklin finished with 112 yards on 26 carries, but lost the ball three times on fumbles. Two of those fumbles resulted in John Smith field goals of 23 and 43 yards.

1982 AFC PLAYOFF (Second Round) "Killer B's" Stymie Fouts and Co. MIAMI 34, SAN DIEGO 13

MIAMI, JAN. 16, 1983—The Dolphins, on their way to a five game playoff run, choked off the famed Charger offense and won 34-13. The Dolphin defense stopped the San Diego Chargers' offense with a total 247 yards — 203 yards below their league-leading average, while holding their scoreless in the second half. Dolphin defenders intercepted QB Dan Fouts five times, sacked him three times and held the Chargers to 15 completions for 191 yards — their lowest output since last January's playoff game in the ice at Cincinnati. The Dolphins' offense kept Fouts and Company on the sideline utilizing ball control that produced 80 plays to San Diego's 54 and an overwhelming time of possession advantage. The Dolphins had the ball for 40:46, the Chargers for 19:14. Dolphins' QB David Woodley guided his team to a 214-yard ground attack while connecting on 17-22 passes for 195 yards and two TD's. Woodley, opened the scoring with a three-yard pass to Nat Moore in the first quarter, and made it 14-0 by directing Miami 89 yards on 13 plays. Chargers' kickoff returner Hank Bauer fumbled a kickoff which was recovered by Uwe von Schamann at the Chargers' 23 yard line. Seven plays later Woodley hit tight end Ronnie Lee on a six-yard look-in pass for the score. On the next kickoff, Dolphins' rookie Rich Diana recovered a fumble by the Chargers' Brooks, but this time had to settle for a 29-yard run von Schamann field goal. The Chargers scored two late TD's, one on a 28-yard pass to Charlie Joiner and

213

the other on Chuck Muncie's one-yard dive that ended the Chargers' scoring. Von Schamann added a second field goal shortly before the end of the first half, and Woodley scored on a two-yard QB draw early in the fourth quarter.

1982 AFC CHAMPIONSHIP Dolphin Defense, Rain White-Wash Jets MIAMI 14, NEW YORK JETS 0

MIAMI, JAN. 23, 1983 — For the third time in as many games the Miami Dolphins defeated the New York Jets, this time on a rainy, mud soaked Orange Bowl field. The Dolphins set an AFC Championship game record by holding the Jets to 139 total yards. A.J. Duhe set an AFC playoff record with three interceptions including one he returned for a 35-yard TD. The Dolphins set an NFL record by being the first team to have defeated the same team three times in a season — two times during regular season and once in a playoff. On nine occasions since the leagues' merger, teams have met three times in a season — but no team has won all three games. Before a crowd of 67,396, the Dolphins' Woody Bennett rumbled seven yards up the middle to score the only points the Dolphins would need. That came in the third quarter, after the teams had slogged through a scoreless first half on the soggy Prescription Athletic Turf.

SUPER BOWL XVII Redskins' Riggins Runs Past Miami WASHINGTON 27, MIAMI 17

Pasadena, Jan. 30, 1983—The Washington Redskins, behind the power running of John Riggins, came from behind to win Super Bowl XVII in the famed Rose Bowl. Before the second largest crowd for a Super Bowl — 103,667 fans — the Redskins took the lead for the first time with a little more than ten minutes left on the playing clock. The game was marked by a Super Bowl record performance by Fulton Walker, who returned four kickoffs 190 yards, including a 98-yard TD that gave Miami a 17-10 halftime lead. It was the first kickoff returned for a TD in Super Bowl history and the longest kickoff return in playoff history. Riggins ran up 166 yards on 38 runs, both Super Bowl records. On a short-yardage play — fourth and one from the Redskins' 43 with 10:01 to play — Riggins broke a tackle and scored on a 43-yard run. Riggins accounted for 181 total yards, five more than the entire Miami offense could manage in the game. In the first quarter, Miami jumped to a quick lead with a 76-yard Woodley to Cefalo pass for a TD.

1983 AFC PLAYOFF Warner Keys Seahawk Upset SEATTLE 27, MIAMI 20

MIAMI, DEC. 31 — The Miami Dolphins saw 1983 and their season end on a sour note as they lost a 27-20 decision to the Seattle Seahawks in the semi-final round of the AFC playoffs. Before 71,032 fans in the Orange Bowl, Dolphin rookie quarterback Dan Marino returned from his December 4 knee injury. On their second possession, the Dolphins launched a 12-play, 80-yard drive ending with a 19-yard TD pass from Marino to tight end Dan Johnson (PAT missed). A 59-yard return by Zachary Dixon on the ensuing kickoff led to a six-yard scoring toss from Seattle's Dave Krieg to Cullen Bryant, with the extra point giving the Seahawks a one point lead. Miami immediately retaliated, using a 17-yard Marino to Mark Duper hook-up to pave the way for a 32-yard circus catch by Duper for the touchdown. Early in the third quarter, a David Overstreet fumble in Seahawk territory set Seattle up for a 55-yard TD march featuring a 28-yard completion from Krieg to Paul Johns, and culminating in a one-yard run by Curt Warner. Norm Johnson's 27-yard field goal early in the fourth quarter gave Seattle a 17-13 lead. The Dolphins managed to regain the lead at 20-17 following a Gerald Small interception (18-yard return) and Woody Bennett's two-yard jaunt with only 3:43 remaining. However, the lead was shortlived as the Seahawks came right back to score on Warner's short run following a pair of Krieg to Steve Largent completions for a total of 56 yards. Miami's Fulton Walker then fumbled the Seattle kickoff, thus leading to a 37-yard Johnson three-pointer. Another Walker kickoff fumble iced the game for the Seahawks, participating in the playoffs for the first time in their eight-year history.

1984 AFC PLAYOFF
Dolphins Atone For '83 Post-Season Loss
MIAMI 31, SEATTLE 10

MIAMI, DEC. 29 — The Miami Dolphins, led by quarterback Dan Marino's three touchdown passes and a defense that shut out the opposition in three of four quarters, defeated the Seattle Seahawks 31-10 before 73,469 fans in the Orange Bowl. The Dolphins moved in front on their second possession and stayed there. Running back Tony Nathan keyed the 68-yard drive by gaining 38 yards on four carries, including the touchdown on a 14-yard run. A 26 yard Marino to Mark Clayton completion was the long play of the scoring march. A 32-yard interception return by Seattle's John Harris and a 25-yard pass from Dave Krieg to Steve Largent paved the way for Norm Johnson's 27-yard field goal that cut Miami's lead to 7-3. The Dolphins, however, came right back to score on their next series as a 20-yard reception by Woody Bennett preceded Marino's 34-yard scoring hook-up with Jimmy Cefalo. The Seahawks made it 14-10 at halftime when Largent scored on a 56-yard catch-and-run play. After Miami's defense had stopped Seattle on the Dolphin 24-yard line to open the second half, the Dolphins embarked on a 13-play, 76-yard TD drive that included a Bruce Hardy touchdown catch from three yards out. After the Seahawk's Jeff West managed just a seven-yard punt, Clayton made an acrobatic catch on a tipped ball in the end zone for a 33-yard TD. Miami closed out the scoring on Uwe von Schamann's 37-yard field goal in a drive that featured a 32-yard Marino to Hardy pass.

MIAMI 45, PITTSBURGH 28

MIAMI, JAN. 6 — The Miami Dolphins, led by Dan Marino's 421 yards passing (four touchdowns) and Mark Duper's 148 yards receiving, advanced to Super Bowl XIX by defeating the Pittsburgh Steelers 45-28 in the AFC Championship Game before 76,029 fans in the Orange Bowl. The Dolphins scored on their first offensive series as they moved 67 yards in four plays following a William Judson interception, with the TD coming on a 40-yard pass from Marino to Clayton. Pittsburgh's first score came on Rich Erenberg's seven-yard run that had been set up by Walter Abercrombie's 38 yards gained in the 66-yard march. A 26-yard Uwe von Schamann field goal preceded a 65-yard toss from the Steelers' Mark Malone to John Stallworth that gave Pittsburgh a 14-10 lead. The Dolphins then scored two TDs in the first half's final 2:52, first on a 41-yard reception by Mark Duper. After Lyle Blackwood's interception, Marino hit TE Joe Rose for a 28-yard gain before Tony Nathan gave the Dolphins a 24-14 lead on a two-yard run. Miami then scored on its first three second half possessions, leading off with Marino's 36-yard scoring strike to Duper. The Steelers closed the gap to 31-21 on Malone's 19-yarder to Stallworth (33-yarder to Louis Lipps in drive). Completions to Duper (41 yards), Nathan (20 yards), and Nat Moore (28 yards) then led to a one-yard TD dive by Woody Bennett. Moore then caught a six-yard touchdown throw before Wayne Capers closed out the scoring with a 29-yard reception.

SUPER BOWL XIX
49ers' 537 Yards Buries Dolphins
SAN FRANCISCO 38, MIAMI 16

PALO ALTO, JAN. 20 — The Miami Dolphins, unable to score in the game's final two quarters, dropped a 38-16 decision to the San Francisco 49ers in Super Bowl XIX before 84,059 fans in Stanford Stadium. The Dolphins were outgained in the contest by a 537-314 margin with the 49ers maintaining possession for 37:11. Miami opened the scoring on its first possession as Uwe von Schamann converted a 37-yard field goal (key play — Dan Marino's 25-yard completion to Tony Nathan). San Francisco jumped ahead 7-3 when QB Joe Montana led the Niners on an eight-play, 78-yard drive that culminated in a 33-yard TD toss to Carl Monroe. The Dolphins scored their only touchdown of the game on their next series as two Marino completions to Mark Clayton (18, 13 yards) and a 21-yarder to Dan Johnson paved the way for Johnson's two-yard scoring catch. Touchdown runs of eight and two yards by Roger Craig and Montana's six-yard scamper gave San Francisco a 28-10 lead. Von Schamann then connected on two field goals of 31 and 30 yards in the final 12 seconds of the first half to close the Dolphin deficit to 28-16. The 49ers upped their lead on their initial second half possession on Ray Werschling's 27-yard field goal before closing out the scoring on Craig's 16-yard scoring reception (key play — 40-yard Montana to Wendell Tyler pass play).

1985 AFC PLAYOFF Davenport's 2 TDs Lead Second-Half Comeback MIAMI 24, CLEVELAND 21

MIAMI, JAN. 4 — Most people had not given them much of a chance to win, but the 8-8 Cleveland Browns nearly upset the 12-4 Dolphins in the Orange Bowl. It would take two Ron Davenport touchdowns in the final 17 minutes to send Miami to a 24-21 victory and the AFC Championship game against New England the following week. Fuad Reveiz put the Dolphins on the board early with a 51-yard field goal on Miami's first drive of the game. But Cleveland came back to score 21 unanswered points, and held a 21-3 advantage midway through the third quarter. Cleveland rookie quarterback Bernie Kosar, who had played two college seasons in the Orange Bowl for the University of Miami, hit Ozzie Newsome with a 16-yard touchdown pass for the Browns' first points of the day. Earnest Byner (16-161) ran in from 21 yards out just before the half, and broke a 66-yard touchdown jaunt 3:38 into the second half. Just like that, the improbable began to look possible. Dan Marino connected with Nat Moore for a six-yard touchdown pass just over six minutes later, and Miami had closed the margin to 21-10. Then it was time for Davenport (6-48) to show his stuff. First, he hit the hole for a 31-yard touchdown run late in the third period and then he closed the scoring and put Miami up for good, going over from one yard out with just 1:57 remaining in the game.

AFC CHAMPIONSHIP New England Snaps Streak PATRIOTS 31, MIAMI 14

MIAMI, JAN. 12 — The New England Patriots garnered a bid to their first Super Bowl by snapping an 18-game losing streak to the Dolphins in Miami with a 31-14 triumph at the Orange Bowl. The Patriots' only previous victory in Miami came in the first meeting between the two teams in 1966. New England backs Craig James (22-105) and Robert Weathers (16-87) combined for 192 yards rushing and quarterback Tony Eason was on target with a 10-of-12 performance for 71 yards as the Pats set up a Super Bowl date with the Chicago Bears. After New England got on the board first with a Tony Franklin 23-yard field goal, the Dolphins stormed back for their only lead of the afternoon when Dan Marino passed 10 yards to Dan Johnson early in the second quarter. Eason brought New England right back with three touchdown tosses and the Pats led 24-7 after three quarters. Miami's last score of the day came early in the fourth quarter when Tony Nathan grabbed a 10-yard TD pass from Marino. Pat fullback Mose Tatupu ended the game's scoring with a one-yard jaunt midway in the fourth quarter.

RETIRED JERSEY #12

He was unquestionably the "thinking man's quarterback." Bob Griese, renowned for his poised leadership and ingenious play-calling, sustained the Dolphin offense with a flair for winning from 1967-80.

The bespectacled quarterback became the 14th passer in the NFL's exclusive 25,000-yard club in 1980. On the same day he reached that milestone, he suffered a shoulder injury which ultimately forced his retirement on June 25, 1981. His No. 12 jersey became the first to be retired May 6, 1982 in ceremonies at the Dolphins' annual awards banquet.

He had a .698 winning percentage (91-39-1) under Coach Don Shula. "Cornerstone of the franchise," Dolphin Owner Joseph Robbie called him. He was a consensus All-Pro quarterback in 1971 and 1977, made six appearances in the Pro Bowl, and was voted the team's Most Valuable Player six times by the South Florida media.

"He's probably the most unselfish guy I've ever been around," Shula says. "He got as much of a thrill calling the right running play for a touchdown as he did connecting on a bomb. That's just his makeup."

DOLPHINS ON THE AIR

RADIO

In 1986, the Miami Dolphins' radio network will consist of 34 radio stations (75 markets) with Miami's WIOD (AM-610) again serving as the flagship station. WIOD has been the originator of Dolphin broadcasts since the team's 1966 inception. Known throughout South Florida as "Someplace Special for Sports," WIOD's Dolphin coverage is among the most comprehensive in the NFL. The station begins its game day coverage two hours before kickoff with "The Orange Bowl Express" including player features, key matchups in the upcoming game, plus other pertinent information from around the NFL. Also included in the pre-game package is "The Don Shula Show" featuring a preview of the day's contest by the Dolphins' head coach. Following the game, "The Locker Room Show" keeps listeners up-to-date on all other games around the league and also includes interviews from both the Dolphin and opposing locker rooms with the key players from that day's game.

Handling the play-by-play for his 16th season will be the "Voice of the Dolphins," Rick Weaver. A seasoned broadcaster with nationally-known credentials, Weaver is a 10-time recipient of the Florida Sports-caster of the Year award. Joining Weaver in the broadcast booth will be color commentator Hank Goldberg while Joe Zagacki patrols the Dolphin sideline giving listeners up-to-the-minute reports on the day's action.

WQBA

For the fifth straight year, the Dolphins' South Florida Latin fans will be able to follow the team's fortunes on WQBA. The 1986 season marks the second year of the shift over to WQBA's AM station (1140).

Rene Giraldo will handle the play-by-play duties for his second season after three years as a color analyst. He will be assisted by veteran analyst Eduardo Lujan, who has served as the producer and color commentator on the Dolphins' Spanish broadcasts since their inception. Joining Giraldo and Lujan in the booth is Roly Martin, who handled sideline commentary during home games two years ago.
