JOE ROBBIE PRESIDENT

This season Dolphins owner Joe Robbie keeps a promise he once made to his 27 fellow NFL owners. His promise was that if they would award the 1989 Super Bowl to Miami, he would have a luxury stadium in place in which to play the league's premier game.

On Jan. 22, 1989, Super Bowl XXIII will be played in Miami and it will be played in Joe Robbie Stadium!

On March 14, 1985, even before ground had been broken and permanent financing granted on Robbie's proposed new stadium, his colleagues had the confidence in him to award the 1989 Super Bowl to Miami. They knew that whatever it would take for Joe Robbie to obtain financing and get his stadium built in time, he would get it done.

In voting the game to Miami, the NFL owners also agreed to revisit a city with a rich tradition of Super Bowls (five of the first 13 were played there), but a city which they previously had elected not to return to since 1979, in large part because of antiquated state of the Orange Bowl.

Had Joe Robbie not been determined to build a new stadium in Miami, it is unlikely that the city ever would have seen another Super Bowl.

However, for Robbie, getting the Super Bowl to come to Miami and his stadium was but one of the many battles he faced along the way in construction of the state-of-the-art facility.

When he first announced plans to build his own privately financed stadium at the Dolphins' 1984 awards banquet, the announcement was met with laughter and skepticism by many of those in attendance.

Today, the "dream" has come true. Joe Robbie Stadium is real, existing for all of South Florida to enjoy, and the joke is on those same people who laughed at plans for a new stadium only years before. What once was a sand dune where motorcyclists raced and refuse was dumped, is now a tropical garden. The \$115-million facility will stand for decades to come as a lasting monument to the will and courage of the man whose name it carries.

"The mocking challenge in Miami was, 'If Joe Robbie wants a new stadium, let him build it himself.' I suppose that's what first got my interest. I don't think I'd have built it if they hadn't told me it couldn't be done," the Dolphins owner once said.

If not for Joe Robbie's dedication to the cause, his will to oppose the bureaucrats of local government, the Dolphins would have had no choice other than to continue playing in the Orange Bowl or move to another city.

In order to avoid either of these two scenarios, Robbie was forced to put everything he had ever obtained — including the Dolphins franchise — up as collateral to assure completion of the stadium project. "I wouldn't fault anybody for not laying everything on the line to build a new stadium," he said. "This is just my perverse nature. I once figured it out on a pocket computer. I'll have everything paid for by 2016." He will be 100 that year.

To be sure, many in the sports world have taken note of Robbie's tremendous accomplishment in getting the stadium built despite the adversity he faced.

"I think Joe Robbie is a trailblazer. This is a very exciting new development," said Chicago Bears president Michael McCaskey, who is using Joe Robbie Stadium as a model for a football stadium he would like to see built in the Windy City.

"Joe Robbie never bowed to the packs of bureaucrats and free-loading politicians who tried to bribe him into staying in the decaying Orange Bowl," said Norris Anderson, long-time columnist for Football News. "Name me another man in football today who could privately build a \$115-million stadium without leaning on public funds. Joe Robbie did. He is the toughest man, pound for pound, I have ever met in football."

Joe Robbie is a man of iron will from a small town in South Dakota, whose character was born out of challenge and struggle in the early years of his life. The Robbie family was forced to overcome the Great Depression in the face of financial poverty. The struggle was difficult and the rewards few, but the challenge was met by young Joe through hard work, honesty and self-initiative.

The tone had been set for Joe Robbie's life.

By the time he was 50, Robbie already had made a significant contribution to society in the areas of politics, government administration, public service and trial law. Most men would have been satisfied with that much.

Not Joe Robbie.

In 1965, Robbie contacted AFL Commissioner Joe Foss, a former

classmate at the University of South Dakota, about a client's interest in an expansion franchise for Philadelphia. Foss turned down the idea of Philadelphia, but suggested Miami as a possibility.

When his client was not interested in South Florida, Robbie himself took up the project. With only a successful trial lawyer's income and a family of 11 children to support, the odds were against his raising the \$7.5-million franchise fee.

On top of the fee, Robbie had to overcome a virtual embargo on pro football imposed by the Orange Bowl Committee and the University of Miami, as well as adverse sentiment among AFL owners who preferred Atlanta for 1966 expansion.

Still he remained undaunted and did the leg work and research in preparation for the franchise application. Robbie gained a powerful ally in then-Miami Mayor Robert King High, who had received a total endorsement of him from then-Vice President Hubert H. Humphrey, and followed that by recruiting show business personality Danny Thomas to be his co-applicant.

The AFL awarded Robbie and Thomas the franchise on Aug. 16, 1965. Robbie took over operation of the franchise as managing general partner and turned himself to the next challenge — building a championship team from the ground up.

From the word go, things were a struggle for the league's budding franchise and its bright new mind. Disappointment abounded, on the field and in the stands, as the team had a losing record of 15-39-2 and an average attendance of less than 29,000 over the first four years.

Thomas had sold out his interest in the Dolphins in 1967, and additional problems later arose when one of the limited partners secretly negotiated to move the team to Seattle. Robbie was quick to respond, recruiting five Miami investors to buy out the dissident partner's share and ensure the franchise remained in the city. Robbie had saved professional football in Miami.

Still, there were many skeptics as Robbie continued to make assurances that the Dolphins were in Miami to stay and that they would be a championship team one day. Those who really knew Joe Robbie never doubted him for a minute.

He took strong action in 1970, releasing the team's head coach, George Wilson, and hiring Don Shula, who had taken Baltimore to two NFL championship games.

The following season, Shula took the players Robbie and personnel director Joe Thomas had acquired in the first four years and turned the Dolphins into 10-4 playoff qualifiers from 3-10-1 losers in 1969.

In the last 18 years, the Dolphins either have won or shared first place in the division 13 times. Since the merger of the two leagues in 1970, Miami has recorded the best regular-season won-lost record in the NFL, becoming one of the most recognized franchises in all of sports history.

Making his Dolphins into a championship team had been an obsession of Robbie. Pulitzer Prize-winning author James A. Michener recognized the importance of this, describing it in his book "Sports in America." Michener wrote:

"The majority of owners I have met are like Joe Robbie of Miami, real devotees, men and women to whom the building of a respectable team becomes a passion, and they add luster to the sporting scene . . . In the end, they are willing to make extraordinary sacrifices in order to build a winner, and their loyalty to their team often exceeds that of their players."

One of the upcoming challenges for Robbie is to one day bring major league baseball to his new stadium. Compliments like the one recently paid him by New York Yankees owner George Steinbrenner should go a long way towards helping his chances. "I'm a Joe Robbie fan, and I've been one for quite a while," Steinbrenner said. "He's one of those guys who knows what sports is all about."

An avid soccer fan as well, Robbie's involvement with the sport is extensive. He is chairman of the 1994 World Cup Founders Club, a group which worked to bring soccer's premier event to the United States. He also is majority owner and chairman of the American Soccer League's Fort Lauderdale Strikers. In addition, Robbie had a long-time affiliation with the Minnesota Strikers of the Major Indoor Soccer League.

Robbie does not limit his energies to the area of sports, however. He involves himself personally in a number of civic endeavors. In addition, the Dolphins, under Robbie's direction, have given some \$2 million to charitable organizations in the community that supports them.

Through the years, the awards presented to him and the positions of

public service he has held reveal a side of Joe Robbie that can be lost in the shadow of the success of the Dolphins.

Presently, he sits on the board of trustees of the Public Health Trust at Jackson Memorial Hospital in Miami after serving as chairman of the board in recent years. In addition, he is chairman of the board of trustees of Pop Warner Little Scholars and also sits on the board of directors of the Florida 4-H Foundation and Camillus House. In the past, he has served on the board of governors as executive vice-chairman of St. Jude's Children's Research Hospital in Memphis, the board of governors of the annual Victor Awards for the benefit of the City of Hope National Medical Center, American Health Foundation and St. Leo College.

Recently, he was a member of the Site Selection Committee of the Democratic National Committee for the party's 1988 convention.

Robbie also has served on the board of directors of the United Way of Dade County, Catholic Service Bureau, Dade County Association for Retarded Citizens, Crippled Children's Society of Dade County and Miami Society of Autistic Children. In addition to previous work with the Heart Fund and Easter Seals, he also is an honorary member of the American Indian Scholarships, Inc.

In his native South Dakota, Robbie gives money for scholarships at all private colleges, in addition to sponsoring the Most Valuable Player awards for the state's high school football championships. For his many efforts in the Coyote state, Robbie was inducted into the South Dakota Hall of Fame in 1985.

In Florida, the Dolphins owner annually presents the Joe Robbie Award to the state's high school athletic director of the year.

In 1974, the Touchdown Club of Washington awarded Robbie the prestigious Timmie Award for "extraordinary achievement" by the Dolphins over a four-year period. He also has received the Junior Achievement Award from the Business Leadership Hall of Fame, the Gold Key Award from the National 4-H Congress as a distinguished alumnus, United States Jaycees Hall of Leadership Award, Order of the Knights of St. Gregory (a papal honor), the Humanitarian Award from the Big Brothers and Big Sisters of Greater Miami (currently is on the organization's board of advisors), Owner of the Year Award by Minneapolis-St. Paul businessmen and the Football News' Man of the Year Award.

But perhaps no award sums up the challenge and struggle of Joe Robbie's lifetime better than the rare Horatio Alger Award, given to him in 1979. It is an honor bestowed on giants of the free enterprise system, as well as U.S. presidents, in recognition of outstanding careers developed through "personal effort out of hardship."

Fellow NFL owners long have recognized Robbie's unique blend of astute business practices and human compassion, twice electing him to serve on the NFL Management Council. He served from 1972-77 and has been a member once again since 1983. He also has served on the NFL Properties Committee.

Said New England Patriots president Billy Sullivan, who has been in pro football since 1959:

"Joe Robbie gave to the fans of South Florida one of the truly great franchises in the NFL. He has put frosting on the cake with his state-of-the-art facility, which provides a superb stage for the presentation of the greatest show on earth, NFL football. His stadium project is the finest contribution that any owner in my lifetime has made. He is an All-Pro in any man's language and he has enriched our society in an unparalleled manner."

Born July 7, 1916, in Sisseton, S.D., Robbie got an early start in the business world. He was earning money as a by-lined sports editor of the local Sisseton Journal-Press by the time he was 14. In 1934, he interrupted his senior year of high school to enroll in the Civilian Conservation Corps (CCC) and went to work in the Black Hills area of South Dakota.

His education was not forgotten, though. Robbie had promised both his mother and himself that he would go back to school after CCC camp. He fulfilled that promise, graduating in 1935 and going on to college — the only one from his Depression-year class to do so.

Robbie entered Northern State Teachers College in Aberdeen, S.D., with nothing more than a small amount of financial aid from a debate scholarship.

The day after the Japanese attack on Pearl Harbor, Robbie volunteered as an enlisted man in the United States Navy. He rose through the ranks to become an officer and participated in five South Pacific theatre invasions. He received the Bronze Star for his service.

At war's end, Robbie returned to South Dakota to attend the University of South Dakota Law School, graduating with his juris doctorate in 1946.

Joe Robbie honors former Dolphin great Nat Moore and his family at halftime of last year's game with Washington. Robbie announced that an award, named after Moore, will be presented each year to a Dolphin player for his work in the community.

While attending South Dakota, he was elected student body president. Coupled with his election to the same position at Northern State a few years earlier, Robbie may hold the distinction of being the only person ever chosen student body president at two different schools. Both schools subsequently have conferred an honorary doctorate degree upon him, as have five other colleges and universities.

Robbie also has served his alma mater by being national fund-raising chairman for the Dakota Dome, a \$7.2-million arena at the University of South Dakota.

After being admitted to the South Dakota bar, Robbie started his law practice in Mitchell, S.D. Within two years time, he had been elected a representative to the South Dakota State Legislature, had served as State Democratic Chairman and was the candidate for governor on the Democratic ticket.

In 1951, his friend Hubert H. Humphrey encouraged Robbie to move his young family to Minneapolis. There, he was regional director of the Office of Price Stabilization for four states from 1952-53. He also became known as one of the best and most successful trial lawyers in the region.

Robbie would go on to combine politics with his law practice. He ran strongly against nationally-known and veteran Congressman Dr. Walter Judd in 1956 and 1958, despite the fact that Judd represented the solidly-Republican Fifth Congressional District.

Robbie received national recognition as chairman of the Minnesota Municipal Commission, which he presided over from 1959-65. He had drafted the bill, passed into law by the Minnesota Legislature, which created the commission. Other states subsequently have used that legislation as a model.

A devoted family man, Robbie remains close to his family despite the busy schedule he keeps. Wife, Elizabeth, is a Dolphins vice president, while three sons also hold positions with the team. Mike is responsible for the overall operation of the franchise as the team's executive vice-president and general manager, Tim oversees several departments as vice president of public affairs and Dan is director of sales and promotions for Joe Robbie Stadium. Daughter, Lynn, previously coordinated all interior decoration of the stadium's club level. Other Robbie children include sons Brian (who works on the Dolphins broadcast team of flagship station WIOD) and Kevin, and daughters Diane (Truly), Janet (Glode) and Deborah (Olson).

In the coming years, it will be common knowledge throughout the sports world that it was Joe Robbie who set the standard by building the first football stadium financed entirely with private funds, a feat pulled off against the greatest of odds.

And, because Joe Robbie will continue to meet the challenges of the day, who knows what more he might accomplish in the future.

DON SHULA HEAD COACH

"I'm just a guy who rolls up his sleeves and goes to work. I don't have peace of mind until I know I've given the game everything I can.

"The whole idea is to somehow get an edge. Sometimes it takes just a little extra something to get that edge, but you have to have it."

— DON SHULA

He has walked the sidelines for 25 years as one of professional football's most respected figures. But the fire and the desire to succeed still burn deeply in the heart of one of the game's greats.

His name is "Shula" and his job title is "coach." Yes, one could say that the two words are synonymous.

Don Shula moves into his 26th year as a head coach in the NFL in 1988 and his goal is the same as it has been in each of his seasons — to win it all.

"We're coming off two years where we've been a combined 16-15 and I'm not too happy about it," Shula says.

"We've got to improve and get back to being a good football team. We want to win again."

And Shula knows something about winning.

- Shula is pro football's winningest active coach with a 271-114-6 overall mark (.701 winning percentage)
- Shula is second only to the immortal George Halas (325) on the all-time NFL coaching win list
- Shula is the only coach to guide a team through an undefeated season (17-0 in 1972)
- Shula has appeared in more Super Bowls (six) than any coach
- Shula is the only coach to reach the Super Bowl three straight seasons (1971-73)
- Shula is the youngest coach to win 100 games
- Shula is the youngest coach to win 200 games
- Shula's career winning percentage (.701) is the best among the NFL's all-time top-10 coaches
- Shula owns the best regular-season winning percentage (.713) among all active NFL coaches
- Shula is the only coach to present two players for induction into the Pro Football Hall of Fame in the same year (Larry Csonka and Jim Langer, 1987)

Shula would measure a coach's success by yardsticks other than victories and championships, although he has miles of achievements in those ways. Of greater importance to pro football's most celebrated winner is something intangible. What matters most is one's integrity as a competitor.

"If I'm remembered for anything as a coach," Shula says, "I hope it's for playing within the rules. I also hope it will be said that my teams showed class and dignity in victory or defeat."

Shula has become to coaching what his unbeaten 1972 Miami Dolphins are to team accomplishment: the standard of excellence by which all others are measured.

But there is an intriguing footnote to the record Shula has carved in his 25 years of pacing the NFL sidelines. This statistic speaks volumes about his coaching ability and his style — the Dolphins have been the least-penalized team in the NFL during Shula's seasons in Miami.

Shula was voted Coach of the Decade for the 1970s by the Pro Football

Hall of Fame's 25-member selection committee, and his Dolphins have reached the playoffs five more times in the 1980s.

His "ultimate" achievement was the NFL's first unbeaten, untied record of 17-0 in 1972 in only the third season of Shula's transformation of the Dolphins from a struggling American Football League franchise to an NFL power. His incredible two-year record of 32-2, including Super Bowl conquests in 1972 and 1973, probably never will be surpassed.

Maybe because Shula never regarded an unbeaten season as impossible, the feat became a reality.

With teams in Baltimore and Miami, Shula has built six unbeaten streaks of 10 or more games, and no other coach has more than two 10-game streaks. His .691 winning mark in 18 seasons in Miami (198-88-2) parallels his .728 percent success in Baltimore (73-26-4) from 1963 to 1969.

The Dolphins have either won or shared first place in the AFC East 13 times in the 18 years under Shula, and have reached the playoffs 12 times. His Dolphins were almost invincible at the Orange Bowl with an 111-26-1 record (.808), including an NFL-record 31-game winning streak at home from 1971 to 1974. A remarkable 18 times in 25 seasons, Shula's teams have won at least 10 games.

Shula, 58, has made a mark on the game as an innovator of defensive complexities and situational substitutions, and he has a reputation as a great motivator. Certainly, other coaches can develop brilliant strategy and exhort their players to perform at peak. But Shula seems to surpass others in his skill as a teacher.

"The important thing is not what Don Shula knows or what any of my assistant coaches know," Shula says. "The important thing is that we can transmit to the people we're responsible for. They're going to be tested on Sunday afternoon, and the fact that we win on Sunday afternoon indicates that we're getting through to them. That's what coaching is — the ability to transmit information."

Twice with the Dolphins, in 1970 and 1977, Shula has deployed five

rookies in the starting defense and won 10 of 14 games each season. And for those exigencies brought on by injuries to his starting quarterback, Shula has more solutions. Backup quarterbacks for the Dolphins have a 27-7-1 record under Shula since 1970.

He cultivates a winning attitude in preseason success which reads 92-31-4 (.740), including 32-4-1 at Baltimore and 60-27-3 at Miami.

He had been the youngest head coach, 33, in NFL history when the Colts picked him in 1963 after Shula's three years as defensive coordinator of the Detroit Lions. In the old NFL, the Colts reached the title game in 1964 and 1968 after 12-2 and 13-1 campaigns, and the 1967 Colts posted an 11-1-2 record. Those three powerhouse teams averaged almost 30 points per game offensively.

Shula's resourcefulness is best documented in 1965 when injuries sidelined Colt quarterbacks John Unitas and Gary Cuozzo, and halfback Tom Matte wore the "playbook" on his wristband and directed a 20-17 upset at Los Angeles.

Shula transformed a 3-10-1 Dolphin team into a playoff qualifier his first season in Miami and laid the foundation for a perennial contender. In 1971, the Dolphins won their first of four consecutive AFC East titles, and on Christmas Day in Kansas City, the NFL's longest game (82 minutes, 40 seconds) ended with Garo Yepremian's winning 37-yard field goal in the second overtime. A week later, the Dolphins stymied the Unitas-led Colts 21-0 on the same Orange Bowl field where Baltimore had won Super Bowl V the previous January.

Dethroning the Colts launched the Dolphins to three consecutive AFC championships — a feat unequalled in either conference since the 1970 merger. But a disappointing 24-3 loss to the Dallas Cowboys in Super Bowl VI filled Shula and his players with greater drive, and in 1972 the Dolphins attracted headlines as the "Greatest Team Ever."

Shula had claimed 38-year-old Earl Morrall from the waiver list in April of 1972, recalling Morrall's leadership of the 1968 Colts. When quarterback Bob Griese suffered a broken ankle in the fifth game, Morrall took charge for 11 straight victories. The Dolphins rewrote the NFL rushing record (2,960 yards), and with a regular-season record of 105-30-5, Shula became the first NFL coach to win 100 games in his first decade. Later in his career, he was to accomplish the even more impressive feat of winning 200 games in his first 20 seasons as an NFL boss.

Surprisingly, the unbeaten Dolphins were three-point underdogs to the Washington Redskins in Super Bowl VII. Shula elected to go with a healthy Griese, and the Dolphins dominated the Redskins 14-7 for the coach's first NFL crown.

No less impressive were the 1973 Dolphins, losing only twice in 17 games. The Dolphins set a modern NFL record by allowing only 1,290 yards passing and only five touchdown passes, and they overwhelmed three playoff opponents, 85-33, including a 24-7 rout of the Minnesota Vikings in Super Bowl VIII.

Another three-game surge in the playoffs, this time a 76-26 blitz, earned the AFC Championship in the strike-shortened 1982 season and landed the Dolphins in Super Bowl XVII. Miami held a four-point lead in the fourth quarter before Washington broke a long touchdown run that sparked a 27-17 Redskin victory.

Donald Francis Shula was born January 4, 1930, in Grand River, Ohio, and was raised in Painesville, Ohio. He was a running back at John Carroll University in Cleveland, and in 1950 he gained 125 yards when the Blue Streaks upset Syracuse, 21-15.

Shula was the lone rookie on coach Paul Brown's defending NFL champion Cleveland Browns in 1951 (until Shula's college teammate Carl Taseff joined the Browns at mid-season). Shula and Taseff were involved in the largest trade in modern NFL history, a 15-player deal with Baltimore in 1953, and Shula played four seasons with the Colts (1953-56) and one season at Washington (1957) at right cornerback. He had 21 career interceptions for 247 yards in seven seasons.

Shula entered the coaching ranks with an assistant's job at Virginia (1958) and Kentucky (1959), and he joined the NFL's Detroit Lions in 1960 under coach George Wilson — a man he later replaced in Miami. The Lions posted a 26-13-1 record with Shula as the defensive coordinator.

In 1963, Shula succeeded Weeb Ewbank as head coach at Baltimore, and in the 25 seasons which have followed he has reached the NFL's championship game seven times with two victories.

Today, he takes an active role in NFL leadership, serving since 1975 on the select NFL Competition Committee which evaluates and recommends changes in playing rules.

Shula has given considerable time, plus financial and emotional support, to several area charities. The Don Shula Scholarship Foundation was created in 1978 and has awarded scholarships at several Florida colleges. He also funds scholarships in the sports administration program at St. Thomas University, the location of the Dolphins' training complex. Shula also has been active in the American Cancer Society, March of Dimes, American Red Cross, United Way and Catholic Charities.

A member of the Class of 1951 at John Carroll, Shula helps to sponsor an academic chair of studies in his name at his alma mater. The chair, funded at \$1 million through major private gifts added to Shula's own commitment, is in the University's Department of Philosophy.

In the last two years Shula has drawn rave reviews for his work as a studio analyst during the AFC playoffs for NBC's NFL Live. He also has provided color commentary on the Super Bowl each of the last two years for British TV. On Jan. 17, 1987, Shula and his Dolphin staff (including son David, the team's assistant head coach) coached the winning South squad in the Senior Bowl in Mobile, Ala. One of his quarterbacks in that game was son Mike, then a QB from the University of Alabama.

Shula especially values his family life and his Catholic faith. He and the former Dorothy Bartish have been married 30 years (7/19/58) and have raised five children — two boys and three girls.

Oldest son David, 28, and his wife Leslie have two sons, Danny and Christopher. David joined the Dolphin coaching staff late in the '82 season. He starred collegiately at Dartmouth, where he set all of the pass receiving records for the Big Green. After earning his degree in history, David played for a season with the Baltimore Colts.

Mike, a former all-state quarterback at Columbus High School in Miami, enjoyed an outstanding career as signal caller for the Crimson Tide of Alabama. Mike, who graduated with a degree in labor management, is an offensive assistant coach for Tampa Bay after a one-year playing career with the Bucs.

The Shula's oldest daughter, Donna, was married in 1984 to Joe Janach and they have two children, Alex and Lindsey. Another daughter, Sharon, graduated from the University of Miami and Florida State's College of Law and is now an attorney in Miami. Youngest daughter, Annie, graduated from St. Thomas University and is a teacher at Sabal Palm Elementary School in North Miami Beach.

In a relatively short time, Shula has become one of the brightest and most respected young coaches in professional football. Three years ago he added the responsibility of assistant head coach and has become more involved in the overall football operation. This past February he relinquished his duties concerning the team's receiving corps to new receivers coach Larry Seiple.

After three years as the Dolphins' receivers coach, Shula was given the added duties of working with Miami quarterbacks in 1985. He proved he takes after his famous father in two important characteristics — hard work and dedication.

Last year the Dolphins again enjoyed success through the air as Miami was first in the league in passing as a team for the second straight season, and Dan Marino was second in the AFC in the individual rankings. In addition, rookie Troy Stadford (13th) and Mark Clayton (17th) were among leaders in AFC receiving.

In 1983 (David's first full season), the results of his endeavors were very apparent. During the '82 off-season, Shula spent considerable time with wide receiver Mark Duper and incoming rookie quarterback Dan Marino. The results were that Duper, a seldom-used player in '82, emerged as the Dolphins' first-ever 1,000-yard receiver, and Marino emerged as perhaps the finest rookie QB in NFL history. In the '83 off-season, Shula redirected much of his energies toward another second-year receiver, Mark Clayton, while continuing to work with Duper and Marino. The results again were spectacular as Clayton set club records for receptions and yards with Duper close behind. Much of his energy this season will be directed toward the further development of James Pruitt and Scott Schwedes.

The 29-year-old Shula became a permanent member of the team's coaching staff in January, 1983, following a one month temporary assignment to replace Wally English. At the time of his hiring, Shula was a first-year law student, and thus had to decide whether to pursue a legal or a coaching career.

Shula spent one season (1981) as a return specialist/wide receiver for the Baltimore Colts. On Sept. 27, 1981, Shula met Shula as son David's Colt club competed against father Don's Dolphin team. Miami won in Baltimore, 31-28.

Shula was a two-time All-Ivy League selection at Dartmouth (1978-80) and holds all major Big Green receiving records, including most career catches (133) and most career receiving yardage (1,822). He started every game during his varsity career, and as a senior caught 52 passes (school record) for 758 yards. Born on May 28, 1959, in Lexington, Ky., David graduated from Dartmouth in 1981 with a B.A. in history. Shula was also a two-sport letterman at Hollywood's Chaminade High School.

David and his wife, Leslie (married 6/5/82), live in Miami Lakes with

their sons, Danny (10/9/83) and Christopher (2/5/86). The Shulas are expecting their third child this September. Shula has been involved in the "Say No to Drugs" program in the off-season.

TOM OLIVADOTTI

**Defense
College: Upsala
NFL: Fourth Season
Dolphins: Second Season
Born: September 22, 1945**

Tom Olivadotti begins his second season as the man responsible for the Dolphins' overall defense. Olivadotti came to the Dolphins after spending two seasons (1985-86) with the Cleveland Browns as an assistant.

In his first year with Miami, the number of big plays allowed by the Dolphins decreased dramatically. Miami was first in the AFC (and third in the NFL) in fewest yards allowed per completion (11.63). In 1986, the Dolphins had given up 13.19 yards per completion, 12th in the AFC and 22nd in the NFL.

The Long Branch, N.J., native made an impressive NFL coaching debut three years ago when he handled the Browns' outstanding linebacking corps. In 1986 he was in charge of Cleveland's defensive backs — one of the main reasons the Browns came within one game of the Super Bowl. Cleveland had the best record (12-4) in the AFC that season.

Olivadotti is familiar with Miami — he spent four seasons as a defensive coach at the University of Miami, serving the last three years as defensive coordinator. The Hurricanes captured the national championship in Olivadotti's last season (1983). He then followed head coach Howard Schnellenberger (a former Dolphin assistant) to Louisville with the understanding that he could leave if a pro coaching job arose, which it did with the Browns.

Olivadotti played defensive back and receiver in four years as a starter at Upsala College in East Orange, N.J., and also participated in baseball and track. While coaching at New Jersey high schools Pope Pius (1967-68), Long Branch (1968-71) and Red Bank Catholic (1971-72), he also played semi-pro ball for five seasons.

He then moved on to Salesianum Prep School in Wilmington, Del., as head coach (1972-75) before moving up to the college ranks beginning at Princeton (1975-77) as tutor for linebackers and the offensive line. Later (1978-79) he coached linebackers at Boston College and also organized the entire defense.

Olivadotti, who has a business degree, resides in Cooper City with his wife, Karen (married 6/15/68), and their two children, Kari Anne 9/30/70) and Kirk (1/1/74).

DOLPHIN FACT

Heading into 1988, Miami has not been shut out at home since Oct. 25, 1970, against the Cleveland Browns (28-0), the second-longest such streak in the AFC. Denver has never been whitewashed in Mile High Stadium since the team began play in the AFL in 1960.

MEL PHILLIPS

Defensive Backs
College: North Carolina A&T
NFL: Ninth Season
Dolphins: Fourth Season
Born: January 6, 1942

Mel Phillips moves into his fourth season as defensive backs coach for the Dolphins. Three years ago, in only his first season with Miami, Phillips saw his DBs tie for third place in the AFC in interceptions. A rash of injuries hurt the Miami secondary in '86 but Phillips has high hopes for the '88 campaign.

Before coming to Miami, the 46-year-old Phillips previously held the same position for five seasons with the Detroit Lions (1980-84).

Known for his outstanding rapport with his players, Phillips coached in Detroit under then-head coach (and former Dolphin assistant) Monte Clark. With Miami, Phillips works with a defensive backfield rich in experience that features quality veterans like Don McNeal, William Judson, Glenn Blackwood, Paul Lankford and Bud Brown. He also has some outstanding young talent in Reyna Thompson, Mike Smith, Jarvis Williams and Rodney Thomas.

Phillips, a native of Shelby, N.C., played 12 seasons for the San Francisco 49ers (1966-77), including eight as a starter at strong safety. A tenacious hitter during his playing days, his career statistics include 10 interceptions for 106 return yards (35-yard TD in 1970). Phillips twice won the 49ers' Len Eshmont Award, symbolic of the team's most valuable player. Following his retirement from the 49ers, Phillips worked for the city of San Francisco's juvenile probation department until joining the Lions.

Collegiately, Phillips attended North Carolina A&T, where he played both ways as a defensive back and a running back. As a senior, Phillips rushed for 648 yards on 100 carries for 11 touchdowns, and also caught 19 passes for 277 yards and four scores. That season (1965), A&T won the conference championship and Phillips intercepted two passes and rushed for two TDs in the title game. Phillips also lettered for the swimming and track teams at A&T.

Mel and his wife, Patricia (married 1/23/65), live in Miami Lakes with their daughters, Paulette (6/4/67) and Yvette (5/9/73). He was born on Jan. 6, 1942, in Shelby, N.C.

JOHN SANDUSKY

Offense, Offensive Line
College: Villanova
NFL: 30th Season
Dolphins: 13th Season
Born: December 28, 1925

Like many of the men who played for him, John Sandusky is

24

regarded as "one of the best in the business." Sandusky — and his offensive line — just keeps getting better. A veteran of three decades of NFL coaching (he begins his 30th campaign in '88), Sandusky starts his 13th year with the Dolphins looking for continued success. In 1987, the Dolphin offensive line allowed the fewest QB sacks (13) in the NFL for the sixth straight season.

Under Sandusky's guidance the Dolphin offensive line has rewritten the NFL record book. In 1987 Miami increased its league-record string of consecutive seasons leading the NFL in fewest QB sacks to six (1982-87). The Dolphins also hold the record for most seasons leading the league in fewest sacks — seven. Miami also led the NFL in passing in 1987.

Despite his assistant coaching title, he is also quite knowledgeable about defense, having spent seven of his 30 seasons coaching the other side of the line of scrimmage. In four of the past five campaigns, eight Dolphin offensive linemen have been singled out for some type of post-season honors.

The 62-year-old Sandusky joined the Dolphins in 1976 after spending three seasons (1973-75) as an assistant coach for the Philadelphia Eagles. Prior to that, he was a coach for the Baltimore Colts from 1959-72, including the 1963-69 seasons under then-Colt head coach Don Shula. When Shula moved to Miami in 1970, he attempted, but was unable, to bring Sandusky with him. Sandusky was on the Colt staff for their two Super Bowl appearances in games III and V.

When Don McCafferty was fired as Baltimore's head coach after winning only one of the first five games in 1972, Sandusky became the Colt boss and led his charges to four victories in their final nine games. Two of Sandusky's losses that season were to Shula's undefeated Dolphin team.

Sandusky was an All-America tackle at Villanova University (1946-49) before joining the NFL's Cleveland Browns in 1950. He played both offensive and defensive tackle in six seasons in Cleveland as the Browns made it to the NFL title game in all six of those campaigns (three wins). Sandusky then played one year (1956) with the Green Bay Packers before beginning his coaching career at Villanova (1957-58).

Sandusky has the unique distinction of having served in four different capacities in the now-defunct College All-Star game in Chicago. He played (1950) and coached (1958) for the All-Stars, and also played (1951, 1955) and coached (1969, 1971) for the NFL championship team that annually opposed the collegians.

John remarried on 6/6/87 to the former Shirley Petti and the couple resides in Hollywood with her three children (Georgina, Jason and Jennifer). John has two sons (Jack and James) living in Baltimore, and a daughter (Ruth) who resides in Silver Spring, Md. Another son, Gerry, covers the Dolphins as a sportscaster for WSVN-TV in Miami. Another son, Joe, died in '78 of complications from pneumonia while a sophomore at Tulsa University. John was married to his first wife, Ruth, for 34 years before her death in December, 1985. John has four grandchildren.

LARRY SEIPLE

Receivers
College: Kentucky
NFL: Eighth Season
Dolphins: First Season
Born: February 14, 1945

The newcomer to the Miami Dolphins' coaching staff is an old familiar face — former Dolphin Larry Seiple. Seiple, who spent 11

25

seasons with Miami as a player, returns "home" in a new role as receivers coach.

Seiple joined the Dolphin staff in late February after spending a year as a sales representative for a manufacturing company in the automotive industry in Birmingham, Mch.

The Allentown, Pa., native brings seven years experience as an NFL receivers coach to Miami. He previously served as receivers coach with the Detroit Lions (1980-84), working under former Dolphins' assistant Monte Clark. He then moved on to Tampa Bay, where he was receivers coach from 1985-86. While in Detroit, Seiple was on a staff that also included current Miami defensive backs coach Mel Phillips.

The 43-year-old Seiple began his coaching career at the University of Miami under another former Dolphin assistant, Howard Schnellenberger. Seiple was with the Hurricanes during the '78 and '79 seasons.

Seiple's playing career with the Dolphins spanned 11 seasons (1967-77) after he made the team as a seventh-round draft choice out of Kentucky. He played in 149 regular-season games for Miami (eighth-most in team history) as a punter, tight end, wide receiver and running back. Seiple finished his career with 72 receptions for 935 yards (13.0 average) and seven touchdowns. His best season came in 1969 when he led the Dolphins in receiving with 41 catches for 577 yards (14.1 average) and five TDs. He also had 16 carries for 159 yards in his career.

Seiple still holds the Dolphins' record for most career punts (633), and his career punting average (40.0 yards) is second only to the 43.7-yard average of current punter Reggie Roby. Seiple's most memorable exploit as a Dolphin came against Pittsburgh in the 1972 AFC Championship game when his daring 37-yard run on fourth down from punt formation set up Miami's first touchdown in a 21-17 victory.

He and his wife, Trudy (married 6/4/66), live in Miami Lakes and have three children, Keri Lynn (6/10/67), Larry (7/10/69) and Lori Ann (11/26/71).

DAN SEKANOVICH

Defensive Line
College: Tennessee
NFL: 12th Season
Dolphins: Third Season
Born: July 27, 1933

Dan Sekanovich, a veteran of more than a decade of NFL coaching, begins his third season as a member of the Miami Dolphins staff. The 55-year-old Sekanovich is in charge of the Dolphin defensive line. He spent three seasons (1983-85) as the assistant head coach/defensive line mentor of the Atlanta Falcons before coming to Miami. While with Atlanta he helped develop two top young linemen in Rick Bryan and Mike Gann. With the Dolphins, he will be working with young prospects like T.J. Turner, Brian Sochia, John Bosa and Eric Kumerow.

Prior to his Atlanta post, Sekanovich developed one of the NFL's most feared defensive units, "The New York Sack Exchange," while defensive line coach for the New York Jets from 1977-82. In 1981, the Sack Exchange led the NFL in sacks with the defensive line getting 59 of 66.

Before joining the Jets, the West Hazleton, Pa., native enjoyed his first professional coaching experience when he served on Marv Levy's staff (now head coach of the Buffalo Bills) for the Montreal Alouettes

of the Canadian Football League from 1973-76. Montreal captured the Grey Cup title in 1974 as Sekanovich coached both the offensive and defensive lines.

His collegiate coaching stops included: Kentucky (1971-72), Navy (1969-70), Pittsburgh (1968), Connecticut (1964-67) and Susquehanna (1961-63).

Sekanovich enjoyed a fine playing career (1951-53) at Tennessee under General Bob Neyland, where he played as a defensive end.

Dan and his wife, DeLores (married 11/27/65), have a son, Dan, Jr. (11/23/66), a senior at Wake Forest, and a daughter, Catherine (11/28/68), a sophomore at the University of Miami. They reside in Cooper City.

CHUCK STUDLEY

Linebackers
College: Illinois
NFL: 20th Season
Dolphins: Fifth Season
Born: January 17, 1929

Chuck Studley, a veteran of two decades of NFL coaching, moves into his second season as Miami's linebacker coach. For the previous three years (1984-86) Studley was in charge of the Dolphins' overall defense.

The Dolphin defense has had a proud tradition of linebackers with men named Buoniconti, Matheson and Duhe. Studley hopes to continue that trend with veterans like Hugh Green, Bob Brudzinski, Mark Brown and Jackie Shipp and young standouts like John Offerdahl, Rick Graf and Eric Kumerow. In 1986, Offerdahl became the first Dolphin LB named as a starter in the Pro Bowl. He was named to the Pro Bowl again in 1987.

Studley, who joined the Dolphins on Dec. 27, 1983, had begun the '83 season as the defensive coordinator for the Houston Oilers. Following the team's 0-6 start, head coach Ed Biles resigned on Oct. 10, with Studley being tabbed as interim head coach. He took over the undermanned Oilers, guiding them to upsets over Detroit and Cleveland, and nearly one over Miami. Studley's Oilers led Shula's Dolphins in the fourth quarter of their Dec. 4 AstroDome encounter before the visitors finally prevailed, 24-17.

Prior to his service in Houston, Studley spent the 1979-82 seasons as the defensive coordinator for the San Francisco 49ers. The '81 49er squad went all the way, capturing Super Bowl XVI with a victory over the Cincinnati Bengals. Before heading to California, Studley had been a Bengal assistant for 10 seasons (1969-78).

Studley, born in Maywood, Ill., was an All-America guard at the University of Illinois (1949-51), captaining its undefeated 1951 team that went to the Rose Bowl. He began his coaching career at Alton (Ill.) High School (1952-54) before returning to his alma mater to coach the Fighting Illini (1955-59). As a head coach, he led the University of Massachusetts to a Yankee Conference championship in 1960, then spent six years at the helm of the University of Cincinnati, helping the Bearcats to a pair of Missouri Valley titles.

Chuck and his wife, Peggy (married 6/24/50), live in Miami Lakes. They have six children (Carole, Doug, Susan, David, Mike and Steve) and seven grandchildren.

CARL TASEFF

Offensive Backs

College: John Carroll
NFL: 22nd Season
Dolphins: 19th Season
Born: September 28, 1928

When Don Shula arrived in Miami in 1970, so too did Carl Taseff. Taseff and Shula's relationship dates back to their college days when they played in the same backfield together for coach Herb Eisele's John Carroll squad in Cleveland. They were also roommates in the NFL while both played for Cleveland (1951-52) and Baltimore (1953-56).

Taseff has coached the Dolphin offensive backs since coming to South Florida, and he's done it with great success. In fact, in the eight-year span from 1970-77, Taseff's backs ranked fifth or higher in NFL rushing on seven occasions. More importantly, Taseff has been able to change with the times. During the 1970s, the Dolphins employed a grind-it-out style that featured powerful fullback Larry Csonka. Since Dan Marino's emergence as Miami's air-oriented quarterback, Taseff's charges have become more a part of the passing game (ie. Lorenzo Hampton was second on the team in receptions in '86 and Troy Stradford led the team in '87). Stradford, a rookie last year, was 10th in the conference in rushing and 13th in the AFC in receiving. He earned numerous rookie-of-the-year awards.

Taseff came to Miami after spending two years working for the CEPO scouting combine (1968-69). Prior to that, he had coaching stints with the AFL's Boston Patriots (1964) and the NFL's Detroit Lions (1965-66).

As a player, Taseff was a star running back at John Carroll University, scoring 22 touchdowns in 1950. He began his pro career in 1951 with his hometown Cleveland Browns before beginning a nine-year term (1953-61) with the Baltimore Colts. A cornerback for the Colts, Taseff set a team record with a 90-yard punt return for a touchdown against Green Bay (10/14/56). He holds an NFL record with a 99-yard return of a Walt Michaels field goal attempt against the Rams (12/12/59).

After the Colts, Taseff played the latter part of the '61 season for Philadelphia before winding up his playing career with Buffalo in 1962. Overall, Taseff's career stats show 112 punt returns for 826 yards and no fumbles.

Carl and his wife, Lucy (married 11/18/78), live in Miami. He has two daughters, Cynthia Sue and Susan (both married), by a previous marriage. He also has three grandchildren.

DOLPHIN FACT

Despite having 92 players appear in the Pro Bowl since 1970, the Dolphins have never had a tight end or cornerback play in the post-season all-star contest. Offensive guard is the position which Miami has been represented at most often (16 times, led by Bob Kuechenberg's six appearances). Surprisingly, despite the high number of appearances by the rest of the offensive line (also, 12 by centers), Dolphin offensive tackles have played in the Pro Bowl on only three occasions (Norm Evans twice, Wayne Moore once).

JUNIOR WADE

Strength and Conditioning

College: South Carolina State
NFL: 14th Season
Dolphins: 14th Season
Born: February 2, 1947

One of the key figures in the Dolphin program is veteran strength and conditioning coach Junior Wade.

In his sixth season as the Dolphins' strength and conditioning coach, Wade also administers the team's successful off-season conditioning program and assists with the Miami special teams. Previously, Wade had served eight years as the club's assistant trainer. The promotion to assistant coaching status was a well-deserved reward for the affable Wade. As a trainer, he long had held the respect of the Dolphin players for his knowledge and his willingness to boost player morale by putting himself through the same rigorous rehabilitation as that prescribed for injured Dolphins.

Appointed to his present position on Feb. 15, 1983, Wade first joined the Dolphins as training camp assistant for the 1973-74 preseasons. He was hired by the Dolphins on a full-time basis in time for the 1975 campaign. Wade's past job experience includes having worked as an athletic trainer and guidance counselor at Fayetteville State and as the trainer for the St. Louis Cardinals' baseball farm team in Orangeburg, S.C.

Wade was also the head baseball coach and assistant trainer at Davidson College. In 1975, he led the Wildcats to a 21-15 record, the best mark the school had ever posted. A three-year letterman himself at South Carolina State, Wade also earned his master's degree in education. Following his graduation from SCSU in 1969, he worked as head trainer at the school for three years.

Junior, a native of Bath, S.C., lives in Miami with his wife, Constance (married 12/13/70), and sons Aaron (2/25/72) and Jason (2/24/80).

MIKE WESTHOFF

Special Teams, Tight Ends

College: Wichita State
NFL: Sixth Season
Dolphins: Third Season
Born: January 10, 1948

Mike Westhoff begins his third year as a member of the Dolphins' coaching staff concentrating on special teams and tight ends.

Westhoff came to Miami after spending a year in the United States Football League with the Arizona Outlaws, where he was the offensive line coach for Frank Kush.

Before his one-year stint in the USFL, Westhoff spent three seasons under Kush with the Baltimore/Indianapolis Colts (1982-84). While with the Colts, his responsibilities included tight ends, special teams and weight training.

The 40-year-old Westhoff began his collegiate playing career at Wyoming in 1965, where he was a starting outside linebacker as a freshman. He then transferred to Wichita State, where he was a three-year starter at linebacker and center. He graduated from Wichita State in 1970 with a degree in history. He was the team's MVP as a junior and served as captain during his senior campaign.

Westhoff started his collegiate coaching career as a graduate assistant at Indiana University, where he earned a master's degree in educational psychology in 1974. He was named as a full-time coach at IU in '75 before becoming offensive line coach at Dayton in 1976. Westhoff then took over as coach of the defensive line and linebackers at Indiana State in 1977. He then coached at Northwestern (1978-80) and Texas Christian (1981), working with the offensive line.

Born in Pittsburgh, he was raised in Bethel Park, Pa. Mike and his wife, Marilyn (married 1/25/70), reside in Fort Lauderdale with their son John Thomas (4/27/81).

FOOTBALL STAFF

CHARLEY WINNER

**Director of Pro Personnel,
Administrative Assistant**
College: Washington (Mo.)
NFL: 34th Season
Dolphins: Eighth Season
Born: July 2, 1925

A veteran of 34 NFL coaching and front-office seasons, Charley Winner serves the Miami Dolphins as director of pro personnel and as an administrative assistant to Don Shula.

Four years ago, Winner was given the responsibility of negotiating most player contracts. That duty goes along with Winner's other tasks that include scouting upcoming Dolphin opponents, searching for free agent talent and handling waiver and trade transactions.

Winner joined the Dolphins in 1981 after working one year for a cable television company. Prior to that, he enjoyed a distinguished coaching career which began in 1948 as an assistant under future father-in-law Weeb Ewbank at his alma mater, Washington University in St. Louis. He moved to Case Tech in 1950 under head coach Lou Saban, remaining there for four seasons. In 1954, Winner began his professional coaching career at Baltimore, again with Ewbank at the helm. From 1954-65, he coached Colt ends, defensive backs, linebackers and served as defensive coordinator. During his Baltimore stint, he coached a defensive back named Don Shula, later serving on Shula's staff when he became the Colt boss.

In 1966, Winner accepted the head coaching position of the St. Louis Cardinals, a post he held for five seasons. His teams had a 35-30-5 record, including an outstanding 9-4-1 mark in 1968. From 1971-72, Winner coached defensive backs for George Allen's Washington Redskins, whose '72 squad lost to the Dolphins in the Super Bowl. He was again reunited in 1973 with Ewbank, this time as an assistant for the New York Jets. Winner took over as Jet head coach the following year, posting a 9-14 slate in two seasons. He then

coached Cincinnati's defensive backfield from 1976-79. Under Winner's guidance, Bengal DBs had conference rankings of first (1976) and second (1978) during his tenure there.

A native of Somerville, N.J., Winner attended Southeast Missouri College for one year before being drafted into the service in 1942. A radio operator and gunner in the Air Force, he flew 17 missions over Germany, and once spent six weeks in a German POW camp. Following the war, he completed his education at Washington University, earning letters in football and track.

Charley and his wife, Nancy (married 6/23/50), live in Plantation. They have two daughters, Cinda and Lisa, and six grandchildren.

CHUCK CONNOR

Director of Player Personnel
College: Cincinnati
NFL: 11th Season
Dolphins: 11th Season
Born: July 7, 1937

The man responsible for the scouting of college players and the Dolphins' preparation for the NFL draft is Chuck Connor. A veteran of a decade of service, Connor serves as director of player personnel for Miami and quietly has become one of the top men at his position in the league.

Preparing for the annual draft is Connor's primary concern, and he has done that well during his Dolphin tenure, boasting 37 players from his first 10 drafts, including 19 in the last three, who remain on the team's roster heading into the 1988 preseason.

Three years ago, faced with no first-round selection and only the 24th pick (52nd overall) in the second round, Connor and his staff came up with a then-unknown linebacker from Western Michigan, John Offerdahl. At season's end Offerdahl was NFL Rookie of the Year. In 1986, five rookies made the squad and four started on defense at season's end.

Last season Connor and Co. pulled off another successful draft as nine of Miami's 13 selections made the '87 squad. John Bosa and Rick Graf were starters on defense, while standout RB Troy Stradford won numerous rookie-of-the-year awards after being chosen in the fourth round.

The McKees Rocks, Pa., native joined the Dolphins in February, 1978, after spending the previous three years scouting for BLESTO, one of the NFL's two scouting combines. In his last year with BLESTO, Connor had been promoted from area to regional scout, responsible for a nine-state area in the southeastern United States.

Connor began his career as a coach on the high school level, spending 15 years (1960-74) at Montour High near Pittsburgh. Eight of those seasons were spent as a head coach, with his 1967 squad going undefeated. In '74, he continued as a teacher at Montour while becoming the defensive backfield coach at Carnegie-Mellon University. While at Montour, Connor had begun evaluating players from film for the Pittsburgh Steelers, which eventually led to his BLESTO position.

Chuck and his wife, Dorothy (married 6/27/59), live in Stone Mountain, Ga. They have four children, Chuck (4/23/60), Mike (1/16/65), Karen (6/20/66) and Scott (7/29/76).

MILT DAVIS

College Scout
College: UCLA
NFL: 22nd Season
Dolphins: 11th Season
Born: May 31, 1929

The veteran of the Miami Dolphins' collegiate scouting corps is Milt Davis, who since 1978 has been responsible for the western region. In addition to his scouting duties, Davis, who has over two decades of experience in the NFL, also assists the coaching staff during mini-camp and portions of summer training camp. He retired in June of 1987 after 28 years as a counselor and biology professor at Los Angeles City College.

Davis began his scouting career in 1967 with the Baltimore Colts, continuing in that capacity until 1976. He spent the '77 season "beating the bushes" for the Los Angeles Rams before joining the Dolphins.

In four seasons as a Colt defensive back (1957-60), Davis twice tied for the NFL lead in interceptions and was an All-Pro selection in 1957. In his rookie season, Davis picked off 10 of his 27 career interceptions. He was a member of the Colts' 1958 and '59 teams that defeated the New York Giants for the league championship.

Richly educated, Davis received his undergraduate degree, a master's degree in zoology (he's an avid bird-watcher) and a doctorate in administrative education from UCLA.

Milt and his wife, Yvonne (married 1/18/58), live in Los Angeles. They have three children, Allison (2/19/59) and twins Brian and Hilary (5/21/62), and a grandson, Chance (4/3/84).

MIKE CARTWRIGHT

College Scout
College: Wyoming
NFL: 10th Season
Dolphins: Sixth Season
Born: February 12, 1946

The responsibilities of scouting the midwestern states fall on the shoulders of the capable Mike Cartwright. In his sixth Dolphin season, Cartwright came to the Miami organization from the BLESTO scouting combine. He worked for BLESTO from 1979-82, first as an area scout before being promoted to regional scout.

Cartwright's initial scouting position was with the San Francisco 49ers, working for Pro-Line. Prior to that, he was head coach and athletic director at St. Mary's School in Cheyenne, Wyo., for three years before serving the same tenure as head football coach at Cheyenne East High. Also a former teacher, Cartwright earned a B.S.

in physical education and biological science from the University of Wyoming in 1970.

Prior to joining BLESTO, Colbert was the backfield coach and recruiting coordinator at Ohio Wesleyan for three years (1981-83). In '84 he aided Wesleyan as its head baseball coach.

From 1979 to '81, he served as a graduate assistant basketball coach and head baseball coach at Robert Morris College, where he pursued a master's degree in sports management. Before attending grad school, Colbert spent three months as an intern in the ticket office of the NBA's Detroit Pistons.

BOB LUNDY

Head Trainer
College: Boston University
NFL: 24th Season
Dolphins: 22nd Season
Born: March 28, 1936

For over two decades, the job of taking care of the Dolphin players' daily assortment of major and minor injuries has belonged to head trainer Bob Lundy. One of the most respected trainers in the NFL, Lundy is responsible for the day-to-day treatment of injured Dolphins in coordination with team physicians. In conjunction with assistant

coach Junior Wade, Lundy also oversees the team's off-season conditioning program.

Lundy keeps abreast of the latest advances in training technology through his regular attendance at NATA conventions. Perhaps his highest honor came in 1974 when Dolphin players awarded Lundy the game ball following Miami's fourth consecutive AFC Eastern Division title. One of his greatest personal highlights was when former Dolphin great Larry Csonka thanked Bob in his Hall of Fame induction speech in Canton, Ohio.

Lundy joined the Dolphins for their inaugural 1966 season under then-head coach George Wilson, and has been with the club for all but one of its campaigns (he sold real estate in 1973). When Don Shula took over as head coach in 1970, Lundy was retained and he has been manning the training room ever since.

A native of Wollaston, Mass., Lundy is a 1958 graduate of Boston University. While a graduate student at Indiana University, he served as the Hoosiers' assistant trainer before becoming the head trainer at Detroit University (1960-63). Lundy's first professional job came in 1964 when he served two seasons as the Detroit Lions' assistant trainer.

In May of 1986, Lundy was honored by the National Athletic Trainers Association with a "Twenty-Five Year Award," which is the most prestigious award in the training profession.

In the off-season, Lundy serves as host in a series of talks on corporate fitness, speaking to such corporations as Storer Cable and Southeast Bank.

Bob lives in Miami and has three sons, Bob, Jr. (3/30/63), Billy (6/30/66) and David (1/30/70).

BILL DAVIS

Assistant Trainer
College: Davidson
NFL: Sixth Season
Dolphins: Sixth Season
Born: April 8, 1954

In his sixth season as the Dolphins' assistant trainer is 34-year-old Bill Davis. Davis assists head trainer Bob Lundy with injury treatment and rehabilitation of Dolphin players. He has been a full-time member of the Dolphin staff since May, 1983, after spending five preseasons (1975-79) as a summer training camp assistant to Lundy.

Davis spent two weeks last March as a trainer at the Lipton International Tennis Championships on Key Biscayne.

Davis initially got involved in athletic training while he was a student at Davidson College. He aided current Dolphin assistant coach Junior Wade while Wade was baseball coach and assistant trainer for the Wildcats. While at Davidson, Davis and Wade worked under current NBA Charlotte Hornets' trainer Tom Couch. Davis received his B.A. degree from Davidson in 1976, and earned his NATA certification the following year.

In 1978, Davis got his master's degree in health and physical education from Tennessee Tech. The following fall, he was named athletic trainer for men at the University of Tennessee-Martin, a position he held until accepting his current post.

Bill and his wife, Linda (married 7/7/84), live in Cooper City with their four children - Kim, Bradley, Chas and Brook.

BOB MONICA

Equipment Manager
College: St. Thomas
NFL: Eighth Season
Dolphins: Eighth Season
Born: May 6, 1957

Bob Monica begins his fourth year as Dolphin equipment manager after four seasons as assistant equipment manager. Monica, a visible and popular figure around the Dolphins' training camp, is responsible for issuing and ordering all playing equipment for the team.

The 31-year-old Monica earned a B.S. in sports administration from Miami's St. Thomas University. He transferred to St. Thomas from Furman University in Greenville, S.C., where he had been attending college on a football scholarship. A native of Madison, N.J., Monica captained Madison High School's 1976 football state champions. In addition, he was New Jersey state wrestling champion in the 188 lb. division (1976). In 1975, Monica traveled with the USA Junior Olympic Wrestling team to Germany and Bulgaria.

Prior to joining the Dolphins, Monica was a production manager for Electric Factory Concerts in Philadelphia. This past year (4/23/88), he married the former Donna Beets. The couple resides in Pembroke Pines. One of Bob's personal highlights came when he appeared as a bartender in the Jan. 10, 1986, episode of "Miami Vice."

BILLY HERMAN

Equipment Assistant
College: Florida International
NFL: Eighth Season
Dolphins: Eighth Season
Born: March 29, 1962

Billy Herman enters his fourth season as equipment assistant for the Dolphins after serving four years as an equipment aide. He assists equipment manager Bob Monica in issuing and ordering team equipment.

Last year Herman worked in the press room at Super Bowl XXII in San Diego as a public relations assistant. He also teamed with Dolphin All-Pro receiver Mark Duper to promote a testimonial dinner in December of 1987 honoring former Dolphin great Nat Moore.

A native of Miami, the 26-year-old Herman attended North Miami Beach High School, graduating in 1980. He attended Broward Community College for two years before receiving his B.S. in communications from Florida International University in 1985.

Herman, who also has written a feature story for the Dolphins which was published in GameDay magazine, is single and resides in Miami Lakes. Herman is an avid golfer and plays in many charity events.

JOE ROBBIE STADIUM

The critics said it never could be done. But reality shows that the dream has come true.

The Miami Dolphins enter their second season of play in the new 74,930-seat Joe Robbie Stadium in 1988. Built at a cost of \$115 million, the state-of-the-art, open-air facility was the first of its kind to be constructed entirely with private funds.

After a highly successful opening year, much more is in store in the future. The National Football League's premier game, Super Bowl XXIII, comes to JRS on Jan. 22, 1989. The event will mark the Super Bowl's return to South Florida after a 10-year absence, and it's obvious the main reason for the return is JRS itself.

Built with world-class soccer in mind, JRS undoubtedly will be one of the primary sites chosen in the next year or two to play host to matches when the 1994 World Cup comes to the United States. "I have been to 98 countries and seen many stadiums, but this is the best," said Colombian Soccer Federation President Leon Londono, a member of the FIFA committee which will designate sites, after touring the facility last spring. "I have told (FIFA president) Dr. Joao Havelange about this stadium."

In its first 12 months of operation, Joe Robbie Stadium displayed its versatility by playing host to a wide variety of events other than Dolphin games. The Marlboro Soccer Cup of Miami and a concert featuring Rod Stewart, Hall and Oates and Chicago were just two events that the people of South Florida could attend at JRS.

Major league baseball also came to the stadium in the form of two exhibition contests on March 11-12. The first night, the L.A. Dodgers defeated the Baltimore Orioles, 10-8, in front of 24,247, the largest crowd ever to see a major-league game in the state of Florida. In the second game, the Montreal Expos beat the Orioles by a 9-3 score with 17,830 in attendance.

Both baseball games were played with a temporary 30-foot wall as the left field fence to compensate for a distance of 272 feet down the foul line. But should South Florida ever acquire a major-league team, the permanent seats on the stadium's north side would be replaced by retractable seating at a cost of several million dollars. The conversion, which can be accomplished in a matter of months, would give JRS an estimated capacity of 50,000, as well as a left field line measuring about 345 feet.

Dodgers manager Tommy Lasorda had nothing but good things to say about Joe Robbie Stadium's capability to serve as a baseball facility after watching his team play there in March. "You get those left field seats moved back and you're going to have a very beautiful place to play baseball," Lasorda said. "It's got the potential to be a heckuva baseball stadium. Joe Robbie did a great job on this place. If you can't enjoy this, you can't enjoy anything."

The stadium's namesake, Dolphins owner Joe Robbie, even states that his stadium will be the home to baseball on a full-time basis within the next several years. "I predict we will have a major-league team playing in this stadium as early as 1991 or 1992," says Robbie. "The two exhibition games played here last March will be marked as the time that really began the drive for major-league baseball in Miami. We're going to get it the first way we can, whether we purchase an expansion team or someone moves a team here."

Located one mile south of the Dade-Broward county line, Joe Robbie Stadium sits on a 160-acre site. It is 16 miles northwest of downtown Miami and 14 miles north of the Orange Bowl, the Dolphins' former home.

The first football game in Joe Robbie Stadium featured Miami against Chicago in a preseason battle won by the Bears, 10-3, on Aug. 16, 1987 (the 22nd anniversary of the Dolphin franchise). Plans for the stadium first were announced on March 5, 1984. Clearing of the stadium site began on July 22, 1985, and groundbreaking ceremonies were held on Dec. 1, 1985 - just 20½ months prior to the first game.

Financing for the stadium is based largely upon the leasing of executive suites and club seats on 10-year leases. Executive suites, which seat 10, 12 or 16 people per box, range in price from \$29,000-\$65,000 per year. Each executive suite is fully furnished, including air-conditioning, carpeting, refrigerator, icemaker, lockable liquor cabinet, lounge furniture, two TV monitors and optional telephone hookup and catered food and beverage service. A suiteholder also receives two free parking spaces as well as four guest passes.

Club seats, which are priced from \$600-\$1,400 per year on a 10-year lease, are 21" wide (two inches wider than other seats in the stadium) with chairback and armrest. Club seats, whose patrons are kept cool by overhead vents which blow cold air down on them, are the only grandstand-style seating in the stadium underneath the overhang of the upper deck. Club seat holders also are guaranteed a parking space.

Only executive suite and club seat lessees have access to the air-conditioned stadium club, located behind the suites. The stadium club, which features a better food and beverage service than that found at concession stands, runs around the entire stadium. Holders of executive suites and club seats, who have the option to renew their lease over the life of the stadium, also have the right of first refusal on their seats for all other events in the stadium except the Super Bowl.

General seating in Joe Robbie Stadium is a 19" chairback seat with armrest, which compares favorably with the 17" bench seat of the Orange Bowl. Each seat offers an excellent view of the playing field as there are no obstructed seats in the stadium.

The stadium is easily accessible by the fan. Eight 25' wide ramps (two per corner) lead up to the upper deck. Also located on each corner are two escalators, one rising to the upper deck, the other to the club level. Executive suite holders also may access their seats by any one of four designated elevators.

There are a total of 14,970 parking spaces for cars and 254 for buses in the 140-acre on-site lot. There also is a helipad.

Comfort and convenience for the fan is the byword at Joe Robbie Stadium. In the general seating areas (100, 400 levels), there are 40 concession stands (each with a TV monitor so as not to miss a minute of the action). Throughout the stadium, there are a total of 80 restrooms (40 men, 40 women). For added enjoyment of the game, two giant scoreboards each equipped with a color Sony JumboTRON video screen are located on the ends of the stadium.

The playing field is Prescription Athletic Turf (natural grass). Its drainage capacity is such that there would be a firm playing surface within 30 minutes of a 1" per hour rain.

Field lighting is 150-plus foot candles. The field lights also have the added feature of instant restrike capability. This means that the lights will go right back on after a power failure because they do not need a 20-30 minute warmup period as with some stadium lights.

Originally named Dolphin Stadium, the facility was renamed by the Robbie children on April 30, 1987, for the man who had been the driving force behind its construction. "We have seen our father lay

JRS has played host to numerous soccer events.

everything he owns and everything he has accomplished on the line to build the stadium, putting himself in a real bind," said Tim Robbie, designated spokesman for the family. "If he had flunked the marketing test or the private financing test, the project would have been Joe Robbie's folly. So why not 'Joe Robbie Stadium?' Stadiums have been named in other places after people who have done a lot less to deserve it."

Indeed they have.

1987 GAME-BY-GAME SUMMARIES

GAME 1

NEW ENGLAND 28, DOLPHINS 21
September 13, 1987

Sullivan Stadium
Foxboro, MA

The Dolphins opened their 1987 regular season on a down note, losing 28-21 at New England in a driving rainstorm. Behind Dan Marino's three TD passes, the Dolphins took a 21-7 advantage midway through the second quarter. But New England came back with a TD late in the first half and then outscored the Dolphins 14-0 in the second half. The Dolphins, who were plagued by injuries (Dan Marino, Dwight Stephenson, John Offerdahl, Hugh Green) in the pre-season, saw punter Reggie Roby, right tackle Ronnie Lee and Marino go down versus the Pats. Roby was injured on his first play when, after fumbling a low snap from center, he was tackled by Rod McSwain. Roby suffered a severe ankle sprain and a mild groin pull. Lee also suffered a pulled groin. Marino was knocked out of the game late in the contest when he was kicked in the eye after a pass attempt and suffered blurred vision and a swollen right eye. Don Strock was pressed into duty as the backup for both Roby and Marino. Strock, who had never punted in the regular season, had seven kicks for 235 yards (33.6 average). Only one of his punts was returned and that was fumbled with Miami recovering. Strock had three punts which died inside the 20-yard line (including two on the two-yard line). Miami had a chance to tie the contest on the game's final drive after a march which began from its own 12-yard line with 3:46 to play. Marino hit four straight completions but was shaken up on the last and was replaced by Strock. Strock then connected on five consecutive passes to get Miami to the Patriots three-yard line with :05 remaining. A delay-of-game penalty subsequently pushed Miami back to the eight. On the game's final play, Strock's pass into the left corner of the end zone, intended for Fred Banks, fell incomplete.

GAME 2

DOLPHINS 23, INDIANAPOLIS 10
September 20, 1987

Hoosier Dome
Indianapolis, IN

The Dolphins recorded their first win of 1987 in Indianapolis with a 23-10 triumph over the Colts. It marked the third straight season that Miami picked up its first win in the season's second week versus Indianapolis. It also marked the 14th straight win for the Dolphins over the Colts - at the time the longest current string in the NFL. After an Indianapolis punt, the Dolphins scored on their first

178

drive when Dan Marino passed 18 yards to rookie RB Troy Stradford. It marked Stradford's first NFL TD. It also gave Marino a string of 25 straight regular-season games with at least one TD pass, tying him with Daryle Lamonica for the third-longest streak in NFL history. Marino later added two more TD tosses - six yards to Jim Jensen (who received the team's offensive game ball) and 10 yards to Indianapolis native Mark Clayton. Fuad Revez booted his first field goal of 1987 to complete Miami's scoring. The Dolphin defense played well, allowing only a 50-yard field goal by Dean Biasucci and a 17-yard TD pass from Gary Hogeboom to Matt Bouza. Lineman Brian Sochia (defensive game ball) recorded two QB sacks for the Dolphins, while LB Mark Brown led the team in tackles with nine. Glenn Blackwood picked up his second INT of the season for Miami.

GAME 3

SEATTLE 24, DOLPHINS 20
October 4, 1987

Kingdome
Seattle, WA

"We just ran out of time," offered Dolphins coach Don Shula in describing the 24-20 replacement loss to the Seahawks in a noisy Kingdome in Seattle. John Tagliaferri's two-yard run with 3:11 to play lifted the Dolphins to a 20-17 margin. But Seattle came back to take a 24-20 edge when Rick Parros ran it in from a yard out. A clipping penalty on the ensuing kickoff resulted in Miami having to start on its own 11-yard line with 1:25 remaining and no timeouts. Miami quarterback Kyle Mackey hit four straight completions as the Dolphins moved the ball to the Seattle 39 before time expired. Mackey played well for Miami, completing 17 of 26 (65.4%) for 179 yards and one TD. He was not intercepted. Miami had a balanced offensive attack, gaining 160 net yards passing and 164 net yards rushing. The Dolphins' defense allowed only 76 yards on the ground, but saw Seattle QB Bruce Mathison pass for 326 yards on 20 of 42 with two TDs and three INTs. Ronald Scott and Clarence Bailey equaled what were single-game team highs for '87 at the time with 55 yards rushing apiece. Tagliaferri was one of three receivers to catch four passes. He also gained 28 yards on nine carries. Defensively, Miami recorded three interceptions for the first time since Dec. 22, 1985 (versus Buffalo). Ironically, the opposing quarterback who was the victim of those interceptions in both games was Bruce Mathison. Tate Randle had two interceptions for Miami - the first time a Dolphin player had made two in a game since Glenn Blackwood picked off two passes versus New England on Dec. 16, 1985.

GAME 4

DOLPHINS 42, KANSAS CITY 0
October 11, 1987

Joe Robbie Stadium
Miami, FL

The Dolphins picked up their first shutout since Dec. 22, 1985 (28-0 over Buffalo) with a 42-0 victory over the Kansas City Chiefs in the first regular-season game ever played in the new Joe Robbie Stadium. It was the fourth-largest margin of victory in Dolphin history (also accomplished on two other occasions). Miami's defense held the Chiefs to 132 yards total offense - the fourth-fewest total in Miami opponent history and the least since Sept. 2, 1979, when Buffalo gained only 121 yards. Ronald Scott became the first Dolphin to score three rushing TDs in a game (tying a team record) since Larry Csonka did it vs. New England in 1979. He had a season-high 99 yards on the ground on 18 carries. FS Liffort Hobbey had a banner day defensively with two interceptions, a fumble recovery returned for a touchdown (55 yards), two passes defended and four tackles. For his efforts, Hobbey was named AFC defensive player of the week by the NFL. CB Trell Hooper added another defensive score with a 59-yard fumble recovery returned for a TD. Miami jumped out to a 7-0 lead in the first quarter when Rickey Isom scored the first TD in Joe Robbie Stadium history (and his first NFL TD) on a six-yard run. Scott then added a two-yard run in the second quarter and Miami led 14-0 at halftime. Scott added another score early in the third quarter before Hobbey and Hooper had their returns to give Miami a comfortable 35-0 advantage entering the final period. Miami's defense held Kansas City to only eight first downs and 132 total yards (90 rushing, 42 passing).

GAME 5

N.Y. JETS 37, DOLPHINS 31 (OT)
October 18, 1987

Giants Stadium
East Rutherford, NJ

For the second straight season, the Dolphins traveled to the Meadowlands to face the Jets only to return home with an overtime loss. Miami dropped a 37-31 game in OT as Jets QB Pat Ryan passed eight yards to Eddie Hunter with 34 seconds left in the extra period. In 1986, the Dolphins suffered a 51-45 overtime loss in New York. Miami took a 10-0 edge after one quarter as Willie Beecher booted a 19-yard field goal and QB Kyle Mackey passed five yards to TE Willie Smith. But the Jets stormed back with 17 second-quarter points to lead 17-10 at intermission. Miami tied the score at 17-17 after three periods when Mackey ran it in from a yard out. The Jets then went up by 14 points with only six minutes to play. Mackey led a Dolphin comeback, picking up another rushing TD (of five yards) and then passing one yard to TE David Lewis with 1:01 left to tie the game and force an overtime. Both teams came close early in overtime but were stopped short by turnovers before Ryan's pass to Hunter gave New York the win. Ryan was 30 of 49 for 301 yards, four TDs and two INTs. Mackey was 26 of 55 for 298 yards and two TDs but threw a team-record five interceptions.

GAME 6

BUFFALO 34, DOLPHINS 31 (OT)
October 25, 1987

Joe Robbie Stadium
Miami, FL

The Dolphins saw Buffalo battle back from a 21-0 deficit to record a 34-31 overtime win at Joe Robbie Stadium. The loss marked Miami's first defeat in JRS and second straight OT loss (the Dolphins lost 37-31 in OT to the Jets the week before). The 21-point comeback by the Bills was the best ever by an opponent against a Dolphin team. The previous best was when Baltimore battled back from an 18-point deficit (28-10) on Oct. 9, 1977, to win 45-28. It was Buffalo's first win over Miami since Oct. 9, 1983, when the Bills put together a 38-35 overtime triumph in the Orange Bowl. That game was Dan Marino's first NFL start. Marino, who had thrown 10 TD passes in three games in '87 and had four against the Bills, got the Dolphins on the board first with a five-yard scoring strike to Mark Duper on the game's first drive. Marino then connected with James Pruitt for a 25-yard TD pass - the 150th regular-season TD toss in Marino's career. A two-yard scoring pass to Bruce Hardy midway through the second quarter powered Miami to a 21-0 advantage. But the Bills battled back with a field goal

late in the first half, a rushing TD and a 14-yard TD pass from Jim Kelly to Chris Burkett to pull within 21-17 entering the fourth quarter. Two Miami turnovers (a fumbled punt and fumbled kickoff) led to Buffalo TDs, and the Bills led 31-24 with 4:04 to play. But Marino brought the Dolphins back, completing an 11-play, 80-yard march with a 12-yard TD pass to Mark Clayton with 1:03 left. Buffalo could not move the ball on its next possession, necessitating the overtime. The Bills won the coin toss in OT and moved to the Miami 10-yard line, where Scott Norwood booted a 27-yard field goal for the win after 4:08 of overtime play.

GAME 7

DOLPHINS 35, PITTSBURGH 24
November 1, 1987

Joe Robbie Stadium
Miami, FL

Don Shula recorded his 250th regular-season coaching victory, Dan Marino set numerous records, Troy Stradford became only the fifth Dolphin rookie ever to rush for over 100 yards in a game and the Miami defense held the AFC's leading ground gainer to 32 yards in a 35-24 Dolphin comeback win over Pittsburgh at Joe Robbie Stadium. On his third try, Shula, the NFL's winningest active coach, picked up regular-season career win No. 250 and was presented with a game ball by the Dolphin players after the contest. Marino put on an awesome aerial display, completing 25 of 31 (for a personal best percentage of 80.6) for 332 yards and four TDs with two INTs. Stradford rushed for 110 yards on 19 carries (5.8 average) and added his first NFL rushing TD. Meanwhile, the Miami defense held Pittsburgh's Earnest Jackson, the AFC's top rusher going into the game, to 32 yards on 12 carries (2.7 average) and no TDs. The Steelers, who remained winless against the Dolphins in Miami (0-6), got off to a 14-0 advantage early when QB Mark Malone passed 10 yards to Charles Lockett following a Miami turnover and Donnie Shell returned an interception 50 yards for a score. Marino got Miami on the board with a two-yard TD toss to Bruce Hardy, but Frank Pollard bulled in from a yard out to give the visitors a 21-7 lead at halftime. Miami struck first in the second half when Marino hooked up with Mark Clayton on a 41-yard scoring play. Marino then completed a 50-yard scoring strike to Mark Duper late in the third quarter and put Miami on top with a 33-yard TD pass to Clayton early in the fourth period. Stradford added a five-yard TD run later in the final quarter. The last time the Dolphins were behind at halftime and came back to win in Miami ironically was against the Steelers on Oct. 6, 1985. The game featured the return of Dolphin All-Pro linebacker John Offerdahl, who saw his first game action since Aug. 16 when he suffered a torn bicep versus the Chicago Bears. Offerdahl started at RILB and was Miami's top tackler with nine stops. Punter Reggie Roby saw his first action of '87 and had to punt only once. Roby had been injured in the season's first game at New England.

GAME 8

DOLPHINS 20, CINCINNATI 14
November 8, 1987

Riverfront Stadium
Cincinnati, OH

The Dolphins' defense rose to the occasion by holding the AFC's leading rushing team to 156 yards, one of the league's top offenses to only 14 points and surviving a last-play "Hail Mary" attempt in the end zone to come away with a 20-14 triumph at Cincinnati. After the Bengals took the opening kickoff and marched 75 yards in eight plays to score (17-yard TD pass by Boomer Esiason to Eric Kattus), the Dolphin 'D' settled down, shutting out Cincinnati for two quarters before allowing a rushing TD early in the fourth period. The Dolphins got on the board in the second quarter on a one-yard TD dive by rookie Troy Stradford (which capped a 15-play, 94-yard drive). Miami took a 10-7 edge on the first half's last play when Fuad Reveiz booted a 48-yard field goal. Miami bumped its lead up to 17-7 late in the third quarter when Dan Marino passed 30 yards to Mark Clayton to complete a 10-play, 80-yard march. Reveiz later added a 34-yard field goal in the fourth quarter. On the game's last play, Cincinnati, at Miami's 43-yard line, tried a desperation "Hail Mary" pass into the end zone which was batted down. Marino was 26 of 41 for 262 yards and one TD with no INTs. Stradford was the game's top receiver with seven catches for 49 yards, followed by James Pruitt with a career-high six receptions for 90 yards. Mark Duper suffered cracked ribs early in the game and did not return.

GAME 9

INDIANAPOLIS 40, DOLPHINS 21
November 15, 1987

Joe Robbie Stadium
Miami, FL

A couple of streaks came to an end as the Dolphins suffered a 40-21 setback to the AFC East-leading Indianapolis Colts at Joe Robbie Stadium. The loss snapped a two-game winning streak for Miami and ended its string of 14 consecutive wins over the Colts. The last Colts win was a 30-17 triumph at the Orange Bowl on Oct. 5, 1980. It was the Colts' first win over Miami since they moved to Indianapolis from Baltimore in 1984. The 19-point margin was notable as Miami's previous four losses in '87 had come by a combined total of 20 points. Colts RB Eric Dickerson became the first opposing rusher in '87 to gain over 100 yards on the ground against the Dolphins as he rolled up 154 yards on 30 carries (5.1 average) and added his first rushing TD as a Colt. Miami QB Dan Marino was held below the 50 percent completion mark for only the fifth time in his career as hit on 14 of 34 (41.2%) for 194 yards, two TDs and one interception (only his 5th of the season). With his first TD toss versus the Colts, Marino moved into sole possession of second place on the all-time NFL list of consecutive games with at least one TD pass. Through this game, Marino had passed for a TD in 29 straight games - just ahead of Dave Krieg (28) but behind record-holder Johnny Unitas (47). The game was filled with penalties - 21 total flags (8 on Miami, 13 on the Colts). The 21 by both teams was the fourth-most in Dolphins history. Indianapolis rolled up 32 first downs - the third-most ever against Miami in a single game. Miami jumped out to an early 14-0 first-quarter lead on a six-yard TD run by RB Lorenzo Hampton and a four-yard TD pass from Marino to TE Dan Johnson. The Colts pulled to within seven at the end of the quarter on a four-yard TD run by Dickerson. After Indianapolis went up 17-14 late in the first half, Marino brought the Dolphins back with a 10-yard scoring strike to Fred Banks for a 21-17 lead. Colts kicker Dean Biasucci booted one of his four field goals on the day and Indianapolis was within one at the half, 21-20. The Dolphins took the second half kickoff and drove to the Colts one-yard line, where they had a first down. But Hampton fumbled on a dive play and the Colts marched 90 yards before Biasucci booted another field goal for a 23-21 Indianapolis advantage.

GAME 10

DOLPHINS 20, DALLAS 14
November 22, 1987

Texas Stadium
Irving, TX

Rookie Troy Stradford rushed for 169 yards (third-highest single-game total in Dolphins history) and had 252 total offensive yards (tied for third-highest in team history) to lead Miami to a 20-14 win over Dallas in Texas Stadium. Stradford, who picked up his second 100-yard rushing game of the season, took over the team lead in rushing - he already was the leading receiver - never to relinquish either. Against Dallas Stradford carried the ball 17 times and had an impressive 9.9 yards per-carry average. He also had Miami's first score - a 19-yard TD run. He was Miami's top receiver versus the Cowboys with six receptions for 83 yards. It also was Stradford's 37-yard run on a third-and-four situation with 1:23 to play that cemented the win for Miami. Dan Marino threw a TD pass in his 30th consecutive game. Ten different receivers caught passes against Dallas. Bud Brown and William Judson each recorded interceptions for the Dolphin 'D.' CB Paul Lankford added a fumble recovery. Miami's defense held Cowboys RB Herschel Walker to 82 yards on 19 carries. Of Dallas' 12 pass receptions, 11 went to running backs, one to a tight end and none to the wide receivers. Dallas QB Steve Pelluer was the Cowboys' top rusher with 84 yards on 10 carries. Dolphins punter Reggie Roby enjoyed a fine evening with a 46.7-yard average on four kicks. Both teams scored on their initial possessions - Dallas first on an 8-yard pass from Pelluer to Timmy Newsome and Miami on Stradford's 19-yard run. Fuad Reveiz booted a 26-yard field goal in the second quarter to give Miami a 10-7 halftime edge.

GAME 11

BUFFALO 27, DOLPHINS 0
November 29, 1987

Rich Stadium
Orchard Park, NY

The Dolphins traveled to Buffalo and suffered a very disappointing 27-0 setback at the hands of the Bills. It was the first shutout for Miami since the infamous snowplow game at New England (3-0) on Dec. 12, 1982. The game also saw the end of Dan Marino's streak of 30 consecutive games with at least one TD pass. Marino's string is second all-time to Johnny Unitas with 47. The Dolphins were held to 23 yards rushing (all by Troy Stradford) - tying the team record for lowest single-game rushing total. Stradford, who had over 100 yards the week before against Dallas, carried the ball 15 times but was bothered by the slippery field conditions. Dan Marino had Miami's only other rushing attempt for no yardage. Marino suffered only the sixth sub-50 percent completion percentage game in his career (13 of 28 for 165 yards, 3 INTs). Miami had a season-low total of 13 first downs and was only 3 of 13 (23 percent) in third-down efficiency. The Dolphins had 11 drives in the game, resulting in five punts, three turnovers and three turnovers on downs. Punter Reggie Roby was the lone bright spot for Miami, punting five times for 241 yards and a 48.2-yard average. Roby also had a 77-yarder - the longest punt in Miami history. He booted three inside the 20-yard line, including a 22-yard punt which went out at the 15. After a scoreless

first quarter, Buffalo capped an eight-play, 85-yard march with Jamie Mueller running it in from five yards out. Six minutes later, Bills QB Jim Kelly passed nine yards to TE Butch Rolle for a 14-0 advantage. And just before the half, Kelly ended a brilliant seven-play, 97-yard drive with a 22-yard scoring toss to WR Chris Burkett. Scott Norwood, who had beaten the Dolphins earlier in the year in overtime at Joe Robbie Stadium, booted a field goal in both the third and fourth quarters to close out the afternoon's scoring. The win by Buffalo marked the first time since 1966 (Miami's first season) that the Bills had swept a season series from the Dolphins.

GAME 12

DOLPHINS 37, N.Y. JETS 28
December 7, 1987 Joe Robbie Stadium
Miami, FL

Rookie Troy Stradford rushed for over 100 yards for the third time in 1987. Dan Marino passed for 293 yards, ran for a score and passed for another and the Dolphins defense held the Jets to 40 yards rushing (eight on a fake field goal rush) in Miami's 37-28 victory over the Jets before a sold-out crowd at Joe Robbie Stadium. Stradford rushed 30 times (second-highest single-game, regular-season total in team history; behind only Mercury Morris with 31 attempts in '75 versus Green Bay) for 120 yards and scored three TDs on the ground. The three scores tied a Miami record, done on nine previous occasions in the regular season. He became the first Miami back since Andra Franklin in '82 to rush for over 100 yards three times in a single season. Marino passed for a season-high 29 completions on 40 attempts for 293 yards and one TD. He added a five-yard scoring run in the fourth quarter on a naked bootleg. RB Ron Davenport tied the Miami record for receptions in a game (done four other times in the regular season) with 10 for 72 yards. Defensively, Paul Lankford had a 44-yard interception return (the longest of his career) which set up one of Stradford's TDs and rookie John Bosa (like Stradford, out of Boston College) recorded his first two NFL sacks. The Dolphins defense held the Jets to 40 yards rushing, including only 3 yards on the ground in the first half. New York, which had but 2 first downs at halftime, finished with 13. Miami had an incredible 43:39 possession time total — the highest in the league in 1987. The Dolphins had five impressive scoring marches of 70-plus yards. Miami also maintained its perfect record (4-0) against the Jets in Monday night home games.

GAME 13

DOLPHINS 28, PHILADELPHIA 10
December 13, 1987 Veterans Stadium
Philadelphia, PA

The Dolphins won their second game in a row and moved into a three-way tie for first place with a 28-10 win over the Eagles in Philadelphia. While Dan Marino (25 of 39, 376 yards, 3 TDs, 1 INT) paced the Dolphins offense, the Miami defense limited the Eagles to 15 first downs, 155 yards rushing and 155 yards passing. It marked the first time in the six-game series between the two clubs that the visiting team won. Fullback Ron Davenport was Miami's top rusher with 49 yards on 10 carries. Both totals were season-highs for Davenport. He also added a one-yard TD run — his first rushing score since 1985. Mark Clayton caught seven passes (two for scores) and went over 100 yards in receiving for the first time in '87. For the second straight week, Marino completed passes to nine different receivers. He had his 30th three-TD game. In addition, Marino went over 300 yards for the 25th time in his career, tying him with Sonny Jurgensen for third on the NFL's all-time list of 300-yard games. LB John Offerdahl paced the defense with 11 tackles (10 solo) and a QB sack. After a scoreless first quarter, Philadelphia scored first when Mike Quick caught a 44-yard TD pass from Randall Cunningham. But the Dolphins came right back with a three-play, 80-yard march, capped by Marino's 20-yard TD pass to Mark Duper. After the Eagles went up by three on a Paul McFadden field goal, Miami took the lead for good on Davenport's one-yard run just before halftime. Miami closed the scoring with two TDs in the third quarter — both passes from Marino to Clayton — one for 11 yards, the other for 20 yards.

GAME 14

DOLPHINS 23, WASHINGTON 21
December 20, 1987

Joe Robbie Stadium
Miami, FL

With their backs against the wall for the third straight week, the Dolphins responded with their third consecutive win, defeating the Redskins in a 23-21 thriller before 65,715 at Joe Robbie Stadium. Dan Marino was brilliant, passing for over 300 yards and three TDs - including the game-winner with just over a minute to play. Marino moved into a second-place tie with Johnny Unitas on the NFL's career 300-yard game list; each has 26 in regular-season play. Mark Duper enjoyed his best game of the season, catching six passes for 170 yards and a career-high three TDs. It was Duper's six-yard scoring reception with 1:07 remaining that capped a 13-play, 80-yard march to Miami's winning touchdown. Miami's offensive line, playing without All-Pro center Dwight Stephenson and starting RT Ronnie Lee, did not allow a QB sack - breaking a Redskin streak of 63 consecutive games with at least one sack. The Dolphins scored first in the game when Fuad Reveziz booted a 48-yard field goal in the second quarter. Kelvin Bryant came back with a six-yard TD run for Washington, but Marino and Duper hooked up for a 26-yard scoring play to give Miami a 9-7 (PAT failed) halftime edge. Washington QB Jay Schroeder got the first score of the second half on a three-yard bootleg for a 14-9 Redskins lead. Early in the fourth quarter, Marino found Duper from 59 yards out to cap an 80-yard drive and the Dolphins led 16-14. The Redskins went on top again seven minutes later when George Rogers rumbled in from the two-yard line. But the Dolphins started from their 20-yard line with 6:17 to play and moved 80 yards in 5:10.

GAME 15

NEW ENGLAND 24, DOLPHINS 10
December 28, 1987

Joe Robbie Stadium
Miami, FL

Playing the final game of the 1987 regular season and the last game of the first year in Joe Robbie Stadium, the Patriots defeated the Dolphins 24-10 before 61,192 in a Monday night game. The Patriots finished with identical 8-7 records. The win completed a season sweep of the Dolphins for New England and gave the Pats five consecutive wins over Miami. The Dolphins started the game on a down note when on their first play from scrimmage, rookie RB Troy Stradford fumbled with the Patriots recovering on the 28-yard line. Six plays later, New England QB Steve Grogan fired a three-yard pass to WR Irving Fryar for the score. Miami got on the board with a 47-yard field goal by Fuad Reveziz but Grogan got hot again, this time hitting WR Stephen Starring for a 34-yard score, and the Pats led 14-3 after one quarter. New England added its final 10 points in the second quarter on a five-yard TD run by RB Tony Collins and a 31-yard field goal by Tony Franklin. Miami's only touchdown of the evening came in the fourth period on a nine-yard pass from QB Dan Marino to WR James Pruitt. Dolphins punter Reggie Roby had a good night, punting three times for a 41.7-yard average. He also had two punts inside the 20-yard line.

DOLPHINS 14-0 VS. 4 CLUBS

The Miami Dolphins have built a perfect 14-0 regular-season record against four clubs in the National Football League through the 1987 season.

Those teams which never have beaten Miami are Chicago (0-4), Green Bay (0-4), N.Y. Giants (0-1) and Phoenix (0-5). The Dolphins face both the Bears and Packers during the 1988 season.

Ten other NFL teams have beaten Miami only once in the regular season. Those teams are Atlanta (1-4), Dallas (1-4), Detroit (1-2), L.A. Rams (1-4), Minnesota (1-3), New Orleans (1-4), San Francisco (1-4), Seattle (1-2), Tampa Bay (1-2) and Washington (1-4). The Dolphins are scheduled to play the Vikings and Buccaneers in '88.

Miami set an NFL record with 20 consecutive wins over Buffalo from 1970 through 1979.

THE ORANGE BOWL

The 1986 season marked the end of an era for the Miami Dolphins as the team played its final season in the Orange Bowl. In 21 years, the Dolphins posted a 110-38-3 (.738) regular-season record.

In the playoffs, Miami was 10-4 at the 75,206-seat Orange Bowl, giving the team a 120-43-3 (.736) mark at the OB in all games.

The Orange Bowl has been the site of many great sporting events, including five Super Bowls, the annual Orange Bowl Classic and championship boxing matches.

Safety Liffort Hobley (two interceptions, 55-yard fumble recovery for a TD, four tackles, two passes defensed) is named AFC defensive player of the week for his efforts. Don Shula and Joe Robbie are given game balls by the replacement team following the contest in honor of Miami's first win in the new stadium. The next week (October 18), the replacement team loses its last game, 37-31 in overtime, to the N.Y. Jets at the Meadowlands.

- Oct. 25 — After four missed weeks of action (one game cancellation, three replacement games), the regular Dolphin players return to action. Miami loses 34-31 in overtime at home to the Buffalo Bills. The 21-point comeback by Buffalo is the best ever by an opponent against a Dolphins team.
- Nov. 1 — Don Shula wins his 250th regular-season game as the Dolphins defeat Pittsburgh 35-24 at Joe Robbie Stadium.
- Nov. 29 — The Dolphins suffer their first shutout loss (27-0 at Buffalo) since December 12, 1982 — the famous snowplow game at New England (3-0). The game also sees the end of Dan Marino's streak of 30 straight games with at least one touchdown pass. His string is second all-time to Johnny Unitas' 47.
- Dec. 20 — Miami picks up its final win of 1987 with a 23-21 victory over Washington at Joe Robbie Stadium. The Dolphins lose the following week (December 28) in the '87 finale to New England, 24-10, at home. The Redskins, meanwhile, go on to win Super Bowl XXII, 42-10 over Denver.
- Dec. 30 — RB Troy Stradford is named NFL Offensive Rookie of the Year by the Associated Press.

1988

- Jan. 14 — It is announced that former Dolphins QB Bob Griese is among a group of 15 finalists under consideration for the 1988 class of enshrinees in the Pro Football Hall of Fame in Canton, Ohio.
- Feb. 29 — Former Dolphin Larry Seiple is named receivers coach. Seiple, who had been out of pro coaching for a year, had been receivers coach at Detroit (1980-84) and Tampa Bay (1985-86).

Entertainer Danny Thomas was on hand to help Joe Robbie celebrate the Dedication Game of JRS on August 16, 1987.

Oakland quarterback Daryle Lamonica unloaded an 82-yard touchdown pass to Rod Sherman with 9:34 left to play as Oakland spoiled the Dolphins' first appearance in the playoffs, 21-14, on a field oozing with mud. The Dolphins, who had won six consecutive games to finish the season 10-4 and gain a wild-card berth, took a 7-0 lead in the second quarter when Bob Griese fired a wild-card strike to Paul Warfield in the end zone. Lamonica matched that TD with a 22-yard toss to Fred Biletnikoff only 1:50 before halftime. Raider right cornerback Willie Brown intercepted a wet and wobbly pass by Griese and fled 50 yards along the sideline for the tie-breaking TD. It came minutes after Jake Scott recovered an Oakland fumble at the Miami 10-yard line. The heave to Sherman was insurance. Only three plays earlier, Dolphin kicker Garo Yepremian missed a 24-yard field goal attempt for the second time in the game. Oakland's George Blanda also missed a 23-yarder.

Garo Yepremian ended 82 minutes and 40 seconds of an epic struggle by booting a 37-yard field goal with 7:40 elapsed in the second overtime, lifting the Dolphins past Kansas City, 27-24, on Christmas Day. The Dolphins battled from behind three times to tie the AFC West champions, the third time on Bob Griese's five-yard pass to tight end Marv Fleming with 96 seconds remaining in regulation. Kansas City running back Ed Podolak, who amassed 350 yards of all-purpose running, returned the ensuing kickoff 78 yards to the Dolphin 22 where Curtis Johnson missed a desperation tackle. With 35 seconds on the clock, Jan Stenerud missed a 32-yard field-goal try. Stenerud had a 42-yarder blocked by Nick Buoniconti in the fifth quarter, and Yepremian was short with a 45-yard effort. But Larry Csonka crashed 29 yards to the Chiefs 36, and that put Yepremian, the NFL's scoring leader, in position to win it. Goal posts were on the goal line; in 1974 the uprights were moved to the end line.

January 2, 1972

Orange Bowl
Miami, FL

Three lightning plays and a persistent defense propelled the Dolphins into Super Bowl VI with a 21-0 rout of Baltimore before an all-time Orange Bowl record crowd of 78,939. Strong safety Dick Anderson intercepted a Johnny Unitas pass which was deflected by Curtis Johnson, and behind a wall of six open-field blocks Anderson weaved 62 yards for a third-quarter touchdown. "My eyes were popping as I ran," Anderson said. "I've never seen so many people land on their heads." Before Anderson's convoy made it 14-0, the Dolphins staggered the defending Super Bowl champions when Bob Griese and Paul Warfield hooked up for a 75-yard TD pass. Warfield applied the clincher when he escaped 50 yards with a Griese pass, setting up a five-yard TD slam by fullback Larry Csonka. The Colts had not been held scoreless for 97 games over seven seasons. They were stopped at the Dolphin 9 in the second quarter. Jim O'Brien missed two field-goal attempts and had another blocked by Lloyd Mumphord.

A 252-yard rushing attack and sharp passing by Roger Staubach spurred the Dallas Cowboys to a 24-3 victory over the Dolphins at Tulane Stadium. Duane Thomas pranced 95 yards on 19 carries, fullback Walt Garrison added 74 yards on 14 carries and Staubach passed twice for touchdowns to Lance Alworth and Mike Ditka. Staubach, who was sacked twice in the first quarter, bounced back to complete 12 of 19 passes, and he scrambled from the Dolphin pass rush five

times. The Dolphins were frustrated all day; in the first quarter, Larry Csonka lost a fumble and Bob Griese was chased by tackle Bob Lilly for a 29-yard loss. Griese also fumbled away a snap at the Dallas 16 in the fourth period. Although it was an intriguing 10-3 at halftime, the Cowboys marched 71 yards in eight plays after the kickoff, and Thomas swept three yards for the TD.

On the ropes in the fourth quarter after an unprecedented 14 victories, the Dolphins responded to poised Earl Morrall and drove 80 yards for a touchdown with 4:56 to play for a 20-14 victory over the Cleveland Browns. Morrall, the NFL's leading passer after replacing the injured Bob Griese 10 weeks earlier, had completed only four passes for 38 yards. But he threw 15 and 35 yards to Paul Warfield, reaching the Browns 20, and a pass interference call against linebacker Billy Andrews put the ball at the eight. Halfback Jim Kiick then bulled eight yards up the middle on a trap for the winning points. The triumph was sealed with a minute to play when Dolphin linebacker Doug Swift intercepted Cleveland QB Mike Phipps at the Dolphin 20. Despite stealing five of Phipps' passes, the Dolphins were stung by a 27-yard TD pass to Fair Hooker and trailed 14-13 with 8:11 to play.

Quarterback Bob Griese, playing 11 weeks after he had broken his right leg, ignited a third-quarter touchdown drive with a 52-yard pass to Paul Warfield, and the Dolphins overtook the Pittsburgh Steelers, 21-17, in unusually warm 63-degree weather. Griese was given the nod in the second half after Earl Morrall had flipped a nine-yard touchdown pass to Larry Csonka for a 7-7 halftime deadlock. Punter Larry Seiple broke loose on a daring 37-yard run on fourth down to set up that TD. Trailing 10-7, Griese directed TD drives of 80 and 49 yards with Jim Kiick blasting two and three yards for the scores. Steeler quarterback Terry Bradshaw, who closed the gap with four straight completions on a 71-yard TD drive, was intercepted by Nick Buoniconti at midfield with 2½ minutes to play. In addition to Seiple's dash, the Dolphins converted fourth-down situations on both Griese-led drives.

SUPER BOWL VII

 Memorial Coliseum
 Los Angeles, CA

"This is the ultimate," Coach Don Shula said quietly after his unbeaten Dolphins dominated the Washington Redskins, 14-7, to cap a perfect season. It was Shula's first Super Bowl triumph in three tries. A record Super Bowl crowd of 90,182 saw the Dolphins surge to a 14-0 halftime lead even as one touchdown was nullified by an offside penalty. Miami intercepted three of Bill Kilmer's passes, and Manny Fernandez scuttled the Redskins running game with 17 tackles. An original Dolphin, Howard Twilley, eluded cornerback Pat Fischer to snare a 28-yard touchdown pass from Bob Griese in the first quarter. Griese's 57-yard TD bomb to Paul Warfield was erased by the penalty, but a 32-yard interception return by linebacker Nick Buoniconti set up the Dolphins' second score. Safety Jake Scott thwarted Kilmer with an end zone interception and 55-yard runback. The Redskins finally scored on a bizarre 49-yard fumble recovery by Mike Bass after a blocked field goal and attempted pass by kicker Garo Yepremian. Scott was named MVP.

A defense which had allowed only 15 touchdowns all season kept the Cincinnati Bengals out of the end zone while the Dolphins hammered 241 yards on the ground for a convincing 34-16 victory. Mercury Morris scooted 106 yards on 20 carries and Bob Griese completed 11 of 18 passes, including TDs of 13 yards to Paul Warfield and seven yards to Jim Mandich. Garo Yepremian converted long field goals of 50 and 46 yards in the second half to widen the winning margin. The Dolphins led 21-3 when a lapse just before halftime gave life to the Bengals. Safety Neal Craig intercepted Griese and returned it 45 yards for a score, and Horst Muhlman booted field goals of 46 and 12 yards — the second coming after Morris fumbled a kickoff — to make it 21-16.

Orange Bowl
 Miami, FL

A relentless running attack with Larry Csonka and Mercury Morris accounting for 203 of the 266 yards powered the Dolphins to a 27-10 triumph over the Oakland Raiders for a third straight American Conference title. Csonka, a 237-pound battering ram who had his third consecutive 1,000-yard season, scored three touchdowns with his 117 yards on 29 carries. The Dolphins covered 64 and 63 yards exclusively on the ground for a 14-0 halftime lead. Then as the Raiders battled within 17-10, Bob Griese directed ground assaults of 63 yards, culminating in a field goal, and 40 yards, ending in Csonka's third TD. Defensively, safety Dick Anderson forced a fourth-down fumble by Marv Hubbard at midfield, and

the Dolphins took possession with a 20-10 lead and six minutes to play. Oakland had stopped Miami's 18-game winning streak, 12-7, three months earlier.

SUPER BOWL VIII

MIAMI 24, MINNESOTA 7
 January 13, 1974

Rice Stadium
 Houston, TX

Winning for the 32nd time in 34 games, the Dolphins repeated as Super Bowl champions and proved themselves "Best Ever" with a 24-7 rout of the Minnesota Vikings at Rice Stadium. There was no doubt from the beginning. The Dolphins swept 62 yards in 10 plays with the opening kickoff, scoring on Larry Csonka's five-yard smash. Minnesota punted, and the onslaught resumed with a 56-yard, 10-play Dolphin drive capped by Jim Kiick's one-yard plunge. It was 17-0 before the Vikings crossed their 40, and a fourth-down fumble by Minnesota's Oscar Reed was recovered by safety Jake Scott at the Dolphin six-yard line. A brilliant, diving catch by Paul Warfield netted 27 yards on a third-quarter TD drive that hiked the score to 24-0. Csonka finished with his best-ever total of 145 yards on 33 carries. The Dolphins rushed for 703 yards and outscored opponents 85-33 in the three-game playoff blitz. Csonka's yardage was a Super Bowl record and he was named MVP.

12-yard sweep by Tony Nathan on the first play of the fourth quarter put the Dolphins on top. But Charger quarterback Dan Fouts, who passed for an NFL record 4,802 yards during the season, led an 82-yard drive capped by a 9-yard pass to James Brooks to tie the game with 58 seconds remaining. Five players had more than 100 yards in receptions, topped by Charger tight end Kellen Winslow with 13 catches for 166 yards. Fouts, who finished with 433 yards on 33 of 53 marksmanship, hooked up with Charlie Joiner for 39 yards to the Dolphin 10-yard line. Rolf Benirschke then kicked a 29-yard field goal to end the struggle after 13:52 of overtime. Benirschke had missed a 27-yard attempt eight minutes earlier, and Miami's Uwe von Schamann had two attempts blocked - a 43-yarder on the last play of regulation and a 35-yarder after 11:27 of overtime. It was the first game in NFL history in which two quarterbacks passed for more than 400 yards.

1982 AFC PLAYOFF (first round)

MIAMI 28, NEW ENGLAND 13
 January 8, 1983

Orange Bowl
 Miami, FL

For the first time in nine years, the Miami Dolphins won a playoff game, defeating the New England Patriots 28-13. Dolphin QB David Woodley had one of his finest games, completing 16 of 19 passes for 246 yards and two TDs. He was a perfect 8-8 in the second half. The Dolphins had not experienced a playoff win since January 13, 1974, when they downed Minnesota in Super Bowl VIII. The Dolphins took command in the second quarter, putting together back-to-back TD drives of 76 and 79 yards that turned a 3-0 deficit into a 14-3 halftime advantage. The four Miami TDs came on a pair of two-yard passes from David Woodley to tight end Bruce Hardy, a one-yard run by Andra Franklin and Woody Bennett's two-yard burst up the middle. Franklin finished with 112 yards on 26 carries, but lost the ball three times on fumbles. Two of those fumbles resulted in John Smith field goals of 23 and 42 yards for New England.

1982 AFC PLAYOFF (second round)

MIAMI 34, SAN DIEGO 13
 January 16, 1983

Orange Bowl
 Miami, FL

The Dolphins, on their way to a five-game victory roll, choked off the famed Charger offense and won 34-13. The Dolphin defense stopped the San Diego offense, holding it to a total of 247 yards - 203 yards below its league-leading average - while holding the Chargers scoreless in the second half. Dolphin defenders intercepted QB Dan Fouts five times, sacked him three times and held the Chargers to 15 completions for 191 yards - their lowest output since a January, 1982, playoff game in the ice at Cincinnati. The Dolphin offense kept Fouts and Company on the sideline by utilizing ball control that produced 80 plays to San Diego's 54 and an overwhelming time of possession advantage; the Dolphins had the ball for 40:46 to the Chargers' 19:14. Dolphin QB David Woodley guided his team to a 214-yard ground attack while connecting on 17-22 passes for 195 yards and two TDs. Woodley opened the scoring with a three-yard pass to Nat Moore in the first quarter and made it 14-0 by directing Miami 89 yards on 13 plays. Charger kickoff returner Hank Bauer fumbled a kickoff which was recovered by Uwe von Schamann at the Charger 23-yard line. Seven plays later, Woodley hit tight end Ronnie Lee on a six-yard look-in pass for the score. On the next kickoff, Dolphin rookie Rich Diana recovered a fumble by the Chargers' James Brooks, but this time Miami had to settle for a 29-yard von Schamann field goal. The Chargers scored two late TDs, one on a 28-yard pass from Fouts to Charlie Joiner and the other on Chuck Muncie's one-yard dive that ended the San Diego scoring. Von Schamann added a second field goal shortly before the end of the first half and Woodley scored on a seven-yard QB draw early in the fourth quarter.

1982 AFC CHAMPIONSHIP

MIAMI 14, N.Y. JETS 0
 January 23, 1983

Orange Bowl
 Miami, FL

For the third time in as many games the Miami Dolphins defeated the New York Jets, this time on a rainy, mud-soaked Orange Bowl field. The Dolphins set an AFC Championship Game record by holding the Jets to 139 total yards. A.J. Duhe set an AFC playoff record with three interceptions, including one he returned for a 35-yard TD. The Dolphins set an NFL record by being the first team to have defeated the same team three times in a season — two times during the regular season and once in a playoff game. On nine occasions since the AFL-NFL merger, teams had met three times in a season — but no team had won all three games. Before a crowd of 67,396, the Dolphins' Woody Bennett rumbled seven yards up the middle to score the only points the Dolphins would need. That came in the third quarter after the teams had trudged through a scoreless first half on the soggy Prescription Athletic Turf.

SUPER BOWL XVII

WASHINGTON 27, MIAMI 17
 January 30, 1983

Rose Bowl
 Pasadena, CA

The Washington Redskins, behind the power running of John Riggins, came from behind to win Super Bowl XVII in the famed Rose Bowl, beating Miami 27-17. Before the second-largest crowd for a Super Bowl — 103,667 fans — the Redskins took the lead for the first time with a little more than 10 minutes left on the clock. The game was marked by a Super Bowl record performance by Fulton Walker, who returned four kickoffs 190 yards, including a 98-yard TD that gave Miami a 17-10 halftime lead. It was the first kickoff returned for a TD in Super Bowl history and the longest kickoff return in playoff history. Riggins ran up 166 yards on 38 carries, both Super Bowl records. On a short-yardage play — fourth-and-one from the Redskin 43 with 10:01 to play — Riggins broke a tackle and scored on a 43-yard run. Riggins accounted for 181 total yards, five more yards than the entire Miami offense could manage in the game. In the first quarter, Miami jumped to a quick lead with a 76-yard David Woodley to Jimmy Cefalo pass for a TD.

1983 AFC PLAYOFF

SEATTLE 27, MIAMI 20
 December 31, 1983

Orange Bowl
 Miami, FL

The Miami Dolphins saw their season end on a sour note as they lost a 27-20 decision to the Seattle Seahawks in the first round of the AFC playoffs. Before 71,032 fans in the Orange Bowl, Dolphin rookie quarterback Dan Marino returned from his December 4 knee injury. On their second possession, the Dolphins launched a 12-play, 80-yard drive ending with a 19-yard TD pass from Marino to tight end Dan Johnson (PAT missed). A 59-yard return by Zachary Dixon on the ensuing kickoff led to a six-yard scoring toss from Seattle's Dave Krieg to Cullen Bryant with the extra point, giving the Seahawks a one point lead. Miami immediately retaliated, using a 17-yard Marino to Mark Duper hook-up to pave the way for a 32-yard circus catch by Duper for the touchdown. Early in the third quarter, a David Overstreet fumble in Seattle territory set the Seahawks up for a 55-yard TD march featuring a 28-yard completion from Krieg to Paul Johns, and culminating in a one-yard run by Curt Warner. Norm Johnson's 27-yard field goal early in the fourth quarter gave Seattle a 17-13 lead. The Dolphins managed to regain the lead at 20-17 following a Gerald Small interception (18-yard return) and Woody Bennett's two-yard run with only 3:43 remaining. However, the lead was shortlived as the Seahawks came right back to score on Warner's short run following a pair of Krieg to Steve Largent completions for a total of 56 yards. Miami's Fulton Walker then fumbled the Seattle kickoff, thus leading to a 37-yard Johnson field goal. Another Walker kickoff fumble iced the game for the Seahawks, who were participating in the playoffs for the first time in their eight-year history.

1984 AFC PLAYOFF

MIAMI 31, SEATTLE 10
December 29, 1984

Orange Bowl
Miami, FL

The Miami Dolphins, led by quarterback Dan Marino's three touchdown passes and a defense that shut out the opposition in three of four quarters, defeated the Seattle Seahawks 31-10 before 73,469 fans in the Orange Bowl. The Dolphins moved in front on their second possession and stayed there. Running back Tony Nathan keyed the 68-yard drive by gaining 38 yards on four carries, including the touchdown on a 14-yard run. A 26-yard Marino to Mark Clayton completion was the long play of the scoring march. A 32-yard interception return by Seattle's John Harris and a 25-yard pass from Dave Krieg to Steve Largent paved the way for Norm Johnson's 27-yard field goal that cut Miami's lead to 7-3. The Dolphins, however, came right back to score on their next series as a 20-yard reception by Woody Bennett preceded Marino's 34-yard scoring hook-up with Jimmy Cefalo. The Seahawks made it 14-10 at halftime when Largent scored on a 56-yard catch-and-run play. After Miami's defense had stopped Seattle on the Dolphin 24-yard line to open the second half, the Dolphins embarked on a 13-play, 76-yard TD drive that included a Bruce Hardy touchdown catch from three yards out. After the Seahawks' Jeff West managed just a seven-yard punt, Clayton made an acrobatic catch on a tipped ball in the end zone for a 33-yard TD. Miami closed out the scoring on Uwe von Schamann's 37-yard field goal in a drive that featured a 32-yard Marino to Hardy pass.

1984 AFC CHAMPIONSHIP

January 6, 1985

Orange Bowl
Miami, FL

The Miami Dolphins, led by Dan Marino's 421 yards passing (four touchdowns) and Mark Duper's 148 yards receiving, advanced to Super Bowl XIX by defeating the Pittsburgh Steelers 45-28 in the AFC Championship Game before 76,029 fans in the Orange Bowl. The Dolphins scored on their first offensive series as they moved 67 yards in four plays following a William Judson interception, with the TD coming on a 40-yard pass from Marino to Mark Clayton. Pittsburgh's first score came on Rich Erenberg's seven-yard run that had been set up by Walter Abercrombie's 38 yards gained in the 66-yard march. A 26-yard Uwe von Schamann field goal preceded a 65-yard toss from the Steelers' Mark Malone to John Stallworth that gave Pittsburgh a 14-10 lead. The Dolphins then scored two TDs in the final 2:52 of the first half, the first score coming on a 41-yard reception by Duper. After Lyle Blackwood's interception, Marino hit TE Joe Rose for a 28-yard gain before Tony Nathan gave the Dolphins a 24-14 lead on a

two-yard run. Miami then scored on its first three second-half possessions, leading off with Marino's 36-yard scoring strike to Duper. The Steelers closed the gap to 31-21 on Malone's 19-yarder to Stallworth (33-yarder to Louis Lipps in drive). Completions to Duper (41 yards), Nathan (20 yards) and Nat Moore (28 yards) then led to a one-yard TD dive by Woody Bennett. Moore then caught a six-yard touchdown pass before Wayne Capers closed out the scoring with a 29-yard TD reception.

SUPER BOWL XIX

SAN FRANCISCO 38, MIAMI 16
January 20, 1985

Stanford Stadium
Palo Alto, CA

The Miami Dolphins, unable to score in the game's final two quarters, dropped a 38-16 decision to the San Francisco 49ers in Super Bowl XIX before 84,059 fans in Stanford Stadium. The Dolphins were outgained in the contest by a 537-314 margin with the 49ers maintaining possession for 37:11. Miami opened the scoring on its first possession as Uwe von Schamann converted a 37-yard field goal (key play — Dan Marino's 25-yard completion to Tony Nathan). San Francisco jumped ahead 7-3 when QB Joe Montana led the Niners on an eight-play, 78-yard drive that culminated in a 33-yard TD toss to Carl Monroe. The Dolphins scored their only touchdown of the game on their next series as two Marino completions to Mark Clayton (18, 13 yards) and a 21-yarder to Dan Johnson paved the way for Johnson's two-yard scoring catch. Touchdown runs of eight and two yards by Roger Craig and Montana's six-yard scamper gave San Francisco a 28-10 lead. Von Schamann then connected on field goals of 31 and 30 yards in the final 12 seconds of the first half to close the Dolphin deficit to 28-16. The 49ers upped their lead on their initial second-half possession on Ray Werschling's 27-yard field goal, before closing out the scoring on Craig's 16-yard scoring reception (key play — 40-yard Montana to Wendell Tyler pass play).

1985 AFC PLAYOFF

MIAMI 24, CLEVELAND 21 January 4, 1986

Most people had not given them much of a chance to win, but the 8-8 Cleveland Browns nearly upset the 12-4 Dolphins in the Orange Bowl. It would take two Ron Davenport touchdowns in the final 17 minutes to send Miami to a 24-21 victory and the AFC Championship Game against New England the following week. Fuad Reveiz put the Dolphins on the board early with a 51-yard field goal on Miami's first drive of the game. But Cleveland came back to score 21 unanswered points, and held a 21-3 advantage midway through the third quarter. Cleveland rookie quarterback Bernie Kosar, who had played two college seasons in the Orange Bowl for the University of Miami, hit Ozzie Newsome with a 16-yard touchdown pass for the Browns' first points of the day. Earnest Byner (16-161) ran in from 21 yards out just before the half, and then he broke a 66-yard touchdown jaunt 3:38 into the second half. Just like that, the improbable began to look possible. Dan Marino connected with Nat Moore for a six-yard touchdown pass just over six minutes later and Miami had closed the margin to 21-10. Then it was time for Davenport (6-48) to show his stuff. First, he hit the hole for a 31-yard touchdown run late in the third period and then he closed the scoring and put Miami up for good, going over from one yard out with just 1:57 remaining in the game.

1985 AFC CHAMPIONSHIP

NEW ENGLAND 31, MIAMI 14 January 12, 1986

Orange Bowl Miami, FL

The New England Patriots garnered a bid to their first Super Bowl by snapping an 18-game losing streak to the Dolphins in Miami with a 31-14 triumph at the Orange Bowl. The Patriots' only previous victory in Miami came in the first meeting between the two teams in 1966. New England backs Craig James (22-105) and Robert Weathers (16-87) combined for 192 yards rushing and the Pats set up a Super Bowl date with the Chicago Bears. After New England got on the board first with a Tony Franklin 23-yard field goal, the Dolphins stormed back for their only lead of the afternoon when Dan Marino passed 10 yards to Dan Johnson early in the second quarter. Eason brought New England right back with three touchdown tosses, and the Pats led 24-7 after three quarters. Miami's last score of the day came early in the fourth quarter when Tony Nathan grabbed a 10-yard TD pass from Marino. New England fullback Mosi Tatupu ended the game's scoring with a one-yard TD jaunt midway through the fourth quarter.

DOLPHINS IN HALL OF FAME

Larry Csonka

Jim Langer

Paul Warfield

LARRY CSONKA

1968-74, 1979

FB
inducted: 1987

Csonka ranks as the Dolphins' all-time leading rusher with 1,506 carries for 6,737 yards (4.5 average) and 53 TDs. A five-time Pro Bowl selection, he put together three consecutive 1,000-yard seasons (1971-73) as Miami advanced to the Super Bowl each year. Csonka shined in those three Super Bowls, averaging 6.3 yards a carry and going over 100 yards rushing in two of them. Originally drafted in the first round out of Syracuse in 1968, he was named the MVP of Super Bowl VIII after carrying 33 times for 145 yards and two touchdowns as the Dolphins steamrolled the Minnesota Vikings, 24-7, for their second straight NFL title. Called a "modern-day Bronko Nagurski" by Dolphin coach Don Shula, "Zonk" also played three seasons with the N.Y. Giants (1976-78) and one year with the Memphis Southmen of the World Football League (1975). His career rushing totals in the NFL, which place him 12th on the league's all-time rushing list, are: 1,891 carries for 8,081 yards (4.3 average) and 64 TDs. He was elected to the Hall of Fame in his second year of eligibility.

JIM LANGER

1970-79

C
inducted: 1987

Langer was the anchor of the Miami offensive line during the Dolphins' championship years of the 1970s. Coming out of South Dakota State in 1970, he was signed as a free agent by Cleveland but was released on the final cut. Langer was picked up on waivers by the Dolphins and, after spending most of the year on the taxi squad, played in the final five games of 1970, mainly on special teams. After serving as a backup at center the following season, in 1972 he won the starting job, which he would hold until sidelined with a knee injury in 1979. A consensus All-Pro from 1973-77, Langer was a six-time Pro Bowl selection (five times as a starter), a Dolphin record. He played in a club-high 128 straight games during his career and also had a team-record 109 consecutive starts. Voted the team's Most Valuable Player by South Florida media in 1975, Langer also holds the distinction of having played every offensive down in the Dolphins' perfect 1972 season. Wanting to spend the final years of his career near his Roylton, Minn., home, at his own request Langer was traded to the Minnesota Vikings in 1980, where he played for two seasons (1980-81). He was elected to the Hall of Fame in his first year of eligibility.

PAUL WARFIELD

1970-74

WR
inducted: 1983

Warfield sandwiched two stints with the Cleveland Browns around a five-year career with the Dolphins. After spending his first six seasons in the NFL with the Browns (1964-69), Warfield was acquired by Miami in January of 1970 in exchange for a first-round pick in the upcoming draft. In his five seasons with the Dolphins, Warfield had 156 receptions for 3,355 yards (21.5 average) and 33 TDs — good enough to place him ninth on the team's all-time receiving list. A member of both the '72 and '73 Super Bowl championship teams, he was selected to play in the Pro Bowl all five years he was with the Dolphins (once as a starter), in addition to being named to the AFC squad twice with the Browns. Warfield, the only Dolphin in the team's history to score four touchdowns in one game, also played one season with the Memphis Southmen of the World Football League (1975) before finishing his career with Cleveland (1976-77). His career receiving totals in the NFL are: 427 receptions for 8,565 yards (20.1 average) and 85 TDs. He was elected to the Hall of Fame in his first year of eligibility.

RETIRED JERSEY #12

He was unquestionably the "thinking man's quarterback." Bob Griese, renowned for his poised leadership and ingenious play-calling, sustained the Dolphin offense with a flair for winning from 1967-80.

The bespectacled quarterback became the 14th passer in the NFL's exclusive 25,000-yard club in 1980. On the same day he reached that milestone, he suffered a shoulder injury which ultimately forced his retirement on June 25, 1981. His No. 12 jersey became the first to be retired May 6, 1982, in ceremonies at the Dolphins' annual awards banquet.

He had a .698 winning percentage (91-39-1) under Coach Don Shula. "Cornerstone of the franchise," Dolphin Owner Joe Robbie called him. He was a consensus All-Pro quarterback in 1971 and 1977, made a team-record six appearances in the Pro Bowl and was voted the team's Most Valuable Player six times by South Florida media.

Since becoming eligible for induction into the Hall of Fame three years ago, Griese has each time been named as a finalist. It is only a matter of time before he joins the three other Dolphin players who hold a place in Canton.

"He's probably the most unselfish guy I've ever been around," Shula said. "He got as much of a thrill calling the right running play for a touchdown as he did connecting on a bomb. That's just his makeup."

DOLPHIN NAME

Mariners, Marauders, Mustangs, Missiles, Moons, Sharks, Suns — none of those other names suggested to the American Football League expansion franchise in 1965 could raise a fin to the runaway winner.

"Dolphins" was submitted by 622 entrants in a contest which attracted 19,843 entries and more than a thousand different names. The dozen finalists were delivered to a seven-member screening committee of local media.

The bottlenose dolphin, an intelligent creature with an irresistible built-in grin, has inspired wonder for centuries. Plutarch observed 1,900 years ago that the dolphin "is the only creature who loves man for his own sake." Every trainer will have a tale of the dolphin's cleverness and ingenuity, and scientists are fascinated by a dolphin's natural equipment which far surpasses the range of Navy sonar equipment.

"The dolphin is one of the fastest and smartest creatures of the sea," Joe Robbie said in announcing the team name on October 8, 1965. "Dolphins can attack and kill a shark or a whale. Sailors say bad luck will come to anyone who harms one of them."

Mrs. Robert Swanson of West Miami won two lifetime passes to Dolphin games with her nickname entry. The tiebreaker was picking the winner and score of the 1965 game between the University of Miami and Notre Dame — it ended in a scoreless tie.

DOLPHINS ON THE AIR

WIOD

In 1988, the Miami Dolphins' radio network will consist of over 35 radio stations (over 80 markets) with Miami's WIOD (AM-610) again serving as the flagship station. WIOD has been the originator of Dolphin broadcasts since the team's 1966 inception. Known throughout South Florida as "Someplace Special for Sports," WIOD's Dolphin coverage is among the most comprehensive in the NFL.

WIOD begins its game-day coverage two hours before kickoff with "The Dolphin Express," including player features, key matchups in the upcoming game, plus other pertinent information from around the NFL. Also included in the pre-game package is "The Don Shula Show," featuring a preview of the day's contest by the Dolphin head coach.

Following the game, "The Locker Room Show" keeps listeners up-to-date on all other games around the league and also includes interviews from both the Dolphin and opposing locker rooms with key players from that day's game.

Handling the play-by-play will be "The Voice of the Dolphins," Rick Weaver, who enters his 18th season with the Dolphins. Weaver, who serves as Vice President of Sports at WIOD, is in his 25th year of calling NFL action. Weaver, who is famous for starting the "white handkerchief" in 1971, previously broadcast games for Dallas, Chicago and San Francisco. Weaver is a 10-time recipient of the Florida Sports-caster of the Year award.

Weaver is most proud of his involvement with the "Rick Weaver Invitational Golf Tournament," held for the benefit of Special Olympics in Dade County. A native of Toledo, Ohio, the Ohio State graduate resides in North Miami with his wife, Bobbie.

Joining Rick in the booth will be color commentator Hank Goldberg. Goldberg, a Duke University graduate, is one of South Florida's most controversial sports figures. In addition to his WIOD duties, Hank works for an advertising agency and WTVJ-TV (Channel 4) in Miami.

For the seventh straight year, the Dolphins' South Florida Latin fans will be able to follow the team's fortunes on WQBA. The 1988 season marks the fourth year of the shift over to WQBA's AM station (1140).

Rene Giraldo will handle the play-by-play duties for his third season after three years as a color analyst. He will be assisted by veteran analyst Eduardo Lujan, who has served as the producer and color commentator on the Dolphins' Spanish broadcasts since their inception. Joining Giraldo and Lujan in the booth is Roly Martin, who handled sideline commentary during home games four years ago.

PERSONNEL GUIDE

WAIVERS: The waiver system is a procedure by which player contracts or NFL rights to players are made available by a club to other NFL clubs. During the procedure, the 27 other clubs either file claims to obtain the players or waive the opportunity to do so - thus the term "waiver." Claiming clubs are assigned players on a priority based on the inverse of the won-lost standings. The claiming period normally is 10 days during the off-season and 24 hours from early July through December. In some circumstances, a club is allowed another 24 hours to rescind its action (recall of waiver request) and/or the claiming club to do the same (withdrawal of claim). If a player passes through waivers unclaimed and is not recalled by the original club, he becomes a free agent. All waivers from July through December are no recall and no withdrawal. Under the 1982 Collective Bargaining Agreement, any veteran who has acquired four years of pension credit may, if about to be assigned to another club through the waiver system, reject such assignment and become a free agent.

ACTIVE LIST: The Active List is the principal status for players participating for a club. It consists of all players under contract, including option, who are eligible for preseason, regular-season and post-season games. Clubs are allowed to open training camp with an unlimited number of players but thereafter must meet the mandatory roster reductions prior to the season opener.

RESERVE LIST: The Reserve List is a status for players who, for reasons of injury, retirement, military service or other circumstances, are not immediately available for participation with a club. Injured reserve is a Reserve List category that may be used by a club if a player is injured in a practice session or game of his club after having passed the club's physical examination in that year. If a player fails the club's initial physical examination, he is not available for "Physically Injured;" instead, the club may opt to use either the procedure of "Physically Unable to Perform" or "Non-Football Injury/Illness" as applicable to the individual case. Players in the category of "Reserve/Injured" who were physically unable to play football for a minimum of four weeks from the date of going onto IR may be re-activated by their club upon clearing procedural recall waivers. Each club will have eight free re-activations for players meeting the four-week requirement, but only two of the free re-activations can be used for a player placed on "Reserve/Injured" prior to or concurrent with the final cutdown date of Aug. 29, 1988. Clubs participating in post-season competition will be granted an additional free re-activation. Players not meeting the four-week requirement may not return in the same season to the Active List of the club which originally placed them on IR, but may be assigned through the waiver system to another club. Players in the category of "Reserve/Retired," "Reserve/Did Not Report" or "Reserve/Veteran Free Agent Asked to Re-sign" may not be reinstated during the period from 30 days before the end of the regular season on through the post-season.

TRADES: Unrestricted trading is allowed between clubs through the Tuesday following the sixth regular-season game (Oct. 11, 1988) and does not resume again until Jan. 30, 1989.

ROSTER SIZES: As of July 1, roster size for the 1988 season was set at 47 players (listing two as inactive). During 1987, the roster size began at 45 players. Once the '87 players' strike began, that was changed to 45 with an unlimited number of players on an inactive list. Following the strike, roster size was 45 players with a five-man inactive squad. From 1985-86, roster size was set at 45 players, the same number it stood at from 1978-81. Between 1982 and 1984, the roster limit was at 49. From 1975-77, each club was allowed to have 43 players on the active roster. The first roster limitation rule went into effect in 1974 (16 players) and rose gradually until it reached 47 in 1974.

ROSTER CUTDOWN DATES: All clubs must reduce their active roster to 60 players by 4:00 p.m. EDT on Aug. 23, 1988, and to the final total of 47 players (listing two as inactive) by 4:00 p.m. EDT on Aug. 29, 1988.

INACTIVE ROSTER: Once the season starts, teams must declare their two-man inactive roster for each week by 4:00 p.m. on Saturday for a Sunday game and by 4:00 p.m. on Monday for a Monday night game.

INSTANT REPLAY

For the third consecutive season, NFL clubs have approved a limited system of Instant Replay on a one-year basis.

The system basically stays the same as in 1987 with the exception that the Replay Official now will be assigned a regular officiating crew and will attend crew meetings the day before each game. League office personnel no longer will be used as Replay Officials.

In 1987, there were 490 plays closely reviewed (defined as a contact to the field, but not necessarily stoppage of play). There were 57 reversals in 210 games for an average of one reversal in each four games. In 1986, there were 374 plays closely reviewed resulting in 38 reversals in 224 games.

In 1986, the system was approved by a 23-4-1 vote. In 1987, the vote was 21-7. In 1988, replay was cleared by a 23-5 margin.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks — an independent system using cameras, replay machines and technicians separate from the network covering the games, and a “no-frills” approach using existing TV coverage.

In 1985, the NFL used the network feed of the nine nationally-televised preseason games to experiment with the basic system which later was adopted for 1986, 1987 and 1988. A total of 28 plays (17 confirmed call, 4 inconclusive, 1 reversed and 6 no replay shown) were examined closely in the 1985 experiment.

What is the objective of this system?

The clubs feel that on certain plays the telecast viewed by the general public should be used to correct an indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has indisputable visual evidence available to him that warrants the change.

Who will be involved?

The Replay Official (a veteran former NFL or collegiate official) will be positioned in a sideline Replay Booth, which will house two TV monitors and two high-speed VCRs plus radio communications to the on-field officials. The Replay Official makes the decision, although a Communicator (normally a member of the League Office staff) is present. A Technician also will be there to lend logistical help.

Why is the system referred to as “limited” Instant Replay?

This system will concentrate on plays of possession or touching (fumbles, interceptions, muffs) and most plays governed by the sidelines, goal lines, end lines and line of scrimmage (receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line). It also will be used to determine whether there are more than 11 men on the field.

Why aren't most fouls included in this system?

It is recognized that in most circumstances the on-field officials have the best vantage points involving fouls. It is for this reason that Instant Replay will not review a list of the following 26 fouls: clipping; encroachment and offsides; grasp of facemask; false start; defensive pass interference; offensive pass interference; offensive holding and illegal use of hands; illegal batting or punching ball; illegal block on free kick or scrimmage kick; illegal crackback; illegal motion; illegal use of forearm or elbow; illegal use of hands by defense; illegally kicking ball; illegally snapping ball; intentional grounding; member of punting team downfield early; illegal formation; palpably unfair act; piling on; roughing the passer; running into/roughing kicker; striking, kicking or kneeing; unnecessary roughness; unsportsmanlike conduct; and use of helmet as a weapon.

Is the television network carrying the game part of the review process?

No. Although the Replay Official will be viewing the live network feed, there is no communication to television personnel as to which plays to show or not to show.

What is the step-by-step procedure of a play review?

The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other one continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

If the Replay Official believes an error may have been made the Umpire will be contacted via a headset.

The Replay Official will watch replay(s) on one or both monitors and complete his review within a reasonable period after the play is over.

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.
