OWNERSHIP

TOM & GAYLE BENSON

Tom and Gayle Benson give the New Orleans Pelicans and Saints their unwavering commitment to operating two model franchises with championship aspirations, while being community leaders in the Gulf South, through extensive investment and involvement.

The 2017-18 NBA season will mark Tom Benson's sixth year of ownership of the Pelicans, while Gayle Benson serves as the Executive Officer for both clubs.

The objectives in Mr. and Mrs. Benson's ownership of the Pelicans are the same as their stewardship of the Saints: to produce a team that will compete for championships every year, while making a significant positive impact in the community. Upon purchasing the

franchise in 2012, a state-of-the-art basketball practice facility was constructed adjacent to the Saints practice fields and the entire Pelicans organization was housed together for the first time in the franchise's history following an expansion of administrative facilities for both teams. Through agreements with the State of Louisiana upon the purchase of the Pelicans, the Smoothie King Center has undergone a complete renovation since the 2012 purchase, featuring a new center-hung HD video scoreboard which debuted in 2015, along with several additional fan upgrades.

Mr. and Mrs. Benson have played an integral role in bringing one of the year's most anticipated sporting events, NBA All-Star Weekend, to New Orleans three times – in 2008, 2014 and 2017 – making New Orleans one of six current NBA markets that has hosted at least three times.

The 2017 NFL season marks the 33rd year of Mr. Benson's ownership of the New Orleans Saints franchise. Under the supervision and guidance of Mr. and Mrs. Benson, the Saints have reached new heights since 2006. This period, featuring the Super Bowl XLIV title, two NFC Championship appearances, three division championships and five playoff berths, combined with a commitment to rebuild and enhance the Gulf South, has embodied the testament and realization of the principles that Mr. Benson first instilled in the Saints organization when he purchased the franchise in 1985.

When Mr. Benson, who owned numerous automotive and banking interests in both the New Orleans area and South Texas, initially became interested in purchasing the club in 1985, he was motivated by the threat of out-of-town investors planning to move the club from New Orleans. He was certainly a fan of the game and the Saints, but the sport had yet to become one of his passions. As one of the area's top businessmen, Mr. Benson recognized the importance of the team to the region and immediately spearheaded the effort to keep the Saints. But unlike others at the time, it wasn't just an emotional plea. He pooled all of his resources, purchased the club in 1985 and preserved the Saints for the team's legion of fans across the area. The once-rampant speculation that the club was moving immediately ceased.

Not surprisingly, success soon followed as the Saints entered the most compelling and memorable period in franchise history under Mr. Benson's leadership after having previously not enjoyed a winning record or a playoff berth. In 1986, in one of his first personnel moves as Owner, he hired Jim Finks as president/general manager and Jim Mora as head coach. In 1987, the Saints broke through with a 12-3 record and hosted their first playoff contest. In its first 17 seasons of existence, the Saints won a total of 73 games. Under Benson's guidance, the franchise exceeded that win total in only eight years by 1992. The Saints reached even greater heights in 2006, when ownership entrusted Executive Vice-President/General Manager Mickey Loomis to hire Sean Payton as head coach and sign free agent quarterback Drew Brees. Since those moves, the franchise has reached its highest point of success, posting a 107-79 overall record over the last 11 years, capped by the Super Bowl XLIV Championship.

The Bensons' commitment to winning and serving the community is an opportunity to reward the team's fans, whose support has reached new heights with the Mercedes-Benz Superdome being sold-out on a season ticket basis for every campaign since 2006, with a waiting list of over 73,000 people. By the end of the 2016 season, the consecutive sellout streak had extended to 111 games.

In addition to the on-field success and the commitment to the community by the Saints, the efforts of ownership have also paid great economic dividends for the city of New Orleans and the surrounding areas. Since Mr. Benson first purchased the team in 1985, the city has hosted five Super Bowls, including Super Bowl XLVII. Mr. Benson has been the driving force behind each campaign to secure the contest, including the most recent successful campaign at the annual league meetings in May, 2009. Each Super Bowl has been an economic windfall, the 2013 game in New Orleans totaling \$480 million, not to mention the exposure and charitable contributions the NFL makes during Super Bowl week that extends for generations. The Bensons are committed to continuing to bring future Super Bowls to New Orleans.

Highly regarded throughout the NFL, Super Bowl bids are only one of many ways which Mr. and Mrs. Benson influence the sport and the League. Mr. Benson has played a key role among NFL owners in many capacities, including serving three stints as Chairman of the Finance Committee, one of the League's most difficult, time-consuming and influential positions, with his most recent term ending in 2013. The assignment is evidence of the respect and esteem in which successive NFL commissioners and his fellow owners hold him.

Possessing the desire to give back to the great game of football, in 2014 Mr. and Mrs. Benson pledged two significant gifts totaling \$11 million to the Pro Football Hall of Fame. \$10 million has been earmarked for the immediate renovation of the Hall's onsite stadium, which hosts the annual enshrinement Ceremony, the NFL Hall of Fame Game, two high school football teams and two college football teams in Canton, Ohio. In his honor, the facility has been renamed "Tom Benson Hall of Fame Stadium." The additional one million dollars is the first donation towards the establishment of the Hall of Fame's Legends Landing program, a mixed-use residence that will include room for Hall of Famers and former NFL Players.

Dedication to the Gulf South are among Mr. and Mrs. Benson's most rewarding endeavors. Since 2005, the Saints have positioned themselves as a leader in the recovery of the region in the wake of Hurricane Katrina. Immediately after the storm, they established the Saints Hurricane Katrina Fund, which raised over one million dollars to benefit worthy causes that helped in the region's recovery. The club was among the first major businesses to return to New Orleans, and in 2006 had a thrilling season where they reached the NFC Championship Game for the first time, becoming an inspiration for a region on the mend. In 2010, the club established the Saints Gulf Coast Renewal Fund, which raised over \$1.5 million through the raffle of a Super Bowl ring and the 2012 raffle of Saints and Pelicans game day experiences. Over one million dollars has been distributed to charities, such as the local chapters of the Second Harvest Food Bank and Catholic Charities to help provide support of those affected by subsequent natural and manmade disasters, including the 2010 Gulf of Mexico oil spill and Hurricane Isaac. The efforts of the organization have continued to lift the community, with the team serving as an economic engine and a pacesetter in philanthropic contributions. In 2008, Mr. Benson was selected by the Volunteers of America as the winner of its annual Good Samaritan Award in Philanthropy in recognition of his work in the wake of Hurricane Katrina. In 2015, he was honored by New Orleans City Business as one of the region's 35 "Driving Forces" for his contributions to the community since Hurricane Katrina.

Under the guidance of Mr. and Mrs. Benson, the Pelicans and Saints are focal points for healing and restoration—annually putting millions in charitable contributions, goods and services back into the entire Gulf South. Their commitment to the region is firm and lasting, with the focus on building a stronger and more unified city. It's a direction that continues to evolve and expand.

The Bensons have helped stimulate the development of the city's Central Business District, directly adjoining the Mercedes-Benz Superdome, starting with the 2009 purchase of the formerly vacant and blighted Dominion Tower and the unoccupied New Orleans Centre. The two important commercial spaces, which were vacant since Katrina struck the Gulf Coast in 2005, have returned that region of the CBD into a more vibrant and viable sector of New Orleans and revitalized an area that was largely ignored for four years following Hurricane Katrina. The newly renovated Benson Tower has served as a boon to this important business corridor, while "Champions Square", which made its debut in 2010 adjacent to the former mall, is continually being developed and enhanced with the ultimate objective of producing a world-class sports and entertainment destination. This economic investment plan, which included 2009 agreements on both a private and public level, has revitalized the Mercedes-Benz Superdome area, and the agreement with the state included a dramatic modernization of the stadium which was completed in 2011. Following the debut

of the renovations, the Saints, under the leadership of Mr. and Mrs. Benson and Mercedes-Benz USA reached a ten-year agreement to rename the facility the "Mercedes-Benz Superdome." The stadium upgrades and rebranding include a legion of new enhancements that have significantly improved the fan experience for all events at the Mercedes-Benz Superdome and kept the building competitive with new facilities across the country, allowing it to continue to host elite events including Super Bowl XLVII, the 2012 NCAA Men's Basketball Championship and the upcoming 2022 Final Four and the College Football Playoff semifinals and championship game. Recognizing the need for the stadium to be consistently upgraded, Mr. and Mrs. Benson have most recently collaborated on a multi-million dollar enhancement project for which they contributed \$25 million, resulting in significant technology-related enhancements to improve the fan experience, headlined by the addition of two state-of-the-art LED video boards that debuted in August, 2016.

Originally constructed in 1996, Mr. and Mrs. Benson are committed to keeping the club's world-class practice facility among the NFL's elite. In 2003, an indoor practice facility and cafeteria were constructed, along with significant upgrades to the team's locker room, training room and weight room. A significant expansion in 2012 and the debut of a fully remodeled locker room in 2017 assure that the Ochsner Sports Performance Center remains at the top level of the league.

Away from the playing field, Mr. and Mrs. Benson continue to work tirelessly to ensure that the Saints' value reaches the entire Gulf South, whether it's through economic investments that enrich the charitable contributions or groundbreaking community efforts. In addition to reaching out by supporting charities, they also recognize that the future of the area's economy depends on keeping major businesses and employers in the Gulf South locally-owned. Several large investments in the city's future by the Bensons are designed to encourage a number of other businesses to follow their example and continue to build the local economy.

In 2014, Mrs. Benson established GMB Racing Stables in 2014 with an initial purchase of seven colts and hiring three veteran trainers, all with Louisiana ties. In 2016, two of the thoroughbreds, Mo Tom and Tom's Ready participated in the Kentucky Derby. This past April, Mr. Benson, a longtime veteran in the automotive dealership industry, purchased Cadillac of New Orleans to add to his roster of local dealerships, which also include Best Chevrolet and Mercedes-Benz of New Orleans. In July of 2017, he completed the purchase of Dixie Beer, a legendary local brand.

In 2008 when Mr. Benson purchased WVUE FOX 8, the station became the only network-affiliated television station in the New Orleans market that wholly locally owned. Following an agreement to sell a majority interest of the station to Raycom in 2017, Mr. Benson leaves the station in much better shape than when he assumed ownership. Since his purchase of the station, which was followed by significant investment in facilities and on-air talent, FOX 8 has received numerous honors for their programming and investigative reporting, including a George Foster Peabody Award, two Dupont Awards and eight national Edward R. Murrow Awards. 2016 and 2017 have marked new highs for FOX 8, with the station capturing the late night news (9 p.m. and 10 p.m.) Nielsen ratings during the crucial May, 2016 and 2017 sweeps periods. In February, 2017, WVUE's morning show captured more viewers than any other newscast in New Orleans. The station was honored with 11 Regional Murrow Awards, including the prestigious Overall Excellence Award, qualifying them to compete national Murrow Awards in the 11 categories.

Mr. Benson's significant contributions in the sports, business and charitable arenas have been recognized by several honors. His accomplishments have been recognized by several honors. His accomplishments have been recognized through his induction into the Louisiana Sports Hall of Fame (2014), the Junior Achievement Business Hall of Fame (New Orleans Chapter-2013), the New Orleans Saints Hall of Fame (2012), the San Antonio Business Hall of Fame (2011), the Texas Business Hall of Fame (2007) and in 2017 receiving the Lifetime Achievement Award from the Louisiana chapter of the Association For Corporate Growth.

Community involvement and giving back are hallmarks of Mr. and Mrs. Benson's ownership of the Pelicans and Saints. The couple has made a positive impact in the community both personally and through both professional sports teams in the areas of the arts, education, faith-based causes, healthcare and military, as well as other deserving causes. Most recently in 2014, Mr. and Mrs. Benson were recognized for their philanthropy by the Anti-Defamation League with the A.I. Botnick Torch of Liberty Award. Mrs. Benson was also recognized by the Girl Scouts of Louisiana East as a Woman of Distinction for her leadership and service to others.

An accomplished business professional who enjoyed a successful 30-year career in the design industry and real estate development, Mrs. Benson has utilized her passion for design to support the arts in New Orleans. Raised in Old Algiers, she directed numerous major design efforts with her clients, including the Mercedes-Benz Superdome, several of the city's most prestigious hotels and local supermarket chains and automobile dealerships. Mrs. Benson was involved in the NOMA (New Orleans Museum of Art) project "Art for Art's Sake" and is a member of the museum's advisory board. Most recently, she served as one of the chairs for NOMA's Odyssey Ball in 2014, which raised over \$700,000—the most in the gala's history. The funds help ensure the museum's ability to present world-class exhibitions, public programs and educational initiatives.

Both products of local schools, Mr. and Mrs. Benson are committed to supporting the area's educational institutions. In recognition of their longstanding support of Catholic education, the couple received the St. Elizabeth Ann Seton Award from the National Catholic Educational Association in 2010. In 2012, they established the Brother Nicholas, S.C. Building Endowment to support Brother Martin High School (formerly St. Aloysius, from where he graduated). In 1986, his alma mater honored Mr. Benson as their Alumnus of the Year. With Mr. Benson having been educated at Loyola University New Orleans, he and his wife made a pledge for the construction of a new Jesuit Center in 2010, contributed to the creation of the Jesuit Social Research Institute in 2008 and he helped fund the first phase of construction of a chemistry wing in 1999. In 2010, Mr. Benson was honored by Loyola University with the school's Integritas Vitae Award, the New Orleans school's highest honor. The award is annually presented to an individual who exemplifies the qualities Loyola seeks to instill in its students. The Bensons have also supported numerous local schools with gifts, including St. Mary's Dominican High School, Jesuit High School and Tulane University. In supporting Tulane's construction of an on-campus stadium, the Green Wave started playing on "Benson Field" in 2014. The Bensons are members of the Paul Tulane Society, recognizing their significant generosity to the school. Mrs. Benson serves on the Board of Directors for Tulane, the University of Incarnate Word and Archbishop Hannan and Dominican High Schools.

Mr. and Mrs. Benson have also made several significant gifts to higher education in San Antonio, Texas. They funded the building of a football stadium located on the University of Incarnate Word Campus, known as Gayle and Tom Benson Field and Benson Fieldhouse, which also services the school's teams. The football squad took to the field for the first time in 2009 and continues to grow and build their foundation with the Bensons' unwavering support. Mr. Benson was inducted into the school's Athletic Hall of Fame in 2013. In addition, Mr. and Mrs. Benson also established an endowment fund at Central Catholic High School in San Antonio that is dedicated to the memory of the late Robert Carter Benson, who graduated from the school in 1962, and donated the school's "Benson Memorial Library."

Longtime advocates of faith-based causes and spirituality, Mr. and Mrs. Benson have been longtime trusted and valued members of the local Catholic community. Mrs. Benson has served on Archbishop's Community Appeal campaigns for four different Archbishops over the course of the past 20 years and has also worked tirelessly with the Archdiocese of New Orleans' Catholic Charities organization and its umbrella agencies. Mrs. Benson has worked closely with Rite of Christian Initiation for Adults programs at both St. Louis Cathedral and Holy Name of Jesus Parish. She serves as a proud member of the Board of Trustees for the Oblate School of Theology, as well as on Equestrian Order of the Holy Sepulchre and is a noted friend of the St. Louis Cathedral Board, also working closely with the Missionary Oblates Partnership and the Sisters of St. Cecilia Congregation Planned Giving Advisory Committee. Mrs. Benson is currently an active member of the "I Will Give You Shepherds" campaign, which plans to renovate the second floor of the historic Notre Dame Seminary in New Orleans.

The support of the Catholic Church by the Bensons has been recognized on numerous occasions. For his humanitarian and philanthropic endeavors that have positively affected the lives of so many individuals and groups, Mr. Benson was honored in 2012 by the Catholic Church with an Oblate Doctor of Humane Letters (to a person who has achieved the human purpose for which Divine Providence Placed Him on Earth) certificate that honors his "realities of the most noble of human endeavors, weighted by criteria arising from the deepest human values." The certificate also honors "excellence in the area of life where excellence makes the most difference," and further cites his "attributes and accomplishments that come closest to what God would be interested in honoring." In 2012, Mr. and Mrs. Benson received from Pope Benedict XVI the Pro Ecclesia et Pontifice award—for outstanding service to the Church and the Pontiff, the highest Papal award

granted to a lay person. Mrs. Benson has received the Medal of the Order of St. Louis Award for her dedication to the Church.

Mr. and Mrs. Benson have also shown their commitment to the health and wellness of the local community with the Gayle and Tom Benson Cancer Center on the main campus of Ochsner Medical Center. The center was built and has since been upgraded following multiple gifts to the area's leading health service network of hospitals and clinics. In addition to serving on the Ochsner board, Mrs. Benson has led 100-plus volunteer committee members in hosting the Moonlight and Miracles event three consecutive times—the organization's annual gala to benefit the Ochsner Cancer Institute. The event has raised over one million dollars annually to benefit cancer patients in the region.

Supporting the efforts of former Saints safety Steve Gleason and his Team Gleason organization which helps provide people with ALS and other debilitating conditions and environment where they can live vital and productive lives with meaningful freedom and independence, Mr. and Mrs. Benson donated five million dollars in 2014 to the Team Gleason House for Innovative Living at the New Orleans St. Margaret's facility.

In 1945, Mr. Benson served in the Navy aboard the U.S.S. South Dakota and has remained particularly close to this branch of the armed forces. He is the only enlisted man to serve on the Board of Trustees of the Pensacola Naval Museum and has been honored with an award from the crew of the submarine U.S.S. Louisiana. In 2007, Mr. Benson was honored by the U.S. Navy Memorial with the Lone Sailor Award, presented to those who exemplify the core values of honor, courage and commitment. In 2009, Benson was presented with the U.S. Army's "Army Strong" Award in recognition for his position in the community while demonstrating leadership and Army Values on a daily basis. A leading advocate for the National World War II Memorial in Washington D.C., Mr. Benson was also a major contributor and past director of The National WWII Museum in New Orleans, with his pledges helping fund the Pacific Exhibit Grand Opening and the Midway Theater. In 2011, he was among five NFL owners honored with an American Spirit Award by the museum for service in the war.

BENSON COMMUNITY SERVICE

Since Tom Benson's purchase of the New Orleans Saints in 1985 and the New Orleans Pelicans in 2012, the clubs' greatest impact has been in the Gulf South community. The charitable involvement of the clubs rank as he and his wife Gayle's largest priority personally. It is Mr. and Mrs. Benson's vision that the Saints and the Pelicans are much more than professional sports teams and, through their leadership, they are committed to giving back and serving a region that has shown incredible support. The Bensons and the clubs' players, coaches and staff are leaders when it comes to volunteerism, involvement, donations and charitable outreach.

As dedicated corporate citizens, the Saints and the Pelicans annually put millions of dollars back into the community in financial support, in-kind donations, charitable appearances and the donations of goods and services—not to mention the club's critical role in economic development and impact.

The Bensons have been honored repeatedly for the support and care of charitable and civic causes, including the Volunteers of America selecting Mr. Benson as the winner of the annual Good Samaritan Award in Philanthropy in 2008. In 2010, he was awarded Loyola University of New Orleans' highest honor as the recipient of the Integritas Vitae Award, given to an individual who exemplifies a commitment to community service. In 2014, Mrs. Benson was recognized by the Girl Scouts of Louisiana East as a Woman of Distinction for her leadership and service to others. In 2010, both Mr. and Mrs. Benson received the St. Elizabeth Ann Seton Award, which is dedicated to those who have served the National Catholic Education Association through personal or professional philanthropy that has positively impacted Catholic education in the nation. In 2012, they received from Pope Benedict XVI the Pro Ecclesia et Pontifice Award for outstanding service to the Catholic Church and the Pontiff, the highest Papal award granted to a lay person.

Through the leadership of the Bensons, the Saints raised over \$2.5 million for community causes through the Saints Hurricane Katrina and Gulf Coast Renewal funds. Annually, both clubs have also partnered with local youth-oriented charities such as the, the Boys & Girls Clubs, Special Olympics, Boy and Girl Scouts

of America and the United Way to reach as many children as possible. Both teams encourage the health and wellness of children in the Gulf South through Junior Training Camp programs that create fun and memorable football and basketball experiences while promoting physical fitness and the importance of daily exercise routines.

Over 45 foundations and agencies receive monetary donations from the Saints and Pelicans each year – organizations as diverse as Make-A-Wish Foundation, the American Heart Association, the United Negro College Fund, Habitat For Humanity, the New Orleans Police and Justice Foundation, the Second Harvest Food Bank, Catholic Charities and Team Gleason.

The Bensons have made the Pelicans community leaders in the specific areas of battling coastal erosion and the loss of the Gulf South's wetlands. The Pelicans and Audubon Nature Institute are focused on education, as they have executed an outreach program that visits schools and festivals with Audubon's Wetlands Express and AquaVan to give students the opportunity to learn about coastal restoration in a fun and engaging manner. Each year the Pelicans host a charity gala – Toast for the Coast – to raise funds to protect the Gulf Coast.

In addition to consistently supporting local charities, the Bensons have also been a leading advocate for New Orleans and the Gulf South by lending their support in attracting new events to the city, and the club have worked in conjunction with the Greater New Orleans Sports Foundation and other local entities to bid and receive events such as the 2012 NCAA Men's Final Four Basketball Championship, the 2013 Women's Final Four and the 2014 and 2017 NBA All-Star Games. New Orleans' leading advocate of the successful bid to host Super Bowl XLVII, the Bensons remain committed to work on behalf of the city to land future Super Bowls, because of the financial impact and positive global exposure they are able to shed on the city and the state.

Among the numerous organizations and causes they support, Mr. and Mrs. Benson have shown their commitment to the health and wellness of the local community with gifts to build and further enhance the Gayle and Tom Benson Cancer Center on the Ochsner Medical Center Campus.

DENNIS LAUSCHA

PRESIDENT

Dennis Lauscha, who was named president of the Pelicans in 2012, oversees the club's financial operations, government affairs, its marketing, ticket and suite sales, legal, stadium, community affairs, human resources, information technology and facilities departments. He has also served as president of the New Orleans Saints since 2012. He is a representative for both clubs at NFL and NBA Owner's Meetings.

With his 2012 promotion with both clubs capping a steady rise through the executive ranks of the Saints, Lauscha first joined the club as treasurer in 1998 and later earned the additional titles of vice president, senior vice president and executive vice president. In

addition to his duties with the Saints and Pelicans, the New Orleans native maintains multiple roles within other holdings of Tom and Gayle Benson, maintaining a role in the management of automotive dealership holdings, Zelia, LLC, GMB Racing, and Dixie Beer.

Lauscha's collaborative style, financial acumen and long-term view has played a key role as a member of a contingent that has negotiated agreements for both the Saints and Pelicans with the state of Louisiana that has resulted in long-term lease agreements, continuous improvements to their playing and practice facilities, revitalization of the areas around them and generated revenue for the state without any new taxes for citizens.

In 2009, Lauscha helped negotiate the partnership with the Louisiana Governor that continues the Saints' commitment to the state through 2025. The deal included Mr. Benson purchasing and redeveloping the former New Orleans Centre, which has been transformed into Champions Square and the Benson Tower property adjacent to the Mercedes-Benz Superdome, with the stadium itself undergoing extensive renovations and improvements. Since playing a key role in Mr. Benson's purchase of the Pelicans in 2012, Lauscha has helped broker agreements with the state to upgrade the team's playing and practice facilities. Following successful negotiations, the Pelicans are committed to the state through 2024 and the Smoothie King Center has undergone \$50 million in renovations and improvements.

In 2015, Lauscha helped negotiate an agreement with the state that resulted in \$40 million in enhancements for fans of both clubs. The Mercedes-Benz Superdome debuted new state-of-the-art video boards in 2016 in addition to renovated suites and other fan amenities, while a new center-hung HD video scoreboard was installed in the Smoothie King Center for the 2015-16 Pelicans season. Lauscha has also played a key role in finalizing 2011 and 2014 ground-breaking naming rights and sponsorship agreements for both teams' playing facilities with Mercedes-Benz USA and Smoothie King.

Lauscha was instrumental in the 2003 expansion of the Saints training facility. He later oversaw a renovation and expansion of the facilities and administrative offices for the Saints and Pelicans from 2012-13, while directing the construction of a basketball practice facility. The clubs are now housed on the same site, featuring some of the top facilities in professional sports. In July of 2017, Lauscha played a key role in the facilitation of a multi-year naming rights agreement for the entire campus on Airline Drive, renaming it the Ochsner Sports Performance Center.

Lauscha is committed to help attract major sporting events to New Orleans. He's a key member of the team that actively pursues future Super Bowls and NCAA Basketball Final Four Championships for New Orleans - and was instrumental in landing Super Bowl XLVII. Following Mr. Benson's 2012 purchase of the Pelicans, the city has hosted NBA All-Star Games in 2014 and 2017.

In 2008, Lauscha was also a primary member of the negotiating team during the purchase of WVUE FOX 8 and its subsequent relationship with Raycom Media. Prior to an agreement to sell a majority interest to

Raycom in 2017, Lauscha helped steward the station's growth in the Nielsen ratings in the New Orleans market. Since the purchase of the station, which was followed by significant investment in facilities and on-air talent, FOX 8 has received numerous honors for their programming and investigative reporting, including a George Foster Peabody Award, two Dupont Awards and eight national Edward R. Murrow Awards. 2016 and 2017 have marked new highs for FOX 8, with the station capturing the late night news (9 p.m. and 10 p.m.) Nielsen ratings during the crucial May, 2016 and 2017 sweeps periods. In February, 2017, WVUE's morning show captured more viewers than any other newscast in New Orleans. The station was honored with 11 Regional Murrow Awards, including the prestigious Overall Excellence Award, qualifying them to compete national Murrow Awards in the 11 categories.

Active throughout both sports and the community, Lauscha currently serves as a member of the NBA's Team Advisory Council of Presidents and Team CBA Advisory Committee, the NFL's Ticketing Strategy Working Group, the Stuart Hall School Board of Trustees and on the New Orleans Museum of Art Board. MICHAEL STANFIELD

SENIOR VICE PRESIDENT OF SALES

Michael Stanfield was named Senior Vice President of Sales for the New Orleans Saints and New Orleans Pelicans in June, 2012. He oversees all consumer and corporate sales efforts for both clubs.

Entering his 18th season with the Saints and sixth with the Pelicans, Stanfield is responsible for all of the club's sales efforts – directing the sale of season and group tickets and corporate partnerships, developing sales executives to the next level in their field, supervising the lease of the Mercedes-Benz Superdome and Smoothie King Center luxury suites, managing food and beverage for both facilities, overseeing the sale of all team merchandise as well as maintaining the clubs' high standards of customer service and retention.

Since taking over leadership of the Pelicans' ticket sales and merchandising efforts, the organization has seen an increase in season-ticket sales and merchandise sales that were the second-biggest growth in the NBA in 2013, followed by additional significant increases.

Under his direction, the Saints have surpassed the majority of the club's ticket sales milestones, including selling out on a season-ticket basis for the first time in franchise history in 2006 – a feat that has reached 11-straight seasons. In addition, the club has leased every Superdome suite since the beginning of the 2008 campaign. Saints official merchandise has grown annually into one of the NFL's top sellers. Stanfield also supervises the ticket, suite sales and box office personnel on a daily basis, in addition to serving as the food and beverage service liaison with the Mercedes-Benz Superdome.

Since Stanfield's arrival in 2000, the Saints have sold out every contest in the Mercedes-Benz Superdome but one. Prior to the 2006 season, an innovative season-ticket marketing program fueled the rise of filling the stadium on a season-ticket basis. Fans on all economic levels were reached in an effort to retain existing accounts while cultivating new ones, and those efforts built a waiting list that has continued to grow for season tickets for the first time in franchise history. In 2014, the team established a single-season regular season attendance record for games played at the Mercedes-Benz Superdome with 584,900 fans attending Saints games.

Stanfield has also helped oversee the institution of a direct mail and email database to generate ticket sales and excitement surrounding the club and initiated other creative promotional campaigns by using the club's ever-expanding social and new media platforms. The Saints have also been recognized as one of the top organizations in professional sports for their customer service initiatives and outreach programs, including being named the top professional sports organization by ESPN The Magazine in June, 2010.

In 2007, Stanfield completed the Stanford Business School's Executive Education NFL-Stanford Program for Managers, an educational program and honor known league-wide as an important training ground for promising executives.

In prior work experience, Stanfield was served as director of ticket sales for the Detroit Tigers in 1998 where the Major League Baseball club achieved a then-club record for ticket revenue over a two-year span. He previously served as the director of ticket sales for the International Hockey League's Detroit Vipers in 1997. He was a member of the ticket sales staff for the Florida Marlins expansion franchise in 1993.

Stanfield is on the Board of Directors for the Jefferson Chamber, and served a member of the Super Bowl XLVII Host Committee and the Executive Host Committee for the 2014 and 2017 NBA All-Star Games. He is currently serving as a participant in the Jefferson Leadership Class of Eight, whose mission is to develop a diverse network of dedicated business and community leaders with the capacity to improve the quality of life for all citizens in Jefferson Parish and the Greater New Orleans region. Stanfield is a graduate of St. Leo University (Fla.). A sports industry public speaker, Stanfield has given presentations at many national events. He is also an active speaker at numerous youth foundations and professional groups throughout the Gulf South.

MICKEY LOOMIS

EXECUTIVE VICE PRESIDENT/BASKETBALL OPERATIONS

Entering his sixth season, Mickey Loomis was appointed the Executive Vice President of Pelicans Basketball Operations in 2012. Additionally, Loomis serves as the Executive Vice President and General Manager of the New Orleans Saints, where he oversees the organization's entire football operations.

Loomis, entering his 16th season in his current position and 18th with the Saints, is a veteran of 33 years in the NFL. During his time in New Orleans, he has been honored with the most prestigious awards presented to a league executive, yet the most satisfying achievement of Loomis' career has come in helping mold a roster that has produced many of the franchise's finest moments over the last 11 seasons, including the Super Bowl XLIV championship.

Loomis was promoted to general manager in 2002 and earned the additional title of executive vice president later that year. The departments under his direction include coaching, player personnel and scouting, salary cap management, contract negotiations, athletic training, equipment, video and communications.

In 2006 - after being the key figure in the hiring of Sean Payton, the signing of Drew Brees and essentially rebuilding a team that would advance to the NFC Championship - Loomis was voted the NFL Executive of the Year by Pro Football Weekly/Pro Football Writers of America. He was also honored by the Sporting News as the George Young Executive of the Year, an award voted on annually by NFL front-office executives and owners.

Loomis has continued to build on the success of 2006, highlighted by five postseason appearances, three division titles and the Super Bowl victory. Over the past 11 years, he has brought aboard a collection of players who have played a key role in New Orleans posting a 107-79 overall record through a combination of the draft, free agency and trades. He's also presided over the club's ability to retain their core players, re-signing several significant contributors to long-term contracts.

While his responsibilities have grown during his tenure with the Saints, Loomis has been a key figure in the highest management circle of the organization since arriving in 2000. Loomis joined the club as director of football administration, a post he held until 2002, handling contract negotiations, managing the salary cap and coordinating different areas of the football operations.

In 2005, Loomis helped steer the club through unprecedented challenges for an NFL team. He calmly guided the staff and players through a sudden evacuation from New Orleans in the wake of Hurricane Katrina, in addition to several moves of the club's base of operations.

Since 2003, Loomis has overseen two extensive renovations of Saints headquarters that have added an indoor practice facility, new weight room and cafeteria and completely renovated coaches and player personnel offices, meeting rooms and locker rooms, giving the club one of the NFL's top training complexes in the Ochsner Sports Performance Center.

Prior to arriving in New Orleans, Loomis spent 15 years with the Seattle Seahawks, including as executive vice president from 1992-98. He joined the Seahawks in October, 1983, was promoted to Vice President/Finance in 1990 and to Executive Vice President in 1992.

A native of Eugene, Ore., Loomis has a degree in accounting from the University of Oregon and a Master's Degree in Sports Administration from Wichita State University.

ALVIN GENTRY

HEAD COACH

On May 30, 2015, Alvin Gentry was named the head coach of the New Orleans Pelicans – the sixth in the franchise's history.

Prior to joining the Pelicans organization, Gentry served as the associate head coach of the Golden State Warriors, helping navigate the team to one of the best seasons in NBA History. The Warriors won a franchise record 67 games – good for the best record in the NBA – and defeated the Cleveland Cavaliers in six games to claim the 2015 NBA Championship – the franchise's first in 40 years.

Gentry, 62, brings more than 35 years of coaching experience to the Crescent City. Gentry has previously served as the head coach of the Miami HEAT (1995), Detroit Pistons (1997-2000), Los Angeles Clippers (2000-2003) and Phoenix Suns (2008-2013). In 705 games, Gentry has amassed a career record of 335-370 (.475). During his tenure in Detroit, Gentry led the Pistons to the 1999 NBA playoffs during his only full season as head coach of the club. In Los Angeles, Gentry improved the Clippers' record by 16 wins during his first season in 2000-01 (31-51), and added another eight wins the following season (39-43), marking the franchise's best finish in nearly a decade. As head coach of the Suns, Gentry led the team to the 2010 Western Conference finals after a 54-28 regular season record – the fourth best in Phoenix franchise history.

Known for his offensive prowess, Gentry's 2009-10 Suns team led the NBA in scoring (110.2 points per game) as well as offensive rating (115.3), and finished fourth in pace of play (95.3), while being the only team in the league to connect on over 40-percent of their three-point field goal attempts (.412). During the 2013-14 season, Gentry served as the associate head coach of the Clippers, where Los Angeles led the league in both scoring (107.9 points per game) and offensive rating (112.1), while also finishing seventh in pace of play (95.9). This past season while with the Warriors, Golden State led the league in scoring (110.0 point per game) and pace of play (98.3), while finishing second in offensive rating (111.6).

A native of Shelby, N.C., Gentry was a college point guard at Appalachian State, where he graduated with a degree in management in 1977 before embarking on a coaching career. He earned his first opportunity as a graduate assistant at the University of Colorado during the 1977-78 season and landed a full-time assistant coaching job at Baylor in 1980 before returning to Colorado as an assistant coach from 1981-85. In 1985, Gentry joined Larry Brown's staff as an assistant at the University of Kansas, helping the Jayhawks capture the 1988 National Championship and then proceeding to follow Brown to the NBA as an assistant coach on his staff with the San Antonio Spurs. This will be Gentry's second stop in New Orleans, as he served as an assistant coach for Tim Floyd's staff during the 2003-04 season.

Gentry and his wife, Suzanne, have two sons, Ryan (19) and Jack (16). Alvin also has a daughter, Alexis (32), who lives in Denver.

Credentials are good for admittance to the press room, dining area, locker rooms and seating areas and may be picked up at the press entrance (located at the loading dock entrance, which is across the street from Lot #4 at the Smoothie King Center). Credentials must be worn at all times and are non-transferable. Any unauthorized use will subject the bearer to ejection from the arena and the forfeiture of the credential. An autograph request by a media member will also result in the forfeiture of the credential.

International Media Policy

Media representing an organization with affiliations located outside Canada or the United States must contact NBA International at (212) 407-8000 to arrange credentials. Please do not contact the Pelicans media relations department. Additional information on international media policies can be obtained from the NBA League Office.

LOGOS / MARKS

PRIMARY LOGO

WORDMARK

Inspired by French Quarter street signs.

FLEUR-DE-LIS

A most notable symbol of New Orleans, the Fleur-de-lis is also represented within the primary and secondary marks. Its roots lie within its French origin and the deep cultural heritage of our city and is thus displayed on the city's flag. The mark, however, came to mean much more after Hurricane Katrina devastated the region, and came to symbolize the heart and resolve of the city.

CRESCENT BASKETBALL

Coined the "Crescent City" in 1835, New Orleans derived its popular nickname as it was established along the semi-circle bend of the Mississippi River. The crescent shape is thereby represented in several of the marks.

PARTIAL LOGO

SECONDARY LOGOS

"BIRD-DE-LIS"

Incorporates pelican, fleur-de-lis and crescent basketball.

CIRCULAR

Incorporates cultural reference to "Crescent City" more formally and includes fleur-de-lis and crescent basketball.

NOLA

Refers to New Orleans, LA and includes fleur-de-lis.

NEW ORLEANS PELICANS OFFICIAL COLORS

■ PELICANS NAVY	PANTONE 289	100C/76M/12C/70Y	22G/65B
■ PELICANS GOLD*	PANTONE 872	40C/48M/76Y/16K	180R/151G/90B
■ PELICANS RED	PANTONE 186	91M/76Y/6K	225R/58G/62B

*for alternative flat applications use Pantone 465

Blue, gold and red are the colors represented in the flag of New Orleans.

PRIMARY - BLUE

Representative of the state flag of Louisiana. Traditionally represents liberty (as in the City of New Orleans flag).

SECONDARY - GOLD

The raucous embellishment and flourish that represents the spirited life of New Orleans. It's a color indicative of the city itself. It ties together this organization (shared color with the Saints), the rich and diverse history of the city and its culture of celebration. It's the color often found in the "crown" of pelicans and represented the championships we intend to win.

TERTIARY - RED

Red signifies fraternity, one blood or union, as with this team of players. It also represents the legend of the mother pelican pricking her own breast to feed her young in times of need, doing whatever it takes to endure. It's found on the throat of this powerful bird and provides a flash of intensity.

PELICANS NBA G LEAGUE FRANCHISE

Pelicans forward Cheick Diallo during an assignment with the Long Island Nets during the 2016-17 season

On March 30, 2017, the New Orleans Pelicans announced their intention to own and operate an NBA G League franchise to begin play at the start of the 2018-19 season. Based on organization and league research, the franchise sent requests for proposals to 11 cities/communities throughout the Gulf South region, including seven in Louisiana, two in Mississippi, one in Alabama and one in Florida. On April 25, it was announced that six communities had responded affirmatively to the proposal requests - Baton Rouge, LA; Jackson, MS; Pensacola, FL; St. Tammany Parish, LA and Shreveport, LA, with a June 7 deadline to submit a comprehensive proposal to the Pelicans.

Prior to the launch of their own minor league affiliate, the Pelicans shared affiliations with other NBA teams with the Albuquerque/New Mexico Thunderbirds (2005-11), Iowa Energy (2011-14) and the Fort Wayne Mad Ants (2014-15), allowing the Pelicans to assign players with less than three years of NBA experience to their affiliate franchise. Since the 2015-16 season, all NBA teams independent from a direct one-to-one affiliation with an NBA G League franchise have been afforded the opportunity to assign players to one of the teams in the NBA's minor league through the flexible assignment system.

Introduced in the newest NBA Collective Bargaining Agreement, taking effect prior to the start of the 2017-18 season, will be "two-way contracts." These new contracts will allow NBA teams to retain the rights of up to two players who will primarily play in the NBA G League, but will have the ability to be called up to their NBA team for a total of 45 days during the season.

COMMUNITY INITIATIVES

The New Orleans Pelicans community efforts focus on two key initiatives critical to the future success and prosperity of the Gulf South region: the health and sustainability of our coastal wetlands and the health and fitness of our region's children.

In conjunction with our community and corporate partners, the Pelicans are executing several outreach programs that will positively impact and inspire the lives of individuals in our community.

The health of the coastal wetlands is vital to growth and success of the state and region. The Louisiana wetlands provide 30% of the seafood catch in the contiguous U.S. Our wetlands habitat is also home to a wide variety and number of wildlife and plants.

Over 80% of wetland loss in the United States occurs in Louisiana – the equivalent of 12 basketball courts is lost every 30 minutes. The Gulf Coast has lost more than 55% of the wetlands that were here when the first Europeans arrived in the 15th century – a loss of more than 100 million acres.

The New Orleans Pelicans and the Audubon Nature Institute continue to team up to help preserve Louisiana's coast and wetlands. The long-term partnership focuses specifically on educating students on the effects of coastal restoration on the Region, as well as inspiring them to take action to ensure the long-term health of the coast.

The Pelicans organization is an advocate for the health and wellness of children in the Gulf South. With the ongoing goal of helping kids find the excitement in being active, the Pelicans host their Junior Training Camp program presented by Smoothie King, and Ochsner Health System. Junior Training Camps engage students in activities focused on creating a fun and memorable basketball experience, while also being active and healthy.

The Pelicans and Biddy Basketball, an internationally recognized youth basketball development program, have partnered with the goal of promoting and growing local youth participation in basketball. They will annually work closely together on the organization of numerous basketball and life skills clinics across the Gulf South region, enhancing the branding and uniform experiences for the players, creating special nights, tournaments and promotions at New Orleans Pelicans home games while continually emphasizing and highlighting the efforts of Biddy Basketball and youth basketball. Biddy Basketball, which has been headquartered in New Orleans since the 1960's, adheres to its mission of providing instructions and guidelines for properly developing fundamentally sound basketball skills while also helping children gain knowledge, skills and competencies in basketball coupled with learning the importance of teamwork and other important social skills. Biddy Basketball has implemented smaller basketballs, lower goals and the distance of the free throw line to better fit the younger athletes. These simple modifications permit the players to learn the fundamentals of the game and to develop their ball handling skills with regard to their age and physical abilities.

The Pelicans also support the Jr. NBA presented by Under Armour initiative, the NBA's youth basketball participation program for boys and girls ages 6-14. The Jr. NBA teaches the fundamental skills as well as the core values of the game at the grassroots level in an effort to help grow and improve the youth basketball experience for players, coaches and parents.

As an extension of the Jr. NBA, the Pelicans have launched the Jr. Pelicans program. The team will host events throughout the season, including clinics for coaches and players.

To help support its community initiatives, the team hosts an annual gala, Toast for the Coast. For more information about the team's

NBA Cares is the league's global social responsibility program that builds on the NBA's mission of addressing important social issues. NBA Cares programs and participants have provided more than 41 million hours of hands-on service and created more than 1,115 places where kids and families can live, learn or play in communities around the world. The NBA also engages more than 18 million youth annually, inspiring play and teaching the values of the game. NBA Cares works with internationally recognized youth-serving programs that support education, youth and family development, and health-related causes, including: Thurgood Marshall College Fund, Special Olympics, YMCA of the USA, Boys & Girls Clubs of America, UNICEF, the Make-A-Wish Foundation, Share Our Strength and GLSEN.
