## TOM BENSON

### OWNER/CHAIRMAN OF THE BOARD

Tom Benson became Owner of the New Orleans Pelicans on June 15, 2012 when the National Basketball Association's Board of Governors approved his purchase of the team. In conjunction with the finalization of the transaction, the franchise's lease extension was approved by the State of Louisiana, keeping the Pelicans in New Orleans for the long-term. In addition, NBA Commissioner David Stern announced that New Orleans will be the host for the 2014 NBA All-Star Weekend.

The finalization of the sale came on the heels of New Orleans winning the NBA Draft Lottery and receiving the first overall pick, as well as the tenth overall pick, in the 2012 NBA Draft. In addition to the selection of Anthony Davis with the first overall pick and Austin Rivers with the tenth overall pick, Mr. Benson continues to provide the necessary resources to build momentum and excitement heading into the 2013-14 season.

On January 24, 2013, Mr. Benson announced that the formerly-known Hornets would be renamed the Pelicans at the conclusion of the 2012-13 season. Mr. Benson's ambition was to rename the team in a way that represents the culture and resolve of the Gulf Coast region while also symbolizing Louisiana's most pressing initiative of coastal restoration and wildlife conservation. The Pelican symbolizes the determination to not only survive, but thrive even when the odds are stacked against them as our region has demonstrated over and over.

Upon taking ownership of the New Orleans Saints, Mr. Benson was confident that he would one day bring a championship to his hometown. That aspiration came to fruition on February 7, 2010 when the Saints defeated the Indianapolis Colts, 31-17, in Super Bowl XLIV in Miami, Fla.

The Saints' successful march to the National Football League's Championship level has been the crown jewel of many highlights that the franchise has experienced both on and off the field since 2006. This period, featuring the Super Bowl title, two NFC Championship appearances, three division championships and four playoff berths, combined with a commitment to rebuild and enhance the Gulf South region, has embodied the testament and realization of the principles that Mr. Benson has instilled in the Saints' organization throughout his 28 years of team ownership.

The essential qualities and directives of Mr. Benson's tenure as Owner of the Saints have been unadorned – direct all of his efforts and resources towards bringing the fans what have been consistently new levels of success on the football field, all the while supporting his hometown and the entire region by investing in the community. Mr. Benson has understood since purchasing the club in 1985 that the Saints are part of the fabric of the Gulf South: a cornerstone of the region economically and he has made them a leader in charitable causes.

Mr. Benson's tenure of ownership has been a period defined by historic advancements in successes, whether it be measured by victories, playoff appearances, Mercedes-Benz Superdome attendance figures, national television coverage, positive economic impacts both locally and regionally, as well as serving as one of the most philanthropic and charitable citizens in the city's rich and colorful history.

During his ownership and leadership of the Saints, Mr. Benson has helped drive the evolution of the team's legion of fans support that reached new heights with the Mercedes-Benz Superdome being sold-out on a season ticket basis for every campaign since 2006, with a waiting list of over 73,000 people. By the end of the 2013 season, the consecutive sellout streak will extend to at least 81 games.

These supporters turned out in record numbers to welcome the Saints home from their Super Bowl victory for a downtown New Orleans parade that exceeded 800,000 spectators.

While his work within the organization and the Saints' turnaround is well documented, his efforts have also paid dividends for the city and the surrounding area.

During his ownership tenure, the city has hosted five Super Bowls, including Super Bowl XLVII, which was played on February 3, 2013, following a vote by NFL owners after Mr. Benson directed a successful campaign during the annual league meetings in May, 2009. He's been the driving force behind each campaign to secure the contest, and made this latest accomplishment his top priority in an effort to present the recovery of New Orleans on an international level. Each Super Bowl has been an economic windfall, the most recent totaling \$480 million, not to mention the exposure and charitable contributions the NFL makes during Super Bowl week with an impact extending for generations.

## OWNERSHIP

Mr. Benson has made the objectives of success, support and investment in the region not only his personal direction daily, but the core values of the entire organization. Not surprisingly, success has followed, both on the field and off. When he purchased the team, the Saints entered the most compelling and memorable period in franchise history. Prior to his arrival, the club's fans had never enjoyed a winning record, celebrated a division title or experienced the thrill of playoff victories.

But Mr. Benson's impact was immediate. Two years after assuming the reins of the organization, the Saints hosted their first playoff contest. After multiple winning seasons, playoff berths and division titles since, the franchise has reached new heights, topped by the Super Bowl title.

His dedication to the Gulf South region has been among Mr. Benson's most rewarding endeavors. Since 2005, the New Orleans native has positioned the Saints as a leader in the recovery of the region in the wake of Hurricane Katrina, the worst natural disaster in our nation's history. The club was among the first major businesses to return to New Orleans, and in 2006 had a thrilling season that became an inspiration for a region on the mend. In 2010, through his leadership, the club established the Saints Gulf Coast Renewal Fund, which has raised over \$1.5 million through raffles of a Super Bowl XLIV championship ring and Saints and Pelicans gameday experiences to help benefit the response to natural disasters such as the oil spill in the Gulf of Mexico and Hurricane Isaac.

Recently, over one million dollars have been distributed to deserving charities, such as the local chapters of the Second Harvest Food Bank and Catholic Charities, to help provide support to those affected. The efforts of the organization have continued to lift the community, with the team serving as an economic engine and a pacesetter in philanthropic contributions.

Under Mr. Benson's guidance, the Saints have been a focal point for healing and restoration – annually putting \$15 million in charitable contributions, goods and services back into the Gulf South and Greater New Orleans Area. His pledge of the club's commitment to the region was firm and lasting, with his focus on building a stronger and more unified city. It's a direction that continues to evolve and expand.

Some of Mr. Benson's most ambitious projects to date have occurred in New Orleans' Central Business District, directly adjoining the Mercedes-Benz Superdome, starting with his 2009 purchase of the formerly vacant and blighted Dominion Tower. As part of the agreement, Benson and his family also purchased the unoccupied New Orleans Centre. The two important commercial spaces, which were vacant since Katrina struck the Gulf Coast in 2005, have returned the CBD into a more vibrant and viable sector of New Orleans and revitalized an area that was largely ignored for four years. The newly renovated Benson Tower has served as a boon to this important business corridor, while "Champions Square", which made its debut in 2010 adjacent to the former mall, is continually being developed and enhanced with the ultimate objective of producing a world-class sports and entertainment destination.

Mr. Benson's economic investment plan, which included 2009 agreements on both a private and public level, has revitalized the Mercedes-Benz Superdome area, and the agreement with the state included a dramatic modernization of the stadium which was completed in 2011. Following the debut of the renovations, the Saints, under Mr. Benson's leadership, and Mercedes-Benz USA reached a 10-year agreement to rename the facility the "Mercedes-Benz Superdome." The stadium upgrades and rebranding with his help include a legion of new enhancements that have significantly improved the fan experience for all events at the Mercedes-Benz Superdome and kept the building competitive with new facilities across the country.

Since its opening in 1996, Mr. Benson has strived to keep the club's practice facility in Metairie among the NFL's elite. In 2003, an indoor practice facility and cafeteria were constructed, along with significant upgrades to the team's locker room, training room and weight room. Significant expansions and a remodeling in 2012 and 2013, assured that the facilities would remain at the top level of professional sports teams, while housing the full capabilities of two major league sports clubs.

Mr. Benson's vision of what an NFL club should be off the field – proactive, with a positive impact on the prosperity of the community and the charities that support the less fortunate – has been the determining factor of the Saints' approach.

The Saints' Owner has not only reached out by supporting charities, but also by recognizing that the future of the area's economy depends on keeping major businesses and employers in the Gulf South locally-owned. His philosophy is to rebuild the economy by developing the infrastructure of the region from the inside, and Mr. Benson has made two other large investments in the city's future, encouraging a number of other businesses to follow his example.

In 2008, he purchased WVUE, making FOX-8 the only network-affiliated television station in the New Orleans market that is wholly locally owned. After researching the trends of the media industry, Mr. Benson discovered television stations have increasingly become parts of national media conglomerates, and his focus remains on keeping Louisiana businesses owned by those with ties to the state.

In June 2012, Mr. Benson continued his commitment to the Gulf South by purchasing the NBA Hornets franchise, which was successfully rebranded as the Pelicans. His objectives in ownership of the basketball team are the same as his stewardship of the Saints: to produce a team on-the-court that will compete for championships every year, while making a significant positive impact off-the-court in the community.

Since 2006 – when New Orleans captured the nation's imagination by winning the NFC South and advancing further into the postseason than ever before – the Saints have been symbolic of the region's resolve and grit, though Benson, as usual, chooses to work quietly in the background.

His tenure as Owner has been defined by honesty, dedication, loyalty and commitment to the city, region, Saints and the NFL. When Mr. Benson initially became interested in purchasing the club in 1985, he was motivated by the threat of out-of-town investors planning to move the club from New Orleans. He was certainly a fan of the game and the Saints, but the sport had yet to become one of his passions.

As one of the area's top businessmen, Mr. Benson recognized the importance of the team to the region and immediately spearheaded the effort to keep the Saints. But unlike others at the time, it wasn't just an emotional plea. He pooled all of his resources, purchased the club in 1985 and preserved the Saints for the team's legion of fans across the area. And the once-rampant speculation that the club was moving immediately ceased.

While Mr. Benson's initial motivation for purchasing the team was to ensure it did not leave New Orleans, all of the Saints' best seasons have come since his arrival, and his goal remains for the club to rank among the most admired franchises in all of sports, a feat that took a monumental step forward with the Saints' first-ever NFC and NFL championships in 2009 and their continued success.

Following the 2009 season, ESPN the Magazine ranked the Saints first among professional sports organizations, based on several criteria. Benson's significant contributions in the sports, business and charitable arenas have been recognized by several honors. Since becoming involved with the Saints, his accomplishments have been recognized through his induction into the Saints Hall of Fame (2012), the Junior Achievement Business Hall of Fame (Greater New Orleans chapter – 2013), the San Antonio Business Hall of Fame (2011) and the Texas Business Hall of Fame (2007). In August of 2010, he served as the presenter for Rickey Jackson's induction into the Pro Football Hall of Fame.

So perhaps the Saints' successes in the years since were to be expected. Football was a new business for Mr. Benson when he arrived on the scene, but he was a quick learner and followed his lifelong professional philosophy of finding the right people and giving them the freedom to handle their responsibilities.

Mr. Benson also immediately emerged as one of the most trusted and valued figures in the league. He has played a key role in many capacities, including serving three stints as Chairman of the Finance Committee, one of the league's most difficult, time-consuming and influential positions, his most recent term ending in 2013. The assignment is evidence of the respect and esteem in which successive NFL commissioners and his fellow NFL owners hold him.

Community involvement has been the hallmark of the Benson era since he became the Owner of the team, and because of those efforts the World Sports Humanitarian Hall of Fame has twice recognized the club as one of the five most charitable professional organizations. Benson was selected by the Volunteers of America as the winner of its annual Good Samaritan Award in Philanthropy in recognition of his work in the wake of Hurricane Katrina. In 2010, he was honored by Loyola University with the school's Integritas Vitae Award, the New Orleans school's highest honor. The award is annually presented to an individual who exemplifies the qualities Loyola seeks to instill in its students. The recipient is chosen for displaying high moral character and selfless service, without expectation of material reward or public recognition, and adhering to the principles of honesty, integrity, justice and the preservation of human dignity. In addition, Mr. Benson was honored by the New Orleans chapter of CRIMESTOPPERS with the James J. Coleman Corporate Partner Award for his continued support of the national non-profit organization that works with law enforcement agencies in their work to identify and apprehend criminals.

For his humanitarian and philanthropic endeavors that have positively affected the lives of so many individuals and groups, Mr. Benson was honored in 2012 by the Catholic Church with an Oblate Doctor of Human Letters (to a person who has achieved the human purpose for which Divine Providence Placed Him on Earth) certificate that honors his "realities of the most noble of human endeavors, weighted by criteria arising from the deepest human values." The certificate also honors "excellence in the area of life where excellence makes the most difference," and further cites his "attributes and accomplishments that come closest to what God would be interested in honoring." In 2012, Mr. Benson and his wife, the former Gayle Marie LaJaunie, a fellow native of New Orleans, received from Pope Benedict XVI the Pro Ecclesia et Pontifice award – for outstanding service to the Church and the Pontiff, the highest Papal award granted to a lay person.

Mr. and Mrs. Benson are also personally involved in several charitable endeavors, including supporting local and regional causes. Mr. and Mrs. Benson have also funded the building of a football stadium located on the University of Incarnate Word Campus, known as Gayle and Tom Benson Field. The school's team took to the field for the first

time in 2009 and will continue to grow and build their foundation with Benson's unwavering support. In addition, the Benson family also established an endowment fund at Central Catholic High School in San Antonio that is dedicated to the memory of the late Robert Carter Benson, who graduated from the school in 1962. Tom Benson also donated the Benson Memorial Library at Central Catholic. In 2012, Mr. and Mrs. Benson established the Brother Nicholas, S.C. Building Endowment to support Brother Martin High School (formerly St. Aloysius, from where he graduated). In 1986, his alma mater honored Mr. Benson as their Alumnus of the Year. Educated at Loyola University New Orleans, Mr. Benson has made a pledge for the construction of a new Jesuit Center in 2010, contributed to the creation of the Jesuit Social Research Institute in 2008 and helped fund the first phase of construction of a chemistry wing in 1999. In recognition of their longstanding support of Catholic education, Mr. and Mrs. Benson received the St. Elizabeth Ann Seton Award from the National Catholic Educational Association in 2010. In March, 2012 they were inducted by Tulane University into the Paul Tulane Society, recognizing their significant generosity to the school. In supporting the school's construction of an on-campus stadium, the Green Wave will start playing on "Benson Field" in 2014.

A cancer survivor, Mr. Benson has also worked closely with the Ochsner Foundation Hospital in New Orleans with the establishment of the Tom and Gayle Benson Cancer Center, a \$20-million treatment complex.

In 1945, Mr. Benson served in the Navy aboard the U.S.S. South Dakota and has remained particularly close to this branch of the armed forces. He is the only enlisted man to serve on the Board of Trustees of the Pensacola Naval Museum and has been honored with an award from the crew of the submarine U.S.S. Louisiana. In 2007, Mr. Benson was honored by the U.S. Navy Memorial with the Lone Sailor Award, presented to those who exemplify the core values of honor, courage and commitment. In 2009, Benson was presented with U.S. Army's Army Strong Award in recognition for his position in the community while demonstrating leadership and Army Values on a daily basis.

A leading advocate for the National World War II Memorial in Washington D.C., Mr. Benson was also a major contributor and past director of The National D-Day Museum in New Orleans, with his pledges helping fund the Pacific Exhibit Grand Opening and the Midway Theater. In 2011, he was among five NFL owners honored with an American Spirit Award by the museum for service in the war.

## BENSON COMMUNITY SERVICE

Tom Benson's greatest impact over the last 28 years has been in the community, and the club's charitable involvement has been among his most rewarding endeavors personally since 1985. He realized immediately the Saints could be more than just a football team to the region, and that the club's players, coaches and staff were pacesetters when it came to volunteerism, involvement, donations and charitable outreach.

As a corporate citizen, the Saints annually put millions of dollars back into the community in financial support, in-kind donations, charitable appearances and the donation of goods and services – not to mention the club's critical role in economic impact and development.

Benson and the Saints have been honored repeatedly during his years as Owner for the support and care of charitable and civic causes, including the Volunteers of America selecting him as the winner of the annual Good Samaritan Award in Philanthropy in 2008. In 2010, Benson was awarded Loyola University of New Orleans' highest honor as the recipient of the Integritas Vitae Award, given to an individual who exemplifies a commitment to community service.

Mr. Benson and his family have helped raise over \$2.5 million for community causes through the Saints Hurricane Katrina and Gulf Coast Renewal funds.

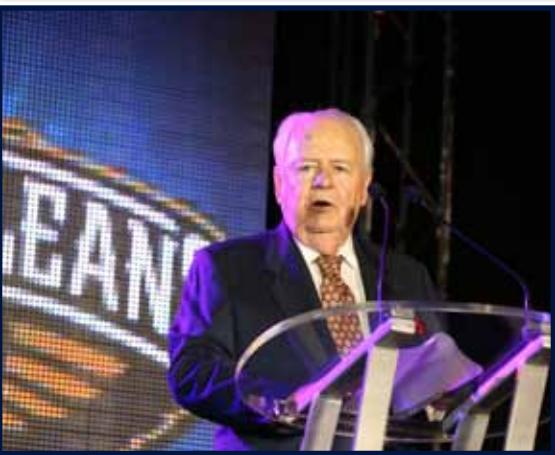

Annually, the club has also partnered with local youth-oriented charities such as the Boys & Girls Clubs, Special Olympics, Boy and Girl Scouts of America and the United Way to reach as many children as possible. And over 45 foundations and agencies receive monetary donations from the Saints each year – organizations as diverse as Make-A-Wish Foundation, the American Heart Association, the United Negro College Fund, Habitat For Humanity, the New Orleans Police and Justice Foundation, the Second Harvest Food Bank and Catholic Charities.

In addition to consistently supporting charities, Mr. Benson has also been a leading advocate for New Orleans and the Gulf South. He lends his support in attracting new events to the city, and the club has worked in conjunction with the Greater New Orleans Sports Foundation and other local entities to bid and receive the 2012 NCAA Men's Final Four Basketball Championship and the 2013 Women's Final Four.

Upon the announcement of his purchase of the recently renamed New Orleans Pelicans franchise in the spring of 2012, the city was awarded the 2014 NBA All-Star Game.

New Orleans' leading advocate of the successful bid to host Super Bowl XLVII, which was played in the Mercedes-Benz Superdome on February 3, 2013, Benson remains committed to work on behalf of the city to land future Super Bowls, because of the financial impact and positive global exposure they are able to shed on the city and the state.

It is the fifth time New Orleans will host the Super Bowl since he's owned the club. On the field, the Saints enjoy their most successful season in franchise history. New Orleans sets a club record for victories with a 13-3 regular season, capturing the NFC South title. The Saints then hosted the NFC Championship game for the first time and advance to their first Super Bowl with a 31-28 overtime victory over the Minnesota Vikings on January 24, 2010. New Orleans then defeated the Indianapolis Colts, 31-17, on February 7, 2010, in Super Bowl XLIV at Sun Life Stadium in South Florida to give the Saints their first-ever NFL title.

**2010:** Sparked by a six game winning streak, the Saints finish 11-5 and qualify for the playoffs, making back-to-back postseason appearances for the first time since 1992.

**2011:** The club's completely renovated stadium makes its debut as the Mercedes-Benz Superdome, following a 10-year naming rights and sponsorship agreement with the automaker. The Saints enjoy an eight-game winning streak to end the regular season and finish 13-3, capturing their second NFC South title in three seasons. The team sets the NFL single-season record for total net yardage, while Brees and RB Darren Sproles set the NFL's single-season passing yardage and all-purpose yardage records.

**2012:** Continuing his longstanding commitment to the Gulf South region and the City of New Orleans, Mr. Benson agrees to purchase the National Basketball Association's New Orleans Pelicans. The Saints practice facility undergoes a multimillion dollar renovation and expansion, which will house both the NFL and NBA clubs under one roof. Brees sets an NFL record that stood since 1960, as he threw a touchdown pass in 54 consecutive games.

**2013:** The city of New Orleans hosts Super Bowl XLVII on February 3, the 10th time the Crescent City has hosted the league's championship game (tied for first with South Florida) and the fifth time during Mr. Benson's ownership tenure.

## RITA BENSON LEBLANC

## OWNER/VICE CHAIRMAN OF THE BOARD

As Owner/Vice Chairman of the Board of the New Orleans Saints and Pelicans, Rita Benson LeBlanc has served as a catalyst for New Orleans distinguishing itself as one of the most unique host cities in the world for major events.

LeBlanc is the teams' representative for the NFL and NBA Ownership meetings and has represented the Saints since 1997 at NFL Ownership meetings, where she chairs the Employee Benefits and serves on the International Owner committees. LeBlanc's concentration is focused on the overall brand, financial and civic impact of the Saints and Pelicans in New Orleans, regionally and on an international level. Through relationships and collaborations with community partners, LeBlanc has

led the organizations as host of multiple Super Bowl games, as well as in landing the 2014 NBA All-Star Weekend.

As a member of Super Bowl XLVII's New Orleans Host Committee, LeBlanc worked closely with the Greater New Orleans Sports Foundation to execute the week's festivities. Super Bowl XLVII produced a \$480 million net impact for the region as it welcomed over 100,000 football fans and a record-breaking 5,200 media professionals to the city. Throughout the weekend, LeBlanc and Saints players participated in over 30 community service events, including the NFL's Super Saturday of Service, NFL Play 60 events and green initiatives highlighted by the planting of 7,000 trees around the city.

In addition to taking an active leadership role in New Orleans' opportunities as a host city, LeBlanc has also worked to recruit new businesses and expand economic development by serving on the boards of the Business Council of New Orleans and the River Region, Greater New Orleans Inc. and the New Orleans Business Alliance. She previously served on New Orleans Mayor Mitch Landrieu's Economic Development Task Force. LeBlanc is actively involved in hosting site selection groups to explore growth in the greater New Orleans region and the state of Louisiana to promote multi-sector growth to the overall state economy.

Upon purchasing the city's NBA franchise, LeBlanc played a key role in the development of the new brand identity, logos and color scheme for the re-named New Orleans Pelicans. The Pelican is more than a nickname for the franchise, as it represents the culture and resolve of the Gulf Coast region while also symbolizing Louisiana's most pressing initiative of coastal restoration and wildlife conservation.

After overseeing the Saints' sales and marketing efforts, community affairs, youth programs initiatives, game day entertainment and stadium operations for seven years, in 2012, LeBlanc's duties expanded to include management for Zelia LLC, which includes properties such as Benson Tower, Champions Square and various interests. She also works with her mother and brother overseeing other ventures in automotive, real estate, banking and multi-media platforms, including FOX 8 (WVUE). LeBlanc led the renovation of Benson Tower, a 26-story building with over 480,000 square feet of office space, with the vision of utilizing energy-efficient and environmentally-friendly materials. Following completion, the property became the first high-rise building in New Orleans to be awarded LEED (Leadership in Energy and Environmental Design) status.

In 2009, the Benson family displayed their unwavering commitment to the future success of the franchise and region through a partnership with the State of Louisiana that continued the club's commitment to the state through 2025. As a result of the agreement, the Mercedes-Benz Superdome underwent extensive renovations and upgrades to make it a world-class facility for Saints fans and visitors. Following the debut of the renovations in 2011, the club reached a ten-year agreement with Mercedes-Benz USA to rename the facility the Mercedes-Benz Superdome. The team's renovated stadium, combined with its recently renovated and expanded team headquarters in Metairie, are both among the finest facilities in professional sports.

Further leading the rejuvenation of the city's Poydras Corridor and CBD is the redevelopment of a former mall into Champions Square, a unique sports and entertainment complex adjacent to the Mercedes-Benz Superdome. Champions Square, a partnership between the State of Louisiana and Zelia LLC, has been instrumental in helping secure premier sporting events for New Orleans since its debut. LeBlanc also serves on the Board of Directors for the Louisiana Media Company, which includes WVUE FOX-8, the only locally-owned television station in New Orleans. In addition, she was recently appointed to serve on the board of directors for the Louisiana Film and Entertainment Association, an organization that was created to promote and protect the entertainment industry in the State of Louisiana.

LeBlanc has been a driving force behind the club's success, both on and off the field. In 2006, the team achieved

## OWNERSHIP

its first full season ticket sellout prior to the start of the season. Since then, all 71 games played at the Mercedes-Benz Superdome have been filled on a season ticket basis. This success, fueled by innovative restructuring of ticket prices and categories, has resulted in a season ticket waiting list of over 73,000 fans. In addition, every luxury suite has been leased since 2008 while Saints merchandise has consistently been one of the top selling lines in the NFL. On the field, the Saints have compiled a 74-46 overall record since 2006, appeared in the playoffs four times and won Super Bowl XLIV.

Her leadership role with the franchise and in the local community has been evident, as she's played a critical role in helping build the Saints into a championship franchise and one that was voted by ESPN The Magazine in 2010 as "the best organization in professional sports."

LeBlanc has also been recognized for her standing in the sports industry by Street and Smith's Sports Business Journal's "40 Under 40" three times (2007, 2008 and 2011), honoring the 40 most influential sports executives under the age of 40, recently being named to the "40 Under 40" Hall of Fame. In 2008, she was honored for her leadership of the Saints during and after Katrina and the organization's rise to national and international prominence as one of three selected by vote for W.I.S.E.'s (Women in Sports and Events) "Women of the Year" and also was awarded the inaugural "Changing Louisiana Award" by then-Louisiana Lt. Governor Mitch Landrieu for her volunteerism and social entrepreneurship on behalf of the state.

Fostering the rejuvenated spirit of the city of New Orleans and the Gulf Coast region, LeBlanc implements collaboration not only on the Saints' and Pelicans' behalf but also on a multitude of civic, cultural and philanthropic levels through her passion for the city she calls home. She was a key figure behind an initiative in 2010, in which the club raffled off a Super Bowl XLIV ring to raise over \$1.5 million, which was distributed to those most affected by the Gulf of Mexico oil spill. Following Hurricane Isaac in September of 2012, LeBlanc led both organizations in fundraising \$25,000 each to local chapters of the Second Harvest Food Bank and Catholic Charities.

LeBlanc oversees more than \$7 million in annual charitable contributions, goods and services donated by the Saints to serve New Orleans and the entire region. Serving the needs of a community devastated by Hurricane Katrina has been a priority. In the immediate days following the storm, LeBlanc helped establish the Saints Hurricane Katrina Relief Fund, which raised over \$1 million to assist the citizens of the Gulf South. Over 5,000 charities, schools, churches, foundations and festivals receive in-kind donations from the club annually.

Another longstanding part of the club's community initiatives has been with one of the NFL's most comprehensive commitments to youth football. LeBlanc's close working relationship with the league office has proved to be beneficial in securing league grants and programs that benefit Gulf South youth and charitable initiatives. Since 2006, the Saints have distributed over \$2 million dollars to high school and youth football organizations.

A graduate of Texas A&M University with a B.S. in Agribusiness, LeBlanc also received a certificate in International Business from the Lowry Mays School of Business. She attended Stanford University's Executive Education Graduate School of Business in 2004 as part of the NFL's Managers Program's inaugural class, and, in 2013, earned a certificate in the Global Business of Sports from Georgetown University's McDonough School of Business.

In her spare time, LeBlanc has displayed her adventurous spirit by recently rappelling down the 26-story Benson Tower for the Special Olympics.

## DENNIS LAUSCHA

### PRESIDENT

Dennis Lauscha was named President of the New Orleans Pelicans in June, 2012, after serving as the lead negotiator for Owner/Chairman of the Board Tom Benson's purchase of the team. Lauscha, who serves the same role with the New Orleans Saints, oversees the club's financial operations and government affairs as well as its marketing, ticket and suite sales, legal, stadium, community affairs, human resources, information technology and facilities departments. He's also one of the club's representatives at NBA Board of Governors meetings and NFL Owners' Meetings.

Entering his 16th season with the Saints, Lauscha has held several positions and responsibilities with the team, most recently as executive vice president/chief financial officer from 2009-12. In addition to his duties

with the Saints and Pelicans, the New Orleans native maintains multiple roles within other holdings of Benson, maintaining a role in the management and on the Board of New Orleans FOX affiliate WVUE-TV, and Zelia, LLC.

Lauscha was promoted to executive vice president in May, 2009, after serving as senior vice president from 2006-09, and first being named a vice president after joining the Saints as chief financial officer in 1998. He's a key member of the team that actively pursues future NBA All-Star Games and Super Bowls for the City of New Orleans – and was instrumental in landing Super Bowl XLVII, which was played on February 3, 2013 at the Mercedes-Benz Superdome.

Lauscha was part of the Saints' contingent that negotiated the agreement with Louisiana Governor Bobby Jindal on a partnership that continues the club's commitment to the state through 2025. The deal included the Benson family purchasing and redeveloping the former New Orleans Centre, which has been transformed into Champions Square, and Benson Tower property adjacent to the Mercedes-Benz Superdome. As a result of the agreement, the Mercedes-Benz Superdome underwent extensive renovations and improvements that have transformed the iconic home of the Saints into one of the most advanced stadiums in the country.

The innovative agreement has dramatically modernized the team's playing facility, revitalized the area around the stadium and has generated revenue for the state without any new taxes for citizens. In 2011, Lauscha also played a key role in finalizing a ground-breaking 10-year stadium naming rights and sponsorship agreement with Mercedes-Benz USA. In 2008, he was also a primary member of the negotiating team during the purchase of WVUE, and has since helped steward the station's growth in the New Orleans market.

Lauscha was instrumental in the 2003 expansion of the Saints training facility and over the past two years, he has overseen an extensive renovation and expansion of the club's main facility and administrative offices for both the Saints and Pelicans, while directing the construction of a practice facility for the basketball team. In September 2013, both clubs will be housed to full capabilities on the same site, featuring some of the top facilities in professional sports.

Lauscha has been involved with numerous league-wide initiatives, including an NFL working committee for league financial reporting and a working committee for disaster preparedness. He has also completed the NFL Managers Program at Stanford University's Executive Education Graduate School of Business.

Active throughout the community, Lauscha currently sits on the Visiting Committee of the Loyola University School of Business, as a member the NBA's Team Advisory Council of Presidents, the NBA All-Star Game Host Committee, Stuart Hall School Board of Trustees and on the Louisiana Museum Foundation Board. Lauscha has completed terms as board president of the Preservation Resource Center, president of the regional chapter of the Boy Scouts of America and as a member of New Orleans Mayor Mitch Landrieu's Blight Transition New Orleans Task Force and of the Super Bowl XLVII Host Committee.

His dealings with the Saints, state officials and local organizations have provided an opportunity for community involvement. His professional and charitable work was recognized by New Orleans CityBusiness when Lauscha was selected as one of the 40 Most Influential Members of the Community. The honor is bestowed on those who are laying the groundwork for a better city. In 2010, he was named the Alumnus of the Year by Loyola University of New Orleans' College of Business and also was named to the 2010 Class of Role Models by the Young Leadership Council, recognizing his commitment and contributions to the enhancement of the community.

After graduating from Jesuit High School, Lauscha graduated from the University of Alabama with a bachelor's degree in business. ## MICKEY LOOMIS

### EXECUTIVE VICE PRESIDENT/BASKETBALL OPERATIONS

Mickey Loomis was named Executive Vice President of the New Orleans Pelicans in June, 2012, overseeing the basketball operations of the club.

Loomis is also the Executive Vice President/General Manager of the New Orleans Saints, responsible for the club's entire football operations, entering his 12th season in his current position and 14th with the franchise. He is a veteran of over 26 years in the NFL and during his time in New Orleans has been honored with the most prestigious awards presented to a league executive. Yet the most satisfying achievement of Loomis' career has come in helping mold a roster that has produced many of the franchise's finest moments over the last six seasons, including the Super Bowl XLIV championship.

Loomis was promoted to General Manager in 2002 and earned the additional title of Executive Vice President later that year. The departments under his direction include coaching, player personnel and scouting, salary cap management, contract negotiations, athletic training, equipment, video and communications.

In 2006 - after being the key figure in the hiring of Sean Payton, the signing of Drew Brees and essentially rebuilding a team that would advance to the NFC Championship - Loomis was voted the NFL Executive of the Year by Pro Football Weekly/Pro Football Writers of America. He was also honored by the Sporting News as the George Young Executive of the Year, an award voted on annually by NFL front-office executives and owners.

Loomis has continued to build on the success of 2006, highlighted by four postseason appearances, three division titles and the Super Bowl victory. Over the past six years, he has brought aboard a collection of players who have played a key role in New Orleans posting a 67-37 overall record through a combination of the draft, free agency and trades. He's also presided over the club's ability to retain their core players, re-signing several significant contributors to long-term contracts.

While his responsibilities have grown during his tenure with the Saints, Loomis has been a key figure in the highest management circle of the organization since arriving in 2000. Loomis joined the club as Director of Football Administration, a post he held until 2002, handling contract negotiations, managing the salary cap and coordinating different areas of the football operations.

In 2005, Loomis helped steer the club through unprecedented challenges for an NFL team. He calmly guided the staff and players through a sudden evacuation from New Orleans in the wake of Hurricane Katrina, in addition to several moves of the club's base of operations.

In 2003, Loomis oversaw the renovation of Saints headquarters that added an indoor practice facility, new weight room and cafeteria, giving the club one of the NFL's top training complexes.

Prior to arriving in New Orleans, Loomis spent 15 years with the Seattle Seahawks, including as executive vice president from 1992-98. He joined the Seahawks in October, 1983, was promoted to vice president/finance in 1990 and to executive vice president in 1992.

## MONTY WILLIAMS

### HEAD COACH

On June 7, 2010, Monty Williams was appointed head coach of the New Orleans Pelicans. Williams' first season as a head coach was a very successful one, leading New Orleans to a 46-36 record and the seventh seed in the 2011 NBA playoffs where the team pushed the former NBA-champion Lakers to six games. Williams placed seventh in Coach of the Year voting and was named the NBA's Western Conference Coach of the Month for January of 2011.

In his sophomore campaign, Williams managed 22 different players and 28 different starting lineups through an injury-plagued season where six players missed upwards of 15 games due to injury or illness. Through it all, Williams' squad increased its wins in every month from January to April, and closed out the regular season with a 6-1 stretch at the New Orleans Arena. His work was recognized as he finished T-11th in Coach of the Year voting, the highest finisher among non-player coaches. In his third and most recent season with New Orleans, Williams oversaw the development of the second youngest team in the NBA, developing Anthony Davis into a solid Rookie of the Year candidate and Ryan Anderson into a Sixth Man of the Year candidate.

Prior to his New Orleans tenure, Williams spent the previous five seasons as an assistant coach for the Portland Trail Blazers. As of the date hired, Williams became the youngest head coach in the NBA at 38 years old.

Williams is one of the promising young coaches in the NBA. Trail Blazers Head Coach Nate McMillan charged Williams with running the team's 2007 and 2008 entries into the NBA Summer League in Las Vegas. The two teams featured young Trail Blazers prospects Greg Oden, LaMarcus Aldridge, Jerryd Bayless and Nicolas Batum. During his time with the Trail Blazers, Williams spent a great deal of time working with Travis Outlaw and Martell Webster. He focused on consistency, instilling intensity and purpose every day in practice, as well as in games. Before being traded to the Los Angeles Clippers in the 2009-10 season, Outlaw increased his scoring and rebounding average twice in four seasons during Williams' tenure. Webster and Williams both entered their first season with the Trail Blazers in 2005-06. Like Outlaw, Webster saw numerous improvements in a number of statistical categories, including points, rebounds per game, and field-goal percentage.

Prior to joining the Trail Blazers, he won an NBA Championship as a coaching staff intern with the San Antonio Spurs in 2004-05, and during the summer of 2005, coached the Spurs' Summer League entry in the Rocky Mountain Revue.

Selected by New York in the first round (24th overall) of the 1994 NBA Draft, Williams was a nine-year veteran of the NBA before chronic knee problems forced him into retirement in 2003. Hailing from Notre Dame, Williams played for the Knicks, San Antonio, Denver, Orlando and Philadelphia. His best season was with the Spurs in 1996-97, when he averaged 9.0 points, 3.2 rebounds and 1.4 assists in 65 games and shot 50.9% from the field. In 456 career games, he averaged 6.3 points per game.

He was an honorable mention All-American at Notre Dame after averaging 22.4 points and 8.4 rebounds during his senior season. Williams was away from basketball for two years during college (from 1990 to 1992) after being diagnosed with hypertrophic cardiomyopathy, a rare condition of thickened muscle between the chambers of the heart. He earned a degree from Notre Dame's College of Arts and Letters, majoring in communications and theatre. In high school, he was a 4.0 student at Potomac High School in Oxon Hill, Md.

On June 10, 2013, Williams was named an assistant coach for the 2013-16 USA Basketball Men's National Team, which he previously represented as a player. Active in the Fellowship of Christian Athletes and many other charities, he was involved with fellow NBA guard Charlie Ward in distributing shoes and athletic equipment to impoverished communities in South Africa. In September of 2011 and August 2013, Williams went to South Africa as part of the NBA's Basketball Without Borders program.
