## COMMUNITY INITIATIVES

As the New Orleans Pelicans begin their first year under the team's new identity, the organization will focus on two key initiatives critical to the future success and prosperity of the Gulf South region: the health and sustainability of our coastal wetlands and the health and fitness of our region's children.

In conjunction with our community and corporate partners, the Pelicans are developing outreach programs that will make this message known and positively impact and inspire the lives of individuals in our community.

The health of the coastal wetlands is vital to growth and success of the state and region. The Louisiana wetlands provide 30% of the seafood catch in the contiguous U.S. Our wetlands habitat is also home to a wide variety and number of wildlife and plants.

Over 80% of wetland loss in the United States occurs in Louisiana – the equivalent of 12 basketball courts is lost every 30 minutes. The Gulf Coast has lost more than 55% of the wetlands that were here when the first Europeans arrived in the 15th century – a loss of more than 100 million acres.

The Pelicans organization is an advocate for the health and wellness of children in the Gulf South. With the ongoing goal of helping kids find the excitement in being active, the Pelicans launched their Junior Training Camp program. Junior training camps will engage participants in activities focused on creating a fun and memorable basketball experience, while also being active and healthy.

To help support its community initiatives, the team hosts an annual gala, Toast for the Coast. For more information about the team's work in the Gulf South, visit Pelicans.com.

NBA Cares is the league's global social responsibility program that builds on the NBA's mission of addressing important social issues in the United States and around the world. Through this program, the NBA, its teams and players have donated more than \$220 million to charity, completed more than 2.5 million hours of hands-on community service, and created more than 810 places where kids and families can live, learn, or play, in 25 countries and territories on five continents. NBA Cares works with internationally recognized youth-serving programs that support education, youth and family development, and health and wellness, including: KaBOOM!, Special Olympics, Boys and Girls Clubs of America, UNICEF, the Make-A-Wish Foundation, and GLSEN.

## MEDIA

### Media Credentials

Single game requests should be directed to the Pelicans communications office no later than noon the day before the game you wish to cover (Friday at noon for Sunday and Monday games). First-time requests must be in written form on company letterhead and received by the aforementioned deadline. Because of limited press seating, credentials and/or courtside seats cannot be guaranteed. Credentials are good for admittance to the press room, dining area, locker rooms and seating areas and may be picked up at the press entrance (located at the loading dock entrance, which is across the street from Lot #4 at the New Orleans Arena). Credentials must be worn at all times and are non-transferable. Any unauthorized use will subject the bearer to ejection from the arena and the forfeiture of the credential. An autograph request by a media member will also result in the forfeiture of the credential.

### Press Parking/Press Gate

Working media should park in Lot #4 (off of Girod Street) and cross the street to enter the New Orleans Arena through the doors by the loading dock. You will be able to pick up your credential at a table in front of the security office windows upon entering the arena. Your name will be on a parking list held by the security guard at the entrance of the lot.

### Press Room

The press room is located at the west end of the arena to the right of the loading dock areas and is open four hours before game time. We must limit press room usage to the working media and game staff only. We are not able to accommodate any family, friends or guests. Telephones, fax service, internet access, game notes, statistics, quotes and out-of-town scores are available in this area. Please use common courtesy in securing a quiet working environment in the press room.

### Pre and Post-Game Interviews

In accordance with NBA policy, the locker rooms are open to members of the media until 45 minutes before the game and within 10 minutes after the game. Players and coaches are available for interviews at those times. Only working members of the media with valid credentials will be admitted to the locker room. Your cooperation is requested in maintaining a professional atmosphere in the locker room for pre and post game interviews. Per NBA policy, use of cellular phones in the locker room is prohibited. Head Coach Monty Williams will be available 105 minutes prior to tip-off outside the team's locker room and approximately 10 minutes following the game in the press room.

### Game Notes and Statistics

Game notes and additional press materials are available in the press room three hours before each game. Statistics are distributed to the working media during the game and are also available in the press room. Post-game notes and quotes are distributed a short time following the completion of the game. Statistics monitors are provided at courtside for television and radio broadcasts as well as for print and television media.

### Photographers

Season passes will be provided to accredited photographers from New Orleans area daily newspapers and television stations who plan on covering at least 30 of the Pelicans' 41 regular season home games. Weekly newspaper photographers will

be handled on an individual game basis. Photographs are also available from the communications department. Photographers must be on assignment for a publication to be credentialed. Limited space is available at each end of the court for both television and still photographers. Photographers must stay in the designated area. Photographers may not sit on equipment cases and live television cameras have first priority on location and right of way. All NBA league rules regarding photography apply.

### Meals

A pre-game meal is served in the room adjacent to the media workroom at the arena two and a half hours before each game. Beverages and snacks are available in the press room at halftime and following each game.
