- All requests must be received at least 6 weeks prior to the fundraising event date.
- The non-profit organization or fundraising event must be based within 75 miles of Chicago in Illinois or Northwest Indiana. Priority is given to Chicago-area non-profit organizations.

FREQUENTLY ASKED QUESTIONS

• **What if my (or my company's) address changes?:** To protect against fraud, requests for a change to the home or company address must be made in writing. The request should include the account number and the account holder's signature. If the tickets are in a company name, the request must be submitted on company letterhead and signed by an officer of the company. All requests for changes should be mailed to: Chicago Bulls, 1901 W. Madison Street, Chicago, IL 60612-2459, Attention: Ticket Department. The Bulls reserve the right to approve all requests for changes.

• **Are tickets transferable?:** Season tickets are owned by the Chicago Bulls and are offered on a one year basis as a revocable license. However, with the Bulls' approval, season tickets can be transferrable to an immediate family member (spouse or children). To protect against fraud over the telephone, all requests must come from the Season Ticket Holder of record, and must be in writing. • **How can I improve my seats?:** We take the seat improvement process very seriously. Seat improvement questionnaires are emailed to every Season Ticket Holder in March or April. Your upgrade preferences become a permanent part of your account record.

Seat improvements are processed once annually and begin immediately after season ticket renewals are completed. Improvements can only be made after we know what seats become available. Season Ticket Holders who request an improvement are gradually moved lower and/or more center in a “domino” process. Although we try to accommodate as many requests as possible, seat improvements are sometimes difficult to make. For example, if the renewal rate is close to 100%, improvements are rarely possible. Likewise, if a Season Ticket Holder already has very good seats, improvements are difficult to make because cancellations rarely come from the very best seats. However, every effort is made to improve as many seats as possible before new season tickets are sold.

• **How do I report abusive or unruly fans?:** Use the United Center’s Fan Assist program. If you observe inappropriate behavior near your seats—obscene language, drunkenness, fighting, smoking, etc.—please alert United Center security by texting: ucassist <space> followed by the section and row where the problem is occurring, and a brief description of the issue to

69050. Your phone number and identity will remain strictly confidential. Once your text has been sent, you will receive a bounce-back message confirming receipt. United Center security personnel will then respond to your location to issue the appropriate warning(s). If the problem continues, security will take further action, which may include removing the unruly fan(s) from the building. Participation in this service is free of charge but standard carrier text messaging and data charges will apply. To quit, text STOP to 69050.

• **What is the Chicago Bulls Charities Return Ticket Program?:** A popular option for Season Ticket Holders is to donate tickets to the Chicago Bulls Charities Return Ticket Program which shares tickets with schools and local charity organizations. To donate tickets, please call and ask for Community Relations at 312-455-4000, or mail your tickets to our office, Attn: Chicago Bulls Charities Return Ticket Program. • **Why are season ticket renewals processed so early?:** The entire renewal process involves many time consuming steps. The ultimate goal is to get digital tickets into the hands of Season Ticket Holders in plenty of time before the first home pre-season game. To meet that goal, it is necessary to begin the process early:

- It takes a considerable amount of time to receive, update and process thousands of account payments.
- After determining each season ticket account's status-renewed or cancelled-the seat upgrade process begins with the available seating. This is a very time-consuming process which takes many weeks to finish. After that, a few more weeks are needed to contact account holders about the improvement process.
- After renewals and upgrades are completed, the process of selling new season, group and single game tickets begins. That cannot start until it's determined what season ticket accounts have been renewed, and until after seat improvements are completed.

• **How can I obtain a player's autograph?:** Due to tremendous demand, autographs can be very difficult to obtain, especially for star players. The best opportunity to obtain autographs is at player appearances throughout the Chicagoland area, or by visiting Shop.Bulls.com. Autographs can sometimes be obtained by writing to your favorite players, care of Chicago Bulls, 1901 W. Madison St., Chicago, IL 60612-2459.

• **What are the procedures for Playoff tickets?:** There are four Playoff rounds. With home court advantage, the Bulls could play four home games in the First Round, four home games in the Conference Semifinals, four home games in the Conference Finals, and four home games in the NBA Finals for a total of 16 possible home games. Tickets are lettered Home Game A-D (four possible home games) in each round because game dates, times and opponents are not known until the regular season has ended. When we bill for Playoff tickets we must prepare for the maximum amount of possible games.

• **How are Playoff ticket refunds handled?:** For money to unplayed Playoff games, Season Ticket Holders can request a refund (indicating they intend to cancel their season tickets for the future), or they can apply the money as a non-refundable deposit towards the next year's season tickets. On all Playoff ticket invoices, Season Ticket Holders are given the option of a refund (if they are cancelling their season tickets) or deposit. A credit for the deposit will automatically be reflected on the season ticket renewal invoice. Season ticket renewal invoices are mailed within ten days of the last Playoff game.
