THE CLIPPERS

CHAIRMAN OF THE BOARD AND OWNER

DONALD T. STERLING

The longest tenured owner in the NBA, Donald T. Sterling enters his 33rd season as the Owner of the Los Angeles Clippers. One of the few remaining sole owners in all of professional sports, Sterling has demonstrated extraordinary leadership and an unquestionable commitment to the team in establishing the Clippers as a championship contender and one of the most dynamic, popular and exciting professional sports teams in the country.

A prominent attorney, real estate developer and entrepreneur, Sterling has solidified the Clippers as an elite franchise for years to come with the addition of Head Coach and Senior Vice President of Basketball Operations Glenn "Doc" Rivers to lead a bright and promising young team highlighted by two of the league's most compelling and high-wattage superstars in Blake Griffin and Chris Paul, who both recently signed long-term contract extensions with the team.

Sterling provided the vision for the Clippers state-of-the-art Training Center in Playa Vista, a 42,500 square foot athletic facilities mecca that was completed in 2008 and remains one of the best in all of professional sports. The top-line amenities and 24-hour player access officially cemented the team as a destination for high-level talent while also forming a legacy of Sterling's commitment to providing the necessary winning resources for the club.

Raised in the Boyle Heights section of Los Angeles, Sterling has always maintained a strong and deep connection to the L.A. community, establishing himself as a philanthropic leader and an active member of numerous and diverse charitable organizations. Sterling was the driving force in the formation of the Los Angeles Clippers Foundation which benefits local charities.

Through his efforts, every season Sterling donates thousands of game tickets to multiple children's organizations and community groups, as well as provides the leadership for numerous events, camps, clinics and programs aimed at benefiting underprivileged and at risk youths throughout Greater Los Angeles. His contributions to the community have led to various awards and honors, including the 2009 NAACP Lifetime Achievement Award.

A native of Chicago, Sterling attended high school, college and law school in Los Angeles before beginning his career as a lawyer in Southern California. Eventually, he turned his business interests toward investments, real estate and sports and entertainment. After purchasing the Clippers in 1981, Sterling moved the franchise from San Diego to Los Angeles in 1984. Sterling is currently the managing partner of a law firm and Chairman of Sterling Properties. He and his family reside in Beverly Hills and Malibu.

PRESIDENT AND NBA ALTERNATE GOVERNOR

ANDY ROESER

Entering his 30th season with the team, Clippers President and NBA Alternate Governor Andy Roeser has the franchise uniquely positioned to embark on yet another historic and record-breaking season both on and off the court.

One of the longest tenured executives in the NBA, Roeser has worked relentlessly to mold the Clippers into one of the most exciting, innovative and electrifying teams in professional sports. Roeser's progressive leadership and management style combines with a fan-friendly philosophy that has helped the Clippers sell-out every regular season and Playoff game at STAPLES Center since Feb. 2, 2011 and forged the Clippers into championship contenders.

A native of Michigan, Roeser was instrumental in bringing new Clippers Head Coach and Senior Vice President of Basketball Operations Doc Rivers to Los Angeles from Boston in June, 2013, a move that furthered the Clippers rise to elite status. In charge of all facets of the club's business operations since 1986, Roeser has established a reputation as an industry leader while solidifying the Clippers future by bringing in Rivers to guide a team led by All-Star superstars Blake Griffin and Chris Paul, both of whom were recently signed to long-term contract extensions.

The 54-year old Roeser helped elevate the Clippers organization in 2008 with the opening of the Clippers Training Center in Playa Vista. A state-of-the-art building that ranks among the top practice facilities in the sports world, Roeser led all aspects of the development and construction of the 42,500 square foot building that features 24-hour player access and premium amenities.

Roeser joined the organization in 1984 and took on the role of team President in 2007. He previously worked for the accounting firm of Ernst & Young.

The President of the Los Angeles Clippers Foundation since its inception in 1994, Roeser also serves on the boards of the Los Angeles Sports Council and the Advisory Board for the Graduate Program in Sports Management at Cal State University, Long Beach.

Roeser lives in Long Beach, CA with his wife Anne, son Drew and daughter Stephanie.

HEAD COACH AND SENIOR VICE PRESIDENT OF BASKETBALL OPERATIONS

GLENN "DOC" RIVERS

Glenn "Doc" Rivers begins his first season as Head Coach and Senior Vice President of Basketball Operations of the Los Angeles Clippers. A former Clippers point guard (1991-92), Rivers returns to Los Angeles to be the 16th head coach in Los Angeles Clippers history (1984-Present) and is the fourth Clippers coach to have previously earned the NBA Coach of the Year Award (1999-2000), joining Gene Shue, Bill Fitch and Mike Dunleavy.

Rivers came to the Clippers after the Boston Celtics agreed to release him from his contract in exchange for a first round pick in the 2015 NBA Draft as compensation. He is just one of only four active NBA coaches to win an NBA title, and since 2007-08 owns the third-highest winning percentage (.661) among current coaches.

Rivers will preside over one of the most exciting teams in the NBA, coming off a season where they won their first ever Pacific Division title. Upon arriving in Los Angeles he was instrumental in reshaping the Clippers with the re-signing of six-time All-Star Chris Paul, acquiring sharpshooters J.J. Redick and Jared Dudley, retaining defensive stalwarts Matt Barnes and Ryan Hollins and signing veteran free agents Antawn Jamison, Byron Mullens and Darren Collison.

Entering his 15th season as an NBA head coach, Rivers joins the Clippers after nine seasons with the Boston Celtics, compiling a 416-305 (.576) record and guiding the Celtics to the 2007-08 NBA Championship with an NBA-best 66-16 regular season record. Rivers led the Celtics to six Atlantic Division titles, the 2009-10 Eastern Conference Championship and a 59-47 (.556) Playoff record.

During the course of the 2007-08 campaign with the Celtics he received NBA Coach of the Month three times. He is the only Celtics coach since the award's inception during the 1982-83 season to win the award three times. He joined K.C. Jones, Jimmy Rodgers and Chris Ford as the only Celtics head coaches to have won the award.

Before taking over the Celtics, Rivers spent just over four seasons as the head coach of the Orlando Magic, earning Coach of the Year honors in his first season for leading a team that featured four undrafted starters to a 41-41 record. Rivers guided the Magic to three straight Playoff appearances from 2000-2003, and overall tallied a 171-168 (.506) record in Orlando before being released on November 17, 2003.

Rivers, born on October 13, 1961, played 13 seasons in the NBA for the Atlanta Hawks (1983-84 to 1990-91), Clippers (1991-92), New York Knicks (1992-93 to 1993-94) and San Antonio Spurs (1994 to 1995-96). He played for three of the game's top coaches in Pat Riley, Larry Brown and Mike Fratello, and holds career averages of 10.9 points, 5.7 assists and 3.0 rebounds per game. His teams advanced to the NBA Playoffs 10 times, where he averaged 11.4 points, 5.9 assists and 3.3 rebounds. Rivers saw action in 864 regular season games and 81 playoff games over the course of his career.

Rivers averaged a double-double in 1986-87 (12.8 points per game, 10.0 assists per game) and was selected to play in the 1988 NBA All-Star Game. He averaged a career-best 15.2 points per game in 1990-91 and scored a career-high 37 points against Seattle on February 4, 1988. He also shares an NBA single-game playoff record for most assists in one half (15 vs. Boston, May 16, 1988).

Drafted after his junior season out of Marquette by the Atlanta Hawks in the second round (31st overall) of the 1983 NBA Draft, he played the first eight years of his career with Atlanta, setting the Hawks' single-season assists record with 823 in 1986-87, and ending his stint with the team as the franchise's all-time assist leader with 3,866.

A product of Proviso East High School in Maywood, IL, Rivers earned the nickname "Doc" from former Marquette coach Rick Majerus, when he wore a "Dr. J" t-shirt to a summer basketball camp.

Rivers played for the United States at the 1982 World Championship of Basketball, leading the U.S. to a silver medal and earning tournament MVP honors after averaging a team-best 18.6 points per game. During the summer of 2001, he served as an assistant coach for the USA Men's Basketball Team at the Goodwill Games in Brisbane, Australia, that captured the Gold Medal.

Rivers earned a pre-law/political science degree from Marquette in 1985 and was honored by the Pro Basketball Writers with the 1990 J. Walter Kennedy Basketball Citizenship Award. Following the 1999-2000 season, Rivers was named Male Coach-of-the-Year at the Rainbow Sports Awards, which reflect not only accomplishments in the sports industry, but also the grace, dignity, commitment and humanity each individual exemplifies. In June 2013, Rivers received the Sam Lacy Pioneer Award at the 2013 National Association of Black Journalists national convention. The award is given annually to sports figures based on their contributions to their respected careers and direct impact on the communities they served.

He has long been active in the community, serving as a member of the All-Star Advisory Council for the Jr. NBA and Jr. WNBA youth basketball support program, offering instrumental guidance to the player, coach and parent training efforts for recreational youth basketball leagues across the country.

Rivers is the nephew of former NBA player Jim Brewer, and the cousin of former NBA player Byron Irvin and Major League Baseball player Ken Singleton. Rivers and his wife, Kris, have four children: Jeremiah, Callie, Austin and Spencer.

When STAPLES Center opened in the fall of 1999, the Clippers played their home games in a new arena for the eighth time in franchise history. Here is a look back at some notable moments in Clippers' arena history.

July 8, 1959: The Los Angeles Sports Arena opens its doors to the public, hosting a bantamweight boxing title match between Jose Becerra and Alphonse Halimi before 13,657 fans.

June 18, 1961: More than 25,000 crowd in and around the Los Angeles Sports Arena to cheer on Martin Luther King, Jr. and his non-violent assault on segregation. The doors to the arena are closed 15 minutes before the rally begins as fire marshals declare no more than the already 18,500 inside can be admitted. Police say up to 10,000 more are left outside to follow the four-hour program from loudspeakers hastily wired for the overflow audience.

January 16, 1963: At the 1963 NBA All-Star Game, a sold out crowd of 14,838 watches the East, led by Boston's Bill Russell, outclass Wilt Chamberlain and the West 115-108 in the two stars' first-ever All-Star confrontation. Russell outscores Chamberlain 19-17 and outrebounds him 24-19 to earn his first and only All-Star MVP honor.

October 1967: The Los Angeles Kings start the 1967-68 NHL hockey season by playing the games of October, November and most of December at the Los Angeles Sports Arena. It is not until December 30, 1967 that the Kings move to the newly opened Forum.

October 15, 1978: The San Diego Clippers are defeated 94-98 by the Denver Nuggets in their first regular season game played at the San Diego Sports Arena. The 8,362 fans in attendance welcome another NBA team to Southern California.

April 14, 1984: In their last game played in San Diego, the Clippers pound the Utah Jazz 146-128. After six seasons in San Diego, the Clippers announce on May 15, 1984 that they are moving to Los Angeles.

November 1, 1984: In their first regular season game played since their move to Los Angeles from San Diego, the Clippers defeat the New York Knicks 107-105 at the Sports Arena in front of a crowd of 12,018.

April 28, 1992: Reaching the playoffs for the first time since leaving Buffalo, the Clippers face the Utah Jazz in the first round of the Western Conference Playoffs. In a tight contest, the Clippers win game three of the first round series 98-88.

May 3, 1992: Due to civil unrest in Los Angeles, the Clippers' playoff game against the Utah Jazz is moved to the Anaheim Convention Center. Los Angeles is victorious 115-107 in front of a raucous crowd of 7,448 Clipper fans. This game is especially meaningful because the team had only 48 hours notice to move their entire operation, including transferring the court and reassigning ticket holders into an arena which was not configured for basketball.

June 17, 1993: Construction is completed on the Clippers' home away from home, the state-of-the-art Arrowhead Pond of Anaheim, which seats 18,211 for basketball. In the coming years, the Clippers will exceed this number on numerous occasions, thanks to the addition of standing room only seating.

October 16, 1993: In their first game ever played at the Arrowhead Pond of Anaheim, the Clippers defeat the Golden State Warriors 132-117 in a preseason contest played in front of 16,967 Orange County fans.

January 27, 1994: With the Clippers unable to play at the Sports Arena because of damage caused by the Northridge Earthquake, the team plays their first regular season contest at the Pond, a narrow 101-103 defeat at the hands of the New York Knicks.

April 17, 1998: The Clippers announce plans to move into the state-of-the-art STAPLES Center when the building opens for the 1999-2000 season.

May 5, 1999: An era comes to an end at the Los Angeles Memorial Sports Arena as the Clippers fall 105-107 to the Seattle SuperSonics, marking the Clippers' final game at the arena.

October 17, 1999: Bruce Springsteen and the E Street Band rock STAPLES Center with the first public event held at the facility.

October 20, 1999: The Los Angeles Kings host the Boston Bruins in the first sporting event at STAPLES Center.

October 27, 1999: The Clippers play the first ever basketball game at STAPLES Center, a preseason matchup against the Milwaukee Bucks.

November 2, 1999: The Clippers open regular season play at STAPLES Center with a 92-104 loss to the Seattle SuperSonics before a crowd of 17,847.

November 5, 1999: The Clippers notch their first regular season win at STAPLES Center, a 91-81 victory over the Philadelphia 76ers.

April 16, 2002: A crowd of 20,264 is on hand for the season home-finale with Memphis, giving the Clippers their 25th sellout of the season, shattering the previous season's franchise-record total of 11. The sellout is the 16th straight, also a franchise record. The Clippers finish the season with a total attendance of 740,185, which far surpasses the previous season's franchise-record total of 599,448.

February 12, 2003: In a matchup with the Washington Wizards, the Clippers draw a record crowd of 20,578, the largest audience to ever watch an NBA game in Southern California. This attendance mark breaks the previous record of 20,474 which was set in an early season contest with the Lakers on November 1, 2002.

NBA FINALS**
(2-3-2 format)

Eight teams from each conference qualify for the 2013 NBA Playoffs. The first four seeds in each conference will be given to the three division winners and the team with the next best regular season record. These four teams will be seeded in order of their regular season record. This will ensure that the two teams with the best records in the conference will not meet each other earlier than the conference finals. The team with the better regular season won-loss record has home-court advantage in each round of the playoffs.

STAPLES CENTER

STAPLES Center has developed an unrivaled reputation for excellence while establishing itself as the Sports and Entertainment Center of the World. Beginning with Bruce Springsteen and the E Street Band's opening night concert on October 17, 1999, over 52 million guests have come to the AEG-owned and operated STAPLES Center to attend a schedule of prestigious concerts, sporting events, family shows and other major attractions unmatched by any arena.

As the home of four professional sports franchises, the NBA's Los Angeles Lakers and Los Angeles Clippers, the NHL's Los Angeles Kings, and the WNBA's Los Angeles Sparks. Since 1999, STAPLES Center has proven to be a home court advantage for the local teams, as the Lakers have captured five NBA Championships since moving to STAPLES Center, while the Sparks captured back-to-back WNBA Championships in their first two STAPLES Center campaigns. Most recently, in June 2012 the LA Kings were crowned Stanley Cup Champions for the first time in franchise history.

STAPLES Center continues to distinguish itself as the host of major, high-profile events of national and international distinction including the 2004 & 2011 NBA All-Star Weekends, the 2002 NHL All-Star Game, 2002 U.S. Figure Skating Championships, the 2000 Democratic National Convention, 2009 ISU World Figure Skating Championships, thirteen GRAMMY Award shows, eleven X Games competitions, three WTA Tour Championships, ten Pac 12 Men's Basketball Championship tournaments, 2013 NCAA Division I Men's Basketball Championship West Regional and the Michael Jackson Public Memorial Service on July 7, 2009.

STAPLES Center's first fourteen years have also been marked with performances and special events that brought international stature to Los Angeles' sports & entertainment icon including concerts starring Mana, Taylor Swift, Prince, U2, Garth Brooks Usher, Paul McCartney, Don Henley, Bon Jovi, Madonna, Christina Aguilera, Justin Timberlake, Phil Collins, the Rolling Stones, Taylor Swift, Dave Matthews Band, Britney Spears, Rod Stewart, Eric Clapton, Janet Jackson, Jay-Z, Simon & Garfunkel, Van Halen, Dixie Chicks, John Mayer, Shania Twain, Peter Gabriel, Ricky Martin, Tina Turner, Kanye West, Luis

Through the charitable endeavors of STAPLES Center Foundation, dynamic and life changing programs and services that focus on education, mentorship, healthy living, and healthcare, have been provided to children and families throughout Los Angeles with a special emphasis on supporting low income neighborhoods surrounding the arena.

More than \$10 million in grants and in-kind support has been pledged to support several local charities and community-based organizations with a goal of changing lives and saving lives. STAPLES Center Foundation works diligently to assist charities in raising funds, developing resources, increasing awareness, and highlighting their community impact. The foundations philanthropic reach has impacted organizations such as 10th Street Elementary, Inner City Arts, Salvation Army Red Shield Youth & Community Center, The Midnight Mission, and several local hospitals. Anchor Tenants, including the LA Kings, Los Angeles Lakers, Los Angeles Clippers and Los Angeles Sparks, assist in creating once in a lifetime fundraising opportunities and experiences for our charity partners and community members.

STAPLES Center and L.A. LIVE serve as the hub for community engagement during the holiday season, and supports employee volunteerism activities such as Day of Service. Through a partnership with City Year, employees volunteer to refurbish local public schools by providing supplies, painting, cleaning and gardening services. During AEG's Season of Giving, held throughout the month of December, the Foundation spotlights 25 local charities and provides non-profit organizations a platform to collect food, hold blood drives, register volunteers, and sign up mentors with the Nokia Plaza L.A. LIVE, its ice skating rink, STAPLES Center and the holiday tree as the backdrop.

STAPLES Center has been designed with the fans of Los Angeles in mind. Guests who attend events are treated to the finest entertainment experience imaginable. The arena has free public Wi-Fi powered by Verizon, over 1,400 Panasonic flat panel televisions and (as part of a specially designed \$1.5 million facility sound system) 675 separate speakers outside of the seating area, so fans never miss any of the sights or sounds of a STAPLES Center event. Also featured is a \$2 million specialty lighting package and other state-of-the-art industry amenities. In 2010, STAPLES Center unveiled their brand new \$10 million center-hung video LIVE 4HD Scoreboard specially designed for the venue by Panasonic.

Along STAPLES Center's five concourses are 23 refreshment stands offering a variety of dining choices including the City View Grill, a one-of-a-kind outdoor dining experience with a spectacular view of L.A. LIVE and of the downtown Los Angeles skyline. The TEAM LA store located on the main concourse is a retail store featuring official merchandise from the teams and events that call STAPLES Center home. Finally, the arena provides 55 public restrooms including three "family" restrooms.

Perhaps the greatest emphasis throughout STAPLES Center's development has been the recruitment and training of its guest service staff. The STAPLES Center experience is second-to-none from the entertainment environment to the staff's commitment to making every guest's visit a memorable one. Never before has an arena had the amenities, features and commitment to quality service that STAPLES Center offers to the fans and the City of Los Angeles. STAPLES Center continues to set new standards for the arena industry.

Located directly across the street from STAPLES Center is L.A. LIVE, a one-of-a-kind sports, and entertainment district in downtown Los Angeles. The four million square foot destination features Nokia Theatre L.A. LIVE, The GRAMMY Museum, Conga Room and Club Nokia, giving L.A. LIVE 'more music per square foot' than anywhere else in the world. ADDITIONAL INFORMATION

LOS ANGELES CLIPPERS TRAINING CENTER

Prior to the 2008-09 season, the Los Angeles Clippers moved into their new home away from STAPLES Center, the \$50 million Los Angeles Clippers Training Center located in Playa Vista. The 42,500 square foot state-of-the-art facility serves as the team's training headquarters in addition to serving as the home of the Basketball Operations, Communications and Community Relations Departments.

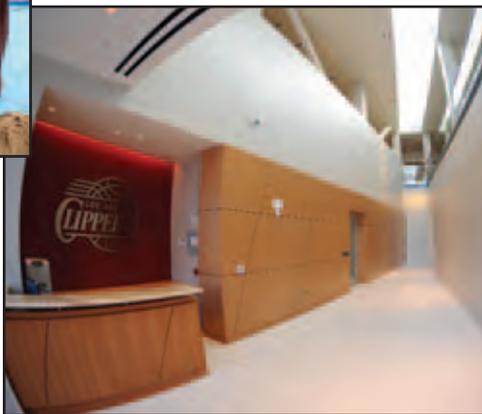

A longtime vision of Clippers' Owner Donald T. Sterling, the team's comprehensive training center is situated on a two-acre parcel of land within the Playa Vista community on Los Angeles' ever-growing Westside and immediately took its place as one of the most impressive practice facilities in all of professional sports.

In addition to two regulation NBA basketball courts, the two story structure also houses a 2,600 square foot performance and strength training area featuring state of the art cardiovascular and weight training equipment, as well as a training room and steam and sauna facilities. Adjacent to the training room is an extensive hydrotherapy area featuring both hot and cold plunge pools and a resistance pool containing an underwater treadmill. Full locker room facilities for Clippers' players and coaches as well as offices for all members of the Clippers' Basketball Operations, Communications and Community Relations Departments are also on-site. The facility also boasts a state-of-the-art digital video production facility and video viewing room, player's lounge, full equipment storage and laundry facility and a fully equipped media workroom.

The training center is located within close proximity to both the San Diego and the Marina Freeways. About two thirds of the team's current players live within ten minutes of the facility.

The 104 year-old Turner Construction Company, headquartered in Dallas, Texas, served as the general contractor on the project. RALPH LAWLER **PRIME TICKET/KFWB NEWS TALK 980**

Entering his 35th year as the “Voice of the Clippers” and his 38th year in professional basketball, Ralph Lawler looks ahead with unprecedented enthusiasm to what has the potential to be the greatest season in Clipper franchise history. The 2011-12 and 2012-13 seasons weren’t bad in bringing unmatched thrills to Clipper fans as the pairing of Blake Griffin and Chris Paul made the Clips one of the league’s most popular teams while giving birth to the “Lob City” mania that swept the land. Ralph is happily reunited with Doc Rivers who becomes the first former Clipper player to serve as the team’s head coach. Doc’s Championship coaching credentials give this team its best ever shot at competing for their first NBA Championship. Lawler is the 3rd longest tenured team broadcaster in the league, but he’s never been more excited about a season than he is for this one.

Ralph’s long tenure with the club saw him approach 2700 Clipper regular season and playoff broadcasts last season with his enthusiastic calls of “Bingo!,” “Fasten your Seat-belts” and “Oh Me Oh My” continuing to be familiar favorites for Clipper fans throughout Southern California. Lawler’s active schedule has him handling play-by-play duties for all televised games on PRIME TICKET as well as on the Clippers’ flagship radio station, KFWB NEWS TALK-980, for all non-televised contests.

He added to his list of honors last season when he collected his third EMMY as a part of Prime Ticket’s Emmy Award Winning coverage of Clipper basketball. Ralph is a proud member of the Southern California Sports Broadcasters Hall of Fame. He happily notes that he broadcast the NBA debuts of 3 of his all-time favorites: Julius Erving (with 76ers in Philadelphia), Magic Johnson (versus Clippers in San Diego) and Blake Griffin (with the Clippers). The NBA has long been Lawler’s great love. However, the versatile broadcaster is one of only a handful of announcers who have worked play-by-play in each of the four major pro sports leagues: NFL (San Diego Chargers), MLB (Philadelphia Phillies), NHL (Philadelphia Flyers) and NBA (76ers and Clippers). His resume also includes broadcasting events as varied as A.B.A. and college basketball, golf, tennis, track & field, box lacrosse, auto racing, boxing and college football.

Ralph is a graduate of Bradley University in Peoria, Illinois, and was inducted into his alma mater’s Sports Hall of Fame in 1993. He’s another in a long line of sportscasters who honed their craft in Peoria: Chick Hearn, Tom Kelly, Bob Starr, Bill King and Jack Brickhouse, among others. Ralph spends his off-season keeping tabs on all matters involving the NBA and communicates with Clipper fans regularly via Facebook and Twitter. Notable off-season activities have included a week aboard the SS Norway as the radio host of an NBA Cruise of the Caribbean, an 18-day whitewater rafting trip down the Colorado River through the Grand Canyon with former broadcast partner Bill Walton, a full month in Italy with family in 2013 and service one year as the play-by-play voice for one of Nintendo’s “NBA Courtside” video games.

Ralph and his wife, Jo, proudly head a family that includes three grown children and seven grandchildren. The Lawlers spend the season in Marina Del Rey and their summers in Bend, Oregon. Fans can follow Ralph on Twitter: @ohmeomy or on Facebook at www.facebook.com/ralphlawler.

MICHAEL SMITH **PRIME TICKET/KFWB NEWS TALK 980**

Former Clipper Michael Smith begins his 16th season behind the microphone for the Clippers and his 12th partnering with Ralph Lawler on all Clippers broadcasts. Prior to his permanent move to the Clippers television broadcast team, Smith served as the Clippers’ radio play-by-play voice for four seasons, where he was one of only two (Hot Rod Hundley being the other) former NBA players, to do play-by-play on radio for an NBA team. Previously, he had worked for NBC in Salt Lake City calling college games. Smith began his broadcast career just as his playing career came to a close. Smith played eight years professionally. He played with some of the games true greats; Larry Bird, Magic Johnson, Kevin McHale, Dennis Johnson and Robert Parish to name a few. Originally drafted by the Boston Celtics in 1989 as the 13th overall selection, Smith started eight games his rookie year in the middle of the season, a span during which he averaged 18

points per game and the Celtics went 7-1, and later earned all-rookie votes. He played in Europe from 1991-1995, and led the Spanish League in scoring and free throw percentage for two different seasons. He was also the leading American scorer in the Italian League. In 1995, Smith returned to the Clippers for one season. That season allowed him the opportunity to return to the city where he had excelled in his early days. Smith attended Los Altos High School in Hacienda Heights, where he set CIF football records for yardage, attempts, completions, and the single-game record for TD’s (8) as a quarterback on the way to a perfect season and the CIF championship. That year, he was chosen the National Male High School Athlete of the Year by the Dial Corporation, after being First Team All-American in football, basketball and volleyball. Smith was recruited by virtually every university in the country to play any or all of the three sports. He chose BYU and basketball. Accolades at the college level continued: he was an All-American his junior year and led the team to a 26-6 record. Overall, he led the conference in scoring three times, was a two-time WAC Player of the Year, led the nation in free throw percentage his senior year, and was a three-time First Team Academic All American, majoring in Spanish with a minor in Communications. In 1988, Smith was invited to tryout for the Olympic volleyball team, the Olympic basketball team, and play Quarterback for the BYU football team. Smith loves to golf, surf, do yoga and play ping pong, and spend every possible moment with his wife, Debra, and their 10 children.
