## Ken Young - President

**Ken Young** has been the President of the Norfolk Tides since 1993, the year the team moved into Harbor Park. The previous year, Young put together an investor group to purchase the Tides from the New York Mets. Since taking over day-to-day control of the Tides, the club has experienced unprecedented success, averaging approximately 470,000 fans per year.

Young has been in the recreational food business for more than 30 years since graduating from Penn State University in 1972. Young has been involved in numerous Major League stadiums, arenas, and international events, and has worked in such exciting events as the Super Bowl, the World Series and the Olympics.

In the fall of 2006 Young headed an ownership group which purchased the Bowie Baysox and Frederick Keys, both of which are Maryland-based Orioles affiliates. Young also led an investment group in 2003 which purchased the Calgary Cannons. That club moved into a new stadium in 2003 in Albuquerque, New Mexico where it has averaged 600,000 fans per year.

Young and Tides Baseball, LP also purchased the Norfolk Admirals in 2004. The Admirals have been members of the ECHL and AHL and play their home games in downtown Norfolk.

Young is also on the Board of Trustees of Minor League Baseball, and heads up the licensing operations for college football's Outback Bowl in Tampa, FL. After the 2009 season, he was named as *Baseball America's* Minor League Executive of the Year.

## Joe Gregory - General Manager

**Joe Gregory** was named the General Manager of the Tides on October 4, 2011. He has also served as the Vice President of the Norfolk Admirals Hockey Club since the 2008-2009 season.

Gregory came to Norfolk after serving as the General Manager of the Youngstown SteelHounds of the Central Hockey League from 2006-2008. In that capacity, Gregory ran the day-to-day operations of the SteelHounds. During Gregory's tenure in Youngstown, the season ticket base increased by 70 percent and he negotiated the team's first NHL affiliation.

Gregory graduated from Youngstown State University in 2001 with a Bachelor of Science Degree in Business Administration. Upon graduation, Gregory worked as both the Coordinator of Tournament Operations and the Coordinator of Sales and Marketing at the Giant Eagle LPGA Classic in Vienna, Ohio. He had been working at the tournament as an operations assistant prior to that since high school. After his time with the LPGA, Gregory became the Director of Business Development for the Mahoning Valley Scrappers, a Short-Season Class-A baseball team affiliated with the Cleveland Indians. There, he oversaw all sponsorship and advertising sales and cultivated community relationships.

## Dave Rosenfield - Executive VP and Sr. Advisor to the President

**Dave Rosenfield** first came to the Tides in 1962 and served as the General Manager of the club from 1963 - 2011. He was named the Executive Vice President and Senior Advisor to the President following the 2011 season.

Rosenfield has had a varied presence in the Norfolk area's pro sports scene. He has served as the GM of the Norfolk Neptunes (Continental Football League), was the interim GM of the Virginia Squires (American Basketball Association), and served as the GM of the Tidewater Sharks hockey club. He was a member of the inaugural class of the Hampton Roads Sports Hall of Fame, which opened in 2008.

Rosenfield was named the "King of Baseball" at the Baseball Winter Meetings in Anaheim, CA in December of 2004. The "King of Baseball" is a long-standing tradition in which Minor League Baseball salutes a veteran from the world of professional baseball for long-time dedication and service to the game.

He is a four-time International League Executive of the Year and won the National Association of Professional Baseball Leagues' top honor, the John H. Johnson President's Trophy, in 1993. He also accepted the Baseball America Triple-A Bob Freitas Award on behalf of the Tides in 1994, and 2013 will be his 37th-consecutive year as vice president of the International League.

He was inducted into the International League Hall of Fame in 2008, joining former manager Frank Verdi as the first members of the Tides organization to ever receive the honor. He was also inducted into the Virginia Sports Hall of Fame in 2016.

Rosenfield has broadcasted Tides games throughout his tenure with the Tides. He joined the radio crew full time in 2013, serving as a broadcaster for all Norfolk home games.

# COACHING STAFF

**Ron Johnson** entered the 2016 season with 294 managerial wins in a Tides uniform, the most in franchise history.

# RON JOHNSON MANAGER

**DOB:** 3/23/56

**B/T:** R/R

**Born:** Long Beach, CA

**Resides:** Morrison, TN

**MLB Career:** 1982-84 (KC, MON)

**First MLB Hit:** 9/25/82 @ OAK (double, Tom Underwood)

**RON JOHNSON** is in his fifth year as Norfolk's manager, and he's posted a 294-282 record (.510 winning %) over his first four seasons. He led the Tides to a 78-66 record and a division title in 2015 while being named the International League's Manager of the Year - just the fifth Tides skipper to ever earn the honor. Johnson also received the Cal Ripken Sr. Player Development Award from the Orioles in 2015, an award presented to a minor league staff member who exemplifies the qualities of the late Oriole who is regarded as the architect of "The Oriole Way." Johnson's 294 managerial victories with Norfolk are the most in franchise history.

Through his first four years with Norfolk, Johnson has posted three winning campaigns (2012, 2013 and 2015) while upping his career managerial record over 22 seasons to 1,555-1,544. Johnson was named by *Baseball America* as the Best Manager Prospect in the International League in 2014 and became the first Tides manager to lead the club to consecutive winning seasons (2012-13) since Steve Swisher accomplished the feat in 1990 and 1991.

Prior to joining the O's system, Johnson served as the first base coach for the Boston Red Sox in 2010 and 2011. He managed in the Red Sox system from 2000-2009, a stint that included a playoff berth for Triple-A Pawtucket in 2008 after an 85-58 campaign.

Johnson was a coach in the Kansas City Royals system from 1986-91 before taking his first managerial job in 1992. He posted six winning seasons in eight years managing in the Royals organization, and he guided three clubs to the postseason: Baseball City (1992), Wichita (1995) and Omaha (1999). He was named the 1995 Texas League Manager of the Year after guiding Double-A Wichita to the playoffs.

While in high school, Johnson turned down football scholarships to UCLA and Fresno State, choosing instead to play baseball at Fresno State. He was a First Team All-American in 1978 before being selected in the 24th round of the 1978 draft. Johnson played in 22 Major League games over parts of three seasons with the Royals (1982-83) and Expos (1984), batting .261.

**PERSONAL:** Ronald David Johnson and his wife Daphne have five children (Savannah, Christopher, Christian, Cheyanne and Bridget). His son Chris, who is a third baseman for the Miami Marlins, has compiled a .280 career average with 58 HR and 315 RBI over his first seven major league seasons.

**Randy Mobley**  
President  
International League

**Randy Mobley** is in his 26th season as President of the International League after being conveyed the title at the Winter Meetings in December of 1990.

He started work in baseball as a part-time intern with the Columbus Clippers in 1980 in exchange for graduate school credit. After completing his schoolwork, Mobley moved into a full-time intern position with the Clippers before being hired as an Administrative Assistant in September, 1981.

Mobley moved on to become the Assistant Director of Advertising and Stadium Operations in November of that same year and remained in that position until November of 1982. He held two other positions with the Clippers (Director of Public Relations and Director of Group Sales) before leaving the club in November, 1985.

On November 1, 1985, Mobley was hired to fill the newly created position of Administrator of the International Baseball League and stayed at that post until being elected President of the American Association and Commissioner of the Triple-A Alliance.

A year later, he was elected as President of the International League. He retained his duties with the American Association and the Triple-A Alliance.

After the Triple-A Alliance dissolved in November, 1991, Mobley continued in his role as President of the International League of Professional Baseball Clubs.

During his post as President, Mobley has taken on many other duties including Chairman of Minor League Baseball Council of League Presidents (since 1992), Co-Chairman of the National Association of Professional Baseball Leagues/Major League Baseball Rules and Policy Review Committee. He is the first person to be given the Warren Giles Award (presented annually to a league president by Minor League Baseball). He was also the 2002 recipient of the *Baseball America* Minor League Executive of the Year Award.

Mobley is a graduate of Otterbein College in Westerville, OH with a B.A. in Physical Education. He also holds a M.A. in Physical Education with a concentration in Sports Administration from The Ohio State University.

Mobley and his wife, Judy, have two sons - Taylor and Reid - and reside in the Columbus, OH area.

## INTERNATIONAL LEAGUE HALL OF FAME

Created by the International League Baseball Writers' Association, the International League Hall of Fame originated on June 12, 1947 when nine former players, managers and League officials were formally inducted into the Hall's first class. The induction included the unveiling of the International League Hall of Fame plaque at the League's New York City offices located in the Ruppert Building at 535 Fifth Avenue.

From 1948 until 1960, a class of three individuals was inducted into the HOF every year. In 1961, '62 and '63, a class of one was inducted annually. For unknown reasons, no inductions were made between 1964 and 2006, and the roster of inductees remained at 51. Speculation is that with the demise of the League's Writers' Association, the selection process went dormant.

With the passing of the only three-time International League Most Valuable Player (1953, '55, '58), two-time Triple Crown Winner (1955, '58) and IL Hall of Famer Glenn "Rocky" Nelson (class of '60) in October, 2006, no living Hall of Fame members remained.

In July, 2007, League Directors unanimously passed legislation during the League's All-Star Game meeting in Albuquerque, NM, to re-establish the Hall of Fame. Former League Presidents Harold Cooper and George Sisler, Jr. were inducted in 2007, while 27 additional inductees were chosen by the Anniversary Committee and enshrined in January, 2008.

A total of 14 inductees were enshrined in 2009, while seven inductees were announced in 2010. Starting with 2011, up to three inductees have been nominated by fans, media and executives. Those nominated are then elected by eligible voters.

# TIDES HISTORY

**Zach Britton**, who made 41 starts with the Tides from 2010-2013, was named to the American League All-Star Team in 2015. Britton went 4-1 with a 1.92 ERA and ranked third in the AL with 36 saves while appearing in 64 games for the Baltimore Orioles.

## TEAM HISTORY

The city of Norfolk had been without pro baseball since the Tars of the Piedmont League folded on July 13, 1955. The Portsmouth Merrimacs finished that season, but the league folded after the season.

A South Atlantic League exhibition game was held in Portsmouth at Lawrence Stadium and was followed

NORFOLK TARS

by a study by Joe Ryan and Marshall Fox (who became the first General Manager of the Tides) to bring baseball back to the area. A Tidewater franchise in the South Atlantic League was granted in 1961 to businessman William McDonald of Miami, FL.

The name "Tides" was selected in a contest conducted by The Virginian-Pilot. Mariners was the name of choice, but editor Robert Mason liked the sound and alliteration of Tidewater Tides.

The team operated in the South Atlantic League for two years, the first as an independent, and the second with a Cardinal working agreement. Granny Hamner, the former Phillie Whiz Kid, became the first manager.

In 1963, the Sally League decided against continuing in Virginia because of travel requirements, and the prospect

of losing baseball again loomed. However, Dave Rosenfield, assistant general manager in 1962, led a local group to gain admittance to the Carolina League in tandem with a Peninsula franchise.

The Tides operated in the Carolina League for six years under Tidewater Professional Sports, Inc., which was led by the late Richard J. Davis, a former lieutenant governor of Virginia.

In 1969, the New York Mets moved their Triple-A International League franchise from Jacksonville, FL to Tidewater. T.P.S. Inc. continued to run the team, but it was owned by the Mets. That first year in Triple-A was played in Portsmouth's Lawrence Stadium and the Tides went on to win the pennant under manager Clyde McCullough. At the same time, the Mets helped the City of Norfolk finance the construction of 6,200 seat Met Park.

The Tides won Governors' Cup championships in 1972, '75, '82, '83 and '85. During that time, the Tides competed in the first and last Fall Classic of Minor League Champions, the last Junior World Series, and they won the first Triple-A World Series in 1983 - a fall classic that was not played again until 1998.

Mike Cubbage's 1987 team won the International League pennant by virtue of having the best record, and several individual team records were set before the Tides were upset in the playoffs.

The 1990 and 1991 teams were led by former big league catcher, Steve Swisher. He led the team to a pair of second-place finishes in the International League's West Division.

Former Tide Clint Hurdle managed the Tides in 1992, although the team struggled to one of the worst records in team history. Not only did the Tides lose a club record 86 games, but an entire homestand (eight games) was rained out in mid-August.

Ground was broken on a new state-of-the-art facility in downtown Norfolk in February, 1992. This facility would prove to be the model for all minor league stadiums to be built in the future, as the Tides would begin play at Harbor Park in 1993.

Also in 1992, the Mets agreed to sell the franchise to a group led by businessman Ken Young. This, coupled with the move to the new ballpark, brought about many changes for the Tides. The club dropped the Tidewater name in favor of Norfolk to give the team a national geographic presence. Also, the City of Norfolk was quite instrumental in keeping the team in the area by getting the new stadium financed and built.

The Tides set a franchise record for attendance in 1993 when 542,040 fans bought tickets to a game at Harbor Park. General Manager Dave Rosenfield won his 4th IL Executive of the Year Award and the team won its first John H. Johnson President's Trophy from the National Association of Professional Baseball Leagues. This award is emblematic of the "complete" baseball franchise. It is based on the club's history and commitment to the community, as well as success financially and at the box office.

In 1994, the Tides won the Triple-A Bob Freitas Award from *Baseball America*, and the club once again set an attendance record with 557,586 fans.

The 1995 season was Harbor Park's first foray into postseason play as the Tides tied the franchise record with 86 wins, which was also accomplished in 1975. It was the Tides first taste of the playoffs since 1988. Yet another attendance record was set (3rd consecutive

year) at 586,317. The Tides were selected by *Baseball America* as its "Team-of-the-Year," as more than a dozen players graduated to the Major League level during the year.

Bobby Valentine became the first manager to return for a second tour of duty in team history in 1996. For the second time in as many seasons, the Tides made the playoffs. This time, Columbus dispatched the Tides in the first round en route to the championship. The Tides had their manager called up to the Majors for the first time during a season. Valentine replaced Dallas Green at the helm of the Mets on August 26th and took long-time pitching coach Bob Apodaca with him.

The Tides drew in excess of 500,000 fans for the fifth consecutive season in 1997 and missed the playoffs by just 1.5 games under first-year manager Rick Dempsey.

The Tides hosted the 11th Annual Triple-A All-Star Classic in 1998 to rave reviews in front of a national television and radio audience. Manager Rick Dempsey and his team finished the season with a 70-72 record as they finished 2nd in the South Division of the expanded IL, behind newcomer Durham.

Another former player returned as manager in 1999 as John Gibbons led the Tides to a winning record with a mark of 77-63. It was not enough to overcome Durham, however, as the Bulls won 83 games. The biggest news of 1999 was the installation of TidesVision, the first television replay board in Hampton Roads.

Gibbons returned for the 2000 season to lead the Tides to a 65-79 record, placing them in 3rd in the

MET PARK

International League's Southern Division.

Gibbons led the 2001 team to a South Division Regular Season Championship, as the team clinched the championship with two weeks left to play in the regular season. After some September 1st call-ups, the Tides roster was depleted, and Norfolk fell to Louisville in the opening round of the postseason.

The 2002 season, Norfolk's 10th at Harbor Park, was one of mediocrity on the field. New manager Bobby Floyd led the Tides to a 70-73 record, good for 3rd place in the South Division. Marco Scutaro was named an All-Star Shortstop and seven different Tides made their Major League debuts.

The Tides finished the 2003 season 67-76, 3rd in the IL South Division. The season started with the Mets top prospect Jose Reyes at shortstop, and the youngster stole 26 bases before his promotion in June. The season was also highlighted by a rehab appearance by future Hall of Fame catcher Mike Piazza. The Tides set top 10 attendance and homestand records as area fans flocked to the ballpark to get a glimpse of the All-Star.

**MIKE PIAZZA**

The 2004 Tides finished the season at 72-72, placing them third in the IL South Division. The season was highlighted by the promotion of Chesapeake native David Wright to the Tides in mid-June. Wright hit .298 with 8 home runs and 17 RBI in 31 games with Norfolk before being promoted to New York in July.

The Tides returned to the playoffs in 2005, as manager Ken Oberkfell helped the Tides win the South Division by a record 14.0 games. Pitcher Jason Scobie earned the starting nod at the Triple-A All-Star game and eventually tied a Tides franchise record with 15 wins, while Brian Daubach powered Norfolk's offense throughout the season. The Tides fell to eventual league champion Toledo in five games in the semifinals of the playoffs.

Norfolk struggled to a 57-84 mark in 2006, using a season-ending five-game winning streak to avoid posting the worst record in franchise history. 26 different Tides appeared in the major leagues, including John Maine and Oliver Perez, who both pitched tremendously for the parent New York Mets during the postseason. 2006 turned out to be the 38th and final year for the Tides as the Mets Triple-A affiliate, as Norfolk partnered with the Baltimore Orioles after the season concluded.

**DAVID WRIGHT**

The 2007 season got off to a great start, as the Baltimore Orioles defeated the Washington Nationals in a Major League spring training game in front of a sellout crowd at Harbor Park. Mike Cervenak became the first Tides player to lead the league in hits in 11 years, while local product Jason Dubois was one of five Norfolk players to reach double figures in home runs. Norfolk finished the season 69-74.

The Tides struggled at the outset of the 2008 season, as they opened up the month of July a season-low 23 games under .500 and 15.0 games out of first place. However, over the final two months of the season the Tides crept to within 5.5 games of first place during the final two weeks of the season. The late charge was not enough, as Norfolk finished the year at 64-78 and second in the division.

The 2009 Tides found themselves with the top record in all of minor league baseball (34-15) when play began on June 1, but that success was limited once the club lost several players to Baltimore, including Nolan Reimold, Matt Wieters, Brad Bergesen, and David Hernandez. Strong pitching performances by youngsters Chris Tillman and Jake Arrieta helped Norfolk end the year at 71-71.

The 2010 season saw a midseason managerial change, as Bobby Dickerson replaced Gary Allenson on June 4 after Allenson was promoted to the Baltimore Orioles coaching staff. The season was highlighted by a nine-inning no-hitter from 22-year-old Chris Tillman, who tossed the gem on April 28 at Gwinnett. Norfolk ended the season 67-77, placing them third in the IL South Division.

The Tides endured a slow start to their 2011 campaign, as an opening 1-8 road trip set the tone for a 56-87 record, Norfolk's worst-ever mark in the International League. Seven different Tides sluggers reached double digits in home runs, led by the 19 homers belted by infielder Josh Bell.

Norfolk returned to its winning ways in 2012, as new manager Ron Johnson navigated a staggering amount of roster moves to guide the Tides to a 74-70 record - Norfolk's first winning season as an Orioles affiliate. The Tides set an IL record by using 75 different players, and Norfolk tied the league record by using 25 different starting pitchers. 26 players appeared for both the Tides and Orioles, as Baltimore advanced to the postseason for the first time since 1997.

The 2013 Tides nearly returned to the postseason, as Norfolk took a one-game lead in the Wild Card standings into the final day of the season, only to see Rochester pull even with a last day win. Norfolk and Rochester each finished with 77-67 records, but the Red Wings advanced to the playoffs due to winning the season series. Norfolk closer Jairo Asencio led the league with 28 saves and was named to the postseason All-Star team.

In Ron Johnson's third year at the helm of the Tides, Norfolk finished in third place with a 65-79 mark. The Tides led the league in hits despite only two players reaching double digits in home runs. Twenty one different players played for both the Tides and Orioles, as Baltimore won the American League East Division for the first time since the 1997 campaign. The O's defeated the Detroit Tigers in the Division Series before falling to the Kansas City Royals in the American League Championship Series.

**MATT WIETERS**

Norfolk returned to the postseason in 2015 by finishing 78-66 atop the difficult IL South - the first division in league history to have each of its teams finish above the .500 mark. Ron Johnson was named IL Manager of the Year, while closer Oliver Drake and outfielder Dariel Alvarez were both named to the postseason All-Star Team. Youngsters Christian Walker, Tyler Wilson and Mike Wright helped lead the Tides into the postseason, where Norfolk lost a five-game series to eventual IL Champions Columbus.

## HARBOR PARK

Harbor Park, with its outstanding view and sound design, was opened in 1993. The ballpark is located in downtown Norfolk on the Elizabeth River, and the Tides christened their new home on 4/14/93 with a 2-0 victory against the Ottawa Lynx.

Talks of a new stadium for the Tides began during the 1990 season. Several sites were discussed, and the area known as "Bessie's Place" in downtown Norfolk was selected due to the nationwide success of downtown ballparks. Ground was broken in February of 1992 and work began shortly after.

HOK Sports Facilities Group of Kansas City, Mo. (currently known as Populous) was chosen to design the crown jewel on the Norfolk waterfront. HOK Sports Facilities Group has also designed some of the finest major league parks, including Oriole Park at Camden Yards in Baltimore, PNC Park in Pittsburgh, Comerica Park in Detroit, PETCO Park in San Diego, Citizens Bank Park in Philadelphia, Citi Field in New York and the new Yankee Stadium.

The design team, led by Earl Santee, elected to create a nautical image with shipyard crane-like light towers and arrays of colorful flags. However, it also had to fit into the downtown business scene, and the brick exterior of the stadium was selected for just that purpose.

Harbor Park features nearly 9,000 lower-deck seats, 2,800 upper-deck seats, and 400 seats in 24 luxury skyboxes. The park also features a 225-seat restaurant known as "Hits at the Park," a climate-controlled facility that offers a complete view of the playing field. Two LED video boards were installed in the right field scoreboard prior to the 2006 season, while three LED ribbon boards were installed prior to the 2013 season. A 3,000-person, tiered picnic area overlooks left field, which increases Harbor Park's total capacity to 11,856. An additional party deck was built in right field prior to the 2009 season which moved the right field fence in 20 feet. The playing surface was completely renovated prior to the 2014 season, with the center field fences moved in 10 feet. The Harbor Park field dimensions are 333 ft in LF, 400 ft in CF, and 318 ft in RF.

The facility is owned by the City of Norfolk. Its construction was financed by rent paid by the Tides and other revenue from non-baseball events held in the facility. The total cost of construction for the stadium exceeded \$16 million.

Harbor Park was selected by *Baseball America* as the finest minor league facility in the United States in 1995.
