CHUCK GREENBERG

CHUCK GREENBERG GENERAL PARTNER & CEO

For more than two decades, Frisco RoughRiders General Partner and CEO Chuck Greenberg has built his reputation as an innovative franchise owner and operator, corporate and sports attorney, dealmaker, advisor, and expert on the business and economics of major professional sports.

Chuck's involvement with the RoughRiders began on August 20, 2014 when the ownership group he and Scott Sonju put together finalized the purchase of the franchise from Mandalay Baseball Properties. In addition to his role with the RoughRiders, he currently holds the title of Chairman and Managing Partner with the Myrtle Beach (SC) Pelicans, the Advanced-A affiliate of the Chicago Cubs, and the State College (PA) Spikes, the Short Season-A affiliate of the St. Louis Cardinals.

In November 2009, Chuck announced the formation of Greenberg Sports Group (GSG), which provides management, consulting and marketing services to the sports industry across the country.

Well-respected across baseball, Chuck has the distinguished honor of serving on the Minor League Baseball Board of Trustees, a position he was elected to in December 2007. The 12-person Board has exclusive power to determine policies and to enact rules and regulations for Minor League Baseball and its member clubs.

Among Chuck's leadership roles in the industry, he has helped to launch Minor League Baseball's "Project Brand" initiative, which was announced at the 2012 Baseball Winter Meetings. "Project Brand" is a transformational new national marketing program designed to attract major national sponsors by creating one cohesive brand encompassing all 160 member clubs. Previously, he served on the inaugural Board of Directors of the Baseball Internet Rights Company (BIRCO), which holds the digital media rights of its member Minor League Baseball clubs and leagues, and partners in a strategic venture with Major League Baseball Advanced Media (MLBAM). Chuck is also a co-Chair of Minor League Baseball's Diversity Committee, where he was tapped for a leadership position by Minor League Baseball President Pat O'Conner in part for his success in attracting substantial minority investment to his ownership groups.

Chuck is the former Managing Partner & CEO of the Texas Rangers, a role he assumed in 2010 after his group of investors (Rangers Baseball Express, LLC), which included Baseball Hall of Famer Nolan Ryan, acquired the Major League Baseball franchise from Tom Hicks and Hicks Sports Group.

His tenure as Rangers' Managing Partner & CEO was highlighted by the club winning the American League Pennant and reaching its first World Series in the history of the franchise. Off the field, Chuck spearheaded the development of an enhanced senior management staff, overhauled the fan experience at Globe Life Park in Arlington, constructed and installed a new state-of-the-art video board, game entertainment control room and technological overhaul of Globe Life Park, and helped re-establish a sense of trust and excitement between the franchise and community. He was also the architect of a lucrative and landmark deal with Fox Sports Southwest that has since changed the landscape of regional television rights deals throughout the sports industry.

CHUCK GREENBERG

Chuck's professional baseball career began in October 2001, when he led an ownership group which purchased the Double-A Eastern League's Altoona Curve. During his time as the Curve's President & Managing Partner (2002-08), the club set numerous single-game and season attendance records, continually re-invested private money into capital improvement projects at Blair County Ballpark, and helped the franchise gain national stature as one of the most creative and innovative teams in professional sports.

The Curve won the prestigious Larry MacPhail Promotional Award in 2004, the 2006 *Baseball America* Bob Freitas Award as the top Double-A franchise and added the highest honor bestowed annually upon a Minor League Baseball club, the John H. Johnson President's Trophy, in 2006. Altoona became only the 11th franchise to receive all three major awards, and was the first team to accomplish the feat in fewer than three years.

The Pittsburgh native had a long and successful career as a corporate and sports attorney, and currently serves as counsel with the globally-based law firm Reed Smith LLP. Prior to joining Reed Smith in 2010, Chuck was a partner in the Pennsylvania-based law firm Pepper Hamilton, LLP, which he joined in 1998. He headed the firm's sports practice and was a member of its Executive Committee. Throughout his career, he has lent his expertise to the acquisition and sale of more than two dozen franchises in baseball, football, basketball, hockey, soccer and lacrosse.

Among his work in the sports industry, Chuck was instrumental in helping put together the deal that landed a group led by National Hockey League Hall of Famer Mario Lemieux and renowned businessman Ron Burkle ownership of the bankrupt Pittsburgh Penguins in 1999, and saved the franchise for Pittsburgh and Western Pennsylvania. In 2007, he represented Lemieux, Burkle and the Penguins in successful negotiations with the Commonwealth of Pennsylvania, the City of Pittsburgh and Allegheny County which resulted in a deal to build a brand-new, state-of-the-art arena in downtown Pittsburgh and secure the future of the Penguins in Pittsburgh for at least another 30 years.

Chuck has been featured in numerous articles and has made frequent television and radio appearances concerning the business and economics of sports, particularly regarding sports franchises and facilities. He has also been a frequent speaker and panelist at the annual National Sports Forum and Baseball Winter Meetings. In 2008, he was named to the Sports Business Research Advisory Board at Penn State University, representing team owners in the work of the Center for Sports Business Research, which focuses on the development of first-rate academic and applied empirical research in the sports industry while helping to define educational opportunities for students looking to start careers in sports business.

He also serves on the board of directors of the Mario Lemieux Foundation and served on the executive committee of the Mario Lemieux Celebrity Golf Invitational, which was held for nearly 20 years.

Chuck graduated from Upper St. Clair High School in Pittsburgh in 1978 and, four years later, received his B.A. from Tufts University in Massachusetts. In 1985, he graduated from the University of Michigan Law School. Chuck makes his home in Westlake, Texas and has three adult sons.

EXECUTIVES

He also assists in overseeing all franchise business matters, leads the club's front office staff, and manages the relationship with the Rangers, Minor League Baseball and the Texas League.

Jason also continues to work with the Spikes as the team's president. In his tenure with the Spikes, the team has set attendance records and was honored for its off-the-field success with numerous awards. In 2012, Jason was named the New York-Penn League's Executive of the Year. Prior to joining State College, he spent 10 years with the Altoona Curve working in broadcasting and public relations.

Following the 2017 season, Burchett was honored with the Texas League's Bill Valentine Executive of the Year Award, as voted on by executives from around the league.

Scott was born and raised in Garland, Texas and attended Baylor University where he majored in Business Management. Scott resides in McKinney, Texas with his wife, Caroline, and their three children.

MANAGER - JOE MIKULIK

Joe Mikulik returns for his fourth season as RoughRiders manager and his 20th campaign as a Minor League skipper. Through his first three seasons in Frisco, he holds a 183-235 (.438) record. 2018 marks his sixth season in the Rangers organization, which also includes a one-year stint as manager of Advanced-A Myrtle Beach in 2014 and a year as the organization's roving outfield coordinator in 2013.

While in Myrtle Beach, Mikulik recorded his 1,000th career victory on May 9, 2014.

Prior to joining the Texas organization, he spent 13 seasons in the Colorado Rockies system as a manager with the Class-A Asheville Tourists. Mikulik also managed the Short Season-A Burlington Indians (Cleveland) in 1997 and 1998. He holds a career .511 winning percentage (1,244-1,192) in his first 19 seasons as a skipper, resulting in five postseason berths (11-12 postseason record). Under Mikulik, Asheville won the

South Atlantic League championship in 2012. He was the league's Manager of the Year four times (2000, 2002, 2007 and 2008) and was elected to the South Atlantic League Hall of Fame in 2010. He is the Tourists' and South Atlantic League's all-time leader in career victories as a manager (938).

A native of the Lone Star State, Mikulik was born in Weimer, Texas and currently lives in nearby Keller. After graduating from Bishop Forest High School in Schulenburg, Texas, he played for two seasons at San Jacinto Junior College in Pasadena, Texas, where he was an All-American. Mikulik was Houston's ninth-round selection in the 1984 June Draft and played for 12 years in the Astros organization, rising as high as Triple-A Tucson. He was a career .274 hitter with 78 home runs, 161 doubles, 48 triples 527 RBI and 135 steals in 1,053 games. Outside of stints in Mexico and Venezuela, he manned the outfield for Astros affiliates for the entirety of his professional playing career.

He began his coaching career as a player/coach in the Cleveland organization for Double-A Canton-Akron in 1995. Mikulik's managerial career began as an interim skipper when he replaced then-Burlington manager and former Rangers special assistant Harry Spilman late in the 1997 season.

HITTING COACH - JASON HART

Jason Hart begins his seventh season as the Riders hitting coach and his 11th as a Minor League instructor.

In 2016, he earned the Texas League's Mike Coolbaugh Memorial Coach of the Year Award, given to "a long-time, dedicated minor league baseball person, one who shows a devotion to the sport and has a passion for his position as an instructor and is an example of professionalism for others to follow."

Hart's experience with the Riders isn't just limited to coaching. He played first base for Frisco in 2005 and led the team with 28 doubles, 21 home runs and 77 RBIs, earning a spot on the Texas League Midseason All-Star team.

Overall, his playing career spanned eight seasons, including four in the Rangers organization. He was a career .271 hitter with 174 homers and 687 RBI. Hart made his major league debut on August 18, 2002 for the Rangers and played in 10 games with Texas that season.

Hart's coaching career began in 2008 as an assistant for Class-A Clinton. Following a year as hitting coach in the AZL, he filled the same capacity with Class-A Hickory in 2010 and 2011.

He was selected by Oakland in the fifth round of the 1998 First-Year Player Draft out of Missouri State University, where he was a three-year starter and an All-American. He still holds several career hitting records at Missouri State and in 2007 was named to the Missouri Valley Conference Baseball All-Centennial Team.

Hart graduated from Fair Grove (MO) High School in 1996, just outside of Springfield. He and his family still live in the Springfield area during the offseason.

Dear Fans:

On behalf of Minor League Baseball and the Frisco RoughRiders, I want to welcome you to Dr Pepper Ballpark. It is great to see you at the ballpark for another exciting season of Minor League Baseball!

The 2018 season will see the opening of a new ballpark in North Augusta, South Carolina, and based on the success of a program launched in four cities in 2017, this year we are introducing the “Copa de la Diversión,” or “Fun Cup,” a season-long event series between the 33 teams that have adopted Spanish-language identities in an effort to be more representative of their community.

While you may see some new logos and team identities this spring and summer, what remains the same is the quality, affordable family entertainment in a clean and safe environment that is a staple of Minor League Baseball across the country.

With 20 leagues and more than 250 clubs, Minor League Baseball is where you will find the next wave of baseball’s brightest stars on their way to the big leagues. The next Mike Trout, Jose Altuve or Kris Bryant just might be playing in the game you are watching now!

Minor League Baseball also remains an integral part of the sports landscape, and of the communities it represents. Last season, Minor League Baseball’s philanthropic endeavors included donating almost \$40 million in cash and value in kind contributions to local and national charities. We are proud to support our National Charity Partners: The ALS Association, the American Cancer Society, Big Brothers Big Sisters, The BairFind Foundation and Ed Randall’s Fans for the Cure, as well as other worthy initiatives and causes.

In 2017, a remarkable 41.8 MILLION fans attended Minor League Baseball games and I am certain that with your continued support, Minor League Baseball will continue to prosper for many years to come. As stewards and fans of the game, it is our responsibility to build, nurture and protect this great game for the future generations of fans.

Thank you again for your passionate support of Minor League Baseball, and most importantly the Frisco RoughRiders. I wish you a healthy and enjoyable season of baseball. Let’s play ball!!

Sincerely,

Pat O'Conner

2017 IN REVIEW

2017 STORYLINES / AWARDS & HONORS

2017 record: 60-80 (4th place, Texas League South, 18.0 GB)

First half: 31-39 (4th, 10.0 GB) | Second half: 29-41 (4th, 8.0 GB)

KINER KILLS CAREER HIGHS: Utility man Isiah Kiner-Falefa established new single-season career-highs in games (128), hits (147), doubles (31), triples (3), home runs (5), RBIs (48) and stolen bases (17). He also tied previous bests in walks (41) and runs (57). The fifth-year pro had never homered prior to 2017 and nearly hit as many doubles in one season (31) as he had totaled in his first four seasons (33). All the while, Kiner-Falefa played five different positions defensively for the Riders (C, 2B, SS, 3B, CF).

DAVIS’ DANDIES: After struggling early in the season at Class-A Hickory and Advanced-A Down East, Tyler Davis arrived in Frisco July 2 and completely flipped the script of his season. Across 12 Double-A starts, Davis posted a 2.32 ERA and logged 10 quality starts. The highlight of his season came August 22 at San Antonio, when he threw a nine-inning, complete-game shutout. Davis’ 2.32 ERA in Double-A was a stark improvement from his combined 7.29 ERA at the lower levels.

HEINEMAN = ON-BASE MACHINE: Outfielder Scott Heineman compiled a pair of 25-game on-base streaks within the season’s first three months. The second-year pro recorded his first streak in the season’s first 25 games (April 6-May 5) and the other between June 6 and July 10. He also amassed a streak of 18 games and had the team’s longest hitting streak during the season (12 games).

GOLDEN AGAIN: Catcher Jose Trevino was stellar defensively again in 2017, earning his second consecutive Rawlings Minor League Gold Glove Award. Trevino caught 99 games with the Riders and made just three errors (.996 fielding percentage), nabbed 41% of base stealers, picked off four runners and only permitted three passed balls all season.

RISE AND SHINE: Three Riders pitchers went straight from Frisco to the big leagues in 2017: RHP Ricky Rodriguez, RHP Nick Gardewine and LHP Yohander Mendez. Both Rodriguez and Gardewine had never pitched in Double-A prior to the season and were not on the Rangers 40-man roster until their promotions.

NOTABLE RULES AND REGULATIONS

ROSTER LIMIT: Texas League clubs may carry 25 active players for the entire championship season (regular season) and postseason.

PLAYOFF ROSTERS: Any player shall be eligible to participate in postseason play as long as he is assigned to a participating club in accordance with the rules of the Texas League and Minor League Baseball prior to the start of the first game of postseason play.

PLAYOFF FORMAT: The two half winners from each division qualify for the playoffs. The winners of the Texas League Division Series meet in the Texas League Championship Series. Both rounds involve best-of-five sets.

Should one team win both half seasons, they will play the team in their division with the next best overall record over the whole season in the Division Series. In this case the winner of both halves will host game one, two and, if necessary, game five.

TIEBREAKERS:

In the case of a first-half tie between two teams, the winner of the first head-to-head meeting in the second half will win the first half.

In the case of a second half tie, the tiebreakers are as follows:

1. Head-to-head record in the second half
2. Second half record against divisional opponents
3. Overall record (both halves)
4. Better divisional record (both halves)
5. If the teams remain tied, a one-game playoff will be held

CURFEW: The Texas League has no official curfew. Clubs must honor any local curfew or special time limit regulation.

SUSPENDED GAME RULE: The Texas League uses the Major League suspended game rule 4.12, as printed in the Major League Rule Book. The rule states a game is suspended and must be completed at a future date when: a curfew imposed by law, a time limit permissible under league rules, light failure or malfunction of a mechanical field device under the control of the home club, darkness when law prevents lights from being turned on, weather and when a regulation game that is called when the score is tied.

The Riders scored the game's only run in the top of the first inning on an RBI single from Tommy Mendonca.

NO-HITTERS

May 18, 2008

Matt Harrison

*Frisco 2 - San Antonio 0 (7 inn.)
Dr Pepper Ballpark*

Wolff Stadium*

Feliz: 5 IP, 0 H, 0 ER, 2 BB, 3 K

Wolff Stadium*

Wieland: 9 IP, 0 H, 0 ER, 1 BB, 7 K
