CHUCK GREENBERG GENERAL PARTNER & CEO

For more than two decades, Frisco RoughRiders General Partner and CEO Chuck Greenberg has built his reputation as an innovative franchise owner and operator, corporate and sports attorney, dealmaker, advisor, and expert on the business and economics of major professional sports.

Chuck's involvement with the RoughRiders began on August 20, 2014 when the ownership group he put together finalized the purchase of the franchise from Mandalay Baseball Properties. In addition to his role with the RoughRiders, he currently holds the title of Chairman and Managing Partner with the Myrtle Beach (SC) Pelicans, the Advanced-A affiliate of the Chicago Cubs, and the State College (PA) Spikes, the Short Season-A affiliate of the St. Louis Cardinals.

In November 2009, Chuck announced the formation of Greenberg Sports Group (GSG), which provides management, consulting and marketing services to the sports industry across the country.

Well-respected across baseball, Chuck has the distinguished honor of serving on the Minor League Baseball Board of Trustees, a position he was elected to in December 2007. The 12-person Board has exclusive power to determine policies and to enact rules and regulations for Minor League Baseball and its member clubs.

Among Chuck's leadership roles in the industry, he has helped to launch Minor League Baseball's "Project Brand" initiative, which was announced at the 2012 Baseball Winter Meetings. "Project Brand" is a transformational new national marketing program designed to attract major national sponsors by creating one cohesive brand encompassing all 160 member clubs. Previously, he served on the inaugural Board of Directors of the Baseball Internet Rights Company (BIRCO), which holds the digital media rights of its member Minor League Baseball clubs and leagues, and partners in a strategic venture with Major League Baseball Advanced Media (MLBAM). Chuck is also a co-Chair of Minor League Baseball's Diversity Committee, where he was tapped for a leadership position by Minor League Baseball President Pat O'Conner in part for his success in attracting substantial minority investment to his ownership groups.

Chuck is the former Managing Partner & CEO of the Texas Rangers, a role he assumed in 2010 after his group of investors (Rangers Baseball Express, LLC), which included Baseball Hall of Famer Nolan Ryan, acquired the Major League Baseball franchise from Tom Hicks and Hicks Sports Group.

His tenure as Rangers' Managing Partner & CEO was highlighted by the club winning the American League Pennant and reaching its first World Series in the history of the franchise. Off the field, Chuck spearheaded the development of an enhanced senior management staff, overhauled the fan experience at Globe Life Park in Arlington, constructed and installed a new state-of-the-art video board, game entertainment control room and technological overhaul of Globe Life Park, and helped re-establish a sense of trust and excitement between the franchise and community. He was also the architect of a lucrative and landmark deal with Fox Sports Southwest that has since changed the landscape of regional television rights deals throughout the sports industry.

CHUCK GREENBERG

Chuck's professional baseball career began in October 2001, when he led an ownership group which purchased the Double-A Eastern League's Altoona Curve. During his time as the Curve's President & Managing Partner (2002-08), the club set numerous single-game and season attendance records, continually re-invested private money into capital improvement projects at Blair County Ballpark, and helped the franchise gain national stature as one of the most creative and innovative teams in professional sports.

The Curve won the prestigious Larry MacPhail Promotional Award in 2004, the 2006 *Baseball America* Bob Freitas Award as the top Double-A franchise and added the highest honor bestowed annually upon a Minor League Baseball club, the John H. Johnson President's Trophy, in 2006. Altoona became only the 11th franchise to receive all three major awards, and was the first team to accomplish the feat in fewer than three years.

The Pittsburgh native had a long and successful career as a corporate and sports attorney, and currently serves as counsel with the globally-based law firm Reed Smith LLP. Prior to joining Reed Smith in 2010, Chuck was a partner in the Pennsylvania-based law firm Pepper Hamilton, LLP, which he joined in 1998. He headed the firm's sports practice and was a member of its Executive Committee. Throughout his career, he has lent his expertise to the acquisition and sale of more than two dozen franchises in baseball, football, basketball, hockey, soccer and lacrosse.

Among his work in the sports industry, Chuck was instrumental in helping put together the deal that landed a group led by National Hockey League Hall of Famer Mario Lemieux and renowned businessman Ron Burkle ownership of the bankrupt Pittsburgh Penguins in 1999, and saved the franchise for Pittsburgh and Western Pennsylvania. In 2007, he represented Lemieux, Burkle and the Penguins in successful negotiations with the Commonwealth of Pennsylvania, the City of Pittsburgh and Allegheny County which resulted in a deal to build a brand-new, state-of-the-art arena in downtown Pittsburgh and secure the future of the Penguins in Pittsburgh for at least another 30 years.

Chuck has been featured in numerous articles and has made frequent television and radio appearances concerning the business and economics of sports, particularly regarding sports franchises and facilities. He has also been a frequent speaker and panelist at the annual National Sports Forum and Baseball Winter Meetings. In 2008, he was named to the Sports Business Research Advisory Board at Penn State University, representing team owners in the work of the Center for Sports Business Research, which focuses on the development of first-rate academic and applied empirical research in the sports industry while helping to define educational opportunities for students looking to start careers in sports business.

He also serves on the board of directors of the Mario Lemieux Foundation and served on the executive committee of the Mario Lemieux Celebrity Golf Invitational, which was held for nearly 20 years.

Chuck graduated from Upper St. Clair High School in Pittsburgh in 1978 and, four years later, received his B.A. from Tufts University in Massachusetts. In 1985, he graduated from the University of Michigan Law School. Chuck makes his home in Westlake, Texas and has three adult sons.

EXECUTIVES

ANDY MILOVICH PRESIDENT & GENERAL MANAGER

Andy joined the RoughRiders in July 2018 as the club's President & General Manager. He came to Frisco from the RoughRiders' sister club, the Myrtle Beach Pelicans, where he continues to serve as the organization's president.

Prior to joining the Greenberg Sports Group, Andy spent 18 years with Palisades Baseball. Joining the Erie SeaWolves as the Director of Group Sales in 1995, he was quickly promoted to Assistant General Manager midway through the inaugural season. After ascending to the General Manager's role in the fall of 1996, he launched two new ballparks for Palisades with the New York-Penn League's Mahoning Valley Scrappers in 1999 and the West Virginia Power in 2005. He was elevated to Executive Vice President, overseeing the Scrappers, Power, Power Alley Grill Restaurant, and West Virginia Power Catering in 2007.

Milovich was the recipient of The Sporting News Minor League Executive of the Year following the franchise's third consecutive New York-Penn League attendance record during the 1997 season. He earned the New York-Penn League Executive of the Year Award following a New York-Penn League record setting 203,000 fans in 38 dates during the Scrappers 2000 campaign. Prior to joining the SeaWolves, he served as the Director of Stadium Operations with the Madison Hatters, the St. Louis Cardinals former Class A Midwest League franchise.

The 2019 season is Andy's 29th in professional baseball. His first professional baseball experience came as an intern with the Midwest League's South Bend White Sox in 1990. After completing the Sport Management Graduate Program at the University of Georgia in the spring of 1993, Andy spent six months as the Marketing & Operations Coordinator for the Tucson Javelinas in the Arizona Fall League and helped out with the PCL's Tucson Toros that summer.

Andy currently resides in Frisco with his wife Cher and daughters Addison Eileen and Dylan Stone. The South Bend, Indiana native graduated from Valparaiso University where he obtained a B.S. in both Business Administration and Sports Management. He was a four-year member of the Men's Baseball Team.

SCOTT BURCHETT CHIEF OPERATING OFFICER

Scott Burchett joined the Frisco RoughRiders in February of 2004. Scott has worked in several capacities for the RoughRiders organization, first as PlayBall! coordinator and later as promotions coordinator, prior to moving to his current role.

Following the 2017 season, Burchett was honored with the Texas League's Bill Valentine Executive of the Year Award, as voted on by executives from around the league.

Scott was born and raised in Garland, Texas and attended Baylor University where he majored in Business Management. Scott resides in McKinney, Texas with his wife, Caroline, and their three children.

COACHES AND STAFF

MANAGER - JOE MIKULIK

Joe Mikulik returns for his fifth season as RoughRiders manager, making him the longest-tenured skipper in franchise history. With 59 wins or more in 2019, he'll take over as the winningest manager in team history. Through his first four seasons in Frisco, he holds a 243-315 (.435) record.

2019 marks his seventh season in the Rangers organization, which also includes a one-year stint as manager of Advanced-A Myrtle Beach in 2014 and a year as the organization's roving outfield coordinator in 2013. While in Myrtle Beach, Mikulik recorded his 1,000th career victory on May 9, 2014.

Mikulik is headed into his 21st season as a Minor League manager in 2019. Prior to joining the Texas organization, he spent 13 seasons in the Colorado Rockies system as a manager with the Class-A Asheville Tourists. Mikulik also managed the Short Season-A Burlington Indians (Cleveland) in 1997 and 1998. He holds a career .506 winning percentage

(1,304-1,272) in his first 20 seasons as a skipper, resulting in five postseason berths (11-12 postseason record). Under Mikulik, Asheville won the South Atlantic League championship in 2012. He was the league's Manager of the Year four times (2000, 2002, 2007 and 2008) and was elected to the South Atlantic League Hall of Fame in 2010. He is the Tourists' and South Atlantic League's all-time leader in career victories as a manager (938).

A native of the Lone Star State, Mikulik was born in Weimar, Texas and currently lives in nearby Keller. After graduating from Bishop Forest High School in Schulenburg, Texas, he played for two seasons at San Jacinto Junior College in Pasadena, Texas, where he was an All-American. Mikulik was Houston's ninth-round selection in the 1984 June Draft and played for 12 years in the Astros organization, rising as high as Triple-A Tucson. He was a career .274 hitter with 78 home runs, 161 doubles, 48 triples 527 RBI and 135 steals in 1,053 games. Outside of stints in Mexico and Venezuela, he manned the outfield for Astros affiliates for the entirety of his professional playing career.

He began his coaching career as a player/coach in the Cleveland organization for Double-A Canton-Akron in 1995. Mikulik's managerial career began as an interim skipper when he replaced then-Burlington manager and former Rangers special assistant Harry Spilman late in the 1997 season.

HITTING COACH - JASON HART

Jason Hart begins his eighth season as the Riders hitting coach and his 12th as a Minor League instructor.

In 2016, he earned the Texas League's Mike Coolbaugh Memorial Coach of the Year Award, given to "a long-time, dedicated minor league baseball person, one who shows a devotion to the sport and has a passion for his position as an instructor and is an example of professionalism for others to follow."

Hart's experience with the Riders isn't just limited to coaching. He played first base for Frisco in 2005 and led the team with 28 doubles, 21 home runs and 77 RBIs, earning a spot on the Texas League Midseason All-Star team.

Overall, his playing career spanned eight seasons, including four in the Rangers organization. He was a career .271 hitter with 174 homers and 687 RBI. Hart made his major league debut on August 18, 2002 for the Rangers and played in 10 games with Texas that season.

Hart's coaching career began in 2008 as an assistant for Class-A Clinton. Following a year as hitting coach in the AZL, he filled the same capacity with Class-A Hickory in 2010 and 2011.

He was selected by Oakland in the fifth round of the 1998 First-Year Player Draft out of Missouri State University, where he was a three-year starter and an All-American. He still holds several career hitting records at Missouri State and in 2007 was named to the Missouri Valley Conference Baseball All-Centennial Team.

Hart graduated from Fair Grove (MO) High School in 1996, just outside of Springfield. He and his family still live in the Springfield area during the offseason.

NOTABLE RULES AND REGULATIONS

ROSTER LIMIT: Texas League clubs may carry 25 active players for the entire championship season (regular season) and postseason.

PLAYOFF ROSTERS: Any player shall be eligible to participate in postseason play as long as he is assigned to a participating club in accordance with the rules of the Texas League and Minor League Baseball prior to the start of the first game of postseason play.

PLAYOFF FORMAT: The two half winners from each division qualify for the playoffs. The winners of the Texas League Division Series meet in the Texas League Championship Series. Both rounds involve best-of-five sets.

Should one team win both half seasons, they will play the team in their division with the next best overall record over the whole season in the Division Series. In this case the winner of both halves will host game one, two and, if necessary, game five.

TIEBREAKERS:

In the case of a first-half tie between two teams, the winner of the first head-to-head meeting in the second half will win the first half.

In the case of a second half tie, the tiebreakers are as follows:

1. Head-to-head record in the second half
2. Second half record against divisional opponents
3. Overall record (both halves)
4. Better divisional record (both halves)
5. If the teams remain tied, a one-game playoff will be held

CURFEW: The Texas League has no official curfew. Clubs must honor any local curfew or special time limit regulation.

SUSPENDED GAME RULE: The Texas League uses the Major League suspended game rule 4.12, as printed in the Major League Rule Book. The rule states a game is suspended and must be completed at a future date when: a curfew imposed by law, a time limit permissible under league rules, light failure or malfunction of a mechanical field device under the control of the home club, darkness when law prevents lights from being turned on, weather and when a regulation game that is called when the score is tied.
