ART SOLOMON

OWNER

Art Solomon is the President and CEO of DSF Sports, the parent company of the New Hampshire Fisher Cats.

Under Art's direction, the Fisher Cats have earned several distinctions throughout the baseball industry. Most recently, the Fisher Cats earned the Eastern League nomination for the 2012, 2013, and 2014 John H. Johnson President's Trophy, which recognizes the top organization in Minor League Baseball based on franchise stability, contributions to the community, and promotion of the baseball industry.

In 2010, the club was honored with the prestigious Larry MacPhail Award as the nation's best in promotional effort and community involvement. In 2009 the club won Baseball America's Double-A Bob Freitas Award recognizing the Fisher Cats as the most outstanding franchise at the Double-A level for overall business operation and long-term success.

Art has reproduced his blueprint for successful minor league baseball teams into a new book called 'Making It in the Minors'. It details the behind-the-scenes, often-untold stories about the business of baseball, from acquiring a franchise to developing marketing and branding strategies, and more. All proceeds from the book are being donated to Minor League Baseball Charities.

Only second to his love of family and baseball is Art's commitment to strong and vibrant local communities. The Fisher Cats and the Fisher Cats Foundation have provided more than four million dollars in monetary and in-kind donations for thousands of non-profit groups since 2006. The headline event is the annual Granite State Baseball Dinner, which donated nearly \$140,000 for charity in 2015.

Earlier in his career, he worked for the anti-poverty programs in New Haven, Connecticut and in Washington D.C. While he was as a professor of Economics and Urban Studies at M.I.T., he served as the Executive Director of the Harvard-M.I.T. Joint Center for Urban Studies -- a leading think tank on the development of our cities and regions.

Widely regarded as one of the most successful investors, developers, and operators in the United States real estate market, Art holds a B.A. from Brown University, an M.A. from Trinity College, and a Ph.D. from Harvard University.

He is married to Sally Lapides and has three children, two step children and eight grandchildren.

MIKE RAMSHAW

PRESIDENT

Mike joined the Fisher Cats in the fall of 2006. He spent his first season as the Fisher Cats' Director of Ticket Sales, progressing to his current position as the team's President.

A member of the 2011 Eastern League Champions, Mike was also a vital piece of the 2010 Fisher Cats front office that was presented the 2010 Larry MacPhail Award, naming the club as the top team for promotional effort and community involvement throughout all levels of Minor League Baseball. Mike was also a member of the Fisher Cats Front Office Team that were awarded the 2009 Double-A Bob Freitas Award by Baseball America, recognizing the club for achieving long-term success in Minor League Baseball.

Mike is an active member of the community, serving as a committee chairman for Cub Scout Pack 901 and Explorer Post 1137 in Londonderry. He also serves as the Family Friends of Scouting Chair for the Boy Scouts of America, Daniel Webster Council. The new President is a native of southern NH who graduated from Pinkerton Academy and attended Hesser College. He currently lives in Londonderry with his wife, Tracey, their sons Gabriel and Colby, and daughters Abigail and Sophia.

JIM FLAVIN

GENERAL MANAGER

Jim recently returned to New England to head the Fisher Cats' ticketing and operations efforts from the Tacoma Rainiers, Triple-A affiliate of the Seattle Mariners, before being tabbed as the General Manager in November of 2016. Born and raised in the Boston suburb of Milton, Mass., he began his career in baseball with the independent Worcester Tornadoes of the Can-Am League while studying at Holy Cross.

After graduating in May of 2008 with a B.A. in Economics, Jim spent one more season with the Tornadoes before making the leap across the country to become the Stadium Operations Manager for the Visalia Rawhide, the High-A affiliate of the Arizona Diamondbacks.

After one season in California, Jim headed north to join the Tacoma Rainiers as a member of the Premium Ticket Sales Staff. He served one season as the Director of Corporate Partnerships before spending four seasons as the team's Vice President of Business Development.

Playoff Format - (new for 2019)--The season will be split into two halves. The first place team in each division during the first half of the season and the second half of the season will qualify for the playoffs. In the event the same team finishes in first place in their division in both the first half and second half, the second playoff spot for that division will go to the team from that division that has the next best full season record against all opponents. Playoff eligibility is determined by won loss record of each team. In the event a club has played a different number of games, due to postponed or other reasons, standings will be determined by won loss record, with no regard to winning percentage.	
Divisional Playoffs - Best-of-five series with first half winner and second half winner in each division playing one another. The second half winner shall host games one and two, and the first half winner shall host games three, four (if necessary), and five (if necessary).	
League Championship Series - The winners of the two first round series shall enter a final playoff series to determine the Eastern League Champion. That series will be a best of five series. The Eastern Division team shall host games one and two in odd numbered years - the Western Division team shall host games one and two in even numbered years.	
Tiebreakers - The first tiebreaker is head to head between the teams during the current half season, followed by runs scored between the tied teams during the current half season, intra-division record during the current half season, run differential against all opponents during the current half season, and then a coin flip. (If more than two teams, aggregate would apply).

2019 FISHER CATS FIELD STAFF

MIKE MORDECAI MANAGER FIRST SEASON

Two-time World Series Champion Mike Mordecai has been named the team's new manager. The 12-year major league infielder played for the Braves (1994-1997), Expos (1998-2002) and Marlins (2002-2005), winning the World Series with Atlanta in 1995 and Florida in 2003. Mordecai produced one of the biggest hits of the Marlins championship run, a three-run double to break open Game 6 of the 2003 National League Championship Series against the Cubs.

Mordecai has worked in the Blue Jays organization for nine seasons in several different roles. After signing on as minor league infield coordinator in 2010, he was promoted to coordinator of instruction in 2015 and assistant field coordinator in 2017. Last season, he joined the major league ranks as Toronto's quality control coach under manager John Gibbons.

The 2019 season will be Mordecai's second as a manager in Minor League Baseball; he led the New York Penn League's Jamestown Jammers (Marlins Short Season-A affiliate) in 2005.

DONNIE MURPHY HITTING COACH FIRST SEASON

Another former major league infielder, Donnie Murphy, will join the Fisher Cats as hitting coach. The 35-year-old served as the Class-A Lansing Lugnuts hitting coach from 2016-2017, and moved up to Advanced-A Dunedin in the same role last year.

A fifth-round draft pick from Orange Coast College in Costa Mesa, Calif., Murphy spent parts of nine seasons in MLB. He suited up for the Royals (2004-2005), A's (2007-2008), Marlins (2010-2012), Cubs (2013) and Rangers (2014).

ANDY FERMIN POSITION COACH THIRD SEASON

Andy Fermin returns to the Fisher Cats staff in 2019 as a position player coach. The 29-year old spent seven years playing in the Blue Jays minor league ranks, making stops at six different levels in the system.

Fermin appeared in a total of 55 games for New Hampshire in 2014 and 2015. His father, Felix Fermin, played for the Pirates, Indians, Mariners and Cubs from 1987-1996.

VINCE HORSMAN PITCHING COACH FOURTH SEASON

Pitching coach Vince Horsman is back with the Fisher Cats for a fourth season. The native of Nova Scotia made his MLB debut with the Blue Jays in 1991, pitching four games for Toronto. Horsman pitched three seasons for Oakland, who claimed him off waivers in Spring Training in 1992, before spending the 1995 season with the Minnesota Twins.

Horsman joined the Blue Jays organization in 2005, and has made stops with Pulaski, the GCL Jays, Lansing (2010-2014), and Dunedin (2015) before joining New Hampshire. In 2018, Vince helped guide Fisher Cats pitchers Sean Reid-Foley, Justin Shafer, Thomas Pannone and Jose Fernandez to their major league debuts last season.

CALEB DANIEL ATHLETIC TRAINER FIRST SEASON

Daniel hails from Jacksonville, Arkansas. Daniel, entering his first year with the Fisher Cats and his third year with the Blue Jays, earned his bachelor's degree in athletic training from Henderson State University.

While earning his undergraduate degree, Daniel became a state and nationally licensed EMT. Daniel's initial venture into Minor League Baseball came with the Angels' Double-A affiliate, the Arkansas Travelers, with whom he worked in multiple capacities from 2009 to 2016.

RYAN MAEDEL STRENGTH & CONDITIONING SECOND SEASON

Ryan Maedel, a 2007 Southern Wesleyan (SC) graduate from Ontario, Canada, received a promotion in the Blue Jays organization to the Fisher Cats last season

Maedel was named strength coach of the year in the GCL during the 2013 season. He was in Lansing in 2014-16 and was with the Florida State League champs in Dunedin 2017.

LAUREN POOLE DIETITIAN SECOND SEASON

Lauren is entering her second season with the Blue Jays, and second in New Hampshire as the Fisher Cats Team Dietitian.

Lauren grew up in Oklahoma City, Oklahoma, and earned a bachelor's degree in kinesiology from the University of North Texas while playing softball. She then studied at the University of Oklahoma and obtained a masters degree in dietetics.

2019 MEDIA POLICIES

Player Interviews/Accessibility:

It is very important to the New Hampshire Fisher Cats and Toronto Blue Jays that all players are available to the media for reasonable periods of time, following our policies, before and after games. It is the player's responsibility to cooperate.

Special interview requests are to be submitted to Tyler Murray at (603) 606-4130 or tmurray@nhfishercats.com. Tyler will need 24 hours advanced notification to handle special requests.

Media members are not allowed access to the players on the field or in the clubhouse 60 minutes prior to the regularly scheduled game time.

Nearing the completion of the game, members of the media are to notify Tyler Murray of their desire to interview specific players or team personnel.

There is a 10 minute cool down period following the completion of each game. Media members are not allowed into the clubhouses during this time. The Fisher Cats will have a staff member notify the media when they are allowed to enter the clubhouses. Some games might require more of a cool down period due to team meetings or team business. This will require the media to wait a few minutes longer. The Fisher Cats will do their best to keep these instances to a minimum.

Live interviews of the team from the clubhouse or field are not permitted unless approved by Tyler Murray and Manager Mike Mordecai.

Any media request pertaining to the use of live microphones in the dugouts or field personnel are to be approved by Fisher Cats President Mike Ramshaw and Manager Mike Mordecai.

Access to the Visiting clubhouse falls under the same operating procedures except there is no need to notify Tyler Murray of your request to interview specific players. The Visitors clubhouse has no interview room and you will be instructed to simply enter the locker area. Visiting teams have a radio broadcaster who should also be available to lend some assistance.

Visitors in the clubhouses are to conduct themselves in a professional manner. There is to be no seeking of autographs, removal of property, or sampling of player food spreads.

Clubhouses are work places and business should be conducted in a timely fashion with minimum disruption of team personnel procedures. The clubhouse is a player's sanctuary, and we ask that you please treat it as such.

Field Access:

The working media is allowed field access during batting practice up to 60 minutes prior to the start of the regularly scheduled game time. The media are allowed in foul territory and around the batting cage if they are not impeding with on-field activities. The media is allowed in the dugout as long as they are not preventing the players and staff from doing their jobs. The media may be asked to move from their location at any time if the Fisher Cats organization needs to conduct business in those areas. There will be no media access on the field during the game.

Player Roster Moves:

Tyler Murray will notify the media of all roster moves. This will be done via email. If the roster move occurs when members of the media are around, Tyler will notify them verbally as well. Roster moves are decided and approved by the Toronto Blue Jays, not the New Hampshire Fisher Cats. All roster moves follow the procedure of notifying Major League Baseball, Minor League Baseball, and the Eastern League.

Player Status Health/Injury:

All members of the media are required to direct all questions pertaining to the status of a player to the New Hampshire Fisher Cats Manager Mike Mordecai. No other member of the organization is authorized to comment on these issues.

Food:

Members of the media covering Fisher Cats games are given a complimentary meal and drink at each game. The Fisher Cats request that this food and drink is only for your consumption. The media meal is on a first come/first served basis and we ask that you be considerate to the other members of the media when taking your portion. No member of the working media will be served alcoholic beverages, nor are they allowed to consume alcoholic beverages.

Any media requests for autographs are to be cleared and approved by the Fisher Cats President Mike Ramshaw. Requests will be handled on a case-by-case basis at the discretion of the team president.
