The Shuckers

Shuckers History

The Biloxi professional baseball team revealed their identity on November 24, 2014, as the Biloxi Shuckers took center stage during a ceremony inside Biloxi's historic Saenger Theatre.

The team name was selected after nearly 60,000 votes were cast during a month-long "Name the Team" contest yielded six finalists.

A tenacious oyster is the centerpiece of the identity, seen in the club's primary logo and home and alternate caps. The letters "BS" make up the road cap designation. The batting practice cap features the historic Biloxi Lighthouse

resiliently rising above storm waters. Gulf Blue, Sand, Coral and Black make up the club's official colors, paying tribute to the Gulf Coast. The Shuckers are the first professional sports team to use this color combination. The logos and color scheme are seen throughout the home of the Shuckers, MGM Park.

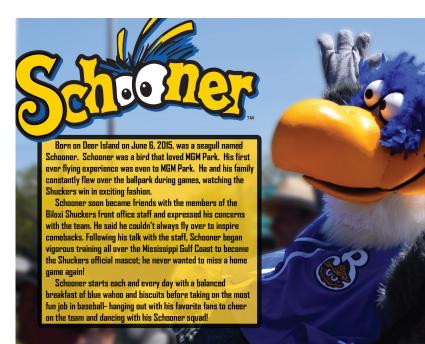

LOGO CREATORS

The Shuckers' look was brought to life by Brandiose, an industry leader in team identity creation. The development process began in March 2014 when Brandiose's partners Jason Klein and Casey

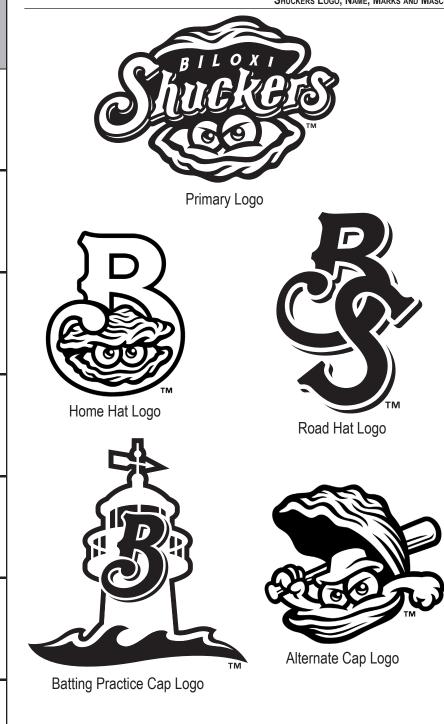

White met in Biloxi with fans, staff and community members to learn about the stories, history, and personality of Biloxi.

"Biloxi is one of the most resilient cities in America," said Klein. "Our goal is to integrate Biloxi folklore in the Shuckers brand, and to create the most legendary entertainment experience on the Gulf Coast."

MGM PARK

Featured by Southern Living and Forbes as one of the top ballparks in the country, MGM Park opened its gates for the first time on June 6, 2015. The newest jewel in the Mississippi Gulf Coast's crown combines sports and entertainment perfectly, providing fans with the ultimate hospitality experience. After more than a decade of efforts, the Mississippi Gulf Coast finally had

its Minor League Baseball facility. Located just across Highway 90 from the Gulf of Mexico, MGM Park's capacity is 6,067 and features a boomerang-shaped grandstand, allowing fans to be closer to the action than at most parks. MGM Park's suite level contains eight suites on the first base side and four suites on the third base side. Each suite has outdoor seating for 12 guests and an overall capacity of 20. Party Decks are at each end of the suite level, offering capacity for up to 55 guests. Guests can enjoy the game from patio tables or stadium seating. The Party Suite is located between suites 10 and 11, featuring an indoor-outdoor experience, fully stocked cash bar and all-you-can eat buffets. The blue waters of the Mississippi Sound, the inlet of the Gulf in Biloxi, can

also be glimpsed on the horizon from the third base side of the suite level. The backdrop is the majestic Beau Rivage, which has been the state of Mississippi's tallest building since the casino opened on March 16, 1999. MGM Resorts International, the parent company of Beau Rivage and owner of the land on which the ballpark stands holds the naming rights of the ballpark. The name of the ballpark was officially announced on September 24, 2014.

The exact plot of ground designated for the ballpark has a storied history. Biloxi's original resort hotel, the Buena Vista, was located where MGM Park now stands. It had five stories and 200 rooms and was constructed in 1924. Hurricane Camile in 1969 dealt massive damage to the structure and the grand facility never recovered. To commemorate the fact that MGM Park was built on the very site of this grand hotel, the beer garden down the ballpark's third-base line is dubbed the Buena Vista Beer Garden.

MGM Park is the fourth ballpark to ever host professional baseball games in Biloxi. The first was Point Comfort Park, although it was used for just part of the 1908 season by the Gulfport-Biloxi Sand Crabs of the Cotton State League. Biloxi Stadium, which opened in 1928, was the spring training home of the Washington Senators from 1930-1935 and the Philadelphia Philles in 1938. In 2003, two games were played at Hollis Field, a high school facility, between the Pensacola Pelicans and Baton Rouge River Bats of the independent Southeastern League. None of the three ballparks that hosted professional baseball in the past in Biloxi still stand.

Guerrero begins his fourth season as Shuckers manager in 2019. Previously, he spent two seasons as the Brewers First Base Coach and Infield Coach from 2014 to 2015.

Guerrero has managed at every level in the Minor Leagues, going 1181-1022 (.536) over 21 seasons, with all but one season coming with the Milwaukee Brewers organization. He earned his 1,000th career victory on July 14, 2016. The skipper led the Shuckers to a franchise and league best regular-season record (81-59) in 2018, earning a trip to the Southern League Championship Series and receiving Manager of the Year Honors. Overall, Guerrero has compiled a 228-196 record with the Shuckers, leading the team to a winning record his first three seasons in charge.

Mike served as Manager for two seasons at Triple-A Nashville in 2012-13 prior to joining the Major League coaching staff. In 2013, he earned the Mike Coolbaugh Award, presented to an individual who has shown an outstanding baseball work ethic, knowledge of the game and skill in mentoring young players on the field.

Guerrero began his managing career in the Blue Jays organization in 1995 in the Dominican Summer League. He won the 2001 Dominican Summer League championship and qualified for the playoffs five times (1995, 2000, 2001, 2007, 2009). He also gained additional managerial experience in 2008 with the Oahu CaneFires of the Hawaiian Winter League and in 2010 with the Surprise Rafters of the Arizona Fail League. He has also managed in the Dominican Winter League.

The former Minor League infielder spent nine seasons with Milwaukee (1987-92, '94-95) and Kansas City (1993) organizations. He collected a .242 career batting average over nine seasons as a middle infielder.

Mike and his brother, Sandy Guerrero, were born into a baseball family. His father, Epy, was a renowned scout in the Dominican Republic who unearthed over 50 Major League players for the Astros, Yankees, Blue Jays and Brewers. Mike was named after former Major League pitcher Mike Torrez, who was a friend of his father. His uncle, Mario Guerrero, was a Major League infielder with Boston (1973-74), St. Louis (1975), California (1976-77) and Oakland (1978-80).

Starting pitchers on rehab assignments will be made available for interviews 20-30 minutes following the conclusion of their outing (subject to availability).

BASEBALL TERMS OF INTEREST

Assists: An assist shall be credited to each fielder who throws or deflects a batted or thrown ball in such a way that a putout results, or would have resulted except for a subsequent error by any fielder. Only one assist and no more shall be credited to each fielder who throws or deflects the ball in a run-down play which results in a putout, or would have resulted in a putout, except for a subsequent error.

Batting Average: Divide the numbers of hits by the number of official at-bats.

Batting Title Qualifications: To qualify for the Southern League batting or slugging title, a player must have a minimum of 378 plate appearances (the equivalent of 2.7 plate appearances for each of the 140 scheduled games). However, a player with fewer than the required number of plate appearances whose average would be the high if he were charged with the required number of official at-bats shall be awarded the batting championship.

Consecutive-Game Hitting Streak: A consecutive-game hitting streak shall not be terminated if all of a player's plate appearances result in a walk, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

Consecutive-Game Playing Streak: A consecutive-game playing streak shall extend if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance shall not extend the streak. If a player is ejected from a game by an umpire before he complies with the requirements of this rule, his streak shall continue.

Day or Night Game: Any game scheduled to start after 5:00 p.m. is considered a night game. A game scheduled to begin before 5:00 p.m., which is delayed by rain or any other reason, is still considered a day game. However, both games of a two-night doubleheader will be considered night games.

Designated for Assignment: When a player is taken off a Major League roster and is designated for assignment, such player must be released, traded, or his contract assigned within 10 days of the notice given.

Designated Hitter Rule: In the Southern League, whenever an American League affiliated team is involved in a game, the designated hitter is in effect. When two National League affiliates are playing, pitchers are required to hit.

Earned Run Average: Multiply the number of earned runs by nine; take the resulting number and divide it by the number of innings-pitched.

Earned Run Average Title Qualifications: To qualify for the Southern League ERA crown, a pitcher must have the lowest earned run average after at least 115 innings-pitched (the equivalent of 0.8 multiplied by the number of scheduled games- 140).

Fielding Average: Divide the total putouts and assists by total putouts, assists and errors.

Free Agency: If a player has six years of Major League service, he is eligible for free agency. A player has 15 days from the first day following the World Series to file for free agency. A player is also eligible for free agency if he has played seven seasons or more in the Major or Minor Leagues and is not on a Major League team's 40-man roster as of October 15.

Injured List: In the Minor Leagues, players placed on the injured list must remain there a minimum of ten consecutive days. There is no limit to how many players can be on the injured list at one time and those on the injured list do not count toward the team's roster limit.

Magic Number: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the lost column of the standings from the closest opponent.

Major League Rehabilitation: A Major League player may be assigned to a minor league affiliate for the purpose of injury rehabilitation for a maximum of 20 days for non-pitchers, and 30 days for pitchers. The player continues to receive his Major League salary. Any service with the minor league club shall be deemed Major League service. Rehabilitation assignments do not count as optional assignments. Players on rehabilitation assignment do not count against a team's roster limit.

On-Base Percentage: Take the total number of hits, walks, and hit-by-pitches and divide by the total number of at-bats, walks, hit-by-pitches, and sacrifice flies. Times awarded first base on interference or obstruction are not figured into on base percentage.

Options: An optional assignment of a player contract shall be permitted for not more than three seasons between Major League and Minor League clubs. Players optioned for less than a total of 20 days in one season, shall not be charged with an optional transfer. Players who, prior to the start of the season, have been credited with less than five seasons in professional baseball, shall be eligible for a fourth optional assignment, without waivers, during that season.

BASEBALL TERMS OF INTEREST

Player Limits: In Class Double-A, rosters are limited to 25 active players for the duration of the entire season and the playoffs. Players on the disabled list or on rehabilitation assignment do not count against the 25-man active roster. In the Major Leagues, rosters are 40 until Opening Day, at which time they decrease to 25 players. On September 1, Major League rosters increase back to 40 active players.

Recalled: When a player is on a Major League team's 40-man roster and added to the team's 25-man active roster during the season from the Minor Leagues, he has been recalled. If a player is not on the Major League 40-man roster, the Major League club must purchase his contract from the Minor League team and add him to its 40-man roster.

Rookie Qualifications: A player shall be considered a rookie unless; he has exceeded 130 at-bats or 50 innings-pitched in the Major Leagues or accumulated more than 45 days on the 25-man active roster of a Major League club or clubs. Time in military service and time on the disabled list is excluded.

Rule 5 Draft: A player not on a Major League 40-man roster as of November 20 is eligible for the Rule 5 Draft if the player was 18 years of age or younger when he first signed a professional contract and this is the fourth Rule 5 Draft held since he signed. Or if the player was 19 years of age or older when he first signed a professional contract and this is the third Rule 5 Draft held since he signed.

Save Rule: Credit a pitcher with a save when he meets all three of the following conditions:

- He is the finishing pitcher in a game won by his club; and
- · He is not the winning pitcher; and
- He qualifies under one of the following conditions:
 - 1. He enters the game with a lead of no more than three runs and pitches for at least one inning; or
 - 2. He enters the game, regardless of the count, with the potential tying run either already on base, at bat, or on deck, or
- 3. He pitches effectively for at least three innings.

No more than one save may be credited in each game.

Slugging Percentage: Divide the total bases of all safe hits by the total number of at-bats.

Suspended Game: In the Southern League, any regular season game that is called before it is completed or is called at any point with the score tied shall become a suspended game. In accordance with Official Rule 4.12 (c), a suspended game must be resumed and completed from the exact point of suspension and must be played the number of innings it was originally scheduled to include. If the suspended game is called before becoming a regulation game (before the fifth inning), the regular game following the suspended game shall be a seven-inning game. If the suspended game is called after becoming a regulation game (before the fifth inning), the regular game following the fifth on), the regular game following the suspended game shall be a nine-inning game. Attendance reporting from suspended game shall reflect the number of fans present when the contest started, not when it was completed and does not qualify as a lost opening.

Waivers: If a player placed on Major League waivers is not claimed by another team after two (2) business days after waivers have been requested, the player has "cleared waivers" and the team has secured waivers for the remainder of the waiver period. The team then can send him to the Minor Leagues, trade him to another team (even if the trade deadline has passed), or do nothing at all. Any trades involving a 40-man roster player from July 31 (the trade deadline) to the end of the season may only involve players who have cleared Major League waivers. If a player does not clear waivers he is claimed by another team or teams- the club requesting waivers may withdraw the waiver request. If the club does not withdraw the waiver request, the player's contract is assigned as follows: If only one claim is entered, the player's contract is assigned to the claiming club; if more than one club in the same league makes a claim, the club currently lower in the standings gets the player; if clubs in both leagues claim the player, preference shall always go the club in the same league as the club requesting waivers.

Winning Pitcher: The starting pitcher will be credited with the win only if he has pitched at least five complete innings and his team not only is in the lead when he is replaced, but remains in the lead the remainder of the game. When the starting pitcher does not meet the preceding criteria and more than one relief pitcher is used, the victory shall be awarded on the following basis:

• When, during the tenure of the starting pitcher, the winning team assumes the lead and maintains it to the finish of the game, credit the victory to the relief pitcher judged by the scorer to have been the most effective.

· Whenever the score is tied, the game becomes a new contest insofar as the winning and losing pitcher is concerned.

Once the opposing team assumes the lead, all pitchers who have pitched up to that point are excluded from being credited with
the victory except the current pitcher.

• The winning relief pitcher shall be the one who is the pitcher of record when his team assumes the lead and maintains it to the finish of the game.

MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries. Medial: To the inside of the body.

Transverse Process: Small lateral projection off the right and left side of each vertebrae that functions as an attachment site for muscles and ligaments of the spine.

Ulnar Nerve: Nerve in the elbow commonly irritated from excessive throwing.

Ultrasound: An electrical modality that transmits a sound wave through an applicator into the skin to the soft tissue in order to heat the local area for relaxing the injured tissue and/or disperse edema.

2

The procedures described herein are designed to improve the "pace" at which games are played. On-field timers will be used to measure compliance with these Regulations. There shall be one timer in the outfield, and two timers behind home plate between the dugouts.

A. Inning Breaks and Pitching Changes: Following an inning break or pitching change, the batter must enter the batter's box at a certain time, and the pitcher must throw a pitch at a time certain, described below:

TIME REMAINING	ACTIVITY
35 seconds	Last warm-up pitch shall be thrown
25 seconds	All stadium PA announcements shall end
	PA shall announce the batter
	Batter walk-up music shall stop
20 seconds	On-field entertainment must be complete and off the field
20 seconds-7 seconds	Batter must be in the box alert to the pitcher
	Motion for first pitch may begin once batter is in the box and alert to the pitcher
20 seconds-0 seconds	Deadline for pitcher to begin motion for first pitch

In order to ensure the prompt resumption of play, it is important for Clubs to ensure that all entertainment has been completed, including all loudspeaker or microphone announcements or presentations, by the time the timer reaches 20 seconds. In addition, all on-field entertainment personnel must be completely off the field, and all field-entry gates closed and secured, by this time. Nothing contained herein is intended to interfere with the ability of the Club to play rally music or other sound effects that would otherwise be played during the course of a game.

As described above, the batter shall enter the box and become alert to the pitcher when the timer reaches 20 seconds. The pitcher shall begin his motion for the first pitch as soon as the batter steps into the box and is alert to the pitcher.

If the batter is not in the box alert to the pitcher with 7 seconds remaining, it will be considered a violation by the batter. If the pitcher begins his motion for the first pitch after the timer reaches "0", it will be considered a violation by the pitcher.

(2) Warm-Up Pitches. The pitcher may take as many or few warm-up pitches as he desires prior to the inning, but shall begin his motion to deliver his final warm-up pitch at least 35 seconds prior to the end of an inning break or pitching change. Pitchers will not be guaranteed eight warm-up pitches. The umpire shall stop the pitcher from throwing warm-up pitches at that time unless the umpire determines that an exception (as described below) applies. If the final warm-up pitch is not delivered prior to the timer reaching 45 seconds, umpires will inform the pitcher that one pitch is remaining.

(3) Between Inning Exceptions. The umpire may, at his discretion, determine that special circumstances warrant for the timer to be turned off with his signal. In such circumstances, the umpire may permit the pitcher to use extra time to throw warm-up pitches, the batter may not be required to enter the batter's box at the stated time, and the pitcher may not be required to begin his motion prior to the timer reaching "0". Circumstances under which the umpire may turn off the timer include (but are not limited to):

(a) There is a delay in normal warm-up activities during the inning break due to no fault of the players (e.g., injury or other medical emergency, equipment issues, playing field or grounds crew issues, etc.);

(b) The umpire believes the pitcher or batter is at a legitimate risk of injury if he does not receive additional time to throw warm-up pitches or enter the batter's box;

(c) When a pitcher or catcher finishes an inning on base or at bat; and

(d) Any other special circumstances which, in the umpire's judgment, warrant allowing the pitcher to throw after the deadline.

(4) Walk-up Music/In-Stadium Promotions. Walk-up music and in-stadium entertainment shall be coordinated as described in Paragraph A(1) above. The League Offices will monitor the playing of walk-up music and will discipline Clubs that play walk-up music after these times. The maximum amount of time the music can be played for at bats within an inning will be 10 seconds.

(5) Start of Timer. The timer shall start on the last out of an inning for an inning break. The pitching change timer shall begin as soon as the relief pitcher crosses the warning track (or foul line for on-field bullpens) to enter the game. The pitcher should stop throwing warm-up pitches and immediately leave the bullpen when signaled by the umpire. In the case of a pitching change that

PACE OF GAME REGULATIONS

occurs during an inning break, the timer shall reset if previously started as soon as the relief pitcher crosses the warning track (or foul line for on-field bullpens). The umpire shall have the authority to signal a reset of the timer at his discretion. For inning breaks during which God Bless America or any patriotic song is played in which all action in the ballpark stops (similar to the National Anthem), the timer will begin at the conclusion of the song. The League President may approve an extension to the inning break for other events; provided, however, that the timer must start in accordance with these Regulations and the duration of such break shall not exceed 2:45.

(6) Delivery of Pitch. The pitcher shall be deemed to satisfy the timing requirement if the pitcher begins his windup or begins his motion to come set prior to the timer reaching "0".

(7) Enforcement. The following inning break, pitching change, and 20-second pitch time penalties shall apply:

(a) Batters are expected to enter the batter's box with 20 seconds remaining for the first pitch of an at-bat and should remain in the batter's box in accordance with the Batter's Box Rule (Official Baseball Rule 5.04(b)). Batters should not delay entry to gain an undue advantage. If the batter does not enter the box and become alert to the pitcher with 7 or more seconds remaining, the batter will be adjudged to have violated the rule and the umpire shall award a strike without the pitcher having to deliver the pitch. The ball is dead, and no runners may advance. (b) Pitchers are expected to begin the motion to deliver the pitch as soon as the batter enters the box and becomes alert to the pitcher. If the pitcher does not begin his motion to deliver the pitch (or become set) prior to the timer reaching "0", the pitcher will be adjudged to have violated the rule and the umpire shall award a ball without the pitcher does not begin his motion to deliver the pitch (or become set) prior to the timer reaching "0", the pitcher will be adjudged to have violated the rule and the umpire shall award a ball without the pitcher having to deliver the pitch. The ball is dead, and no runners may advance, unless the ball awarded by the umpire is the batter's fourth ball in which case the batter is entitled to advance to first base under Rule 5.05(b)(1). (c) All violations of these Regulations caused by accommodating a between-inning promotional activity shall be reported by the umpire crew chief to the League President, who shall determine whether the home Club should be disciplined as a result.

(d) Åfter each game the FTC shall report any violations of these Regulations to the League Office and Major and Minor League Baseball.

B. 20-Second Pitch Timer

(1) Timer Between Pitches. Except for the first pitch of an at-bat, a pitcher shall be allowed fifteen (15) seconds to throw each pitch with no runners on base and (20) seconds with runners on base. The pitcher does not necessarily have to release the ball within 15 or 20 seconds. Instead, the pitcher must begin his windup motion or otherwise begin the motion to come set in order to comply with the 15- or 20-second rule.

(2) Timer Between Batters. A pitcher shall be allowed thirty (30) seconds to throw the first pitch of an at-bat (except for the first batter after an inning break or pitching change, which will use the 2:25 timer as described in Paragraph A(1) above.)

(3) During each at bat, the batter shall comply with the Batter's Box Rule (Official Baseball Rule 5.04(b)). If the batter intentionally leaves the batter's box and delays play, and none of the exceptions listed in the Rule apply, the umpire shall issue a warning to the batter for the batter's first violation of the Rule in a game. For a batter's second or subsequent violations of the Rule in a game, the umpire shall award a strike without the pitcher having to deliver the pitch. The ball is dead, and no runners may advance. The umpire shall award additional strikes, without the pitcher having to deliver the pitch, if the batter remains outside the batter's box and further delays play. The umpire shall give the batter a reasonable opportunity to take his proper position in the batter's box after the umpire has called a "strike" and before the umpire calls a successive strike pursuant to this Regulation.

(4) Start of Timer. The timer shall start under the following circumstances:

(a) For the first pitch of an at-bat the timer shall start at the conclusion of the prior play, as indicated by the umpire's final signal of "safe" or "out", or other clear indication that the play has concluded. Please note that the timing of the first pitch of an at-bat immediately following an inning break or pitching change shall be governed by Paragraph A(1) above.

(b) After each pitch of an at-bat in which the ball remains alive and in play, the timer shall start when the pitcher has possession of the ball in the dirt circle surrounding the pitcher's rubber and the catcher is in the catcher's box. If the pitcher feints a pick off or steps off the rubber with runners on base, the timer shall reset and start again immediately.

(c) Following any event (e.g., pick-off play, wild pitch or passed ball) in which the ball remains alive and the batter remains at bat, the timer shall start when the pitcher has possession of the ball in the dirt circle surrounding the pitcher's rubber and the catcher is in the catcher's box.

(d) Following an umpire's call of "time" or if the ball becomes dead, the timer shall stop (blank screen) and start again after the following pitch. (e.g., pickoff play)

- (5) Stop of Timer. The timer shall stop under the following circumstances:
 - (a) The pitcher begins his windup motion or begins the motion to come set;
 - (b) The pitcher makes a pickoff attempt at any base;

(c) The pitcher feints a pickoff attempt or steps off of the rubber with runners on base (in which case the timer shall reset and start again immediately);

Opponents

(d) The catcher leaves the catcher's box to give defensive signals or to confer with the pitcher (in which case the timer shall stop (blank screen) and start again after the following pitch);

(e) The umpire calls "time". If the operator does not start the timer at the appropriate time, the umpire shall call "time" and signal to the operator to reset the timer and start again immediately.

C. 30-Second Mound Visit Timer

(1) The timer shall operate during mound visits initiated by a manager or coach. The timer will be set at 30 seconds and will begin counting down when the manager or coach crosses the foul line.

(2) The home plate umpire will proceed to the mound when the timer reaches "10" seconds. Unless the manager or coach signals for a pitching change, he must leave the mound when (or before) the timer reaches "0" seconds.

(3) If the manager or coach has not left the mound or signaled for a pitching change by the time that the timer reaches "0" seconds, the home plate umpire shall break up the mound visit and direct the manager or coach to return to his dugout or signal for a pitching change.

(4) The home plate umpire shall have discretion to grant a brief window of additional time to a manager or coach whose trip to the mound was slowed by a bona fide physical ailment or other special circumstance (e.g., medical condition, player requiring a translator). In addition, the timer shall not operate when a doctor or trainer accompanies the manager to evaluate a bona fide medical issue.

(5) In the case where a manager or coach signals for a pitching change, the timer will stop, the procedures for measuring the pitching change break will begin, and the manager or coach may remain on the mound for the duration of the change.

(6) The timer shall stop (blank screen) when the manager or coach leaves the dirt circle surrounding the pitcher's rubber concluding his visit to the mound. (See OBR 5.10(I))

D. Miscellaneous Pace of Game Procedures

(1) Should the outfield timer or both home plate timers fail, all timers should be turned off and the base umpire should keep time with a stopwatch without applying any of the penalties described herein. Provided that the outfield timer and one of the home plate timers are functional, time shall be kept for the game. Should the timers be repaired during the game, the use of the timer will continue at the beginning of the next full inning.

(2) Application of the timing rules contained herein may not be protested.

(3) Public address announcers may not announce a pinch hitter until signaled, but umpires have been instructed to be alert for lead-off pinch hitters in the on-deck circle, in order to have such batters announced on time.

(4) Umpires must arrive at home plate for the ground-rules discussion early enough to start the game at the appointed time.

(5) A member of the home Club must provide the umpire room attendant with a pre-game timing schedule that includes actual first pitch time for each game.

(6) Whenever possible, pinch hitters should warm up prior to going to the ondeck circle. If possible, the pinch hitter should be in the on-deck circle while the preceding hitter is at bat.

(7) Each Club must have a backup catcher available between half-innings to warm up the pitcher if the game catcher has not finished putting on the protective equipment when the pitcher is ready to begin his warm-up.

(8) Batboys must have a second bat readily available in the event a hitter breaks a bat, or has his bat go into the stands during play. The bat must be dressed and ready for game use.

(9) Between-inning entertainment must conclude and participants must leave the field with no fewer than 20 seconds remaining in the inning break. Before the season begins, each Club should ensure that it has carefully timed all between-innings entertainment pieces, including any on-field races or contests, so that they end no later than 20 seconds remaining in the inning break.

(10) After an out is recorded with no one on base, the public address announcement introducing the next batter should be made not later than when the ball reaches an infielder as it is being thrown around to the pitcher. Any music clip used to introduce a batter should start immediately after the public address announcement and should stop when the batter reaches the dirt cut-out surrounding home plate. Music clips between pitches should be limited in order not to encourage the hitter to leave the batter's box. (11) The League President will ensure that these Regulations are distributed to each Club's scoreboard operators and public address announcers.

In their first trip back to the postseason since their inaugural campaign, the Shuckers yet again matched up with Pensacola for the South Division crown... In Game One, the Blue Wahoos got on the board in the third thanks to a two-run homer by T.J. Friedl off Zack Brown.... Brown, the Most Outstanding Pitcher in the Southern League, would allow just those two runs in 6.0 innings of work, giving up three hits and walking one while striking out five... The Shuckers plated a run in the fifth on a sac fly by Trent Grisham, but Pensacola widened their lead on a solo homer by Taylor Featherston in the seventh... In the bottom of the frame, Blake Allemand scored on a throwing error by Featherston, and Lucas Erceg tied the game in the 8th with a solo homer... APRIL 9, 2015 - FIRST GAME AT PENSACOLA

The Shuckers rode the arm of right-hander Brooks Hall and a 3-for-4 night from Orlando Arcia, which included a pair of doubles and three RBI in a 4-0 shutout win at Pensacola. A pretty good omen for what was to come in the remaining 137 games. Catcher Adam Weiseburger collected the first hit in franchise history with a single in the top of the second inning. The Shuckers wrapped up the historic win and recorded their first of what would tie for a league-best 14 shutouts of the 2015 season.

APRIL 14,2015 - BILOXI MEETS ITS TEAM FOR THE FIRST TIME AT "MEET THE SHUCKERS"

For the first time ever, the Shuckers met their fans. More than 1,000 crammed into Beau Rivage's Coast Restaurant for an event that exceeded expectations. Players and coaches were introduced and then signed autographs for the large gathering. Shuck Nation was born! Photos courtesy of Beau Rivage.

APRIL 9TH - JUNE 5TH - A 54-GAME ROAD TRIP

The most iconic portion of the 2015 season was probably the historic road trip. The Inaugural Biloxi Shuckers endured a seemingly endless 58-day, 54-game, eight-city road trip that spanned 2,800 miles. The historic road trip was chronicled by numerous publications, which included ESPN. The Worldwide Leader in Sports dedicated time on Sports Center, Baseball Tonight and nine pages in an August edition of ESPN The Magazine to the Shuckers.

The Shuckers won over 60% of the games while on the road (33-21).

Brooks Hall throws the first pitch in franchise history

The team traveled from Pensacola to Mobile, back to Pensacola, to Huntsville, Jackson (TN), back to Huntsville, then Chattanooga, Birmingham and finally ending up in Biloxi on June 6. Over the 2,800-mile pilgrimage 32 players suited up for the Shuckers.

SHUCKERS FIRSTS

JUNE 6, 2015 - THE FIRST GAME AT MGM PARK

It was one of the most historic days for Biloxi, and for that matter, Minor League Baseball. The Shuckers came off the road on June 5th – winning an extra-inning game in Birmingham - loading the bus to Biloxi for the first time since the brief visit on April 14. The Shuckers arrived just before 4 am and would have a full day of ceremony, which served as an end to the 54-game road trip, but beginning of what no one could of ever expected.

their day 11 am ar Street, in ties featu

MGM Park opened its gates for the first time on June 6, 2015 as

Tyler Wagner threw the first pitch to Mobile's Jack Reinheimer at 7:07 p.m. CT. The Shuckers fell behind by a run in the top of the 14th inning, but Nick Shaw followed a single by Parker Berberet with one of his own, scoring pinch runner and pitcher Brent Suter from second base. Suter took a detour around third base coach and skipper Carlos Subero, but the grinning southpaw eventually scored. Let the celebration begin!

After the season, MiLB.com writers and readers named the Shuckers' homecoming its 2015 "Game of the Year", earning the MiLBy award. Out of over 20,000 games played around Minor League Baseball in 2015 – that was the pinnacle.

SOUTHERN LEAGUE RECORD 10 SHUCKERS PLAY IN ALL-STAR GAME

The Shuckers made history with a league-record 10 participants in the Southern League All-Star Game on June 23 at Riverwalk Stadium in Montgomery, AL. Relievers Austin Ross (2/3 IP, 2SO), Damien Magnifico (1/3 IP, 3R, 4H, SO) and 80% of the starting rotation, Brooks Hall (2/3 IP, 2 SO), Hobbs Johnson (2/3 IP, BB),

Jorge Lopez (IP, 2H, R, BB, 2SO) and Tyler Wagner (IP, 2H). Position players Orlando Arcia (0x3, BB), Michael Reed (0x2), Nick Ramirez, 0x3, BB), Adam Weisenburger (1×1) played.

Despite a 9-0 walloping that the North put on the South, the 10 Shuckers broke a Southern League record for participants from one club in an All-Star Game. Kyle Wren and Jaye Chapman were named All-Stars, but had been promoted. The 12 selections tied the 2011 Tennessee Smokies for most since Division vs. Division formatting began in 1999.

SHUCKERS WIN FIRST HALF SOUTH CHAMPIONSHIP

The Shuckers clinched the first half South Division title on June 14 at Trustmark Park in Pearl after a 9-0 rout of the Mississippi Braves. The Shuckers won three-straight games against the Braves to clinch what was the clubs sixth straight series. Biloxi outscored their inter-state rival 22-2 and pounded out 42 hits. The Shuckers clinched with six games remaining in the first half and joined only the Double-A Corpus Christi Hooks (HOU) of the Texas League as the first teams in Minor League Baseball to clinch a title in 2015.

The first half title earned MiLB.com's midseason MiLby Award for "Midseason Team of the Year".

ARCIA BECOMES MINOR LEAGUE BASEBALL'S BREAKOUT PROSPECT

No player in baseball improved their stock more than Biloxi Shuckers shortstop Orlando Arcia. In December, Arcia was named "Breakout Prospect" of the Year by MiLB.com andis now rated as the 6th-best prospect in all of baseball according to MLB.com. Arcia was named the 2015 Brewers Minor League Player of the Year and was the re-

cipient of the Rawlings Minor League Gold Glove Award® for excellence in defense at shortstop.

Arcia finished the 2015 season with the Shuckers batting .307/.347/.453 with 37 doubles,

seven triples, 8 homers, 69 RBI and 25 stolen bases in 129 games. The 21-year-old finished his campaign leading the Southern league in doubles and ranked among the leaders in several categories including at-bats (2nd, 512), total bases (2nd, 232), extra-base hits (3rd, 52), RBI (4th), batting average (5th), slugging percentage (5th) and runs (5th, 74). He set new career-highs in almost every hitting category including runs, hits, doubles, triples and home runs.

He was named both a midseason and postseason Southern League All-Star in 2015. Arcia was honored with the League's Player of the Week award for May 25-June 1 when he batted .400 (10-25) with 6 runs, 5 doubles, a homer, 5 RBI and 2 walks in 6 games. In addition, he was selected to represent the World Team in the 2015 Futures Game at Great American Ball Park in Cincinnati. Arcia is also ranked as the top prospect in the Milwaukee Brewers organization according to MLB.com.

He was also named the Southern League Player of the Postseason by MiLB.com after going 12-for-30 with 7 extra-base hits and 10 RBI in eight games.

SUBERO, LOPEZ EARN YEAR-END AWARDS

2015 Shuckers manager Carlos Subero was named the 2015 Southern League manager of the year and guided the Shuckers to a league-best 78-59 record, South Division title and berth in the Southern League Championship series In early December the Brewers announced that Subero would join Craig Counsell's staff in Milwaukee as first base and infield coach.

Right-handed pitcher Jorge Lopez went 12-5 with a 2.26 ERA in 24 starts for the Shuckers in 2015 and was named the Southern League's Most Outstanding Pitcher and Brewers

Minor League Pitcher of the Year. His 2.26 ERA was only behind teammate Tyler Wagner for the league-lead. The Cayey, Puerto Rico native struck out 137 batters, while walking 52. After going 5-2 with a 3.02 in 12 starts in the first half, the 22-year-old went 7-3 with a 1.59 ERA in his final 12 starts of the year. He finished his campaign tied for the league-lead in wins, placed third in strikeouts and led the league in WHIP (1.10), batting average against (.205) and fewest baserunners per nine innings ratio (10.05).

Lopez was named Brewers Minor League Pitcher of the Month for each of the final three months of the season.

SIX SHUCKERS PROMOTED TO MILWAUKEE AFTER CHAMPIONSHIP SERIES

Biloxi pitchers Yhonathan Barrios, Adrian Houser, Jorge Lopez and Tyler Wagner joined infielder Yadiel Rivera and outfielder Michael Reed etched their names in Shuckers' lore as the first six to be promoted to the majors. Wagner became the first and the answer to the trivia question: Who was the first Biloxi Shucker to debut in the majors? His MLB debut was somewhat unforgettable, giving up a first inning long ball to Paul Goldschmidt and suffering through a 3.2 inning performance, yielding five runs. But,

the Brewers won a 17-inning marathon over Arizona, 7-6 and Wagner was immediately optioned back to the minors. Not 12 hours removed from the final game on September 21, the bus swung by Chattanooga's airport, dropping off players who were headed abroad and the six headed for the bigs. The "Biloxi 6" joined the Brewers on the road in Chicago.

Less than 24 hours removed from losing in the Southern League Championship, the "Biloxi 6" were at Wrigley Field, full fledged major league baseball players.

The first of the debuts would come two days later, and from Yadiel Rivera. He started as short and in the top of the second inning against All-Star Michael Wacha. He worked an 11-pitch at-bat and eventually singled through the left side of the infield.

The next debut and third for the Shuckers was reliever Yhonathan Barrios in the eighth inning of the same game. The right-hander acquired by Milwaukee on July 23 struck out Matt Carpenter with an 87 mph changeup.

In two games against the Cardinals, Barrios struck out five over 2.2 shutout innings, 3 hits and no walks.

On September 26th, five Biloxi Shuckers appeared in Milwaukee's 5-1 loss to the Cardinals at Busch Stadium. Wagner started the game and struggled through 4.0 innings, giving up 5 earned runs on 6 hits, 4 walks and no strikeouts, suffering the

loss. Wagner, Barrios, Reed, Rivera and Houser would make an appearance.

In two MLB starts, Wagner, who was the Southern League ERA Champ at 2.25 is 0-1 with an 11.74 ERA, 5 walks and 2 strikeouts in 7.2 IP.

The fourth Shucker to debut and second position player was Reed. The 22-year-old from Cedar Park, TX made the of his pinch-hit opportunity with nobody out in the sixth, doubling off of lefty Jaime Garcia.

About the President: Lori Webb was elected Southern League President in 2012, becoming the first female chosen for league presidency in the history of Minor League Baseball. Webb is the sixth president in the Southern League's modern era, joining Sam C. Smith (1964-71), Billy Hitchcock (1971-80), Jimmy Bragan (1981-94), Arnold D. Fielkow (1994-2000) and Don Mincher (2000-11).

Webb began her career with the Southern League in 1994 as the Executive Assistant to the President. In October of 2000, she was promoted to Vice President of Operations and also appointed as the league's Corporate Secretary and Treasurer.

While serving as Vice President of Operations, Webb was recognized numerous times both by the Southern League and Minor League Baseball. Webb was selected by MiLB as a co-recipient of the Rawlings Woman Executive of the Year Award in 2001. In 2004, Webb was chosen as the inaugural winner of the Southern League Woman of Excellence Award - an honor she received again six years later. In 2011, Minor League Baseball President Pat O'Conner presented Webb with a Presidential Citation for excellence and leadership in the Southern League.

Before being hired by the Southern League, Webb held administrative positions in the franchising, publishing and medical fields. A native of Seneca Falls, NY, Webb graduated from Central City Business Institute in Syracuse, NY in 1975.

She resides in Marietta, GA with her husband Jim and has three grown children and one grandchild.

About the Media Relations Director: The Southern League announced the hiring of Media Relations Director Michael Guzman on January 9, 2018.

Entering his second season with the league office, Guzman will oversee all communications efforts for the league including both press release distribution and social media, as well as the creation and distribution of the preseason media guide. Additionally, he will serve as a liaison for transactions between the league office and its 10 member clubs while also assisting with the selection of awards and All-Star teams.

Guzman spent the 2017 baseball season with the Charlotte Knights, Triple-A affiliate of the Chicago White Sox. In 2016, he was named Media Relations Manager for the Birmingham Barons. While with Birmingham, the Barons front office was named Southern League Organization of the Year and hosted Minor League Baseball's Promotional Seminar.

A native of Carol Stream, IL, Guzman graduated from Indiana University - Purdue University Indianapolis in 2016 with a degree in Sports Journalism.

BILOXI, MS. - - The Biloxi Shuckers in conjunction with the Southern League are pleased to host the 2019 Southern League All-Star Game. The festivities will take place on Monday, June 17 and Tuesday, June 18.

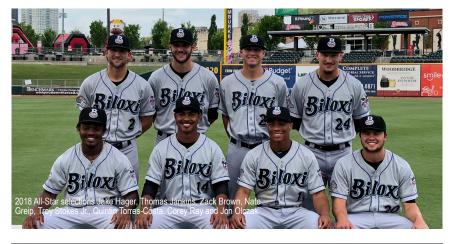

"We are honored and thrilled to have this opportunity to host the Southern League's premier event of the year," said Shuckers General Manager Hunter Reed. "It's our first chance to host these festivities and, in addition to having some of the best young players in the game at our beautiful ballpark, we can't wait to showcase the unique culture and variety of fun activities the Mississippi Gulf Coast has to offer."

"We are pleased to have the Southern League executives and All-Stars coming to Biloxi," said Biloxi Shuckers President Ken Young. "This should be a great event for the entire Gulf Coast."

"The Shuckers have a beautiful venue to showcase at MGM Park, as well as an enthusiastic fan base who are proud of their city and Gulf Coast culture," said Southern League President Lori Webb. "We look forward to enjoying all of the events surrounding the All-Star Game on June 18 as Biloxi hosts its first Midsummer Classic."

Top prospects and players will arrive in Biloxi Sunday, June 16, alongside team executives, scouts, media and fans from around the country. Official All-Star Events will also include Fan Fest (June 17, 3:30 PM), the Home Run Derby (June 17, 6:35 PM) and Gala (June 17, 7:30 PM). The festivities will reach a culmination with the All-Star Game at 6:35 pm on Tuesday, June 18 followed by a postgame party.

"These events will offer the chance for our community to get additional exposure across the Southern League, MiLB and the entire southeast," added Reed. "Not to mention, it's a rare occasion for a unique fan experience to meet some of the best prospects in baseball and future major league stars."

BILOXI PRO BASEBALL HISTORY

The 2015 relocation of the Huntsville Stars to Biloxi marked the arrival of the first professional team in the area in almost 90 years. While minor league records were not as exhaustive then as they are today (and many physical documents were lost during Hurricane Katrina in 2005), local historians have been able to piece together the story of Biloxi baseball through newspaper archives and eyewitness accounts.

The history of baseball in the Biloxi area dates back to at least 1892, when amateur teams were first recorded to have played the sport. The first professional baseball team arrived in 1906 as the **Gulfport Crabs**, an entrant in the Class D Cotton States League. As the lowest level in the minor league system, Class D teams were limited to 14 players, including a player-manager, and required their pitchers to play other positions. The Crabs likely played on a large plot of land bound by 12th Street, 38th Avenue, 15th Street and 42nd Avenue in Gulfport, just south of the present-day Milner football stadium.

After two years of low attendance in Gulfport, half of the team's stake was sold to a group from Biloxi. As a consequence, the team spent the 1908 season split between Gulfport and Biloxi as the **Gulfport-Biloxi Sand Crabs**. When in Biloxi, the team played at Point Comfort Park (bound by Oak and Maple Streets on the east and west, and 8th and 9th Streets on the south and north). Though the move helped increase attendance, the Cotton States League folded before the 1909 season and Biloxi was once again left without a team.

While there was no permanent baseball in Biloxi for many years, several teams visited the area for Spring Training. The **Detroit Tigers** prepared for the season in Gulfport from 1913 to 1915, and the **Atlanta Crackers** of the Southern Association trained in nearby Bay St. Louis.

By 1922, the Cotton States League had been revived and in 1926 the Brookhaven (MS) Truckers moved to the Coast area to become the **Gulfport Tarpons**. The new franchise played on the same grounds in Gulfport, which had by then been built up to a fairground that seated 2,500 spectators. Despite the improved accommodations, Gulfport's population was simply too small to support a team. Ownership once again proposed an agreement with Biloxi to split the team, but Biloxi instead devoted their baseball funds toward the creation of a new facility in the hopes of attracting Spring Training teams. The Tarpons moved to El Dorado, Arkansas to become the Lions before the 1929 season. Economic stress brought about by the Great Depression caused the Cotton States League to fold once again in 1932.

After its final brush with full-time professional baseball, the coast area became a frequent Spring Training site for several major and minor league teams in the days before the Cactus and Grapefruit Leagues. The **Balti-more Orioles** and **Albany Senators** of the International League called Gulfport their southern home, as did the aforementioned Atlanta Crackers. The new stadium in Biloxi, built on Naval Reserve land populated with oak trees for ship construction, hosted the Casey Stengel-managed **Toledo Mud Hens** (American Association) for its first two springs. Joe Cronin and the major league **Washington Senators** (American League) occupied Biloxi Stadium for the next six springs, including their pennant-winning 1933 season (Still the last pennant for any D.C. baseball team). The **Milwaukee Brewers** of the American Association, market predecessors of the current Shuckers parent club, trained in Biloxi in 1937 before the **Philadelphia Phillies** (National League) closed out the Spring Training era in 1938. In 1941, the land surrounding Biloxi Stadium was claimed by the Department of War for the construction of Keesler Air Force Base.

Several semi-pro teams kept baseball alive in Biloxi, Gulfport and D'Iberville in the years that followed, and Biloxi hosted the Southern Negro League's **Biloxi Dodgers** from the 1940s to the 1980s. After the turn of the 21st century, an effort spearheaded by Biloxi native and former MLB catcher Barry Lyons scheduled regular exhibition games between local teams in order to generate interest in a revival of professional baseball.

Though preliminary efforts to move a Southern League franchise to Biloxi were put on hold after the devastation of Hurricane Katrina, allocation of funds from a BP response grant following an oil spill allowed for the construction of a state-of-the-art stadium in downtown Biloxi. With a home in place, the sale of the Huntsville Stars to food services executive Ken Young on December 18, 2014 brought a team to MGM Park and began a new era of Biloxi baseball. An exciting 2015 season saw the **Biloxi Shuckers** reach the Southern League championship and 2016 was highlighted by an exhibition game against the **Milwaukee Brewers**, the first visit by an MLB team since 1937. Moving forward, the Shuckers will honor their history while looking to make history of their own.

ROBERT J. GILKS, 78, OLD BASEBALL STAR

BRUNSWICK, Ga., Aug. 21 (#) -Robert J. (Bobby) Gilks, former scout for the New York Yankees and a Southern Association manager, died at his home near here last night at the age of 78.

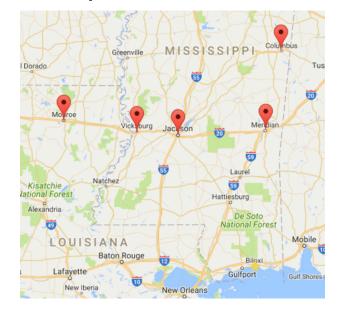

In 1903, 1904 and 1906 he piloted the Shreveport club of the Southern Association, and in 1914, the Montgomery team in the same league.

For many years Mr. Gilks was. Southern section scout for the Yankees, being succeeded in 1923 by Johnny Nee, present scout. George Pipgras, noted Yankee pitcher and now an umpire-in the American League, was one of the outstanding players signed by Mr. Gilks.

Mr. Gilks was one of the "Old Orioles," having played with Baltimore in the National League in 1892 and 1893 when John J. Mc-Graw, Willie Keeler and Joe Kelley and Wilbert Robinson were breaking in as youngsters. One of his teammates was Bill Clarke, the veteran baseball coach at Princeton.

veteran baseball coach at Princeton. Before playing in Baltimore, however, Mr. Gilks had become famous as a pitcher and outfielder at Cleveland. He was the first outfielder to make the play-regarded then as most daring-of trapping a ball to gain a force play on the bases. He was so skilltul at it that he figured in double plays on many occasions. He was also one of the first outfielders to make an unassisted double play.

of the first outfleters to make an unassisted double play. Mr. Gilks was the first player to make two two-base hits with the bases full in one game, performing the feat on Aug. 5, 1890, at Cleveland. It has been equaled only three times in fifty-four years.

BILOXI DODGERS (SOUTHERN NEGRO LEAGUE)

The Negro Southern League, sometimes known as the Gulf Coast Negro League, operated as a semi-professional league from 1936 to 1986, with league entrants from Mobile, Alabama to Jackson, Mississippi. The Biloxi Dodgers, Pascagoula Merchants, Moss Point Monarchs and Gulfport Angels represented the Coast area in the league.

The Biloxi Dodgers played their home games at Lee Street Diamond on the land currently occupied by the southern end of the Ray and Joan Kroc Corps and Community Center. Many former Dodgers players went on to professional success. Lionel Antoine was an All-Pro offensive lineman for the Chicago Bears in the '70s, Nathaniel Puryear played in the Cleveland Indians organization in the '80s, and Cliff Kirkland became the sports editor of the Sun Herald.

The Negro Southern League holds the unique distinction of being integrated in reverse. Some white baseball players, like former Braves and Cardinals scout Lefty O'Neal, played on teams that were predominantly black in a transition period after Jackie Robinson broke the color barrier.

The Shuckers will remember the Southern Negro League on April 20, 2019 vs. Jacksonville by wearing replica uniforms of the Biloxi Dodgers.
