## PARKVIEW FIELD GROUND RULES

1. Behind home plate: No break in the backstop net.
2. Dugouts: Facing of both dugouts is live. If a ball bounces off facing and lands in playing area, ball is live. If a ball hits facing and drops into the dugout, ball is dead.
3. Tarp: If a ball rolls into, under, or behind the tarp it is dead. Balls deflecting off the tarp are in play. Players may lean on the tarp to make a play, but may not use it as a step to make a play.
4. The railings along the first and third base lines are in play. If a ball bounces over the railing and into the stands, it is dead.
5. Bullpens: All balls hit or thrown into the bullpen area are live except those that become lodged beneath the bullpen benches. Lodged balls are dead.
6. Outfield wall: Any batted ball that clears the yellow line outfield wall padding on the fly is a home run. This includes any batted ball that hits the railing above the wall. If a ball becomes lodged between or under padding, it is dead.

# FORT WAYNE BASEBALL HISTORY

Baseball has been a staple in Fort Wayne dating back to the 1800s. Some historical highlights, according to Baseball in Fort Wayne, a book by Chad Gramling:

- A team called the Summit City Club formed in Fort Wayne in 1862.
- The first professional baseball game on record was played on May 4, 1871, by the Fort Wayne Kekiongas against the Cleveland Forest Citys. The game was called in the top of the 9th inning due to rain with Fort Wayne ahead, 2-0. The Fort Wayne pitcher that day was Bobby Mathews, who many credit with inventing the curveball. The Kekiongas' franchise was sold midway through its first season and the field burned weeks later. This game is not recognized as a Major League Baseball game, as the Kekiongas were a part of the National Association of Professional Baseball Players.
- In 1883, the Fort Wayne Hoosiers entered the Northwestern League, a forerunner to the American League. The franchise stayed in the league until 1891, also going by the name "Warriors."
- The first professional lighted baseball game was played in Fort Wayne on June 2, 1883. Fort Wayne hosted the Quincy Professionals.
- In 1927, Babe Ruth hit a home run in the 10th inning of an exhibition game in Fort Wayne before 3,000 spectators. He went on to hit a then-record 60 home runs in the 1927 regular season.
- Professional baseball was intermittent until 1993 as the Kenosha (Wisc.) Twins became the Fort Wayne Wizards, Midwest League affiliate of the Minnesota Twins. The team played at Memorial Stadium, where they stayed through the 2008 season. In 1999, the Wizards signed a Player Development Contract to become the Midwest League affiliate of the San Diego Padres.
- Memorial Stadium opened on April 19, 1993, to a sellout crowd. The final game was played on August 28, 2008. In total, 4,046,261 people attended games at Memorial Stadium.
- New York Yankees star Alex Rodriguez clubbed his first professional home run at Memorial Stadium on April 24th, 1994, as a member of the Appleton Foxes.
- Ex-Mariners and Indians manager Eric Wedge is from Fort Wayne.
- Parkview Field opened on April 16, 2009, to a sellout crowd.
- In 2009, the TinCaps won the franchise's first Midwest League championship and won 94 games, the most in MiLB since 2003.

## WHY TINCAPS?

Professional and semi-pro baseball teams in Fort Wayne have carried dozens of names through the years. Some notable names include:

- Kekiongas: Named after Chief Little Turtle's settlement in what became Fort Wayne
- Generals: Named after General Anthony Wayne, after whom the city is named
- Voltmen: Named because the team's sponsor was General Electric

With Parkview Field opening in 2009, the Fort Wayne Wizards looked to change the team name with the help of suggestions from the Fort Wayne community. The team searched for a new identity that had its roots in the Fort Wayne community, would appeal to a wide audience and was unique in the crowded national sports landscape. It received 2,574 entries in a few weeks and, after consulting with marketing experts and the team's staff and ownership, chose the name "TinCaps."

The TinCaps moniker is in reference to beloved pioneer Johnny Appleseed, who, according to legend, wore his tin cooking pot on his head. Johnny Appleseed, also known as John Chapman, lived in Fort Wayne and is buried near the site of Memorial Stadium.

The team's primary colors consist of organic colors — red and green — a scheme consistent with the Johnny Appleseed theme and the project goal of creating Parkview Field as a true park and gathering place within the center of downtown Fort Wayne.

## 2017 TINCAPS MANAGER

### MANAGER ANTHONY CONTRERAS

**Anthony Contreras** is the 18th manager in Fort Wayne’s history and the first former Fort Wayne player to return to manage the team.

Contreras, 33, is back for his second season with the TinCaps. In 2016, Contreras helped guide a franchise-record 20 players to promotions with San Diego’s organization. Contreras’ club also had five mid-season Midwest League All-Stars (Austin Allen, J.C. Cosme, Enyel De Los Santos, Michael Gettys, and Jake Nix), as well as one Post-Season All-Star (Allen).

Previously, “AC” managed the Padres' Short-Season A affiliate, the Tri-City Dust Devils (Northwest League), in 2015. Contreras led Tri-City to a 42-34 record, a division title and a run to the Northwest League Finals. That success came after he made his professional managerial debut in 2014 with the Rookie-level Peoria Padres (Arizona League).

Contreras, who grew up in San José, California, played collegiately for four years at San José State (2002-05). With the Spartans, he set a school record as a senior with a 32-game hitting streak, while also garnering First Team All-Western Athletic Conference honors and winning his team's MVP, leadership, and coaches' awards.

The San Francisco Giants selected Contreras in the ninth round of the 2005 First-Year Player Draft. Over nine years in Minor League Baseball that peaked in Triple-A, he sported a .257 batting average and .292 on-base percentage. He hit 22 home runs and drove in 281 runs. Contreras played six different positions over the course of his career but was primarily a middle infielder. He played in San Diego's organization from June 2008-August 2013.

With the Wizards, Contreras had one of the best statistical stretches of his career. In 36 second-half games, he played second base, third, and shortstop and batted .304 with seven doubles, a triple, and a homer.

## 2017 TinCaps Field Staff

### PITCHING COACH BURT HOOTON

**Burt Hooton** returns to Fort Wayne for the 2017 season, his fifth with the TinCaps and Padres' organizations. Hooton is the longest-tenured coach in Fort Wayne franchise history.

Under Hooton's tutelage in 2013, Fort Wayne had a pitcher lead the league in earned run average for just the second time in franchise history. Zach Eflin's 2.73 ERA was best in the circuit, after the last player from the Summit City to lead the Midwest League was 19-year Major League Baseball veteran LaTroy Hawkins, with a 2.06 mark in 1993. In 2014, "Hoot" guided Kyle Lloyd to the MWL's strikeout crown (155). In 2015, Hooton helped the TinCaps to a 3.35 ERA, the lowest in the MWL Eastern Division and the Padres' minor league system. Last year,

Hooton, who grew up in Corpus Christi, Texas, spent his Major League career with the Chicago Cubs (1971-75), Los Angeles Dodgers (1975-84) and Texas Rangers (1985). On April 16, 1972, in his fourth Major League start, Hooton threw a no-hitter for the Cubs against the Philadelphia Phillies. He finished his Major League career with a 151-136 (.526) record with 1,491 strikeouts over 2,652 innings. Over 11 career postseason games, Hooton was 6-3 with a 3.17 ERA, including the 1981 postseason, in which Hooton was 5-1 with a 0.82 ERA in five starts for the World Champion Los Angeles Dodgers. Hooton was named both an All-Star and MVP of the National League Championship series that season.

He played collegiately at the University of Texas at Austin, putting together a career 35-3 record and a 1.14 ERA. Hooton earned first-team All-American honors in three consecutive seasons from 1969 to 1971. He was drafted second overall in the 1971 amateur draft by the Cubs, and did not play in the minor leagues prior to making his Major League Baseball debut.

Hooton retired after the 1985 season and returned to the University of Texas to earn his degree in broadcast journalism. He began his coaching career in the Dodgers organization in 1988 with the Class A Short-Season Salem (Oregon) Dodgers. He moved on to be the pitching coach of the Double-A San Antonio Missions from 1990-1994. During the 1995 and 1996 seasons, he worked in the same capacity for the Triple-A Albuquerque Dukes. Hooton served as the pitching coach at the University of Texas from 1997-1999. In the 2000 season he began the year as the pitching coach at Double-A Round Rock, a Houston Astros affiliate, before being named pitching coach of the major league club midway through the season. He remained in that capacity until the halfway point of the 2004 season. In 2005 he returned to Round Rock, Houston's Triple-A affiliate, as pitching coach until 2010, when Houston's Triple-A affiliation shifted to Oklahoma City, where he worked in the same position through the end of the 2012 season.

Hooton lives in San Antonio, Texas, with his wife, Ginger. They have a son, Gene, and a daughter, Layne.

# 2017 TINCAPS MEDIA REGULATIONS

## Just TinCaps, Please

The "TinCaps" moniker debuted prior to the 2009 season, the first at Parkview Field. The name is a reference to the beloved pioneer Johnny Appleseed, who was known for wearing his tin cooking pot upon his head. It is believed that Appleseed is buried here in Fort Wayne. The creation of a new identity for the team began with a community-wide "Re-Name the Team" contest that drew more 2,500 suggestions over the course of the two week entry period. Further input was collected from the community regarding some of the more prevalent categories identified as a result of the contest entries. At the close of the process all of the suggestions and input were considered by local and national marketing experts along with the team's staff and ownership. The team sought a new identity that had its roots in the Fort Wayne community, would appeal to a wide audience and was unique in the crowded national sports landscape.

**Please only refer to the team in a full reference: "The Fort Wayne TinCaps" or using just the nickname: "TinCaps." Referring to the team as the "Caps" is improper, and should be avoided.**

If you have any questions or requests, please ask the Media Relations staff and we will make every attempt to accommodate you. We look forward to working with you.

---

**CREDENTIALS:** Media credentials shall be issued to working members of the media only and are non-transferable. Any unauthorized use of a credential shall result in confiscation of the credential and ejection from Parkview Field.

Subject to space availability, credentials will be issued to recognized newspapers, magazines, television stations and radio stations making reasonable requests in writing on company letterhead at least one day in advance of any game to be covered. Please e-mail credential requests to John Nolan (nolan@tincaps.com). Credentials may be picked up at the main office of Parkview Field located on Ewing Street north of Brackenridge Street beginning four hours before game time.

The TinCaps shall issue full-season credentials to those media members who will cover the team at Parkview Field on a daily basis throughout the season. Credentials will be issued on a game-by-game basis to members of the media who expect to cover the team periodically throughout the season.

Credentials provide access to areas of Parkview Field as designated on each individual pass.

**ENTRY TO PARKVIEW FIELD:** All credential holders should enter Parkview Field through the main office located on Ewing Street north of Brackenridge Street or through the employee entrance adjacent to the media parking lot (Diamond Lot) on Brackenridge Street. Media members must sign in at the front desk or with security at the staff gate. No members of the media may enter any promotion or contest. Media members may not join any part of a TinCaps season ticket holder rewards program. It is expected that credentials only be used by media members actively covering that night's game.

**MEDIA PARKING:** There are a limited number of media parking spots in the Diamond Lot next to the ballpark on Brackenridge Street, including spots specifically for live TV broadcast vehicles. To gain access to the Diamond Lot, show your media credential to the lot attendant. It is expected that only media members on assignment use media parking spots. Availability is NOT guaranteed.

**CLUBHOUSE ACCESS:** The clubhouses are located in the lower level of Parkview Field. Clubhouses are open for pre-arranged interviews four hours before game time and remain open until the start of batting practice. The clubhouses are again open from the end of batting practice until one hour before first pitch. Following all games, the clubhouses open after a ten minute "cooling off" period. Still photographers are prohibited from entering the clubhouse without special permission from the TinCaps Media Relations staff.

The clubhouses are not open to the media during rain delays or between games of doubleheaders.

The clubhouses may be closed at any time at the discretion of the manager or a team media relations representative.

The training rooms, restrooms, players' lounges and umpires' dressing room are off limits to the media.

**FIELD ACCESS:** Members of the media whose credentials provide for field access are asked to be respectful of players and coaches who are preparing for a game, and, for their own safety, to remain in foul territory, between first and third base at all times. Unless conducting an interview, members of the media are asked to refrain from sitting in the dugouts and standing near the batting cage during batting practice. No one under the age of 18 is permitted on the field, and personal photographs and autographs are strictly prohibited. All media must clear the field 30 minutes prior to the start of the game unless special permission has been granted. The TinCaps are not responsible for any injuries that may be incurred while on the field.

**PRESS BOX:** The Parkview Field press box is located on Level 2 of Parkview Field, up the ramp from the Suite Level lounge. To access the press box from the ground level, take the elevator or stairs behind home plate to Level 2. Persons without credentials will not be admitted.

There is a very limited seating area in the press box for working media and seating is NOT guaranteed to be available for all games. Only accredited members of the working media on assignment are eligible for press box seating. The TinCaps ask for the cooperation of the media in maintaining a professional working environment. Cheering or any other disruptive behavior in the press box shall result in credential revocation and ejection from the ballpark.

**MEDIA GUIDES:** Media guides are available online at [tincaps.com/pressbox](http://tincaps.com/pressbox).

## 2017 TINCAPS MEDIA REGULATIONS, CONTINUED

**MEDIA DINING:** A meal is served each game in the press box for all working members of the media until 30 minutes after first pitch. Complimentary cold beverages will be provided throughout the game. No food or drink is to leave the press box.

**GAME INFORMATION:** Statistics and game notes for both clubs are made available in the front office, at Indiana Lasik Centers Guest Services, online at TinCaps.com/Pressbox, and in the press box at least two hours prior to game time. Rosters and starting lineups for both teams are distributed as soon as they are available. Following the game, official box scores will be made available as soon as possible. Game recap stories will be available at TinCaps.com as soon as possible after each game.

**PHOTOGRAPHY:** Photo credentials are issued in the same manner as working media passes. Due to the limited number of photo locations, the TinCaps recommend that requests be submitted as early as possible. Still photographers should shoot from the photo wells attached to each dugout, staying clear of TinCaps team photographers. Videographers should use the designated locations behind sections 105, 108 and 111. Any other photography should be cleared in advance by the TinCaps Media Relations department.

**ROVING CAMERAS:** Any camera light in the seating area of Parkview Field is strictly prohibited. Interviews and live broadcasts are not permitted in the ballpark during the game unless approved by the TinCaps Media Relations department. If approved, interviews may only be conducted on the concourse between innings, not in the stands while the game is in progress.

**WIRELESS INTERNET:** Complimentary wireless Internet access is available in the press box. Ethernet access is also available. Contact the Media Relations department for details and login information.

**PHOTO/INTERVIEW REQUESTS:** Requests for photos or interviews of TinCaps players or coaches should be made with as much advance notice as possible. Call (260) 407-2804 or e-mail John Nolan (nolan@tincaps.com) with requests. The TinCaps will attempt to coordinate all interview requests made by legitimate news sources to the player or coach, but cannot guarantee the player or coach will comply with all interview requests.

**FREELANCE WRITERS/PHOTOGRAPHERS:** Freelance writers and photographers may not request their own credentials. The editor or sports director employing the freelancer must provide a credential request for specific games at least 24 hours in advance of that game.

**WEBSITES:** Per Major League Baseball guidelines, the TinCaps will not issue working credentials to any online service or blogger unless they meet **each** of the following criteria:

- It is part of a regional or national news gathering agency.
- It reaches a broad audience.
- It produces original content.
- It has an established record of developing original content.
- It employs full-time journalists.

## RULES OF INTEREST

**ALL-STAR SELECTION:** Midwest League All-Stars are selected by the league's field managers. They may not vote for their own players.

**CONSECUTIVE HITTING STREAK:** A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference, or a sacrifice bunt. A sacrifice fly shall terminate the streak.

**DISABLED LIST LENGTH:** Any player placed on the disabled list must sit out for at least seven (7) days. Day one is the first day following the player's last game played.

**MAGIC NUMBER:** Computer the number of games remaining, add one, then subtract the number of games ahead in the loss column of the closest opponent. This is the number of wins a team must have to secure the pennant.

**NIGHT GAME:** Any game scheduled to start after 5:00pm (i.e. 5:01pm) will be considered a night game. If a game is scheduled to start at or before 5:00pm is delayed for any reason, it shall be considered a day game.

**PLAYER ELIGIBILITY:** There are no age restrictions on player eligibility in the Midwest League, however, no more than two players on a team's active list may have five or more years of prior service. A player shall be credited with one year of minor-league service for each season he was active or on the Disabled List of a minor-league club for at least 30 days.

**QUALIFYING MARKS:** To qualify for the league batting championship, a player must have a minimum of 378 plate appearances. To qualify for the ERA title, a pitcher must have at least 112 innings pitched.

**SAVES RULE:** One save per game may be credited to a team. Credit a pitcher with a save when he meets all three of the following criteria:

1. He is the finishing pitcher in a game won by his club; and
2. He is not the winning pitcher; and
3. He qualifies under one of the following conditions:
  - A. He enters the game with a lead of no more than three runs and pitches for at least one inning; or
  - B. He enters the game with the potential tying run either on base, at bat, or on deck; or
  - C. He pitches effectively for at least three innings.

**SUSPENDED GAME RULE 4.11(d):** A called game ends at the moment the umpire terminates play. EXCEPTION: If the game is called while an inning is in progress and before it is completed, the game becomes a SUSPENDED game in each of the following situations:

1. The visiting team has scored one or more runs to tie the score and the home team has not scored;
2. The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead;
3. The game has not become a regulation game (4.5 innings with the home team ahead, or 5 innings with the visiting club ahead/tied).
4. Any regulation game tied at the point play is stopped because of weather, curfew, or other reason.
5. If a game is suspended before it becomes a regulation game, and is continued prior to another regularly scheduled game, the regularly scheduled game will be limited to seven innings.
6. If a game is suspended after it is a regulation game, and is continued prior to another regularly scheduled game, the regularly scheduled game will be a nine inning game.

**EXCEPTION:** The Suspended Rule will not apply to the last scheduled game between the two teams during the championship season, or League Playoffs.
