# Michigan Baseball Foundation

MICHIGAN

Since its inception, the Michigan Baseball Foundation has donated over \$300,000 through 88 grants to non-profit organizations from 10 Mid-Michigan counties.

The Michigan Baseball Foundation (MBF) is a 501(c)3 non-profit public charity that was formed in 2006 to create regional economic development through creative partnerships and to enhance the efforts of regional organizations serving young people. MBF owns and operates Dow Diamond, the home of the Great Lakes Loons, the Single-A affiliate of the Los Angeles Dodgers. As one of the nation's only non-profit, charitable professional sports facilities and franchises, the Michigan Baseball Foundation and the Loons represent a unique asset for our region.

The foundation received initial funding from:

- The Dow Chemical Company Foundation
- The Herbert H. and Grace A. Dow Foundation
- The Dow Corning Corporation
- The Rollin M. Gerstacker Foundation
- The Charles J. Strosacker Foundation
- The Bill and Linda Stavropoulos Foundation

## CHARTER AND MISSION

The Michigan Baseball Foundation's mission is to revitalize and reinvigorate the Great Lakes Bay Region by promoting greater economic and civic prosperity through the Great Lakes Loons baseball club and by operating the finest Minor League Baseball facility and events center in the nation, Dow Diamond.

The Michigan Baseball Foundation fulfills its mission by:

- Promoting and contributing to local and regional economic development, job creation, quality of life and regional civic pride.
- Providing an outstanding venue for affordable family entertainment to the region.
- Creating the ideal environment for minor league player development.
- Maintaining and operating the finest stadium and event center in the nation for team games and other events such as amateur baseball games, concerts and corporate events.

## ECONOMIC DEVELOPMENT HIGHLIGHTS

**Job Creation:** The Michigan Baseball Foundation created 27 full-time positions through the Great Lakes Loons baseball organization and the construction of Dow Diamond. In addition, 250 game-day positions have been created to fulfill the operational needs of Dow Diamond during Loons home games and various special events.

**Spending:** The Great Lakes Loons and Dow Diamond maintain a payroll of \$1.8 million for full-time and game-day staff throughout the calendar year. In addition, an estimated \$2 million is spent each year with local vendors. An estimated 2,000 hotel room nights are booked each year in conjunction with Loons games and events.

### BUSINESS AND CAREER DEVELOPMENT

In June 2008, MBF provided financing to facilitate the purchase of ESPN 100.9-FM, creating three additional full-time and several part-time positions. During the first four seasons of Loons baseball, 82 internship positions have been filled with local college students and many practicum volunteer hours have been earned by college students.

### KEEP THE DIAMOND SHINING

MBF owns and operates Dow Diamond, a state-of-the-art, 5,200 capacity baseball stadium located in downtown Midland, MI. Dow Diamond serves as home to the Great Lakes Loons and year-round events, such as weddings, receptions, corporate trade shows, concerts and other functions. Since opening its doors on April 13, 2007, Dow Diamond has hosted more than 537 events: 210 Loons games, the MWL All-Star Game, 327 special events for the Great Lakes Bay Region, including high school and college baseball games, national touring concerts, formal dinners, receptions and other functions.

Since 2007, Dow Diamond received recognition in the following areas:

- Best New Ballpark of 2007, *Ballpark Digest*
- 2007 & 2009 Midwest League Field and Groundskeeper/Grounds Crew of the Year
- Bette R. Tollar 2007 Civic Commitment Award
- National Excellence in Construction Award (Three Rivers Construction)
- Keep Michigan Beautiful President's Plaque 2008

Since opening in 2007, Dow Diamond has fostered the success of the Great Lakes Loons, enabling MBF to fulfill its mission of creating regional economic development and supporting youth organizations. MBF and the Loons have created jobs, donated to non-profits, assisted in concession stand fundraising, offered reduced rates for non-profits to use the stadium on non-game days, and awarded grants to non-profit organizations in the region. Charitable giving of MBF and the Loons has touched over 1,500 non-profit organizations. Dow Diamond is the cornerstone in all these efforts to give back to the region.

Through a variety of fundraising efforts, MBF and Dow Diamond continue to generate economic growth and charitable giving. All of these fundraising efforts help MBF maintain its 501(c)3 non-profit charitable status.

### DOW DIAMOND ALL-STARS

MBF launched the Dow Diamond All-Stars fundraising program in July 2009. The Dow Diamond All-Stars program creates an opportunity for Loons fans and supporters to directly contribute to the Michigan Baseball Foundation for improvements to Dow Diamond. Through a tax-deductible donation to Dow Diamond All-Stars, supporters will be able to select a distinct level of giving, starting at \$10.

These donations will support capital projects and improvements to ensure that Dow Diamond remains an economic, social and charitable asset for years to come. To date, 100 percent of MBF board members and Great Lakes Loons staff members are Dow Diamond All-Star supporters.

To make a donation to the Dow Diamond All-Stars program or to view a complete list of supporters, visit [Loons.com](http://Loons.com).

### ONLINE AUCTIONS

Each month MBF posts an online auction on [Loons.com](http://Loons.com) featuring team memorabilia and/or team-related experiences. The proceeds from these auctions benefit MBF. These auction items are one-of-a-kind items, such as jerseys, baseballs, bases and photos signed by the current players, managers and/or former baseball greats who visit the stadium, plus unique experiences such as on-air opportunities with ESPN 100.9-FM or on-field batting practice sessions.

### SWING WITH THE LOONS

Swing with the Loons is a major fundraising event hosted by the Great Lakes Loons. Participants enjoy a round of golf with friends and future Major League players at Bucks Run Golf Club. Each team is grouped with players or coaches from the Great Lakes Loons. The goal of the tournament is to raise additional funds to support the mission of MBF. This year's annual tournament will be June 7, 2010.

## CHARITABLE IMPACT

Each year, the MBF Grant Committee accepts grant applications beginning in mid-November and awards grants of various amounts to deserving non-profit organizations. Through the first three seasons, MBF has donated \$300,590 through 88 grants to non-profit organizations representing 10 counties. All organizations were required to meet at least one of the following guidelines, which reflect the purpose for which MBF was organized:

- The organization contributes to regional economic development.
- The organization is based in the Mid-Michigan area and serves young people.
- The funded project/program promotes amateur sports.

The Michigan Baseball Foundation with the Great Lakes Loons contributes to charitable efforts year-round through financial and ticket donations, concession stand fundraising opportunities and reduced rates for non-profit groups to use the stadium on non-game days. Since 2007, these contributions to charitable groups have included:

- More than \$210,000 (in-kind donations) of exposure to regional non-profit organizations through the Community Organization of the Night program, sponsored by Saginaw Valley State University.
- More than \$105,000 to regional non-profit organizations and individuals in the form of tickets, merchandise, memorabilia and funds raised, including over \$36,000 through jersey auctions in conjunction with MidMichigan Health, and \$21,000 in scholarships in partnership with Dow Corning.
- \$7,050 to Cancer Services and Christmas Wishes through Loons double plays sponsored by Farm Bureau Insurance.
- \$9,300 to Big Brothers/Big Sisters through Loons home runs sponsored by Dow Corning.
- More than 950 tickets to area community groups and families through MBF ticket donation program.
- \$5,740 to the following organizations: Girls on the Run, Shelterhouse, JA of Central Michigan, Lake Huron Area Council Boy Scouts of America, and West Midland Family Center through Loons strikeouts sponsored by Deloitte & Touche.

## Juan Bustabad, manager

**Born:** August 16, 1961

**Resides:** Lake Worth, FL

**Bats:** Left      **Throws:** Right

Veteran minor league manager Juan Bustabad returns in 2010 for his third season as Loons' manager. This will be Bustabad's 14th season as a minor league manager and his ninth year managing in the Dodgers' organization. He is the winningest active manager currently in the Dodgers minor league system.

In 2009 under Bustabad's command, the Loons shattered the franchise record for wins with an 81-59 record and earned their first playoff berth. The Loons defeated West Michigan in the first round of the playoffs but fell to eventual league champion Fort Wayne in the Midwest League Eastern Division Championship in a thrilling three-game series with Games 1 and 3 both lasting extra innings.

In 13 seasons as a minor league manager with the Dodgers and Marlins, Bustabad has won eight division titles, had nine winning seasons, and compiled a career managerial record 113 games over .500 (618-505, .550 winning percentage). Only once has he led a Dodgers partner to a losing record and his teams have finished within two games of .500 in 12 of 13 campaigns.

In 2007, Bustabad guided the Gulf Coast League Dodgers (Rookie) to a league-best 40-15 record, advancing the GCL Finals. It was his second straight year capturing a GCL division championship, following a 32-22 season in 2006. Bustabad captured his first division title with the GCL Marlins, leading his team to the division crown in consecutive seasons (1994-95). He won his first division crown with the Dodgers organization in 2000 with Great Falls, leading his team to a first-place finish in the Pioneer League North and a berth in the league finals. The next season, as manager of the GCL Dodgers, his team finished first in the East Division (41-19) and advanced to the finals. Bustabad also captured the first-half Pioneer League South championship in 2005 as the manager at Ogden. This will be Bustabad's fourth season in the Midwest League. He skippered Kane County, then a Marlins' affiliate, in 1998.

Bustabad played professional baseball for nine seasons, advancing as high as Triple-A. A coveted player out of Hialeah-Miami Lakes High School in Florida, the Cuban native holds the distinction of twice being drafted in the first round of baseball's amateur draft. The Oakland A's selected Bustabad fifth overall in June 1979, but he opted instead to attend Miami-Dade North College. Bustabad later signed with the Boston Red Sox, who selected him first overall in the January 1980 amateur draft. Bustabad spent his first six professional seasons in the Boston organization and his final three with the Dodgers, compiling a career average of .247 with six home runs, 253 RBIs and 128 stolen bases.

Juan makes his off-season home in Lake Worth, FL with his wife, Zoila. He has four children: Veronica, Juan Jr., Jordan and Alexandria.

Could blossom into a No. 3 starter in the majors... Says Dodgers Ast GM-Scouting Logan White: "Lean and lanky and has excellent arm action and an excellent delivery on the mound. He's a good hitter too, and Tom Lasorda thinks he should be a position player, but Wallach loves to pitch. He's got a Hershiser-type sinker and a hard slider, changes speeds well and good mound presence. This kid is going to move very quickly."

Rated by *Baseball America* as the Dodgers' No. 10 prospect and the No. 3 prospect from the AZL. *BA* says: "Improved as much as anyone in the system last season... fastball sits in the low 90s and often touches 94-95. It looks even quicker because he throws it so effortlessly after putting in extensive work on his delivery during extended spring training. His hard three-quarters breaking ball is a plus pitch at times and he has fairly good command of his changeup... extremely thin & will have to add significant strength to have the durability to remain a starter... Raw stuff & ability to make adjustments could allow him to advance rapidly."

### MWL Rules of Interest

**All-Star Selection:** MWL All-Stars are selected by the league's field managers. They may not vote for their own players. This year's Midwest League All-Star Game will be held June 22 at Parkview Field in Fort Wayne, IN.

**Curfew:** No inning can start after 12:50am local time.

**Designated Hitter Rule:** The MWL allows the DH for all games. A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The DH must be selected and included in the lineup card presented to the umpire-in-chief prior to the game. The DH is locked into the batting order, but may be removed for a pinch-hitter or pinch-runner who in turn becomes the DH. Player occupying the DH spot may enter the game defensively, but the pitcher must take the place in the batting order of a replaced defensive player. This would terminate the role of the DH in that game.

**Disabled List Length:** Any player placed on the disabled list must sit out for at least seven days. Day one is the first day following the player's last game played.

**Night Game:** Any game scheduled to start after 5:00 pm will be considered a night game. If a game is scheduled to start at or before 5:00 pm and is delayed for any reason, it shall be considered a day game.

**Player Eligibility:** There are no age restrictions on player eligibility in the Midwest league, however, no more than two players on a team's active list may have five or more years of prior service. A player shall be credited with one year of minor league service for each season he was active or on the Disabled List of a minor league club for at least 30 days.

**Playoffs:** Eight teams qualify for the playoffs -- the teams that finish first and second in each division in the league's first half and the two teams in each division with the best two records that did not qualify for the playoffs based on first half record. In the best-of-3 quarterfinal rounds (Sept. 8-10), the two first half qualifiers per division have home field advantage, which is the option to host Game 1 or Games 2 & 3. The first half top seed plays the second half second seed. The first half second seed plays the second half first seed. Quarterfinal winners advance to the best-of-3 division championship (Sept. 11-13). In the division championship round, the team with best overall record has the home field advantage. The two division champions meet for the best-of-5 league championship (Sept. 14-18). In 2010, the Western Champion will host Games 1 & 2 and the Eastern Champion will host the remaining games. (This alternates year to year).

**Qualifying Marks:** To qualify for the league batting championship, a player must have a minimum of 2.7 plate appearances per team game (378 for a full 140 game schedule). To qualify for the ERA title, a pitcher must have at least 0.8 innings pitched per team game (112 for a full 140 game schedule).

**Regular Season:** Consists of 140 games and is split-schedule (two 70 game halves; first half and second half champions will be crowned).

**Statistician:** The official statistician of the MWL is Major League Baseball Advanced Media (BAM); 75 Ninth Avenue; New York, NY 10011; (212) 485-3444.

**Suspended Game Rule 4.11(d)** (Official Baseball Rules): A called game ends at the moment the umpire terminates play. EXCEPTION: If the game is called while an inning is in progress and before it is completed, the game becomes a suspended game in each of the following situations:

1. The visiting team has scored one or more runs to tie the score and the home team has not scored;
2. The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead;
3. The game has not become a regulation game (4.5 innings with the home team ahead, or five innings with the visiting team ahead or tied).
4. Any regulation game tied at the point play is stopped because of weather, curfew, or other reason.
5. If a game is suspended before it becomes a regulation game, and is continued prior to another regularly scheduled game, the regularly scheduled game will be a nine inning game.
6. If a game is suspended after it is a regulation game, and is continued prior to another regularly scheduled game, the regularly scheduled game will be a nine inning game.

EXCEPTION: The Suspended Rule will not apply to the last scheduled game between the two teams during the championship season, or League Playoffs.

**Tiebreakers:** In the case of a tie at the end of the season, the following determines the playoff qualifier if the tie involves two teams: 1) best head-to-head record, 2) best head-to-head run differential, 3) winner of final meeting between clubs. The following determines the playoff qualifier if the tie involves more than two teams: 1) best winning percentage in games involving tied teams for the full season, 2) best run differential in games involving tied teams for the full season, 3) best winning percentage in second half games involving tied teams, 4) best run differential in second half games involving tied teams.

## 2010 Loons/Dow Diamond Media Guidelines

**Season Credentials** will be issued only to those legitimate news-gathering organizations that plan to cover the Loons on a regular basis. Credentials are non-transferable.

**Daily Credentials** will be issued to legitimate news-gathering organizations that do not qualify for season credentials. To obtain credentials, your initial request must be made via email to [awassel@loons.com](mailto:awassel@loons.com). If your organization does not have access to email, please fax your request on company letterhead to the attention of Alex Wassel at 989-837-8780. The deadline to submit your credential request is 24 hours prior to game time. Only credentials issued by the Great Lakes Loons, Los Angeles Dodgers, Midwest League, National Association of Professional Baseball Leagues (Minor League Baseball), Major League Baseball or the Baseball Writers Association of America (BBWAA) will be honored.

**Press Will Call:** Daily credentials may be picked up at the ticket office located next to the Loon Loft team store. The Will Call window opens two hours prior to game time. Credentials can be picked up prior to two hours before game time at the Loons' team offices located next to the ticket office.

**Entrance:** Media should enter Dow Diamond through the entrance to the team's offices.

**Field Access:** Only credentialed media with field access will be allowed on the field. All media must clear the field one hour prior to the start of the game unless special permission has been granted.

**Photographers:** Still & video photographers are permitted in the dugout camera wells, adjacent to each dugout. Photographers wishing to switch dugouts may do so through the stadium aisles or the tunnel beneath the stadium. Photographers may not enter the playing field or the dugouts at any time during the game. Photographers also may shoot from other locations throughout the ballpark but must not interfere with ballpark patrons.

**Press Box:** The press box is located on the suite level behind home plate. The press box is available to working media only. No spouses, guests or children of members of the media will be allowed in the press box without prior consent. No alcoholic beverages are allowed in the press box.

**Food:** Media food will be provided prior to the start of the game in the press box. No food or drink is permitted to leave the press box unless it is for a member of the camera crew.

**Stats and Information:** Game notes and statistics are available in the press box approximately two hours before game time. Lineups are generally available then as well, although the timing depends on the teams' managers. Anyone needing additional information not typically provided or information earlier than normal should contact the Great Lakes Loons Media Relations Department.

**Clubhouse:** The Great Lakes Loons' clubhouse is closed to the media. Media members needing a specific interview while players are in the clubhouse should contact a member of the Loons' Media Relations Department. After the game, players and coaches will be made available upon request. Requests may be made to a member of the Media Relations Department during the game. The trainer's room is closed to the media at all times. Players and coaches will not be made available during rain delays or between games of a doubleheader, unless otherwise requested and granted.

**Batting Practice:** Members of the media are welcome to attend batting practice and interact with coaches and players during this time, so long as it does not interfere with the players or coaches' workout schedule. Media members are at their own risk of injury when on the field. While on the field, media members must stay in foul territory and may not go beyond first or third base. When possible, please try to stay on the warning track and off the grass. The Loons are not responsible for any injuries that may occur while on the field. All non-uniformed personnel must clear the field at the conclusion of the visiting team's batting practice. Individuals seeking interviews that will last longer than 10 minutes need to seek permission from the Loons Media Relations staff. Loons' players and coaches will also be made available during the visiting team's batting practice. Visiting batting practice is the best time to interview Loons players and coaches.

**No autographs:** Credentialed members of the media are strictly prohibited from autograph seeking under any circumstances.

*For more information regarding policies or questions about interviews, photo requests, statistics, credential requests, news releases, or any other media related questions, please contact Chris Mundhenk at [cmundhenk@loons.com](mailto:cmundhenk@loons.com) or by phone at 989-837-6130. Violations of the Loons' media policy may result in revocation of the individual's credential and future access. These rules are subject to change at the discretion of the Great Lakes Loons, the Los Angeles Dodgers, Minor League Baseball or Loons' manager Juan Bustabad. Thank you for your cooperation.*
