LETTER FROM MiLB PRESIDENT

Dear Fans:

On behalf of Minor League Baseball and the Midwest League, I want to welcome you to the ballpark for another exciting season of Minor League Baseball!

The 2019 season will see the opening of new ballparks in Amarillo, Texas; Las Vegas, Nevada; and Fayetteville, North Carolina, and based on the success of Minor League Baseball's Hispanic/Latinx fan engagement initiative, Copa de la Diversión, that program will expand from 33 to 72 teams as our teams expand their efforts to be more representative of their communities.

While you may see some new logos and team identities this spring and summer, what remains the same is the quality, affordable family entertainment in a clean and safe environment that is a staple of Minor League Baseball across the country.

With 20 leagues and more than 250 clubs, Minor League Baseball is where you will find the next generation of baseball's brightest stars on their way to the big leagues. You just might be watching the next Kris Bryant in South Bend tonight, the next Mike Trout in Cedar Rapids or the next Vladimir Guerrero Jr. in Lansing!

The Midwest League has a long history of clubs making a difference in their communities while also providing a great product on the field and in the stands. The Midwest League was the most charitable of our leagues when it comes to giving back to its communities as the 16 clubs made gift in-kind contributions of over \$6 million in 2018!

Minor League Baseball also remains an integral part of the sports landscape, and of the communities it represents. Last season, Minor League Baseball's philanthropic endeavors included donating over \$40.5 million in cash and value in kind contributions to local and national charities. We are proud to support our National Charity Partners: The ALS Association, the American Cancer Society, Big Brothers Big Sisters, The BairFind Foundation and Ed Randall's Fans for the Cure, as well as other worthy initiatives and causes.

In 2018, a remarkable 40.4 MILLION fans attended Minor League Baseball games and I am certain that with your continued support, Minor League Baseball will prosper for many years to come. As stewards and fans of the game, it is our responsibility to build, nurture and protect this great game for the future generations of fans.

Thank you, again, for your passionate support of Minor League Baseball, and particularly the Midwest League. I wish you a healthy and enjoyable season of baseball. Let's play ball!

Sincerely,

A handwritten signature in black ink that reads "Pat O'Conner". The signature is written in a cursive, flowing style.

LETTER FROM MWL PRESIDENT

To Our Loyal Midwest League Fans:

After a challenging winter in the Midwest, Spring is here and with it Midwest League baseball. Our game is a treasure and each of our communities in the Midwest League is blessed to be able to attend games and enjoy the exciting atmosphere, and the young stars who will some day populate the Major Leagues.

One aspect of the Midwest League many may not know about, is we lead Minor League Baseball in "GBs". What is a GB you might ask? It is Give Backs. Last year our Clubs gave back to their communities, donations which amounted to over 7 million dollars. The Cougars in Kane County contributed over 1 million dollars, and Quad Cities led all of Minor League Baseball in cash donations. Lake County has a wonderful Miracle Field right next to their ballpark. The rest of our Clubs have great stories to tell as well. Bottom line, Midwest League Clubs are a shining example of corporate citizenship. Every ticket you buy will yield a return on investment in our own home towns for those who are in need.

Speaking of home towns, mine will host the All-Star Game on Tuesday, June 18. It will be in South Bend for the first time in 30 years. I invite all of you to take a road trip or drive down the street to see the premier event of the year in our League. Lansing last year and Midland the year before have set the bar really high. I look forward to how South Bend meets the challenge.

This year marks the 20th season for Midwest League Baseball in Dayton. In the prior 19 seasons they have had 1,316 straight sell outs – a professional sports record by a long shot. It is a success story we in our League love to tell. Each of our Clubs offer something special as well.

Get out soon and often with your family to watch as each Club tries to supplant the Bowling Green Hot Rods, the 2018 Midwest League Champion, and Baseball America's Minor League Team of the Year. Laugh at the entertainment. Have a hot dog and soda and just smile. Thank you for your wonderful support. See you at the Park. Play Ball!!!!

Sincerely,

A handwritten signature in blue ink that reads "Richard A. Nussbaum, II".

MWL ALL-STAR GAME HISTORY

The first Midwest League All-Star Game was played in 1964 and since that time the format has been varied and unique. The first year saw the traditional North vs. South match-up. No game was played in 1965. From 1966 to 1973 the Midwest League All-Stars played the team with the best first-half record in the home park of the leader.

Beginning in 1974, the Midwest League All-Stars faced Triple-A competition from the American Association. Then, in 1979, the league returned to the current format: Northern Division vs. Southern Division All-Stars. From 1982 to 1987, when the league used a three-division format, the Central Division was divided for the purpose of selecting the All Star team.

MEDIA REGULATIONS

The Wisconsin Timber Rattlers always welcome media to cover games, events and news regarding the team. ***Please review the following regarding media credential requests:***

Credential Applications: All members of the media interested in Timber Rattler press credentials are asked to submit a written request on official letterhead. Please email request to cmehring@timberrattlers.com.

Season Credentials: Season credentials will be issued only to those affiliated news gathering organizations who plan to cover the Timber Rattlers on a daily basis. Press passes are not transferable. Credentials must be visible at all times.

Daily Credentials: Daily credentials will be issued to those affiliate news gathering organizations that do not qualify for season credentials. Any organization that anticipates the need for daily credentials must have a letter on file with the Timber Rattlers Media Relations department. Requests must be made before noon for the night games and by 9 a.m. the morning of an afternoon game. Daily credentials are subject to the same restrictions as season credentials and any violation will result in revocation of the credential. Press Credentials will be accepted as parking passes.

Press Will Call: Credentials may be picked up at the Will Call window. Will Call is open two hours prior to game.

Television Crews: Space for filming game highlights is limited. Please check with a member of the Timber Rattlers Media Relations department for your designated space prior to the game. Television photographers are allowed access to the media pits, but not the playing field, during games.

Field: Only credential-holding members of the media will be allowed on the field. All media must clear the field 30 minutes prior to the start of the game.

Dugout: Photographers are allowed in the dugout camera area, but are not permitted into the team's side of the dugout.

Press Box: The press box is located on the concourse level behind home plate. No spouses, guests, or children of media members are allowed in the press box due to space limitations. Please check with a member of the Timber Rattlers Media Relations Department for your designated space.

Stats and Information: Game notes and statistics are available in the press box approximately one hour before game time. Anyone needing information earlier should contact the Timber Rattlers Media Relations department.

Interviews(Pre-game): Please contact the Timber Rattlers Media Relations department for specific interview requests. The sooner we are notified of your request the more likely the chance of filling the request. All other interviews may take place in the dugout or in the stadium during the first 30 minutes of the visitor's batting practice as well as shortly after the game.

Interviews (Post-game): The Timber Rattlers clubhouse will be open to the press approximately 10 minutes after the end of the game. Please make your way to the clubhouse 10 minutes after the game has ended. Post-game interviews may be conducted in the clubhouse or the batting cage area.

Batting Practice: Members of the media are welcome to attend batting practice but may not interview the players during practice. Media must stay in stands or foul territory to avoid possible injury.

Autographs: Autograph seeking by members of the media is prohibited at Neuroscience Group Field in the Fox Cities Stadium. Violation of this policy will result in revocation of credentials.

For more information regarding policies or questions about interviews, photos, statistical information, credential requests, news releases, etc., contact:

Chris Mehring (cmehring@timberrattlers.com) at 920-733-4152 x229.
