PACKERS AT RAIDERS - PRESEASON WEEK 3

OFFSEASON CHANGES

The Green Bay Packers saw some changes to the front office, the coaching staff and to the roster this offseason.

- ▶ After **Ted Thompson** made the transition to senior advisor to football operations, **Brian Gutekunst** was named general manager and **Russ Ball** was promoted to executive vice president/director of football operations.
- ▶ Head Coach **Mike McCarthy** made numerous changes to his coaching staff, including bringing back **Joe Philbin** as offensive coordinator and adding **Mike Pettine** as defensive coordinator. From 2007-11, Philbin was Green Bay's offensive coordinator, directing a unit that ranked No. 3 in the NFL over that span in points per game (28.3), touchdowns (267), passing touchdowns (170) and total net yards per game (372.8). In his five years as a defensive coordinator, (New York Jets, 2009-12; Buffalo Bills, 2013), Pettine led his units to a top-10 finish in total yards allowed and passing yards allowed in all five seasons.
- ▶ Other additions to the coaching staff were **Jim Hostler** as offense – pass game coordinator, **Patrick Graham** as defense – run game coordinator/inside linebackers, **Frank Cignetti Jr.** as quarterbacks coach, **Ryan Downard** as defensive quality control coach and **Maurice Drayton** as assistant special teams coach.
- ▶ McCarthy also promoted some coaches who were already on the staff, naming **James Campen** offense – run game coordinator/offensive line, **Joe Whitt Jr.** defense – pass game coordinator, **Jerry Montgomery** defensive line coach, **David Raih** wide receivers coach and **Jason Simmons** secondary coach.
- ▶ Green Bay added players as well this offseason, including former Pro Bowlers TE **Jimmy Graham**, TE **Marcedes Lewis**, DL **Muhammad Wilkerson** and CB **Tramon Williams**.
- ▶ Graham has been selected to the Pro Bowl five times in his career (2011, 2013-14, 2016-17) and was named first-team All-Pro by *The Associated Press* in 2013. He is the only tight end in NFL history to have two seasons with 1,200-plus receiving yards and 10-plus receiving TDs (2011, 2013).
- ▶ Lewis, originally a first-round pick (No. 28 overall) by Jacksonville in 2006 out of UCLA, played in 170 games (No. 3 in franchise history) with 156 starts (No. 2 in franchise history) in 12 seasons with the Jaguars.
- ▶ Wilkerson, originally selected by the New York Jets in the first round (No. 30 overall) of the 2011 NFL Draft out of Temple, played in 105 regular-season games with 101 starts in seven seasons with the Jets. He registered 10-plus sacks twice in his career, 10½ in 2013 and 12 in 2015.
- ▶ Williams returns to the Packers after spending the last three seasons with the Cleveland Browns (2015-16) and Arizona Cardinals (2017). He is tied for No. 5 among active NFL players with 32 career interceptions.

MEET THE DRAFT PICKS

Training-camp storylines always hover around new players and just how they figure into the depth chart. The Packers added to an already talented roster with a 11-man draft class.

- ▶ CB **Jaire Alexander** was selected by the Packers with the 18th overall selection in the first round, a selection acquired from Seattle along with a seventh-round choice (No. 248 overall) in exchange for Green Bay's first-round pick (No. 27 overall, originally obtained from New Orleans), a third-round choice (No. 76 overall) and a sixth-round pick (No. 186 overall). Alexander earned second-team All-Atlantic Coast Conference recognition as a sophomore in 2016 after posting a team-high five interceptions (tied for No. 11 in the country) along with a career-best 39 tackles (31 solo) and 14 passes defended.

- ▶ The Packers selected CB **Josh Jackson** out of Iowa in the second round. He was named a permanent team captain on defense in 2017 and was a consensus first-team All-American as well as first-team All-Big Ten by the league's coaches and media after setting career highs in games started (13), tackles (48), solo tackles (34), passes defended (26, No. 1 in the nation), interception return yards (168, No. 2 in the nation) and forced fumbles (one). Jackson's career-best eight interceptions led the nation and tied the single-season school record.
- ▶ LB **Oren Burks** became the seventh player to be drafted out of Vanderbilt in team history when the Packers used a selection obtained from Carolina (third round, No. 88 overall) in exchange for a fourth-round pick (No. 101) and a fifth-round pick (No. 147). He was named to the Butkus Award watch list in 2017 and went on to post career highs in tackles (82), solo tackles (45) and tackles for a loss (seven) in his first season at inside linebacker.
- ▶ In the fourth round (No. 133 overall), the Packers selected WR **J'Mon Moore**, making him the highest-drafted wide receiver out of Missouri since Jeremy Maclin in 2009 (Philadelphia Eagles, No. 19 overall). Moore was named second-team All-Southeastern Conference in 2016 (*The Associated Press*) and 2017 (AP and coaches).
- ▶ With the first of three picks in the fifth round (No. 138 overall), Green Bay selected G **Cole Madison**, the highest-drafted lineman out of Washington State since T Scott Sanderson was selected in the third round by the Tennessee Oilers in 1997. Madison was a three-time All-Pacific-12 selection, earning second-team honors as a senior in 2017 and honorable mention as a junior and as a sophomore.
- ▶ The Packers drafted P **JK Scott** out of Alabama with their second selection (No. 172 overall) in the fifth round, a compensatory pick awarded to the team. He was selected to an All-American team in three of his four seasons, earning first-team honors in 2014 and second-team honors in '16 and '17.
- ▶ With the third of the fifth-round picks, which was also a compensatory selection, Green Bay drafted WR **Marquez Valdes-Scantling** out of the University of South Florida. In two seasons at USF, he scored five TDs of 50-plus yards (catches of 95 and 64 yards and 75-yard run in 2017, catches of 77 and 51 yards in 2016).
- ▶ Green Bay drafted WR **Equanimeous St. Brown** with a compensatory pick in the sixth round (No. 207 overall), making him the second Notre Dame wide receiver to ever be drafted by the Packers (Derrick Mayes, second round, 1996). He was named Notre Dame's Offensive Player of the Year as a sophomore in 2016 after leading the Irish with 58 receptions for 961 yards (16.5 avg.) and nine TDs.
- ▶ With the first of three seventh-round selections, the Packers took DL **James Looney** out of the University of California. He earned honorable mention All-Pacific-12 recognition in both of his final two seasons and was on the watch list for the Bronko Nagurski Trophy as a senior in 2017.
- ▶ With the No. 239 overall selection, Green Bay drafted LS **Hunter Bradley** out of Mississippi State, marking the fourth consecutive draft where a long snapper was selected (Colin Holba, sixth round, Pittsburgh, 2017 / Jimmy Landes, sixth round, Detroit, 2016 / Joe Cardona, fifth round, New England, 2015).
- ▶ With its final selection of the 2018 NFL Draft, a pick obtained from Seattle along with a first-round pick (No. 18 overall) in exchange for Green Bay's first-round pick (No. 27, from New Orleans), a third-round pick (No. 76) and a sixth-round pick (No. 186), Green Bay chose LB **Kendall Donnerson**. He became the first player to be drafted out of Southeast Missouri since C Eugene Amano in 2004 (Tennessee, seventh round), and is the only player to be drafted by the Packers from the school.

PACKERS AT RAIDERS - PRESEASON WEEK 3

PACKERS DEFEAT STEELERS AT HOME

The Green Bay Packers won preseason game No. 2, 51-34, over the Pittsburgh Steelers in the Midwest Shrine Game last Thursday.

- ▶ Green Bay improved to 36-30-3 all-time in the Shrine Game.
- ▶ It was the most points scored by the Packers in a single preseason game since beating the Indianapolis Colts, 59-24, in 2010. Prior to that, Green Bay had not scored 50-plus points in a preseason/non-league game since scoring 75 points on the Cedar Rapids (Iowa) Crush in 1938.
- ▶ On the first offensive play of the game, CB **Tramon Williams** intercepted a QB Mason Rudolph pass, taking it 25 yards for a touchdown.
- ▶ The Green Bay defense forced a three-and-out on the next drive, and after a 30-yard punt, the Packers took over at the Pittsburgh 40-yard line. In his first action of the preseason, QB **Aaron Rodgers** led Green Bay to a TD in five plays, finding TE **Jimmy Graham** from 8 yards out to put the Packers up, 14-0.
- ▶ After the Steelers scored on their next two drives to tie the game, QB **Brett Hundley** led the Packers on a 10-play, 51-yard drive that was capped off by a K **Mason Crosby** field goal to make it 17-14.
- ▶ Hundley played a total of three drives, completing 6 of 9 passes for 77 yards and running for a TD from 10 yards out. Green Bay scored on each drive he played, totaling 13 points to make it 27-14 in the second quarter.
- ▶ A 21-yard punt return by CB **Quinten Rollins** set Green Bay up at their own 49-yard line for the first drive of the game for QB **DeShone Kizer**. He led the Packers 51 yards in eight plays, finding TE **Robert Tonyan** on a fade route from the 1-yard line, increasing the lead to 34-14 with under a minute to play in the second quarter.
- ▶ On the Steelers' first drive of the second half, CB **Josh Jackson** jumped a QB Josh Dobbs pass and returned it 22 yards for a score, making it 41-14 Green Bay.
- ▶ Pittsburgh answered with a three-play, 45-yard TD drive, and then two plays later Kizer connected with WR **Jake Kumerow** for an 82-yard TD to make it 48-22. Kizer finished the game with a 142.0 passer rating by completing 7 of 12 passes for 149 yards and two TDs.
- ▶ The Steelers added a couple of TDs and Crosby made his second 50-yard field goal of the game (53, 50) to make the final 51-34.
- ▶ The four Green Bay quarterbacks combined to complete 19 of 32 passes for 298 yards, three TDs and a passer rating of 121.6. A total of 17 players caught a pass for the Packers.
- ▶ LB **Reggie Gilbert** led the way for the Green Bay defense, registering 2.5 sacks and a forced fumble.

A LOOK AT THE SCHEDULE

The Green Bay Packers' 98th NFL regular-season schedule – highlighted by five prime-time contests (subject to flexible scheduling) – was released April 19 by the National Football League.

- ▶ For the second consecutive season, the Packers open the season at home and will play three of their first four games at Lambeau Field.
- ▶ In Week 1, Green Bay will host Chicago on Sunday night, marking the 13th consecutive regular season that the Packers and Bears have squared off in primetime.
- ▶ It is the first time Green Bay has opened the season at home against the Bears since playing them on Sunday night in Week 1 of the 2009 season, a 21-15 win for the Packers.
- ▶ For the first time since 2012, the Packers play two home games to open the season, hosting Minnesota in Week 2. It marks just the third time (2003, 2008) since the NFC North was formed in 2002 that Green Bay has played division opponents in both of the first two games.
- ▶ The Packers' first road contest is at the Redskins, marking Green Bay's first September visit to Washington.
- ▶ The Packers return home for two of three games before the bye, first taking on the Buffalo Bills in Week 4 and then traveling to Detroit to play the Lions.
- ▶ In Week 6, Green Bay hosts the San Francisco 49ers on *Monday Night Football*, marking the fourth time the two teams have met on *MNF* and

the first since 1999. It is the fifth time in the last six seasons the Packers have played at Lambeau Field on *MNF*.

- ▶ After the second Week 7 bye for Green Bay in the last four seasons (2015), the Packers will play four of five games on the road.
- ▶ Green Bay makes its first trip to the Los Angeles Memorial Coliseum since 1978 to play the Rams.
- ▶ In Week 9, the Packers travel to the other side of the country to play the Patriots on Sunday night.
- ▶ It is the second consecutive time the Packers and Patriots will face off on a Sunday night in New England (2010).
- ▶ Green Bay returns home to take on the Miami Dolphins before a quick turnaround to play the Seahawks, marking the Packers' second Thursday night game at Seattle (Week 1 in 2014). Including the postseason, it will be the seventh time Green Bay and Seattle have played since 2012.
- ▶ November finishes with a trip to play the Vikings on Sunday night, marking the sixth straight season that the teams have met in a prime-time game.
- ▶ Green Bay opens the final month of the regular season against Arizona, only the second time the Cardinals have played at Lambeau Field in December (Dec. 21, 1969).
- ▶ The Packers will play back-to-back home games for only the second time in 2018 when they host the Atlanta Falcons in Week 14. It will be the fourth matchup (including postseason) between Green Bay and Atlanta in the last three seasons.
- ▶ The Packers end the season with two road games in the final three weeks for the seventh straight year.
- ▶ In Week 15, Green Bay will face the Bears in Chicago, a place it has won in the regular season each of the last seven years. The Packers have scored 30-plus points at Chicago in four of the last five matchups (33, 38, 31, 30, 23).
- ▶ The Packers' road slate will finish up with a game at the New York Jets, the third December game at the Jets in team history (1981, 2002). Three of the last four games at New York have been decided by single digits, including one game that went to overtime.
- ▶ Green Bay will close out the regular season against the Lions for the third straight year and the fourth time in the last five seasons. Green Bay has an 18-6 overall mark (.750) and a 10-2 home record (.833) against Detroit under Head Coach **Mike McCarthy**.

CONTINUAL IMPACT

In his career, DT **Mike Daniels** has seen his playing time steadily increase as well as his production, earning him a role as a standout on the defense.

- After being selected as an alternate each of the past three seasons (2015-17), he was named to the 2017 Pro Bowl as an injury replacement for Los Angeles Rams DT Aaron Donald.
- He finished **No. 4 on the team** with five sacks in 2017, the third-most sacks of his career (6.5 in 2013, 5.5 in 2014), and recorded a career best 72 tackles.
- Daniels has recorded at least four sacks in each season since 2013, which is **tied for No. 1 in the NFL among defensive tackles** (according to pro-football-reference.com):

Defensive Tackles	Seasons With Four-Plus Sacks (2013-17)
1t. Mike Daniels, GB	5
1t. Jurrell Casey, TEN	5
1t. Gerald McCoy, TB	5
1t. Ndamukong Suh, DET/MIA	5
5t. Geno Atkins, CIN	4
5t. Aaron Donald, LAR	4

- Daniels ranks **No. 2 among Packers defensive tackles** in sacks (since 1982), according to STATS LLC:

Packers Defensive Tackles	Sacks (Since 1982)
1. Cullen Jenkins, 2004-10	29.0
2. Mike Daniels, 2012-17	27.0
3. Santana Dotson, 1996-2001	26.0
4t. Cletidus Hunt, 1999-2004	17.0
4t. Corey Williams, 2004-07	17.0
6. Matt Brock, 1989-94	12.5

- Daniels is third on the Packers with 25.0 sacks since the start of the 2013 season. He is **tied for No. 9 among NFL defensive tackles** over that span, according to STATS LLC.
- He has started all but two regular-season and postseason games for Green Bay and has played the most defensive snaps among Packers defensive linemen since the start of the 2014 season.

RACKING UP POINTS

K **Mason Crosby** is moving his way up the record books.

- Crosby has played in 176 straight games for the Packers, the **third most all-time** behind only QB Brett Favre (255) and T Forrest Gregg (187).
- Crosby passed Ryan Longwell in Week 2 of the 2015 season to become the franchise career points leader:

Player	Career Points
1. Mason Crosby, 2007-17	1,345
2. Ryan Longwell, 1997-2004	1,054
3. Don Hutson, 1935-45	823

- Crosby's 1,345 points from 2007-17 are the **second most by an NFL player in his first 11 seasons** (NE Stephen Gostkowski, 1,457 from 2006-16), according to pro-football-reference.com.
- Crosby (1,482) passed Longwell (1,119) for the most points scored in the regular and postseason combined in franchise history.
- Crosby recorded 122 points during the 2016 season, giving him the 10th 100-point season of his career and **extending his franchise record**. Crosby's 10 seasons with 100-plus points are **tied for the most in the NFL since 2007** (Gostkowski). The only other kickers to have 10 or more consecutive seasons of 100-plus points are Jason Elam (16, 1993-2008) and Adam Vinatieri (13, 1996-2008).

PACKERS AT RAIDERS - PRESEASON WEEK 3

ON THE ROAD AGAIN

Green Bay went 7-1 away from Lambeau Field in 2011, with the seven road wins setting a single-season franchise record.

- The Packers have been able to stay above the .500 mark on the road during Head Coach **Mike McCarthy's** tenure, a notable achievement in the National Football League.
- Since 2006, McCarthy's first season as the head coach in Green Bay, only seven of 32 NFL teams have regular-season road records at or above .500.

Team	W-L Record	Pct.
1. New England	70-26-0	.729
2. Dallas	57-39-0	.594
3. Pittsburgh	54-42-0	.563
4. Philadelphia	52-43-1	.547
5. Green Bay	52-44-0	.542
6. Indianapolis	51-45-0	.531
7. New Orleans	50-46-0	.521
8t. Denver	48-48-0	.500
8t. N.Y. Giants	48-48-0	.500

334 AND COUNTING

Another packed house at Lambeau Field against the Minnesota Vikings in Week 16 of 2017 brought the stadium's consecutive-sellouts streak to 334 regular-season games (not including replacement games).

- The league's longest-tenured stadium, Lambeau Field hosted its 61st season of football in 2017. For the victory over Dallas in the Divisional round of the 2014 playoffs, Packers fans set a new Lambeau Field paid-attendance record (79,704).
- Across American professional sports, only Boston's Fenway Park (1912) and Chicago's Wrigley Field (1914) have longer tenures.

THE LAMBEAU ADVANTAGE

The crown jewel of the National Football League, Lambeau Field has long been known as one of the tougher venues to play in, particularly during the harsh Wisconsin winter.

- Re-establishing home-field advantage after a 4-4 mark in 2008 was one of the goals of 2009, and with the Packers finishing 6-2 at home, they accomplished that goal. Green Bay followed that up with a 7-1 mark at Lambeau Field in 2010, a perfect 8-0 record in 2011, the first undefeated home mark since 2002, and a 7-1 mark in 2012. The Packers were one of two teams to finish undefeated at home during the 2014 regular season (Denver).
- Head Coach **Mike McCarthy** stated consistently upon his arrival in Green Bay that one of the team's goals would be to reclaim the mystique of playing at Lambeau Field. Mission accomplished. The team is 69-26-1 (.724) at home in the regular season since 2006, **No. 4 in the NFL**.
- Since **Ron Wolf** and **Mike Holmgren** began the revitalization of the franchise in 1992, Green Bay owns the best home record in the NFL. A look at the top regular-season home W-L records since the '92 season:

Team	W-L Record	Pct.
1. Green Bay	156-51-1	.752
2. New England	151-57-0	.726
3. Pittsburgh	150-57-1	.724

HOT AT HOME

Since the start of 2009, the Packers have been one of the best teams in the league at home during the regular season:

Team	W-L Record	Pct.
1. New England	63-9-0	.875
2. Green Bay	55-16-1	.771
3. Baltimore	53-19-0	.736
4. Pittsburgh	52-20-0	.722
5. Seattle	51-21-0	.708

IN THE FREE-AGENCY ERA

Talk of unrestricted free agency in the early '90s led many to forecast tough times for the small-town Green Bay Packers.

- However, Green Bay has remained among the most successful teams since the advent of free agency in 1993. The Packers have won 10 or more games 15 times since '93 and captured 10 division crowns.
- A look at the most successful teams in the free-agency era:

Team	W-L Since '93	Pct.	Playoff Berths
1. New England	273-127-0	.683	19
2. Pittsburgh	254-145-1	.636	17
3. Green Bay	252-147-1	.631	19
4. Denver	238-162-0	.595	13

TRAINING CAMP MEDIA INFORMATION & POLICIES

TRAINING-CAMP PRACTICE ACCESS

- Practices are open in their entirety to credentialed media. However, photography (video and still) will be limited to certain periods during training camp.

VIDEO/PHOTO POLICY

- The team reserves the right to limit photography to certain periods for competitive reasons.
- During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. The communications staff will alert the media of the permissible "shooting" periods before and during each practice.
- Video of practice, press conferences or locker-room interviews by an individual or media outlet may not be posted at any time on social-media sites or live-broadcasting applications (this includes applications such as Facebook, Twitter, Vine, Instagram, Snapchat, Ustream, Periscope and Meerkat, etc).
- No still photography is permitted in the locker room at any time. Signs, notes and other personal items or information posted in and around the locker room at player lockers are not to be photographed or captured on video.
- Filming or relaying information on closed-circuit televisions throughout the building, including the locker room, is strictly prohibited.
- Shots that require members of the media to be in a kneeling position with cameras on the ground are not permitted for safety reasons.
- No tripods are allowed during practice.

BLOGGING/TWITTER POLICY

- During training camp, "Twitter/blogging" is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines. Please note that this policy is for training-camp practices only and does change during the regular season.
- NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' communications staff before posting.
- NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
- NO detailed speculation as to the potential nature or severity of an injury until Coach McCarthy has addressed it following practice. Once again, acknowledging that an injury occurred and providing general details (i.e., 'Right leg...' or 'Left wrist...') is permitted, but anything beyond that would be purely speculative and possibly inaccurate.
- The team would like to continue to keep training-camp practices open to those wishing to utilize blogs and/or Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' communications department.

ONLINE-CONTENT POLICY

- According to the 2018 NFL non-game online content policy, accredited organizations may distribute online non-game audio and video content, including interviews, press conferences and team practices at NFL venues, acquired as a result of credentialed access ("Game Information") to games or club/league facilities provided that such distribution: is 90 seconds maximum per day (180 seconds in two-team markets – 90 seconds per team); may not be "archived" (i.e., made available for on-demand public access) for more than 24 hours; appears in an editorial context only (no sponsorship, merchandising or advertising integrated with or around the content); is not posted live; and is accompanied by links back to NFL.com and to the club website.
- The 90-second limit does not include video/audio material that is composed entirely of a credentialed media employee providing commentary or analysis ("talking head" reporting), including pregame or postgame stand-up material shot on the field or other facility location.
- While a game is in progress, any forms of accounts of the game must be sufficiently time-delayed and limited in amount (e.g., score updates with detail given only in quarterly game updates, fewer than 10 photographs during the game) so that the accredited organization's game coverage cannot be used as a substitute for, or otherwise approximate, authorized play-by-play accounts.
- The Packers have their own social-media and online-content policies for practice reporting, which will be communicated by the communications staff for both training camp and the regular season. Members of the media are encouraged to contact the communications staff with any questions.

INJURY-FOOTAGE POLICY

- Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
- Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
- The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
- However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
- If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field and/or locker room.

TRAINING CAMP MEDIA INFORMATION & POLICIES

PRIVATE TEAM COMMUNICATION

- The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
- This includes the post-practice team huddle, in which McCarthy addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
- In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through firsthand hearing), or indirectly (through interviews, even if the subject answers the question).
- If media has any question as to whether communication should be kept private, please contact the communications department before writing or airing such conversations.

PRACTICE CREDENTIAL INFORMATION

- Admittance will not be granted without a credential. No guests will be permitted to use media credentials, which are subject to revocation if used in that manner.
- All preseason practice sessions will be open to members of the media who cover the team on a regular basis, unless otherwise stipulated. All other media (news departments, etc.) must secure a practice-field pass from the communications department and sign the necessary waiver before attending practice. No exceptions can be made.
- All media members, including visiting media, are asked to contact the Packers' communications department to obtain training-camp credentials. Practice-field (season-long photo ID and daily) credentials, required for all practice sessions, are not transferable and will be closely monitored. A liability waiver must be signed before gaining access to Packers' practices.
- Members of the media are asked to email their requests for practice-field credentials to the communications department's Sarah Quick (email: quicks@packers.com) at least 24 hours in advance of the day (or days) on which they wish to cover practice.

CELL PHONES

- The team does not tolerate cell phone distractions at practice. Please set all phones to off or vibrate. Phone conversations are strongly discouraged, but if necessary, should be conducted well away from the field.

MISCELLANEOUS

- Any member of the media who does not have a credential will be asked to obtain one and sign the necessary waiver at the communications office during the regular season and at the practice field during training camp before gaining admittance.
- All items brought to practice (cameras, bags, tripods, equipment, etc.) should be stored against the wall, away from the field, for safety reasons.
- Food is not allowed during practice. Bottled drinks are allowed, as long as they are stored in a personal bag against the wall, and consumed near the wall.
- Any equipment not stored should be held at all times; when avoiding oncoming action, it is important that anything in your possession moves as you move.
- No players or coaches may be actively engaged in conversation or interviewed while practice is in progress.

INJURY INFORMATION

- All injury information will be issued by Head Coach Mike McCarthy. Please do not address injury questions to another coach or staff member.

NITSCHKE FIELD BOUNDARIES

- Media will enter the practice facility along Armed Forces Drive, adjacent to the Hutson Center and toward the northwest corner of Nitschke Field. Media must remain behind the cones on the rubberized track in order to maintain their own safety and the safety of the players.

SEASON CREDENTIALS

- The deadline to apply for 2018 season-long home-game credentials was Friday, June 22.
- Anyone who missed the deadline should submit a request ASAP for consideration to receive credentials on a game-by-game basis. Requests should be made to Sarah Quick, via email (quicks@packers.com).
