## CANUCKS TICKETS

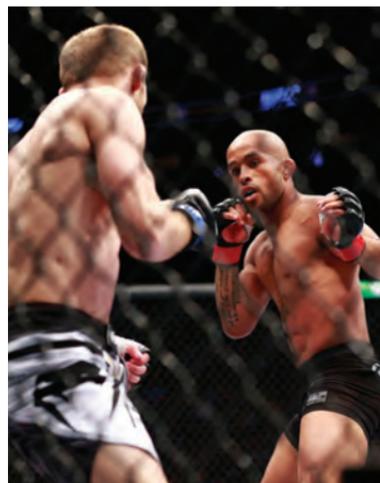

For the first time, the Canucks are introducing dynamic pricing for single game tickets for the 2015.16 season. Fans will now see single game ticket prices rise or fall on a regular basis in real-time based on factors such as opposing team, rivalries, standings, star players, day of the week and supply and demand. Like the travel and entertainment industries, fans who purchase their tickets early are more likely to get the best value and will enjoy greater overall availability of games, pricing and seat locations.

Dynamic pricing is a modern system used by the vast majority of professional sports leagues and teams in North America. It is intended to accurately reflect real-time market value of current single game tickets in the marketplace, giving fans more options to choose from. Single game pricing will be updated and posted in real-time through [ticketmaster.ca/canucks](http://ticketmaster.ca/canucks).

Season Ticket Members continue to receive the best prices compared to buying an equivalent package on a single game basis with member savings throughout the season of approximately 40% on average for full season members.

For full details on Canucks tickets visit [canucks.com/tickets](http://canucks.com/tickets) or call 604.899.GOAL (4625) and press option 2.

## ROGERS ARENA – 20 YEARS OF HOSTING THE WORLD

Owned and operated by Canucks Sports & Entertainment (CS&E), Rogers Arena is home to the Vancouver Canucks of the National Hockey League and is one of the most active and versatile multi-purpose sports and entertainment venues in North America.

Since opening on September 19, 1995 with a sold-out show by Bryan Adams, Rogers Arena has welcomed more than 27 million visitors, playing host to over 150 sporting and entertainment events each year. Over 1.2 million guests came through the doors last year and from 2002 to 2014 an 11-season span, passionate Canucks fans supported a consecutive sellout streak at Rogers Arena of 474 games.

Rogers Arena (formerly known as GM Place) has hosted several world-renowned events in its 20 year history including ice hockey during the 2010 Winter Olympics from February 13-28, when it was rebranded as Canada Hockey Place. Of historical note, Queen Elizabeth II dropped the puck in a ceremonial face-off prior to an NHL exhibition game between San Jose and Vancouver on October 6, 2002. Earlier this year, U2 kicked off their INNOCENCE + eXPERIENCE tour at Rogers Arena, playing to back-to-back capacity crowds in their first indoor arena tour in over a decade.

Rogers Arena was distinguished with the Standing Ovation Award in the Sports & Entertainment category from the BC Rehabilitation Foundation in 2006. The arena is also a founding member of the Green Sports Alliance along with a number of professional sports teams based in the Pacific Northwest. This alliance has since grown to over 230 sports teams from 20 different sports leagues. Former tenants include the Vancouver Grizzlies of the NBA (1995-2001), Vancouver Ravens of the NLL (2001-2004) and Vancouver Voodoo of the RHI (1996).

## AQUILINI CENTRE

Envisioned with a passion for bringing play to Vancouver, the area surrounding Rogers Arena is currently in the midst of an expansion and renovation project entitled Aquilini Centre that upon completion will see the construction of three towers, offering a variety of new and exciting amenities to the area.

The newly-opened Aquilini Centre West, is the first tower at the southwestern end of Rogers Arena. Aquilini Centre West provides new amenities and experiences to Canucks and concert fans, offering expanded concourse space on levels 100 and 300. Level 200 of Aquilini Centre West provides additional washroom facilities for all guests, increasing the washrooms in Rogers Arena by 35%, which has substantially reduced wait times. The remaining office and residential suites of the 26-story building are also now operational.

The tower's fourth floor is currently in the midst of construction of a new cutting edge Sports Bar at Rogers Arena that upon completion, will be the destination of choice for sports enthusiasts and concert-goers in Vancouver. The Sport Bar will be open to the public 365 days a year and will feature an exclusive view into the bowl for Canucks games.

TREVOR LINDEN

## TREVOR LINDEN

### PRESIDENT, HOCKEY OPERATIONS & ALTERNATE GOVERNOR, NHL

**Born:** April 11, 1970  
**Birthplace:** Medicine Hat, AB  
**Residence:** Vancouver, BC  
**Family:** Wife, Cristina

Former Canucks captain Trevor Linden was named President of Hockey Operations & Alternate Governor, NHL, on April 9, 2014 and enters his second season of overseeing all-hockey related decisions for the club. He is one of the most accomplished and celebrated players in team history, with his leadership and community connections rooted in British Columbia for more than two decades.

Linden is responsible for all hockey operations, and works closely with General Manager Jim Benning in all player, coaching and scouting decisions, player procurement and development, and minor league affiliations and operations. He also serves as Alternate Governor, NHL.

Linden retired as a Canuck on the 20th anniversary of his draft day, June 11, 2008. Following his retirement, Linden continued to give back to the community through the Trevor Linden Foundation. He also demonstrated his business savvy through several real estate developments and the launch of two fitness clubs: Club 16 – Trevor Linden Fitness and Orange Theory Fitness.

Linden left the NHL after 19 seasons, having recorded 867 career points (375-492-867) in 1382 regular season games with the Canucks, Montreal Canadiens, New York Islanders and Washington Capitals. Throughout his career, Linden was a proven playoff performer. In 124 playoff games, he recorded 99 points (34-65-99) and 104 penalty minutes. Of his 124 playoff games, 118 came in a Canucks uniform, highlighted by his 25 points (12-13-25) in 24 games during the Canucks 1994 Stanley Cup run.

Linden completed his NHL career among the all-time League leaders in a number of statistical categories. He ranks 38th in games played (1382), is tied for 107th in goals scored (375) and ranks 111th in points (867) scored in NHL history.

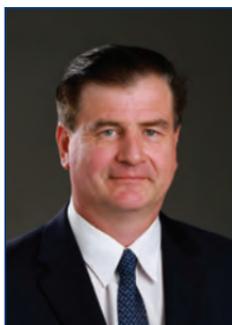

After being drafted second overall by the Canucks in 1988, Linden enjoyed immediate success, finishing runner-up for the 1989 Calder Trophy and being named The Hockey News Rookie-of-the-Year. In his first eight NHL seasons, Linden recorded 30 or more goals six times.

In 1991/92, Linden, just 21-years-old at the time, was named the Canucks captain, becoming the youngest captain in the NHL.

Linden wore the “C” as Canucks captain for seven seasons, the third longest tenure as captain in club history (behind Stan Smyl and Markus Naslund). After spending his first 10 NHL seasons in Vancouver, Linden went on to play parts of five seasons with the Canadiens, Islanders and Capitals before returning for six more years in a Canucks sweater after he was re-acquired in November of 2001.

During his 19 seasons, Linden was a two-time NHL All-Star (1990/91, 1991/92) and represented Team Canada at the 1998 Winter Olympic Games in Nagano, Japan. When he retired, he was the Canucks all-time leader in games played (1140), assists (415) and was second in goals (318) and points (733). His 118 games, 34 goals, 61 assists and 95 points in the playoffs remain club records.

Just as impressive as his on-ice accomplishments are his off-ice contributions. ## ABOUT

The Canucks for Kids Fund dedicates resources to assist charities who support children's health and wellness, foster the development of grassroots hockey, and facilitate and encourage education in British Columbia.

Thanks to the generosity of fans, donors, players, employees and sponsor partners, the Canucks for Kids Fund (CFKF) has granted more than \$50 million to charities in British Columbia over the last 30 years.

The core beneficiaries – Canucks Autism Network (CAN), Canuck Place Children's Hospice and BC Children's Hospital Foundation – are providing vital resources and life-saving care to families all across this province.

In a few short years, CAN has become a leading organization that enhances the quality of life for families living with autism. Their mission is to provide year round, innovative and high quality sports, recreational, social and vocational programs for individuals and families living with autism. Additionally, CAN strives to build awareness and capacity through community networks across British Columbia.

Canuck Place Children's Hospice and the Canucks for Kids Fund have shared a significant bond over the history of the two organizations. Since opening its doors in 1995, the Canucks for Kids Fund has granted Canuck Place more than \$27 million. Canuck Place offers focused pediatric care for children with life-limiting conditions, as well as facilitated support for their families.

The relationship with BC Children's Hospital goes back to the formative years of the Canucks for Kids Fund. BC Children's Hospital treats the province's sickest and most seriously injured children, combining to help more than 72,000 patients a year. As BC's major treatment, teaching and research facility for child health, the importance of the hospital can be felt province-wide.

## VANCOUVER CANUCKS ALUMNI

### ABOUT

Despite the fact that the Vancouver Canucks didn't enter the NHL until 1970, the Vancouver Canucks Alumni group was conceived in 1952 by the Canucks of the Western Hockey League. The Alumni began with Hall of Famers Babe Pratt and Cyclone Taylor, who organized a benefit game for a local amateur player whose wife had become seriously ill. This eventually grew into the BC Hockey Benevolent Association (BCHBA), and more recently re-named the Vancouver Canucks Alumni Association—a registered non-profit society—designed to assist former players and their families who had fallen on hard times. Since that time, the Vancouver Canucks Alumni has expanded in membership and reach. Over the last five decades, the group has helped raise millions of dollars for charities throughout British Columbia through various events on and off the ice.

### WHO ARE THE CANUCKS ALUMNI?

One of the largest and most active alumni groups in the National Hockey League Alumni Association, the Vancouver Canucks Alumni consists of

over 100 members living primarily in the Lower Mainland. The group is unique, in that not just former Vancouver Canucks players are members. The Canucks Alumni are proud to include former NHL players that never donned a Canucks jersey during their playing careers, such as Bill Ranford, Mark Lofthouse and Gary Nylund as well as those who have made a lasting difference in the success of the Vancouver Canucks franchise like Norm Jewison and the Hall of Fame broadcaster, Jim Robson.

Each year the Canucks Alumni travel throughout British Columbia to participate in charitable games and events. Along the way, they've delivered more than their fair share of pies-in-the-face, buckets of water thrown into the opposition benches, assorted mid-game goaltender exchanges and referee bribes as part of their on-ice antics. And they've also played some serious hockey. In exchange for their performances, the BCHBA receives expense money for travel or accommodation (if applicable) plus a modest stipend which goes directly into the scholarship maintenance program. All funds raised as the result of a Canuck Alumni event are left in the community to benefit minor hockey or other local causes.

### CANUCK ALUMNI PARTNERSHIPS:

Over the six decades, the Canucks Alumni have forged ongoing partnerships with a number of community-based, charitable organizations and foundations such as The Boys & Girls Clubs of Metro Vancouver/South Coast BC, BC Cancer Society's "Camp Goodtimes," ALS Canada, Royal Columbian Hospital Foundation, Road Hockey Conquers Cancer, Hockey Helps the Homeless and The Canucks For Kids Fund including its core beneficiaries, Canucks Autism Network, Canuck Place Children's Hospice and BC Children's Hospital Foundation.

Donations to help support these local organizations and campaigns comes not only from the Alumni's fundraising appearances on the ice throughout the province, but from annual, Alumni-sponsored or participant events such as The Canuck Alumni Charity Golf Tournament, The Cyclone Taylor Golf Classic and The Jake Milford Invitational Golf Tournament, among others.

# VANCOUVER CANUCKS ALUMNI ASSOCIATION

## VANCOUVER CANUCKS ALUMNI ASSOCIATION SCHOLARSHIPS:

The Vancouver Canuck Alumni offer a number of scholarships each season to deserving students and minor hockey players in recognition of their academic achievement and commitment to school and community service. Together, Canuck Alumni Scholarship programs and initiatives have distributed more than \$500,000 to deserving students across Canada, enabling them to continue their studies while pursuing their interests in hockey or other athletic-related fields.

### BCHL Scholarship Program

The first such scholarship program, started in the 1980's by the Canucks Alumni and guided through its first decades by the NHL Canucks' original captain, Orland Kurtenbach, has grown from providing four, annual, \$3,000 scholarships, to now enabling as many as nine young hockey players from the BC Hockey League to attend post-secondary institutions each year. The Scholarship Program, operated in partnership with the BCHL, is now chaired by former Canucks player—now NHL scout—Gerry O'Flaherty. To date, this program has awarded almost \$380,000 in scholarships to more than 48 BCHL graduates.

### Larry Ashley Scholarship

The Canucks Alumni initiated the Larry Ashley Scholarship over 10 years ago. Ashley was a longtime athletic trainer of the NHL Canucks and passed away from cancer in 1995. Widely recognized as a leader in his field, Ashley's name now lives on via the Larry Ashley Scholarship Program. Last year the Vancouver Canucks Alumni and the Canadian Athletics Therapist Association (CATA) joined forces to provide scholarship funds of \$2,500 per year to academically qualified students pursuing post-secondary studies in the fields of sports medicine and/or athletic training.

Other scholarships offered through the Canucks Alumni include: Stan Smyl Scholarship, Orland Kurtenbach Scholarship, Pat Quinn Scholarship, Dennis Kearns Scholarship, Vancouver Canuck Alumni Association Scholarship, and Vancouver Canucks Community Service Bursary. More recently, the Canucks Alumni, in partnership with Crisis and Suicide Prevention Centre of British Columbia, have established the Rick Blight Scholarship Program.

## VANCOUVER CANUCKS ALUMNI ASSOCIATION PRESIDENT

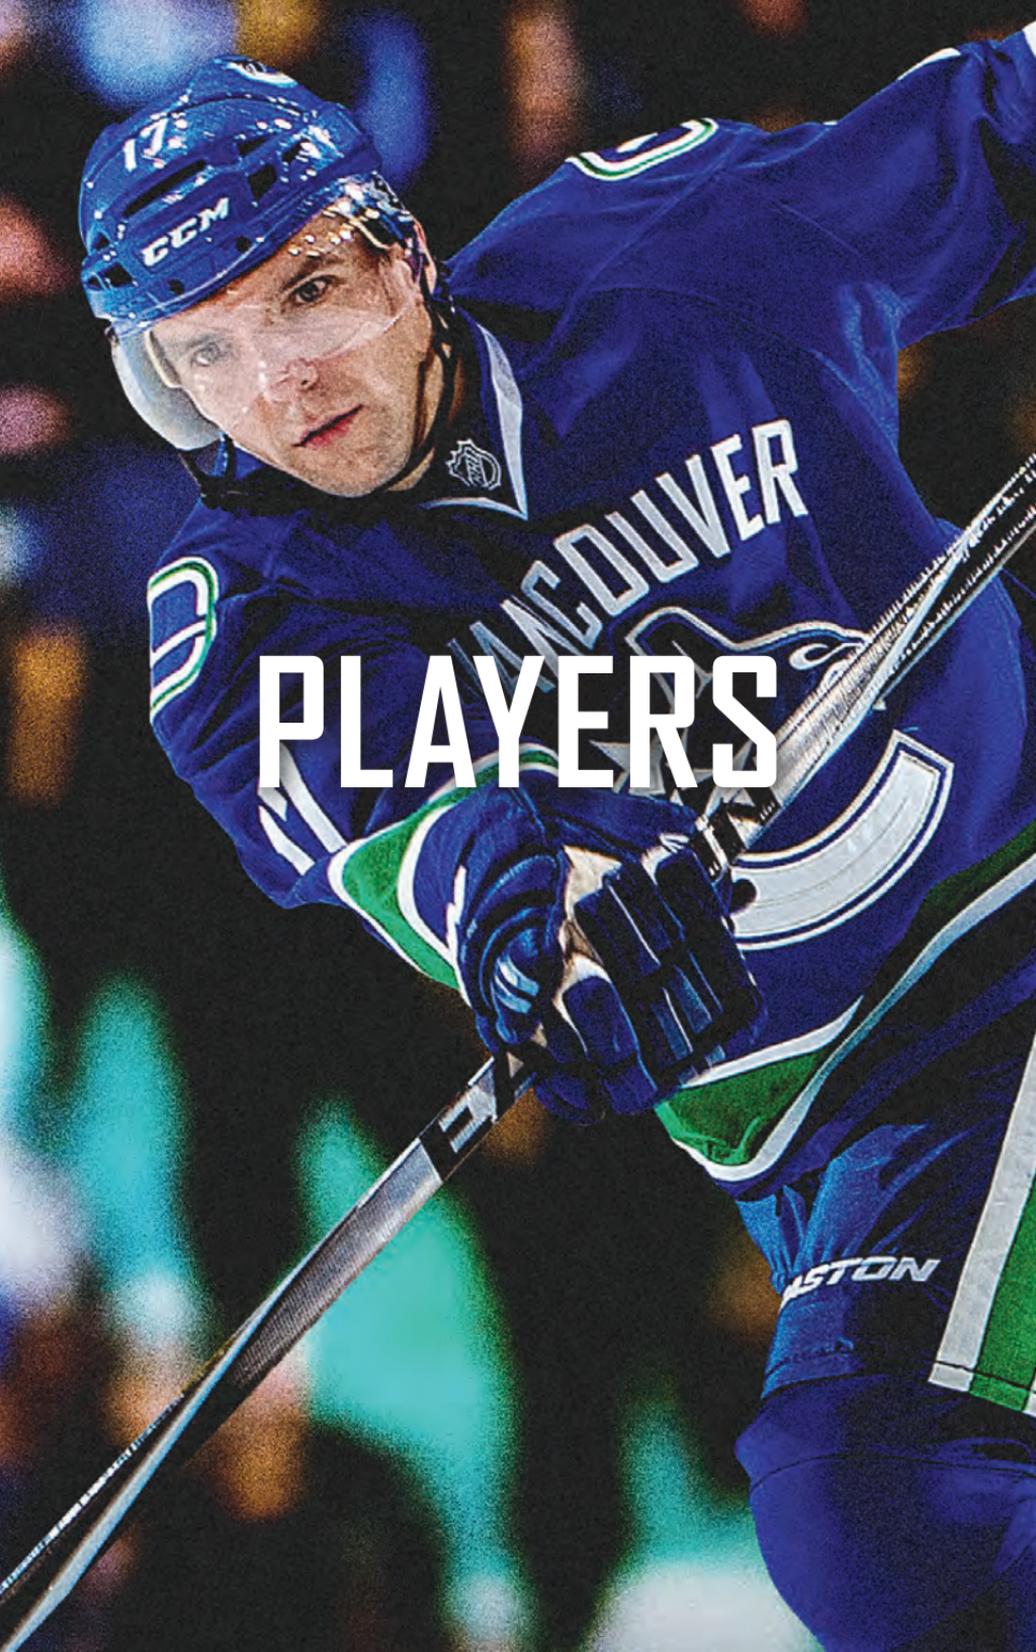

Gerry "Driller" Sillers was born and raised in Saskatoon where he played junior for the Blades with his longtime buddy Bobby Schmutz. He moved west to attend Simon Fraser University and turned pro with the Western League Canucks in 1968. He played four seasons with their AHL affiliate, the Rochester Americans, a team for which Don Cherry both played and coached. He also played briefly with Portland of the WHL. Following his playing career, he became an enthusiastic member of the Canucks Alumni organization and in 1989, became its President. Sillers will also be honoured with the 2015 "Keith McCreary 7th Man Award" by the NHLA for being someone in the hockey family who has made incredible contributions to the game, but has not played in the NHL.

### HEAD COACH

**Born:** December 20, 1970

**Birthplace:** Castlegar, BC

**Residence:** Utica, NY

**Family:** Wife, Sheree; Sons, Blake and Brody; Daughter, Jordyn

Travis Green was named the first Head Coach in Utica Comets history on July 11, 2013 and enters his third season in this capacity. In his second season behind an AHL bench in 2014-15, Green led the team to a 47-20-7-2 record en route to its first North Division championship in franchise history. The Comets finished the regular season with the second highest win (47) and point (103) totals in the AHL. Green went on to lead Utica all the way to the 2015 Calder Cup Final, where they fell four games to one to the Manchester Monarchs.

Prior to joining the Comets, Green spent his entire coaching career in the Western Hockey League (WHL). The 44-year old took over as Head Coach of the Portland Winterhawks, during the 2012-13 season, following the suspension of Head Coach and General Manager, Mike Johnston. Under Green's tutelage the Winterhawks compiled a 37-8-0-2 record, on the way to the WHL Championship Title. The Green-led Winterhawks went on to lose to the Halifax Mooseheads in the Memorial Cup Finals.

Prior to coaching, Green played 14 years in the National Hockey League, as a member of the New York Islanders, Mighty Ducks of Anaheim, Phoenix Coyotes, Toronto Maple Leafs, and Boston Bruins. During his time in the NHL he compiled 193 goals, and 455 total points. His team made the playoffs in seven of the 14 seasons. In the 1989 NHL Entry Draft, the Islanders selected Green in the second round (23rd overall).

Green's best season came during the 1995-96 season with the New York Islanders. That season he notched career-highs in goals scored (25), assists (45), total points (70), and power play goals (14).

He made his National Hockey League debut as a member of the Minnesota North Stars in 1988, and played in five games for Minnesota that season. Jerrard played parts of six seasons with the Kalamazoo Wings of the International Hockey League, and was a member of the 1997 Calder Cup winning Hershey Bears of the AHL.

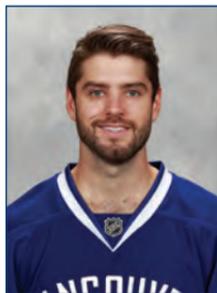

Jerrard is also C.S.C.S. certified.

## 2015.16 RULE CHANGES

### 3-ON-3 OVERTIME, COACH'S CHALLENGE INTRODUCED

#### 3-on-3 Overtime

1. Teams play an additional overtime period of not more than five (5) minutes with the team scoring first declared the winner and being awarded an additional point.
2. The overtime period will be played with each team at 3-on-3 manpower (plus goaltender) for the full five-minute period.
3. Manpowers during overtime will be adjusted to reflect the situation in the game, but at no time will a team have fewer than three (3) skaters on the ice during the overtime period. For example, if a team enters the overtime period on a power play, manpower would be adjusted from 5 on 4 at the end of regulation to 4 on 3 at the start of overtime. If a minor penalty is assessed during overtime, the teams will play 4 on 3. If a second minor penalty is assessed to the same team during overtime, the teams will play 5 on 3.
4. If the game remains tied at the end of the five (5) minute overtime period, the teams will proceed to a three-round shootout. After each team has taken three shots, if the score remains tied, the shootout will proceed to a "sudden death" format.
5. Clubs who pull their goaltender for an extra attacker during the overtime period (other than on a delayed penalty) will be subject to the potential forfeiture of their one (1) point earned for the tie at the end of regulation in the event the opposing team scores into the empty net.
6. At the end of regulation, the entire ice surface will be shoveled and the goalies will change ends. There will be no further ice surface maintenance during the balance of overtime period. Following the overtime period and before the shootout, the ice surface will be shoveled again, and the goalies will change ends.

#### Expanded Video Review

This expanded video review is intended to be extremely narrow in scope and the original call on the ice is to be overturned if, and only if, a determination is made by the on-ice Official(s) (in consultation with the Toronto Video Room) that the original call on the ice was not correct. If a review is not conclusive and/or there is any doubt whatsoever as to whether the call on the ice was correct, the on-ice Official(s) will be instructed to confirm their original call.

Commissioner ..... Gary B. Bettman

Senior Executive Vice President  
of Hockey Operations ..... Colin Campbell

#### Coach's Challenge

1. A team may only request a Coach's Challenge to review the following scenarios:
  - a) "Off-Side" Play Leading to a Goal. A play that results in a "GOAL" call on the ice where the defending team asserts that the play should have been stopped by reason of an "Off-Side" infraction by the attacking team.
  - b) Scoring Plays Involving Potential "Interference on the Goaltender"
    - (i) A play that results in a "GOAL" call on the ice where the defending team asserts that the goal should have been disallowed due to "Interference on the Goaltender," as described in Rules 691, 693 and 694; or
    - (ii) A play that results in a "NO GOAL" call on the ice despite the puck having entered the net, where the on-ice Officials have determined that the attacking team was guilty of "Interference on the Goaltender" but where the attacking team asserts: (i) there was no actual contact of any kind initiated by an attacking Player with the goalkeeper; or (ii) the attacking Player was pushed, shoved, or fouled by a defending Player causing the attacking Player to come into contact with the goalkeeper; or (iii) the attacking Player's positioning within the goal crease did not impair the goalkeeper's ability to defend his goal and, in fact, had no discernible impact on the play.
2. A team may only request a Coach's Challenge if they have their time-out available and the Coach's Challenge must be effectively initiated prior to the resumption of play.
3. If the Coach's Challenge **does not** result in the original call on the ice being overturned, the team exercising such challenge will forfeit its time-out.
4. If the Coach's Challenge **does** result in the call on the ice being overturned, the team successfully exercising such challenge will retain its time-out.

## League Initiated Review

1. In the final minute of play in the 3rd Period and at any point in Overtime (Regular Season and Playoffs), Hockey Operations will initiate the review of any scenario that would otherwise be subject to a Coach's Challenge.
2. Hockey Operations will continue to initiate and be responsible for the review of all goals subject to Video Review under Rule 38.4. Where a Coach's Challenge is available on a scoring play potentially involving "Interference on the Goalkeeper" or "Off-Side," Hockey Operations will, as an initial and threshold matter, determine that the puck entered the net and is a good hockey goal before the play will be subject to further review by means of a Coach's Challenge (or, in the final minute of play or in Overtime, a review initiated by Hockey Operations). If a team requests a Coach's Challenge but Video Review under Rule 38.4 renders such Challenge unnecessary, then the Challenge will be deemed not to have been made and the timeout will be preserved.

## Additional Notes Regarding Scenarios Subject to Expanded Video Review

1. The League will make available in all arenas, technology (either a handheld tablet or a television or computer monitor) that will allow on-ice Officials, in conjunction with the Toronto Video Room, to view replays if, and only to the extent, a formal Coach's Challenge has been initiated (or, in the final minute of play or in Overtime, a review by Hockey Operations is initiated). To the extent practical, the replays made available to the Officials on the ice will be the same replays that are being utilized by the Toronto Video Room.
2. Once a Challenge has been initiated (or, in the final minute of play or in Overtime, a review is initiated by Hockey Operations), the Toronto Video Room will immediately establish contact with the Referee (or Linesman) responsible for the call on the ice via the headset and will inquire and discuss with the Referee (or Linesman), prior to the Referee (or Linesman) examining any video, the following: (a) the Referee's (or Linesman's) "final" call on the ice; and (b) what the Referee (or Linesman) observed on the play.
3. The on-ice call will then be reviewed simultaneously by the appropriate on-ice Officials at ice level and by Hockey Operations in the Toronto Video Room using any and all replays at their disposal. After reviewing the play and consulting with the Toronto Video Room, the appropriate on-ice Officials will then make the "final" decision on whether to uphold or overturn the original call on the ice. Once the decision is made, the Referee will inform the Penalty Timekeeper/PA Announcer and will make the announcement on the ice.

## Plays Potentially Involving An "Off-Side" Infraction

1. The standard for overturning the call in the event of a "GOAL" call on the ice is that the Linesman, after reviewing any and all available replays and consulting with the Toronto Video Room, determines that one or more Players on the attacking team preceded the puck into the attacking zone prior to the goal being scored and that, as a result, the play should have been stopped for an "Off-Side" infraction; where this standard is met, the goal will be disallowed.
2. Goals will only be reviewed for a potential "Off-Side" infraction if: (a) the puck does not come out of the attacking zone again; or (b) all members of the attacking team do not clear the attacking zone again, between the time of the "Off-Side" play and the time the goal is scored.

3. In the event a goal is reversed due to the Linesman determining that the play was "Off-Side" prior to the goal being scored, the clock (including penalty time clocks, if applicable) will be re-set to the time at which the play should have been stopped for the "Off-Side" infraction.

## Plays Potentially Involving "Interference on the Goalkeeper"

1. The standard for overturning the call in the event of a "GOAL" call on the ice is that the Referee, after reviewing any and all available replays and consulting with the Toronto Video Room, determines that the goal should have been disallowed due to "Interference on the Goalkeeper," as described in Rules 69.1, 69.3 and 69.4.
2. The standard for overturning the call in the event of a "NO GOAL" call on the ice is that the Referee, after reviewing any and all replays and consulting with the Toronto Video Room, determines that the goal on the ice should have been allowed because either: (i) there was no actual contact of any kind initiated by the attacking Player with the goalkeeper; or (ii) the attacking Player was pushed, shoved or fouled by a defending Player causing the attacking Player to come into contact with the goalkeeper; or (iii) the attacking Player's positioning within the crease did not impair the goalkeeper's ability to defend his goal and, in fact, had no discernible impact on the play.
3. The Video Review process on these plays (whether initiated by way of a Coach's Challenge or by Hockey Operations in the final minute of play or in Overtime) will be utilized exclusively for purposes of confirming or overturning a "GOAL" or "NO GOAL" call on the ice on scoring plays potentially involving "Interference on the Goalkeeper." The Video Review process on these plays – regardless of its outcome – will not be utilized for any other purpose, including, specifically, for assessing minor or major penalties for Goalkeeper Interference.

## Rule 76.4, Face-Offs – Paragraph 2

When the face-off takes place at any of the nine face-off spots, the players taking part shall take their position so that they will stand squarely facing their opponent's end of the rink, and clear of the ice markings (where applicable). The sticks of both players facing-off shall have the blade on the ice, within the designated white area. At the eight face-off spots (excluding center ice face-off spot), the defending player shall place his stick within the designated white area first followed immediately by the attacking player. When the face-off is conducted at the center ice face-off spot, the visiting player shall place his stick on the ice first.

A player receives credit for playing in a game if: i) he steps on the ice during time played or ii) serves any penalty.

## GAME-WINNING GOAL

After the final score has been determined, the goal which leaves the winning club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

## GOAL

A goal is awarded to the last player on the scoring club to touch the puck prior to the puck entering the net.

## GOALS AGAINST AVERAGE

Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

## GOALTENDER

A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

## PENALTY KILLING PERCENTAGE

Subtract the total number of power play goals allowed from total number of short-handed situations to get total number of power plays killed. Divide the total number of power plays killed by the total number of short-handed situations.

## PLUS/MINUS

A player receives a "plus" if he is on the ice when his club scores an even-strength or short-handed goal. He receives a "minus" if he is on the ice for an even-strength or short-handed goal scored by the opposing Club. The difference in these numbers is considered the player's plus/minus statistic.

## POWER PLAY GOAL

A goal scored by a club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power play goal:

- if a club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power play goal.
- if a club scores on a delayed penalty, the goal is not a power play goal.
- if a club has an advantage due to a five-minute major or match penalty, that club is always credited with having one more advantage than the number of power play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a club is on a power play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a club on a power play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

## POWER PLAY PERCENTAGE

Total number of power play goals divided by total number of power play opportunities.

## SAVE PERCENTAGE

Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots against.

## SHOOTING PERCENTAGE

Divide the number of goals scored by the number of shots taken.

## SHORT-HANDED GOAL

A goal scored by a club while it is at a manpower disadvantage. The same cases apply for short-handed as for power play goals, but in the opposite manner.

## SHOT ON GOAL

If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

## SHUTOUT

If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a club shutout.

## TENTHS OF A SECOND

If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

## WINNING PERCENTAGE

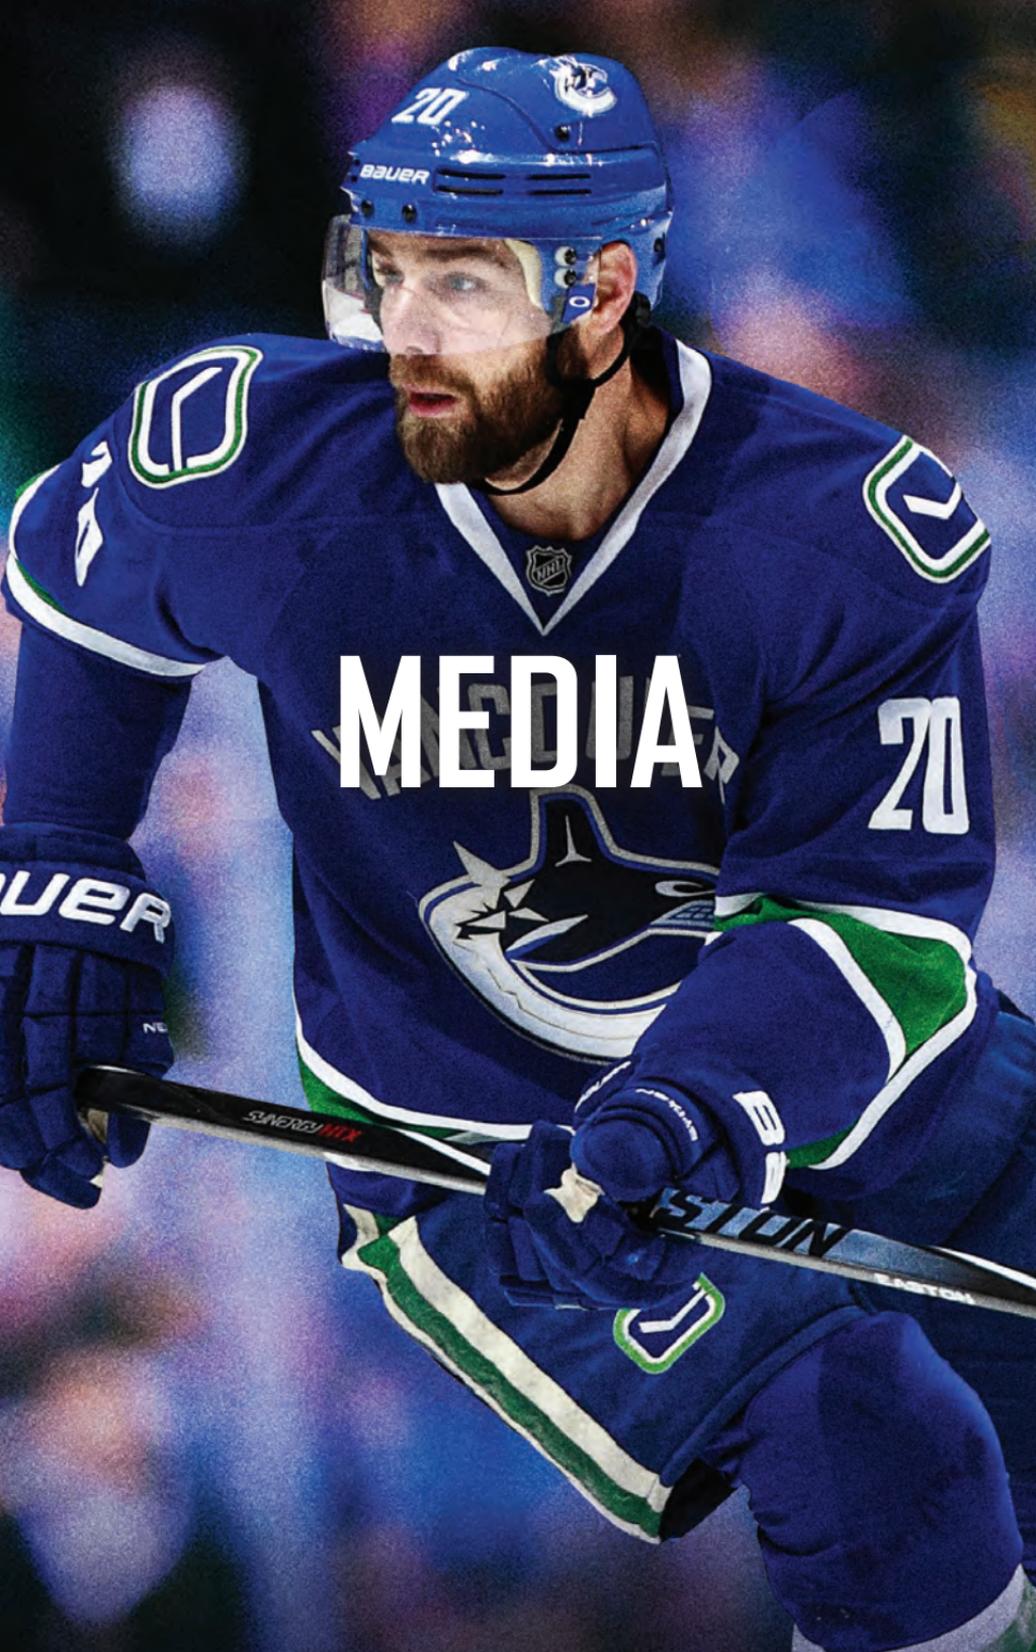

Multiply the total number of games played by two to find the total amount of possible points available then divide by total amount of points obtained.

## COACH'S RECORD

A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

\*\* NOTE: No individual skater/goaltender statistics apply for the shootout

# 2015.16 MEDIA GUIDELINES

## CANUCKS SPORTS & ENTERTAINMENT MEDIA POLICY STATEMENT

Canucks Sports & Entertainment (CSE) endeavours to provide members of the media with appropriate access and proper resources for the effective performance of their services and to cultivate an environment of mutual cooperation and respect. CSE expects all members of the media to act with honesty and integrity, to engage in factual and accurate reporting and to comply at all times with the policies and procedures set out in these guidelines or otherwise communicated by Canucks media relations staff. Members of the media should be aware that they will be held to the same standards of conduct whether providing services for an accredited organization or acting individually or on behalf of unaccredited organizations and whether performing services for traditional media outlets or emerging media outlets and social networks. CSE RESERVES THE RIGHT TO ENFORCE THESE MEDIA GUIDELINES BY REVOKING CREDENTIALS OR OTHERWISE RESTRICTING AND/OR DENYING ACCESS BY ANY PERSON TO ROGERS ARENA (OR BY LIMITING ACCESS TO CERTAIN AREAS OF THE ARENA) EITHER TEMPORARILY OR PERMANENTLY.

## GENERAL RULES & POLICIES

- Cell phones cannot be used for any purpose in the Canucks dressing and workout rooms at any time (NHL media regulation). PDA's or other mobile devices equipped with cell phone capabilities may be used for email / messaging only.
- Stock and general still and video images are not permitted to be taken in the dressing and workout rooms, i.e., you cannot stand at the entrance and pan the room, or take stock and general images of players or the room.
- Reporters or photographers using an audio recorder, still camera or mini-cam for audio or video recording purposes must inform the person being interviewed (as well as Canucks media relations staff), prior to making any recording, if that recording will or may be posted on the internet.

## ACCREDITATION

**Season passes:** Issued to print, radio and television media members who cover the Vancouver Canucks on a regular basis as part of their work requirements.

**Single Game Passes:** Media members from accredited radio, print or television outlets requesting a single-game media pass must make a request at least 48 hours prior to the game. Requests should be submitted online at [canucks.com/mediarelations](http://canucks.com/mediarelations). Contact Alfred De Vera ([alfred.devera@canucks.com](mailto:alfred.devera@canucks.com)) for access information.

Members of the media are reminded that press box seating is reserved for working members of media covering a particular game or series of games. Media passes must be displayed at all times. In all cases, passes are non-transferable and any unauthorized use will subject the bearer to ejection from Rogers Arena and forfeiture of the credential. Please see back of game pass for team and League policies.

The Vancouver Canucks are unable to provide access to new and emerging media except in special circumstances or on a case-by-case basis due to space constraints and demand in our press box and locker room areas.

## INTERVIEWS

In accordance with NHL policy, game-day interviews are permitted within five minutes following the morning skate

and within five minutes following the conclusion of a game. Canucks Head Coach Willie Desjardins will conduct game-day interviews in the media workroom located across the hall from the dressing rooms.

## PHOTOGRAPHERS

Photographers on assignment from accredited newspapers, magazines and wire services may apply for single game photo passes by submitting the request online at [canucks.com/mediarelations](http://canucks.com/mediarelations) at least 48 hours prior to the game they desire to shoot. Beat photographers will receive season passes and will shoot from their assigned seats. Assignment photographers will be designated a seat through Alfred De Vera.

CSE does not allow photographers in the team dressing or workout rooms on the road, or at home, without prior authorization. Photographers must request access to the Canucks dressing and workout rooms for a specific assignment. The granting of access will be at CSE's sole discretion and typically will only be granted for direct and specifically requested player interviews or 'events' such as a photo of a new goaltender mask, milestone goal, etc.

**Strobe Rentals:** Those photographers wishing to set up strobe lighting must first contact Leah Browne for the necessary authorization, at 604.899.4839. Strobes are often booked quickly and photographers are encouraged to make requests as early as possible.

In 1998, the Kerrisdale native realized a lifelong dream when he was named only the third full-time play-caller in Canucks history.

"Shorty and Tom" would team together for 12 years, before current partnerships were formed with John Garrett, Dave Tomlinson and Dan Murphy. John is thrilled to be back working with those three, as well as talented friends Mike Whittingham, Greg Shannon, Irfaan Gaffar, Blake Price and Jeff Paterson.

A graduate of the British Columbia Institute of Technology, John spent eight years at Global Sports Page before taking on his current job.
