OWNERSHIP & EXECUTIVES

JEREMY M. JACOBS

OWNER, BOSTON BRUINS | CHAIRMAN, NHL BOARD OF GOVERNORS

eremy M. Jacobs is the owner of the Boston Bruins and Chairman of Delaware North, one of the world's leading hospitality and food service companies.

Mr. Jacobs is in his 45th year of ownership of the Boston Bruins and is one of the most respected sports business leaders in the world. The team was honored by the Sports Business Journal in 2012 with their prestigious Sports Team of the Year award.

What he termed his "greatest accomplishment" came when he went on the ice in Vancouver on June 15, 2011 to join in the celebrations as his Bruins won the Stanley Cup and fulfilled his dream of bringing an NHL championship to the city of Boston.

Mr. Jacobs has held numerous leadership roles in the NHL and in 2007 his peers unanimously elected him to be Chairman of the NHL Board of Governors, a role that he holds today.

For his contributions to hockey, he received the sport's ultimate honor in November, 2017, as he was inducted into the Hockey Hall of Fame as the sixth member of the Bruins to enter in the Builder's category.

That was just the latest in a list of honors that show the esteem in which he is held in the wider world of sports. Mr. Jacobs was inducted into the Greater Buffalo Sports Hall of Fame in 2006, awarded the Hockey Legacy Award from the Sports Museum in Boston in 2012, inducted into the Arkansas Sports Hall of Fame in 2013, awarded the prestigious Lester Patrick Trophy from USA Hockey in 2015, named to the Sports Business Journal Champions: Pioneers in Sports Innovation & Business class of 2016, and was inducted into the 2016 class of the Massachusetts Hockey Hall of Fame.

He has been at the helm of Delaware North for more than forty years, leading it to its ranking as one of the largest and most admired privately held companies in North America with \$3 billion in revenue and 60,000 associates serving half a billion customers on four continents.

Delaware North's operating subsidiaries include industry leaders in food and retail operations at airports and sports venues, ownership of the TD Garden, operations of parks and major tourist attractions, hotel ownership and management, gaming operations, and premium dining and catering services at some of the world's most iconic tourist destinations.

In 2015, Delaware North commissioned "The Future of Sports", an interactive publication comprised of input from leading futurists, tech professionals and sports industry experts to project the next twenty-five years of the sports industry. The provocative report has gained widespread media attention, and has been studied by other professional and amateur sports teams.

Mr. Jacobs is extensively involved in numerous charitable efforts. In 2003 the Jacobs family founded the Boston Bruins Foundation, a non-profit organization that assists charitable organizations that demonstrate a commitment to enhancing the quality of life for children throughout New England. Since its inception, the Foundation has raised over \$28 million dollars.

Mr. Jacobs is a passionate philanthropist of public higher education and has served in numerous volunteer positions with the State University of New York at Buffalo. His family has made \$50 million in donations to the institution and, in recognition of their continued support, the university named their medical school the Jacobs School of Medicine & Biomedical Sciences.

An alumnus of the University of Buffalo's School of Management and the Harvard School of Business Advanced Management Program, he holds honorary doctorates from the University at Buffalo, Canisius College, Johnson and Wales University and Niagara University.

CHARLIE JACOBS

CHIEF EXECUTIVE OFFICER AND ALTERNATE GOVERNOR

Charlie Jacobs serves as Chief Executive Officer of Delaware North's Boston Holdings. Jacobs, who is entering his 19th season in Boston, also serves the Bruins as Alternate Governor on the NHL's Board of Governors, a position he has held since 2000.

A member of the senior leadership team for all of Delaware North's global operations, he guides the strategic efforts for the family and company holdings in Boston, which includes the Boston Bruins, TD Garden, various strategic real estate

interests and the company's ownership share in New England Sports Network.

A major project currently underway for Jacobs and Delaware North in Boston is the Hub on Causeway, a transformational project that sits directly on the site of the former Boston Garden. The Hub on Causeway includes 1.5 million square feet of mixed-use retail, office, hotel and residential space. The project connects directly to TD Garden through a new 10,000 square foot grand entrance and it sits atop North Station, a busy transit hub that moves 50,000 commuters through the city every day.

Coinciding with the Hub on Causeway is a massive expansion of TD Garden, which fans will begin to experience throughout the 2019-20 season. The \$100 million private investment by the Jacobs family will provide a combined 50,000 square feet of additional space on all levels of the building. The legendary transformation of the 24-year-old arena includes new premium spaces, upgraded concession offerings and a wide variety of fan amenities that will vastly improve the event goer experience.

Outside of TD Garden, Jacobs and Delaware North continue to expand the

company's commitments in and around the city of Boston. Over the past three years, in conjunction with Boston Mayor Martin Walsh and the city, Delaware North has operated Boston Seasons at City Hall Plaza, which has revitalized the existing plaza through various programming and events.

Outside of City Hall Plaza, Delaware North's Travel subsidiary operates a mix of twelve new restaurant and retail offerings at Boston Logan Airport. Most recently, Delaware North's Patina Restaurant Group began operating the restaurant and special events division at the world-renowned New England Aquarium in downtown Boston.

It was under Jacobs' leadership that the Boston Bruins current management group has been assembled and it was a tribute to his stewardship when the Bruins were named the Sport Business Journal's 2012 Sports Team of the Year based on the criteria of "excellence, growth, creativity, innovation, sound planning, implementation and outcomes."

Jacobs serves as the Founder and Chairman of the Boston Bruins Foundation, whose mission is to assist charitable organizations that demonstrate a commitment to enhancing the quality of life for children and their families throughout New England. Since its inception in 2003, the Boston Bruins Foundation has contributed more than \$35 million to New England charitable organizations.

CAM NEELY

PRESIDENT AND ALTERNATE GOVERNOR

Cam Neely is in his tenth season as President of the Bruins, as on June 16, 2010 he became just the eighth man to hold that position in the history of the franchise.

He oversees all of the club's hockey and business operations and his goal from the start has been that the Bruins be at the forefront of setting industry standards in all areas of operation.

A prime example of that mandate came with the club's July, 2014 announcement of a letter of intent for a long-term lease in a new hockey rink in

the Boston Landing development in Boston's Allston-Brighton neighborhood. The Bruins opened their 2016 training camp in the Warrior Ice Arena, a state-of-the-art facility which includes approximately 25,000 square feet of dedicated locker room, training and office space and is now their primary year-round practice and training arena.

Neely assumed his current position in his fourth season in the team's front office, as he returned to the organization in September, 2007 as a Vice President. He also serves as an Alternate Governor of the club. It was under his leadership that the Bruins were honored as the *Sports Business Journal*'s 2012 Sports Team of the Year based on the criteria of "excellence, growth, creativity, innovation, sound planning, implementation and outcomes".

No player ever wore a Bruins sweater with more pride than Neely and no one was prouder than he while watching the 2010-11 Bruins squad develop the belief in themselves and each other en route to the Stanley Cup championship. The competitive instinct that fueled him as a player has not left him as an executive and his goal for the organization remains to return the Cup to Boston.

A 1983 first round draft pick of the Vancouver Canucks, Neely came to Boston on his 21st birthday in a June, 1986 trade. His potent blend of offensive talent and a punishing physical presence quickly endeared him to Bruins fans and he became one of the most revered players in team history. He earned four NHL Second-Team All-Star berths in Boston, led the team in goals for seven seasons and in points twice and he still ranks fifth overall on the club's all-time goal list and tenth overall on the team's all-time scoring list. He is the club's all-time leader in playoff goals and ranks seventh overall in team history with 87 career playoff points.

He became just the fifth Bruin in team history to record a 50-goal season when he set a club record for goals by a right wing with 55 in 1989-90 and he was just the second player in team history to record consecutive 50-goal campaigns when he followed that with 51 tallies in 1990-91. His 50 goals in only 44 games in 1993-94 tied as the second-fastest such feat in NHL history and was all the more remarkable because he had missed most of the previous season with thigh and knee injuries. The 1993-94 winner of the Bill Masterton Trophy was forced into retirement by those injuries in September, 1996.

The Bruins retired his number 8 on January 12, 2004, and he was elected into the Hockey Hall of Fame in 2005. He was honored with the league's Lester Patrick Award in 2010 for his "outstanding service to hockey in the United States". He currently serves on the Board of Directors of the Hockey Hall of Fame.

His impact on the city of Boston was not confined to the ice, as he has long been actively involved in many charitable efforts. Along with his brother and sisters, he established the Cam Neely Foundation for Cancer Care in 1995 in memory of his parents, Mike and Marlene. In addition to the Neely House, which provides housing and support for families of patients undergoing cancer treatments, the Foundation supports the Neely Cancer Fund, whose initiatives include the Neely Center for Clinical Cancer Research, the Neely Cell Therapy and Collection Center and the Neely Pediatric Bone Marrow Transplant Unit in its mission to fund treatment and research efforts.

Neely and his wife Paulina have two children.

HARRY SINDEN

SENIOR ADVISOR TO THE OWNER AND ALTERNATE GOVERNOR

arry Sinden has been an integral part of the Bruins organization for over 50 years. He moved into his current role as Senior Advisor to club owner Jeremy Jacobs on August 9, 2006 after 17 seasons as the team President and he is also an Alternate Governor for the team on the NHL's Board of Governors.

Sinden began in the organization in the early 1960s as a player-coach at the minor league level before progressing as a head coach in Boston, as the team's General Manager for 28

seasons and then as President. As a coach and General Manager, he has been part of a Bruins Stanley Cup championship, six Conference titles and ten Division championships, and his Boston teams combined for 29 winning seasons. With a 7-4 Boston win at St. Louis on October 17, 1995, he became the first general manager in the history of the NHL to record 1,000 victories and his all-time record as a GM stands at 1170-763-301 for a .591 winning percentage.

Sinden has been a key member of many league committees which bring policy and rule recommendations to the NHL's Board of Governors. The esteem in which he is held in the hockey world was evidenced by his 1983 induction into the Hockey Hall of Fame, as he became the 23rd Bruin enshrined and only the fourth to enter in the Builder's category. In 1997, he was selected as one of the 30 inaugural inductees into the International Ice Hockey Federation Hall of Fame. In 1999, he was honored with the league's Lester Patrick Award acknowledging his "outstanding service to hockey in the United States", and he has also served as a member of the Board of Directors for the Hockey Hall of Fame.

Sinden was a top amateur player in Canada. A defenseman, he captained his Whitby Dunlops team to the 1957 Allan Cup as Canada's Senior Amateur Champions. That team then captured the 1958 World Championship title with seven straight wins while outscoring their opponents, 82-6, in the tournament. He also won a silver medal with Team Canada in the 1960 Olympics in Squaw Valley.

He began with the Bruins organization in 1960 as a player-coach in Kingston, Ontario. Following a coaching stint in Minneapolis, he became a player-coach in Oklahoma City and in 1965-66 led that club to the CHL championship with eight consecutive victories. He moved to Boston to assume the Bruins head coaching position in 1966-67 and a year later, he led the team into the playoffs for the first time in eight seasons. His four-year career behind the Boston bench reached the pinnacle in 1969-70 with the club's first Stanley Cup in 29 years.

Following a two-year stint in private business, Sinden returned to hockey in 1972 when he was asked to coach Team Canada in the classic series between NHL players and the Soviet Union. In recording one of Canada's supreme sporting triumphs, the team overcame a 1-3-1 series deficit by taking three straight one-goal victories in Moscow. He returned to Boston at the conclusion of that series, becoming the fifth General Manager in Bruins history on October 5, 1972.

Sinden and his wife Eleanor have four daughters.

HOCKEY OPERATIONS

DON SWEENEY

GENERAL MANAGER AND ALTERNATE GOVERNOR

Don Sweeney is in his fifth season as the Bruins General Manager, as he was named to that position on May 20, 2015. He oversees all aspects of the team's hockey operations and he also serves the club as an Alternate Governor on the NHL's Board of Governors.

He is the eighth man to hold that position, is the fourth who also played for the team (joining Hap Emms, Milt Schmidt and Mike O'Connell) and is the first former Boston draft pick to rise to that post. The team's four-year record with Sweeney

at the helm is 185-106-37 for a .620 win percentage, which ranks fourth in the NHL over that span. He was voted by his peers as the NHL's General Manager of the Year in 2018-19 as the club compiled the third-best record in the NHL and advanced to the Stanley Cup Final.

Sweeney's ascension to the head of the club's hockey operations continues his long legacy with the club, as he began as the team's eighth pick, 166th overall, in the 1984 NHL Entry Draft and moved through the organization as a player for 15 seasons and in various front office capacities for nine years prior to assuming his current position.

He began his front office career in June, 2006, when he was named the team's Director of Player Development. He assumed the role of Director of Hockey Operations in July, 2007 and held that position for two years until he was elevated to Assistant General Manager in 2009.

Over his six seasons as the team's Assistant General Manager, Sweeney oversaw the development of the team's drafted prospects at the AHL, junior hockey, college and European levels in addition to having a supervisory role in the day-to-day operations of the hockey department. He also oversaw all hockey operations matters for Boston's AHL affiliate in Providence.

He conceived, organized and ran the team's first off-season Development Camp in July, 2007, bringing the club's top prospects to Boston in advance of the main September training camp. Development camp gives the prospects the opportunity to get to know each other on and off the ice while teaching them the level of dedication and training necessary for them to

reach the next stage of their careers. The Bruins' Development Camp is now an annual event, with the 13th such camp taking place in June, 2019.

Sweeney played four seasons of college hockey at Harvard University. He earned both NCAA East All-American and ECAC First Team All-Star honors with the Crimson and played in the 1986 NCAA Finals before graduating with a degree in Economics.

The defenseman played 16 seasons in the National Hockey League, including 15 in a Bruins uniform. He is one of five players, and just the second defenseman, in team history to play over 1,000 games in a Boston sweater, and he still ranks third on the team's all-time games played list. He also ranks in the top ten on the club's all-time list in career assists and points by a defenseman. He played his final NHL season with the Dallas Stars in 2003-04.

Sweeney and his wife Christine have twin sons, Jarrod and Tyler.

SCOTT BRADLEY

SENIOR ADVISOR TO THE GENERAL MANAGER

Scott Bradley is in his 27th season in the Bruins organization and this is his first season in his current position following six seasons as the team's Assistant General Manager.

He serves as an advisor to Don Sweeney on all matters pertaining to player evaluation, trades and free agent signings.

His current role is a continuation of his steady advancement in the Bruins organization. He also previously spent six seasons as Director of Player Personnel for the team, during which time he

scouted professional and amateur levels for all Bruins personnel, including club prospects and current roster players.

He originally joined Boston's scouting staff on a full-time basis in 1993, at which time he concentrated on those draft-eligible players in the western region of the United States and Canada. He was promoted to the position of Head Scout in 1996 and for eleven seasons he oversaw the club's

scouting staff in addition to scouting prospects eligible for the annual Entry Draft

It was under his watch that the club drafted key current players such as Patrice Bergeron and David Krejci, both of whom were second round selections, and Brad Marchand, who was a third-round find. He was named the team's Director of Player Personnel in 2008 and held that position until his current promotion.

The native of British Columbia played part of one season as an American Hockey League goaltender and then coached for five seasons with the Tier II Junior A and Senior AAA League teams in Abbotsford, BC, including an Allan Cup finalist squad in 1989-90.

He served for two seasons as a scout for the WHL's Seattle Thunderbirds prior to joining the Boston organization.

Bradley and his wife Cathy have two children, son Richard and daughter Allison.

JOHN FERGUSON

EXECUTIVE DIRECTOR OF PLAYER PERSONNEL

ohn Ferguson is in his sixth season in the Bruins organization, as he joined the hockey operations staff on June 27, 2014. He was also named as General Manager for Boston's AHL affiliate in Providence on Sept. 15, 2016.

As the club's Executive Director of Player Personnel, he scouts at the professional and amateur levels with an eye to adding both prospects and roster players to the team. He also serves as an advisor in evaluating potential trades, signings and other transactions.

The Montreal native brought a wealth of experience to Boston's front office, as he joined the Bruins having run every facet of a hockey operations department. He has previously served for six seasons as the Director of Pro Scouting for the San Jose Sharks (2008-14), four-plus seasons as Vice

President and General Manager of the Toronto Maple Leafs (2003-08), and six seasons as Assistant General Manager and Director of Hockey Operations with the St. Louis Blues (1997-2003). He has also been both an amateur and professional scout for the Ottawa Senators.

Ferguson played college hockey at Providence College and was drafted by Montreal as a 12th round selection in the 1985 NHL Entry Draft. He played four seasons at the AHL level before earning his law degree in 1995, and he was a player agent for one season in 1996-97.

He and his wife Stephanie have four children, sons Johnny and Nicholas and daughters Emily and Grace.

EVAN GOLD

ASSISTANT GENERAL MANAGER & DIRECTOR OF LEGAL AFFAIRS

Evan Gold is in his fifth season in the Bruins organization, as he was named the club's Director of Legal Affairs for Hockey Operations in October, 2015. He assumed the additional position of Assistant General Manager this season.

In those positions, he advises and assists General Manager Don Sweeney with day-to-day hockey operations tasks, including salary cap analysis, contract negotiations, roster planning, player salary arbitration, CBA compliance and

pro scouting, as well as assisting in the oversight of individuals in their specific duties for the club.

Gold joined the Bruins after spending eight-plus seasons with the Capitals as a Hockey Operations Assistant. While in the Washington front office, his responsibilities included contract research, salary cap analyses, arbitration research and brief drafting as well as working alongside both the professional and amateur scouting staffs.

JAY LEACH

HEAD COACH, PROVIDENCE BRUINS

Jay Leach is in his third season as head coach of Boston's top affiliate, as he was named as the 12th head coach in Providence history on July 31, 2017 after serving as the team's assistant coach for the previous season.

The Providence Bruins have compiled a 126-76-26 record in his three years behind the bench (83-53-16 as head coach), and have earned post-season berths in each season, including a berth in the Eastern Conference Finals in 2017, which was their best playoff showing since 2009.

Leach came to the Bruins organization after serving as an assistant coach for Adler Mannheim in Germany, with whom he won a league championship in 2014-15, and with the Wilkes-Barre/Scranton Penguins of the American Hockey League in 2015-16.

Drafted by Phoenix in the fifth round of the 1998 NHL Entry Draft, the native of Syracuse, New York played four seasons of college hockey at Providence College from 1997-2001 and went on to a 12-year professional career at the National, American and East Coast Hockey League levels. The defenseman played 70 NHL games with New Jersey, San Jose, Montreal, Tampa Bay and Boston (two scoreless games in 2005-06) with one goal and two assists for three points and 60 penalty minutes in those 70 contests.

Leach also played 180 games at the ECHL level with Trenton, Long Beach, Augusta and Mississippi with 13-38=51 totals and 344 PIM. He skated in 418 American Hockey League contests with Albany, Worcester, Lowell, Portland, Norfolk, Providence, Bridgeport and Springfield with 25-62=87 totals and 608 PIM in those contests.

He entered the coaching ranks after retiring as a player following his final AHL season with Albany in 2012-13.

TRENT WHITFIELD

RYAN MOUGENEL

ASSISTANT COACHES, PROVIDENCE BRUINS

Trent Whitfield is in his fourth season as an assistant coach in Providence, as he was named to the staff on August 4, 2016.

Whitfield returned to the Bruins organization after serving as an assistant coach for Portland of the American Hockey League in 2014-15 and with the WHL's Calgary Hitmen in 2015-16.

The forward was drafted by Boston as their fourth pick, 100th overall, in the 1996 NHL Entry Draft out of Spokane in the WHL. He enjoyed a 15-year pro career at the ECHL, AHL and NHL lev-

els, including in 194 NHL games with Boston, St. Louis, Washington and the NY Rangers where he had 11-18=29 totals and 104 PIM.

The native of Alameda, Saskatchewan played 812 AHL games with Providence, Peoria and Portland with 247-349=596 totals and 564 PIM in those contests. He served as captain on six teams, including wearing the "C" in Providence during the 2009-10, 2011-12 and 2012-13 seasons.

Whitfield concluded his playing career with HC Bolzano in Austria in 2013-14.

Ryan Mougenel is in his second season as an assistant coach in Providence, as he was named to Jay Leach's staff this past summer.

Mougenel has spent the last five seasons as an assistant coach with the Hershey/AHL Bears in 2013-14, Worcester/AHL Sharks in 2014-15 and San Jose/AHL Barracuda from 2015-16 through last season.

He had previously served as the head coach for the ECHL's Las Vegas Wranglers for four seasons from 2008-2013, leading that team to the

ECHL playoffs in all four years including a Western Conference championship in 2012.

The native of Scarborough, Ontario played his junior hockey in the Ontario Hockey League with Owen Sound and Kitchener and enjoyed a six-year professional career with seven teams in the ECHL, IHL and AHL from 1997-2003. He last played in the 2002-03 season with the Atlantic City Boardwalk Bullies, with which he won an ECHL Kelly Cup championship.

He moved into the coaching ranks as an assistant coach for both Stockton and Fresno in the ECHL from 2005-2009.

DID YOU KNOW?

The 2003-04 season was the last NHL season in which games could end in a 0-0 tie.

From the 2005-06 season forward, games that are tied after regulation and overtime are decided by a shootout format. The Bruins have had three games since 2005-06 that ended in 0-0 ties after 65 minutes of play but finished with 1-0 shootout decisions.

In the 1992-93 and 1993-94 seasons, the NHL played an 84-game schedule. Teams played 41 games each on their home ice and on the road, while two games in each of those seasons were played at neutral sites.

One each of those games was deemed a 'home' and 'road' game for records purposes.

The Bruins have played three outdoor games in their history. The first was on January 1, 2010 in the NHL Winter Classic game in Boston's Fenway Park. The second came on January 1, 2016 when they hosted the Montreal Canadiens in the NHL Winter Classic game at Gillette Stadium in Foxborough, MA.

They were the road team in their third when they faced the Chicago Blackhawks at Notre Dame Stadium in the NHL Winter Classic game on January 1, 2019.

Eddie Shore earns a Second Team All-Star berth.Marty Barry and Nels Stewart finish fourth and sixth,

respectively, in the league's scoring race.

• December 12, 1933: A game vs. Toronto in Boston Garden was the setting for one of the most infamous acts in NHL history. Eddie Shore, having been struck from behind by a Toronto player, charged the Maple Leafs' Ace Bailey, erroneously believing that Bailey had struck him. Bailey was knocked to the ice and went into convulsions, having suffered a fractured skull. He remained in a Boston hospital for two months, underwent two brain surgeries and never played hockey again. Shore was suspended by the NHL for 16 games, at the time the longest suspension ever levied by the league.

 February 22, 1934: Lionel Hitchman plays his final NHL game against the team with which he started his career. The Ottawa Senators defeat the Bruins by a 3-1 score.

 March 6, 1934: Ace Bailey returns to Boston for the first time since leaving the hospital a month earlier and drops the first puck in a pre-game ceremony. He receives a standing ovation from the crowd.

- January 15, 1935: Prior to the game vs. St. Louis, the Boston Garden ice-making machinery broke down and left a 12' x 6' patch of concrete near the East goal. NHL President Frank Calder was in attendance at the game and decreed that a rubber patch be placed over the spot with the referee to blow his whistle to stop play when the puck neared that area. The teams changed ends every ten minutes of the 5-3 Boston win.

BRUINS HONORED NUMBERS

EDWARD W. SHORE | Defense

The league's first true superstar, Eddie Shore remains the only defenseman in NHL history to win four Hart Trophies as league MVP and he finished second in the balloting in another year ... He was an eight-time NHL All-Star, although he played for four seasons before All-Star teams were conceived in 1930-31 ... As tough as he was talented, he had 165 penalty minutes in just 44 games in 1927-28 and finished as high as 12th in the league's scoring race in 1932-33, which was unheard of for a defenseman at that time ... He won two Stanley Cups with the Bruins - in 1929 and 1939 - and was among the first group of inductees into the Hockey Hall of Fame in 1945.

LIONEL HITCHMAN | Defense

The Bruins may have had a tough first year on the ice with just six wins in 1924-25, but they found their leader when they acquired Lionel Hitchman on January 8 of that season ... He captained the Bruins from 1927-1931 ... Paired on defense with Eddie Shore for eight seasons, it was not unusual for him to play the entire 60 minutes of a game ... A classic 'defensive defenseman', he was so highly regarded in his time that he finished second in the Hart Trophy balloting as the NHL MVP in 1929-30 ... He captained the Bruins' first Stanley Cup championship team in 1929.

ROBERT G. ORR | Defense

Even a partial list of his accomplishments takes line after line, but Bobby Orr can be summed up in just seven words - the best ever to play the game ... He won 16 NHL trophies in his ten seasons in Boston, including three Hart Trophies as league MVP and two Ross Trophies as the only defenseman to ever win a scoring title ... He won the Norris Trophy as the league's top blueliner for eight straight seasons and two Conn Smythe Trophies as MVP of the playoffs in the 1970 and 1972 Cup-winning campaigns ... A nine-time NHL All-Star, he was the first player in NHL history to record 100 assists in a season and the first to record six consecutive 100-point seasons ... He was elected to the Hockey Hall of Fame in 1979.

AUBREY V. CLAPPER | Right Wing & Defense

"Dit" Clapper was the league's original iron man as the first player in NHL history to play for 20 seasons and he served as Boston captain for 14 years ... One of the most versatile players to ever play the game, he competed his first nine seasons as a right wing and earned two NHL All-Star berths at that position before playing his final 11 campaigns on defense with four additional All-Star appearances as a blueliner ... He played his final game on February 12, 1947 and, in ceremonies immediately after that game, was both inducted into the Hockey Hall of Fame and saw his number five raised to the Garden rafters ... He remains the only Bruin to play on three championship Boston teams - 1929, 1939 and 1941.

PHILIP A. ESPOSITO | Center

One of the premier scorers in NHL history, Phil Esposito was the first player in league annals to record 100 points in a season and he reached that mark on six occasions ... He won the Hart Trophy as NHL MVP twice and the Ross Trophy as the league's top scorer on five occasions while finishing second in three other seasons ... Named an NHL All-Star in eight of his nine Boston seasons, he led the NHL in goals for six straight years, and shattered the league scoring record with 76 goals in 1970-71, a mark that stood for 12 years until Wayne Gretzky broke it in 1981-82 ... He won two Stanley Cups with Boston, in 1970 and 1972, and was elected to the Hockey Hall of Fame in 1984.

BRUINS HONORED NUMBERS

CAMERON M. NEELY | Right Wing

It is a rare athlete that needs a new term coined to describe him, but no one had used the term 'power forward' in hockey until Cam Neely came along ... An NHL All-Star on four occasions, he led the team in goals for seven of his ten seasons, including three 50-goal campaigns ... He still holds the team single-season record for goals by a wing with 55 in 1989-90 and he is the team's all-time playoff goal leader as well ... He won the Masterton Trophy for dedication in 1993-94 when he scored 50 goals in just 44 games after missing most of the previous two seasons with thigh, knee and hip injuries ... Only Wayne Gretzky has scored 50 goals in fewer games in one season ... Injuries forced his retirement in September, 1996 and he was elected into the Hockey Hall of Fame in 2005.

JOHN P. BUCYK | Left Wing

John Bucyk is known as Chief and he was the team's leader in every way for the 21 seasons he played in a Bruins uniform ... He held every team career offensive record for over 20 years, remains the team's all-time goal scorer and is second on the club's all-time scoring list ... He served as team captain for five seasons and won two Stanley Cups with Boston, in 1970 and 1972 ... The winner of two Lady Byng Trophies as the league's most gentlemanly player, he was twice an NHL All-Star and was elected into the Hockey Hall of Fame in 1981 ... He has continued to be one of the Bruins' - and hockey's - greatest ambassadors as he has spent over 50 years in the organization in various capacities.

MILTON C. SCHMIDT | Center

If it is possible for one man to be all things to an organization, Milt Schmidt was that man for the Bruins ... The only man in Bruins history to serve the club as player, captain, coach and General Manager, he has figured in four of the team's six Stanley Cups - as a player in 1939 and 1941 and as the team's GM in 1970 and 1972 ... A four-time NHL All-Star, he won the Hart Trophy as league MVP in 1951 and the Art Ross scoring title in 1940 ... He centered the famed "Kraut Line", which became the first line in NHL history to finish 1-2-3 in the league's scoring race (1939-40), and missed three years of his career from 1942-1945 while serving in World War II with the Royal Canadian Air Force ... He was elected into the Hockey Hall of Fame in 1961.

RICHARD D. MIDDLETON | Right Wing

Rick Middleton played 12 seasons in Boston from 1976-1988, serving as captain for his final three campaigns ... "Nifty" remains fourth overall in the team's all-time scoring list and is third all-time on the team in goals ... Led the team in scoring for four straight seasons (1978-1982) and in goals for six straight years (1987-1984) ... Is one of five Bruins in team history to score 50 goals in a season (51 in 1981-82) and twice topped the 100-point mark ... Won the Lady Byng Trophy and was a Second Team All-Star in 1981-82 ... Ranks tied for fifth on the team's playoff scoring list and still holds the NHL mark for points in one playoff series (19 in seven games vs. Buffalo in 1983).

TERENCE J. O'REILLY | Right Wing

Terry O'Reilly epitomized the Bruins of his generation ... As comfortable using his hands for scoring or fighting, he is one of just four players in club history to lead the team in scoring and penalty minutes in the same season ... He served as the team captain from 1983-85, still ranks tenth on the team's all-time scoring list and is the club's all-time leader in penalty minutes ... He also coached the team from 1986-89, including an appearance in the 1988 Stanley Cup Finals.

BRUINS HONORED NUMBERS

RAYMOND J. BOURQUE | Defense

There are few players in league history as complete and adept at all facets of the game as Ray Bourque ... He was the first non-goaltender in league annals to win the Calder Trophy and be named a First Team All-Star in his rookie season ... He won five Norris Trophies as the league's top defenseman, won five team scoring titles and was named an NHL All-Star 18 times in his 21 seasons with the team ... He finished his Boston career as the club's all-time leader in games, assists and points and he remains the NHL's all-time leading scorer among defensemen ... He was elected into the Hockey Hall of Fame in 2004.

JOHN CARLTON MEMORIAL TROPHIES

John Carlton

The John Carlton Memorial Trophies are given annually by the Boston Bruins to the outstanding male

and female student-athletes in Eastern Massachusetts high school hockey or junior hockey. They are given to the high school seniors "who combine exceptional hockey skills with academic excellence."

The annual awards are named in honor of the late Bruins scout and administrator who passed away in December, 1982 after a long and dedicated affiliation at all levels of the game.

The press work area and press lounge are located on level three (ice level) of TD Garden. The press lounge and media work area, known as the Will McDonough Room, are located together, to the outside left of the corridor leading to the Bruins locker room. Pre-game meals are served buffet style two-and-a-half hours prior to game time. All food must be consumed in the press lounge and may not be taken to the press box. The press work area is located to the right of the press lounge. There are reserved seats for daily media and additional work spaces with telephones and wireless internet access. Please honor the reserved spaces. News releases, game day notes and statistical packages are available each game day from the morning skate through the game.

Press Box

The press box is on level nine of TD Garden on the side opposite the team benches. Access to the press box from the press lounge and work area is by freight elevator. Please note that only the right-hand freight elevator has level nine access. Seats in the press box are on an assigned basis only and members of the media must sit in the seat assigned to them. Please check the seating charts in the press room or press box, or check with the Bruins media relations staff for your seat assignment. In order to ensure seating in the press box, it is necessary for all media to notify the Bruins media relations staff of their attendance by noon the day prior to the game. If you do not have an assigned seat, please check with a member of the media relations staff. In compliance with TD Garden regulations, smoking is not allowed in the arena. If you wish to smoke, you may do so in the area directly outside the press gate on the ground level. Additional materials can be found on level nine outside of the communications copy room.

Wireless Internet

Wireless internet is provided free of charge on all game days in both the press box and in the Will McDonough Room for members of the working media. Signs will be posted each game providing the user name and password information for that game. If you have difficulty with the wireless connection, please contact a member of the Bruins media relations staff.

Photo Positions

Photo positions at TD Garden are located in the corners at ice level and at center ice on the club level. All photo positions will be assigned prior to the game by the media relations department. Daily print and wire services receive priority for prime positions. There is a photo meeting one hour before each game in the Will McDonough Room (the press lounge).

Game Day / Night

The Bruins team dressing room is closed prior to game time, although requested players will be made available during a 30-minute window beginning two hours prior to faceoff. The Bruins locker room will be open within five minutes of the end of the game to working media only. Head Coach Bruce Cassidy's press conference will follow approximately 15 minutes post-game in the Will McDonough Room (the press lounge).

Live television interviews are available for each game before 5:30 p.m. (for a 7:00 p.m. game), and may be arranged through the Bruins media relations staff. Live television interviews after 5:30 p.m. will be scheduled on a case-by-case basis by the Bruins media relations staff.

PRACTICE SESSION MEDIA POLICIES:

Media Access

The media has full access to all team practices at all practice facilities, including game-day skates, in accordance with NHL media regulations. The media is allowed to enter the team dressing room five minutes after the first regular player who has participated in the entire practice leaves the ice. In the event of a team meeting, the media will be allowed access immediately following the conclusion of the meeting. The locker room is closed to the media prior to and during practice. Head Coach Bruce Cassidy will be available approximately 20 minutes after the conclusion of practices. To confirm practice times, please visit the Boston Bruins media website (www.bostonbruins.com/media).

All Boston Bruins media members that regularly attend practice will be issued a photo ID that can be used to gain entry to Warrior Ice Arena. The badge will also have access to use the lobby elevators to navigate to floors 1 (main level), 2 (ice level) & 4 (media workroom level). The badge will not grant access to the Boston Bruins areas on level 2. A Bruins PR representative must be present before entering those areas. Members of the media that regularly attend practice that have not received a photo ID badge for Warrior Ice Arena should reach out to Brandon McNelis (bmcnelis@bostonbruins.com). Media members that have not been issued a Warrior Ice Arena photo ID are still welcome to attend and cover practice, but must sign in as a visitor at the front desk before entering the facility. Due to the security clearance granted by these badges, media members must contact a Bruins PR representative immediately in case of a lost badge. Replacement badges are subject to a \$100 fee that will go directly to the Boston Bruins Foundation. Any questions regarding Warrior Ice Arena access can be directed to Brandon McNelis (bmcnelis@bostonbruins.com).

TD GARDEN

TD Garden, owned and operated by Delaware North, first opened its doors to the public on September 30, 1995. Located in the heart of the City of Boston and convenient to public transportation, TD Garden is an attractive destination for locals and Boston visitors alike.

In the 20 plus years since its opening, New England's premiere sports and entertainment arena hosts approximately 3.5 million people and 200 events annually. It is the proud home of the NHL's Boston Bruins, an original six franchise, and the NBA's storied Boston Celtics. Thanks to these high-profile tenants, TD Garden's rafters house more championship banners than any other professional sports arena in the country.

In addition to world-renowned concerts, sporting events, family shows, wrestling, and ice shows, the arena has played host to countless marquee events, including the Democratic National Convention, NHL All-Star Game, NCAA Frozen Fours, NCAA Women's Final Four, U.S. Gymnastics Olympic Trials, U.S. Figure Skating Championships and ISU World Figure Skating Championships, among others. TD Garden is proud to continue to attract these types of high caliber events to Boston and, in turn, generate more than \$365 million in direct economic impact to the Greater Boston region over the last 20 years.

TD Garden's parent company, Delaware North, continues to be committed to reinvesting in TD Garden and making the arena the high-water mark for best in class arenas in both experience and service. Charlie Jacobs, CEO of Delaware North's Boston Holdings, along with TD Garden president Amy Latimer, has spearheaded a privately financed, multi-million arena-wide upgrade to TD Garden that has taken place over the past several off-seasons. This comprehensive renovation focused on bringing all aspects of fan experience to the next level, from redesigned concourses and concessions, to a new ProShop and technology overhaul.

Extending the guest experience beyond the four walls of TD Garden is paramount to it its leadership, which is why Delaware North and Boston Properties broke ground on a joint venture project called The Hub on Causeway in 2016. The Hub on Causeway a 1.5-million square foot mixed-use project that is being constructed on the 2.5-acre site of the original Boston Garden. This transit-oriented development, featuring a new, main entrance, expansion of the arena, retail, office space, hotel, and residential building, is a significant investment that will bring substantial improvements to North Station, create major economic impact for the area and strengthen the viability of this important district in the City of Boston.

Additional upgrades to the arena included the unveiling of the Boston Garden Society, formerly known as the Premium Club, which will deliver a new tradition of arena sports and entertainment. The Boston Garden Society will continue to evolve over the next few seasons and will feature several reimagined spaces within the arena, including a private bar, party deck, lounge, restaurant and other upgraded amenities.

TD Garden's all-new, state of the art digital marquee on the exterior of the arena solidifies its place as the 'gateway' to the City. The digital marquee is a 3,000-square foot LED screen that is integrated with the arena's pre-existing exterior lighting elements and providing the public with real time game updates, upcoming event notifications, and amplifies community initiatives that are supported by Garden Neighborhood Charities, TD Garden's philanthropic arm.

Delaware North, owner and operator of TD Garden, is one of the largest privately-held hospitality and food service companies in the world. Founded in 1915 and owned by the Jacobs family for more than 100 years, Delaware North has global operations at high-profile places such as sports and entertainment venues, national and state parks, destination resorts and restaurants, airports, and regional casinos.

PREVIOUS HOME ARENAS

TD Garden is the third building that the Bruins have called home. The Bruins, the first U.S.-based team in the National Hockey League, played their first game on December 1, 1924 as they defeated the Montreal Maroons by a 2-1 score at the Boston Arena. The Boston Arena, built in 1909, was host to boxing, track and figure skating before the Bruins made their debut and the rink would be the Bruins' home for four seasons. Now known as Matthews Arena under its fourth renovation, it is the world's oldest ice hockey arena and stands as part of Northeastern University, whose hockey team it has hosted since 1929.

Boxing promoter Tex Rickard entered the Boston scene in 1928. Rickard had built New York's Madison Square Garden as a boxing venue and the success of the Bruins lured Rickard to Boston. He built Boston Garden as the second of a planned series of Gardens throughout the country, a plan that ended with his death in January, 1929.

The grand new Boston Garden opened on November 17, 1928 and three days later the Bruins played their first game in the building when they hosted the Montreal Canadiens on November 20. They lost that game by a 1-0 score, but their first season in Boston Garden proved a magical one as they won their first Stanley Cup championship in that 1928-29 season.

The greatest players in Bruins and NHL history skated on Boston Garden ice and in all, five Stanley Cup championship banners were raised to its rafters. The Boston Celtics and the NBA were born in 1946 and the Green became the league's premier dynasty over their 49 seasons in Boston Garden with 16 championship titles under that roof.

Boston Garden saw the world's greatest entertainers pass through the doors for 67 years. Music's hottest acts, from the Beatles to U2, took to its stage. Families returned year after year to enjoy the wonders of the Ringling Bros. and Barnum & Bailey Circus, Disney on Ice and the Harlem Globetrotters along with a variety of other shows. Politicians became part of the Boston Garden history as well, as famed orators such as Winston Churchill, Franklin Roosevelt and John F. Kennedy all gave memorable speeches from the building's floor.

The Bruins held "The Last Hurrah" at Boston Garden on September 25, 1995, closing out their 67-year history in the building with grand ceremonies around a pre-season game vs. the Canadiens. The building itself closed its doors to the public for the last time with a nostalgic evening of entertainment on September 29, 1995.

The FleetCenter opened the following evening with a spectacular gala as a new era was ushered in for sports and entertainment in New England. That name stood until March 3, 2005 when TD Banknorth Inc. and Delaware North Companies reached an agreement on a 20-year naming rights partnership to bring the beloved Garden name back to the building. On July 1, 2009 the arena was officially renamed 'TD Garden' as TD Banknorth prepared to re-brand their operations to TD Bank.
