**DON WADDELL**  
**EXECUTIVE VICE PRESIDENT & GENERAL MANAGER, THRASHERS  
AND EXECUTIVE VICE PRESIDENT, ATLANTA SPIRIT, LLC**

Since being named as the team's first general manager in June 1998, Executive Vice President and General Manager Don Waddell has guided the

Thrashers from their inception, becoming one of the league's most experienced and respected executives.

In recognition of his leadership role of Atlanta Spirit, LLC, the parent company of the Thrashers, Hawks and Philips Arena, Waddell was named as an executive vice president of the organization this past offseason.

A veteran of 30 years of professional hockey as a player, coach and manager, Waddell has worked diligently to establish an organization prepared for success now and in the long-term future. His work has culminated in a franchise that features a dynamic combination of skilled youth, veteran leaders and experienced depth at each position.

During the 2008-09 season, Waddell oversaw a second-half resurgence of the team, engineering several strategic moves that led to a 22-18-1 record over the last 41 games, including a 17-10-1 mark over the final 28 games. Through mid-season transactions, Waddell added key talent, such as Rich Peverley and Anssi Salmela, and collected a number of prospects and valuable draft choices, resulting in the team's improved play and bolstering the future of the organization.

In order to build on the late-season success of last year, Waddell entered this past offseason with the intent of adding a top-four defenseman and a top six forward, retaining key players from last season, amassing several top prospects and bolster the team's hockey operations department.

Waddell's first goal was met in July when he engineered a pair of acquisitions that brought two high-caliber players to the team. Those transactions gave the Thrashers a top-tier defenseman with scoring ability in Pavel Kubina, acquired from Toronto, and a high-scoring top-line forward with Nik Antropov, who signed a four-year deal with the team.

Knowing the important role they played in 2008-09, Waddell also worked to re-sign several vital players from last season that had expiring contracts, keeping them with the Thrashers. Retaining these players, including Colby Armstrong, Marty Reasoner, Anssi Salmela and Chris Thorburn, allowed the Thrashers to keep the hard-working, high-character core of the team intact.

These moves, added to the talented young stars already on the roster, such as Ilya Kovalchuk, Bryan Little, Tobias Enstrom and Zach Bogosian – as well as the veteran leaders like Slava Kozlov, Ron Hainsey and Todd White – give the Thrashers a well-rounded roster built for immediate success.

At the 2009 NHL Entry Draft, Waddell added nine prospects to the organization, including fourth overall

selection Evander Kane. These players, along with the numerous top prospects already in the team's system, such as Angelo Esposito, Riley Holzapfel, Arturs Kulda and Spencer Machacek, give the Thrashers a talented crop of young players that will soon begin to make their mark in the NHL and lead the Thrashers well into the future.

In June, Waddell fulfilled another goal by hiring long-time NHL executive Rick Dudley, who has more than 40 years of experience in professional hockey. In naming Dudley associate general manager, Waddell added a highly-successful and respected executive to the organization to assist in scouting and player development.

Waddell has a long-standing relationship with USA Hockey as a player and manager. He serves on the four-member National Team Management Advisory Group that assists in the selection of U.S. men's national teams, including the team that will compete in the 2010 Winter Olympic Games in Vancouver, and was the general manager for the team that played in the 2006 Winter Games in Torino.

He also served as the general manager for the U.S. teams at the 2005, 2002 and 2001 World Championships and was the assistant general manager for the 2004 and 2000 World Championships and the 2004 World Cup team. As a player, Waddell helped the U.S. to a Gold Medal at the 1983 World Championships.

In the community, Waddell is active in numerous charitable programs and has been instrumental in developing the Thrashers deep roots in the Atlanta-area. He has played a key role in the growth of hockey in the Atlanta market through his involvement in the youth hockey community and his promotion of the sport.

Waddell came to Atlanta after building two professional hockey franchises (San Diego and Orlando of the now defunct International Hockey League) and serving as assistant general manager for the 1997-98 Stanley Cup-champion Detroit Red Wings. Waddell was vice president of RDV Sports from 1995-97, where he served on the executive committee, which oversaw operations of the NBA's Orlando Magic, the Solar Bears, Magic Fanatics (retail) and Magic Carpet Aviation.

While at RDV Sports, Waddell served as vice president and general manager of the Orlando Solar Bears from 1995-97. He held the same role at the IHL's San Diego Gulls from 1990-95, where he also served as the head coach for the 1991-92 season, taking the team to the franchise's first playoff berth. Prior to San Diego, Waddell spent two seasons with the Flint Spirits of the IHL, for which he served as head coach/general manager

er in 1988-89 and general manager in 1989-90. Waddell was twice named IHL Executive of the Year (1992-93 and 1995-96).

Waddell's playing experience includes being player/coach for the Flint Spirits from 1986-88 and the Toledo Goaldiggers for the 1985-86 season. He was drafted by the Los Angeles Kings in 1978 and spent three years with the organization from 1980-83.

He played more than nine seasons of professional hockey, finishing with 372 points (95 goals, 277 assists) in 404 games, mostly in the IHL. His best season came in 1981-82, when he finished with 95 points (26 goals, 69 assists) for Saginaw and earned the Governor's Trophy as the league's top defenseman. He was named as an IHL First Team All-Star in 1982 and 1986 and an IHL Second Team All-Star in 1988.

Waddell played Division I hockey at Northern Michigan University from 1976-80, where he majored in business management. He was inducted into the Northern Michigan University Sports Hall of Fame in 1992 and was named to the 1970s CCHA All-Decade Team. He finished with 172 points (52 goals, 120 assists) in 120 career games at Northern Michigan University.

He and his wife, Cheryl, have a daughter, Chelsea, and reside in Duluth.

### Order of Selection for 2010 Entry Draft

The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2010 Entry Draft. The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2010 first-round draft picks, participate in the Drawing.

The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points have the opportunity to receive the first overall selection. No Club can move down more than one position as a result of the Draft Drawing.

In the first round of the 2010 Entry Draft, the order of selection is as follows:

- a) The first 14 selections, as determined by the Draft Drawing (see above);
- b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
- c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
- d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
- e) Stanley Cup finalist
- f) Stanley Cup champion

In the second and subsequent rounds the order of selection is as follows:

- a) Non-playoff clubs in inverse order of points;
- b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
- c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
- d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
- e) Stanley Cup finalist
- f) Stanley Cup champion

### Eligibility for Claim

- a) All Players age 18 or older are eligible for claim in the Entry Draft, except:
  - i. a Player on the Reserve List of a Club, other than as a try-out;
  - ii. a Player who has been claimed in two prior Entry Drafts;
  - iii. a Player who previously played in the League and became a Free Agent pursuant to this Agreement;
  - iv. a Player age 21 or older who: (A) has not been selected in a previous Entry Draft and (B) played hockey for at least one season in North America when he was age 18, 19, or 20 and shall be eligible to enter the League as an Unrestricted Free Agent pursuant to Article 10.1(d); and 18
  - v. a Player age 22 or older who has not been selected in a previous Entry Draft and shall be eligible to enter the League as an Unrestricted Free Agent pursuant to Article 10.1(d).

### Unsigned Draft Choices

- a) A player aged 18 or 19 who was selected in the first three rounds of the Entry Draft and who was not signed by his NHL Club may not be retained by the Club and must be returned to his junior Club no later than the day prior to the opening of the NHL regular season.
- b) A player aged 18 or 19 who was selected in the fourth or subsequent rounds who has not been signed by his NHL Club may not be retained by his Club and must be returned to his junior Club no later than the fourth day prior to the opening of the NHL regular season.

### Entry Level Players

1. Players 18 through 21 years of age when signing their first contract must remain in the entry-level system for a period of three years; players age 22 and 23 when signing their first contract are in the entry level system for two years; while those age 24 when signing their first contract are in the entry level system for one year. Age is defined as the player's age on September 15 of the calendar year in which he signs the contract, regardless of his actual age on the date he signs such contract.
2. In the event that a signed 18 or 19-year-old player does not play a minimum of 10 NHL games (regular season and/or playoffs) in his first season under contract, the term of his player contract and his number of years in the entry level system will be extended for a period of one year. The exception to this is a 19-year-old player who turns 20 years of age between September 16 and December 31 in his first contract year.
3. In the event that a player signs his first contract at age 18 and has had his Player Contract extended for one season already, and such player does not play at least 10 NHL games (regular season and/or playoffs) in the second season under that player's Player Contract, then the term of his Player Contract and his number of years in the Entry Level System shall be extended for one additional year.

### 23-Man Roster

There may be a maximum of 23 players on each Club's playing roster at any one time from the commencement of the NHL regular season through the trade deadline. Prior to the start of the season, each Club must submit to the NHL its "Opening Day Playing Roster" which shall be comprised of not more than 23 players. Each Club must have a roster of at least 20 players, composed of 18 skaters and two goaltenders. Players on Injured Reserve do not count in the 23-Man Roster limit.

### Injured Reserve List

In the event that a player is injured and a Club wishes to place him on the Injured Reserve List, the Club must follow these procedures.

1. A Club may place a player on the injured reserve list if such player is injured, disabled or ill and unable to perform his duties as a hockey player after having passed the Club's initial physical examination in that season.
2. A player who has an injury that renders him physically unable to play for a minimum of seven days after that date of the injury can be placed on the Club's Injured Reserve List. Once a player is placed on the injured reserve, the Club may replace said player on its NHL roster with another player. All determinations that a player has suffered an injury warranting injured reserve status must be made by the Club's medical staff and in accordance with the Club's medical standards.
3. A player placed on Injured Reserve is ineligible to compete in NHL games for a period of not less than seven days from the date of injury.
4. Players on Injured Reserve may attend Club meetings and meals, travel with the Club and participate in practice sessions.
5. Players on Injured Reserve are prohibited from appearing in games, participating in pre-game warm-ups with their Clubs, or dressing in game uniforms on game days.

### Regular Season Waivers

For purposes of Regular Waivers and Re-Entry Waivers, the five (5) year exemption for an 18 year old skater and the four (4) year exemption for a 19 year old skater shall both be reduced to three (3) years commencing the first season that the 18 or 19 year old skater plays in eleven (11) NHL Games or more. The next two (2) seasons, regardless of whether the skater plays any NHL Games in either season, shall count as the second and third years toward satisfying the exemption. For purposes of Regular Waivers and Re-Entry Waivers, the six (6) year exemption for an 18 year old goalie and the five (5) year exemption for a 19 year old goalie shall both be reduced to four (4) years commencing the first season that the 18 or 19 year old goalie plays in eleven (11) NHL Games or more. The next three (3) seasons, regardless of whether the goalie plays any NHL Games in any of those three (3) seasons, shall count as the next three (3) years toward satisfying the exemption. The first season in which a Player who is age 20 or older plays in one (1) or more Professional Games shall constitute the first year for calculating the number of years he is exempt from Regular Waivers and Re-Entry Waivers. A Player 25 years old or older who plays in one (1) or more Professional Games in any season shall be exempt from Regular Waivers and Re-Entry Waivers for the remainder of that season.

### Tie-Breaking Procedures

At the conclusion of the regular season, the standing of the teams in each Conference shall be determined in accordance with the following priorities in the order listed:

- a) First place in each of the three (3) divisions seeded 1, 2, and 3.
- b) The higher number of points earned by the Club.
- c) The greater number of games won by the Club.
- d) The higher number of points earned in games against each other among two (2) or more Clubs having equal standing under priority (b) and (c) \*\*
- e) The greater differential between goals scored for and against by Clubs having equal standing under priority (d).

\*\* NOTE: For the purpose of determining standing under priority (d) for two or more tied Clubs that have not played an even number of games with one or more of the other tied Clubs, the first game played in the city that has the extra game (the "odd game") shall not be included. When more than two Clubs are tied, the percentage of available points earned in games among each other (and not including any "odd games") shall be used to determine standing.

<b>Assist</b>	An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.
<b>Game Played</b>	A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.
<b>Game-Winning Goal</b>	After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).
<b>Goal</b>	A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.
<b>Goals-Against Average</b>	Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).
<b>Goaltender</b>	A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.
<b>Penalty-Killing Pct.</b>	Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.
<b>Plus-Minus</b>	A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.
<b>Power-Play Goal</b>	A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal: <ul style="list-style-type: none"> <li>• if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.</li> <li>• if a Club scores on a delayed penalty, the goal is not a power-play goal.</li> <li>• if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.</li> <li>• if a Club is on a power-play for any length of time, it is considered to have had an advantage.</li> <li>• if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.</li> </ul>
<b>Power-Play Percentage</b>	Total number of power-play goals divided by total number of power-play opportunities.
<b>Save Percentage</b>	Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.
<b>Shooting Percentage</b>	Divide the number of goals scored by the number of shots taken.
<b>Shorthand Goal</b>	A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.
<b>Shot on Goal</b>	If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".
<b>Shutout</b>	If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.
<b>Tenths of a Second</b>	If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)
<b>Coaches Record</b>	A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

\*\* NOTE: No individual skater/goaltender statistics apply for the shootout

The Stanley Cup, the oldest trophy competed for by professional athletes in North America, was donated by Frederick Arthur, Lord Stanley of Preston and son of the Earl of Derby, in 1893. Since 1910, when the National Hockey Association took possession of the Stanley Cup, the trophy has been the symbol of professional hockey supremacy. ## The Atlanta Thrashers Foundation

The Atlanta Thrashers take pride in giving back to the community where our team lives, works and plays. Each year, Thrashers players, coaches and staff participate in a wide variety of events, activities and fundraisers that help to support local organizations that are committed to improving the lives of area children through health, education and the game of hockey.

Since its inception in 1999, the Thrashers Foundation has awarded more than \$4 million in charitable grants and donations to more than 2,000 charities and organizations throughout the state of Georgia. For more information about the Thrashers Foundation, please visit the Community Page on [atlantathrashers.com](http://atlantathrashers.com).

The Foundation conducts a silent auction and 50/50 Raffle at each home game, while specialty auctions and sales, such as the Valentine's Day Puck Surprise and St. Patrick's Day Jersey Auction, provide our fans an opportunity to bid on one-of-a-kind Thrasher collectables. ## GREEN WEEK

As part of Philips Arena's Inaugural Green Week last season, Thrashers alumni and employees joined members of the Atlanta Hawks, The Home Depot and a team of Atlanta Spirit employees for a special community project. Working with Park Pride the group planted trees, installed bollards and built a community bulletin board in Vine City Park, an area hard hit by the tornado of 2007. Check the Community Page on [atlantathrashers.com](http://atlantathrashers.com) periodically for more information on this year's greening efforts.

In addition to enjoying an excellent meal, patrons of this upscale sports bar and restaurant are treated to a behind-the-scenes look at how hard the Thrashers train in order to give the fans the best on-ice results. From its perch above the playing surface, the Breakaway Grill has successfully created a combination of traditional sports pub and restaurant. ## **PHILIPS ARENA**

Considered one of the best dual-sport, multi-purpose facilities in the world, Philips Arena offers a guest experience unmatched in the industry. Home of the NBA's Atlanta Hawks, NHL's Atlanta Thrashers and the WNBA's Atlanta Dream, Philips Arena hosts close to 2 million fans and 200 events annually.

Ranked consistently among North America's Top-10 arenas based on attendance by Billboard and Pollstar, the arena recently ranked as the No. 1 concert and events venue in the U.S. according to Pollstar for the first half of 2009. In addition, Philips Arena ranked No. 3 in the United States and No. 8 in the world in Pollstar's end-of-year rankings for 2007 and 2008, and was one of six venues in the U.S. nominated for "Venue of the Year" by the magazine in 2007.

In October 2007, Philips Arena received the Ticketmaster Platinum Ticket Award for exceeding more than 535,000 tickets through Ticketmaster channels for 2006.

The venue completed its tenth season with several world-class events under its belt, including the 2008 NHL All-Star Game, 2004 U.S. Figure Skating Championships and the 2003 NBA All-Star events. Philips Arena delivers top-ranked concert tours, professional and college sports, family shows and conferences in a world-class setting with unparalleled customer service.

In April 2005, USA Today ranked Philips Arena the No. 7 fan-friendliest NBA venue out of 29 arenas and No. 4 in the Eastern Conference. In this survey of the fan experience, it finished No. 1 in the concessions category and its main concourse ranked second in atmosphere.

The 20,000-seat sports and entertainment venue has hosted more than 16 million patrons since opening in September 1999.

The venue adjoins world news hub CNN Center and sits within yards of the Georgia World Congress Center, the Georgia Dome, and Centennial Olympic Park. The building is an official stop on the MARTA rail system, and its grand entrance celebrates the city, literally spelling "ATLANTA" in 65-foot high letters illuminated with fiber-optic lighting.

## **VENUE SCORES WITH CRITICS, PERFORMERS AND FANS**

In the venue's first ten seasons, Philips Arena, named for sponsor Philips, earned numerous industry, media and public accolades for its design, acoustics, amenities and spectrum of events.

In April, 2009, Philips Arena achieved LEED for Existing Building: Operations and Maintenance (LEED-EB: O&M) certification as specified by the United States Green Building Council (USGBC). LEED stands for "Leadership in Energy and Environmental Design," and represents independent, third-party verification that Philips Arena has met green building operating standards and performance measures. Philips Arena was the first NBA or NHL arena in the world to achieve this certification for an existing facility.

In 2002, Philips Arena was one of only four U.S. arenas to earn an "A" grade among venue naming rights deals ranked by Advertising Age magazine. Philips Arena captured Tour Guide Magazine's Top Dog Award as selected by tour industry professionals in 2006 for Best Large Venue, and also earned Facilities and Event Management Prime Site Award in 2001 and 2002 through votes cast by promoters and arena peers.

Philips Arena's video production and the Hawks and Thrashers have been recognized for excellence with multiple Golden Matrix Awards for video production at the IDEA Conference, including awards in 2002 and 2005 for best overall video display for basketball and in 2004 for best overall video display for hockey.

## ATLANTA'S SPORTS AND ENTERTAINMENT CENTER

Philips Arena's sports attendance record of 20,425 was set on May 2, 2008 during the Hawks' thrilling NBA Playoffs win over the Boston Celtics, in game six of their first round series. The venue hosts a variety of other sports/entertainment events annually including Harlem Globetrotters, Disney On Ice, Ringling Bros. and Barnum & Bailey Circus and Sesame Street Live.

Philips Arena replaced the Omni Coliseum when it was imploded in 1997. The Omni was home to the NBA Atlanta Hawks beginning with the 1968-69 season when they moved from St. Louis, and from 1972-1980, was home to the NHL Atlanta Flames.

## MUSIC AND CONCERTS

Philips Arena's vertical suite design featuring all 92 luxury suites "stacked" in opera house style brought the upper rows of seats closer to the floor than any venue built in decades. This design - with input from R.E.M.'s Michael Mills - has proven to be a hit both with concert performers and their audiences.

## CAPACITY AND ACCESSIBILITY

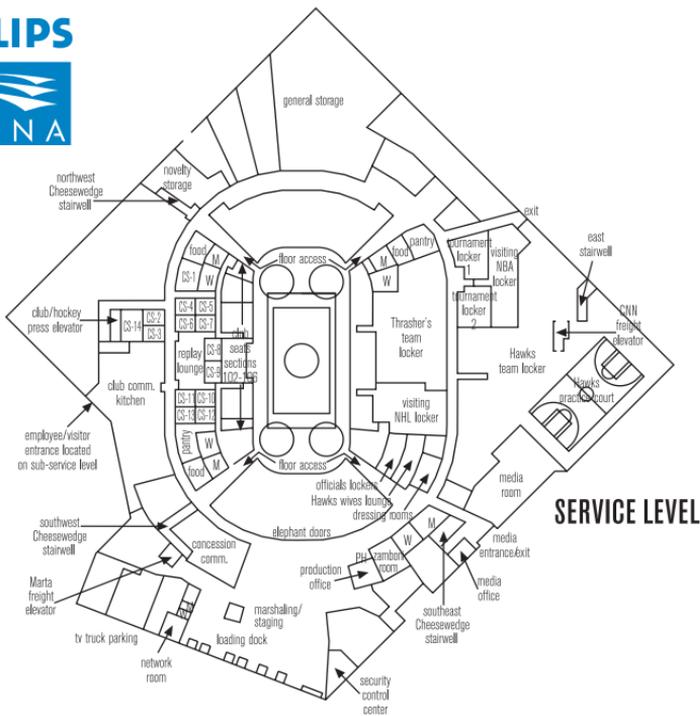

Maximum seating capacity of Philips Arena is (numbers are approximate):

18,545 seats for hockey  
18,729 seats for basketball  
21,000 for concerts

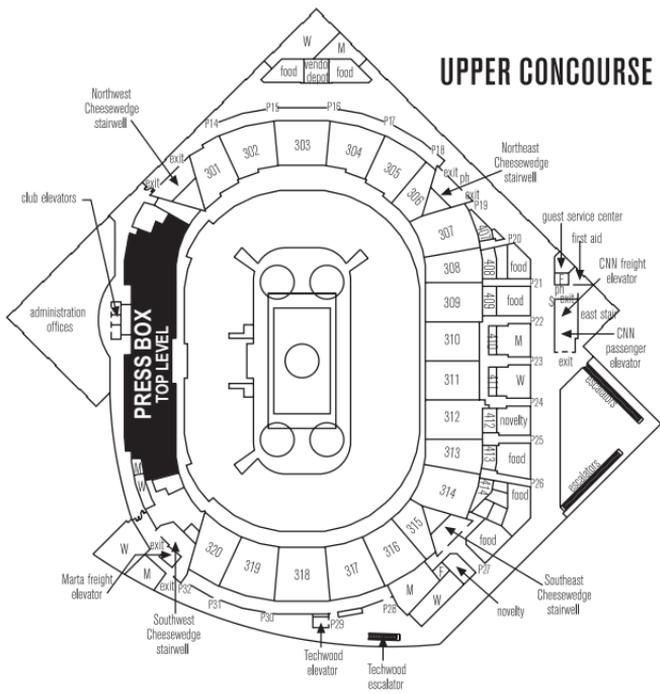

Philips Arena meets all standards for accessibility by persons with disabilities. Disabled seating areas are accessible by wheelchairs and provide views of the arena floor equal to the sightlines for standing spectators.
