**FROM THE FRONT OFFICE TO THE BACK OF THE NET.  
FROM THE MAILROOM TO THE LOCKER ROOM.  
FROM CENTER ICE TO THE EDGE OF TOWN.**

From every conceivable angle, **TOGETHER WE WILL** persevere over obstacles, pursue greatness and prevail as one.

**TOGETHER WE WILL** goes beyond superficial “slogan” to manifesto and mission. This is a themeline with meat and the teeth to bite harder.

The very nature of the line’s open-endedness is double-edged. **TOGETHER WE WILL** is dangerous and volatile (like great hockey), while at the same time, it’s improvisational and exciting (like a great hockey organization). It’s up to us to own and control the dangerous and volatile aspect of our themeline.

**TOGETHER WE WILL** essentially asks a question and/or sets up a response — we must answer that question and make that response whenever possible:

**TOGETHER WE WILL ATTACK** (the opposition’s goal and cancer...)

**TOGETHER WE WILL DEFEND** (our logo and a child’s right to learn...)

**TOGETHER WE WILL BUILD** (a winning team and a healthy community...)

This theme will resonate throughout the Tampa Bay Lightning organization — from our starting forward to our part-time concession worker. We will market inside and out to solidify the positive nature of **TOGETHER WE WILL** and the legitimate challenges and hopes of this new season.

We readily acknowledge the work and the realities before us. And while success on the ice is our ultimate destination, there are many ways to win on both sides of the boards.

**TOGETHER WE WILL BRING OUR BEST.**

## OREN KOULES

**OWNER, GOVERNOR & CEO**

Oren Koules became owner, governor, and chief executive officer of the Tampa Bay Lightning on June 30, 2008, when he and his seven partners closed on the purchase of the Tampa Bay Lightning, the leasehold rights to the St. Pete Times Forum and approximately 5.5 acres of land in downtown Tampa's Channelside District. The purchase became the first in series of aggressive, yet calculated moves by the Koules-led team in its first two years of ownership to virtually transform and re-brand the Lightning.

The transformation began with the appointment of Executive Vice President and General Manager Brian Lawton in the summer of 2008 and the signing of franchise cornerstone Vincent Lecavalier to an 11-year, \$85 million contract extension on July 13, 2008. It continued with the appointment of Rick Tocchet to the team's head coaching position this past May. Additionally, Lawton has worked under Koules to rebuild the Lightning defense this summer with the free agent signings of Mattias Ohlund, Matt Walker and Kurtis Foster and the drafting of 18-year old Swedish defensive phenom Victor Hedman with the second overall selection in the 2009 NHL Entry Draft.

A former junior hockey star and minor league hockey player known for his tenacity, Koules is the co-founder, along with Mark Burg, of the production company Twisted Pictures, formed in 2004, and the management/production company Evolution Entertainment, formed in 1998. As partners, Koules and Burg have compiled an impressive track record of hits including the powerhouse horror franchise "Saw" and the Emmy Award-nominated CBS series "Two and a Half Men," the top-rated sitcom on television.

Koules began his film career in the mid-1990s when he partnered with Dale Pollock in Peak Productions. Their credits included two hit films, the thriller "Set It Off", with Jada Pinkett-Smith and Queen Latifah, and the comedy/drama "Mrs. Winterbourne", starring Shirley MacLaine, Brendan Fraser and Ricki Lake. He subsequently served for two years as Senior Vice President of Production with Paramount Pictures.

Since launching Evolution with Burg in 1998, Koules's producing credits include the dramatic thriller "John Q.", starring Academy Award winners Denzel Washington and Robert Duvall. In its 10-year history, Evolution has grown into a mid-sized talent and literary management company handling writers, directors and actors. The company is also active in television, with Koules serving as executive producer of "Two and a Half Men." In 2004, Koules produced "Saw", an immediate cultural sensation and one of the year's most profitable films. The film's success led to a distribution deal with Lionsgate and the subsequent formation of Twisted Pictures.

Koules and Burg produced "Saw II", which opened at #1 on Halloween weekend in 2005 and became the year's top-grossing horror movie, "Saw III", which opened at #1 in North America, the U.K. and Australia the weekend of October 27, 2006 and "Saw IV", which opened #1 at the box-office on October 26, 2007. "Saw V" debuted on October 24, 2008 and Saw VI is scheduled to be released by Twisted Pictures on October 23, 2009.

A native of Chicago, Koules played junior hockey with the Medicine Hat Tigers, Great Falls Americans, Spokane Flyers, and Brandon Wheat Kings of the WHL and eventually made the leap to professional hockey, playing in the minor leagues for two years. He accumulated 60 goals and 154 points in 179 career games in the WHL and 11 goals and 36 points in 43 ACHL games. Additionally, he attended two NHL training camps with the Chicago Blackhawks.

After retiring from hockey he launched a successful, eight-year career as a commodities trader, leaving the Chicago Mercantile exchange as a member in good standing in 1992 to begin his Hollywood career. Koules has two children: son, Miles, and daughter, Sam. He and his wife, Shereen, reside with Sam on Davis Islands in Tampa.

## LEN BARRIE

### OWNER, PRESIDENT & ALTERNATE GOVERNOR

Seven-year National Hockey League veteran player Len Barrie became owner, president and alternate governor of the Tampa Bay Lightning on June 30, 2008 when he, Oren Koules and their partners purchased the Lightning, the leasehold rights to the St. Pete Times Forum and approximately 5.5 acres of land in downtown Tampa's Channelside District. After vowing to conduct business as an "owner-operator," Barrie combined with Koules and Executive Vice President and General Manager Brian Lawton to transform the Lightning roster and build the organization's depth with the goal of sustained success.

With two summers of new ownership under its belt, the Lightning have virtually retooled its entire roster, making some strong moves this past summer, the most notable of which was the signing of free agent defenseman Mattias Ohlund. In addition to adding Ohlund as a cornerstone defenseman, the Lightning also drafted Swedish sensation Victor Hedman with the second overall selection in the 2009 NHL Entry Draft and signed Matt Walker and Kurtis Foster. Up front the Lightning continued to build organizational depth by acquiring players Stephane Veilleux, Drew Miller, and Todd Fedoruk while also securing things in the net by signing free agent Antero Niittymaki to compete with incumbent Mike Smith.

As a player, Barrie played 14 professional seasons, seven in the NHL, playing for Philadelphia, Florida, Pittsburgh and Los Angeles. He was drafted in the seventh round, 124th overall of the 1998 NHL Entry Draft by the Edmonton Oilers. He retired after the 2000-01 season with 19 goals, 64 points and 290 penalty minutes in 184 games played. Barrie's son, Tyson, looks to carry on his family's professional hockey legacy, being selected from the Kelowna Rockets in the 3rd round of the 2009 NHL Entry Draft by the Colorado Avalanche.

After retiring from the Florida Panthers in 2001, Barrie moved into real estate development and is now CEO and President of Bear Mountain Resort in Victoria, British Columbia. In his current role, Barrie is Bear Mountain's majority shareholder, responsible for the planning and build-out of the 1,300-acre residential, resort, and commercial construction project.

Under Barrie's leadership, Bear Mountain has sold over \$500 million in real estate. The resort includes two 18-hole Jack and Steve Nicklaus designed golf courses, making Bear Mountain Canada's first and only 36-hole Nicklaus design. Bear Mountain also houses a Nicklaus Golf Academy, a five-star \$50 million Westin-branded hotel and spa as well as a village center. During the next 10 to 12 years, the resort will grow to more than 6,000 residences and the total build-out value of Bear Mountain Resort is estimated at \$4 billion.

In 2008, Barrie began managing a new development on Vancouver Island. It will be home to an 80-slip marina and 70-unit town home development. The project has already broken ground and is targeted for completion in 2009. Prior to beginning the Bear Mountain project, Barrie owned a number of businesses including six British Columbia-based Nevada Bob's franchises, which he sold in 2003. He also partnered with several successful restaurants in Vancouver and Victoria.

In addition to his Lightning hockey interests, Barrie is also owner and president of the Victoria Grizzlies, part of the BCHL junior league. The Grizzlies hosted the Lightning's 2008 Prospect Training Camp in Victoria from July 28 until August 1.

## **BRIAN LAWTON**

### **EXECUTIVE VICE PRESIDENT & GENERAL MANAGER**

Brian Lawton was named executive vice president and general manager of the Tampa Bay Lightning on October 22, 2008 after serving as vice president of hockey operations for less than four months. He was hired by owners Oren Koules and Len Barrie to rebuild the organization's hockey operations department with focuses on both the short and long term. He is responsible for all aspects of hockey operations, including the coaching and scouting staffs, player procurement and development, and minor league affiliations and operations.

Lawton spent the summer of 2009 quietly re-tooling Tampa Bay's roster through a series of calculated and well-planned moves that restructured the blue line, added firepower up front and improved the overall depth of the organization. First, Lawton secured things behind the bench, removing the interim tag from head coach Rick Tocchet, then he added defensive specialist and Stanley Cup champion Rick Wilson as associate coach later in the summer. He then went to work re-tooling the roster, beginning with the signing of one of the top available free agents in defenseman Mattias Ohlund. He was also able to add defensemen Matt Walker and Kurtis Foster in free agency as well as forwards Alex Tanguay, Stephane Veilleux and goaltender Antero Niittymaki.

Lawton was able to add a young franchise player with the second overall pick in the 2009 draft when the Lightning selected Swedish defenseman Victor Hedman. Hedman's selection came on the heels of the 2008 draft when Tampa Bay selected Steven Stamkos first overall. Stamkos went on to set the franchise record for most goals in a season by a rookie, with 23. The team's success under Lawton continued as he traded up to acquire a second pick in the first round for the first time in franchise history, selecting Carter Ashton. They were also able to select Slovakian Richard Panik, who was also high on the draft board, in the second round. Additionally, Lawton was able to build the organizational depth by acquiring Drew Miller, Todd Fedoruk and David Hale while still retaining the team's core of Vincent Lecavalier, Martin St. Louis, Paul Ranger, Ryan Malone, Andrej Meszaros and Mike Smith.

Before joining the Lightning in the summer of 2008, Lawton spent 14 years as a player agent, representing prominent NHLers such as Mike Modano, Mark Parrish and the current Lightning forward Jeff Halpern, to name a few. A native of New Jersey who grew up in Rhode Island, Lawton was drafted first overall by the Minnesota North Stars in 1983 and he skated in 483 NHL games over nine seasons for Minnesota, the New York Rangers, Hartford, Quebec, Boston and San Jose, recording 112 goals and 266 points with 401 penalty minutes. He also appeared in the Stanley Cup playoffs three times.

Having served four seasons as his team's player representative for the NHL Players Association, Lawton put that knowledge to use when he retired by becoming a player agent. He started his own firm, Lawton Sport and Financial, in 1994, and became a prominent agent, negotiating more than \$300 million in player contracts.

Named three times to The Hockey News' list of the "100 Most Powerful People in Hockey," Lawton eventually sold his business in 1998 to Octagon Athlete Representation, one of the United States' largest sports agencies. Based out of Minneapolis, Lawton became Managing Director of Octagon's Hockey Division. With Octagon, Lawton built the second largest hockey agency in the NHL, with clients that included Bret Hedican, Keith Carney, Ryan Miller, and Kari Lehtonen.

A graduate of Mount Saint Charles Academy in Woonsocket, Rhode Island, Lawton is noted for being the first United States - born hockey player chosen first overall in the NHL draft. ## LIGHTNING IN THE COMMUNITY

### Fan Development Programs

In a continuing effort to reach out to the community and spread the growth of hockey in the Tampa Bay area, the Lightning has created several fan development and youth hockey programs. These programs include the year-round hockey camps, the Tampa Bay Lightning Sled Hockey Team, the Lightning Elite travel team, Brighthouse Networks Mite Intermissions, youth hockey fundraising, coaches' clinics, the Lightning diversity program, Street Lightning, high school hockey, girls youth hockey, roller hockey, Hockey 'N Heels and the Lightning Player Ticket Program to name a few. Many of these programs are free of charge or may be used as fundraising opportunities for local nonprofit organizations, youth groups and educational programs. These programs reach more than 100,000 children of all ages through hundreds of events each year.

If you are interested in learning more about these programs, please contact the Lightning Fan Development Department at 813.301.6769.

### The Lightning Foundation

The Lightning Foundation is dedicated to the support of local organizations that enrich and enhance the lives of those living throughout the Tampa Bay community. In gratitude for the support and passion of our community, the Foundation focuses its unique resources to advance amateur hockey and educational enrichment opportunities for children, along with medical research and treatment for those in need. Our goal is to make Tampa Bay a better place to live, work and play!

The Lightning Foundation and the Tampa Bay Lightning donated \$863,000.00 in monetary and in-kind support to the Tampa Bay community last year and touched more than 815 charitable organizations. In addition, the Foundation's Community Grant program donated more than \$82,000 to 17 worthy organizations including two scholarships through the Dave Andreychuk Scholarship Program at the conclusion of the 2008-2009 season. The Foundation and Tampa Bay Lightning Community Relations Departments provide autographed Lightning merchandise for charitable auctions and organize major fundraising events throughout the year.

In the past year, these events included, The Champions Dinner, an interactive dinner party with our players, coaches and owners to benefit H. Lee Moffitt Cancer Center & Research Institute and the Lightning Foundation, Reindeer Run and Holiday Festival, featuring a 5K, 1 mile and kids race, along with a holiday festival with food, entertainment, games and art activities to benefit Epilepsy Charities and the Lightning Foundation, presented by University Community Health; Hockey and Hearts, a Valentine luncheon fundraiser to benefit Pepin Heart Hospital and Dr. Kiran C. Patel Research Institute; Glitz and Sticks, a Celebrity Casino Evening to benefit Tampa General Hospital Foundation and the Lightning Foundation, presented by DexImaging; and the Pink Hat Project benefiting breast cancer research at H. Lee Moffitt Cancer Center & Research Institute.

### Sled Hockey

The Lightning Foundation continues to provide a unique sled hockey program and exceptional experiences to individuals of a special caliber. Giving a child, or any disabled athlete, the opportunity to accomplish something they never thought possible is one of the most rewarding results for the Sled Hockey program and all of those involved.

The Tampa Bay Lightning Hockey Club is the first team in the NHL to sponsor and coordinate a Sled Hockey Team. C&E Information Services, along with the Lightning Foundation, funds the program to field a competitive team. Instead of standing on skates, players sit in specifically designed sleds. These sleds sit on top of two hockey skate blades, and there are two sticks for each player instead of one. The first three years of the sled hockey team have been a tremendous success! Participants and spectators alike can't wait for the excitement to begin again this season.

### Educational Programs

The Tampa Bay Lightning and the Lightning Foundation have a number of enriching educational programs for the children in the Tampa Bay community. The Lightning mascot, ThunderBug, is always on a community power play attending various charitable events, hospitals, company functions, youth centers and local schools. The Lightning also reaches children in grades K-12 with several thriving education programs:

"Fit Families for Life," sponsored by Blue Cross and Blue Shield of Florida, provides students and their families the opportunity to learn and apply information about

exercise and nutrition that will empower them to be "Fit for Life." This program will begin its third year at Academy Prep Center of Tampa.

"Score with Reading" and "Report Like the Pros", presented by Dave Mishkin, teaches students the importance of reading as well as focusing on opportunities in media, journalism and broadcasting respectively.

"Hockey by the Numbers," sponsored by Suncoast Schools Federal Credit Union and facilitated by Rick Peckham, bridges hockey with math concepts for easy learning to local fifth graders.

"Art on Ice," sponsored by Metro PCS, gave children and families the chance to get creative while enjoying a Tampa Bay Lightning game. Everyone was invited for arts and crafts, free of charge.

Special game nights that support specific charities include, YMCA Night, Childhood Cancer Awareness Night, Pink-Out Night, Thanksgiving food drive benefiting Metropolitan Ministries, Go Green Night, Steve Yerrid's Tampa Bay Fights Cancer Night, Education Nights sponsored by Suncoast Schools Federal Credit Union, Christmas toy drive to benefit Toys for Tots, Player Foundation Night's, Tobacco Free Florida Night sponsored by SunSports and Florida Blue Cup Night, sponsored by Blue Cross and Blue Shield.

Additionally, Lightning staff participate in a High School Career Day and the Great American Teach-In. The Great American Teach-In offers staff the opportunity to be a guest speaker at local schools educating students on job descriptions as well as what it takes to work in the industry.

These programs are designed to help make learning fun and ensure all Tampa Bay area students obtain a quality education leading to a bright future.

### Community Relations

The Tampa Bay Lightning organization understands the vital role it plays in the community and the responsibilities that are attached to being the premier sports team in the Tampa Bay area. Despite their hectic schedules on the ice, Lightning players recognize the importance of being active in the community. In addition to team initiatives, players participate in community programs, all aimed at assisting Bay Area children and families. Our main objective is to provide support to the community in as many ways as possible. In addition to charity fundraisers, the Lightning helps local organizations raise money with in-kind donations such as autographed memorabilia and game tickets. Player appearances help the team stay connected to those in the community as well as showing they care.

### Player Involvement and the Family Association in the Community

Lightning players, coaches and their wives play an important role in giving back to the Tampa Bay community. Despite their busy schedules, players and wives participate in Lightning fundraisers, public community appearances, school appearances and hospital visits. Tampa Bay Lightning players also purchase game tickets through the Bolt Cares Charity Ticket Program, which are donated back to local charities and youth hockey organizations of the players' choice. In addition, several Lightning players have their own community programs and foundations. The Vincent Lecavalier Foundation directs its effort to benefit the Vincent Lecavalier Pediatric Cancer and Blood Disorders Center at All Children's Hospital. Kids are Heroes with Paul Ranger and Kane's 4 Kids with Vincent Lecavalier both have worked with local children's hospitals. Wives have volunteered in the past for the Child Life Room at Tampa General Hospital and continue to raise money for the hospital's Children's Medical Center Pediatric Intensive Care Unit. The players, coaches and their families will again host a special holiday party this year for children fighting cancer, serve meals and provide support for the Ronald McDonald House and hold toy and food drives in conjunction with the Marine Corps Reserve Toys for Tots and Metropolitan Ministries.

### St. Pete Times Forum and Tampa Bay Lightning Staff in the Community

This season the staff has made a commitment to the Tampa Bay community through our Together We Will campaign. As a unified staff our mission is to make an impact in the community we call home. This summer we have tackled the environment by initiating a river clean-up event and will spend time at a local organization that assists the homeless.

For information on any of the above programs, please contact the Lightning Foundation at 813.301.6764.

**ELBOWING** - Striking opponent with elbow in attempt to impede or disrupt.

**FIGHTING** - When players throw punches with closed fists.

**GAME MISCONDUCT** - When a player gets thrown out of a game.

**HEAD BUTT** - Hitting an opponent with head, or going in head first on a body check.

## HOCKEY OPERATIONS

### Order of Selection for 2010 Entry Draft

The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2010 Entry Draft.

The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2010 first-round draft picks, participate in the Drawing.

The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points have the opportunity to receive the first overall selection.

No Club can move down more than one position as a result of the Draft Drawing.

In the first round of the 2010 Entry Draft, the order of selection is as follows:

- a) The first 14 selections, as determined by the Draft Drawing (see above);
- b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
- c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
- d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
- e) Stanley Cup finalist
- f) Stanley Cup champion

In the second and subsequent rounds the order of selection is as follows:

- a) Non-playoff clubs in inverse order of points;
- b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
- c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
- d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
- e) Stanley Cup finalist
- f) Stanley Cup champion

2. In the event that a signed 18 or 19-year-old player does not play a minimum of 10 NHL games (regular season and/or playoffs) in his first season under contract, the term of his player contract and his number of years in the entry level system will be extended for a period of one year. The exception to this is a 19-year-old player who turns 20 years of age between September 16 and December 31 in his first contract year.
3. ### 23-Man Roster

There may be a maximum of 23 players on each Club's playing roster at any one time from the commencement of the NHL regular season through the trade deadline. Prior to the start of the season, each Club must submit to the NHL its "Opening Day Playing Roster" which shall be comprised of not more than 23 players. ### Injured Reserve List

In the event that a player is injured and a Club wishes to place him on the Injured Reserve List, the Club must follow these procedures.

2. A player who has an injury that renders him physically unable to play for a minimum of seven days after that date of the injury can be placed on the Club's Injured Reserve List. Once a player is placed on the injured reserve, the Club may replace said player on its NHL roster with another player. All determinations that a player has suffered an injury warranting injured reserve status must be made by the Club's medical staff and in accordance with the Club's medical standards.
3. A player placed on Injured Reserve is ineligible to compete in NHL games for a period of not less than seven days from the date of injury.
4. Players on Injured Reserve may attend Club meetings and meals, travel with the Club and participate in practice sessions.
5. Players on Injured Reserve are prohibited from appearing in games, participating in pre-game warm-ups with their Clubs, or dressing in game uniforms on game days.

### Regular Season Waivers

For purposes of Regular Waivers and Re-Entry Waivers, the five (5) year exemption for an 18 year old skater and the four (4) year exemption for a 19 year old skater shall both be reduced to three (3) years commencing the first season that the 18 or 19 year old skater plays in eleven (11) NHL Games or more. The next two (2) seasons, regardless of whether the skater plays any NHL Games in either season, shall count as the second and third years toward satisfying the exemption. **Abduction:** Movement of a joint away from the center of the body.

**AC Joint (Acromioclavicular joint):** Joint of the shoulder where acromion process of the shoulder blade and the distal end of the collarbone meet; most shoulder separations occur at this point.

**Adduction:** Movement of a joint toward the center of the body.

**Adhesion:** Abnormal adherence of collagen fibers to surrounding structures during immobilization following trauma or as a complication of surgery which restricts normal elasticity of the structures involved; or scar tissue which forms after trauma or surgery which can restrict normal motion.

**Aerobic:** Exercise in which energy needed is supplied by oxygen inspired and is required for sustained periods of vigorous exercise with a continually high pulse rate.

**Anabolic Steroids:** Steroids that promote tissue growth by creating protein in an attempt to enhance muscle growth. The main anabolic steroid is testosterone (male sex hormone).

**Anaerobic:** Exercise without the use of oxygen as an energy source; short bursts of vigorous exercise.

body to determine the status of a bone injury. If the radioactive substance is taken up by the bone at the injury site, the injury will show as a 'hot spot' on the scan image. The bone scan is particularly useful in the diagnosis of stress fractures.

**Bursa:** A fluid filled sac located in areas where friction is likely to occur. The bursa sac minimizes the friction, for example, between a tendon and bone.

**Cartilage:** Smooth, slippery substance preventing two ends of bones from rubbing together and grating. Most joints use this to cover bones next to each other. A meniscus is made of cartilage.

**CAT Scan (Computerized Tomography):** Use of a computer to produce a cross-sectional view of the anatomical part being investigated from x ray data.

## PLAYOFF FORMAT

The National Hockey League's 30 clubs are aligned into two conferences, each consisting of three divisions. The number of teams qualifying for the Stanley Cup Playoffs is 16.

First-round playoff berths will be awarded to the first-place team in each division, as well as to the next five-best team (based on regular season point totals in each conference). The three division winners in each conference will be seeded first through third (in order of points) and the next five-best teams (in order of points) will be seeded fourth through eighth. In each conference, the team seeded No. 1 will play the team seeded No. 8; No. 2 vs. No. 7; No. 3 vs. No. 6; and No. 4 vs. No. 5 in the Conference Quarter Final round. Home-ice in the Conference Quarter Finals is granted to those teams seeded first through fourth in each conference.

In the Conference Semifinals and Conference Finals, teams will be re-seeded according to the same criteria as the Conference Quarterfinals (division leaders will be seeded first and granted home-ice advantage while the remaining teams will be seeded in order of regular-season points).

Home-ice advantage in the Stanley Cup Finals will be determined by points.

All series are best-of-seven.
