ocv!BE, a \$3-billion, 95-acre, mixed-use community and live entertainment district, is coming to Anaheim in 2024. An endeavor of the Samuelli Family, ocv!BE will surround its anchor, Honda Center, the home of the Anaheim Ducks, with a full range of lifestyle and public amenities as well as live entertainment venues. This includes a new 6,000-capacity concert venue, a 60,000-square-foot food hall, a variety of restaurants and retail offerings, two new hotels with 550 total rooms, a 325,000-square-foot office tower, four unique public plazas surrounding Honda Center, 1,500 residential apartment units, 20 acres of publicly accessible open space and parks, and a network of pedestrian bridges and walkways, including a landmark bridge over Katella Avenue.

The proposed development will create more than 10,000 construction jobs, 3,000 permanent jobs upon completion, and generate more than \$2 billion in a one-time economic impact, according to an analysis conducted by the public finance and development economics firm, DTA. The project will generate over \$400 million in annual recurring economic impact. Revenue generated by the project will assist the City of Anaheim in its efforts to recover from the COVID-19 pandemic as well as enhance neighborhoods and public safety.

ocv!BE will feature four unique public plazas surrounding Honda Center. The urban park plaza to the west, more than three acres in size, will be anchored by a new 6,000-capacity concert venue, a 60,000-square-foot market hall and multiple floors of creative office space, and a landscaped boulevard called the Paseo, featuring retail and dining opportunities. The southern-facing plaza will be a hub of activity focused on sports with elevated walkways providing ample opportunities for dining. The northern plaza will feature a collection of smaller entertainment experiences. An eastern plaza will provide a garden setting with terraced seating and prominent public art, ideal for respite and special events. In addition, ocv!BE will feature 10 acres of urban parks, including a five-acre riverfront park providing ample space for community gatherings and special concerts and events.

ocv!BE's Master Plan proposes more than 1,500 residential apartments, filling a critical need for housing in Orange County, and includes a commitment of 15% affordable housing units onsite. These residential communities will have full access to the entertainment and lifestyle amenities including 20 acres of open space and more than three miles of trails.

A new 325,000-square-foot office tower will attract top employers to Anaheim, and when combined with other new and existing office buildings, the office campus will be over 860,000-square-feet and in close proximity to all of the district's offerings. ocV!BE will also feature two new hotels with 550 total rooms, providing a unique hospitality choice in the Anaheim marketplace focused on lifestyle and entertainment.

ocV!BE embraces a transit-oriented community. The Master Plan integrates the existing transit center, known as ARTIC, into the broader district. By drawing more guests to ARTIC, ocV!BE will in turn increase transit ridership via Amtrak, Metrolink and bus providers serving all of Southern California. Ridesharing will also be thoughtfully designed into the project, with onsite pickup and drop-off areas.

ocV!BE is supported by a series of parking structures and increased road capacity, engineered to improve traffic flow and circulation.

In addition to his duties with the Ducks and Honda Center, Ryan took on the additional responsibilities of the planning and development of ocV!BE over the past several years. He worked extensively with the city of Anaheim to bring the Platinum Triangle vision to life, including project management, entitlement and design, corporate partnership integration, government affairs, tenant negotiation and more.

Before being named to his current position, Ryan spent 15 seasons as Executive Vice President/Chief Operating Officer for the Anaheim Ducks and 28 years at Honda Center. He successfully led the Ducks' business efforts to record growth, while initiating numerous community, fan-friendly and youth hockey programs that have increased the popularity of the sport in the Southern California market.

Ryan has more than 42 years in arena management and event creation experience. In addition to his duties with the NHL club, he served as President and Chief Executive Officer of Anaheim Arena Management, LLC (AAM), the management company of Honda Center. In that role, Ryan directed all areas of one of the premier entertainment and sports venues in the world, and today still often takes a hands on approach to bringing world-class events to Anaheim. Over the years, Honda Center has repeatedly ranked among the top 10 arenas in the world for annual live entertainment.

Through strategic planning, creative business development, and event production, Ryan ensures Honda Center is consistently booked with the world's top names in live entertainment and world-class sporting events such as the Rolling Stones, Justin Timberlake, Ariana Grande, Elton John, Post Malone, Chris Stapleton, Twenty One Pilots, Garth Brooks and more. Since 1993, more than 41 million people have been entertained at Honda Center, enjoying over 4,000 events. Amid the COVID-19 pandemic, Ryan worked to utilize the arena in ways to serve the community during unprecedented times. By joining together with key partners, Honda Center hosted 15 drive-thru food banks, 7,000 civil marriage ceremonies, 10 blood drives, and the largest Vote Center in Orange County.

Ryan was named Executive Vice President/Chief Operating Officer for the on Ducks on June 20, 2005, when the team was purchased by Dr. Henry and Susan Samuelli, also owners of AAM. Under his watch, the Ducks have twice recently (2018 & 2019) named a finalist for Sports Humanitarian Team of the Year by ESPN. The award "represents a sports club/team that demonstrates how teamwork can create a measurable impact on a community or cause." The club has also been continually recognized by ESPN The Magazine in its annual "Ultimate Standings" edition for successes both on and off the ice. The magazine has recognized the Ducks as a top franchise among 122 professional sports teams (NHL, NFL, MLB & NBA), ranking in the top eight three times.

In 1992, after a long career at the Long Beach Arena, Ryan joined the then-Arrowhead Pond of Anaheim (operated by Ogden Facility Management) as Assistant General Manager. Near the end of 2003, the management contract for the arena was purchased by AAM, and Ryan was named President/CEO of both the company and the arena.

BOB MURRAY

**EXECUTIVE VICE PRESIDENT AND GENERAL MANAGER
ANAHEIM DUCKS HOCKEY CLUB, LLC**

Bob Murray enters his 46th consecutive year in the National Hockey League, his 13th as Executive Vice President and General Manager of the Anaheim Ducks. He won the NHL General Manager of the Year award in 2013-14 and has been a finalist for the honor three times. He also served as an Assistant General Manager for Team Canada during the 2016 World Cup of Hockey. Named to his position Nov. 12, 2008, Murray is the third-longest tenured General Manager in the NHL, behind only David Poile (1997) and Doug Wilson (2003).

On Jan. 6, 2019 vs. Edmonton, Murray became the fifth person in NHL history to both play and manage 1,000 career regular season NHL games. He joined Bobby Clarke, Bob Gainey, Bob Pulford and Doug Wilson in the 1,000/1,000 club. Murray has now managed 1,110 NHL games (922 with Anaheim, 188 with Chicago) and played in 1,008 NHL contests (all with Chicago).

Under Murray's guidance, the Ducks have posted 100+ standings points in five of the last seven seasons, won division titles in five of the last eight seasons and made playoff appearances in six of the last eight campaigns. The Ducks are one of the NHL's most successful team drafting players into the NHL since 2010, having done so without a top-five overall selection (Anaheim has not selected in the top five since 2005, qualifying for the playoffs in 11 of 15 seasons since then). Anaheim has selected 65 players from 2010-19, with 46.2% (30 players) making it to the NHL, second to only Boston (the league average is 36.4%).

Murray's 2016-17 Ducks were the seventh different team in NHL history to win five consecutive division titles and the only team to win the Pacific Division five consecutive years since its creation in 1993-94. Anaheim defeated Calgary and Edmonton in the first two rounds of the Stanley Cup Playoffs before falling to Nashville in the Conference Final. It was Anaheim's fourth trip to the Conference Final since Murray joined the team in 2006.

In 2014-15, Anaheim finished with the best record in the Western Conference (51-24-7, 109 points), becoming the first team since 2011-12 (Vancouver) to post consecutive 50+ win seasons. Anaheim defeated Winnipeg and Calgary in the first two rounds of the postseason before falling in the Conference Final to Chicago (seven games). The 2013-14 team finished with a record of 54-20-8, the best mark in franchise history. Anaheim posted the top record in the Western Conference for the first time in club history that season, setting season records for standings points (116), wins (54) and win/points percentage (.707), while also leading the league in goals (263). The 2012-13 club finished the regular season with the third-best record in the NHL (30-12-6, second in the West).

Murray was named to his current position on Nov. 12, 2008 after spending the previous three-plus seasons as the club's Senior Vice President of Hockey Operations. In that role, much of Murray's work behind the scenes led directly to many successful trades and other player transactions by Anaheim. During that three-year period, the Ducks won a Stanley Cup (2007), a Pacific Division title (2007), and qualified for the playoffs each season. Murray was the General Manager of the Portland Pirates (Anaheim's AHL affiliate) from 2005-06 through 2007-08. The Pirates went to the Conference Finals twice (2006 & 2008), appearing in six playoff rounds. Between 2005 and 2008 (three seasons), Anaheim and Portland combined to win 10 and appear in 14 playoff rounds, both the most of any organization in hockey.

Prior to joining the Ducks in July 2005, Murray worked as a professional scout with the Vancouver Canucks from 1999-05. Murray's scouting expertise helped to build teams that recorded 100+ point seasons two years in a row (2002-03 and 2003-04) and advanced to the Stanley Cup Playoffs four seasons in a row (2001-04). Before his stint in Vancouver, he served as a Scouting Consultant for Anaheim during the 1998-99 season.

Murray was a member of the Chicago Blackhawks organization for 25 years, serving as General Manager from 1997-99. He was named the sixth General Manager in team history on July 3, 1997. He was promoted to the post after serving as Assistant General Manager under Bob Pulford for two seasons. Before joining upper-management, Murray was named the Director of Player Personnel in 1991 and was largely responsible for the club's NHL Entry Draft selections over eight seasons.

Drafted by the Blackhawks in 1974, Murray spent his entire 1,008-game, 15-year career in a Chicago uniform. He became just the fourth player in Blackhawks history to reach the 1,000-game plateau in 1989-90. In addition, he became the first defenseman in club history to appear in 100 postseason contests, reaching the mark during the 1990 Stanley Cup Playoffs. In all, Murray scored 132-382=514 points and currently ranks third in all-time points among Blackhawks defensemen (17th overall in club history). He was named to both the 1981 and 1983 NHL All-Star Games. Murray retired at the conclusion of the 1989-90 season. Known for his work ethic, intelligence and determination as a player, Murray remained with the organization as a Professional Scout following his retirement in 1990.

Bob and his wife, Betsy, have four children: Kevin, Amanda, Andrew and Katie; and four grandchildren: Mikayla, Aisley, Lily and Kaden.

DAVID MCNAB

**SENIOR VICE PRESIDENT OF HOCKEY OPERATIONS
ANAHEIM DUCKS HOCKEY CLUB, LLC**

An original member of the Ducks, David McNab is now in his 43rd consecutive year in the NHL and 28th with Anaheim. McNab served as Anaheim's Assistant General Manager for 14 seasons before being promoted to his current position in 2008. His duties include overseeing all aspects of player development, having an expertise on the Collective Bargaining Agreement and its relationship to the salary cap in the NHL, contract and arbitration negotiation, player evaluation and scouting.

McNab's impact on the Ducks is significant. He has been part of Anaheim's run to two Stanley Cup Finals (2003 & 2007), including a championship in 2007. The club advanced to the Conference Final in 2006, 2015 and 2017, and the Conference Semifinals in 2009 and 2014. During his tenure, McNab has scouted and signed numerous collegiate free agents who have made major contributions to the success of the club.

Prior to being named as the Ducks' Assistant General Manager in December of 1995, the 65-year-old McNab was the club's first Director of Player Personnel and was largely responsible for the team's selections in the 1994-96 NHL Entry and Supplemental Drafts. McNab has also held the position as General Manager of the Ducks' top farm team in the American Hockey League for six seasons (the Baltimore Bandits during the 1996-97 season and the Cincinnati Mighty Ducks from 1997-02) while also working on the AHL's competition committee for many of those years.

Considered to be one of the hardest working and knowledgeable scouts in the National Hockey League, McNab began his professional scouting career in 1978 with the Washington Capitals, where he spent four seasons. In 1982, McNab was signed by the Hartford Whalers, where he spent seven seasons as a scout, the last two as the Director of Player Recruitment. He then joined the New York Rangers in 1989, where he worked for four seasons before leaving to join the Disney-owned Ducks in 1993. His work with the Rangers helped the club to the 1994 Stanley Cup championship.

A graduate of the University of Wisconsin in 1978 with a degree in Communication Arts, McNab was also a goaltender on one of the greatest college hockey teams of all-time, the 1977 University of Wisconsin Badgers' NCAA championship team. He was drafted by the St. Louis Blues in the ninth round of the 1975 NHL Entry Draft (151st overall). McNab has worked on numerous occasions for USA Hockey, both as an Assistant General Manager for the United States in the World Championships on three different occasions, as well as serving as a consultant for the 1984, 1988 and 1992 United States Olympic Teams. He has also been a three-time member of the selection committee that votes for the Hobey Baker Award, college hockey's version of the Heisman Trophy. He has also been on the selection committee for the Mike Richter Award since its inception in 2014, given to the outstanding college goalie in the United States.

A member of one of the most respected families in the NHL, McNab is the son of the late Max McNab and brother of Peter McNab. Max played on the 1950 Stanley Cup champion Detroit Red Wings and was a former general manager with the Washington Capitals and New Jersey Devils. He was also a recipient of the 1998 Lester Patrick Award given annually for "outstanding service to hockey in the United States." Peter played in 954 NHL games, scoring 363 goals and 813 points in a 14-year career. Peter is currently a broadcaster with the Colorado Avalanche.

McNab was born in Vancouver, British Columbia, but grew up in San Diego and graduated from Point Loma High School in San Diego in 1973. He became a U.S. citizen in 1983. He and his wife, Kari, were married in Minneapolis, MN in 1989 and have two daughters, Ali (29) and Erica (28). The McNab family resides in Yorba Linda.

DUCKS & HONDA CENTER IN THE
COMMUNITY

COMMUNITY INVOLVEMENT

COMMUNITY INVOLVEMENT

Commitment to community is one of the fundamental values of the Anaheim Ducks organization. The Ducks strive to be actively involved in the local community, ranging from outreach and fundraising events, in-kind donations, charity tickets and the dedicated involvement of the players, coaches, broadcasters, staff, season ticket holders, corporate partners and fans.

Under the guidance and example set forth by our owners, Henry and Susan Samuels, philanthropic support and giving is not only our responsibility as a member of the Southern California community, but something that is ingrained in our identity as a team, staff and fan base.

ANAHEIM DUCKS FOUNDATION

The mission of the Anaheim Ducks Foundation is to facilitate and support programs that produce positive change for children and families throughout Southern California by providing educational opportunities, broadening access to the sport of hockey and addressing the health and wellness needs of our community. Through funds raised, the Ducks are able to fund the Anaheim Ducks S.C.O.R.E. program, Learn to Play and Top Flight youth hockey initiatives, and provide grants to a variety of local nonprofits.

S.C.O.R.E. (SCHOLASTIC CURRICULUM OF RECREATION & EDUCATION)

The Anaheim Ducks S.C.O.R.E. program offers free educational, standards-based curriculum to over 300 schools in five counties, reaching over 65,000 unique students annually. Impacting over 360,000 students since its inception in 2005, the S.C.O.R.E. program was developed to provide students access

to valuable educational resources. Ducks S.C.O.R.E. provides physical education materials, science programming and school supplies while supporting teachers and educators with resources to foster a positive classroom environment, using hockey as a vehicle to teach and create opportunity.

LEARN TO PLAY

Learn to Play powered by Ryan Getzlaf offers first-time hockey players the chance to get on the rink in full hockey equipment for free. Players receive instruction on the basics of hockey and skating. Participants in Anaheim Ducks Learn to Play are provided with full equipment to use for the four-week session. Since 2013, close to 20,000 children and adults have laced up their skates and hit the ice. In addition, Getzlaf and the Anaheim Ducks Foundation generously sponsor a program in which all children who graduate from Learn to Play and sign-up for a RINKS in-house league will receive a complimentary first set of gear to start their hockey careers, with more than 7,000 sets being provided to date.

TOP FLIGHT

The Top Flight Hockey Program is dedicated to participants with special needs and open to players of all ages and abilities. The League runs group practices and clinics as well as games weekly for both floor and ice hockey. Group practices focus on helping participants establish basic hockey skills such as shooting, passing and stickhandling.

More than 15,000 local residents fill the Honda Center parking lot to enjoy a traditional Thanksgiving meal and entertainment throughout the day. Ducks players, coaches and front office staff participate with their families to serve meals and give thanks on this special Thanksgiving holiday. Due to the COVID-19 pandemic in 2020, We Give Thanks hosted a drive-thru event at Honda Center to provide packaged Thanksgiving meals and supplemental groceries for 7,000 families who continue to struggle with food insecurity.

The Anaheim Ducks players serve as holiday helpers during the holiday season as part of the annual Shopping Spree, which provides students from The Wooden Floor - a nonprofit organization serving low-income Santa Ana youth - the unique opportunity to load up their shopping carts with necessities and gifts for their families in celebration of the holiday season. The Anaheim Ducks players, joined by the Lady Ducks, assist The Wooden Floor students as they shop for new clothes, toys and other essentials as a special holiday treat, all underwritten by the Anaheim Ducks and Anaheim Ducks players.

COMMUNITY INVOLVEMENT

The alumni are an enthusiastic group, looking to contribute to the community goals of the organization and provide a great way for fans to interact with some of their favorite Ducks of the past.

SAMUELI ACADEMY T-SHIRT DESIGN CONTEST

The Samuelli Academy T-Shirt Design Contest tasks design students from the Samuelli Academy with a project to create an Anaheim Ducks branded t-shirt. The Samuelli Academy is a project-based learning curriculum, therefore the project was created for the students to hone their design skills, work in a group environment as well as make a formal presentation to pitch their designs.

Winners of the Samuelli Academy T-Shirt Design Contest are recognized during a pre-game ceremony where their winning designs are revealed to the Ducks fans and then made available in the Ducks Team Store for purchase with proceeds from the sales of the shirts benefiting the Samuelli Academy.

ANAHEIM DUCKS CHARITY TICKET PROGRAM

Through the donations of Anaheim Ducks players, management and fans, the Ducks are able to provide tickets throughout the season to charitable organizations in Orange County and surrounding areas.

Thanks to the generous support of corporate partner Antis Roofing, as well as additional corporate partner donations, The Antis Roofing Community Corner, a section of Honda Center was created to give families and children from local nonprofit organizations the opportunity to experience all of the fun of Ducks hockey.

HONDA CENTER

Celebrating over 27 years in the heart of Orange County, Honda Center stands as one of the premier entertainment and sports venues in the country. Opening its doors in 1993, the venue is owned by the City of Anaheim and managed by Anaheim Arena Management, LLC. Home to the 2007 Stanley Cup champion Anaheim Ducks, the arena annually hosts top-name concerts, exciting sporting events, and family favorites such as the Harlem Globetrotters, Stars on Ice, and Disney on Ice. Throughout the years, capacity crowds have filled Honda Center for world-class acts, including recent performances by KISS, Elton John, Justin Timberlake, Shakira, Ariana Grande, P!NK, Jay-Z, Post Malone, Backstreet Boys, Chris Stapleton, Jonas Brothers, Imagine Dragons and Brad Paisley.

Since 2005, Ducks owners Henry and Susan Samueli have invested millions of dollars into facility upgrades in an effort to continually enhance the guest experience, including Honda Center's Shock Top Terrace, the most extensive upgrade in venue history featuring a 15,000-square-foot indoor-outdoor entertainment space. Honda Center also added a new 6,000-square-foot Team Store in 2013, Cisco's StadiumVision platform throughout the arena with more than 500 HD monitors, and a new scoreboard in the fall of 2015 measuring 27 feet tall and

47 feet 10 inches wide. In 2020, the arena completed the replacement of upper and lower in-bowl seating and a 19,570-square-foot new state-of-the-art Ducks locker room while also breaking ground on Impact Club, a new, 5,750-square-foot state-of-the-art members-only restaurant and lounge that will debut on the event level during the 2021-22 NHL season.

During the Covid-19 pandemic, Honda Center has been the site of numerous community-focused events, including the Second Harvest Food Bank of Orange County, with over two million pounds of food distributed from March through June 2020, feeding 62,426 households. The Ducks and Honda Center partnered with UCI Health for a total of 10 blood drives, with enough blood donated to save more than 760 lives. In July 2020, over 600 small-sized medical offices received over \$2 million worth of medical-grade PPE in a distribution event in the arena parking lot. In partnership with the Orange County Clerk-Recorder, over 7,000 couples whose wedding plans were impacted by the pandemic were hitched at Honda Center.

Honda Center also served as the state of California's only drive-thru voting location and Orange County's solitary "Super" Vote Center for the 2020 Presidential Election from Oct. 30 through Election Day, Nov. 3.

On Sept. 11, 2020, the Global Biorisk Advisory Council (GBAC) awarded Honda Center the gold standard for prepared facilities, the GBAC STAR™ facility accreditation. Honda Center became the first NHL-specific venue to receive the industry's highest-level outbreak prevention, response, and recovery accreditation. Under the guidance of GBAC, Honda Center has implemented the most stringent protocols for cleaning, disinfection, and infectious disease prevention at its facility.

The arena has three levels of seating. Closest to the arena floor is the Plaza Level with 5,200 seats and 39 luxury suites. THE NAME, LOGOS & COLORS

The official team colors and logo were unveiled on June 7, 1993.

identity. As a testament to the logo's popularity, the original Ducks jersey was named the "most fashionable" uniform in all of sports at the inaugural ESPY Awards in 1997.

A NEW LOOK UNVEILED

In the spring of 2005, Henry and Susan Samuelli entered into an agreement with the Walt Disney Company to purchase the Ducks franchise. In the Samuelli's first year of ownership, the Ducks set then-franchise records for overall wins (43) and standings points (98).

On June 22, 2006, a new era began for the franchise as the team became officially known as the Anaheim Ducks. In addition, a new logo and color scheme was unveiled. The new look and identity of the Ducks were a collaborative effort, mixing opinions of fans as well as Ducks players, ownership and management. All parties involved unanimously decided to go beyond simply altering the original concept of an aggressive duck character.

In shaping the design, the focus was sharpened to create an overall image that expressed excitement, speed and a competitive edge. In addition, a classic color palette of black and metallic gold was developed, with an accent of orange as a metaphorical link to the team's Orange County home.

The result was a strong, typographic mark anchored by a stylized "D" that echoed the image of a duck's foot or footprint. The custom typography had a powerful forward momentum and was made up of metallic gold letters with orange drop-shadows and a black holding shape. The uniforms were an evolution of the earlier sweater design but with gold, white and orange sweeping stripes influenced by the curves of the "D" in the Ducks logo. Set with a new look for the 2006-07 season, the Ducks made history and won the Stanley Cup.

THIRD & SPECIALTY JERSEYS

Entering the 2020-21 season, the Ducks had appeared in five third jerseys (each pictured), beginning with a cartoon Duck breaking through a sheet of ice. The club moved to a more classic approach with its next two sweaters, using black with dark plum, silver and white accenting as its color palette for the alternate jersey worn during the 2003-04 and 2005-06 seasons.

The fourth third jersey debuted on Nov. 26, 2010. A black sweater with orange sleeves and side panels, it featured the "D" foot placed prominently on the chest. The shoulder patch integrated the

HOW IT ALL BEGAN

On Oct. 2, 1992, Walt Disney Pictures released the hit movie "The Mighty Ducks" and created a new wave of excitement among the nation's youth and the ice hockey community. Starring Emilio Estevez and a band of kids who learn to play and win as a team, "The Mighty Ducks" grossed \$51 million at the box office and served as the inspiration for the name of the Walt Disney Company's NHL club.

The original official team colors and logo were unveiled June 7, 1993, and Mighty Ducks merchandise immediately propelled into one of the top sellers in all of professional sports.

Purple, jade, silver and white were chosen as the team's colors while an attractive crest featuring a duck head-shaped hockey mask was chosen to give the club its own unique

THE NAME, LOGOS & COLORS

original Mighty Ducks logo into a new oval mark, linking the team's past and present.

The fifth alternate jersey made its initial appearance on Oct. 16, 2015 and featured the original Mighty Ducks logo set on an orange colored jersey accented with gold, black and white trim. In a reversal of logos, the primary webbed "D" was displayed as a patch on both shoulders to represent the current Ducks team. The jersey was reintroduced on Oct. 5, 2019 following appearances from 2015-17.

Anaheim's specialty jersey in 2018-19 featured the original Mighty Ducks crest with eggplant and jade striping from the Ducks iconic look of the team's inaugural 1993-94 season. The sweater

incorporated orange in the crossed hockey sticks of the team's original mark and featured silver as a primary accent color, paying tribute to the team's 25th anniversary season in 2018-19.

In 2020-21, a new specialty jersey will make its debut as part of the adidas and the NHL's Reverse Retro collection. Anchored in white with eggplant and jade striping, the Ducks Reverse Retro jersey features the design from the team's iconic "Breakout" Jersey worn during the 1995-96 season.

STADIUM SERIES

The Anaheim Ducks and Los Angeles Kings wore specially designed jerseys and uniforms for the 2014 Coors Light NHL Stadium Series™ contest at Dodger Stadium on Jan. 25, 2014. Anaheim's jersey featured a chrome-treated "D" logo, unique to the 2014 Coors Light NHL Stadium Series™

contest and inspired from the chrome details in the NHL shield. The Ducks Stadium Series jersey was orange, currently an accent color in the club's primary logo.

Anaheim's orange jersey for the game included enlarged player numbers for improved visibility in an outdoor venue, as well as a shoulder logo to signify the geographic rivalry between the Ducks and Kings. An interlocked "OC" logo appeared on the left shoulder of the Ducks' Stadium Series jersey. The NHL Stadium Series jersey was designed with creative input from the Ducks, Reebok and the NHL.

FROM THIRD TO PRIMARY

Beginning with the 2014-15 season, the club's 2010-14 third jersey was transformed into the new primary sweater. A white "road" version of the jersey was added. Both versions of the jersey now incorporate white laces and permanent integration with the "D" on both sweaters.

TEAM HISTORY

The San Diego Gulls took the ice on Oct. 10, 2015 to open their inaugural American Hockey League season in San Diego, CA. One of eight teams in the AHL's recently created Pacific Division and one of five still playing dating to the inaugural 2015-16 season, the Gulls have since posted an all-time record of 184-114-31 and 399 points (.606 points percentage). San Diego leads the Pacific Division in all-time wins, points and points percentage since the division's inception in 2015.

The Gulls have qualified for the Calder Cup Playoffs in three of their four opportunities, one of three AHL clubs to advance to the Division Finals on three-or-more occasions since the inception of the current division format in 2015 (also Toronto and Hershey). San Diego is the only team in the Pacific Division to advance beyond the First Round on multiple occasions. The Gulls have won the most playoff series (4) and games (17) among Pacific Division clubs.

The Gulls led the AHL in attendance in 2018-19 (9,021 avg.) for the second straight season after becoming the first team in 10 seasons to usurp the Hershey Bears atop the league's attendance charts in 2017-18 (9,305 avg.). San Diego has also been named the AHL's Team of the Year in 2016-17 in addition to the ticket sales department of the year from 2015-18.

Professional hockey in San Diego has a rich history, dating to the San Diego Skyhawks of the Pacific Coast Hockey League in 1944. Since then, San Diego has been home to several professional teams and leagues throughout the years, including the aforementioned Skyhawks (1944-50), Gulls of the Western Hockey League (1966-74), Mariners of the World Hockey Association (1974-77) and Pacific Hockey League (1977-78), Hawks of the PHL (1978-79) and Gulls of the International Hockey League (1990-95), West Coast Hockey League (1995-03) and ECHL (2003-06).

Pechanga Arena San Diego, the Gulls' home venue, opened on Nov. 17, 1966 with a 4-1 San Diego Gulls (WHL) victory over the Seattle Totems. Pechanga Arena San Diego (formerly San Diego Sports Arena, iPayOne Center and Valley View Casino Center) has housed professional hockey, basketball, indoor soccer, arena football, tennis and numerous entertainment events. A central figure in San Diego sports history, Pechanga Arena San Diego Center has recently seen significant arena upgrades, most notably a new state-of-the-art scoreboard prior to the Gulls' 2015-16 campaign and a new LED lighting system in 2017-18.

BOB FERGUSON **GENERAL MANAGER**

Bob Ferguson enters his 13th season with the Anaheim Ducks organization and sixth as General Manager of the San Diego Gulls. Ferguson is a hockey lifer, having been involved in either professional or amateur hockey for the past 40 years, either as a player, coach or member of a front office.

In his five seasons as a General Manager with the Gulls, Ferguson helped build teams that have a combined 184-114-21-10 record to lead the Pacific Division in all-time wins, points (399) and points percentage (.606%) since the division's inception in 2015. The Gulls are the only Pacific Division club to finish among the top four teams in all five AHL seasons. Ferguson has also led San Diego to three Calder Cup Playoffs appearances, including the club's first appearance in the Western Conference Finals in 2019.

The Gulls (three times), Toronto Marlies (four times) and Hershey Bears (three times) are the only AHL teams to advance to the Division Finals on three-or-more occasions since the inception of the current division format in 2015. Under Ferguson, San Diego owns the most playoff wins (17) and series wins (4) among Pacific Division teams.

Under Ferguson, San Diego completed the 2019-20 season with 30-19-6-2 record for 68 points and tied for third in the Pacific Division, sixth in the Western Conference. The 2018-19 club compiled a 36-24-5-3 record for 80 points and third in the Pacific Division, while also representing the division in the Western Conference Finals for the first time. San Diego defeated San Jose (four games) and Bakersfield (six games), before falling to Chicago in six games.

The 2016-17 club went 43-20-3-2 for 91 points, second in the Western Conference and third in the AHL, while defeating Ontario in the first round of the postseason before falling in the Pacific Division Finals to San Jose (five games). The Gulls were named winners of the 2016-17 President's Award as the AHL Team of the Year, given to an AHL organization for overall excellence as voted on by AHL team presidents. In the club's inaugural season in 2015-16, the team finished with a 39-23-4-2 record for 84 points, earning earned second place in the Pacific Division and the club's first berth in the Calder Cup Playoffs. Under Ferguson's guidance, San Diego won its first-ever playoff series over the Texas Stars, 3-1, prior to falling to Ontario in the second round (five games).

Ferguson was the Assistant General Manager of the Norfolk Admirals for the previous three seasons (2012-2015) and prior to that manned the same position for the Ducks' prior AHL affiliates, the Syracuse Crunch (2010-12) and Iowa Chops (2008-09). He also spent one season as a college/amateur scout for the Ducks in 2009-10.

Before joining the Ducks organization, Ferguson spent 26 seasons on the bench as a head coach in the professional and junior ranks. He had head coaching stints with Augusta (ECHL, 2005-08), Florida (ECHL, 1998-2001) and Indianapolis (IHL, 1995-98). In his nine seasons as a professional head coach, Ferguson's teams never missed the playoffs. He is a two-time John Brophy Award winner as ECHL Coach of the Year, winning the honor in consecutive seasons with the Florida Everblades in 1998-99 and 1999-2000.

A native of Kingston, Ontario, Ferguson's illustrious 17-year career as a head coach in the United States Hockey League (USHL) with Sioux City (1981-90) and Des Moines (1990-95, 2001-04) garnered 517 career wins, the third-most in league history. Ferguson guided Sioux City to a pair of Clark Cup championships and won three Clark Cups with Des Moines. He is a three-time Gold Cup winner (U.S. Junior 'A' National Champion), five-time USHL Coach of the Year and five-time USHL General Manager of the Year.

Bob and his wife, Lisa, have two children: Brett and Kaylee; and two grandchildren: Caleb and Aiden. The family resides in San Diego. His son Brett serves as the Ducks' video coach.

POSTSEASON NOTES IN PLAYOFF SECTION

THE 2017-18 SEASON:

The Anaheim Ducks completed the regular season 44-25-13 for 101 points, finishing second in the Pacific Division, tied for fourth in the Western Conference and tied for eighth in the NHL (MIN)...with 101 points, Anaheim became the only NHL team to post 100+ points in each season from 2013-18.

THE FINISH:

The Ducks finished the regular season as one of the NHL's top teams, winning their last five regular-season games (tying with WPG for the longest active streak to end the season) and their last seven home games (second longest to WPG, 9)...the Ducks also went 10-1-1 with a .875 points percentage (second in the NHL to WPG) in their final 12 games...Anaheim also went 17-5-2 over the last 24 games (fourth in NHL) and 25-10-4 after the bye week (Jan. 13, tied for fourth in NHL)...over the last 47 regular-season games, the Ducks went 30-12-5 (also tied for fourth in NHL).

ON DEFENSE:

The Ducks finished the season allowing only 209 goals, third-best in the NHL...Anaheim was the NHL's top defensive team after the All-Star break, allowing only 73 goals in 32 games (league-leading 2.28 GAA), eight fewer than anyone else in the NHL (LA, 81 goals)...the Ducks got even stingier down the stretch, allowing only 49 goals in the last 24 games (leading-league 2.04 GAA), 12 fewer than anyone else in the NHL (ARI, 61).

CLINCHED:

The Ducks clinched their sixth consecutive trip to the Stanley Cup Playoffs Apr. 4, equaling the second-longest streak in the NHL...only Pittsburgh had a longer streak with 12 (Minnesota also has six consecutive)...the Ducks entered 2018 playoffs with the most postseason wins in the Western Conference since 2014 (31-22) and rank tied for second in the NHL (Pittsburgh 40, New York Rangers 31).

RECORD-SETTING SEASON:

The Ducks established a franchise record with a .923 SV%, which co-led all NHL teams (NSH)...the previous team record for SV% in a single season was .921, set during the 1998-99 campaign...both Ryan Miller (.928) and John Gibson (.926) surpassed the individual single-season franchise record for SV% (.924, Jonas Hiller in 2010-11, Gibson in 2016-17)...Miller ranked fifth among NHL goaltenders in SV%, while Gibson ranked eighth in SV%, 10th in wins (31) and tied for ninth in shutouts (4)...from the All-Star break through the end of the regular season, Gibson led league netminders in GAA (1.95; min. 20 games) and SV% (.937; min. 20 games) to go along with a 14-4-2 record...Gibson concluded the regular season with a 21-7-3 record in his last 31 decisions.

POSTSEASON NOTES IN PLAYOFF SECTION

THE 2016-17 SEASON:

The Anaheim Ducks clinched the 2016-17 Pacific Division for the fifth straight season with a 46-23-13 record and 105 points...the Ducks were the seventh different team in NHL history to win five consecutive division titles, joining the Colorado/Quebec franchise (9 straight from 1995-03), Montreal (8 from 1975-82), Detroit (8 from 2001-09), Edmonton (6 from 1982-87), Dallas (5 from 1997-01) and Vancouver (5 from 2009-13)...Anaheim was also the only team to win the Pacific Division five consecutive years since its creation in 1993-94...the Ducks won the division after falling nine points back of first place on three separate occasions, most recently being nine points behind San Jose on March 15 (91 San Jose points to 82 Anaheim points)...the Ducks eclipsed 100 points for the fourth consecutive season, joining the Chicago Blackhawks as the only teams to accomplish the feat.

DOWN THE STRETCH:

The Ducks went 29-11-7 for 65 points after the Holiday Break (games resumed Dec. 27), the second-best record in the NHL (WSH had 74 points)...the Ducks also allowed only 99 goals over that stretch, 12 fewer than anyone else in the NHL (WSH, 111 allowed)...the Ducks' penalty killing also led the NHL at 88.1% over that stretch...Anaheim also went 14-2-3 for 31 points from the end of its bye week on Mar. 3 through the remainder of the schedule, ranking second the NHL in points and wins (STL, 15 wins and 32 points).

STRONG FINISH:

Anaheim became the fifth team in league history to conclude the regular season on a 14-game (11-0-3) point streak...the Ducks were the first team to accomplish the feat since Pittsburgh finished the 1992-93 season

with points in 18 straight games...the other three teams included Montreal (21-game point streak in 1979-80), Philadelphia (14 in 1974-75) and Buffalo (14 in 1979-80)...the 11-0-3 run was the third-longest standings point streak in club history and tied for the second longest in the NHL this season (Columbus 16, Washington also had 14).

AT HONDA CENTER:

Anaheim's 29-8-4 record and 62 points at Honda Center tied franchise records in both categories...in addition, the club allowed the fewest goals at Honda Center in club history (82)...the Ducks won their final six home games (6-0-0) and closed the season with a 10-game point streak (9-0-1) at Honda Center.

CLINCHED:

Anaheim was one of six NHL teams and the only Pacific Division club that has qualified for the postseason in the previous five consecutive seasons, joining Pittsburgh (11 straight), Chicago (9), New York Rangers (7), St. Louis (6) and Minnesota (5)...during the five-year stretch, the Ducks posted a 227-104-45 record, leading the NHL in point percentage (.664) and points (499) and tied for second in wins.

The Ducks finished the regular season with a record of 47-30-5 for 99 points, ranking second in the Pacific Division and fourth in the Western Conference...the club's 47 wins were tied for the second-most in franchise history (48 in 2006-07 and 47 in 2007-08).

ANOTHER STRONG FINISH

With 20 games left, the Ducks were 32-25-5 with 69 points and ranked 11th in the Western Conference...the Ducks went 15-5-0 over the last 20 games, climbing to fourth in the West...during that stretch, **Corey Perry** led the NHL in goals and points (19-12=31 with a +12)...the Ducks also won their last two games, 10 of their last 13 (10-3-0), and went 29-13-1 over the last 43 contests.

PERRY WINS THE HART

Corey Perry won the 2010-11 Hart Memorial Trophy as "the player adjudged to be the most valuable to his team"...Perry was the first player from a Southern California team to win the Hart Trophy since Hall-of-Famer Wayne Gretzky earned the honor with Los Angeles in 1989...Perry was also just the third player from a California team to win the Hart, joining Gretzky and San Jose's Joe Thornton (2006)...his 50 goals also won him the Maurice "Rocket" Richard Trophy as the league's top goal scorer...he tied for the league lead in GWG (11, also Ovechkin), finished third in points (98), and tied for fifth in PPG (14) and SHG (4)

MORE PERRY

Perry's 50 goals were the most by a Ducks player since Teemu Selanne scored 52 during the 1997-98 season...he became the third player in franchise history to reach the 50-goal mark and the first in the Western Conference to score 50-or-more since Calgary's Jarome Iginla in 2007-08 (50)...Perry established

numerous franchise records in 2010-11, including game-winning goals, third-period goals, and shorthanded goals.

BETTER WITH AGE

Teemu Selanne (40 years old in 2010-11) recorded 31-49=80 points in 73 games...25 of Selanne's 31 goals came in a tied game or a one-goal contest...he was one of 15 NHL players to average over one point-per-game (eighth with 1.10)...the second-oldest player on that list was Tampa Bay's Martin St. Louis (35 yrs.) who averaged 1.21 points-per-game...Selanne ranked third in the NHL with 16 PPG and tied for eighth in overall scoring...only two players in NHL history age 40+ have recorded more points: (Gordie Howe (DET), 1968-98, 103 pts., 40 yrs, 276 days; Johnny Bucyk (BOS), 1975-76, 83 pts., 40 yrs, 234 days...on Mar. 28 vs. Colorado, he became the first player in history age 40+ to record three goals and five points (3-2=5) in a single game and the fourth-oldest player in NHL history to record a 3+ goal game (also Howe, Bucyk & Lidstrom).

VISNOVSKY LEADS THE PACK

Lubomir Visnovsky led NHL defensemen in scoring (68), assists (50) and points-per-game (.84), and ranked second in goals (18).

HILLER SHINES BEFORE SEASON CUT SHORT

Jonas Hiller went 26-16-5 with five shutouts, a 2.56 GAA and .924 SV% before having his season cut short due to vertigo symptoms...he made only three appearances following the All-Star break, missing a total of 27 games during the second half of the season...Hiller finished tied for fifth among NHL goaltenders in SV% (.924)...he was named to the NHL 2010-11 All-Star team, the lone goaltender to represent the Western Conference...he was the second Swiss-born player to appear in an NHL All-Star Game (also Mark Streit in 2009).

THE SEASON:

The Ducks completed the 2007-08 regular season with a mark of 47-27-8 record for 102 points, finishing second in the Pacific Division and fourth in the Western Conference...Anaheim eclipsed the 100-point mark for the second consecutive year, while setting new season club records for the fewest goals allowed (184) and most home wins (28)...Anaheim finished the year winning eight of its last 10 (8-2-0) and 15 of the last 20 games (15-4-1)...at Honda Center, the club went 12-1-0 in the last 13 games and 19-3-1 over the final 23 home contests...the club clinched a playoff berth for the third consecutive year and sixth time in franchise history on Mar. 26 vs. Los Angeles in a 2-1 shootout triumph.

DUCKS SELL OUT THE SEASON:

The Ducks' sellout vs. Phoenix on Apr. 6 (17,269) marked the club's 40th in 40 games at Honda Center in 2007-08, a complete sellout for the regular season...it was just the second time a local NHL team (Southern California market) had sold out a full (non-lockout) regular season...the 1991-92 Los Angeles Kings were the only other such team to do so at the 16,005-seat Forum...the Ducks set franchise attendance records last season for sellouts (40), average attendance (17,195) and percent capacity (100.12%)...the Ducks broke the team record for consecutive regular season sellouts on Feb. 22 against the St. Louis Blues when they surpassed the previous record of 51 straight regular season sellouts set from Dec. 22, 1993-Oct. 20, 1995...the Ducks finished the regular season with a sellout streak of 74 games, the third-longest active regular season sellout streak among U.S.-based NHL teams (behind only Minnesota and the NY Rangers).

LEADERS BY ADDITION:

The Ducks went 20-5-1 after the return of right wing **Teemu Selanne** on Feb. 5 against the New York Islanders at Nassau Coliseum...the Ducks also had similar success when they welcomed the return of defenseman **Scott Niedermayer** and arrival of center **Doug Weight**...the Ducks owned the best winning percentage in the NHL after Selanne's return on Feb. 5 (.788) and the best winning percentage following Niedermayer's return on Dec. 16 (.708)...below is a closer look:

POSTSEASON NOTES IN PLAYOFF SECTION

PLAYOFF BOUND

The Ducks finished the regular season with a record of 43-27-12, good for 98 standings points and a sixth place finish in the Western Conference...the club clinched a playoff spot on Apr. 10 @ VAN, the fourth post-season berth in club history.

A RECORD-BREAKING SEASON

The Ducks set club-records in wins (43) and points (98), eclipsing the previous marks of 40 and 95, respectively, set in 2002-2003...Anaheim's 26 wins at HOME (26-10-5) also set a club-record, breaking the record of 23 in 1996-97 (23-12-6)...the Ducks also set club-records for goals scored with 251 (not including team goals awarded in shootouts) and power play goals with 87...all of these marks were broken again the next season (2006-2007).

STEADY CLIMB

On Jan. 13, the Ducks were 10th in the Western Conference (19-16-7, 45 points) and eight points out of the last playoff spot (occupied at the time by Colorado)...from that point on, Anaheim had a record of 24-11-5 for 53 points...the Ducks became just the fourth NHL team to qualify for the playoffs when trailing the 8th place position by 8 points-or-more anytime after Jan. 1...the first three teams to do so were the NY Islanders (1993-94 - finished 7th), Ottawa Senators (1996-97 - finished 7th) & Vancouver Canucks (2001-2002 - finished 8th)...the San Jose Sharks followed suit by becoming the fifth such team to accomplish the feat...the NHL standings switched to the current format in 1992-93.

ANOTHER GREAT SEASON

Ducks Captain **Scott Niedermayer** established then career highs in points, assists and games played with 13-50=63 points in 82 games in 2005-2006...his assist and point totals were new franchise records for a defenseman (records he broke again the following season)...Niedermayer finished the season ranked 6th in the NHL in points and T-4th in assists by a defenseman...in his Norris Trophy winning season of 2003-04, Niedermayer scored 14-40=54 points in 81 games...in January, he was named to Canada's Olympic Team but elected not to play so he could have arthroscopic knee surgery during the Olympic Break...after the Olympic Break, he scored 4-17=21 points in 25 games in leading the Ducks to a 16-8-1 record...he was one of four Ducks' players to play in every game, marking the first time in his career he played all 82 games.

FLASHY FINN

Ducks right wing **Teemu Selanne** scored 40-50=90 points in 80 games with a +28 rating...he led the Ducks in goals, points, plus/minus, power play goals (18) and shooting percentage (15.0%)...after leading Finland to the Silver Medal at the 2006 Winter Olympics (was named best forward in the tournament), Selanne had 14-22=36 points with a +8 rating in his last 25 games (only Thornton and Cheechoo of SJ had more points)...his 40 goals are the most he scored in one season since 1998-1999, when he scored 47...he finished the season ranked T-13th in the NHL in points, T-10th in goals.

The Mighty Ducks finished the 2002-2003 season with a record of 40-27-9-6 for 95 points, good for 2nd in the Pacific Division and 7th in the Western Conference (tied in points with Minnesota, who earned the #6 seed by virtue of two more wins)... Anaheim set club records for wins and points in one season, surpassing the old records held by the 1996-97 Ducks (36-33-13 for 85 points)... the Ducks also finished 13 games over .500, after never being more than five games over .500 at any point during a season until this year (high-water mark was 14 games over, 40-26-9-5 after winning Apr. 1 @ NSH)...the Ducks clinched their third playoff berth in team history (also '97 & '99) on Mar. 24, when Calgary defeated Phoenix at the Saddledome...about 90 minutes later that evening the Ducks made the Phoenix loss moot, completing a 5-0 shutout vs. Columbus at -the Pond.

Tokyo on Oct. 3-4. The games marked the first NHL regular season contests outside of North America...**Teemu Selanne's** sensational season included an 11-game goal scoring streak, three hat tricks, 10 game-winning goals, a club-record 13 goals in a month (November), a hat trick in the All-Star game, a Bronze Medal at the Winter Olympics, and a league-leading 52 goals (tied with Peter Bondra)...Selanne also became just the fourth player in NHL history to record at least 25% of his teams goals in one season...**Paul Kariya** suffered a season-ending concussion on Feb. 1 vs. Chicago and appeared in only 22 games on the season.

1995-96 SEASON:

Final Record: 35-39-8, 78 points (fourth, Pacific)...nearly qualified for a Western Conference playoff spot (the Ducks actually finished tied-for-8th in the conference with Winnipeg, but lost the tie breaker because the Jets had more wins)...Anaheim's 35 wins and 78 points marked new club records for one season...the Mighty Ducks finished out the season strong, going 6-1-1 in their last eight games and 12-3-2 in their last 17 games...the Ducks did a lot of their late-season damage at home, going 11-1-2 in their last 14 home games...Anaheim also had a 15-6-3 record in the last 24 contests and a 17-8-3 record in the last 28...the Ducks went 33-31-8 over the last 72 games after starting the season 2-8-0...the Mighty Ducks' home record was 22-15-4 (22 home wins was a franchise record for one season)...Anaheim ended the season with a club-record nine-game home unbeaten streak (8-0-1)...the Ducks went 11-1-2 in their last 14 at the Arrowhead Pond and 13-5-3 in their last 21...road record was 13-23-4...Anaheim had one of the best records in the NHL since March 1 (12-4-3); the second-best in the Western Conference...the Mighty Ducks earned 34.6% of their points on the season in the team's 19 games after March 1...**Paul Kariya** became the first Mighty Duck to make First Team NHL All Star, earning a spot on the 1995-96 squad at left wing. He also won the Lady Byng Trophy for the first time in his career...Here are a few facts of how Anaheim's acquisition of **Teemu Selanne** affected the Mighty Ducks...after Feb. 7, the day the trade went down: Anaheim

earned a record of 17-9-3 (11-1-2 at home, 6-8-1 on the road)...the team earned club-records in overall winning streak (six games, Mar. 8-22), home winning streak (five games, Mar. 8-Apr. 3), home unbeaten streak (Mar. 8-Apr. 14, 8-0-1) and overall unbeaten streak (seven games, 6-0-1, Mar. 10-24)...the Ducks' power play went 29-145 for a .200 success rate (team had only gone 31-281 for .110 before trade)...Anaheim had three hat tricks (two by Selanne, one by **Garry Valk**). The Ducks had only one in their history before the arrival of Selanne (Terry Yake - Oct. 19, 1993 @ NYR)...Selanne's offensive numbers with Anaheim were 16-20=36 points in 28 appearances (1.29 points-per-game)...Paul Kariya's offensive numbers were 21-23=44 points in 29 appearances (1.52 points-per-game) after Selanne joined Anaheim...The Mighty Ducks were one of only three NHL clubs (also Colorado and Pittsburgh) to finish with two players in the top eight scoring leaders in 1995-96 (Paul Kariya, 50-58=108 pts. and Teemu Selanne, 40-68=108 pts.)...Anaheim was one of only eight teams in the NHL with a .900-plus team save percentage (.906) and a team goals-against-average (GAA) below 3.00 (2.97)...Anaheim finished tied-for-fifth in the league in save percentage and 10th in the league in GAA...Anaheim goaltending combined for a .952 save percentage and 2.08 GAA in 19 games from March 1 to the end of the season...Individually, **Guy Hebert** finished fourth in the league in save percentage with .914 on the season and tied-for-fifth in the league in shutouts with four (three of which came in his last 14 games).

2008 DUCKS PLAYOFF NOTES

The Anaheim Ducks completed the 2007-08 regular season with a mark of 47-27-8 record for 102 points, finishing second in the Pacific Division and fourth in the Western Conference. The Ducks advanced to the NHL Playoffs for a franchise-record third consecutive season and faced the fifth-seed Dallas Stars for the second time in club postseason history. 2007 DUCKS PLAYOFF NOTES

CUP IN CALIFORNIA

By securing their first Stanley Cup championship in franchise history, the Anaheim Ducks also became the first team from California to win the Stanley Cup...their appearance in the Final marked just the fifth time since 1926 that a West Coast team competed for the Stanley Cup (also Vancouver (1982 & 1994), Los Angeles (1993) & Anaheim (2003))...the Ducks were the first West Coast team to win the Stanley Cup since the 1925 Victoria Cougars and the first U.S. team to win it since the 1917 Seattle Metropolitans.

KEEPING IT IN THE FAMILY

Rob and Scott Niedermayer were the first set of brothers to win the Stanley Cup together since Brent and Duane Sutter won with the 1983 New York Islanders (they also won Cup with Islanders in 1982)...they were the first set of brothers to compete on the same team in the Stanley Cup Final since Rich and Ron Sutter played for the Philadelphia Flyers in the 1985 Final vs. the Edmonton Oilers (lost)...the Niedermayers were also the first brother combination on opposing clubs to appear in the Stanley Cup Final since 1946 when they met in the 2003 Stanley Cup Final.

YOUTH RAISE THE CUP

The 2007 Champions had the largest contingency of players (11) in their first or second NHL year on one Stanley Cup roster...the 1986 Montreal Canadiens are the only team that comes close to the Ducks number of first or second year players on a Stanley Cup winning roster with 10...below is a list of Ducks that were in their first or second NHL season that played in at least one game with the club during their playoff run:

Ilya Bryzgalov
Francois Beauchemin
Ryan Carter
Ryan Getzlaf
Kent Huskins
Chris Kunitz

Drew Miller
Dustin Penner
Corey Perry
Aaron Rome
Ryan Shannon

FOUR SCORE:

The Ducks were the first team since the 1989 Calgary Flames to have one player or fewer to have previously won the Stanley Cup...Scott Niedermayer was the only Ducks player who has previously won the Cup with the 1995, 2000 and 2003 New Jersey Devils...the 1989 Flames entered the Stanley Cup Final without a single player who had previously won a Cup.

ROOKIES CHIP IN

The Ducks had five rookie players on their roster who competed in at least three 2007 playoff games...the last Stanley Cup championship team to have more than five rookies compete in at least three playoff games during a postseason run were the 1986 Montreal Canadiens, who had eight...below is a list of the rookies on the Ducks Stanley Cup winning roster that competed in at least three playoff games in 2007:

Ryan Carter
Kent Huskins
Drew Miller
Dustin Penner
Ryan Shannon

WASTING LITTLE TIME

The Anaheim Ducks secured the Stanley Cup in just 21 games...with the 1992 Pittsburgh Penguins, the Ducks were the 5th (tied) fastest run to winning the Stanley Cup in NHL history since the best-of-seven series was implemented in 1987.

CHECKING LINE BECOMES SCORING LINE

The Ducks line combination of **Samuel Pahlsson-Rob Niedermayer-Travis Moen** was the Ducks checking line all season, but in addition to their defensive responsibilities, all three became prolific scorers in the postseason...the line combined for 15-19=31 points in 21 postseason games, including six GWGs...Moen recorded the game-winner in Game Five of the SCF on June 6 vs. OTT (also recorded the first two-goal game of his postseason career) and the OT goal in Game Four of the CSF on May 1 @ VAN...in addition, he also scored the game-winner in Game One of the SCF vs. OTT...Pahlsson had two game-winners (May 30 vs. OTT in Game Two of the SCF, 1-0 victory and May 22 vs. DET in Game Six of the WCF, 5-3 victory) and R. Niedermayer had one game-winner (Apr. 15 vs. MIN in Game Three of the CQF)...the trio recorded a combined +24 rating throughout the 2007 Stanley Cup Playoffs.

BROTHERS TEAMING UP WHEN IT COUNTS

Brothers **Scott** and **Rob Niedermayer** both had vital roles in three of the Ducks' playoff victories...on May 3 in their series-clinching game vs. Vancouver in the CSF, Rob's hit on Jannik Hansen helped to turn the puck over for Scott's OT goal against Roberto Luongo...on May 13 at Detroit in the WCF, Rob had the first assist on Scott's second OT goal in as many games...in Game One of the Stanley Cup Final on May 28 vs. Ottawa, both Rob and Scott assisted on **Travis Moen's** game-winning goal as the Ducks held onto a 3-2 victory.

2006 DUCKS PLAYOFF NOTES

DUCKS SET PLAYOFF TEAM MARKS

The Ducks set a club record for goals in a playoff season, scoring 46 times in 2006...other notable team records set in 2006, were most goals in a playoff game (6 @ EDM on 5/25), goals in a period (4, twice in 2006), penalty minutes in a playoff season (267) and penalty minutes in a series (vs. CGY)...the club also tied the mark for playoff goals in a series (17, vs. CGY; also vs. PHX in 1997).

ROOKIES MAKE THEIR MARK

Of the 128 team points (48-80=128) the Ducks scored during the postseason, Anaheim rookies accounted for 12-25=37 of them (28.9%)...the 37 rookie points were the most in one playoff year since the 1993 Los Angeles Kings had 40 rookie points...of the 16 goals the Ducks scored in the Western Conference Semifinals series versus Colorado, three were scored by rookies and all but three figured a rookie on the score sheet...the last time a team had six rookies play a game in the Conference Finals was the 1991 Boston Bruins (although only one, Jeff Lazaro, played all six games of the series).

TWO STILL PLAYING

Anaheim was the only NHL organization to have both their NHL team and AHL affiliate reach each respective league's conference final...The Portland Pirates clinched the Atlantic Division Final Series, defeating the Hartford Wolfpack four games to two to advance to the Eastern Conference Final, where they fell to the Hershey Bears 4-3.

SIX IN A ROW

With their Western Conference Semifinal series-clinching win in Game 4 (May 11) versus COL, the Ducks tied the franchise record for consecutive playoff victories with six...the record was set during the 2003 postseason from 4/10/03-4/26/03...the Ducks swept Detroit in the conference quarterfinals and won their first two games at Dallas in the conference semifinals.

13 UNANSWERED

The Ducks scored 13 unanswered goals, from Game 6 (May 1) versus Calgary in the Western Conference Quarterfinals to Game 3 (May 9) versus Colorado in the Western Conference Semifinals...the Flames scored at 10:18 of the first period and the Ducks scored 13 goals without allowing a goal against until Dan Hinote scored at 19:33 of the first period in Game 3...The last team to score 13 or more unanswered goals in the postseason was Detroit with 14 from 5/15/95-5/23/95.

MARCHANT TIES RECORD

Ducks center **Todd Marchant** tied the club record for most assists in a playoff game with three in Game 4 (May 25) of the Western Conference Finals at Edmonton...the feat had been accomplished three times previously (Dustin Penner, 5/9/06 @ COL, Steve Rucchin, 4/21/99 @ DET and Petr Sykora, 4/26/03 @ DAL).

NOBODY BEATS THE BRYZ

Ilya Bryzgalov tied an NHL record with three consecutive shutouts (done five times previously) in Game 7 of the Conference Quarterfinals versus Calgary (May 3), Game 1 (May 5) and Game 2 (May 7) of the Conference Semifinal versus Colorado... In addition Bryzgalov's shutout sequence of 249:15, is the second-longest in NHL postseason history and is the longest ever by a rookie. Gerry McNeil previously held the rookie record at 218:42...Bryzgalov stopped 98 consecutive shots.

LONGEST SHUTOUT SEQUENCE BY A GOALTENDER IN ONE PLAYOFF YEAR

Streak	Goaltender	Team	Dates
270:08	George Hainsworth	Canadiens	3/28-4/3, 1930
249:15	Ilya Bryzgalov	Ducks	5/3-5/7, 2006
248:35	Dave Kerr	Rangers	3/25-4/6, 1937
248:32	Normie Smith	Red Wings	3/24-28, 1936
218:42	Gerry McNeil	Canadiens	3/27-31, 1951
217:54	J.S. Giguere	Ducks	5/5-16, 2003

FIRST IN 61 YEARS

In Game 1 (May 5) versus COL, Ducks goaltender **Ilya Bryzgalov** became the first rookie to record consecutive shutouts in the playoffs since 1945...the last rookie goaltender to post consecutive shutouts in the postseason was Toronto's Frank McCool in April of 1945...McCool had three consecutive shutouts versus Detroit on April 6, 8 and 12...Bryzgalov tied him for the rookie record.

ANOTHER ONE FOR BRYZ

Ilya Bryzgalov is only the fourth rookie goaltender to win all four games of a playoff series sweep...the others are Chicago's Tony Esposito in 1970 vs. Detroit; Montreal's Jacques Plante in 1954 vs. Boston; Montreal's Bill Durnan in the 1944 Stanley Cup Finals versus Chicago.

2006 DUCKS PLAYOFF NOTES

BRYZ SHUTS THE DOOR

Ilya Bryzgalov's shutout in Game 7 (May 3) of the Western Conference Quarterfinals at Calgary was the first shutout by a rookie in a Game 7 since May 15, 1993, when Felix Potvin of Toronto shutout St. Louis...in addition, it was only the third shutout in a Game 7 by a rookie in NHL history as the New York Islanders' Chico Resch was the first goalie to do so in 1975 at Pittsburgh...Bryzgalov led the NHL in GAA (1.46), SV% (.944) and shutouts (3).

SELANNE WITH ANOTHER DUCK RECORD

Ducks right wing **Teemu Selanne** had points in seven straight playoff games (Apr. 23-May 5), scoring 4-5=9 points, tying a club record for longest playoff point streak (also, Dmitri Mironov (0-8=8 points), Apr. 24-May 8, 1997).

PENNER IN THE FRANCHISE RECORD BOOK

With three assists in Game 3 (May 9) of the Conference Semifinals versus Colorado, Ducks left wing **Dustin Penner** tied the franchise record for most assists in a playoff game (done twice previously, Steve Rucchin, 4/21/99 @ DET and Petr Sykora, 4/26/03 @ DAL)...his three assists are the first ever recorded by a rookie in a single playoff game in team history.

RALLY

Anaheim's Western Conference Quarterfinal win versus Calgary marked the second time the club has ever rallied from a series deficit to win (also 1997, down 3-2 vs. PHX, won series 4-3).

DECIDING RECORD

With their 3-0 victory in Game 7 (May 3) of the Western Conference Quarterfinal at Calgary, the Ducks improved their record in Game 7s to 2-1...the win at Calgary was the Ducks' first series clinching game on the road...in their first ever Game 7 (April 29) versus Phoenix in the 1997 Conference Quarterfinals, the Ducks won 3-0...in Game 7 (June 9) of the 2003 Stanley Cup Finals, the Ducks dropped a 3-0 decision to the New Jersey Devils.

PERFECT IN GAME 6

With a 2-1 victory in Game 6 (May 1) in Anaheim, the Ducks extended their perfect record in Game 6s to four games...below is a list:

Date	Series	Opponent Score
May 1, 2006	CQF vs. CGY	W, 2-1
June 7, 2003	SCF vs. NJ	W, 5-2
May 5, 2003	CSF vs. DAL	W, 4-3
April 27, 1997	CQF @ PHX	W, 3-2 (OT)

TWO FOR THE ROOKIES

Mighty Ducks defenseman **Francois Beauchemin's** two goals (both PPGs) in Game 3 of the Western Conference Quarterfinals set a club record for goals in a playoff game by a rookie...in addition, he tied the club record for most goals in a playoff game (eight times previously), most goals by a defenseman in a playoff game (J.J. Daigneault, Game 2 of CQF, April 18, 1997) and most power play goals in a playoff game (Adam Oates, Game 4 of WCF, May 16, 2003)...**Dustin Penner** tied the record with two goals in Game 4 (May 25) of the Western Conference Finals.

OH WHAT A NIGHT

In Game 3 (May 9) at Colorado in the Western Conference Semifinals, **Jeffrey Lupul** scored all four of the Ducks goals, including the game-winner in overtime...in doing so, he became the first player in NHL playoff history to score four goals, including the overtime winner...the four-goal game was the first ever by a Ducks player in the postseason or regular season...he's the first player to account for all four of his team's goals in a win since Maurice "Rocket" Richard did so on March 23, 1944...the feat had been accomplished twice previously...prior to Lupul's four goals, the last player to score four goals in a playoff game was Theo Fleury on May 13, 1995 for the Flames in a 6-4 win over San Jose...below is a list of players to account for all four of their teams goals:

PLAYERS TO SCORE 4+ GOALS, ACCOUNTING FOR ALL HIS TEAM'S GOALS (NHL PLAYOFF HISTORY)

Date	Teams	Goals
05/09/2006	ANA 4 vs COL 3	Jeffrey Lupul 4 (win)
04/26/1993	NYI 4 at WAS 6	Ray Ferraro 4 (loss)
04/10/1986	CHI 4 vs TOR 6	Denis Savard 4 (loss)

03/22/1919	MTL 4 at SEA 2	Newsy Lalonde 4 (win)

LUPUL'S BIG NIGHT

Ducks right wing **Jeffrey Lupul** became the first Ducks player to score four goals in a playoff or regular season game...in addition, Lupul broke the playoff record for goals in a series; he had six in four games in the Western Conference Semifinal series versus Colorado (Paul Kariya and Teemu Selanne each had five goals in the 1997 Conference Quarterfinals versus Phoenix, seven games)...he has also eclipsed the record for goals in a playoff season with nine (seven was the previous record, done three times: Paul Kariya and Teemu Selanne in 1997, 11 games; and Steve Rucchin, 2003, 21 games)...his three-game goal streak (6-0=6) from May 7-11, is the longest goal streak in club playoff history.

2003 DUCKS PLAYOFF NOTES

DUCKS CAPTURE FIRST WESTERN CONFERENCE CHAMPIONSHIP

The Ducks finished the 2003 playoffs with a record of 15-6, recording the highest winning percentage in the NHL (.714)...the Ducks had a 9-1 record at home during the playoffs, second only to New Jersey's 12-1 mark...Anaheim swept the Minnesota Wild to win the Western Conference Championship, advancing to the Stanley Cup Finals for the first time in club history...the Ducks became the second post 1990's expansion team to reach the Finals, following the Florida Panthers in 1996 (vs. Colorado)...since the NHL assumed control of the Stanley Cup Finals after the 1926 season, the Ducks were only the fourth team in league history from the Pacific Time Zone to reach the Finals (Vancouver in 1994 and 1982, Los Angeles in 1993).

TEAM DEFENSE LEADS TO NHL RECORD

The Ducks set an NHL record in their Western Conference Finals series vs. Minnesota, allowing the fewest goals against in a best-of-7 series by allowing just a single marker to the Wild...Andrew Brunette scored at 4:37 of the first period in Game Four to notch the first Minnesota goal...the 1935 Toronto Maple Leafs and 1952 Detroit Red Wings each surrendered two goals in four-game series.

OVERTIME MAGIC FOR DUCKS IN 2003

The Ducks went 7-0 in overtime in the 2003 playoffs, becoming the first team in NHL playoff history to go undefeated in OT when playing in at least six such contests...the seven consecutive overtime wins was second only to the 1993 Canadiens (10) for consecutive OT wins during one playoff season (Montreal finished 10-1 in OT)...Anaheim was the first team in NHL history to win four games in overtime in their first six postseason contests (Ducks were also the sixth team in NHL history to PLAY in four OT games in the first six playoff contests...the Ducks also became the first team since the 1994 Vancouver Canucks (April 26-30) to win three straight playoff games in overtime (no team has ever won four straight)...the Ducks won three straight spanning Game 4 of the conference Quarter-Finals (Apr. 16) and Games 1 & 2 of the conference Semi-Finals (Apr. 24-26)...the Ducks had six different goal scorers in the seven overtime games (Sykora had two; Kariya, Rucchin, Leclerc, Thomas and Salei had one).

DUCKS TAKE CARE OF BUSINESS AT HOME:

The Ducks finished 9-1 at home in the playoffs, including seven-straight home wins to end the postseason (second longest of '03 playoffs, behind New Jersey's eight)...the club's only loss was a 2-1 setback to Dallas in Game 3 of the Conf. Semifinals...the Ducks earned a record of 3-1 in Game 3, 4-0 in Game Four and 2-0 in Game 6...the club out-scored the opposition 26-to-13 at home this postseason...the Ducks allowed one-goal-or-fewer on five occasions.

WINNING THE CLOSE ONES

The Ducks had a remarkable 12-1 record in the 2003 playoffs in games decided by one goal-or-less...the 12 one-goal wins tied the most in league history during one playoff year (also 1993 Canadiens)...The Ducks two-goal win in Game 1 of the Western Conference Finals broke a string of nine consecutive wins by a one-goal margin (4/10/03 - 5/10/03), which broke the record for one playoff year...the previous record was seven, done twice before (1989 Canadiens and 2001 Kings)...five of the games needed overtime to be decided...the Ducks eight consecutive one-goal decisions to start the playoffs tied the record for one playoff year (1989 Canadiens).

MOST 1-GOAL WINS IN A SINGLE POST SEASON

PLAYOFF SPECIAL TEAMS

The Ducks went 8-for-70 (11.4%) overall on the power play in the postseason (ranking 13th)...the club was 61-for-70 (87.1%) on the penalty kill (ranking fifth)...Anaheim scored its first-ever shorthanded goal in a playoff game in Game 1 @ DAL (4/24/03 - Rob Niedermayer) and had three in the playoffs (tied for most in NHL with Ottawa).

OFF AND RUNNING

The Ducks began the playoffs on a six-game winning streak, which was the longest of the 2003 playoffs...by going 6-0 vs. Detroit and Dallas, Anaheim became the first team in NHL history to win six-straight games to start the playoffs vs. teams that had over 100+ points in the regular season...in addition, the Ducks joined the former Minnesota North Stars (now Dallas Stars) as the only teams in NHL history to start the postseason as a road team and win six-straight...the North Stars won six straight from April 8-19, 1981.

1997 DUCKS PLAYOFF NOTES

After defeating Phoenix in the first round, Anaheim was matched up with the number three seed in the West, the Detroit Red Wings. The Mighty Ducks had defeated the Red Wings, 3-0-1, in the regular season series. The playoff series between the two would have a different result, with Detroit winning the first four games, eliminating Anaheim from the 1997 Stanley Cup Playoffs. Though Detroit officially earned a sweep in the series, it was a lot closer than the numbers would indicate. Three of the games went into overtime, including one that went into double overtime and one that went into triple overtime. The goaltenders were the stars of the series, with Guy Hebert, Mikhail Shtalenkov and Mike Vernon combining for 333 total saves on 354 total shots (.941 SV%). Paul Kariya (2-2=4) and Dmitri Mironov (0-4=4) led Anaheim in scoring for the playoff series while Sergei Fedorov (2-3=5), Vyacheslav Kozlov (3-1=4), and Vladimir Konstantinov (0-4=4) led Detroit in scoring.

score midway through the third period, with Sergei Fedorov scoring his first goal of the post-season, sending the game into overtime. Fedorov's goal was Detroit's first goal vs. Anaheim since March 12 at the Arrowhead Pond, snapping the Mighty Ducks' shutout streak vs. the Red Wings at 145:13. The goal was also the first allowed by Hebert in the playoffs since Game 6 of the Quarterfinals @ Phoenix (a span of 120:46). In the extra period, Martin Lapointe scored on a two-on-one break just 59 seconds into overtime to give the Red Wings the 2-1 win. Guy Hebert stopped 28-of-30 shots, taking the loss.

GAME TWO @ DETROIT (MAY 4), DETROIT 3, ANAHEIM 2 (3 OT)

The Mighty Ducks played the longest game in team history (since surpassed), going into three overtime periods before dropping a 3-2 decision to the Red Wings. Vyacheslav Kozlov scored a power play goal at the 1:31 mark of the third overtime to give Detroit the win. There were 101:31 minutes of hockey played in the game that began at 2:08 p.m. and ended at 7:39 p.m. The two clubs combined for 122 shots (Wings - 71, Ducks - 51), the third-most shots by two teams in NHL playoff history. Detroit's 71 shots rank third all-time for one team. These rankings are since 1963 - the earliest year Elias Sports Bureau can research the stat. Kozlov's power play goal marked Detroit's first goal with a man-advantage vs. Anaheim this season (the Ducks had stopped all 22 Wings power plays faced this season before Kozlov's score). Mikhail Shtalenkov stopped 38-of-40 shots in relief of Guy Hebert, who left the game due to injury (Shtalenkov entered the game at the 7:02 mark of the third period). Jari Kurri scored his first goal of the playoffs while Teemu Selanne added his sixth of the post-season with just 3:07 left in regulation to send the game into overtime.

Daigneault (0-2=2) had multiple-point games for the Mighty Ducks. These rankings are since 1963 - the earliest year Elias Sports Bureau can research the stat.
