## IN MEMORIUM

# GEORGE GUND III

1937-2013

George Gund III, the original and long-time owner of the San Jose Sharks, passed away on Jan. 15, 2013 at the age of 75 after a courageous battle with cancer.

In his memory during the 2012-13 season, the Sharks will wear a helmet decal and, later, a jersey patch bearing his initials: GG III.

In 1990, Gund, a long-time Bay Area resident, along with his brother Gordon, relinquished their ownership stake in the National Hockey League's Minnesota North Stars in exchange for the rights to an expansion NHL franchise in the Bay Area.

The Gundts announced in Sept. 1990 that the team would be named the "Sharks" and that their permanent home would be in San Jose. And on Oct. 4, 1991, the team played their first National Hockey League game.

George Gund could be considered the biggest fan the Sharks franchise ever knew. He was a regular at home and road games, following the team intently, regardless of his location on the globe. He was a life-long fan of the game, and could be found skating on the ice at HP Pavilion hours before games well into his 60's. Everywhere he went, he could always be found wearing his Sharks lapel pin on his jacket.

In 1996, Gund was named as the recipient of the Lester Patrick Award, presented for "outstanding service to hockey in the United States."

Gund sold the Sharks franchise to Sharks Sports & Entertainment in 2002 but continued to attend Sharks games whenever he could. In 2008, he was inducted into the San Jose Sports Hall of Fame.

A lifelong philanthropist, Gund continued the George Gund Foundation, created by his father in 1952, with the sole purpose of contributing to human well-being and the progress of society. In 2004, George and Lara created the Lara Lee and George Gund III Foundation. The couple also shared a passion for film and art.

Along with the North Stars, Gund previously held ownership roles within the NHL's California Golden Seals and Cleveland Barons, and the NBA's Cleveland Cavaliers.

"George Gund III will always have a special place in the hearts of Sharks fans for his role in bringing the team to San Jose," said the ownership group of Sharks Sports & Entertainment. "His love for the Sharks and the game of hockey cannot be captured in words. George was a trailblazer and he knew that NHL hockey could not only survive, but thrive in the Bay Area. The Sharks organization will always serve as a proud reminder of George's passion. He will be greatly missed and our condolences are with his family."

## ABOUT SHARKS SPORTS & ENTERTAINMENT

In Aug. 2011, the parent company of the National Hockey League's San Jose Sharks announced the creation of Sharks Sports & Entertainment.

Originally founded as Silicon Valley Sports & Entertainment in 2000, Sharks Sports & Entertainment's goal is to leverage the organization's core competencies to grow and/or acquire synergistic businesses and provide world-class sports and entertainment, while maintaining a championship-caliber National Hockey League team in San Jose.

The new Sharks Sports & Entertainment logo incorporates aspects of the San Jose Sharks well-known mark and includes the team's colors: Pacific Teal, Black and Orange.

Sharks Sports & Entertainment currently oversees the business operations of several entities across the United States.

In California, Sharks Sports & Entertainment operates the National Hockey League's San Jose Sharks, the SAP Open ATP World Tour Tennis Tournament, the management of HP Pavilion at San Jose and select HP Pavilion events.

In Memphis, Tenn., Sharks Sports & Entertainment operates two tennis properties; the ATP World Tour men's tournament and the WTA international women's tournament, as well as The Racquet Club of Memphis – an 188,000 square foot, full-service racquet, swim and fitness club.

In Worcester, Mass., Sharks Sports & Entertainment runs the American Hockey League's Worcester Sharks, the San Jose Sharks top development hockey affiliate.

In addition, Sharks Sports & Entertainment manages all or parts of several ice facilities in the Bay Area, including Sharks Ice at San Jose (the San Jose Sharks official training facility), Sharks Ice at Fremont and Oakland Ice Center operated by Sharks Ice. Sharks Ice at San Jose, one of only ten facilities in the United States with four or more NHL-size rinks, is the largest facility of its type under one roof west of the Mississippi River. The Sharks Ice family of ice rinks is home to the No. 1 ranked adult hockey league with over 4,500 registered adult players, according to USA Hockey.

Other properties that Sharks Sports & Entertainment has previously managed include Major League Soccer's (MLS) San Jose Earthquakes, including during their first MLS Championship season in 2001; the National Lacrosse League's (NLL) San Jose Stealth; the San Jose Grand Prix; "Fight Night at the Tank" boxing series; and Strikeforce Mixed Martial Arts.

Many business arrangements similar to Sharks Sports & Entertainment permeate the sports and arena management industry, such as Monumental Sports & Entertainment [Washington Capitals (NHL), Washington Wizards (NBA), Washington Mystics (WNBA) and the Verizon Center]; Canucks Sports & Entertainment [Vancouver Canucks (NHL), Rogers Arena and formerly the Vancouver Grizzlies (NBA)]; Altitude Sports and Entertainment [Colorado Avalanche (NHL), Denver Nuggets (NBA), Colorado Rapids (MLS), Colorado Mammoth (NLL); Altitude Regional Sports Network, and the Pepsi Center]; Maple Leaf Sports & Entertainment [Toronto Maple Leafs (NHL), Toronto Raptors (NBA), Toronto Marlies (AHL), Toronto FC (MLS), Leafs TV, NBA TV Canada, GoTV Canada and the Air Canada Centre, ] and Palace Sports & Entertainment [Detroit Pistons (NBA), the Palace of Auburn Hills, the DTE Music Theatre and formerly the Tampa Bay Lightning (NHL)].

## MALCOLM BORDELON

EXECUTIVE VICE PRESIDENT OF BUSINESS OPERATIONS

**M**alcolm Bordelon enters his 19th season with Sharks Sports & Entertainment (SSE) and the San Jose Sharks, his 17th as executive vice president of business operations. Bordelon previously served as vice president, broadcast and media marketing since joining the club in July 1994.

Bordelon, 54, oversees all business operations for the Sharks, including ticket sales and service; corporate partnerships, which includes suite sales and hospitality; broadcasting; marketing and digital media; event presentation; media and public relations; and fan development.

He also oversees business operations for the Worcester Sharks, the club's American Hockey League affiliate.

Furthermore, as a member of Senior Management, Bordelon is involved in review and pursuit of new business opportunities for SSE.

In addition to overseeing the business operations of the Sharks, Bordelon has played a key role in developing and is also responsible for managing parts of SSE, which oversees the business operations of several entities across the United States, including the Sharks, the Worcester Sharks, the SAP Open ATP World Tour Tennis Tournament, the management of HP Pavilion at San Jose and other select HP Pavilion events, the men's ATP World Tour men's tournament and the WTA international women's tournament in Memphis, TN, The Racquet Club of Memphis, and several ice facilities in the Bay Area, including Sharks Ice at San Jose (the San Jose Sharks official training facility), Sharks Ice at Fremont and Oakland Ice Center operated by Sharks Ice.

Bordelon played an integral role in the planning and launch of the Sharks updated logo for the 2007-08 season as well as the team's 20th anniversary marks for 2010-11. Bordelon also worked closely with Reebok/CCM and the National Hockey League to develop and coordinate the launch of re-designed Sharks uniforms in 1997 and 2007 and has been a central figure in the concept, design and implementation of the Sharks alternate "black" jersey.

In addition, Bordelon is the franchise contact for a number of NHL sponsorship, broadcasting and other business-related issues. In that capacity, he served as the team's primary contact and coordinator with the NHL for the 1997 All-Star Game as the Sharks and the City of San Jose played hosts to what has been called one of the most successful mid-season classics ever conducted. He also worked with the NHL as the club's main liaison for the Sharks two-game series vs. the Calgary Flames in GAME One Japan, the NHL's kick-off weekend to the 1998-99 season in Tokyo. Bordelon played a similar coordination role working with the NHL on the Sharks 2010-11 season opening games in Stockholm, Sweden vs. the Columbus Blue Jackets as part of the NHL Premiere games in Europe as well as an exhibition match vs. the Mannheim Eagles at SAP Arena in Mannheim, Germany.

The Sharks have also made significant gains in corporate partnerships under Bordelon's direction, including the naming of HP Pavilion at San Jose and the club level of the facility as the Comerica Bank Club and Citrix Suites. Since he joined the organization, numerous Bay Area high-tech companies have made their first forays into sports sponsorship with the Sharks and other SSE properties.

Bordelon is a member of The Alliance of Chief Executives, a community of business leaders that focus on strategic exchanges and challenging existing assumptions - leading to competitive advantage, and was named to the initial steering committee of the San Francisco Chapter of the National Sports Marketing Network, an industry trade organization for sports business professionals. Bordelon served on the board of the San Jose Downtown Foundation and also served as the San Jose Downtown Association president in 1998 and 1999. Bordelon is a member of the American Leadership Forum-Silicon Valley, (Class XVIII), a nonprofit organization dedicated to building a better Silicon Valley community by joining and strengthening leaders to serve the public good.

Bordelon joined the Sharks after spending six years as director of sponsorship sales and promotions with the Indiana Pacers. Previously, he spent seven years within the advertising industry, including stints in media sales with Carlisle Outdoor Advertising and advertising agencies Ogilvy & Mather and Cunningham & Walsh, claiming numerous national and local awards and citations for outstanding creative and professional achievement.

A native of Houston, he graduated from Texas Tech University with a degree in advertising. Upon his graduation, he was named the American Advertising Federation Outstanding Advertising Student and the Texas Tech School of Mass Communications Most Outstanding Student. In addition, on Oct. 16, 1999, Bordelon was awarded the "Outstanding Alumni of the School of Mass Communications" during Texas Tech's homecoming festivities. He and his family live in the Almaden area of San Jose.

## JIM GODDARD

EXECUTIVE VICE PRESIDENT, GENERAL MANAGER (HP PAVILION AT SAN JOSE)

**J**im Goddard enters his 22nd season with Sharks Sports & Entertainment and his 15th as executive vice president and general manager of HP Pavilion at San Jose.

Goddard, 63, oversees all facets of the building's operation, including ticket operations, event booking, guest services, parking, food services, engineering and facility technical operations. He's the point person for all discussions between building management and the City of San Jose. Goddard also implements and oversees all building improvements, from the design phase to final construction and sign-off.

In the summer of 2007, Goodard helped implement an ambitious, \$17.5 million capital upgrade project to HP Pavilion that included a new, multi-level LED scoreboard, LED full-color fascia display, a state-of-the-art seating area sound system, roof-rigging weight capacity increase, a new HDTV control room and an additional concourse level suite.

Goddard also oversaw two separate expansion and renovation projects of Sharks Ice at San Jose, which included the addition of a multi-million dollar, 58,000-square foot training and practice facility for the Sharks in August 2000 and a fourth sheet of ice in 2005. The facility is the largest ice facility under one roof west of the Mississippi River. ## DOUG WILSON

EXECUTIVE VICE PRESIDENT AND GENERAL MANAGER (SHARKS)

**S**ince being named the team's executive vice president and general manager on May 13, 2003, Doug Wilson has strategically built the San Jose Sharks into one of the National Hockey League's top franchises through strong drafting, shrewd trades and timely free agent signings.

In his eight seasons in charge of the Sharks hockey department, Wilson has guided the team to its most successful era since the franchise's inception, capturing a Presidents' Trophy (2009), five Pacific Division titles and advancing to the Western Conference Final on three occasions (2004, 2010, 2011).

In his tenure as general manager, only the Detroit Red Wings have appeared in more Stanley Cup Playoff rounds (19) than San Jose (17).

During that same span, the Sharks have averaged 106 points per season, rank second in the NHL in regular season points (849 points, 382-189-85 record) and are second in wins among all NHL teams.

The Sharks have eight consecutive 40+ win seasons (tied for second-most among current NHL teams) and they posted five consecutive 100-point seasons (2007-2011).

Wilson's focus in team-building is forging the team through drafting and development, retaining the organization's key players and making the Sharks organization a place that players want to come and play. Entering the 2012-13 season, since the 2003 NHL Entry Draft, Wilson's first at the helm of the team, Sharks draft selections have played the second-most games of any NHL team's draft picks (4,078), despite the organization having the lowest average draft position of any NHL team during that span (137.96).

In his current role, Wilson, 55, has overall authority regarding all hockey-related operations. He oversees all player personnel decisions, negotiates player contracts, coordinates the efforts of the team's scouting department, leads the team in its draft day preparation and administers the club's player evaluation process at all professional, minor and junior levels.

Wilson serves as one of the franchise's alternate governors to the NHL's Board of Governors

In his previous role as the team's director of pro development (1997-03), the 16-year NHL veteran's responsibilities included evaluating talent at all professional and minor league levels and continuous assessment of the Sharks roster and reserve list. In addition, he provided valuable input assisting in the club's player development programs and consulting with the hockey department on all major personnel issues, special assignments and contract negotiations.

Working closely with the entire hockey department, Wilson played a major role in creating a positive atmosphere in the dressing room and on-the-ice attractiveness to obtaining and retaining veteran free agents during the team's re-building period such as Vincent Damphousse, Mike Ricci, Gary Suter, Scott Thornton and Mike Vernon.

Wilson was an integral member of the NHL Players' Association for four years (1993-97). A past president of the NHLPA, he also served as coordinator of player relations and business development, where he was primarily responsible for overseeing player relations, the development of business ventures and managing international affairs.

Wilson sat on the board of the Canadian Hockey Association and has extensive experience in talent evaluation. He served as management consultant for Canada's entries in the 1994, 1995, 1996 and 1997 World Junior Championship tournaments — resulting in four consecutive gold medal finishes and also served on the management team for Canada's entry in the 1998 Winter Olympic Games.

Wilson draws on a vast amount of hockey knowledge and expertise throughout his on-and-off the ice experiences. His older brother, Murray, played seven NHL seasons, capturing four Stanley Cup Championships with the Montreal Canadiens (1973, 1976-78) as a teammate of Sharks current associate coach Larry Robinson. As a member of the Ontario Hockey League's Ottawa 67s, Wilson played for Hall of Famer Brian Kilrea, junior hockey's all-time winningest coach. During his tenure with the Chicago Blackhawks, he was a teammate of NHL legend Bobby Orr and a roommate with Hockey Hall of Famer Stan Mikita.

In 2004, Wilson was named to the NHL Game Committee, a panel of players, coaches, executives and media responsible for examining all aspects of the game. The committee, which initially met during the offseason, included Hall of Fame Coach Scotty Bowman, Pittsburgh's Chairman of the Board Mario Lemieux, among others.

A first round draft choice (sixth overall) by the Blackhawks in 1977 after a stellar junior career with the Ottawa 67s, Wilson played 14 seasons in Chicago and still ranks as the club's highest scoring defenseman in points (779 — fifth overall), goals (225 — 12th overall) and assists (554 — third overall). Wilson ranks fifth all-time in games played (938) for Chicago. In addition, he led all Blackhawks defensemen in scoring for ten consecutive seasons (1980-81 through 1990-91) and captured the 1982 James Norris Memorial Trophy, symbolic of the League's top defenseman, when he tallied 39 goals and 85 points — still Blackhawks single-season records for goals and points for a defenseman.

Acquired by San Jose from Chicago just before the Sharks inaugural season (1991-92), Wilson brought instant credibility and respect to the young franchise. He played two seasons for the Sharks, scoring 48 points (12 goals, 36 assists) in 86 games.

He was selected to eight NHL All-Star Games (seven with Chicago and one with San Jose) and while with Chicago, Wilson was named as an NHL First Team All-Star in 1982 and twice was named as an NHL Second Team All-Star (1985 and 1990).

Included in Wilson's Sharks career highlights are serving as the franchise's first team captain (1991-93), being the team's first representative in an All-Star Game (1991-92), playing in his NHL-milestone 1,000th game on Nov. 21, 1992 (77th player in League history) and twice named Sharks nominee (1992 and 1993) for the King Clancy Award for leadership and humanitarian contributions both on-and-of the ice). At his 1,000th NHL game played ceremony, he announced the creation of the Doug Wilson Scholarship Foundation, to provide assistance to worthy college-bound Bay Area students, which continues today.

Wilson announced his retirement as a member of the Sharks during training camp in 1993-94 after playing in 1,024 career games. In addition, he played in 95 career playoff games and scored 80 points (19 goals, 61 assists). The Ottawa, Ontario native scored 827 points (237 goals, 590 assists) during his career that began in 1977-78 with Chicago.

In 2004, Wilson was named to the Positive Coaching Alliance's National Advisory Board. PCA, established at Stanford University in 1998, looks to create a positive character-building experience by using sports to teach life lessons while de-emphasizing the "win-at-all-cost" mentality.

Wilson was inducted into the Chicago Sports Hall of Fame in September 1999. He also serves on the NHL's board of directors for the alumni association.

In October 1998, the Ottawa 67s honored his stellar career by retiring his No. 7 sweater. Known as an offensive defenseman, he recorded 295 points in 194 Ontario Hockey League games with the 67s from 1975-77. In addition, during the same weekend of activities in his hometown, he was inducted into the Ottawa Sports Hall of Fame.

Wilson and his wife, Kathy, have four children: Lacey, Doug, Chelsea and Charlie.

Thomas, 64, is well versed in all aspects of the National Hockey League, garnering experience from his more than 40 years of being a player, head coach, assistant coach, advance scout and executive. Before his promotion in March 1996, he was in his third season as Sharks assistant coach and assistant to the general manager.

An Ottawa, Ontario native, Thomas is intimately involved with all aspects of the Sharks on- and off-ice operations, evaluating players on the Sharks reserve list with special emphasis on goaltenders, scouting other NHL teams and taking an active role in contract negotiations and player personnel matters.

In addition, Thomas serves as the general manager of the American Hockey League's Worcester Sharks (the organization's top development affiliate) and also supervises the relationship between the organization and its other player development teams, including the ECHL's San Francisco Bulls.

Additional career highlights included being selected to and getting the win at the 1976 NHL All-Star Game as a member of the Maple Leafs, posting 10 career shutouts — including one in his first NHL start — and a lifetime goals-against average of 3.34. In addition, he developed the Sharks computer scouting program that pioneered the advent of scouting programs used throughout the NHL.

Before joining San Jose, Will spent six years in the Minnesota North Stars organization in various capacities.

## TODD McLELLAN

HEAD COACH

**N**o head coach in NHL history has won more games in their first four seasons behind the bench than the 195 collected by Todd McLellan.

Since being named the Sharks head coach on June 12, 2008, McLellan, 45, has posted a 195-92-41 record. During that span, the Sharks have posted four 40-plus win seasons, had three 100-point seasons, captured a Presidents' Trophy (2009), three Pacific Division titles and made back-to-back appearances in the Western Conference Final (2010, 2011).

Entering the 2012-13 season, McLellan is just 12 wins shy of becoming the franchise's all-time winningest coach (Ron Wilson, 206).

Recognized as one of the top coaches in the NHL, McLellan was tabbed to serve as the head coach for Team Alfredsson for the 2012 NHL All-Star Game, after serving in a similar capacity for the 2009 contest in Montreal.

In 2010, he became just the third coach in National Hockey League history to record 50-plus wins in his first two seasons.

In his first season as an NHL head coach, he was named as a finalist for the Jack Adams Trophy and became just the sixth NHL coach (and first since 1990) to lead his team to the Presidents' Trophy for the best overall regular season record (53-18-11) in his first season behind the bench. Only Tom Johnson's 1970-71 Boston Bruins won more home games (33) than McLellan's Sharks (32) and the team's 53 wins placed him tied for second behind Johnson (57 wins) for most overall coaching wins by a rookie head coach. In addition, McLellan's .713 points percentage ranks third all-time among first year bench bosses with at least 80 games coached.

That year, the Sharks collected 52 points through the first 30 games of the season (32-5-4, an NHL record) and began the season 20-0-2 at HP Pavilion. They were the only team in the League to be in the top-five of each of the following categories: power play (third, 24.2 percent), penalty kill (fifth, 83.3), shots for (third, 33.2), shots against (first, 27.2) and face-offs (second, 53.8).

Prior to joining San Jose, McLellan spent three seasons as an assistant coach under Mike Babcock with the Detroit Red Wings. During that span, no NHL team won more games (162) or earned more standings points (352) than Detroit. One of McLellan's key responsibilities was working with the Red Wings power play, which finished third in the NHL in 2007-08 (20.7) and first in 2005-06 (22.1).

In his seven seasons coaching in the NHL with San Jose and Detroit, McLellan's teams have won one Stanley Cup (2008 with Detroit), three Presidents' Trophies (2006 and 2008 with Detroit – finishing second overall in 2007, tying the Buffalo Sabres for first in points (113) but having three fewer wins – and 2009 with San Jose), four appearances in the Western Conference Final (2007, 2008 with Detroit and 2010, 2011 with San Jose) and six division titles.

Prior to being hired in Detroit, McLellan spent four seasons as head coach of the Houston Aeros in the American Hockey League, including capturing the 2003 Calder Cup Championship. Under his guidance, McLellan led the Aeros to

a 154-111-37-18 mark (.567 winning percentage). He was named 2003 Minor Coach of the Year by The Hockey News and also selected to coach two AHL All-Star Games during his tenure in Houston.

In 2000-01, he was the head coach of the Cleveland Lumberjacks of the International Hockey League, posting a 43-32-7 record.

From 1994-95 through 1999-00, McLellan coached the Swift Current Broncos of the Western Hockey League, where he also served as general manager in his final four seasons. He was named 2000 WHL Coach of the Year and 1997 WHL Executive of the Year. The team captured division titles in 1996 and 2000.

In his 18 years of serving as a head and assistant coach, McLellan's teams have never missed the postseason.

McLellan, a native of Melville, Saskatchewan, played his junior hockey with Saskatoon (WHL) and was drafted by the New York Islanders in the fifth round (106th overall) in the 1986 NHL Entry Draft. He played parts of two seasons with Springfield in the AHL and played in five games with the Islanders in 1987-88, posting two points (one goal, one assist) before a shoulder injury ended his career.

McLellan and his wife, Debbie, have two sons: Tyson and Cale.

In this role, Ricci, 41, works with Head Coach Todd McLellan and his staff to provide on-ice instruction and assistance when the team is at home and will also work closely with Scout Bryan Marchmont, visiting and working with the Sharks prospects in Worcester and various junior teams.

## TIM BURKE

### DIRECTOR OF SCOUTING

Director of Scouting Tim Burke enters his 16th season as the head of the Sharks scouting department.

Burke, 57, coordinates and oversees the Sharks efforts in the National Hockey League's annual Entry Draft while working closely with Executive Vice President and General Manager Doug Wilson and his staff. In addition to being the principal decision-maker at the draft table, Burke is also responsible for evaluating amateur talent at every level in all North American and European leagues and supervises all aspects of the club's amateur scouting efforts.

Burke's hard work and keen decision making, coupled with the talents of his competent staff at evaluating players, has produced admired results. Burke's selection process has helped the Sharks create a solid foundation of talented players from which to build the franchise around — including Patrick Marleau (1997), Douglas Murray (1999), Ryane Clowe (2001), Joe Pavelski (2003), Thomas Greiss (2004), Marc-Edouard Vlasic (2005), Justin Braun (2007), 2011 Calder Memorial Trophy runner-up Logan Couture (2007), Jason Demers (2008) and Tommy Wingels (2008), all of whom played prominent roles in the Sharks recent seasons.

Since the 2003 NHL Draft, Sharks draft selections have played the second-most games of any NHL team's draft picks (4,078), despite the organization having the lowest average draft position of any NHL team during that span (137.96).

A member of the Sharks scouting department since the 1992-93 campaign, Burke was promoted to his current position on June 4, 1996. Before his promotion, Burke served as director of professional scouting from 1992-96 and evaluated talent throughout all North American professional leagues and assisted with amateur scouting.

From 1987-92, he spent five seasons in the New Jersey Devils organization, serving in several capacities, including as a Devils assistant coach, head coach for the American Hockey League's Utica Devils and as a pro scout. Burke was also an assistant coach at Princeton University from 1984-86.

A former defenseman, Burke was selected by the Montreal Canadiens in the seventh round (124th overall) of the 1975 NHL Entry Draft and by the Chicago Cougars in the second round (25th overall) of the 1974 World Hockey Association Entry Draft. He was a four-year letterman in both hockey and baseball at the University of New Hampshire, where he was named to the NCAA's All-America hockey team after his senior campaign.

He played seven years of professional hockey following his outstanding collegiate career, including three seasons (1977-80) with the Nova Scotia Voyageurs, the Canadiens AHL affiliate, and one season with Jokerit Helsinki in the Finnish Elite League.

## JOHN FERGUSON

DIRECTOR OF PRO SCOUTING

Entering his fifth season as the Sharks director of pro scouting is long-time National Hockey League front office veteran John Ferguson.

Ferguson has worked at a high level in hockey operations for three NHL franchises: the St. Louis Blues, Toronto Maple Leafs and the Sharks. During his tenure at each location, every franchise set a franchise-record for most points in a single-season; St. Louis (2000),

Toronto (2004, and San Jose (2009).

During his four seasons with the Sharks, the team has compiled a .660 points percentage, won three Pacific Division titles and a Presidents' Trophy (2009) and reached the Western Conference Final twice (2010, 2011).

Ferguson works closely with Wilson and Director of Scouting Tim Burke analyzing and evaluating professional hockey players at the NHL and American Hockey League levels.

Prior to joining the Sharks, Ferguson, 45, spent four-plus years as vice president and general manager of the Toronto Maple Leafs. During that time, the Maple Leafs set single-season franchise records for most points (103, 2003-04), wins (45-tied, 2003-04), home wins (26, 2005-06) and most road wins (23, 2003-04). He compiled an overall record of 145-110-10-30, including three, 40-plus win and 90-plus point seasons.

His .559 winning percentage is the second-highest among all general managers in Maple Leafs history.

While serving as general manager of the Maple Leafs, the NHL adopted Ferguson's rule change recommendation that the initial face-off of every power play should start in the empowered team's offensive zone.

Ferguson has also served on the management team of Team Canada, working alongside Steve Yzerman and Doug Armstrong, for their undefeated, gold-medal winning campaign at the 2007 IIHF World Championships, the youngest-ever squad to win a World Championship.

Before working in Toronto, Ferguson spent 1997-2003 with the St. Louis Blues organization, including five as assistant general manager before being promoted to vice president and director of hockey operations in February 2001. There, he worked closely with Senior Vice President and General Manager Larry Pleau in managing all facets of the Blues hockey operations department, including analyzing and negotiating player contracts, evaluating professional and amateur players in North America and Europe.

During his tenure with the St. Louis franchise, the team won five playoff rounds and compiled a .610 points percentage, including a trip to the 2001 Western Conference Final and a Presidents' Trophy in 2000.

He also served as president and general manager of the Worcester IceCats, the team's American Hockey League affiliate and served as Chairman of the AHL's Competition Committee and was a member of the Legal Affairs Committee.

Before working in St. Louis, Ferguson was an amateur and professional scout with the Ottawa Senators organization from 1993-96 and was as a player agent during the 1996-97 season.

A 12th round (247th overall) selection of the Montreal Canadiens in the 1985 NHL Entry Draft, Ferguson played four professional seasons with Sherbrooke, Fredericton and New Haven of the AHL. He was alternate captain of the 1992 Fredericton team that won the AHL regular season championship and was named the team's "unsung hero" in consecutive years (1991 and 1992).

Ferguson played collegiately at Providence where he served as an assistant captain, was an Academic All-American and graduated Magna Cum Laude with a degree in business administration in 1989. Following his professional hockey career, he enrolled at Suffolk University Law School, where he graduated Cum Laude after interning at the National Hockey League office in Manhattan during the summers of 1994 and 1995. Ferguson was admitted to the Massachusetts State Bar in 1996.

The Montreal, Quebec native is the son of the late five-time Stanley Cup champion and former NHL general manager John Ferguson, who spent 11 seasons with the San Jose Sharks hockey department.

**GENERAL**

## FAN DEVELOPMENT

Since arriving in the Bay Area in 1990, the San Jose Sharks have taken a vested interest in their community. Their mission states: "The San Jose Sharks Fan Development Department is committed to providing high quality, Sharks-specific hockey experiences for all ages and abilities in an effort to cultivate, nurture and create new hockey fans. Working in conjunction with SSE Business Operations and the Hockey Department, the programming platform will incorporate hands-on instruction, interactive experiences and leverage mascot, player, coaching and executive integration. Through our efforts, we will deliver a professional message in a fun and safe environment in order to positively impact the long-term, well-being of our franchise." Grass roots hockey programs, a mascot program, educational hockey classes and a kids club are only a few of the organization's innovations. Among its current programs are:

### SAN JOSE SHARKS SUMMER HOCKEY SCHOOLS

Every year, the San Jose Sharks conduct the Sharks Summer Hockey Schools at Sharks Ice at San Jose. These camps include both a youth and an adult hockey series. An elite staff of professional instructors from the Sharks organization brings considerable expertise to hundreds of hockey players each summer. The 2009 Summer Hockey School staff was led by Roy Sommer, head coach of the Worcester Sharks, the Sharks top developmental affiliate in the American Hockey League. In addition to Sommer, camp instructors included Worcester Associate Coach David Cunniff and former Sharks forward Jonathan Cheechoo. Numerous Sharks players as well as S.J. Sharkie also appeared during the summer camp sessions. For more information, call 408-999-6706.

### SCHOLARSHIP PROGRAM

#### BAY AREA ALL-STAR SCHOLARSHIP TEAM (B.A.A.S.T.)

In a collective effort to support youth working towards the goal of higher education, Bay Area professional sports franchises, including the Golden State Warriors, Oakland Athletics, Oakland Raiders, San Francisco 49ers, San Francisco Giants, San Jose Earthquakes and San Jose Sharks, have partnered together to form the Bay Area All-Star Scholarship Team (BAASST). As part of this program—the first of its kind among professional sports organizations—seven high school seniors are selected to each year to receive a \$3,000 scholarship. Since its inception, over \$200,000 has been given to local student athletes to be applied toward their college education.

All public high schools within this area are provided with detailed information about the scholarship opportunity and are encouraged to nominate two male and two female athletes that meet the following criteria: a minimum grade point average of 3.0, displays leadership qualities in the classroom and/or inspirational qualities on the athletic field and demonstrates the value of education, good work ethic and community outreach.

In addition to a monetary award, students are also invited to attend a game at each team's home arena/stadium. The scholarship recipients, their guests and team representatives are provided game tickets, food and beverages and are recognized in a special ceremony during each game. For close to 15 years, thousands of youth hockey players have graced the ice at HP Pavilion and have had the rare opportunity to skate on the same surface as NHL players through Future Sharks. Participating clubs can dress 12 players and are given the opportunity to play in a 5-on-5 "Shootout" during the intermission. Clubs will receive a limited number

of game tickets for the players and their guests courtesy of PlayStation and the Sharks.

## SHARKS & PARKS, AN NHL STREET PROGRAM

The Sharks Fan Development Department, in conjunction with NHL Street, is excited to announce another season of Sharks & Parks, a street hockey program designed to introduce hockey to youth in a fun and safe environment.

Started in 1991, Sharks & Parks has reached tens of thousands of kids by donating street hockey equipment and instructional material to schools and community centers throughout Northern California. The program was so successful that the NHL adopted it as a league-wide initiative the following year with 33 programs run by various NHL and American Hockey League (AHL) teams throughout the United States and Canada.

The Sharks & Parks season typically kicks off with a street hockey tournament held at HP Pavilion in the fall and continues throughout the year with various summits and hockey/skating clinics for participants and staff. For more information about Sharks & Parks, please contact Tim Howell at [thowell@sharkssports.net](mailto:thowell@sharkssports.net) or visit the "In the Community" page under the "Community" tab on [sjsharks.com](http://sjsharks.com).

## HIGH SCHOOL WRITERS DAY

Each season, the San Jose Sharks play hosts to the annual "High School Writers Day," an event which gives aspiring high school students the opportunity to experience a day in the life of a professional sports journalist.

The day includes access to Sharks players, staff and/or beat writers, a press room meal, a behind the scenes tour of HP Pavilion and a press box view of the game.

At the conclusion of the event, the participants will write a recap of their experience, with one winner being selected to receive two tickets to a future game and have his/her work published on [www.sjsharks.com](http://www.sjsharks.com). For more information visit the "In the Community" page under the "Community" tab on [www.sjsharks.com](http://www.sjsharks.com).

## SHARKS FOUNDATION

The Sharks Foundation was created in 1994 in an effort to increase organizational impact on the community. Its mission would prove to be the framework from which it grew: "The Sharks Foundation is dedicated to enhancing the lives of youth and families in our community with an emphasis in the areas of Education, Health & Safety and Character Development. The Sharks Foundation supplies emergency aid when appropriate, executes unique and relevant programming and provides financial support and resources to organizations that enrich the lives of those in need."

The Sharks Foundation evolved and quickly expanded beyond its original charter and since its inception, has donated more than \$5.7 million to more than 100 non-profits. In addition to its original grant program, the Sharks Foundation manages educational programs, plays host to major fundraisers, executes collection drives and implements community outreach events. With the help of Sharks players, coaches and staff, the Sharks Foundation invests in the community with the hope of enhancing the lives of our youth.

## GRANT PROGRAM & FUNDRAISERS

The Sharks Foundation provides financial assistance to eligible 501(c)(3) organizations in Santa Clara County whose focus is geared towards youth programming and services. Through the grant program, organizations are selected to receive grants ranging from \$20,000–25,000. Last year, the Sharks Foundation issued 13 grants that totaled \$310,226.

### "SHARK FOR A DAY" FANTASY CAMP

We're all San Jose Sharks fans — passionately rooting for the boys in teal. But few of us ever get the opportunity to skate through the infamous Shark Head to the roar of the crowd. If you've ever dreamed of lacing up your skates alongside an NHL athlete, this is your chance. Once a year, the Sharks Foundation hosts "Shark for a Day" Fantasy Camp, giving fans the rare opportunity to share the ice with Sharks alumni.

From the moment you step into HP Pavilion, you'll get as close as you can get to being an NHL player without worrying about a Brent Burns hip check along the boards. Participants will skate with Sharks alumni in a regulation game, tour the facilities, be given official team gear and much more!

Last year, NHL alumni participants included fan favorites Jeff Odgers, Curtis Brown, Al Iafraite and Ron Stern. In addition, Sharks broadcasters Jamie Baker and Dave Maley served as celebrity Head Coaches for each respective team.

Net proceeds from this event benefit the Sharks Foundation. "Shark for a Day" is scheduled for the Spring of 2013. For more information, please contact Kelly Esrey at [kresrey@sharkssports.net](mailto:kresrey@sharkssports.net) or visit the "Fundraisers" section of [www.SharksFoundation.org](http://www.SharksFoundation.org)

### SHARKS FOUNDATION GOLF CLASSIC

The Sharks Foundation Golf Classic, held at Cinnabar Hills Golf Club, is the premier golf event of the San Jose Sharks. This tournament—the largest fundraiser of the year for the Sharks Foundation—is the only event of its kind to feature Sharks players, as well as coaching staff, alumni, broadcasters and other local celebrities. This unforgettable event maintains a fun, lighthearted atmosphere as guests meet their favorite Sharks players, enjoy food and beverages and compete in on-course contests. The evening concludes with an exciting silent and live auction, and a presentation of awards for the top teams and individuals.

### SILENT AUCTION SERIES

Fans are given the opportunity to bid on memorabilia and help a worthy cause when they participate in the Sharks Foundation's "Charity Auction" held at every home game. The auction takes place at the Sharks Foundation booth located on the concourse and items can range from autographed memorabilia to one-of-a-kind fan experiences.

## PLEDGE PROGRAMS

### G.O.A.L.S. (GRANTING YOUTH OPPORTUNITIES TO ADVANCE, LEARN AND SUCCEED)

For every goal scored by the Sharks this season, each participating G.O.A.L.S. partner will make a donation to the Sharks Foundation. To date, the G.O.A.L.S. program has raised more than \$300,000 for the Sharks Foundation and its grant recipients.

## COMMUNITY OUTREACH EVENTS

### HOLIDAY ASSIST PARTY

San Jose Sharks players, coaches and staff share the holiday season with local families in need as hosts of the Sharks Foundation's Holiday Assist Party. Festivities include ice skating at Sharks Ice at San Jose, arts and crafts, dinner, photos with "S.J. Sharkie Claus" and the presentation of gifts. Each child receives clothing and toys from their adoptive player, coach or staff member.

### COLLECTION DRIVES

The Sharks Foundation teams up with several organizations throughout the year to collect items for local families in need. In October, Reading Is Cool Presented by Comerica Bank will host the Children's Book Drives to collect books for local elementary school libraries. In November, Sharks fans are asked to bring canned foods to benefit the Second Harvest Food Bank Holiday Food Drive. In December, the U.S. Marine Corps Reserve will be collecting new and unwrapped toys for the Toys for Tots program. In January, new or gently used blankets and coats will be gathered during Share the Warmth Drive and donated to Sacred Heart Community Service. All drives are held at the North and South Entrances of HP Pavilion at San Jose and monetary donations are also accepted.

## EDUCATION PROGRAMS

### READING IS COOL PRESENTED BY COMERICA BANK

Each year, the Sharks Foundation and Comerica Bank proudly present Reading Is Cool, a literacy program directed at public K-6 grade classrooms in Santa Clara County, Newark, Fremont and Union City. During the 2012-13 season, Reading Is Cool presented by Comerica Bank is expected to reach approximately 25,000 kids in more than 1,000 classrooms. Reading Is Cool presented by Comerica Bank features monthly incentive awards, classroom visits from mascot S.J. Sharkie, Celebrity Story Hours and an "All-Star Reader" suite night at HP Pavilion at San Jose.

For more information on the program, please contact Kelly Esrey at [kesrey@sharkssports.net](mailto:kesrey@sharkssports.net) or visit [www.SharksFoundation.org](http://www.SharksFoundation.org).

## HOW THE SHARKS FOUNDATION IMPACTS SILICON VALLEY

*"During these challenging economic times, support from the Sharks Foundation is critical to keeping our students on track for healthy lives, academic excellence, and higher learning. We are proud to partner with the Sharks Foundation to attain our vision of a community united to ensure that every adult and child is free from poverty."*

**Patti Bealieu, Development Associate, Sacred Heart Community Services**

*"My school does not have a school-wide reading incentive program so Reading Is Cool is extremely valuable in motivating and rewarding students to develop a love of reading. It lets me develop goal-setting with my students and gives them regular, positive feedback. I couldn't afford to provide such quality rewards out of my own pocket. Thank you so much!"*

**Alice Williams, 1st Grade Teacher at Don Callejon Elementary School**

S.J. Sharkie enters his 22nd season as the Sharks beloved mascot.

A consistent and familiar presence at every Sharks home game, Sharkie has the enviable task of entertaining a sold out crowd at "The Tank" night in and night out, performing a variety of exciting death-defying and unique stunts and acts. Sharkie's nightly performances range from rappelling from HP Pavilion at San Jose's rafters to speeding across the ice on his four-wheel all-terrain vehicle. Since his NHL debut on January 28, 1992, Sharkie has become one of the most recognized mascots in the sports universe, winning the 2012 Hall Of Game award for "MOST AWESOME MASCOT." He's a highly respected figure both inside and outside of HP Pavilion and throughout the hockey community.

In addition to Sharks home games, this lovable mascot makes more than 450 outside appearances each year and makes a splash at any event. During the 2011-12 season, Sharkie's events ranged from birthday parties to flower deliveries, bar mitzvahs to weddings, corporate events and charity fund-raisers. In the past, he has even escorted a high school student to her senior prom and acted as the ring bearer at a wedding ceremony. Aply coined as "The Hardest Working Fish in Sports," Sharkie has been selected to the NHL All-Star Game an amazing 15 times (through 2012) and assisted in dropping the ceremonial first puck at the 1997 All-Star Game in San Jose.

Besides his countless appearances, Sharkie is involved with numerous Bay Area charities. Sharkie also spends countless hours on behalf of the Sharks Foundation by lending a "fin" to their school programs, fund-raisers, meetings and projects throughout the year.

Sharkie's popularity has "spawned" his very own merchandise line and web site, the first ever devoted solely to a professional sports mascot. 2009 saw the online debut of Sharkie's very own social network pages on twitter and facebook.

"HP Pavilion is San Jose's premiere sports and entertainment venue, drawing hundreds of first class events to San Jose every year," San Jose Mayor Chuck Reed said. "It's an economic engine that brings hundreds of thousands of people to downtown San Jose every year. We want to ensure that it continues to thrive in that role for the foreseeable future."

**H**eadquartered at Sharks Ice in San Jose, the Junior Sharks are a youth hockey organization whose mission is to provide a fun atmosphere that fosters a lasting love for the game of hockey. The organization currently has 20 travelling club teams that serve boys and girls aged 8 to 18.

## STAFF & PHILOSOPHY

Led by Junior Sharks Director Curtis Brown, the Junior Sharks coaching staff is dedicated to teaching essential life lessons of discipline, teamwork, and accountability. Balancing family, school, and hockey can be a challenging task, but the coaching staff takes great pride in developing outstanding citizens as well as hockey players.

Along with Brown, numerous other NHL players and personnel are involved with the program. Former Sharks defenseman Kyle McLaren will be joining the coaching staff this season, and local figures such as Todd McLellan, Mike Ricci, David Maley stop by practice to share their knowledge.

Surrounding players with these core values and excellent hockey minds has paid off. Each year the organization has more tryouts, greater retention of players, and more families coming to the rink. This has strengthened the fabric of hockey culture in the Bay Area and led to rapid growth.

## NOTABLE ALUMNI

Along with boasting an impressive list of alumni who have played in the NCAA and various leagues around the world, the Junior Sharks have developed numerous professional players.

Notable alumni who played or are playing in NHL organizations include Corbin McPherson (New Jersey), Jason Platt (Edmonton), Viktor Tikhonov (Phoenix), Alec Martinez (Los Angeles), Brett Sutter (Carolina), Casey Wellman (Florida), Spencer Dillon (Florida), and Matt Tennyson (San Jose).

## MOVING FORWARD

Registered USA Hockey players in the Pacific region has increased by over 240% since the San Jose Sharks entered the NHL in the early 90's. In fact, Sharks Ice alone currently makes up 28% of USA Hockey registered hockey players in California. This type of growth is exciting but does present a unique set of challenges when trying to find ice time for more and more players each year.

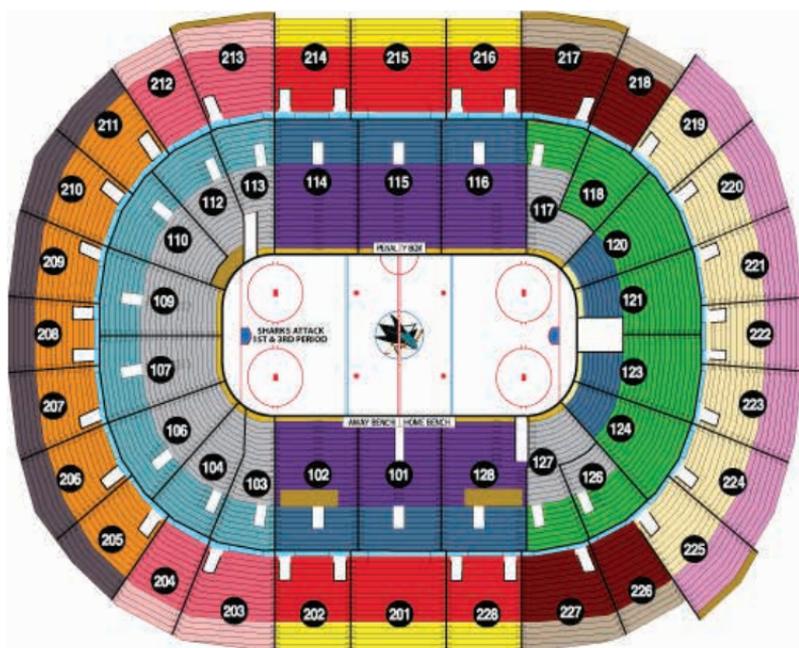

That's a good problem to have. The true strength of a sustainable hockey community lies in the steady increase of new players each season, an asset the Junior Sharks have been blessed with. Opportunities for expansion are always possible as long as demand is there. More families coming to the rink means demand is only expected to grow.

With numerous tournaments scheduled at Sharks Ice, and alumni finding success, players realize they can progress to the next stage of their hockey career and stay in the Bay Area. Scouts at both the collegiate and professional level don't consider California to be "non-traditional" anymore.

The tradition is just beginning.

### TELEVISION BROADCASTS

In September 2009, Comcast SportsNet California, the home of “Authentic Bay Area Sports,” and the San Jose Sharks announced a long-term agreement making Comcast SportsNet California, the team’s exclusive regional cable television home. Comcast SportsNet California will present the most comprehensive Sharks television schedule in the team’s history, including 70-plus exclusive games for the 2012-13 National Hockey League season with all games in beautiful High Definition.

Sharks fans also will enjoy extended coverage with “Sharks Pregame Live” and “Sharks Postgame Live” shows, giving fans player and coach reaction along with behind-the-scenes features. These shows will be anchored from Comcast SportsNet’s new Northern California headquarters boasting state-of-the-art studios, a 24-hour newsroom and HD production facilities. “Sharks Pregame Live” and “Sharks Postgame Live” will be anchored by CSN’s talented pool of hosts.

Calling all the Sharks games on television will be the veteran announcing team of Randy Hahn and Drew Remenda. Brodie Brazil will again serve as CSN’s ice-side reporter during home telecasts.

For approximately 24 hours following each game, Comcast SportsNet California’s Sharks telecasts will be available on Comcast Digital Cable’s ON DEMAND Channel 1 at no additional cost. Select Sharks HDTV games will also be available ON DEMAND Channel 1.

### RADIO BROADCASTS

#### SHARKS RADIO NETWORK

For the 22nd consecutive season, the Sharks are broadcasting their entire 82-game regular season schedule and all Stanley Cup playoff contests on the multi-station Sharks Radio Network, which reaches much of Northern California and parts of Nevada. The Network’s flagship station, Classic Rock KFOX (98.5 FM San Jose / 102.1 FM San Francisco), continues its multi-year agreement with the team in a partnership that began in 2000-01.

Along with the full season and playoff schedule, KFOX will air live coverage of two pre-season games. Network coverage begins with the popular 30-minute pre-game show, “Sharks Warm-Up,” which airs on KFOX in all regular season games except when a game originating outside the Pacific Time Zone occurs on a weekday. In these limited instances, KFOX picks up coverage with “Coach’s Chalkboard,” another popular segment, while the full program will still be available on most Sharks Radio Network affiliates and on the Internet. During the playoffs, “Sharks Warm-Up” airs in its entirety on KFOX in all instances.

Dan Rusanowsky returns for his 22nd consecutive season of broadcasting Sharks games on the radio. Entering this season, Rusanowsky has witnessed and broadcast 1,581 regular season Sharks games and every playoff contest (163) in the team’s history, including a consecutive game streak of 774 contests (725 regular season and 49 playoff games) that was snapped on Nov. 25, 2000 due to a serious automobile accident. The affable Rusanowsky, who is one of the club’s most recognizable figures both on-and-off the ice, calls his 1,500th NHL regular season broadcast on Oct. 8, 2011 vs. Phoenix.

For the eighth consecutive season, former Sharks center Jamie Baker will provide color commentary alongside Rusanowsky. A 10-year NHL veteran, Baker spent four seasons with the Sharks and is one of the more astute observers and teachers of the game. Joining the duo to provide additional analysis on select broadcasts is ex-Sharks forward David Maley, who won a Stanley Cup with Montreal in 1986.

Known around the National Hockey League for his hockey-first approach, his productions have been well received by Bay Area, satellite viewers and the NHL.

Albin also serves as the broadcast liaison between the Sharks, Comcast SportsNet California, visiting broadcasters and the NHL.

A long time veteran of live sports broadcasting, Albin spent nine years at PASS Sports in Detroit, where he worked on a wide variety of sports programming. From 1988-94, he produced and directed Detroit Red Wings telecasts, as well as the syndicated "Central Collegiate Hockey Association (CCHA) Game of the Week."

From 1995 until joining the Sharks in 1997, Albin spent three seasons with Major League Baseball's Detroit Tigers producing and directing broadcasts for their state-wide television network.

A graduate of Michigan State University and a native of Detroit, Albin has won multiple regional Emmy Awards for directing and feature producing, including one for Sharks coverage on CSN in 2008.

## RANDY HAHN

TELEVISION PLAY-BY-PLAY BROADCASTER

Randy Hahn, who called his 1,000th Sharks game in December 2009, will again be describing the play-by-play action for Sharks games on Comcast SportsNet California. Hahn, who enters his 19th full season with the club, served in the same capacity on selected telecasts during San Jose's first two seasons (1991-93).

Hahn has won 5 Northern California Emmy Award in the "On Camera Talent" category. He shared this honor with color announcer Drew Remenda and reporter Brodie Brazil.

Hahn has more than 30 years of sports broadcast experience, including a unique first assignment when he was just 16 years old — calling the "paw-by-paw" action of a dog sled race in the Yukon Territory in 1974. He continues to be a versatile broadcaster, having done play-by-play on television and radio, anchoring radio sports shows and serving as television studio host for various sports programs. Hahn became the interim co-host of San Francisco CBS-5's "Evening Magazine" in February 2005, working alongside popular Bay Area personality Malou Nubla.

A native of Edmonton, Alberta, Hahn's other hockey broadcast experience came as studio host of Los Angeles Kings games on the Prime Ticket cable network before joining the Sharks. Early in his career, he was on the radio broadcast team of both the Vancouver Canucks and Edmonton Oilers, in addition to performing various broadcast roles in those cities.

Hahn is also an experienced soccer announcer. He called matches on ABC and ESPN during the 1994 World Cup. From 1982-92, he was the play-by-play voice of the North American and Major Indoor Soccer League's San Diego Sockers. Hahn also announced the 1990 World Cup, the 1991 Women's World Cup and has called the action for USA National Team soccer games on SportsChannel and for Major League Soccer's Kansas City Wizards.

From 1991-94, Hahn was a studio anchor for SportsChannel Chicago's nightly highlight show and worked on broadcasts for collegiate basketball, baseball, volleyball and gymnastics. Hahn has been a play-by-play broadcaster for Arena Football League games on FSN.

In 1990, Hahn lived in San Jose and was instrumental in helping bring the National Hockey League to this area, serving as vice president of Pro Hockey San Jose — a grassroots, non-profit corporation formed for the purpose of attracting an NHL franchise to the new multi-purpose venue being built in downtown San Jose.

Hahn is actively involved in charity work in the Bay Area, especially with The Role Model Program in San Jose, The San Francisco Bay Area Council Boy Scouts and the Providing Autism Research (PAR for Kids) Foundation.

Hahn's wife, Roberta Gonzales, CBS-5's evening news weathercaster, is an Emmy Award winner herself and was recently awarded the Associated Press Television-Radio Award for "Best Weather Segment" for the fourth consecutive year. She's a former weathercaster at KNTV in San Jose and was honored as 1990 Woman of the Year in the field of communications by the San Jose Mercury News for her contributions to the South Bay.

## DREW REMENDA

TELEVISION COLOR ANALYST

**D**rew Remenda returns for his eleventh season as the team's television color analyst, joining Television Play-by-Play Broadcaster and co-Emmy winner Randy Hahn for Sharks telecasts on Comcast SportsNet California.

Remenda also serves as the host of "Shark Byte," Comcast SportsNet California's popular magazine-style show dedicated to Sharks hockey on- and off-the-ice.

Remenda returned the Sharks family in 2007 after spending the 2006-07 campaign as an analyst for the Canadian Broadcast Company's (CBC) celebrated "Hockey Night in Canada" program, which followed six seasons as the Sharks television color analyst, where he won three Bay Area Emmy Awards (1999, 2001 and 2006). Previously, Remenda spent three seasons working with Dan Rusanowsky as radio color commentator on Sharks radio network.

Drawing upon his extensive network of hockey contacts and his background as an assistant coach, Remenda skillfully provides in-game analysis, insightful information and anecdotes.

The Saskatoon, Saskatchewan native also serves as the host of "The Drew Remenda Sports Show," a staple on 650 CKOM Radio in Saskatoon and on 980 CJME in Regina.

A Sharks assistant coach from 1991-95, Remenda also served as associate coach for the Kansas City Blades of the International Hockey League, then the Sharks top developmental affiliate, in 1995-96. Before joining the Sharks organization, he served as the video coordinator for Hockey Canada, where he provided support for Canada's National Team and the Canadian Amateur Hockey Association. Remenda's vast hockey background also includes a stint as assistant coach at the University of Calgary from 1988-90 and coaching at the amateur level since 1983.

## DAN RUSANOWSKY

RADIO PLAY-BY-PLAY BROADCASTER

**V**eteran Radio Play-by-Play Announcer Dan Rusanowsky returns for his 22nd consecutive season as the "Voice of the Sharks" on Classic Rock KFOX 98.5/102.1 FM and the Sharks Radio Network.

A 33-year veteran of hockey broadcasting at all levels, Rusanowsky is one of the club's most recognizable figures, both on- and off-the-ice. He's responsible for producing all radio broadcasts, directs and administers the multi-station Sharks Radio Network (which provides coverage of all games for hockey fans in Northern California and parts of Nevada and Oregon) and oversees the relationship with Entercom Communications, the team's flagship station group. A versatile performer, he also contributes to Sharks Magazine, the team's official game program, and sjsharks.com with regularly featured columns and broadcast reports.

An active, year-round member of the Bay Area broadcasting community, Rusanowsky is one of a select few play-by-play announcers who have been tapped by NHL Radio to announce the "Game of the Week" on Westwood One Radio Network. He was on the broadcast team for NHL Radio's production of the 1997 NHL All-Star Game in San Jose and has presented feature work on the League's network broadcasts.

Rusanowsky has provided the play-by-play call on several Major League Soccer radio broadcasts and A-League "digicasts." He has served as a guest host on local sports radio stations, as well as the nationally syndicated "Sports Byline USA/Sports Overnight America" programs. He has brought his voice to radio and television commercials, Atari video games, feature films and corporate video programs over the years. He has also hosted two baseball related segments: "Dan's Dugout" on Oakland Athletics radio broadcasts in 1993, and "Dan's Diamond Notes," a regular weekly segment which aired during Greg Kihn's top-rated morning program on KFOX in 2005. A motor racing enthusiast, he joined the IMS Radio Network's team with their live coverage of the 2011 Indy Grand Prix of Sonoma at Infineon Raceway.

## JAMIE BAKER

RADIO COLOR ANALYST

Former Sharks center Jamie Baker returns to the airwaves for his eighth season of providing color analysis. Baker accentuates Dan Rusanowsky's radio broadcasts in explaining the finer details of the game, drawing from his experience as a former National Hockey League player.

Baker's high-energy personality, enthusiasm and excellent knowledge of the NHL have greatly enhanced Sharks radio broadcasts and his dedication to grassroots marketing have helped expand the ever-growing youth hockey population in the Bay Area.

Known for his speed, grit and tenacity as a player, Baker was always at his best when the game was on the line.

Following an outstanding college career at St. Lawrence University, Baker went on to play in parts of 10 NHL seasons, including three with the Sharks (1993-96). In 404 NHL games with Quebec, Ottawa, San Jose and Toronto, he tallied 150 points (71 goals, 79 assists). Baker also appeared in 25 Stanley Cup Playoff games with the Sharks, posting nine points (five goals, four assists) and 42 PIM.

He's still recognized for scoring what has been called the biggest goal in Sharks franchise history. As a member of the 1993-94 Sharks, a team just one year removed from an NHL-record 71 losses, the team posted the largest turnaround in NHL history the following season, improving by 58 points and earning a berth in the Stanley Cup Playoffs. As the No. 8 seed, the team drew the Presidents' Trophy-winning Detroit Red Wings. Baker scored the game-winning, series-clinching goal in Game 7 against Chris Osgood, allowing the Sharks to become the first eighth-seeded NHL team to defeat a No. 1 seed. The victory is also viewed by many as the "flash point" for turning San Jose into a hockey-passionate city.

Baker also serves as a regular guest on Comcast SportsNet California's "Pregame Live" and "Postgame Live" programs which air on most Sharks game nights.

## DAVID MALEY

RADIO REPORTER

**D**avid Maley begins his sixth season with the Sharks radio team. A veteran of nine National Hockey League seasons (including two with San Jose), Maley provides color analysis for selected home games and participates in the pregame "Sharks Warmup" and intermission programming. Maley is also a regular guest on CSN California's pre and post-game show.

Known during his career as a physical, hard-hitting forward, Maley was a winner at every level. As a freshman at the University of Wisconsin in 1983, he was an important component to the Badgers NCAA Division I Champion squad.

Maley compiled 124 points (43 goals, 81 assists) and 1,043 PIM and played in 466 NHL games with Montreal, New Jersey, Edmonton, San Jose and the New York Islanders. In addition, he also appeared in 46 Stanley Cup Playoff games. During his second professional season in 1987, Maley won a Stanley Cup with the Canadiens.

In 1996, Maley founded Rollin' Ice at the Santa Clara County Fairgrounds, which became the Bay Area's premier inline hockey facility. Recently, Maley re-located the facility to south San Jose, where it has become the Silver Creek Sportsplex, a multi-faceted sports and fitness destination featuring 240,000 square feet of state-of-the-art facilities and professional expertise.

He has served as president of the San Jose Sharks Alumni since 2003, playing an integral part in raising funds for the Sharks Foundation.

Maley also serves on the board of the Police Activities League (PAL) and recently founded the Dream On Foundation, both of which give youth a chance to participate in sports that they could otherwise not afford.

## BRODIE BRAZIL

RINKSIDE REPORTER

**B**ay Area native Brodie Brazil begins his 4th season as rinkside reporter, and host of Sharks Pre/Postgame Live. Current responsibilities find him interviewing key players immediately before, during and after games. He joined Comcast SportsNet in February 2009, and also maintains regular duties on SportsNet Central and telecasts for the Oakland Athletics.

In 12 years of broadcasting, Brazil is an eight-time Emmy Award winner, with a total of 21 nominations for his work. In recent times he has rode 'shotgun' in an IndyCar, grown a 40-day 'playoff beard', and rappelled down a 38 story skyscraper, all in the name of a passion for television. Previously he worked 8 years at KICU-TV in San Jose, hosting High School Sports Focus and Oakland A's pregame broadcasts.

Born and raised in Castro Valley, CA, Brodie's first NHL game was in 1993 at "San Jose Arena". Brazil attended Castro Valley High School and is a graduate of San Jose State University with a degree in Broadcast Journalism. He is also licensed Commercial pilot, and Certified Flight Instructor. Brazil currently resides in San Francisco, and his namesake is former San Francisco 49ers quarterback John Brodie.

If there are specific players you need to speak with, we ask that you arrive at the Sharks dressing room no later than 10:15 a.m. so that we can ensure they are available in the event the team has an optional skate.

The Sharks dressing room will open after the first player leaves the ice from the morning skate. Sharks Head Coach Todd McLellan will address the media following all player access, in front of the HP banner outside the Sharks dressing room.

**PHOTOGRAPHERS:** Only those photographers on assignment from a recognized, approved media outlet will be allowed access to designated photography locations at rink level and in overhead positions. Priority will be given to local dailies, wire service photographers and local TV crews (for non-televised games) and one ice-level photography position will be reserved for Sharks team photographers. Additional photography positions are determined on a priority basis as determined by the Sharks Media Relations director. In cases of increased photographer (i.e. playoffs) attendance, positions will be assigned by the Sharks Media Relations Department. In all cases, photographers should check in with a media relations representative in the press room before game time. Because of very limited photography locations and NHL Images regulations, it is not possible to accommodate freelance photographers.

## MICHAEL A. MUDD

PRESIDENT

**M**ichael A. Mudd serves as the president of the Worcester Sharks, working alongside San Jose Sharks Executive Vice President's Malcolm Bordonon and Michael T. Lehr, and Vice President and Assistant General Manager Wayne Thomas, while playing a vital role in all aspects of the Sharks operations.

Mudd oversees the overall business operations of the franchise while managing the corporate, ticket, marketing, community relations, public relations, merchandise, and broadcasting departments.

A personable and highly respected team executive in the American Hockey League, Mudd was awarded the 2011 James C. Hendy Award, emblematic of the most outstanding executive in the AHL. Michael serves as a Worcester Sharks alternate governor and has been a member of the AHL's Collective Bargaining, Competition, Player Safety, and Team Business Services Committees. Currently he is serving as chairman of the AHL's Sales and Marketing Committee.

Under his direction, Mudd has led the Worcester Sharks to two consecutive seasons of significant increased revenue and attendance growth at the DCU Center, putting the franchise among the league leaders in these growth categories. In addition, the DCU Center reported nine sellouts (attendance over 5,400) during the 2011-12 Sharks campaign, including a franchise record crowd of 10,170 on Feb 24 vs. the Bruins. The Sharks averaged 4,402 fans during the 38 home dates at the DCU Center in 2011-12; which was an 8% increase over the 2010-11 season and an 19.9% increase over the 2009-10 season.

In addition to directing the day-to-day business side of the hockey club, he serves as the Sharks liaison with the AHL office for all hockey-related administrative issues -- including regular season and playoff scheduling. He is responsible for the development and the management of the hockey operations budget, and most other hockey administrative issues. Mudd also has a hand in evaluating Sharks prospects in Worcester as well as prospects from other AHL teams. When the Sharks roster is depleted due to player injuries or player recalls to San Jose, he supports Wayne Thomas in researching or locating talent from other hockey leagues.

Mudd enters his 12th season with the Sharks organization having served in various capacities during his tenure within the organization while progressively moving up to his current position as president. Mudd was extremely involved in relocating the club to Worcester, restructuring the front office, and implementing such concepts as the High School Hockey Doubleheaders, the Worcester Hockey Hall of Fame and hosting several successful and profitable fundraising events to benefit charities throughout Central Massachusetts. Mudd also ensured the Sharks' future in Worcester by renegotiating the team's arena lease at the DCU Center, and he has continued to grow the club's presence and positive impact on the Worcester community.

Through his leadership and guidance, Mudd was instrumental in developing and producing the Worcester bid to the AHL Board of Governors to secure the 2009 AHL All-Star Classic for the city of Worcester and was project manager of the extremely successful event.

Before joining the Sharks, he was general manager of the International Hockey League's Cleveland Lumberjacks. During his two years in hockey operations with the 'Jacks, Mudd compiled an 83-62-19 record, helping lead the club to two straight Turner Cup Playoff berths.

From 1997-99, he served as general manager and director of hockey operations for the Chesapeake Ice Breakers of the East Coast Hockey League. Under his guidance and through difficult off-ice circumstances, the expansion team posted a combined record of 68-53-19 and qualified for the Kelly Cup Playoffs in each of its two seasons. Before going to the Ice Breakers, Mudd was the assistant general manager for the AHL's Baltimore Bandits, where he also was the team's goaltending coach and led the Bandits to Calder Cup playoff berths in both their years of existence.

Mudd is also an active participant with several local community organizations, including serving on advisory boards of the March of Dimes, Devereux Center, 15/40 Connection, Worcester Regional Research Bureau and the Worcester Chamber of Commerce, where he is also on the Executive Committee.

A native of Amherst, N.Y., Mudd is a 1990 graduate of St. Lawrence University where he earned a bachelor's degree in Economics. He was a four-year member of the school's hockey team which won ECAC Division I Championships in 1988 and 1989 and were also NCAA Division I Finalists in 1988. Mudd, a goaltender, had a standout senior season and was among the NCAA Division I statistical leaders in all categories, culminating in receiving the team's "Coaches' Award.

Mudd attended the 1990 St. Louis Blues training camp and played professional hockey for two seasons, splitting time between the ECHL and the IHL. An all-around athlete, he was also a four-year starter on the school's baseball team where he was named All-ICAC as a center fielder. Mudd earned his master's in Sports Management from Miami University (Ohio), where he was the assistant coach of the hockey team from 1992-94 under NCAA coaching legend George Gwozdecky.

Mudd and his wife, Holly, have two sons, Tyler and Connor, and a daughter, Ashley.

# ROY SOMMER

HEAD COACH

**W**orcester Sharks Head Coach Roy Sommer, who plays a major role in developing players for the San Jose Sharks, is currently the longest-tenured coach in the American Hockey League.

The Oakland native returns for his 15th season behind the bench of San Jose's top development affiliate and his 17th season overall with the Sharks organization. In his 14 seasons as head coach, Sommer has compiled a 509-466-48-48-45(W-L-T-OTL-SOL) record in the regular season and has reached the postseason seven times, including reaching the Atlantic Division Finals in two of the last four seasons.

Last season, Roy became just the 4th head coach in AHL history to reach the 500 wins plateau after a 3-2 shootout victory at Hershey on February 11, 2012. San Jose used 15 players during the 2011-12 season that developed under Sommer's tutelage. In fact, 22 players have made their NHL debuts with the Sharks over the last five seasons -- including Justin Braun, Andrew Desjardins, Brandon Mashinter, Alex Stalock, and Tommy Wingels.

In 2010-11, Sommer became just the 4th head coach in AHL history to reach the 1,000 games plateau after a 3-1 victory at Springfield on January 14, 2011 and seven players made their NHL debut with the San Jose Sharks.

In 2009-10, Sommer led Worcester to a franchise record 49 wins and captured the regular season Atlantic Division title. He won his 400th game as an AHL head coach after a 4-1 victory over Springfield at the DCU Center on Nov. 1, 2009. Entering 2012-13, Sommer's 509 wins ranks fourth all-time among AHL head coaches.

As head coach for San Jose's top development team, Sommer has coached more than 80 players who've spent time in the National Hockey League, including forward Logan Couture, who was named 2010-11 PlayStation "Sharks Rookie of the Year."

Sommer, 54, began coaching San Jose's top development affiliates in 1998-99 with the AHL's Kentucky Thoroughblades. He coached the T-Blades for three seasons before San Jose relocated their AHL team to Cleveland. In his first season with Kentucky, the Thoroughblades registered franchise records for most regular season wins (44), most road wins (21) and total points (98) in a season while posting the AHL's fifth-best record. This success came despite having 17 players promoted to the NHL during the season.

From 1999-2001, Sommer's club went 84-50-21-5 to capture two consecutive Mid-Atlantic Division titles and went to the Calder Cup Playoffs each season. Sommer's success was recognized during the 1999-00 season with his selection as the head coach for the Canadian All-Star Team, where his squad toppled PlanetUSA, 8-3.

Before being named head coach of the Thoroughblades in 1998, Sommer spent two seasons (1996-98) as an assistant coach with the San Jose Sharks.

With San Jose, Sommer was responsible for pre-scouting upcoming opponents for their offensive and defensive tendencies, line combinations and special teams tactics. In addition, he assisted in running practices and provided special on-ice extended workouts with scratched players and those rehabilitating injuries.

Before Sommer joined San Jose, he was head coach of the ECHL's Richmond Renegades from 1991-96 and was named 1995-96 Coach of the Year after leading his team to a league best 46-11-13 mark and a league record 105 points in capturing the Brabham Cup (best regular season record). Sommer led the Renegades to the Riley Cup (league championship) in 1994-95 after posting a 41-20-7 regular season record. In addition, he served as head coach of the ECHL's East All-Star Team in 1994-95 and the North All-Star Team in 1995-96.

Sommer's additional ice hockey coaching experience includes assistant coaching stints with the Albany Choppers and Muskegon Lumberjacks of the International Hockey League and working with USA Hockey as an assistant coach at several evaluation camps for 16- and 17-year-old players.

## SKATE WITH THE SHARKS

Four times during the season, the Worcester Sharks conduct a one-hour practice, followed by a one-hour open skate with the players. These practices are held at selected rinks in Central Massachusetts. They are free of charge and open to the public. Skate with the Sharks was voted as the favorite Sharks Community Event in a SharksAHL.com poll.

## SHARKS CHARITIES AND MARY DEFEUDIS

Sharks Charities, chaired by Mary DeFeudis, is a year-round initiative focused on meeting the educational, social and cultural needs of the Central Massachusetts community. ## DCU CENTER

For 30 years, the DCU Center in Worcester, Mass. has been recognized as the gathering place for people to experience the finest in entertainment, sporting events and public functions. Hailed as one of the most successful entertainment and convention facilities in the nation, the DCU Center opened its doors in September 1982 with the legendary Frank Sinatra Inaugural Concert. Since that time, acts of all musical genres have found their way to the arena stage. From rock to rap, country to contemporary, millions of fans from all over the world have come to the DCU Center to see their favorite performers.

The arena features annual appearances of the top family shows including Ringling Bros. and Barnum & Bailey Circus, Sesame Street Live, Disney On Ice, Harlem Globetrotters and The Wiggles among others. The DCU Center also plays host to a variety of sporting and entertainment events including NCAA basketball and hockey, Holy Cross basketball, Professional bull riding, the MIAA High School Basketball Championships, Monster Trucks and more. In addition, the facility is proud home to the American Hockey League's Worcester Sharks. The Worcester Sharks are owned, operated and affiliated with the San Jose Sharks and host 40 regular season home games.

The facility expanded in 1997 with the opening of an attached state-of-the-art convention center that features panoramic views of downtown Worcester. The complex, described as an architectural gem, added 50,000 square feet of exhibit space, 11 meeting rooms, a 12,144 square foot ballroom (the largest in Central Massachusetts) and a state-of-the-art kitchen. The facility's 100,000-plus square feet of exhibit space is filled by consumer shows, trade shows, conventions, conferences and other public and private functions year-round.

In October 2004, DCU (Digital Federal Credit Union) and the City of Worcester entered into a naming rights partnership to rename the arena and convention center to the DCU Center. DCU is a full-service, not-for-profit financial institution cooperatively owned by and operated for its members. DCU was chartered in October of 1979. Well over 300,000 DCU members have made them one of the fastest growing credit unions in America.

During the summer of 2009, the DCU Center underwent the first phase of a multi-year capital improvement project, which included an electrical service upgrade and the complete replacement of the ice surface. A new ice plant and chillers were replaced and new dasher boards and state-of-the-art seamless glass were installed for the start of the Worcester Sharks fourth season. Future phases of renovations are expected to incorporate amenities that are standard to new arenas including suites and club seats, as well as improved restrooms, concession areas and facility accessibility.

Continuing to provide the best possible experience for the promoter, performer and patron, the DCU Center is owned by the City of Worcester and managed by SMG, the world's leading private management and developing firm for public assembly facilities. Headquartered in Philadelphia, SMG provides management services to more than 200 venues. SMG also offers food and beverage operations through their in-house catering company, SAVOR... Catering by SMG.

## MINOR PRO AFFILIATE

The San Francisco Bulls, members of the ECHL — America's premier "AA" hockey league — have become San Jose's ECHL affiliate for their inaugural season.

"The Sharks are very excited to add the San Francisco Bulls as our ECHL development affiliate," said SJ Sharks Assistant GM Wayne Thomas. "Our organizations share the same passion to put a strong, competitive product on the ice, as well as being an active member in our shared Bay Area communities. Having our prospects develop in close proximity to our club in San Jose while playing for a first-class organization will serve them well moving forward in their professional careers."

"Today is a landmark day in SF Bulls history," said Bulls President and Head Coach Pat Curcio. "To become affiliated with the San Jose Sharks is a goal we've had since we founded the team last year. We look forward to developing young prospects in the San Jose Sharks system that will ultimately make an impact in the AHL and NHL in the near future. Our ultimate goal is to help the Sharks win a championship."

The SF Bulls enter their first season in the ECHL, having been founded in October of 2011. The Bulls mark the return of professional ice hockey to San Francisco for the first time in over 16 years. They will play their home games at the legendary Cow Palace, the home of the San Jose Sharks for their first two seasons from 1991-93.
