## ABOUT SHARKS SPORTS & ENTERTAINMENT

In Aug. 2011, the parent company of the National Hockey League's San Jose Sharks announced the creation of Sharks Sports & Entertainment.

Originally founded as Silicon Valley Sports & Entertainment in 2000, Sharks Sports & Entertainment's goal is to leverage the organization's core competencies to grow and/or acquire synergistic businesses and provide world-class sports and entertainment, while maintaining a championship-caliber National Hockey League team in San Jose.

The new Sharks Sports & Entertainment logo incorporates aspects of the San Jose Sharks well-known mark and includes the team's colors: Pacific Teal, Black and Orange.

Sharks Sports & Entertainment currently oversees the business operations of several entities across the United States.

In California, Sharks Sports & Entertainment operates the National Hockey League's San Jose Sharks, the SAP Open ATP World Tour Tennis Tournament, the management of HP Pavilion at San Jose and select HP Pavilion events.

In Memphis, Tenn., Sharks Sports & Entertainment operates two tennis properties; the Regions Morgan Keegan Championships ATP World Tour men's tournament and the WTA international women's tournament, as well as The Racquet Club of Memphis – an 188,000 square foot, full-service racquet, swim and fitness club.

In Worcester, Mass., Sharks Sports & Entertainment runs the American Hockey League's Worcester Sharks, the San Jose Sharks top development hockey affiliate.

In addition, Sharks Sports & Entertainment manages all or parts of several ice facilities in the Bay Area, including Sharks Ice at San Jose (the San Jose Sharks official training facility), Sharks Ice at Fremont and Oakland Ice Center operated by Sharks Ice. Sharks Ice at San Jose, one of only ten facilities in the United States with four or more NHL-size rinks, is the largest facility of its type under one roof west of the Mississippi River. The Sharks Ice family of ice rinks is home to the No. 1 ranked adult hockey league with over 4,500 registered adult players, according to USA Hockey.

Other properties that Sharks Sports & Entertainment has previously managed include Major League Soccer's (MLS) San Jose Earthquakes, including during their first MLS Championship season in 2001; the National Lacrosse League's (NLL) San Jose Stealth; the San Jose Grand Prix; "Fight Night at the Tank" boxing series; and Strikeforce Mixed Martial Arts.

Many business arrangements similar to Sharks Sports & Entertainment permeate the sports and arena management industry, such as Monumental Sports & Entertainment [Washington Capitals (NHL), Washington Wizards (NBA), Washington Mystics (WNBA) and the Verizon Center]; Canucks Sports & Entertainment [Vancouver Canucks (NHL), Rogers Arena and formerly the Vancouver Grizzlies (NBA)]; Altitude Sports and Entertainment [Colorado Avalanche (NHL), Denver Nuggets (NBA), Colorado Rapids (MLS), Colorado Mammoth (NLL)]; Altitude Regional Sports Network, and the Pepsi Center]; Maple Leaf Sports & Entertainment [Toronto Maple Leafs (NHL), Toronto Raptors (NBA), Toronto Marlies (AHL), Toronto FC (MLS), Leafs TV, NBA TV Canada, Go!TV Canada and the Air Canada Centre, ] and Palace Sports & Entertainment [Detroit Pistons (NBA), the Palace of Auburn Hills, the DTE Music Theatre and formerly the Tampa Bay Lightning (NHL)].

He also oversees business operations for the Worcester Sharks, the club's American Hockey League affiliate.

Furthermore, as a member of Senior Management, Bordelon is involved in review and pursuit of new business opportunities for SSE. In addition to overseeing the business operations of the Sharks, Bordelon has played a key role in developing and is also responsible for managing parts of SSE, which oversees the business operations of several entities across the United States.

In California, SSE operates the National Hockey League's San Jose Sharks, the SAP Open ATP World Tour Tennis Tournament, the management of HP Pavilion at San Jose and select HP Pavilion events.

In Memphis, Tenn., SSE operates two tennis properties; the Regions Morgan Keegan Championships ATP World Tour men's tournament and the WTA international women's tournament, as well as The Racquet Club of Memphis – an 188,000 square foot, full-service racquet, swim and fitness club.

In Worcester, Mass., SSE runs the American Hockey League's Worcester Sharks.

In addition, SSE manages all or parts of several ice facilities in the Bay Area, including Sharks Ice at San Jose (the San Jose Sharks official training facility), Sharks Ice at Fremont and Oakland Ice Center operated by Sharks Ice. Sharks Ice at San Jose, one of only ten facilities in the United States with four or more NHL-size rinks, is the largest facility of its type under one roof west of the Mississippi River. The Sharks Ice family of ice rinks is home to the No. 1 ranked adult hockey league with over 4,500 registered adult players, according to USA Hockey

Bordelon played an integral role in the planning and launch of the Sharks updated logo for the 2007-08 season as well as the team's 20th anniversary marks for 2010-11. Bordelon also worked closely with Reebok/CCM and the National Hockey League to develop and coordinate the launch of the Sharks new uniform for 2007-08 and has been a central figure in the concept, design and implementation of the Sharks third "black" jersey.

In addition, Bordelon is the franchise contact for a number of NHL sponsorship, broadcasting and other business-related issues. In that capacity, he served as the team's primary contact and coordinator with the NHL for the 1997 All-Star Game as the Sharks and the City of San Jose played hosts to what has been called one of the most successful mid-season classics ever conducted. He also worked with the NHL as the club's main liaison for the Sharks two-game series vs. the Calgary Flames in GAME ON Japan, the NHL's kick-off weekend to the 1998-99 season in Tokyo. Bordelon played a similar coordination role working with the NHL on the Sharks 2010-11 season opening games in Stockholm, Sweden vs. the Columbus Blue Jackets as part of the NHL Premiere games in Europe as well as an exhibition match vs. the Mannheim Eagles at SAP Arena in Mannheim, Germany.

The Sharks have also made significant gains in corporate partnerships under Bordelon's direction, including the naming of HP Pavilion at San Jose and the club level of the facility as the Comerica Bank Club and Citrix Suites. Since he joined the organization, numerous Bay Area high-tech companies have made their first forays into sports sponsorship with the Sharks and other SVS&E properties.

Bordelon was named to the initial steering committee of the San Francisco Chapter of the National Sports Marketing Network, an industry trade organization for sports business professionals. Bordelon served on the board of the San Jose Downtown Foundation and also served as the San Jose Downtown Association president in 1998 and 1999. Bordelon is a member of the American Leadership Forum-Silicon Valley, (Class XVIII), a nonprofit organization dedicated to building a better Silicon Valley community by joining and strengthening leaders to serve the public good.

Previously, he spent seven years within the advertising industry, including stints in media sales with Carlisle Outdoor Advertising and advertising agencies Ogilvy & Mather and Cunningham & Walsh, claiming numerous national and local awards and citations for outstanding creative and professional achievement.

A native of Houston, he graduated from Texas Tech University with a degree in advertising. Upon his graduation, he was named the American Advertising Federation Outstanding Advertising Student and the Texas Tech School of Mass Communications Most Outstanding Student. In addition, on Oct. 16, 1999, Bordelon was awarded the "Outstanding Alumni of the School of Mass Communications" during Texas Tech's homecoming festivities. In his first season in San Jose, Lehr helped drive merchandise sales to impressive numbers, consistently near the top of the NHL. ## DOUG WILSON

EXECUTIVE VICE PRESIDENT AND GENERAL MANAGER (SHARKS)

Since being named the team's executive vice president and general manager on May 13, 2003, Doug Wilson has strategically built the San Jose Sharks into one of the National Hockey League's top franchises through strong drafting, shrewd trades and timely free agent signings.

In his eight seasons in charge of the Sharks Hockey Department, Wilson has guided the team to its most successful era since the franchise's inception, capturing a Presidents' Trophy (2009), five Pacific Division titles (last four consecutive seasons) and advancing to the Western Conference Final on three occasions, including the last two consecutive seasons.

In his tenure as general manager, only the Detroit Red Wings have appeared in more Stanley Cup Playoff rounds (18) than San Jose (16).

During that same span, the Sharks have averaged 108 points per season (eclipsing the 100-point barrier in six of the last seven seasons and earning 99 points in 2005-06), rank second in the NHL in regular season points (753 points, 339-160-75 record) and are second in wins among all NHL teams.

The Sharks have seven consecutive 40+ win seasons (tied for second-most among current NHL teams) and they have posted five consecutive 100-point seasons (2007-2011), tied for fourth all-time in NHL history.

Wilson's focus in team-building is forging the team thru drafting and development, retaining your own key players and making the Sharks organization a place that players want to come and play. Since the 2003 NHL Draft, Wilson's first at the helm of the team, no NHL team has produced more games played among their drafted players than the Sharks (3,123) and the Sharks are tied for first in the NHL for average number of homegrown players on the team's roster each season since the 2005-06 (12).

In his current role, Wilson, 54, has overall authority regarding all hockey-related operations. He oversees all player personnel decisions, negotiates player contracts, coordinates the efforts of the team's scouting department, leads the team in its draft day preparation and administers the club's player evaluation process at all professional, minor and junior levels.

Wilson serves as an alternate governor to the NHL's Board of Governors

In his previous role as the team's director of pro development (1997-03), the 16-year NHL veteran's responsibilities included evaluating talent at all professional and minor league levels and continuous assessment of the Sharks roster and reserve list. In addition, he provided valuable input assisting in the club's player development programs and consulting with the hockey department on all major personnel issues, special assignments and contract negotiations.

Working closely with the entire hockey department, Wilson played a major role in creating a positive atmosphere in the dressing room and on-the-ice attractiveness to obtaining and retaining veteran free agents during the team's re-building period such as Vincent Damphousse, Mike Ricci, Gary Suter, Scott Thornton and Mike Vernon.

Wilson was an integral member of the NHL Players' Association for four years (1993-97). With the NHLPA, he served as coordinator of player relations and business development and was primarily responsible for overseeing player relations, the development of business ventures and managing international affairs. Wilson is also a past president of the NHLPA.

Wilson sat on the board of the Canadian Hockey Association and has extensive experience in talent evaluation. He served as management consultant for Canada's entries in the 1994, 1995, 1996 and 1997 World Junior Championship tournaments — resulting in four consecutive gold medal finishes and also served on the management team for Canada's entry in the 1998 Winter Olympic Games.

Wilson draws on a vast amount of hockey knowledge and expertise throughout his on-and-off the ice experiences. His older brother, Murray, played seven NHL seasons, capturing four Stanley Cup Championships with the Montreal Canadiens (1973, 1976-78). As a member of the Ontario Hockey League's Ottawa 67s, Wilson played for Hall of Famer Brian Kilrea, junior hockey's all-time winningest coach. During his tenure with the Chicago Blackhawks, he was a teammate of NHL legend Bobby Orr and a roommate with Hall of Famer Stan Mikita.

In 2004, Wilson was named to the NHL Game Committee, a panel of players, coaches, executives and media responsible for examining all aspects of the game. The committee, which initially met during the offseason, included Hall of Fame Coach Scotty Bowman, Pittsburgh's Chairman of the Board Mario Lemieux and former national television analyst/goaltender and current St. Louis President of Hockey Operations John Davidson, among others.

A first round draft choice (sixth overall) by the Blackhawks in 1977 after a stellar junior career with the Ottawa 67s, Wilson played 14 seasons in Chicago and still ranks as the club's highest scoring defenseman in points (779 — fifth overall), goals (225 — 12th overall) and assists (554 — third overall). Wilson ranks fifth all-time in games played (938) for Chicago. In addition, he led all Blackhawks defensemen in scoring for 10 consecutive seasons (1980-81 through 1990-91) and captured the 1982 James Norris Memorial Trophy, symbolic of the League's top defenseman, when he tallied 39 goals and 85 points — still Blackhawks single-season records for goals and points for a defenseman.

He was selected to eight NHL All-Star Games (seven with Chicago and one with San Jose) and while with Chicago, Wilson was named as an NHL First Team All-Star in 1982 and twice was named as an NHL Second Team All-Star (1985 and 1990).

Acquired by San Jose from Chicago just before the Sharks inaugural season (1991-92), Wilson brought instant credibility and respect to the young franchise. He played two seasons for the Sharks, scoring 48 points (12 goals, 36 assists) in 86 games and, entering this season, ranks tied for 56th on the Sharks all-time scoring list, tied for 17th all-time among defensemen.

Included in Wilson's Sharks career highlights are serving as the franchise's first team captain (1991-93), being the team's first representative in an All-Star Game (1991-92), playing in his NHL-milestone 1,000th game on Nov. 21, 1992 (77th player in League history) and twice named Sharks nominee (1992 and 1993) for the King Clancy Award (for leadership and humanitarian contributions both on-and-of the ice). At his 1,000th NHL game played ceremony, he announced the creation of the Doug Wilson Scholarship Foundation, to provide assistance to worthy college-bound Bay Area students, which continues today.

Wilson announced his retirement as a member of the Sharks during training camp in 1993-94 after playing in 1,024 career games. In addition, he played in 95 career playoff games and scored 80 points (19 goals, 61 assists). The Ottawa, Ontario native scored 827 points (237 goals, 590 assists) during his career that began in 1977-78 with Chicago.

In 2004, Wilson was named to the Positive Coaching Alliance's National Advisory Board. PCA, established at Stanford University in 1998, looks to create a positive character-building experience by using sports to teach life lessons while de-emphasizing the "win-at-all-cost" mentality.

Wilson was inducted into the Chicago Sports Hall of Fame in September 1999. He also serves on the NHL's board of directors for the alumni association.

In October 1998, the Ottawa 67s honored his stellar career by retiring his No. 7 sweater. Known as an offensive defenseman, he recorded 295 points in 194 Ontario Hockey League games with the 67s from 1975-77. In addition, during the same weekend of activities in his hometown, he was inducted into the Ottawa Sports Hall of Fame.

Wilson and his wife, Kathy, have four children: Lacey, Doug, Chelsea and Charlie.

## RICH SOTELO

VICE PRESIDENT OF BUSINESS OPERATIONS

Rich Sotelo enters his 19th year with Sharks Sports & Entertainment (SEE) and his 12th as vice president of building operations. From 1995-99, he served as director of operations for San Jose Arena Management.

Sotelo, 54, oversees various aspects of HP Pavilion at San Jose's Building Operations Department, including audio/visual, engineering, security, conversion, cleaning, facility enhancements and construction projects. In addition, Sotelo is responsible for coordinating the facility's Emergency Response Contingency Planning and, utilizing his past knowledge and involvement with labor union negotiations, he is HP Pavilion at San Jose's liaison and main negotiator in handling all collective bargaining agreements with the various unions.

With a 29-year background in engineering and facility operations, Sotelo, who began his career at San Jose Arena after initially being hired in 1993 by Johnson Controls, also possesses an intricate understanding of the building's inner workings. He has extensively handled equipment and facility shakedown, developed a vast knowledge of arena equipment and facilities, implemented the process to inspect and catalog all equipment locations and continues to monitor all maintenance needs.

His experience was invaluable in managing HP Pavilion at San Jose improvement projects such as the installation of an additional ice making chiller, installation of dehumidification equipment and the challenging placement of the HP Pavilion signs that adorn both entrances and the roof.

In the summer of 2007, Sotelo oversaw the ambitious, \$17.5-million capital upgrades project to HP Pavilion that included the new, multi-level Daktronics LED scoreboard, LED full color fascia display, a state-of-the-art seating area sound system, acoustic panels, roof-rigging weight capacity increase, a new HDTV control room and an additional concourse level suite. The facility is now the largest ice facility under one roof west of the Mississippi River. In addition, the facility added Stanley's, a 5,400 square-foot sports bar which overlooks three of the four ice surfaces and boasts 11 flat-screen plasma televisions and a state-of-the-art sound system.

A native Californian, Sotelo was raised in San Leandro and attended Chabot College in Hayward. Sotelo is on the board of directors for the San Jose Sports Hall of Fame and the Facility Operations Managers Association.

## WAYNE THOMAS

VICE PRESIDENT AND ASSISTANT GENERAL MANAGER

Wayne Thomas recently completed his 15th season as assistant general manager and his tenth as vice president, providing Executive Vice President and General Manager Doug Wilson with an experienced, versatile and valuable assistant.

Thomas, 63, is well versed in all aspects of the National Hockey League, garnering experience from his more than 40 years of being a player, head coach, assistant coach, advance scout and executive. Before his promotion in March 1996, he was in his third season as Sharks assistant coach and assistant to the general manager.

An Ottawa, Ontario native, Thomas is intimately involved with all aspects of the Sharks on- and off-ice operations, including evaluating players on the Sharks reserve list with special emphasis on goaltenders, scouting other NHL teams and taking an active role in contract negotiations and player personnel matters.

In addition, Thomas serves as the general manager of the American Hockey League's Worcester Sharks (the organization's top development affiliate) and also supervises the relationship between the organization and its other player development teams, including the ECHL's Stockton Thunder.

For the past seven seasons, Thomas has also taken on a more advanced, day-to-day role in working with the Sharks goaltenders on-and-off the ice. He also oversees the work of Goaltending Development Coach Corey Schwab, who handles goaltending coaching duties for Sharks prospects in Worcester, Stockton and other amateur leagues.

Thomas serves an important role as a liaison between the coaches, training staff and the hockey department, facilitates the interaction of hockey department personnel within the organization, coordinates the construction of the NHL pre- and regular season schedules, assists the efforts of the Sharks scouting staff and coordinates a variety of front office administrative matters.

Under Thomas' direct supervision and following the franchise's goal of developing players from within, the Sharks AHL affiliate system has produced a number of key players on the Sharks current roster which were acquired through the NHL Entry Draft or as unsigned free agents including Justin Braun, Ryane Clowe, Logan Couture, Jason Demers, Andrew Desjardins, Thomas Greiss, Jamie McGinn, Douglas Murray, Joe Pavelski.

Reinforcing the link between the Sharks and their drafting and development system through the American Hockey League, since the 2003 NHL Draft, no NHL team has produced more games played among their drafted players than the Sharks (3,123) and the Sharks are tied for first in the NHL for average number of homegrown players on the team's roster each season since the 2005-06 (12).

In his role as Sharks assistant coach from 1993-96, Thomas assisted with game strategy, advance scouting of opponents and performed individual work with the Sharks goaltenders. In addition, he collaborated with the general manager on a year-round basis regarding administrative matters.

Thomas joined the Sharks coaching and management staff for the 1993-94 season after spending three seasons (1990-93) as an assistant coach with the St. Louis Blues. Thomas also served in that capacity with the Chicago Blackhawks in 1987-88 and was head coach at Peoria (International Hockey League) from 1988-90 and at Salt Lake City from 1985-87. His 1985-86 squad captured the IHL's Turner Cup Championship.

A former NHL goaltender, his playing career consisted of 243 games over nine seasons, posting a 103-93-34 record with Montreal, Toronto and the New York Rangers. In his rookie season, Thomas was a member of the Canadiens 1972-73 Stanley Cup Championship squad. Additional career highlights included being selected to and getting the win at the 1976 NHL All-Star Game as a member of the Maple Leafs, posting 10 career shutouts — including one in his first NHL start — and a lifetime goals-against average of 3.34. After his retirement in 1981, Thomas spent four seasons as an assistant coach with the Rangers.

Thomas has a bachelor's degree in physical education from the University of Wisconsin, where he played three years of hockey from 1967-70.

## JOE WILL

ASSISTANT GENERAL MANAGER

Joe Will, 47, begins his first season as assistant general manager following seven seasons as the team's director of hockey operations. Will has been a member of the Sharks organization since its inception in July 1990, also previously serving as scouting coordinator and assistant to the general manager.

Will works closely with Executive Vice President and General Manager Doug Wilson on all daily departmental functions and his primary responsibilities include contract research and negotiations, scouting operations, fiscal planning, salary cap analysis and hockey administration. He's the lead coordinator and planner for the Sharks training camp scouting meetings and scouting conference calls each season.

One of his most important duties involves the tracking, analyzing and projecting of the team's player payroll relative to the current and future National Hockey League salary cap to give the team the financial flexibility to ice a championship-caliber team each season.

Will also works with the organization's professional scouts and management team in player research for expansion, waivers, free agency and trades. His expert analysis of economic trends in the NHL has led to the Sharks acquisition and retention of several key veteran players over his time with the club.

The Bloomington, Minn. native also works with Director of Scouting Tim Burke in the development and implementation of draft prospect testing, draft table operations and computer scouting analysis. Will is an integral part of the team's draft-day strategy. Without his coordinating efforts, the team would not have drafted 2001 Calder Memorial Trophy winner Evgeni Nabokov in 1994. In addition, he developed the Sharks computer scouting program that pioneered the advent of scouting programs used throughout the NHL.

Before joining San Jose, Will spent six years in the Minnesota North Stars organization in various capacities.

## TODD McLELLAN

HEAD COACH

In just three seasons as an NHL head coach, Todd McLellan continues to make remarkable additions to an already impressive coaching resume.

McLellan, 44, has posted a 152-63-31 record behind the San Jose Sharks bench, tying him with Mike Keenan for the most wins by any NHL head coach in their first three years.

During that span, the Sharks have posted three 40-plus win and 100-point seasons, captured a Presidents' Trophy (2009), three consecutive Pacific Division titles and made back-to-back appearances in the Western Conference Final (2010, 2011).

During the 2010-11 campaign, McLellan's Sharks tied for the third-most wins in the NHL (48), were second in power play percentage (23.5%), led the NHL in shots per game (34.5) and were second in faceoff percentage (53.7%).

In 2009-10, McLellan's team finished in the top-five among all NHL teams in goals per game (3.13), power play (21.0 percent), penalty killing (85.0), faceoff percentage (55.6) and even-strength goal differential (plus-32). He became just the third coach in National Hockey League history to record 50-plus wins in his first two seasons.

In his first season as an NHL head coach, he was named as a finalist for the Jack Adams Trophy and became just the sixth NHL coach (and first since 1990) to lead his team to the Presidents' Trophy for the best overall regular season record (53-18-11) in his first season behind the bench. Only Tom Johnson's 1970-71 Boston Bruins won more home games (33) than McLellan's Sharks (32) and the team's 53 wins placed him tied for second behind Johnson (57 wins) for most overall coaching wins by a rookie head coach. In addition, McLellan's .713 points percentage ranks third all-time among first year bench bosses with at least 80 games coached.

Named as the eighth head coach in San Jose Sharks franchise history on June 12, 2008, the 2008-09 Sharks collected 52 points through the first 30 games of the season (32-5-4, an NHL record) and began the season 20-0-2 at HP Pavilion. They were the only team in the League to be in the top-five of each of the following categories: power play (third, 24.2 percent), penalty kill (fifth, 83.3), shots for (third, 33.2), shots against (first, 27.2) and face-offs (second, 53.8).

Before joining San Jose, McLellan spent three seasons as an assistant coach under Mike Babcock with the Detroit Red Wings. During that span, no NHL team won more games (162) or earned more standings points (352) than Detroit. One of McLellan's key responsibilities was working with the Red Wings power play, which finished third in the NHL in 2007-08 (20.7) and first in 2005-06 (22.1).

In his six seasons coaching in the NHL with San Jose and Detroit, McLellan's teams have won one Stanley Cup (2008 with Detroit), three Presidents' Trophies (2006 and 2008 with Detroit – finishing second overall in 2007, tying the Buffalo Sabres for first in points (113) but having three fewer wins – and 2009 with San Jose), four appearances in the Western Conference Final (2007, 2008 with Detroit and 2010, 2011 with San Jose) and six division titles.

Prior to being hired in Detroit, McLellan spent four seasons as head coach of the Houston Aeros in the American

Hockey League, including capturing the 2003 Calder Cup Championship. Under his guidance, McLellan led the Aeros to a 154-111-37-18 mark (.567 winning percentage). He was named 2003 Minor Coach of the Year by The Hockey News and also was selected to coach two AHL All-Star Games during his tenure in Houston.

In 2000-01, he was the head coach of the Cleveland Lumberjacks of the International Hockey League, posting a 43-32-7 record.

From 1994-95 through 1999-00, McLellan coached the Swift Current Broncos of the Western Hockey League, where he also served as general manager in his final four seasons. He was named 2000 WHL Coach of the Year and 1997 WHL Executive of the Year. The team captured division titles in 1996 and 2000.

In his 17 years of serving as a head and assistant coach, McLellan's teams have never missed the postseason.

McLellan, a native of Melville, Saskatchewan, played his junior hockey with Saskatoon (WHL) and was drafted by the New York Islanders in the fifth round (106th overall) in the 1986 NHL Entry Draft. He played parts of two seasons with Springfield in the AHL and played in five games with the Islanders in 1987-88, posting two points (one goal, one assist) before a shoulder injury ended his career.

McLellan and his wife, Debbie, have two sons: Tyson and Cale.

*Under Todd McLellan, the Sharks have finished first in the Western Conference for two straight seasons and led the Pacific Division in all three seasons.*

## TIM BURKE

### DIRECTOR OF SCOUTING

Director of Scouting Tim Burke enters his 15th season as the head of the Sharks scouting department.

Burke, 56, coordinates and oversees the Sharks efforts in the National Hockey League's annual Entry Draft while working closely with Executive Vice President and General Manager Doug Wilson and his staff. In addition to being the principal decision-maker at the draft table,

Burke is also responsible for evaluating amateur talent at every level in all North American and European leagues and supervises all aspects of the club's amateur scouting efforts.

Burke's hard work and keen decision making, coupled with the talents of his competent staff at evaluating players, has produced admired results. Burke's selection process has helped the Sharks create a solid foundation of talented players from which to build the franchise around — including Patrick Marleau (1997), Douglas Murray (1999), Ryane Clowe (2001), Joe Pavelski (2003), Thomas Greiss (2004), Torrey Mitchell (2004), Marc-Edouard Vlasic (2005), Jamie McGinn (2006) Justin Braun (2007) and 2011 Calder Memorial Trophy runner-up Logan Couture (2007), all of whom played prominent roles in the Sharks recent seasons.

Since the 2003 NHL Draft, no NHL team has produced more games played among their drafted players than the Sharks (3,123) and the Sharks are tied for first in the NHL for average number of homegrown players on the team's roster each season since the 2005-06 (12).

A member of the Sharks scouting department since the 1992-93 campaign, Burke was promoted to his current position on June 4, 1996. Before his promotion, Burke served as director of professional scouting from 1992-96 and evaluated talent throughout all North American professional leagues and assisted with amateur scouting.

From 1987-92, he spent five seasons in the New Jersey Devils organization, serving in several capacities, including as a Devils assistant coach, head coach for the American Hockey League's Utica Devils and as a pro scout. Burke was also an assistant coach at Princeton University from 1984-86.

A former defenseman, Burke was selected by the Montreal Canadiens in the seventh round (124th overall) of the 1975 NHL Entry Draft and by the Chicago Cougars in the second round (25th overall) of the 1974 World Hockey Association Entry Draft. He was a four-year letterman in both hockey and baseball at the University of New Hampshire, where he was named to the NCAA's All-America hockey team after his senior campaign.

He played seven years of professional hockey following his outstanding collegiate career, including three seasons (1977-80) with the Nova Scotia Voyageurs, the Canadiens AHL affiliate, and one season with Jokerit Helsinki in the Finnish Elite League.

Tim Burke and Doug Wilson greet second round selection Matthew Nieto at the 2011 NHL Draft.

## JOHN FERGUSON

DIRECTOR OF PRO SCOUTING

Entering his fourth season as the Sharks director of pro scouting is National Hockey League front office veteran John Ferguson. He joined Executive Vice President and General Manager Doug Wilson's staff in September 2008.

Ferguson works closely with Wilson and Director of Scouting Tim Burke analyzing and evaluating professional hockey players at the NHL and American Hockey League levels.

Before joining the Sharks, Ferguson, 43, spent four-plus seasons as vice president and general manager of the Toronto Maple Leafs. During his tenure, the Maple Leafs set single-season franchise records for most points (103, 2003-04), wins (45-tied, 2003-04), home wins (26, 2005-06) and most road wins (23, 2003-04). He compiled an overall record of 145-110-10-30, including three, 40-plus win and 90-plus point seasons. His .559 winning percentage is the second-highest among all general managers in Maple Leafs history.

Ferguson has also served on the management team of Team Canada, working alongside Steve Yzerman, for their undefeated, gold-medal winning campaign at the 2007 IIHF World Championships, the youngest-ever squad to win a World Championship.

Before working in Toronto, Ferguson spent seven seasons (1997-03) with the St. Louis Blues organization, including five as assistant general manager before being promoted to vice president and director of hockey operations in February 2001. There, he worked closely with Senior Vice President and General Manager Larry Pleau in managing all facets of the Blues hockey operations department, including analyzing and negotiating player contracts, evaluating professional and amateur players in North America and Europe and serving as president and general manager of the Worcester IceCats, the team's American Hockey League affiliate.

The team made the Stanley Cup Playoffs in each of his seven seasons with the hockey department, including a trip to the 2001 Western Conference Finals and a Presidents' Trophy in 2000.

Before working in St. Louis, Ferguson was an amateur and professional scout with the Ottawa Senators organization from 1993-96 and was as a player agent during the 1996-97 season.

A 12th round (247th overall) selection of the Montreal Canadiens in the 1985 NHL Entry Draft, Ferguson played four professional seasons with Sherbrooke, Fredericton and New Haven of the AHL. He was alternate captain of the 1992 Fredericton team that won the AHL regular season championship and was named the team's "unsung hero" in consecutive years (1991 and 1992).

Ferguson played collegiately at Providence where he served as an assistant captain, was an Academic All-American and graduated Magna Cum Laude with a degree in business administration in 1989. Following his professional hockey career, he enrolled at Suffolk University Law School, where he graduated Cum Laude. Ferguson was admitted to the Massachusetts State Bar in 1996.

The Montreal, Quebec native is the son of the late five-time Stanley Cup champion and former NHL general manager John Ferguson, who spent 11 seasons with the San Jose Sharks Hockey Department.

- On Nov. 5, 1992 in San Jose, Larry DePalma and Dave Snuggerud scored goals seven seconds apart. They set a franchise record for the fastest two goals in a game during San Jose's 7-5 win.
- San Jose had never defeated the Sabres in Buffalo, until Dec. 2, 2005 — Joe Thornton's Sharks debut. In that game, a 5-0 San Jose win, goaltenders Evgeni Nabokov and Nolan Schaefer combined for the shutout, the first between the two teams.
- Buffalo has defeated San Jose just three times in California. The first win came on Nov. 12, 1991 at the Cow Palace. The next victory came 16 years later on Dec. 8, 2007 in a 7-1 decision at HP Pavilion at San Jose, and the third on Jan. 6, 2011 in which Ryan Miller was credited with the first Sabres first-ever shutout of the Sharks, 3-0.

## FAN DEVELOPMENT

Since arriving in the Bay Area in 1990, the San Jose Sharks have taken a vested interest in their community. Their mission states: "The San Jose Sharks Fan Development Department is committed to providing high quality, Sharks-specific hockey experiences for all ages and abilities in an effort to cultivate, nurture and create new hockey fans. Working in conjunction with SSE Business Operations and the Hockey Department, the programming platform will incorporate hands-on instruction, interactive experiences and leverage mascot, player, coaching and executive integration. Through our efforts, we will deliver a professional message in a fun and safe environment in order to positively impact the long-term, well-being of our franchise." Grass roots hockey programs, a mascot program, educational hockey classes and a kids club are only a few of the organization's innovations. Among its current programs are:

### SAN JOSE SHARKS SUMMER HOCKEY SCHOOLS

Every year, the San Jose Sharks conduct the Sharks Summer Hockey Schools at Sharks Ice at San Jose. These camps include both a youth and an adult hockey series. An elite staff of professional instructors from the Sharks organization brings considerable expertise to hundreds of hockey players each summer. The 2009 Summer Hockey School staff was led by Roy Sommer, head coach of the Worcester Sharks, the Sharks top developmental affiliate in the American Hockey League. In addition to Sommer, camp instructors included Worcester Assistant Coach David Cuniff and former Sharks Assistant Coach Derek Eisler. Numerous Sharks players as well as S.J. Sharkie also appeared during the summer camp sessions. For more information, call 408-999-6706.

### SCHOLARSHIP PROGRAM

#### BAY AREA ALL-STAR SCHOLARSHIP TEAM (B.A.A.S.S.T.)

In a collective effort to support youth working towards the goal of higher education, Bay Area professional sports franchises, including the Golden State Warriors, Oakland Athletics, Oakland Raiders, San Francisco 49ers, San Francisco Giants and San Jose Sharks, have partnered together to form the Bay Area All-Star Scholarship Team (BAASST). As part of this program—the first of its kind among professional sports organizations—six high school seniors are selected to each year to receive a \$3,000 scholarship. Since its inception, over \$200,000 has been given to local student athletes to be applied toward their college education.

All public high schools within this area are provided with detailed information about the scholarship opportunity and are encouraged to nominate two male and two female athletes that meet the following criteria: a minimum grade point average of 3.0, displays leadership qualities in the classroom and/or inspirational qualities on the athletic field and demonstrates the value of education, good work ethic and community outreach.

In addition to a monetary award, students are also invited to attend a game at each team's home arena/stadium. The scholarship recipients, their guests and team representatives are provided game tickets, food and beverages and are recognized in a special ceremony during each game. For more information, contact Tim Howell at [thowell@svse.net](mailto:thowell@svse.net).

## PLAYSTATION FUTURE SHARKS

During the first intermission of selected Sharks home games during the 2011-2012 season, local youth hockey teams will be given the chance to display their skills and talent in front of thousands of Sharks fans at HP Pavilion at San Jose.

For close to 15 years, thousands of youth hockey players have graced the ice at HP Pavilion and have had the rare opportunity to skate on the same surface as NHL players through Future Sharks. Participating clubs can dress 12 players and are given the option to play either a two-minute hockey game or a 5-on-5 "Shootout" during the intermission. Clubs will receive a limited number of game tickets for the players and their guests courtesy of PlayStation and the Sharks. ## SHARKS & PARKS, AN NHL STREET PROGRAM

The Sharks Fan Development Department, in conjunction with NHL Street, is excited to announce another season of Sharks & Parks, a street hockey program designed to introduce hockey to youth in a fun and safe environment.

Started in 1991, Sharks & Parks has reached tens of thousands of kids by donating street hockey equipment and instructional material to schools and community centers throughout Northern California. The program was so successful that the NHL adopted it as a league-wide initiative the following year with 33 programs run by various NHL and American Hockey League (AHL) teams throughout the United States and Canada.

The Sharks & Parks season typically kicks off with a street hockey tournament held at HP Pavilion in the fall and continues throughout the year with various summits and hockey/skating clinics for participants and staff. For more information about Sharks & Parks, please [thowell@svse.net](mailto:thowell@svse.net) or visit the "Community" section on [sjsharks.com](http://sjsharks.com).

## HIGH SCHOOL WRITERS DAY

Each season, the San Jose Sharks play hosts to the annual "High School Writers Day," an event which gives aspiring high school students the opportunity to experience the life of a professional journalist.

The day includes access to Sharks players, staff and/or beat writers, a press room meal, a behind the scenes tour of HP Pavilion and a press box view of the game.

At the conclusion of the event, the participants will write a recap of their experience, with one winner being selected to receive two tickets to a future game and have his/her work published on [www.sjsharks.com](http://www.sjsharks.com).

## SHARKS FOUNDATION

The Sharks Foundation was created in 1994 in an effort to increase organizational impact on the community. Its mission would prove to be the framework from which it grew: "The Sharks Foundation is dedicated to enhancing the lives of youth and families in our community with an emphasis in the areas of Education, Health and Safety and Character Development. The Sharks Foundation supplies emergency aid when appropriate, executes unique and relevant programming and provides financial support and resources to organizations that enrich the lives of those in need."

The Sharks Foundation evolved and quickly expanded beyond its original charter and since its inception, has donated more than \$5.2 million to more than 100 local beneficiaries. In addition to its original grant program, the Sharks Foundation manages educational programs, plays host to major fundraisers, executes collection drives and implements community outreach events. With the help of Sharks players, coaches and staff, the Sharks Foundation invests in the community with the hope of enhancing the lives of our youth.

## GRANT PROGRAM & FUNDRAISERS

The Sharks Foundation provides financial assistance to 501(c)(3) organizations in Santa Clara County whose focus is geared towards youth programming and services. ## "SHARK FOR A DAY" FANTASY CAMP

We're all San Jose Sharks fans — passionately rooting for the boys in teal. But few of us ever get the opportunity to experience what it's like to be a member of the team. If you've ever dreamed of being a Sharks player or wondered how your game would stack up against NHLers, you have that chance. Once a year, the Sharks Foundation plays host to the "Shark For a Day" Fantasy Camp, which gives fans the rare opportunity to share the ice with Sharks alumni.

From the moment you step into the building until you step off the ice, you'll get as close as you can get to being an NHL player without actually worrying about a Douglas Murray hip check along the boards. Participants will skate with Sharks alumni in a regulation game, be given official team gear and much more!

Last year, NHL alumni participants included fan favorites Steve Shields, Al Iafrafe, Murray Craven, Jay More, and Bret Hedican. In addition, Sharks broadcaster Jamie Baker and NHL Broadcaster Darren Pang served as celebrity Head Coaches for each respective team.

Net proceeds from this event benefit the Sharks Foundation. "Shark For a Day" is scheduled for the Spring of 2012. For more information, please contact Kelly Esrey at [kesrey@svse.net](mailto:kesrey@svse.net) or visit the "Fundraisers" section of [www.sharksfoundation.org](http://www.sharksfoundation.org)

## SHARKS FOUNDATION GOLF CLASSIC

The Sharks Foundation Golf Classic is the Sharks Foundation's largest fundraiser. The entire Sharks roster, along with coaches and broadcasters, are matched with participants for an exciting day of golf at San Jose's Cinnabar Hills Golf Club. The day includes lunch on the course, amazing participant gifts, hole-in-one contests, raffle prizes, one-of-a-kind silent and live auction items, dinner in the clubhouse and an awards ceremony.

## SILENT AUCTION SERIES

Fans are given the opportunity to purchase memorabilia and help a worthy cause when they participate in the Charity Auction held at every home game. The Charity Auction takes place on the concourse of every Sharks home game and items can range from autographed items to one-of-a-kind fan experiences.

## PLEDGE PROGRAMS

### G.O.A.L.S. (GRANTING YOUTH OPPORTUNITIES TO ADVANCE, LEARN AND SUCCEED)

Sharks corporate partners participating in the G.O.A.L.S. program have pledged \$20 to the Sharks Foundation for each Sharks goal scored during the upcoming season.

## COMMUNITY OUTREACH EVENTS

### ADOPT-A-FAMILY HOLIDAY PARTY

San Jose Sharks players, coaches and staff share the holiday season with local families in need as hosts of the Sharks Foundation's Adopt-A-Family Holiday Party. Festivities include ice skating at Sharks Ice at San Jose, arts and crafts, dinner, photos with "S.J. Sharkie Claus" and the presentation of gifts. Each child receives clothing and toys from their adoptive player, coach or staff member.

### COLLECTION DRIVES

The Sharks Foundation teams up with several groups throughout the year to play hosts to drives for items in need. In October, the Reading Is Cool Presented by Comerica Bank will play hosts to the Children's Book Drives on Oct. 15 and Oct. 17. All books will be donated to local elementary school libraries. In November, Sharks fans can help launch the Second Harvest Food Bank Holiday Food Drive by bringing canned food to games on Nov. 10 and Nov. 12. The U.S. Marine Corps Reserve's Toys For Tots Toy Drive will occur on Dec. 1 and Dec. 3. Fans are encouraged to bring a new and unwrapped toy to be given to a child in need. The Share the Warmth Drive will be held Jan. 5 and Jan. 7. New or gently used blankets and coats will be donated to those in need throughout Silicon Valley. All drives take place at the North and South Entrances of HP Pavilion at San Jose and monetary donations are also accepted.

## EDUCATION PROGRAMS

### READING IS COOL PRESENTED BY COMERICA BANK

Each year, the Sharks Foundation and Comerica Bank are proud to present Reading Is Cool, a literacy program directed at all public K-6 grade classrooms in Santa Clara County, Newark, Fremont and Union City. During the 2011-12 season, Reading Is Cool will reach approximately 20,000 kids in more than 950 classrooms. Reading Is Cool features monthly incentive awards, private practice field trips to Sharks Ice at San Jose, Top Reader Night and in-game book drives.

For more information on the Reading Is Cool program, please contact Kelly Esrey at [kersey@svse.net](mailto:kersey@svse.net) or visit [www.sharksfoundation.org](http://www.sharksfoundation.org).

## HOW THE SHARKS FOUNDATION IMPACTS SILICON VALLEY

*"The San Jose Sharks Foundation is one of Bring Me A Book's most valued partners. Their support has helped us provide children in San Jose with easy classroom access to the best children's books and inspire their parents to develop a regular routine of reading aloud to their children. Their funding has helped us bring additional resources and services to underserved schools in our community." - Amy Hsieh, Development and Marketing Manager, Bring Me a Book Foundation*

*"I wanted to let you know how much I have appreciated the Reading Is Cool program. I used Reading is Cool as a literacy activity in the enrichment portion of our program. I found it to be a great tool in encouraging, not just my avid readers, but all students to read a little bit more. The added incentives made the work all that more rewarding for us all! I wanted to give a big thank you to you and the San Jose Sharks for all your hard work and for providing such a great program to the community!" - Denise Klawitter, 5th/6th grade Teacher*

## S.J. SHARKIE

S.J. Sharkie enters his 21st season as the Sharks beloved mascot.

A consistent and familiar presence at every Sharks home game, Sharkie has the enviable task of entertaining a sold out crowd in San Jose night in and night out, performing a variety of exciting death-defying and unique stunts and acts. Sharkie's nightly performances range from rappelling from HP Pavilion at San Jose's rafters to speeding across the ice on his four-wheel all-terrain vehicle.

Since his NHL debut in January 1992, Sharkie has become one of the most recognized mascots in the universe. He's a highly respected figure both inside and outside of HP Pavilion and throughout the hockey community.

This lovable mascot makes more than 450 public appearances each year, and makes a splash at any event. During the 2010-2011 season, Sharkie's events ranged from birthday parties to flower deliveries, bar mitzvahs to weddings, corporate events and charity fund-raisers. In the past, he has even escorted a high school student to her senior prom and acted as the ring bearer at a wedding ceremony. Aply coined as "The Hardest Working Fish in Sports," Sharkie has been selected to the NHL All-Star Game an amazing 14 times and assisted in dropping the ceremonial first puck at the 1997 All-Star Game in San Jose.

Besides his countless appearances, Sharkie is involved with numerous bay area charities. Sharkie also spends countless hours on behalf of the Sharks Foundation by lending a "fin" to their school programs, fund raisers, meetings and projects throughout the year.

Sharkie's popularity has "spawned" his very own merchandise line and web site ([sjsharkie.com](http://sjsharkie.com)), the first ever devoted solely to a professional mascot. 2009 saw the online debut of Sharkie's very own social network pages on twitter and facebook ([twitter.com/sjsharkie](http://twitter.com/sjsharkie) and [facebook.com/sjsharkie](http://facebook.com/sjsharkie)).

## HP PAVILION AT SAN JOSE

AT SAN JOSE

# NORTHERN CALIFORNIA'S TOP ENTERTAINMENT VENUE

HP Pavilion at San Jose has been recognized as the biggest success story in the revitalization of downtown San Jose. For more than a decade, the facility with its distinctive 10-story glass pyramid entry and unique stainless steel façade has been the place-to-be-and-be-seen in the Bay Area. Located in the heart of Silicon Valley, HP Pavilion is an exemplification of the architectural excellence and technological innovation that defines the area.

That statement carries more weight today, especially after the completion of a \$16.5-million renovation in the summer of 2007. The costs were shared by the City of San Jose and HP Pavilion.

Guests entering HP Pavilion now enjoy the latest in audio and video technology to enhance their viewing experience. Most noticeable to the eyes is the high resolution LED center hung scoreboard — one of the largest in North America. The middle of the arena bowl features a fullcolor moving LED fascia display (also known as a ribbon board). For the ears, there's a new state-of-the-art digital sound system and acoustical improvements. Finally, there were some minor changes to allow for interfacing with high definition telecasts originating from HP Pavilion and an increased rigging capacity for concerts and shows.

Besides the San Jose Sharks, champion teams (such as the three-time Arena Bowl Champion San Jose SaberCats of the Arena

## INSIDE THE IMPROVEMENTS

There is a movement across the NHL towards new technologies for the paneling around the rinks and HP Pavilion is at the forefront of these changes. This season, HP Pavilion will implement a brand new system of boards that will provide many advantages to the players that use them and the staff that manages them.

### REASONS FOR CHANGE

- The old boards have been maintained by the building maintenance crew to the point where they are still in great condition today. However, they are the same boards from 1993 (when the facility was built) and have reached the end of their usable life in the NHL.
- Although they are still in great condition, they have been hit, banged, and moved around so much that they are becoming harder and harder to line up when installed. The new boards will make for easier conversions when one of the boards breaks or cracks.
- The change is a great upgrade for the play and safety of the facility.

### CHANGES AROUND THE RINK

- **U-Channel-** The glass will be set into a U-channel on the board. These channels have shock absorbers and have a little bit of give at the base of the glass when run into by players. The glass will also be a thicker, heavier, and more flexible acrylic shielding glass.  
*Advantages:* This movement by the boards will help minimize concussions and shoulder injuries. The thicker, more flexible glass will assist in reducing injuries as well as reduce the chance of the glass breaking. When the glass does break, it will spider instead of shatter like the old glass.
- **Clear Posts-** Each board will double in length, from four feet to eight feet wide. This widening of the glass will eliminate every other post around the rink. The posts that remain will be made of smaller, slimmer, flexible carbonate sleeves, which are transparent as opposed to the old metal posts and will bend with the boards.  
*Advantages:* The reduced number of posts combined with the change to clear carbonate posts will reduce injuries and make for better vision for fans. The change will also provide for truer play when the puck travels along the boards.
- **Soft Cap-** The cap at the top of the board, just beneath the glass, will be a black rubbery type material instead of the harder orange plastic caps.  
*Advantages:* It is the only NHL approved soft cap for the edges of the boards and will reduce injuries significantly.
- **Kick Plate-** The current kick plate is a 3/8 inch panel that is mounted at the bottom of the boards. The new kick plate will be the same, except it will be built directly into the boards and will extend 1/2 inch down from the boards so that it will automatically lock into place.  
*Advantages:* The seamless kick plate will allow for truer puck play.

## RADIO BROADCASTS

## SHARKS RADIO NETWORK

For the 21st consecutive season, the Sharks are broadcasting their entire 82-game regular season schedule and all Stanley Cup playoff contests on the multi-station Sharks Radio Network, which reaches much of Northern California and parts of Nevada. The Network's flagship station, Classic Rock KFOX (98.5 FM San Jose / 102.1 FM San Francisco), continues its multi-year agreement with the team in a partnership that began in 2000-01.

Along with the full season and playoff schedule, KFOX will air live coverage of two pre-season games. Network coverage begins with the popular 30-minute pre-game show, "Sharks Warm-Up," which airs on KFOX in all regular season games except when a game originating outside the Pacific Time Zone occurs on a weekday. In these limited instances, KFOX picks up coverage with "Coach's Chalkboard," another popular segment, while the full program will still be available on most Sharks Radio Network affiliates and on the Internet. During the playoffs, "Sharks Warm-Up" airs in its entirety on KFOX in all instances.

Dan Rusanowsky returns for his 21st consecutive season of broadcasting Sharks games on the radio. Entering this season, Rusanowsky has witnessed and broadcast 1,499 regular season Sharks games and every playoff contest (158) in the team's history, including a consecutive game streak of 774 contests (725 regular season and 49 playoff games) that was snapped on Nov. 25, 2000 due to a serious automobile accident. The affable Rusanowsky, who is one of the club's most recognizable figures both on-and-off the ice, calls his 1,500th NHL regular season broadcast on Oct. 8, 2011 vs. Phoenix.

For the seventh consecutive season, former Sharks center Jamie Baker will provide color commentary alongside Rusanowsky. A 10-year NHL veteran, Baker spent four seasons with the Sharks and is one of the more astute observers and teachers of the game. Joining the duo to provide additional analysis on select broadcasts is ex-Sharks forward David Maley, who won a Stanley Cup with Montreal in 1986.

## FRANK ALBIN

### DIRECTOR OF BROADCASTING

Frank Albin is entering his 15th season as the Sharks Director of Broadcasting. Albin serves as telecast director for all of the Sharks 76-game television package on Comcast SportsNet California. Known around the National Hockey League for his hockey-first approach, his productions have been well received by Bay Area, satellite viewers and the NHL.

Albin also serves as the broadcast liaison between the Sharks, Comcast SportsNet California, visiting broadcasters and the NHL.

A 25 year veteran of live sports broadcasting, Albin spent nine years at PASS Sports in Detroit, where he worked on a wide variety of sports programming. From 1988-94, he produced and directed Detroit Red Wings telecasts, as well as the syndicated "Central Collegiate Hockey Association (CCHA) Game of the Week."

From 1995 until joining the Sharks in 1997, Albin spent three seasons with Major League Baseball's Detroit Tigers producing and directing broadcasts for their state-wide television network.

A graduate of Michigan State University and a native of Detroit, Albin has won multiple regional Emmy Awards for directing and feature producing, including one for Sharks coverage on CSN in 2008.

## RANDY HAHN

### TELEVISION PLAY-BY-PLAY BROADCASTER

Randy Hahn, who called his 1,000th Sharks game in December 2009, will again be describing the play-by-play action for Sharks games on Comcast SportsNet California. Hahn, who enters his 18th full season with the club, served in the same capacity on selected telecasts during San Jose's first two seasons (1991-93).

Hahn has won 5 Northern California Emmy Award in the "On Camera Talent" category. He shared this honor with color announcer Drew Remenda and reporter Brodie Brazil.

Hahn has more than 30 years of sports broadcast experience, including a unique first assignment when he was just 16 years old — calling the "paw-by-paw" action of a dog sled race in the Yukon Territory in 1974. He continues to be a versatile broadcaster, having done play-by-play on television and radio, anchoring radio sports shows and serving as television studio host for various sports programs. Hahn became the interim co-host of San Francisco CBS-5's "Evening Magazine" in February 2005, working alongside popular Bay Area personality Malou Nubla.

A native of Edmonton, Alberta, Hahn's other hockey broadcast experience came as studio host of Los Angeles Kings games on the Prime Ticket cable network before joining the Sharks. Early in his career, he was on the radio broadcast team of both the Vancouver Canucks and Edmonton Oilers, in addition to performing various broadcast roles in those cities.

Hahn is also an experienced soccer announcer. He called matches on ABC and ESPN during the 1994 World Cup. From 1982-92, he was the play-by-play voice of the North American and Major Indoor Soccer League's San Diego Sockers. Hahn also announced the 1990 World Cup, the 1991 Women's World Cup and has called the action for USA

National Team soccer games on SportsChannel and for Major League Soccer's Kansas City Wizards.

From 1991-94, Hahn was a studio anchor for SportsChannel Chicago's nightly highlight show and worked on broadcasts for collegiate basketball, baseball, volleyball and gymnastics. Hahn has been a play-by-play broadcaster for Arena Football League games on FSN.

In 1990, Hahn lived in San Jose and was instrumental in helping bring the National Hockey League to this area, serving as vice president of Pro Hockey San Jose — a grassroots, non-profit corporation formed for the purpose of attracting an NHL franchise to the new multi-purpose venue being built in downtown San Jose.

Hahn is actively involved in charity work in the Bay Area, especially with The Role Model Program in San Jose, The San Francisco Bay Area Council Boy Scouts and the Providing Autism Research (PAR for Kids) Foundation.

Hahn's wife, Roberta Gonzales, CBS-5's evening news weathercaster, is an Emmy Award winner herself and was recently awarded the Associated Press Television-Radio Award for "Best Weather Segment" for the fourth consecutive year. She's a former weathercaster at KNTV in San Jose and was honored as 1990 Woman of the Year in the field of communications by the San Jose Mercury News for her contributions to the South Bay.

## DREW REMENDA

### TELEVISION COLOR ANALYST

Drew Remenda returns for his tenth season as the team's television color analyst, joining Television Play-by-Play Broadcaster and co-Emmy winner Randy Hahn for Sharks telecasts on Comcast SportsNet California.

Remenda also serves as the host of "Shark Byte," Comcast SportsNet California's popular magazine-style show dedicated to Sharks hockey on- and off-the-ice.

Remenda returned the Sharks family in 2007 after spending the 2006-07 campaign as an analyst for the Canadian Broadcast Company's (CBC) celebrated "Hockey Night in Canada" program, which followed six seasons as the Sharks television color analyst, where he won three Bay Area Emmy Awards (1999, 2001 and 2006). Previously, Remenda spent three seasons working with Dan Rusanowsky as radio color commentator on Sharks radio network.

Drawing upon his extensive network of hockey contacts and his background as an assistant coach, Remenda skillfully provides in-game analysis, insightful information and anecdotes.

The Saskatoon, Saskatchewan native also serves as the host of "The Drew Remenda Sports Show," a staple on 650 CKOM Radio in Saskatoon and on 980 CJME in Regina.

A Sharks assistant coach from 1991-95, Remenda also served as associate coach for the Kansas City Blades of the International Hockey League, then the Sharks top developmental affiliate, in 1995-96. Before joining the Sharks organization, he served as the video coordinator for Hockey Canada, where he provided support for Canada's National Team and the Canadian Amateur Hockey Association. Remenda's vast hockey background also includes a stint as assistant coach at the University of Calgary from 1988-90 and coaching at the amateur level since 1983.

## DAN RUSANOWSKY

### RADIO PLAY-BY-PLAY BROADCASTER

Veteran Radio Play-by-Play Announcer Dan Rusanowsky returns for his 21st consecutive season as the "Voice of the Sharks" on Classic Rock KFOX 98.5/102.1 FM and the Sharks Radio Network.

A 32-year veteran of hockey broadcasting at all levels, Rusanowsky is one of the club's most recognizable figures, both on- and off-the-ice. He's responsible for producing all radio broadcasts, directs and administers the multi-station Sharks Radio Network (which provides coverage of all games for hockey fans in Northern California and parts of Nevada and Oregon) and oversees the relationship with Entercom Communications, the team's flagship station group. A versatile performer, he also contributes to Sharks Magazine, the team's official game program, and sjsharks.com with regularly featured columns and broadcast reports.

An active, year-round member of the Bay Area broadcasting community, Rusanowsky is one of a select few play-by-play announcers who have been tapped by NHL Radio to announce the "Game of the Week" on Westwood One Radio Network. He was on the broadcast team for NHL Radio's production of the 1997 NHL All-Star Game in San Jose and has presented feature work on the League's network broadcasts.

Rusanowsky has provided the play-by-play call on several Major League Soccer radio broadcasts and A-League "digicasts." He has served as a guest host on local sports radio stations, as well as the nationally syndicated "Sports Byline USA/Sports Overnight America" programs. He has brought his voice to radio and television commercials, Atari video games, feature films and corporate video programs over the years. He has also hosted two baseball related segments: "Dan's Dugout" on Oakland Athletics radio broadcasts in 1993, and "Dan's Diamond Notes," a regular weekly segment which aired during Greg Kihn's top-rated morning program on KFOX in 2005. A motor racing enthusiast,

he joined the IMS Radio Network's team with their live coverage of the 2011 Indy Grand Prix of Sonoma at Infineon Raceway.

Born in Milford, Conn., Rusanowsky's resume also includes television play-by-play work. In the motor sports world, he currently appears on Comcast SportsNet Bay Area's "Race Week" program. He was a member of the San Jose Grand Prix's closed circuit track telecast team, covering Champ Car, Toyota Atlantic, Trans-Am, U.S. Touring Car, Historic Stock Car, and Formula D action in front of more than 150,000 fans per year from 2005-07. He has called the action on Comcast SportsNet Bay Area's coverage of Roller Hockey International telecasts, including the Oakland Skates and the 1995 Murphy Cup Champion San Jose Rhinos. He was the TV voice of the now-defunct Continental Indoor Soccer League's San Jose Grizzlies and worked the "CISL Game of the Week" for Prime Network. He also makes regular appearances on Sharks television features.

Rusanowsky was injured in a serious automobile accident on Nov. 25, 2000, ending a continuous broadcast streak of Sharks regular season and playoff games at 774 (he has been behind the microphone for all 158 playoff games in Sharks history). Rusanowsky called his historic 1,000th Sharks regular season game on March 21, 2004 vs. Edmonton.

Along with his broadcasting duties, Rusanowsky makes numerous public speaking appearances in the community. He serves on the Executive Board of the Santa Clara County Council, Boy Scouts of America and serves on the Advisory Boards for the Boys and Girls Clubs of Silicon Valley and Services for Brain Injury. He has been the co-chair of the Ultimate Fantasy Hockey Playoffs Draft, benefiting the Foundation Fighting Blindness. This event raised more than \$450,000 over its history in San Jose. He also works with many other community organizations and is an active member of the NHL Broadcaster's Association.

Before arriving in the Bay Area, Rusanowsky provided the radio play-by-play call for the American Hockey League's New Haven Nighthawks (1986-91) and was the voice of St. Lawrence University's NCAA Division I hockey program from 1979-86. He received a bachelor's degree at St. Lawrence and subsequently earned his M.B.A. at Clarkson University.

## JAMIE BAKER

RADIO COLOR ANALYST

Former Sharks center Jamie Baker returns to the airwaves for his sixth season of providing color analysis. Baker accentuates Dan Rusanowsky's radio broadcasts in explaining the finer details of the game, drawing from his experience as a former National Hockey League player.

Baker's high-energy personality, enthusiasm and excellent knowledge of the NHL have greatly enhanced Sharks radio broadcasts and his dedication to grassroots marketing have helped expand the ever-growing youth hockey population in the Bay Area.

Known for his speed, grit and tenacity as a player, Baker was always at his best when the game was on the line.

Following an outstanding college career at St. Lawrence University, Baker went on to play in parts of 10 NHL seasons, including three with the Sharks (1993-96). In 404 NHL games with Quebec, Ottawa, San Jose and Toronto, he tallied 150 points (71 goals, 79 assists). Baker also appeared in 25 Stanley Cup Playoff games with the Sharks, posting nine points (five goals, four assists) and 42 PIM.

He's still recognized for scoring what has been called the biggest goal in Sharks franchise history. As a member of the 1993-94 Sharks, a team just one year removed from an NHL-record 71 losses, the team posted the largest turnaround in NHL history the following season, improving by 58 points and earning a berth in the Stanley Cup Playoffs. As the No. 8 seed, the team drew the Presidents' Trophy-winning Detroit Red Wings. Baker scored the game-winning, series-clinching goal in Game 7 against Chris Osgood, allowing the Sharks to become the first eighth-seeded NHL team to defeat a No. 1 seed. The victory is also viewed by many as the "flash point" for turning San Jose into a hockey-passionate city.

Baker also serves as a co-host of Comcast SportsNet California's "Pregame Live" and "Postgame Live" programs which air on most Sharks game nights.

## DAVID MALEY

RADIO REPORTER

David Maley begins his fifth season with the Sharks radio team. A veteran of nine National Hockey League seasons (including two with San Jose), Maley provides color analysis for selected home games and participates in the pregame "Sharks Warmup" and intermission programming.

Known during his career as a physical, hard-hitting forward, Maley was a winner at every level. As a freshman at the University of Wisconsin in 1983, he was an important component to the Badgers NCAA Division I Champion squad.

Maley compiled 124 points (43 goals, 81 assists) and 1,043 PIM and played in 466 NHL games with Montreal, New Jersey, Edmonton, San Jose and the New York Islanders. In addition, he also appeared in 46 Stanley Cup Playoff games. During his second professional season in 1987, Maley won a Stanley Cup with the Canadiens.

In 1996, Maley founded Rollin' Ice at the Santa Clara County Fairgrounds, which became the Bay Area's premier inline hockey facility. Recently, Maley re-located the facility to south San Jose, where it has become the Silver Creek Sportsplex, a multi-faceted sports and fitness destination featuring 240,000 square feet of state-of-the-art facilities and professional expertise.

He has served as president of the San Jose Sharks Alumni since 2003, playing an integral part in raising funds for the Sharks Foundation.

Maley also serves on the board of the Police Activities League (PAL) and recently founded the Dream On Foundation, both of which give youth a chance to participate in sports that they could otherwise not afford.

## MEDIA INFORMATION

**ACCESS:** The San Jose Sharks organization and Media Relations Department strive to make its players, coaches, management and other personnel available in a timely and responsible fashion to all accredited members of the media.

**CREDENTIALS:** Press seating for Sharks home games at HP Pavilion at San Jose is available to accredited media in the press box located on the north side of the building's upper level. Credential requests should be made in writing to Director of Media Relations Scott Emmert via E-mail at "semmert@svse.net". Credentials are good for admittance to the press room (building's first level) and to both teams' postgame locker rooms. The elevator to the press room and press box is located on the north side of the building's concourse. ALL MEDIA MUST ENTER HP PAVILION FOR SHARKS GAMES VIA THE SECURITY ENTRANCE, LOCATED AT THE REAR OF THE BUILDING, NEXT TO BUT NOT IN THE LOADING DOCK.

All international credential requests must go through NHL Public Relations AT LEAST 24 hours prior to the requested game. Due to limited press box seating, those requesting single-game credentials will be seated on a space-available basis, with preference given to the following: television stations with broadcast rights, radio stations with broadcast rights, beat writers and columnists, local daily newspapers and wire services, visiting media, national media, other wire services and websites, and approved websites. Next preference goes to other Bay Area media including weekly newspapers, general topic magazines and television shows and any other media, which have a specific assignment to cover a Sharks game. Single-game credentials must be picked up at the Security Entrance. Possessing a full-season or single-game media credential DOES NOT provide parking privileges in HP Pavilion parking lots. If you do not hold a full season parking pass, you may request a single-game pass from Scott Emmert. Single-game spots are EXTREMELY limited and are distributed at the media relations director's discretion on a priority basis.

MEDIA MEMBERS HOLDING SEASON PASSES SHOULD NOTIFY THE MEDIA RELATIONS DEPARTMENT IF PLANNING TO COVER A GAME IN ORDER TO RESERVE SEATING. A MEDIA CREDENTIAL CANNOT BE USED TO SIT IN SPECTATOR SEATING AREAS.

**DAY-OF-GAME INTERVIEWS:** After the completion of the morning skate (which typically begins at 10:30 a.m. for a 7:00 or 7:30 p.m. start), is the best time to interview players and coaches on a game day. "Pre-tape" television or radio requests to interview a player upon his arrival to the building for the game must be made no later than the conclusion of the team's morning practice and cannot be guaranteed. If the team is not practicing, the request must be made to the Sharks, or visiting team public relations department, no later than 10 a.m. on the day of the game. The Sharks Media Relations Department cannot guarantee access to players or coaches if practice is not scheduled.

**DAY-OF-GAME PRACTICES:** On home game days when the Sharks choose to practice, they will typically take the ice at approximately 10:30 a.m. at HP Pavilion at San Jose. Media members should plan on arriving by 10:30 a.m. for game-day practices to ensure the availability of the requested players. The visiting team's practice usually follows the Sharks, beginning normally at 11:30 a.m. TIMES AND LOCATIONS FOR BOTH THE HOME AND VISITING TEAMS ARE SUBJECT TO CHANGE. Contact the Sharks Media Relations Department if there is a question regarding either team's practice schedule.

**PREGAME MEDIA ACCESS:** Sharks players and coaches may be made available to credentialed members of the media two-and-a-half hours before game time. For example, pregame media access for a 7:30 p.m. home game would likely be at 5 p.m.. Media members who wish to utilize this media access window MUST contact the Sharks Media Relations Department in advance with their interview requests.

**LOCKER ROOMS:** The home and visiting team locker rooms will re-open within five minutes after the game. The officials' locker room is off-limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Sharks Media Relations Department and a pool reporter may be assigned.

**PHOTOGRAPHERS:** Only those photographers on assignment from a recognized, approved media outlet will be allowed access to designated photography locations at rink level and in overhead positions. Priority will be given to local dailies, wire service photographers and local TV crews (for non-televized games) and one ice-level photography position will be reserved for Sharks team photographers. Additional photography positions are determined on a priority basis as determined by the Sharks Media Relations director. In cases of increased photographer (i.e. playoffs) attendance, positions will be assigned by the Sharks Media Relations Department. In all cases, photographers should check in with a media relations representative in the press room before game time. Because of very limited photography locations and NHL Images regulations, it is not possible to accommodate freelance photographers.

**PRESS ROOM:** Media possessing full-season credentials or those granted single-game credentials are invited to have a meal, for a nominal fee, before each game in the press room, located on the lower level (building's north side). The room opens two-and-one-half (2:30) hours before game time. Dining room usage is limited to those presenting valid Sharks or NHL Team Management passes. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Limited refreshments are also available during intermissions as well as in the press box during games.

**SERVICES:** Game notes, lineups, press releases, complete statistics and other pertinent information will be furnished by the Sharks Media Relations Department. There are sufficient electrical outlets and telephones available in the press box and media work room (adjacent to the Press Room). Preference for phone use will be given to writers and broadcasters filing stories on deadline. The Sharks can also provide complimentary FAX services for working media, if necessary. The press room and press box are equipped with Wi-Fi wireless Internet service, as well as high-speed DSL hardlines.

**TELEVISION COVERAGE:** All television stations are prohibited by the National Hockey League from shooting and distributing footage of any game that is being broadcast from HP Pavilion at San Jose by either the San Jose Sharks, the visiting team or network television, including a window 30-minutes prior to puck drop. Requests for special features and the like should be directed to the Sharks Media Relations Department.

MARCH 24, 1982 - JAN. 6, 2011

The San Jose Sharks organization lost a family member on Jan. 6, 2011 when Tom Cavanagh passed away at the age of 28.

A well-liked teammate, Cavanagh remains the Worcester Sharks all-time scoring leader with 138 points (46 goals, 92 assists) in 202 games. He holds the San Jose Sharks franchise record for quickest point by a rookie when he assisted on a goal by Joe Thornton just 36 seconds into Cavanagh's National Hockey League debut on April 3, 2008 in Los Angeles.

Cavanagh went on to play in 18 games with San Jose over two seasons (2007-09), picking up three points (one goal, two assists) and four penalty minutes.

Cavanagh was drafted by San Jose in the sixth round (182nd overall) of the 2001 NHL Entry Draft and was the first player in Harvard University hockey history to play in every one of his games during his collegiate career. Tom made his 138th consecutive appearance in a crimson jersey in Harvard's final game of the 2005 NCAA Tournament.

The San Jose Sharks organization will never forget the impact Tom Cavanagh made on the ice.

# DANIIL SOBCHENKO

APRIL 13, 1991 - SEPT. 7, 2011

Daniil Sobchenko, drafted by the Sharks in the sixth round of the 2011 NHL Entry Draft, lost his life at the young age of 20 on Sept. 7, 2011 in the tragic plane crash of the KHL team Lokomotiv Yaroslavl. The team was traveling to Belarus for the opening game of their 2011-12 season. Sobchenko, who participated in the organization's development camp in San Jose in mid-July, impressed the Sharks hockey staff and it was agreed that he had a bright future with the team. Many other victims of the tragedy were former National Hockey League players, including Yaroslavl's head coach Brad McCrimmon, Pavol Demitra, Alexander Karpotsev, Igor Korolev, Karel Rachunek, Ruslan Salei, Karlis Skrastins and Josef Vasicek. The San Jose Sharks organization's thoughts and prayers go out to all the family and friends of those affected by the devastating accident.

# ROY SOMMER

## Head Coach

Worcester Sharks Head Coach Roy Sommer, who plays a major role in developing players for the San Jose Sharks, is currently the longest-tenured coach in the American Hockey League.

The Oakland, Calif. native returns for his 14th season behind the bench of San Jose's top development affiliate and his 16th season overall with the Sharks organization. In his 13 seasons as head coach, Sommer has compiled a 478-433-48-44-37(W-L-T-OTL-SOL) record in the regular season and has reached the postseason seven times, including the Atlantic Division Finals in two of the last three seasons.

Last season, Sommer became just the fourth head coach in AHL history to reach the 1,000-games plateau after a 3-1 victory at Springfield on Jan. 14, 2011. San Jose used 18 players during the 2010-11 season that developed under Sommer. In fact, 22 players have made their National Hockey League debuts with the Sharks over the last four seasons — including Justin Braun, Andrew Desjardins, Mike Moore, Brandon Mashinter, Alex Stalock and Tommy Wingels last year.

In 2009-10, Sommer led Worcester to a franchise record 49 wins and captured the regular season Atlantic Division title. He won his 400th game as an AHL head coach after a 4-1 victory over Springfield at the DCU Center on Nov. 1, 2009. Entering 2011-12, Sommer's 478 wins ranks fourth all-time among AHL head coaches.

As head coach for San Jose's top development team, Sommer has coached 112 players who've spent time in the NHL, including Calder Memorial Trophy finalist Logan Couture, who was named 2010-11 PlayStation "Sharks Rookie of the Year."

Sommer, 53, began coaching San Jose's top development affiliates in 1998-99 with the AHL's Kentucky Thoroughblades. He coached the T-Blades for three seasons before San Jose relocated their team to Cleveland. In his first season with Kentucky, the Thoroughblades registered franchise records for most regular season wins (44), most road wins (21) and total points (98) in a season while posting the AHL's fifth-best record. This success came despite having 17 players promoted to the NHL during the season.

From 1999-2001, Sommer's club went 84-50-21-5 to capture two consecutive Mid-Atlantic Division titles and went to the Calder Cup Playoffs each season. Sommer's success was recognized during the 1999-00 season with his selection as the head coach for the Canadian All-Star Team, where his squad defeated PlanetUSA, 8-3.

Before being named head coach of the Thoroughblades in 1998, Sommer spent two seasons (1996-98) as an assistant coach with the San Jose Sharks.

With San Jose, Sommer was responsible for pre-scouting upcoming opponents for their offensive and defensive tendencies, line combinations and special teams tactics. In addition, he assisted in running practices and provided special on-ice extended workouts with scratched players and those rehabilitating injuries.

Before Sommer joined San Jose, he was head coach of the ECHL's Richmond Renegades from 1991-96 and was named 1995-96 Coach of the Year after leading his team to a league-best 46-11-13 mark and a league-record 105 points in capturing the Brabham Cup (best regular season record). Sommer led the Renegades to the Riley Cup (league championship) in 1994-95 after posting a 41-20-7 regular season record. In addition, he served as head coach of the ECHL's East All-Star Team in 1994-95 and the North All-Star Team in 1995-96.

In 1998, Sommer served as head coach and general manager for the silver-medal winning Team USA (4-1-0 record) at the International Ice Hockey Federation In-Line Hockey World Championships. Sommer's squads won gold medals in

He played his junior hockey for the Spruce Grove Mets, which won the 1975 Centennial Cup, and for the Calgary Centennials. Sommer was a member of the United States National Team at the World Junior Championships in 1976-77.

Sommer resides in Shrewsbury, Mass. with his wife Melissa and their three children: Marley, Caston and Kyra.

Worcester Sharks Assistant Coach Dave Cunniff was a participant in Worcester Head Coach Roy Sommer's first American Hockey League coaching win. On Oct. 17, 1998, Kentucky defeated Albany, 6-4, at Rupp Arena in Lexington, Ky. One of the Albany players who recorded an assist on one of their four goals was Cunniff.

Since 2002-03 with the Cleveland Barons, Cunniff has been Sommer's assistant coach. In fact, Cunniff has been on the bench for nearly 68 percent (324) of Sommer's 478 wins.

## DCU CENTER

For 29 years, Worcester's DCU Center has been recognized as the gathering place for people to experience the finest in entertainment, sporting events and public functions. Hailed as one of the most successful entertainment and convention facilities in the nation, the DCU Center opened its doors in September 1982 with the legendary Frank Sinatra Inaugural Concert. Since that time, acts of all musical genres have found their way to the arena stage. From rock to rap, country to contemporary, millions of fans from all over the world have come to the DCU Center to see their favorite performers.

The arena features annual appearances of the top family shows including Ringling Bros. and Barnum & Bailey Circus, Sesame Street Live, Disney On Ice, Harlem Globetrotters and The Wiggles among others. The DCU Center also plays host to a variety of sporting and entertainment events including NCAA basketball and hockey, Holy Cross basketball, Professional bull riding, the MIAA High School Basketball Championships, Monster Trucks and more. In addition, the facility is proud home to the American Hockey League's Worcester Sharks. The Worcester Sharks are owned, operated and affiliated with the National Hockey League's San Jose Sharks and play 40 regular season home games.

The facility expanded in 1997 with the opening of an attached state-of-the-art convention center that features panoramic views of downtown Worcester. The complex, described as an architectural gem, added 50,000 square feet of exhibit space, 11 meeting rooms, a 12,144 square foot ballroom (the largest in Central Massachusetts) and a state-of-the-art kitchen. The facility's 100,000-plus square feet of exhibit space is filled by consumer shows, trade shows, conventions, conferences and other public and private functions year-round.

In October 2004, DCU (Digital Federal Credit Union) and the City of Worcester entered into a naming rights partnership to rename the arena and convention center to the DCU Center. DCU is a full-service, not-for-profit financial institution cooperatively owned by and operated for its members. DCU was chartered in October 1979. More than 300,000 DCU members have made them one of America's fastest growing credit unions.

During the summer of 2009, the DCU Center underwent the first phase of a multi-year capital improvement project, which included an electrical service upgrade and the complete replacement of the ice surface. A new ice plant and chillers were replaced and new dasher boards and state-of-the-art seamless glass were installed for the start of the Worcester Sharks fourth season. Future phases of renovations are expected to incorporate amenities that are standard to new arenas including suites and club seats, as well as improved restrooms, concession areas and facility accessibility.

Continuing to provide the best possible experience for the promoter, performer and patron, the DCU Center is owned by the City of Worcester and managed by SMG, the world's leading private management and developing firm for public assembly facilities. Headquartered in Philadelphia, SMG provides management services to more than 200 venues. SMG also offers food and beverage operations through their in-house catering company, SAVOR... Catering by SMG.

## MINOR PRO AFFILIATE

The Stockton Thunder, members of the ECHL — America’s premier “AA” hockey league — are San Jose’s secondary affiliate. The Sharks will also share this affiliation with the Edmonton Oilers.

“The Thunder have done a great job bringing winning hockey to their market,” Sharks Executive Vice President and General Manager Doug Wilson said. “The proximity of our teams provides mutual benefits for both franchises on-and-off the ice.”

“The Sharks have been one of the premier National Hockey League organizations over the last several years,” Thunder President Dan Chapman said. “For geographic reasons, this affiliation makes a lot of sense and we look forward to their participation in making the Thunder an even better team in 2011-12.”

The Sharks have been associated with the Thunder since January 2010 when the clubs agreed to a working partnership.

Stockton is a two-time recipient of the ECHL’s Award of Excellence, given to teams who excel in all categories of sales and marketing and who distinguish themselves in their community. The Thunder has also led the ECHL in attendance in four of the last five seasons.

On the ice, the Thunder has been in the Kelly Cup Playoffs for five consecutive years. In fact, Stockton advanced to the National Conference Finals for the first time in 2010.
