# THE FIESTA GETS 40 HIGHWAY MILES PER GALLON. THAT'S MORE THAN 21 HYBRIDS.

**SERIOUSLY.**

How does the Fiesta get more miles per gallon than many hybrids?\* Two words: thoughtful engineering. The kind that understands that giving the Fiesta a Ti-VCT engine will allow it to squeeze every last drop. Or that a line cutting through the taillamp will make the Fiesta more aerodynamic, and therefore more fuel-efficient. But these are only a few of the many reasons the Fiesta can go farther than so many other cars. Including all those hybrids.

**IT'S A PRETTY BIG DEAL.**

## WILLIAM CLAY FORD

**OWNER AND  
CHAIRMAN**

In an age where ownership changes and franchise moves in professional sports have become alarmingly commonplace, William Clay Ford continues to provide the Detroit Lions organization, its fans and the community with unwavering stability and sound leadership.

His commitment to the franchise is imprinted on virtually every aspect of the organization. By combining one of the finest sports and entertainment venues, Ford Field, and a world-class headquarters and training environment with a strong management team, Mr. Ford has instilled the organization with the right mix of fuel that will power the further development of the entire Lions organization.

Last season (2009) signaled the beginning of a new era for Detroit Lions football. Everything from the team's management all the way down to the logo on the helmet changed with the mindset to improve this franchise and compete for championships. There were considerable changes to the organization starting with Mr. Ford's promotion of Tom Lewand as team president and Martin Mayhew as general manager. Lewand oversees the direction of the organization, including business operations, and Mayhew is responsible for all football matters. Both set out to find the best coach for this team, and they, along with Mr. Ford's blessing, did so when the team hired Jim Schwartz, who had served as defensive coordinator for many successful Tennessee Titans teams, as the Lions' new head coach. The 2009 season also marked the first time in franchise history that the team began the season with a new general manager, new team president and new head coach, and that fresh approach is paying dividends in many ways.

The strong leadership team that Mr. Ford has formulated is guiding the franchise on and off the field with a plan that will elevate this team to new heights.

On the football side, Mayhew has re-vamped the team's player personnel and football operations in numerous ways and those efforts have resulted in two very successful drafts. In 2010, the Lions have also improved the team's roster via free agency and trades.

Mayhew has worked alongside Schwartz to find players based on their shared philosophy on the types of skills that are necessary to win in the NFL. To guide those players on the field, Schwartz has built a coaching staff that is working to maximize those talents and produce game strategies to complement the players' abilities. Having spent several years on the Tennessee Titans coaching staff, Schwartz understands that consistency with the coaching staff and the team schemes provides a competitive edge in the team's development.

"Though we are not satisfied until we accomplish our highest priority, which is a championship," said Mr. Ford. "I firmly believe we are moving in that direction. It's never about one individual and our front office is proving that a team effort is needed to improve this club each and every day.

"While game days remain the true judge, we can see the improvement we've made in the talented players we have acquired over the past two years. We have a good blend of quality, young players and veterans who still can have a great impact on this team. Teams win with great players and we are confident that players like Matthew Stafford, Calvin Johnson, Brandon Pettigrew, Louis Delmas, Kyle Vanden Bosch, Ndamukong Suh and many others, will have the type of success that we expect them to for us.

"Winning is critically important to our family and

to our organization, and we realize that we need to win for this community. Our fans are second to none, and we appreciate their support. Our goal is to provide them with a Super Bowl title."

On the business side, Lewand continues to forge ahead with a strategic approach to make sure every element off the field impacts the team on the field. Whether it is through revenue streams generated at Ford Field, effective management of player contracts, improvement of the club's financial processes or building stronger relationships with fans and business partners, Lewand ensures that Mr. Ford's vision to become one of the best franchises in professional sports is being realized.

As it's always been with Mr. Ford, the mission is for the Detroit Lions to win a Super Bowl. Mr. Ford understands that with competitive realities of today's NFL, reaching the game's pinnacle takes a concerted organizational effort both on and off the field. While everyone appreciates the importance of the coaching staff and the front office staff, you also need the proper infrastructure, such as state-of-the-art stadium and practice facilities.

Mr. Ford's commitment was evident in the Lions' return "home" to a new downtown Detroit stadium, Ford Field, in 2002. The \$500 million stadium enhanced the Lions' ability to compete in several facets of the game. In this NFL age, the revenues produced from Ford Field help level the economic playing field with the Lions' NFL counterparts.

The Ford Family and Ford Field were the overwhelming factors in Detroit being awarded the right to host Super Bowl XL in February 2006. That championship game clearly added to the city's economic landscape in numerous ways, including a \$260 million boost to Metro Detroit, and the impact the Ford family had on bringing the Super Bowl to Detroit was apparent.

"We wouldn't be here if it were not for the Ford family, who led the way in developing Ford Field as a catalyst for the redevelopment of downtown Detroit, including the return of the Super Bowl to Detroit," former NFL Commissioner Paul Tagliabue pronounced in 2006 during his annual state of the league press conference held just prior to Super Bowl XL.

"And the Ford family's leadership has certainly been a big part, not just of the NFL and NFL history, but of Detroit and our nation's history."

Ford Field has been a key cog in shaping further revitalized growth for the city of Detroit. The stadium's effect on the city continues to be comprehensive with its contributions as it hosts several events besides Lions' games.

In May 2003, the Detroit News honored Mr. Ford as a Michiganian of the Year, an annual tribute to select citizens who made significant contributions to the state or local community, as he had brought the Lions "back home" and opened Ford Field's doors to reap benefits for Detroit. In September 2005, he was inducted into the Michigan Sports Hall of Fame.

"Winning is critically important to our family and to our organization, and we realize that we need to win for this community. Our fans are second to none, and we appreciate their support. Our goal is to provide them with a Super Bowl title," Mr. Ford said.

Additional confirmation of his steadfast dedication to the team was the completion of the team's \$36 million Headquarters and Training Facility in Allen Park, Mich., that opened in April 2002 as the NFL's premier training center.

Thanks to Mr. Ford's addition of the Lions Headquarters and Training Facility, the entire organization develops year-round in a world-class environment. Both the short-term and long-term impacts are significant as the team trains under conditions second-to-none. This joint venture between the Lions and Ford Land Development Corporation provides state-of-the-art facilities for players' off-season workouts, training camp, and in-season meetings and practices.

Throughout his tenure as owner, William Clay Ford has guided the Detroit Lions organization with a sense of balance, integrity and honest leadership. Never one to seek the limelight, Mr. Ford has not sought public accolades for his many contributions to football, the automotive industry and his community.

Known as Bill Ford to his friends and business associates, his relationship with the Lions began during his childhood when his father, Edsel Ford, took him to the University of Detroit Stadium to see the first Lions' team play in their maiden season in the Motor City in 1934.

He became a club director in 1956 and was asked by then-Lions' President Edwin J. (Andy) Anderson to become the Lions' president in 1961.

In November 1963, Mr. Ford purchased the team outright for \$4.5 million and officially took over the club January 10, 1964. The 2010 season will mark the 47th year of Mr. Ford's sole ownership of the club.

Of course, Mr. Ford's other passion in life is the automotive industry, he being the only surviving grandson of inventor and auto pioneer Henry Ford, founder of the Ford Motor Company.

For the entire Ford family, 2003 marked a year of great pride and celebration as Ford Motor Company commemorated its historic 100 years as an icon in American industry.

In May 2005, Mr. Ford retired from the Board of Directors of Ford Motor Company after nearly 57 years of service. He remains director emeritus on the Board of Directors. Mr. Ford most recently served as a member of the Board of Directors and was on the company's Finance Committee, and in years past served on its Governance Committee. He had been a board member since 1948 and was chairman of the company's Design Committee from its inception in 1957 until his retirement as vice chairman in March 1989.

Utilizing his expertise in design, Mr. Ford was also on special assignment as a design consultant focusing on the Jaguar.

During his career with the company, Mr. Ford gained special satisfaction and acclaim as the executive in charge of the design, development and subsequent introduction of the Continental Mark II, the successor to the classic Lincoln Continental that had been developed and introduced by his father Edsel in 1939. In 1973, Mr. Ford was appointed vice president-Product Design.

Mr. Ford was elected to the Board of Directors in 1948 and began his employment at Ford following graduation from Yale University. He served several executive positions before appointment as vice president and general manager of the Continental Division in 1954. In 1956, he assumed responsibility for corporate product planning and design.

When the Design Committee of Ford's Policy and Strategy Committee was formed in 1957, Mr. Ford became the committee's first chairman, a post he held until retirement in 1989.

In 1978, Mr. Ford was elected chairman of the Executive Committee and appointed a member of the Office of the Chief Executive. He was elected vice chairman of the Board in 1980

"Though we are not satisfied until we accomplish our highest priority, which is a championship. I firmly believe we are moving in that direction. It's never about one individual and our front office is proving that a team effort is needed to improve this club each and every day. While game days remain the true judge, we can see the improvement we've made in the talented players we have acquired over the past two years. We have a good blend of quality, young players and veterans who still can have a great impact on this team. Teams win with great players and we are confident that players like Matthew Stafford, Calvin Johnson, Brandon Pettigrew, Louis Delmas, Kyle Vander Bosch, Ndamukong Suh and many others, will have the type of success that we expect them to for us," said Mr. Ford.

and chairman of the Finance Committee in 1987. He retired as chairman of the Finance Committee in 1995.

The youngest of Edsel's four children, William Clay Ford was born March 14, 1925. Following a tour of duty with the U.S. Naval Air Corp in World War II, he enrolled at Yale, where he lettered in both tennis and soccer at the Ivy League school. As a collegian, he won league tennis titles in singles and doubles, and he earned All-American honorable mention honors in soccer. In fact, he was a nationally-ranked tennis player until two Achilles tendon surgeries relegated him to the sidelines. Mr. Ford's athletic participation today includes golf, a game in which he became nearly a scratch performer, while registering a remarkable seven (7) holes-in-one over the years.

He graduated from Yale with a bachelor's of science degree in economics and then joined Ford's sales and advertising staff. He later served on the industrial relations staff where he was a member of the committee that negotiated the historic 1949 contract with the UAW-CIO.

Mr. Ford also is chairman emeritus of the Board of Trustees of The Henry Ford. He is an honorary life trustee of the Eisenhower Medical Center, is a national trustee for the Boys' and Girls' Clubs of America and honorary chair of the United Way Community Services. He is also on the Texas Heart Institute National Advisory Council. Mr. Ford received an honorary doctor of science degree from the Art Center College of Design in Pasadena, Calif., in 1981.

Mr. Ford's generosity as a benefactor was again recognized in 1997, as the outdoor courts of the University of Michigan's new tennis center were named in his honor. Also, a new addition to Detroit's Henry Ford Hospital (which bears the name of Mr. Ford's grandfather) opened in 1996 - The William Clay Ford Center for Athletic Medicine - which is one of the leading sports medicine treatment and research institutions in the country.

He is married to the former Martha Firestone of Akron, Ohio. They are the parents of three daughters—Martha, Sheila and Elizabeth—and a son, William Clay Ford, Jr., who serves as the Lions Vice Chairman, in addition to his role as Executive Chairman of Ford Motor Company.

## WILLIAM CLAY FORD, JR.

### VICE CHAIRMAN

William Clay Ford, Jr. has made a positive and lasting impact on the Detroit Lions since assuming his current post of vice chairman in February 1995. He remains focused not only on creating a winner in the present, but also on ensuring success well into the 21st century, both on and off the field.

Ford shares his father's commitment and devotion to the Lions and also has a burning passion to win. He wants nothing less than for the Lions to become one of the premier franchises in the National Football League and knows that elite status includes delivering a championship to Lions fans.

"Everything we do is based on our top priority, which is to win the Super Bowl," said Ford. "And I believe we have many assets that are leading us in that direction. Our leadership, including Head Coach Jim Schwartz along with Tom (Lewand) and Martin (Mayhew), is moving the team forward in a positive direction. It is our job to add to what we started last year and improve our results."

"I believe the young talent that we have recently acquired, especially at quarterback with Matthew Stafford, provides a solid foundation for our future. I am excited to see how this team continues to develop and how we progress this year."

"I've always believed that winning is the best return for our fans' investment and we are committed to provide our fans exactly that."

To see Ford's influence off the field, one has to look no further than Ford Field in downtown Detroit and the team's headquarters and practice facility in Allen Park. Both are considered among the best respectively in all of sports, and were shaped by Ford's resolve for the Lions to be a leader in the NFL.

Ford's dedication and commitment to the fans was never more evident than when he spearheaded the team's stadium negotiations that led to the 1996 decision and announcement to build Ford Field. Due largely to his determination and perseverance, the Lions struck a deal with the city of Detroit and Wayne County that established the foundation for the Lions to return to downtown Detroit in 2002.

Ford's vision of a downtown stadium had perhaps its finest moment to date when it played host to Super Bowl XL in February 2006. It received extraordinary reviews by the international community.

In addition to developing new homes for the team to practice and play, Ford played a vital role in Detroit's bid for Super Bowl XL. Through his leadership, the Ford Family, the Lions and Ford Motor Company were integral in Detroit's impressive hosting of Super Bowl XL that exceeded expectations. Overall, there was a \$260 million economic impact generated by Super Bowl XL, including \$100 million in downtown improvements, \$10 million in emerging businesses—the most in Super Bowl history—and \$6 million in the NFL/Boys & Girls Club Youth Education Town—the largest in the country.

"We wouldn't be here if it were not for the Ford family, who led the way in developing Ford Field as a catalyst for the redevelopment of downtown Detroit, including the return of the Super Bowl to Detroit," said former NFL Commissioner Paul Tagliabue in 2006. "And the Ford family's leadership has certainly been a big part, not just of the NFL and NFL history, but of Detroit and our nation's history."

Though satisfied with progress made so far by the development of Ford Field, Ford continues to push for the stadium to become an even greater benefit to the community and its growth.

"Our goal is to aggressively build on the impact Ford Field has already made in just the eight years since we opened the doors. It's important that we continue to offer opportunities that not only exceed our business goals but improves the City

of Detroit through events that take place throughout the year. To accomplish this, we set forth a high standard of excellence when it comes to providing fans, whether it is at a football game, concert or other events, an unrivaled experience."

Since the decision was made to move to downtown Detroit, Ford also wanted to provide a world-class practice facility to complement the team's stadium project. The \$36 million Allen Park facility, which opened in April 2002, has universally been identified as one of the best facilities in the NFL. Its state-of-the-art football facilities, including an indoor practice facility with a regulation-size field, provide the ideal training center for NFL players and coaches.

In Ford's 15 years in his current role, he has helped the Lions take major steps forward on several fronts. Ford has strongly supported an active community outreach program which has been recognized as the best of any team in all of professional sports.

Through Ford's support, Detroit Lions Charities, which has awarded more than \$5.6 million in total donations during its 20-year history, continue to serve Detroit and the State of Michigan. Featured among the Lions' philanthropic efforts is the collaborative effort with Detroit Public Schools and Communities in Schools of Detroit to open the Detroit Lions Academy. The school, which opens its doors for its eighth year this fall, offers an alternative school environment for approximately 140 sixth, seventh and eighth grade students. Ford has been a significant supporter of the team's contribution in numerous other community programs, such as the sponsorship of the Think Detroit PAL youth football program—one of the nation's largest tackle football leagues.

Involvement in the community does not stop at the team's community outreach and charitable contributions, as Ford also emphasizes the importance in growing the game of football and the development of youth. The Detroit Lions Youth Football program is one of the most extensive youth sports programs operated by a professional sports team. From numerous youth camps held statewide to coaching clinics, the goal of the program is to impact children's lives on and off the field through the game. Ford believes it is valuable to grow youth's interest in football and assist in the development of youth coaches.

Under Ford's direction, the team has launched one of the most aggressive business operations in all of sports. Many elements to this are derived primarily from events held at Ford Field and the benefits generated from both Lions games and other ancillary events. Ford ensures that every aspect of the team's business operations ultimately focus on the impact they have on the Lions' ability to win.

Over the years, Ford's leadership has generated several key business initiatives. In April 2009, the team introduced comprehensive changes to the team's brand that includes a new, fierce-looking logo and other unique branding elements. A month earlier the organization re-vamped the Lions merchandise operations with a strong emphasis on improving customer service, including re-launching the team's retail store, Lions Pro Shop, at Ford Field and the team's online retail store, DetroitLionsStore.com.

Since Ford assumed his role with the club, the Lions became one of the first pro sports teams to launch its own website. The team also entered into a partnership with CBS Radio (formerly Infinity Broadcasting), a relationship that extended in 2009, for the Lions' radio broadcast rights and started production on weekly radio and television shows that air throughout the season.

Beyond football events that range from the NFL all the way down to youth football, Ford Field hosts some of the largest sporting and entertainments events in the nation.

For the past three years, Ford Field has hosted two of the biggest events in the history of college athletics. In 2009, Ford Field hosted the NCAA Men's Basketball Final Four, a first for downtown Detroit, which shattered tournament attendance records, provided the Metro Detroit area with a \$30-50 million economic boost over the weekend and provided a number of community outreach initiatives that will have a lasting impact on the city of Detroit. An example of those outreaches was the

**"Everything we do is based on our top priority, which is to win the Super Bowl. And I believe we have many assets that are leading us in that direction. Our leadership, including Head Coach Jim Schwartz along with Tom (Lewand) and Martin (Mayhew), is moving the team forward in a positive direction. It is our job to add to what we started last year and improve our results. I believe the young talent that we have recently acquired, especially at quarterback with Matthew Stafford, provides a solid foundation for our future. I am excited to see how this team continues to develop and how we progress this year. I've always believed that winning is the best return for our fans' investment and we are committed to provide our fans exactly that,"** said William Clay Ford, Jr.

newly-created legacy program that established early learning and literacy centers in the Detroit community. Ford Field was the host site for the Midwest Regional Finals in March 2008, and the event also broke NCAA Regional and preliminary round attendance records with over 57,000 people attending each session.

In April 2010, the focus was again back on Ford Field as Detroit hosted the 2010 NCAA Men's Hockey Frozen Four. In doing so, Ford Field became the first venue in NCAA history to host the Final Four and the Frozen Four in back-to-back years. The Frozen Four at Ford Field generated record crowds and established a new hockey indoor world attendance record.

In other past roles within the NFL structure, Ford has served on the NFL's Finance Committee and NFL Properties Committee.

Though football remains a passion for Ford, his father and his family, his top priority remains serving as Ford Motor Company's Executive Chairman. His current role is a professional and personal commitment, as he leads the company founded by his great-grandfather, American automotive pioneer Henry Ford. A member of the Board of Directors since 1988, he assumed the role of Chairman of the Board January 1, 1999. He also served as Chief Executive Officer from October 2001 through September 2006. Additionally, he serves as Chairman of the Board's Finance Committee and as a member of the Environmental and Public Policy Committee.

Among his many outside leadership roles, he serves as

Chairman of the Board of Trustees of The Henry Ford, Chairman of the Detroit Economic Club, and Chairman of the Executive Committee of Detroit Renaissance.

Born in Detroit in 1957, Ford is an avid fly fisherman and car enthusiast, enjoys playing hockey and tennis, and is a black belt in the martial art of Tae Kwon Do. In his spare time, Ford competes in pond hockey tournaments and his team has claimed the USA Hockey Pond Hockey National Championship in recent years. He holds a bachelor of arts degree from Princeton University and a master of science degree in management from Massachusetts Institute of Technology (MIT).

**TOM LEWAND****PRESIDENT**

Tom Lewand, who was named team president December 29, 2008, oversees the team's day-to-day operations and reports to Mr. Ford on all business, organizational and NFL matters. Now in his 16th season with the Detroit Lions, he guides the overall direction of the franchise.

Lewand's fundamental principle is to consistently present the Lions as a first-class organization with a clear sense of mission and direction.

Among his responsibilities, Lewand is the chief player contract negotiator and he oversees all day-to-day business operations of both the Detroit Lions and Ford Field entities. This includes the management of finance, football administration, player development, security, equipment operations, medical staff, ticketing, sales and marketing, public/media relations, broadcasting, human resources, Ford Field operations and administration, acquisition of events and the development of Ford Field's lease space in the stadium's progression as a multi-use facility.

An extremely talented, creative and aggressive businessman, Lewand has held a myriad of positions and responsibilities within the front office during his tenure with the Lions, most recently as executive vice president and chief operating officer.

On a League-wide level, Lewand is involved in several key business and labor issues. He serves on the NFL Management Council's Club Executives Committee and was on the Committee on Revenue Sharing Qualifiers and the Special Committee on League Economics. Lewand represents the organization for all League-level business matters.

Lewand's leadership positions every aspect of the Lions' organization, including Ford Field operations, to significantly impact the Lions' drive for a Super Bowl title. For Lewand, everything from football transactions to Ford Field events influences the team's ability to compete and win.

In January 2009, Lewand and General Manager Martin Mayhew completed an exhaustive and thorough search for a head coach that would lead the team on the field. They completed that process as the team announced the hiring of Jim Schwartz, one of the most experienced and successful defensive coordinators in the NFL. Schwartz has unique experience having served several years as an assistant under Titans Head Coach Jeff Fisher and worked in player personnel while current Patriots Head Coach Bill Belichick was the head coach for the Cleveland Browns. Schwartz's philosophy on the game and how to build a successful team, along with his experience contributing to winning organizations and working under successful coaches, made him the right choice for the Lions new head coach.

During his tenure with the Lions, Lewand has negotiated player contracts totaling more than \$1.1 billion.

Last year, within just a few hours of the 2009 NFL Draft, Lewand completed extensive and complex contract negotiations with Lions QB Matthew Stafford, the first overall selection, allowing the Lions to sign the team's top pick prior to the draft. It was one of the most important goals that both he and Mayhew set forth as they began the process of transforming the franchise into a winner.

Lewand's additional contract highlights include: the Lions' last 18 first-round draft choices, RB Barry Sanders' last NFL contract, the contracts of several Pro Bowl players and recent key free agent acquisitions.

On the business side, Lewand constantly evaluates and reviews opportunities to grow the team's business operations, a process that incorporated two major recent initiatives.

In April 2009, the Lions announced a new comprehensive brand that launched changes to the team's logo and uniforms, a new team logotype and font and streamlined branding elements.

The evolution of the Lions brand is the most complete and all-encompassing modification in franchise history. Though the new brand features the most significant change to the Lions logo since it was first placed on the team's helmet in 1961, the Lions brand now extends beyond the logo on the helmet and presents a consistent visual identity in new, versatile and distinctive ways.

In March 2009, the team partnered with MainGate on a 10-year exclusive retail and merchandising agreement. The new partnership, which focuses on providing greater service to Lions fans and consumers, includes significant improvements to the organization's retail operations. Headlining the overhaul is the re-vamped team store at Ford Field, now known as "Lions Pro Shop," and the re-launch of the Lions' online store, [Detroitlionsstore.com](http://Detroitlionsstore.com).

Under Lewand's guidance and direction, Ford Field has become the crown jewel of downtown Detroit and serves as a cornerstone in the city's urban renewal and revitalization efforts. The facility opened to rave reviews in 2002, with the publisher of the Detroit Free Press stating that Ford Field "tells [Detroiters] who we are and suggests what we can be. Now it's up to the rest of us to create a downtown and a city that matches the vision Ford Field realizes."

Ford Field shined in 2006 when the city of Detroit hosted Super Bowl XL. Lewand served as the point person for the Lions and Ford Field on the Host Committee for Super Bowl XL, and he was among the key figures leading the city's hosting of the game and events surrounding Super Bowl XL, which was widely-acclaimed as successful and critical to Detroit's future growth. Super Bowl XL injected a \$260 million economic boost to the Metro Detroit region.

Behind Lewand's leadership, Ford Field once again stepped to the forefront in April 2009 as Detroit, for the first time, hosted the NCAA Men's Basketball Final Four. The championship culminated six years of planning, including Lewand representing the organization in a partnership with the NCAA to present the Final Four in a groundbreaking manner that has set the standard for all future sites.

The event featured a center-stadium configuration that utilized the entire stadium seating structure along with customized risers. Ford Field broke long-standing records, including: attendance for Final Four Friday (nearly 30,000), the National Semifinals (72,456) and National Championship game (72,992). Overall, a record 145,378 fans attended the Final Four. By hosting the Final Four, Ford Field was the centerpiece for a weekend that had an estimated \$30-50 million impact on the city of Detroit. Attendance records were not only set inside Ford Field, but the ancillary events, such as Hoops City, set their own records as well. All of these events generated a tremendous opportunity for both residents and visitors to enjoy downtown Detroit over a five-day period.

Paced by Lewand's leadership, the organization followed up that tremendous accomplishment with the highly successful hosting of the 2010 Men's Hockey Frozen Four. Like the basketball championship, Ford Field allowed the NCAA to elevate one of its marquee events to even greater heights. For the first time, the 2010 Frozen Four was held in a large-stadium venue with the portable ice configuration set-up used in the NHL's annual Winter Classic. The championship garnered record crowds (34,954 for the National Semifinals and 37,592 for the National Championship) that not only set NCAA Frozen Fur records but world indoor hockey records as well.

Ford Field became the first venue to host the Men's Final Four and the Men's Frozen Four in back-to-back years.

In April 2007 Ford Field hosted WWE's Wrestlemania 23 that set a new Ford Field all-events attendance record (80,103) and had a \$25 million impact on the Metro Detroit area.

Additionally, Lewand continues to lead in the development of Ford Field events, including college football (Division I regular season games, MAC Championship and the Little Caesars Pizza Bowl), MHSAA high school football, concerts, motorsports and various trade shows.

Lewand possesses a strong educational background, having

received a Bachelor of Arts degree from the University of Michigan in 1991, and completing both his Juris Doctor at the University of Michigan Law School and his Master's degree in business administration from the University of Michigan Business School in 1996. Lewand aided the Michigan football program in various capacities on a volunteer basis while attending the school. He also worked for the Lions on a part-time basis while completing work on his graduate degrees.

In 1991, Lewand served as an environmental advisor for the Governor of Indiana, Evan Bayh. Following a year in that position, he entered graduate school at Michigan. He spent time working for the law firm of Dickinson Wright in Detroit, and the Chicago law firm of Kirkland and Ellis. In the summer of 1993, he worked in the White House in the Counsel's Office for Presidential Personnel.

Lewand's family history is also entrenched in the Detroit area community. His father, F. Thomas Lewand, works as an attorney and was both the Chief of Staff for former Governor James Blanchard and the Chairman of the Michigan Democratic

Party. His late grandfather, Joseph B. Sullivan, was a judge in the Michigan Court of Appeals and was the deputy mayor of Detroit in the 1960s.

Lewand is active in the community, acting as Past Chairman of the Detroit Metro Convention and Visitors Bureau and serving on the Boards of Directors of the Detroit Zoological Society, the Downtown Detroit Partnership, the Detroit Economic Growth Corporation and the Parade Company. He also is on the Corporate Advisory Board for the University of Michigan's Ross School of Business. Lewand was named as one of Crain's Detroit Business "40 Under 40" in 1998, which honored and recognized 40 top business people in the Detroit area under the age of 40. Lewand has also been recognized nationally twice, in 2003 and 2005, by the Sports Business Journal as one of the top "40 under 40" sports executives in the United States.

He and his wife, Suzanne, have four daughters: Cayleigh, Paige, Shannon and Erin.

The Detroit Lions are not only forging ahead both on and off the field, but the organization is also recognizing the team's great history and the many players who have fortified the Lions as one of the league's great and historic franchises. In 2008, the Lions celebrated the team's 75th season in Detroit, and that celebration was capped off with the announcement of the Lions 75th Season All-Time Team. In 2009, the Lions again honored the past with the introduction of the *Pride of the Lions*.

#### LIONS ANNOUNCE 12-MEMBER PRIDE OF THE LIONS CHARTER CLASS

## MARTIN MAYHEW

**SENIOR  
VICE PRESIDENT &  
GENERAL MANAGER**

Martin Mayhew, now in his 10th season with the Lions, was promoted to general manager December 29, 2008 and reports directly to Mr. Ford on all football matters.

Mayhew, the team's executive football decision-maker, is building the Lions through a plan that focuses on developing a physically-tough football team. Mayhew adamantly believes that the players that will lead the Lions will be smart football players, and show great character and work ethic.

The process of improving the Lions success on the field began to take shape in January 2009 with the team's search for a new head coach. Along with President Tom Lewand, Mayhew searched for the right coach who shared his philosophies with the following characteristics: strong communication and leadership skills, a track record of success in the NFL, demonstrated ability to overcome adversity, the right mixture of youth and experience, and a coach with enthusiasm and energy for the challenge ahead.

The search concluded with the hiring of Jim Schwartz, who served eight years as the Tennessee Titans defensive coordinator before coming to Detroit. Schwartz is unique because he brings tremendous experience as a coordinator and position coach in the NFL, but he also previously worked in player personnel when he began his NFL career. These attributes appealed to Mayhew, and both have worked in concert on free agency and the draft—critical areas that will significantly impact the Lions' future success.

Along with the coaching staff, Mayhew re-organized the team's player personnel department. From the start of the 2009 off-season, the team set out to add a personnel executive who was successful in overseeing both pro and college scouting in the NFL. That was completed with the hiring of James "Shack" Harris, who now has worked 23 years in scouting including the six seasons as Jacksonville's vice president of player personnel. Along with the hiring of Harris, the Lions' player personnel department, under Mayhew's direction, underwent a geographical realignment that improves the team's scouting operations.

In his role as general manager, Mayhew oversees the player personnel department, including college and pro scouting, and plays an integral role in the coordination of the team's salary cap objectives and negotiation of player contracts.

Along with free agency and the draft, Mayhew utilizes every resource, such as trades and the league's waiver wire process, year-round to improve the team's roster from top to bottom. Heading into the team's 2010 training camp, only 18 players remain on the roster since the beginning of the 2009 off-season.

In Mayhew's first 20 months (October 2008-May 2010) after assuming the role of general manager, he completed 15 trades for personnel or draft picks, including seven during the 2010 off-season. Involved in the team's trades during that time is the acquisition of veteran talent that could produce the following starters for the 2010 season: DT Corey Williams, CB Chris Houston, G Rob Sims, TE Tony Scheffler and LB Julian Peterson. Other veterans acquired via trade include QB Shaun Hill, S Ko Simpson and WR Dennis Northcutt.

Two of Mayhew's trades generated additional first round draft picks in each of the past two drafts. It marked the first time in franchise history that the Lions have made two selections in the first round of the draft in back-to-back seasons. Those two transactions involved the Lions drafting TE Brandon Pettigrew with the 20th pick in the 2009 NFL Draft and RB Jahvid Best with the 30th pick in the 2010 NFL Draft.

The team's first draft under Mayhew's direction generated a highly successful 2009 draft class that includes six players (QB Matthew Stafford, Pettigrew, S Louis Delmas, LB DeAndre Levy, DT Sammie Hill and LB Zack Follett) who either started several games in their rookie season or who will be competing for starting roles in 2010.

The Lions followed that up in 2010 with a draft class that is lead by DT Ndamukong Suh and RB Jahvid Best.

Mayhew and Lewand collectively work on all team matters pertaining to the NFL Collective Bargaining Agreement and League policies and procedures.

In addition, the coordination of all football operations, managed day-to-day by Vice President of Football Operations Cedric Saunders, is under the direction of Mayhew. This includes team travel, training camp operations, security, medical staff, equipment operations, video department and cafeteria staff. Mayhew also works on many of the Lions' football-related legal matters and human resources.

In February 2001, Mayhew joined the Lions' front office as senior director of football administration/staff counsel. After illustrating his talents and work ethic for two years, Mayhew was promoted February 3, 2003 to senior vice president of football administration/legal affairs. On October 14, 2004, he was appointed senior vice president and assistant general manager.

Throughout his journey leading up to his current post, Mayhew has kept an eye on the future and has always thought one step ahead, as evidenced by his strategic exposure to several jobs and internships while earning his law degree from Georgetown's Law Center (2000). He is one of two Lions' front office executives with law degrees, and he is also a member of the Florida Bar.

While attending law school during the 1999 season, Mayhew served a nine-month internship in the Washington Redskins' pro personnel department, which exposed him to the responsibilities of an NFL scouting department. In Washington, he scouted NFL players and late NFL cuts and assisted in the evaluation of college players for the 2000 NFL Draft. Mayhew had two separate internship stints with the NFL in both the labor operations and legal departments. In labor operations, he worked closely with NFL executives on issues involving player contracts and the salary cap. With the legal department, he assisted the NFL's in-house labor counsel by researching legal issues, digesting cases in preparation for arbitration hearings and drafting legal memoranda related to player injury and non-injury grievances. He was exposed to corporate law while working for Akin, Gump, Strauss, Hauer and Feld, L.L.P. in Washington D.C., one of the NFL's primary firms for outside counsel, where he researched legal issues, wrote legal documents and assisted firm associates and partners in preparation for litigation.

Mayhew played nine years in the NFL at cornerback for Buffalo (1988), Washington (1989-92) and Tampa Bay (1993-96). He was the Bills' 10th-round selection in the 1988 NFL draft and was a starter on the Redskins' Super Bowl XXVI championship team.

He entered the NFL after graduating from Florida State with a Bachelors of Science degree in business management. While at FSU, he was a National Merit and Achievement Scholar and earned GTE CoSida Academic All-America honors. He was also a two-sport athlete, lettering on both the Seminoles' football and track teams. Between graduation and the draft, Mayhew was a corporate trainee at First Union National Bank in Charlotte, N.C.

Mayhew has been extremely involved within the community throughout his professional career. In 1993, while playing for Tampa Bay, Mayhew was given the Chelo Huerta Community Service Award, and the following year he was a nominee for the True Value Hardware Man of the Year. From 1995-96, Mayhew was the Bucs' United Way Spokesperson. Mayhew is a member of the American Bar Association and the Sports Lawyers Association.

For the past two years, he has hosted the Martin Mayhew Youth Football Coaching Academy at Ford Field for approximately 100 coaches from Think Detroit PAL. In 2009, the academy focused on teaching offense and special teams, and the 2010 program concentrated on defense. The purpose of the camp is to provide additional teaching and training tools for coaches so they can continue having a positive and long-lasting impact on the young lives they touch through youth football.

Additionally, Mayhew is a member of the Board of Trustees for the Henry Ford Museum and Greenfield Village.

Mayhew and his wife, Sabrina, have a daughter, Sierra, and two sons, Ryan and Justin.

## JIM SCHWARTZ

**HEAD COACH**  
**Years with Lions: 2**  
**Years as NFL Head Coach: 2**  
**Years in NFL: 18**

When asked about what attracted Jim Schwartz to the Lions head coaching position, he stated, "You're not going to find a more passionate fan base in the NFL than Detroit. You talk about ownership and a commitment to winning. That's critical. Without those two, I don't think it's an attractive opportunity. I think Detroit offers both of those."

At age 44, Schwartz, hired by the Lions January 16, 2009, offers a unique blend of coaching and player personnel experience to the Lions head coaching position. Schwartz has spent the past 17 seasons in the NFL—14 years as a coach and three in player personnel—working his way up from an entry-level football operations position to a NFL head coach. He began his NFL coaching career as a defensive assistant and quality control coach, progressed to position coach and then succeeded as a defensive coordinator for nearly a decade despite the constant nature of change in today's NFL.

In Schwartz's first season in Detroit, he began the process of transforming the team by seeking talent based on what he commonly refers to as "multi-dimensional" players. Like his defenses in Tennessee, he firmly believes success is a product of the team's ability to adapt, and all three phases of the game—offense, defense and special teams—are tailored on both personnel and particular game strategies.

Schwartz understands that the team's coordinators play a significant role in this process. Following his hiring last year, he targeted two coaches, Gunther Cunningham (assistant head coach/defensive coordinator) and Scott Linhehan (offensive coordinator), who bring experience as coordinators and head coaches in the NFL to the positions. Combined, they have 22 years of experience in the NFL as a coordinator or head coach. Since Schwartz added them to his coaching staff, each has implemented philosophies and schemes that not only fit Schwartz's insistence on adapting to personnel and strategies but they also have provided consistency for player development.

In 2010, he also added Danny Crossman, who previously spent five seasons a special team coach for the Carolina Panthers, to the staff to lead the Lions' special teams units.

One of the most important personnel decisions Schwartz made in his first year was finding a quarterback who could lead this franchise. After an intense evaluation process throughout the offseason and training camp, Schwartz named rookie QB Matthew Stafford, the first pick of the 2009 NFL Draft, as the team's signal caller to begin the 2009 regular season. Stafford was the youngest quarterback to start the regular season in the NFL since 1993, and his physical talents and intelligence proved quickly as one of the team's key assets. In his rookie season, Stafford showed great progress and illustrated many times

why his potential provides great optimism for years to come.

Schwartz's infusion of young talent isn't confined to Stafford. The team selected five other players in 2009 (TE Brandon Pettigrew, S Louis Delmas, LB DeAndre Levy, DT Sammie Hill and LB Zack Follett) who are key pieces to the team's future. They are joined by members of the 2010 draft class, including DT Ndamukong Suh and RB Jahvid Best, who will add to the team's talented young core.

With Schwartz, it's not just about the team's youth. He is also guiding the team's reshaping of the roster with veterans in the prime of their careers. This past off-season, he was instrumental in the team signing Pro Bowl DE Kyle Vanden Bosch and WR Nate Burleson, and the team trading for DT Corey Williams, CB Chris Houston G Rob Sims and TE Tony Scheffer.

Whether it's acquiring young talent and talented veteran to blend with talented players already on the team's roster, such as WR Calvin Johnson, Schwartz is molding the Lions into team he envisioned from the first day he took over as head.

Before his tenure in Detroit began in 2009, Schwartz spent 10 seasons with the Tennessee Titans, including eight (2001-08) as defensive coordinator. While with the Titans, he worked under Head Coach Jeff Fisher, one of the most successful coaches in the NFL over the past 15 seasons. In 2008, Schwartz's defense guided the Titans to an NFL-best 13-3 record and an AFC South title. The Titans' defense finished the season ranked in the top 10 in several key defensive categories, including: defensive points allowed (third, 14.2), total yards allowed (seventh, 293.6), rushing yards allowed (sixth, 93.9), passing yards allowed (second, 161.0), third down percentage allowed (6th, 35.0) and sacks (fifth, 44).

Tennessee's defense was one of only six teams to finish among the top 10 in the league in both rushing yards and passing

yards allowed.

As the Titans' defensive coordinator since 2001, Schwartz's defensive unit held firm in two major categories that factored significantly in the team's overall success: rushing defense and third down conversion. From 2001-08, Tennessee ranks fifth in rushing yards allowed per game (103.5) and sixth in third down conversion (36.1). Through 2008, the Titans allowed just nine rushers over 100 yards during the past 64 home games.

During his tenure as defensive coordinator, the Titans claimed two AFC South titles (2002 and 2008), earned two other AFC Wild Card spots (2003 and 2007), and in four seasons finished with 10 or more wins, including 2002 (11-5), 2003 (12-4), 2007 (10-6) and 2008 (13-3).

During Schwartz last two seasons (2007-08) in Tennessee, the Titans claimed 23 victories and their winning percentage of .719 (23-9) was the third-best in the NFL. They are one of only three teams (New England and Indianapolis) with 23-or-more wins. From 2006-08, the Titans record was 31-17 (.646), which was tied for the fourth-best record in the league.

In 2007, the Titans defense helped rejuvenate the team and led the team's return to the playoffs. Among the NFL's rankings, Schwartz's defensive unit completed the season among the league best in the following categories: total yards allowed (fifth, 291.6), rushing yards allowed (fifth, 92.4), passing yards allowed (10th 192.2), defensive points allowed (17.3, 7th), first down yards per play allowed (4.34, first), sacks (40, seventh) and takeaways (34, sixth).

The Titans limited three teams in 2007 under 200 total offensive yards, and All-Pro RB LaDainian Tomlinson was held to the lowest rushing total of his career (42) with 20 or more carries in the Titans' playoff game at San Diego.

Schwartz managed a defense that, much like the rest of Tennessee's team, was in transition during the 2005 and 2006 seasons. That unit replaced seven regular starters from the 2004 squad with new and, often younger, talent. Schwartz's defense held their own throughout the process, and one example of that was when Tennessee held the Super Bowl Champion Indianapolis Colts and their high-powered offense in 2006 to a combined 31 points in both games, the lowest tally allowed by a Colts division opponent in the history of the AFC South.

The 2005 Titans defense was one of the youngest defenses in the NFL with their average years of experience being only 3.5 years. That defense included two starting rookie cornerbacks for only the second time in the team's 46-year history, and the unit ranked eighth in third down percentage allowed (35.5), ninth in sacks (41) and second in three-and-out drives (31.3 pct.).

For just the second time in franchise history, and first since 1993, Schwartz put together a defense that finished first in the NFL in rushing defense. Finishing in the top 10 in rush defense extended the team's streak of nine consecutive seasons ranked in the top 10. That nine-year streak was also the longest streak in the league at the time.

As remarkable as it was for the Titans defense to finish first in rushing yards allowed, it was even more remarkable of a feat considering the talented rushers they faced nearly week-in and week-out. That year, the Titans faced eight (total of 10 games) of the NFL's top 13 rushers who combined for 12,018 yards on the season. The Titans' defense dominated the league's leading rusher, Ravens RB Jamal Lewis who rushed for over 2,000 yards that season, in the AFC Wild Card game as the team held Lewis to just 35 yards. It was Lewis' second-lowest career single-game rushing tally as a starter in the NFL through that year.

Combined with the stellar rushing defense was the strong effort by the defense on third down, once again proving a common theme of Schwartz's defense. The Titans led the league in third down defense by allowing an opponent conversion percentage of 27.7. It was the lowest in franchise history and the lowest in the NFL since 1998 (Oakland Raiders, 26.3).

Beyond those two categories the Titans defense ranked fourth in the AFC in red-zone defense (43.9 pct.), fifth in the AFC in takeaways (34) and it recorded the most interceptions (21) by a Titans defense since 1995.

In just his second-year as the Titans defensive coordinator, Schwartz's defense finished in the top 10 as they persevered through a season which they lost All-Pro DE Jevon Kearse

to injury and added six new defensive starters. In 2002, the Tennessee defense finished fifth overall in defensive points allowed (282).

Prior to his eight seasons as the Titans defensive coordinator, Schwartz contributed to the Titans defense as the linebackers coach where he also coordinated the team's third down package in 2000. That year, the Titans led the NFL in opponent third down efficiency by allowing a league-low 30.8 percent. He also was instrumental in the integration of newly-acquired linebacker Randall Godfrey into the Titans defensive scheme, as he set career highs in tackles (169) and interceptions (2).

Schwartz originally joined the Titans in 1999 as defensive assistant/quality control. In his first year with the club, the team claimed the AFC Championship and earned a berth in Super Bowl XXXIV.

Before joining the Titans in 1999, he spent three years (1996-98) as a defensive assistant/quality control coach with the Baltimore Ravens. During his tenure in Baltimore, he also coached the team's outside linebackers. After the Cleveland Browns moved to Baltimore following the 1995 season, Schwartz made the transition from player personnel to coaching. From 1993-95, he worked in the Browns' player personnel department, serving as both a college and pro scout. During his time with the Browns, he also assisted the coaching staff, headed by Bill Belichick, on defense with film breakdowns and scouting reports.

In addition to his pro coaching and scouting experience, Schwartz worked on the college level for four years before moving onto the NFL. He began his coaching career as a graduate assistant coach at the University of Maryland, tutoring the Terrapins' linebackers from 1989-90 and then served as graduate assistant at the University of Minnesota (1990-91). He became a position coach in the secondary at North Carolina Central (1991-92) before moving to Colgate (1992) as linebackers coach.

The Baltimore, Md., native was a four-year letterwinner as a linebacker at Georgetown University, where he earned a degree in economics. He received Distinguished Economics Graduate honors at Georgetown, and in 1989 he earned numerous honors that include Division III CoSIDA/GTE Academic All-America, All-America and team captain.

In the community, Schwartz supports the Juvenile Diabetes Research Foundation International and stresses the importance of giving back through entities like Detroit Lions Charities. In 2010, Schwartz served as chairman Detroit Lions Invitational Golf Tournament and co-chairman for the Lions Celebrity Bocce Ball Tournament.

Schwartz and his wife, Kathy, have twins Christian and Allison along with a younger daughter Maria.

## GUNTHER CUNNINGHAM

**ASSISTANT HEAD COACH/  
DEFENSIVE COORDINATOR**

**Years with Lions: 2  
Years in NFL: 29**

Cunningham is a 41-year coaching veteran on the college and pro levels, including the past 28 seasons in the NFL. He has been a defensive coordinator in the league for 11 seasons and a head coach (Kansas City, 1999-2000) for two. Cunningham has also worked with linebackers and defensive linemen for 16 of his seasons in the pros. As a coach in the NFL, Cunningham has earned the respect of both his peers and players for his intense and straightforward approach to coaching. He is known as a strong motivator who emphasizes the importance of an aggressive and hard-hitting defense. Additionally, Cunningham also brings the elements of being a talented defensive teacher and tactician.

Last season Cunningham introduced a defensive system that emphasizes pressure and attacking the opponents' offense.

In 2010, Cunningham's defense will be led by one of the most revamped defensive lines in the entire NFL. The acquisitions of DE Kyle Vanden Bosch and DT Corey Williams, along with the selection of DT Ndamukong Suh with the second overall pick in the 2010 NFL Draft, have made the Lions defense a bigger, faster and stronger unit. They will forge the way for a young linebacker corps led by LB DeAndre Levy, a third round pick in the 2009 NFL Draft.

In the secondary, Cunningham will utilize the abilities of one of the league's most-talented, young defensive players in S Louis Delmas to set the pace for a unit that was re-tooled in the offseason. A result of Cunningham's attack-style defense was exemplified last year when Delmas became only the second player ever (first rookie) in NFL history to record a safety, fumble return for a touchdown and an interception return for a touchdown in the same season. Delmas' interception return for a touchdown, a 101-yarder, was the longest by a rookie since 1926. Delmas also led the league among rookie defensive backs with 7.5 tackles for loss.

From 2004-08, Cunningham served as the Kansas City Chiefs defensive coordinator during his second stint with the organization. In 2008, he also coached the team's linebackers as the Chiefs' defense began a transition with six new starters and endured numerous injuries throughout the season. From 2004-07, his imprint on the defense was prevalent in several areas.

In 2007, Cunningham's defense ranked in the top five in nine different defensive categories, including a league-high in third-down defense (30.2 pct.), negative plays forced (121) and 10+-play drives (1). The Chiefs ranked second in allowing touchdowns on defensive possessions (37.2 pct.) and in Red Zone defense (37.2 TD pct.). Kansas City was third in the league by allowing just 28 offensive touchdowns, the lowest tally for the team since 1997. The defense allowed 18.6 offensive points per game, the lowest for the Chiefs since 1999.

Overall, Kansas City's pass defense ranked fifth in the NFL in 2007 allowing only 188.9 yards per game. They also tied for fifth in three-and-outs forced (47) and first downs allowed (278).

After just two seasons following his return to Kansas City, Cunningham improved the Chiefs rushing defense that ranked 30th in the league in 2003 (146.5 yards allowed per game) to seventh in the NFL in 2005 (98.1 yards allowed per game). The 98.1 rushing yards allowed per game was the lowest the Chiefs yielded since 1997. In 2005, the Chiefs were ninth in Red Zone defense (46.7 TD pct.) after ranking 27th the previous season. They also tied for the second highest tally of forced fumbles that year with 33.

In 2004, Cunningham began the process of improving the team's defense as Kansas City tied for seventh in the NFL with 41.0 sacks, the club's best total since 2000, Cunningham's last year as Kansas City's head coach.

Cunningham coaches alongside Schwartz at Tennessee (2001-03) under Head Coach Jeff Fisher. Cunningham served as the Titans assistant head coach/linebackers. In those three seasons, the Titans defense helped the franchise earn two playoff berths. From 2001-03, the Titans led the league in rushing yards allowed (86.5 yards per game) and were third in opponent's third down percentage (33.6). In 2003, Tennessee's defense led the NFL in both rushing defense (80.9 yards per game) and opponent's third-down percentage (27.7).

That year, LB Keith Bullock earned a spot in the Pro Bowl under Cunningham's tutelage as his position coach.

As head coach for the Kansas City Chiefs from 1999-00, Cunningham compiled a 16-16 (5.0). In 1999, the Chiefs were 9-7 and tied with the Seattle Seahawks with the best record in the AFC West but lost out on a playoff tie-breaker. Cunningham became the first coach in Chiefs' history to claim nine wins in his first season as Chiefs' head coach. In 1999, the Chiefs led the NFL with a +21 turnover margin and set a team record by scoring nine defensive touchdowns. In his two seasons, his club was 4-0 against Denver and defeated the defending Super Bowl Champion St. Louis Rams October 20, 2000 54-34 in a high-scoring affair.

As defensive coordinator for the Chiefs from 1995-98, the defense was a key cog in Kansas City compiling a 42-22 (656) record, including a 23-9 record (.719) against the AFC West. In those four seasons, the Chiefs allowed a NFL-low in offensive points (16.4 points per game), and led the league in scoring defense during the 1995 (15.1 points per game) and 1997 (14.5 points per game) seasons. Cunningham's defenses were critical in Kansas City producing an AFC-best +30 turnover margin from 1995-98, as they were responsible for 127 takeaways. They also scored 77 points on 10 touchdowns and four safeties. The Chiefs produced 172.0 sacks over those four years, a total which ranked third in the AFC and sixth in the NFL over that span.

The 232 points allowed by the Chiefs in 1997 was a franchise record for a 16-game season. That season, they set a NFL record, previously held by the 1934 Detroit Lions, by not permitting a second half touchdown in 10 consecutive games. They led the AFC in interceptions (21) and total takeaways (34), and ranked second among NFL team in opponents' third-down percentage (31.6). Kansas City's 54.0 sacks in '97 were the second-highest total in team history, leading the AFC and ranking third in the NFL.

In '95, Kansas City's defense was even better in terms of actual offensive points allowed as opposing offenses scored an average of just 12.9 point per game, and they were ranked second in the entire league by allowing just 284.3 yards per game. They also ranked third in rushing defense (82.9 yards per game). Additionally, the Chiefs led the league in scoring defense, turnover margin (+12), touchdowns allowed (23) and yards allowed per play (4.3).

Cunningham not only has compiled great defensive units, but he has coached and mentored several Pro Bowl and All-Pro players. He has shared a special bond as a mentor to the late, great nine-time Pro Bowl LB Derrick Thomas, who concluded his illustrious career as the all-time leading sack artist in Chiefs history with 126.5 QB takedowns. Cunningham served as Thomas' position coach in '97, helping him earn his final Pro Bowl invitation. He also coached DE Neil Smith (second in Chiefs history with 86.5 sacks) and DE Jared Allen, who earned his first spot in the Pro Bowl after the 2007 season when he led the league in sacks with 15.5. Another defensive linemen who excelled under Cunningham was DT Dan Saleaumua. He was named to the Pro Bowl in 1995 after anchoring the team's defensive front.

In the secondary, CB Dale Carter and CB James Hasty were the most formidable cornerback tandems in Chiefs history, as they combined for six Pro Bowl berths, and each intercepted 21 passes.

Prior to his arrival in Kansas City, Cunningham spent four seasons (1991-94) with the Los Angeles Raiders, as linebackers coach (1991), defensive coordinator (1992-93) and defensive line coach (1994). As the Raiders defensive coordinator, his defense ranked ninth in the NFL both seasons, and they allowed a NFL-low 11 touchdown passes in 1992.

Cunningham was the San Diego Chargers defensive line coach for six seasons (1985-90) after originally being hired by the team's player personnel department. During those six seasons, the chargers led the AFC in sacks three times and gamered a club record 62.0 in 1986. As the defensive line coach, he developed DE Lee Williams and DE Leslie O'Neil into Pro Bowl players.

In 1982, Cunningham entered the NFL coaching ranks when he joined the Baltimore Colts coaching staff, learning from the late Bud Carson. He was the team's defensive line/linebackers from 1982-84. Before entering the NFL ranks, his previous pro coaching experience was with the defensive line/linebackers coach for the CFL's Hamilton Tiger-Cats in 1981 with head coach Frank Kush who also hired Cunningham in Baltimore.

As a college coach, Cunningham's last stop was at California. Cunningham coached the Bears defensive line from 1979-80, the linebackers in 1978 and secondary in 1977.

Prior his stop in Berkeley, Cunningham coached at the Stanford Cardinal from 1973-76. He was hired by Head Coach Jack Christensen, a Hall of Fame defensive back for the Detroit Lions in the 1950s and a member of the Lions 75th Season All-time Team. While at Stanford, he coached the defensive line from 1974-76 and was the assistant offensive line and freshmen coach during his first year in 1973.

Cunningham worked at the University of Arkansas in 1972 on a staff headed by Frank Broyles that included Joe Gibbs and Raymond Berry.

In 1969, Cunningham began his coaching career at the University of Oregon, his alma mater. He was with the Ducks program for three years from 1969-71 where he began his longtime relationship with another noted defensive coach, George Seifert. Cunningham was a graduate of Oregon and was a linebacker and kicker for the Ducks from 1966-68.

Cunningham played his prep football at Lompoc High School in Lompoc, California. He was then recruited to play at Allan Hancock College by Hall of Fame coach John Madden. Madden left the school prior to Cunningham's freshman year and was replaced as head coach by Ernie Zampese.

Cunningham, who became a naturalized U.S. citizen on April 6, 2010, is just one of four foreign-born individuals in league history to ever serve as an NFL head coach, joining Hugo Bezdek (Cleveland Rams, 1937-38), Jock Sutherland (Pittsburgh, 1946-47) and Al Saunders (San Diego, 1986-88). Born in Munich, Germany, he moved to Greenfield, Mass., at the age of 10 in 1956 with his mother Katharina and his adoptive father, Air Force Sergeant Garner Cunningham.

Cunningham and his wife, René, have two children, Natalie and Adam.

# SCOTT LINEHAN

## OFFENSIVE COORDINATOR

Years with Lions: 2  
Years in NFL: 9

Linehan begins his second season as the Lions offensive coordinator after joining the club in 2009. He is now entering his ninth season as an NFL coach, going on 21 years of coaching experience.

In his first season directing the Lions offense, Linehan focused on implementing a versatile offensive attack along with the maturation of the team's young, talented offensive playmakers.

Working directly with the team's quarterbacks, Linehan was instrumental in the growth of rookie quarterback Matthew Stafford, who became one of the youngest players to ever start the season at quarterback in the NFL. Stafford steadily progressed with each outing until injuries slowed him down towards the end of the year. Stafford finished the season ranking near the top of almost every franchise rookie passing record, including first in touchdown passes (13) and second in yards (2,267), completions (201) and completion percentage (54.1) despite starting only 10 games.

Another rookie who showed great promise under Linehan was TE Brandon Pettigrew. Although he missed the season's final five games, he led all NFL rookie tight ends in receptions (30) and receiving yards (346), and was tied for a league-high with two touchdowns.

While the foundation of Linehan's offense was put in place last year, 2010 will combine that work with a talented core of skill players that includes: Stafford, Pettigrew, WR Calvin Johnson and newly acquired wide receiver Nate Burleson and tight end Tony Scheffler. The core of the team's offensive weapons will join a veteran group of offensive linemen who will lead the way for the Lions.

Linehan joined the Lions coaching staff after spending three seasons (2006-08) as the head coach of the St. Louis Rams.

As a first-time NFL head coach, Linehan put his stamp on the Rams in 2006 via the ground game, giving the ball to RB Steven Jackson 346 times – the most by a St. Louis player in 20 seasons. Jackson finished the year with 1,528 rushing yards (3rd, NFC), 105 first downs (1st, NFC) and 2,334 all-purpose yards (1st, NFL), earning his first-career Pro Bowl appearance.

Other Rams saw career bests under Linehan. QB Marc Bulger passed for a career-best 4,301 yards in 2006, setting franchise records with a 1.4 interception percentage and 588 passing attempts. His 370 completions for 24 touchdowns were also second in Rams' history. That season, WR Torry Holt and WR Isaac Bruce finished with 1,188 and 1,098 yards, respectively, combining for 167 pass receptions.

Linehan also brings four years of league experience as an offensive coordinator. He spent the 2005 season with the Miami Dolphins, improving the team's total offense from 4,960 yards (29th, NFL) in 2004 to 5,198 yards (14th, NFL) in 2005 and bettering the run game from 402 rush attempts (31st, NFL) in 2004 to 444 (12th, NFL) in 2005.

That year, the Dolphins' two primary running backs – Ronnie Brown and Ricky Williams – combined for 1,650 rushing yards and 10 rushing touchdowns. WR Chris Chambers earned his first-career Pro Bowl appearance under Linehan, finishing with 82 catches for 1,118 yards and 11 touchdowns, marking his only 1,000-yard season.

Linehan entered the NFL as an offensive coordinator/quarterbacks coach with the Minnesota Vikings in 2002, helping the franchise to some of its best offensive seasons, ranking second, first and fourth from 2002-04. The Vikings also compiled a franchise-best 36 consecutive games of 300-yards-or-more of total offense (2002-04) and, in 2004, had a franchise-best five games of 400-yards-or more of total offense.

In Vikings history, his offenses also rank first and second in total yards (6,339 yards, 2004; 6,294 yards, 2003), first and second in first downs (351, 2004; 350, 2002), second and third in touchdowns (51, 2003; 50, 2004), second in points (416, 2003), first in passing first downs (225, 2004), first in rushing touchdowns (26, 2002) and second and third in rushing yards (2,507 yards, 2002; 2,343 yards, 2003).

Minnesota's top offensive players had some of their best years under Linehan, including QB Daunte Culpepper and WR Randy Moss, who each had career years while he was with the Vikings. Moss became the team's featured "big man" in 2002 after the departure of WR Cris Carter, starting 45 games over that span and garnering two Pro Bowl selections (2002, 2003) under Linehan.

Moss finished with 106 catches for 1,347 yards and seven touchdowns in 2002 while his 111 receptions for 1,632 yards in 2003 remain personal bests. He also tied a then career high in 2003 with 17 touchdowns (now 23 with New England in 2007).

Culpepper had his best seasons with Linehan calling the plays. In 2004, his second Pro Bowl season, Culpepper finished with a passer rating of 110.9 (fourth-highest in NFL history), a 69.2 completion percentage (379-of-548), a league-leading 4,717 passing yards, an 8.6 yards per play average and 39 touchdowns – all career bests.

Linehan effectively utilized the Culpepper-Moss tandem over his three seasons with the Vikings, bettering the team's total points to 390, 416 and 405, respectively, after Minnesota scored 290 points in 2001. He maintained the team's solid performance through the air, as the offense ranked 9th, 4th and 2nd, respectively, throughout his three seasons.

While improving the passing game, Linehan also made significant improvements to the team's running game. Before his arrival in 2001, Minnesota finished 25th in the league with 376 rushing plays for 1,609 yards (4.3 average). In 2002, Linehan helped the Vikings to the league's top ground game, finishing with 473 rushing plays for 2,507 yards (5.3 average).

That year, Minnesota's running game was led by Michael Bennett, who earned his first Pro Bowl selection following the 2002 season. He finished the year 11th in the NFL in rushing with a career-best 1,296 yards – his only 1,000-yard performance to date – on 255 attempts. In 2003, Linehan utilized a trio of runners – Moe Williams, Onterio Smith and Bennett – to finish third in the league in rushing with 493 rushing plays for 2,343 attempts.

Linehan coached collegiately for 13 years on teams that played in seven bowl games and won five conference titles: one Pac-10, two Conference USA and two Big Sky. Five of Linehan's quarterbacks were drafted by NFL teams: Louisville's Chris Redman and Dave Ragone, Washington's Brock Huard and Marques Tuiasosopo and Idaho's Doug Nussmeier.

He was the offensive coordinator/quarterbacks coach at Louisville from 1999-2001, coaching the team to three bowl games and becoming the first Conference USA team to win consecutive league championships. A Louisville quarterback earned Conference USA Player of the Year honors in each of Linehan's three seasons.

Prior to his time in Louisville, Linehan spent five years at the University of Washington (1994-98), advancing to four bowl games and winning the 1995 Pac-10 title. He also spent four total seasons at Idaho, his alma mater, as the offensive coordinator/quarterbacks coach (1992-93) and as the wide receivers coach (1989-90) and Linehan spent one season at Nevada-Las Vegas (1991) as the quarterbacks coach. While a coordinator with Idaho in 1993, the Vandals led the nation in scoring (47.5 points per game) and total offense (532 yards per game).

Linehan was a quarterback at Idaho from 1982-86, winning the Big Sky Championship in 1985 and earning Division I-AA playoff appearances in three straight seasons (1984-86). He signed as a rookie free agent with Dallas in 1987, but a shoulder injury ended his career.

Born in Sunnyside, Wash., Linehan and his wife, Kristen, have three sons: Matthew, Michael and Marcus.

Danny Crossman arrives in Detroit after working the past seven seasons (2003-09) with the Carolina Panthers, including the previous five seasons (2005-09) as special teams coordinator. He originally joined the Panthers in 2003 as special teams assistant and he also assisted with the team's strength and conditioning program. This season marks Crossman's eighth season in the NFL.

During Crossman's tenure with the Panthers, the team's kicking and cover groups contributed significantly to the team's success during his time in Carolina which included three playoff appearances (2003, 2005 and 2008), two NFC South titles (2003 and 2008). The Panthers also finished with at least eight wins five of those seven seasons.

In 2008, the Panthers ranked third in the NFL with an opponent average drive start following kickoffs of 24.7. They were one of only three teams that did not allow an opponent to start a drive following kickoffs past the 50-yard-line. Carolina led the NFL in touchbacks (30) and touchback percentage (33.7), and the team was ninth in the league by allowing a 21.9 opponent kickoff return average.

In his first season (2005) as special teams coach, Crossman's group ranked ninth in the comprehensive Dallas Morning News special teams ratings, highlighted with rankings of second in punt coverage and seventh in kickoff coverage.

Under Crossman's tutelage, Panthers P Jason Baker set the franchise record in net punting average in both 2005 (38.9) and 2006 (39.0). In both seasons, Baker's net punting average ranked first in the NFC and third in NFL. From 2005-09, Baker ranked eighth in the NFL with a combined net punting average of 38.0.

In 2003, Crossman's first year assisting the Carolina's special teams, the Panthers were second in the special teams ratings compiled by the Dallas Morning News.

Crossman entered the pro ranks following 10 seasons as a college coach where he worked with special teams in each season and also coached multiple defensive positions. In 2002, Crossman served as the linebackers and special teams coach at Michigan State.

From 1999-2001, Crossman was on the coaching staff at Georgia Tech. All three seasons, he was the Yellow Jackets special teams coordinator along with defensive ends coach (1999-2000) and defensive backs coach (2001). In both 1999 and 2001, Georgia Tech ranked high nationally in kickoff return average, net punting average and punt return average. Georgia Tech led the ACC in kickoff return average and punt return average during the 2000 season. Two of Crossman's specialists, K Luke Manget and KR Kelley Rhino, were first-team All-ACC in 2001.

Before arriving at Georgia Tech, Crossman was the defensive backs and special teams coach at Central Florida for two seasons (1997-98). Crossman served a three-year stint (1994-96) at Western Kentucky as special teams and secondary coach (1994-95) and outside linebacker and special teams coach (1996). He entered the coaching ranks in 1993 as the defensive backs and special teams coach at the U.S. Coast Guard Academy.

Crossman earned three letters at the University of Pittsburgh as the team garnered a 22-12-1 record those three seasons and appearances in 1987 Bluebonnet Bowl and 1989 Sun Bowl. He moved to strong safety as a senior and was named team MVP. Crossman earned second-team All-America honors as he recorded 62 tackles and one interception. He originally began his college career at the University of Kansas. ## JAMES HARRIS

**SENIOR PERSONNEL  
EXECUTIVE**  
Years with Lions: 2

James Harris joined the Lions player personnel department after spending six seasons (2003-08) as the Jacksonville Jaguars vice president of player personnel. While directing the Jaguars player personnel area, he oversaw all player acquisitions, including: college draft, free agency, undrafted player signings and the scouting of players in other professional leagues.

Known affectionately as "Shack," Harris brings 34 years of NFL experience to the Lions' front office, with the past 22 years working in player personnel and scouting.

Harris originally began his front office career in 1987 when he joined the Tampa Bay Buccaneers as a scout, a position he would hold for six years (1987-92). He then moved on to the New York Jets and served as the team's assistant general manager from 1993-96. In 1997, Harris was named the director of pro personnel for the Baltimore Ravens. He was a member of the Ravens' player personnel department from 1997-2002, and he earned a Super Bowl ring with the Ravens as the team claimed a world championship with a victory in Super Bowl XXXV.

In 1969, Harris was drafted by Buffalo in the eighth round of the draft—an achievement of its own right since he was just one of a few blacks ever drafted at quarterback at the time. He would play for the Bills from 1969-71, and he would become the first black in NFL history to open the season as a starting quarterback. Harris then played for Los Angeles from 1973-76. While with the Rams, he was the Pro Bowl MVP in 1975 after throwing two touchdowns in a 14-13 win over the AFC. In 1976, he led the NFC with an 89.8 passer rating, which included a 436-yard outing against the Miami Dolphins. He concluded his career in San Diego where he played for the Chargers from 1977-81.

Harris has also impacted the community through the Shack

Harris Doug Williams Foundation, which is a non-profit, tax-exempt organization dedicated to creating opportunities for economically disadvantaged youth. The foundation, established in 2005 with fellow NFL quarterback pioneer and Grambling State alumnus Doug Williams, provides grants for after-school initiatives, leadership development, mentoring programs and minority higher education assistance.

Harris' front office work has been recognized by numerous organizations. For two years in a row (2003 and 2004), he was one of the top-50 most influential minorities in sports by Sports Illustrated, and in 2005 he received recognition as one of "the most powerful African Americans in sports" by Black Enterprise. In March 2006, he was awarded the Fritz Pollard Alliance's Paul "Tank" Younger Award that recognized his efforts to level the playing field and improve life for minorities. In February 2007, William Rhoden featured Harris as a member of the Field Generals in ESPN's "Third and a Mile: The Trials and Triumphs of the Black Quarterback." Last year, Harris received the Onyx Awards Achievement in Sports by Onyx Magazine.

Prior to being drafted in 1969, Harris played for one of college football's most legendary coaches, Eddie Robinson, at Grambling State. During each of his four seasons (1965-68), the Tigers won or shared the SWAC title. He was named MVP of the 1967 Orange Blossom Classic and was named Pittsburgh Courier Player of the Year in 1968. As a legendary athlete and quarterback at Carroll High School in his hometown of Monroe, La., Harris received two-time All-State honors as he led Carroll to two unbeaten seasons and a state title.

Harris and his wife, Vickie, have two sons, James and Aaron, and two daughters, Felicia and Ashley.

Each season, Saunders is responsible for interviewing and hiring coaching interns as part of the NFL Minority Coaching Program.

In addition to his various football operations responsibilities, he also assists with contract negotiation.

While directing the player development department in Tampa Bay, Saunders helped get players involved in continuing education programs, off-season internships and jobs to prepare for possible post-NFL careers. He was also the main contact between the players

and the club's community relations department and encouraged player involvement in charities and community activities.

Prior to joining the Buccaneers, Saunders spent the previous two seasons as an area scout for the Kansas City Chiefs, evaluating college talent in the Midwest. A native of Sarasota, Fla., Saunders was in training camp for three seasons with Tampa Bay (1994-96), and saw action on both the practice squad and active roster in 1995 as a tight end and special teams player. He also played with the Scottish Claymores of NFL Europe in 1997.

A four-year starter at Ohio State, Saunders posted 68 career receptions for 853 yards for the Buckeyes. He recorded 27 catches and earned second-team All-Big 10 honors as a senior in 1993 and was an honorable mention selection as a junior.

Saunders and his wife, Bashi, have two daughters, Reegan and Charlie Bleu, and two sons, Cayden and Kai.

## **AL BELLAMY**

**ATHLETIC TRAINER**  
Years with Lions: 10

Al Bellamy enters his 10th season as athletic trainer. In his role, Bellamy helps manage the team's athletic training staff and works closely with the team's physicians.

Bellamy arrived in Detroit following 13 years as assistant trainer with the Washington Redskins. Bellamy began working with the Redskins in 1988 and was a member of the team's medical staff when Washington won Super Bowl XXVI.

In 2009, Bellamy also served on the Gatorade Advisory Board.

Prior to joining the Redskins, he served a two-year stint as an assistant athletic trainer with the University of Miami (Fla.) football team (1986-87). During this span, he worked with the Hurricanes' program that claimed the 1987 National Championship and included former Lions' safety Bennie Blades and wide receiver Brett Perriman. That assignment was his first full-time job and came after he had earned his master's degree in physical education (emphasis on sports medicine) from Syracuse.

Before obtaining his master's from Syracuse, Bellamy attended Michigan State as an undergraduate and received his bachelor's degree in health education in 1984. ## BILL KEENIST

**SR. VICE PRESIDENT OF COMMUNICATIONS**  
 Years with Lions: 26

Bill Keenist embarks upon his 26th year within the Lions' organization. In 2001, he was promoted to the post of senior vice president of communications. Keenist, the team's chief spokesman on organizational matters, oversees communications, community affairs and new media, and he works closely with other team business initiatives, including broadcasting, marketing, sales and tickets.

For seven years prior, Keenist served as a team vice president supervising the areas of communications, broadcasting and marketing. In 1994-95, Keenist directed the team's launch of several in-house media programs, including: a team television show, radio shows, a state-wide preseason TV and highlight show network, team newspaper, magazine and Internet site. Many of those entities are still in operation today.

Keenist has over the years assisted in the negotiations of broadcast contracts for local radio and TV, most recently including the Lions' radio deal in 2005 when the Lions renewed their relationship with Infinity Broadcasting by inking a new five-year deal that includes greater presence on the team's flagship station, 97.1 FM, and other auxiliary programming.

In 1997, Keenist directed a restructuring of the Lions' ticket office, which included the establishment of both telemarketing and group sales departments. In the season prior to these changes, the season ticket base had fallen to near 30,000. In 2002, the first year at Ford Field, the Lions sold out their regular season ticket packages and, for the first time, have a waiting list for prospective season ticket buyers.

Keenist has been with the Lions since 1985 when he was hired as assistant public relations director. In 1987 he was named director of public relations, a position he held until his appointment as director of marketing, broadcasting and communications in 1991. He held that position until 1994 when he was promoted to vice president for administration and communications.

In 1981, Keenist's NFL career began when he worked for the Washington Redskins as a public relations assistant. He was a member of the Redskins staff when the team won Super Bowl XVII in 1983 over Miami. He also served as the Redskins' director of promotions in 1983.

After leaving the Redskins, Keenist returned home to the Pittsburgh area where he was the public relations director for the Pittsburgh Maulers of the United States Football League in 1984. After the Maulers' one season in the USFL, Keenist served as the

sports public relations director for the Pittsburgh Civic Arena, where he worked primarily with the Pittsburgh Penguins.

Keenist's talents have been recognized around the NFL. For Super Bowls XXIV through XXVIII he had the honor of being selected a public relations co-captain, which involves the coordination of all media-related activities at the Super Bowl. In all, he has worked a total of 18 Super Bowls for the NFL. In the past, he has served on the following NFL PR/Marketing Committees: Broadcasting; Governmental Affairs and Insider Magazine. Keenist has been the PR. Chairman of the NFC Central division and Chairman of the Public Relations Special Projects Committee.

In 2002, Keenist was honored by the Detroit Sports Broadcasters Association with the "Best of the Best" award, which annually honors the top sports public relations person in the Detroit media market. In 2003, the Lions' 2002 club seat ticket commercial, produced by Keenist, was nominated for an EMMY, a first for any Lions' production.

Also among Keenist's accomplishments, he served as a member of Detroit's Super Bowl XL Communications Task Force Committee, and played a key role in the organization's public relations efforts during several Super Bowl XL related events.

Keenist holds a master's degree in sports administration from Ohio University. He also received his bachelor's degree in journalism from Ohio and was a recipient of a Sports Administration Scholarship from the NFL in 1981. As sports editor of The Ohio University Post in 1980, his sports section was named the Best College Sports Section in America by a national panel of sportswriters and columnists, an honor for which he received a post-graduate scholarship.

He then served a graduate internship at Duke University where he worked in the athletic department.

In 2004, Keenist was inducted into the Elizabeth Forward High School Hall of Fame in his hometown of Elizabeth, Pa., and was a member of the school's Class of 1976.

In 2006, Keenist was awarded a medal of merit by Ohio's Alumni Association, which annually honors alumni who have distinguished themselves in their respective professions.

Keenist, 52, lives in Oxford with his wife Cindy and their three children: sons, Billy and Christopher, and daughter, Lindsay. He is an active member of Oxford High School's Athletic Boosters, a member of the Oxford School District Strategic Planning Committee and serves on Oxford's School Board.

His oldest son Billy played a quarterback at Adrian (Mich.) College and is now completing his degree in education. Christopher, a junior long-snapper and tight end, is a current member of Adrian's football team.

## TOM LESNAU

**SR. VICE PRESIDENT OF  
FINANCE &  
CHIEF FINANCIAL OFFICER**  
Years with Lions: 33

Tom Lesnau is entering his 33rd season with the Lions organization. Prior to the 2003 season he was promoted to senior vice president in conjunction with the restructuring of the Lions front office, and he is one of the senior members of the Lions management staff. His role consists of overseeing the club and stadium's financial, insurance, banking, information technology, business systems, retail store and purchasing operations. Lesnau reports directly to President Tom Lewand.

During the last several years, Lesnau has been involved in assisting Lewand with the initial start-up and on-going development of Ford Field and the adjoining commercial and parking complex that has been recognized as one of the premiere venues in the NFL. Lesnau's involvement with the stadium development has spanned all the way from 1996, when a new state of the art stadium was proposed for downtown Detroit. He has also coordinated a long-term financing arrangement for the stadium and warehouse projects, and the implementation, upgrade and standardization of accounting and reporting systems for the new ventures in order to facilitate an integrated financial system for team and stadium operations.

In 2009, Lesnau and his finance group, in conjunction with the organization's business operations, re-vamped the team's entire retail operations and entered into a 10-year agreement with MainGate to become the exclusive retail and merchandising company for the organization. This agreement involved a complete re-launch of the team's official team store, "Lions Pro Shop," e-commerce operations and is now the team's internal merchandise department.

Over the past seven years, Lesnau was instrumental in the development and implementation of a new combined budget strategy and process for the Lions and Ford Field, thus allowing the organization to strategically plan the direction of the two entities.

In his prior role, Lesnau established reporting controls to more effectively monitor the overall performance of the organization. He also revamped all computer operations of the team and implemented a new system for both financial operations and administrative areas of the club.

In addition to his role as the team's chief financial officer, Lesnau, along with long-time Lions' employee Danny Jaroshewich, has manned the Lions' draft table operations in New York City during the NFL's annual selection meeting.

Lesnau gained five years of business and accounting experience with the international accounting firm of Ernst & Young from 1973 to 1978. He joined the Lions in 1978 as an accountant, took on the additional duties as travel coordinator in 1980, and was promoted to controller in 1991. He was promoted to the position of vice president of finance and chief financial officer in 1996. Prior to the team's relocation to Detroit, Lesnau was the primary contact with the City of Pontiac and the Pontiac Silverdome.

Lesnau graduated with honors from Michigan State University in 1973 with a degree in business administration/accounting and is a Certified Public Accountant. Lesnau is a member of the American Institute of CPAs, the Michigan Association of CPAs, and the Financial Executives Institute of America.

Lesnau's involvement with local charities includes positions as treasurer of Detroit Lions Charities and member of Board of Directors of Detroit Lions Courage House, Kolo Charities the Russ Thomas Scholarship Fund and numerous other charitable organizations. He also serves as a trustee on several local community organizations and governmental boards.

Lesnau is married to wife, Liz, and currently resides in Waterford. The native of the Detroit area has lived substantially all of his life in the Detroit metropolitan area.

## THE ORIGINAL DETROIT LIONS OFFICES

Where were the first offices of the Detroit Lions located? Shortly after the club's move from Portsmouth, Ohio, Lions owner G.A. Richards, who also owned radio station WJR, set up Head Coach George "Potsy" Clark with a temporary office in room 2107 of the Fisher Building, in downtown Detroit. The Lions now operate primarily from their new headquarters in Allen Park, and some portions of the organization are housed in the warehouse portion of Ford Field.

**MANE FACTS**

- Having not started playing football until the 11<sup>th</sup> grade, Avril looked up to RB Barry Sanders and RB Emmitt Smith. When he started playing football, he'd pay attention to LB DeMarcus Ware, LB Julian Peterson and guys that played in the 3-4 scheme.
- Avril loves watching television shows *Martin* and *the Fresh Prince*.
- Avril enjoys playing basketball, but has slowed down a little now that he dedicates much of his time to football. He also likes to sit at home and play video games.
- During the offseason Avril likes to go home and chill out at home with his family since he doesn't see them much for half of the year.
- After football, Avril would like to own a couple of businesses. Being into clothing, he wouldn't mind owning a few clothing stores, or a few stores in the mall back at home.

**TRANSACTIONS**

- Drafted by the Detroit Lions in the third round (92<sup>nd</sup> overall) in the 2008 NFL Draft.

- Avril ended his first season with 22 tackles, having played 15 games, including the final four as a starter.

**PAPER LION**

Filming of the George Plimpton book, "Paper Lion," began in early 1968. Alan Alda starred as Plimpton, the Sports Illustrated feature writer who masqueraded as a quarterback with the Lions during training camp. The world premier was held Thursday, October 3, 1968, at the Adams Theatre. The film introduced Lauren Hutton to the silver screen, and featured actual members of the Detroit Lions, including coach Joe Schmidt, Alex Karras, John Gordy, Mike Lucci, Pat Studstill and Roger Brown.

The 2003 season marked the 40th anniversary of George Plimpton's visit to Lions' training camp when he began writing the original script for his book. Last year was also the 35th anniversary of the "Paper Lion" movie release.

The Detroit Lions reunited most of the cast in 2003 with a "Paper Lion" reunion that was held in September. Forty players, including Plimpton and Karras, rekindled friendships that formed during their experience together in the 1960s. The reunion turned out to be the final chapter of Plimpton's life as he passed away days later (September 26, 2003) at the age of 76.

**IN MEMORIAM**

Several members of the Detroit Lions served in World War II and made the ultimate sacrifice for their country in the fight against fascism.

- > Lt. Charles Behan was killed by Japanese machine gun fire on Okinawa, May 18, 1945.
- > Sgt. Alex Ketzko was killed in France with Patch's Seventh Army, Dec. 23, 1944.

## MANE FACTS

- During the Lions' dramatic 38-37 last second, come-from-behind win against Cleveland at Ford Field when he set an NFL rookie passing records for yards (422) and tied a record for touchdowns (five), Stafford was m'ic'd up by NFL Films for that memorable win. Stafford suffered a shoulder injury on the last timed play of regulation. Following a pass interference penalty in the endzone and a Browns timeout, Stafford forced himself back on the field for one more throw that resulted in the game winning touchdowns to TE Brandon Pettigrew. As published in the Detroit Free Press: *NFL Films president Steve Sabol said Stafford "earned a lasting place in the cinematic folklore of the NFL." Stafford was wired for sound when he suffered an AC joint separation, came back and threw the winning touchdown with no time left against the Browns. Sabol called it "the most dramatic player wiring ever" -- and NFL Films has wired more than 350 players since 1965.*
- Was named NFC Offensive Player of the Week and was voted Rookie of the Week for Week 11 of the 2009 season.
- Attended Highland Park High School in Dallas, Texas, the same high school that Lions Hall of Famers QB Bobby Layne and RB Doak Walker attended. Layne and Walker led the Lions to NFL Championships in 1952 and 1953. Layne also led the team to the 1957 NFL Championship.

**DEEP IN THE HEART OF TEXAS**

The Detroit Lions have a deep history of outstanding players who have Texas roots. Five players on the Lions' All-Time Team played college football in the Lone Star State, including: QB Bobby Layne (Texas), S Yale Lary (Texas A&M), RB Doak Walker (Southern Methodist), G Harley Sewell (Texas) and DT Doug English (Texas). Layne, Lary and Walker are all members of the Pro Football Hall of Fame. Joining those stars on the franchise's All-Time Team are Texas preppers CB Dick "Inch Train" Lane (Austin) and RB Billy Sims (Hooks). Layne, Lane, Lary and Walker are all members of the *Pride of the Lions* charter class.

In fact, those roots go back even deeper with Layne and Walker who grew up only a few blocks apart in Dallas, Texas, and were friends as children. Both players started in the backfield at Highland Park High School in 1943. After stints in the military during World War II, Layne went to Texas University while Walker played for rival Southern Methodist University. The two were reunited when they joined the Lions in 1950.

That connection has been revisited with the Lions drafting QB Matthew Stafford with the first overall pick in the 2009 NFL Draft. Stafford also is from Highland Park, Texas and went to the same high school as Layne and Walker. He was named in the first round of 2009 NFL Draft by another Texas prep star when the Lions drafted TE Brandon Pettigrew who is from Tyler, Texas.

**The Lions' current roster with connections to the Lonestar State:**

- **Texas Tech:** C Dylan Gandy (Harlingen), G Manny Ramirez (Houston), G Daniel Loper (Houston)
- **Texas A&M:** LS Don Muhlbach (Lufkin)
- **Texas Christian:** RB Aaron Brown (Katy), Marvin White
- **Stephen F. Austin:** WR Contrevious Parks (Killeen)
- **Others Texas preppers:** LB Caleb Campbell (Perryton), T Jason Fox (Fort Worth), CB Chris Houston (Austin), LB Landon Johnson (Lubbock), TE Brandon Pettigrew (Tyler), QB Matthew Stafford (Highland Park)

**SUMMARY**

The Lions opened the 2009 season against the high powered Saints offense in New Orleans. The Saints started the scoring early, taking the opening kickoff to their own 46-yard line and scoring on a 9-yard pass from QB Drew Brees to WR Marques Colston. After a Lions three-and-out, the Saints' punt return resulted in another short field, and Brees capped that drive with a 39-yard strike to WR Robert Meachem. QB Matthew Stafford then returned to the field and put together his first scoring drive. On first down, he completed a 21-yard pass to WR Calvin Johnson, but later the Lions failed to convert on third down in Saints' territory. K Jason Hanson was on hand to convert the field goal, making the score 14-3. Later in the first quarter, the Saints punted to Lions WR/PR Dennis Northcutt, who split two tacklers and went 43 yards to the Saints' 18-yard line. The Lions then decided to go for the touchdown on 4th-and-1 at the Saints' 4-yard line, and RB Kevin Smith ran it in to cut the Lions' deficit to four points. The Saints again looked poised to score, but Brees' pass was intercepted by CB Anthony Henry in the end zone and returned 26 yards. The Lions gave the ball back soon after, and the Saints drove 65 yards to score on a pass from Brees to TE Jeremy Shockey. With a chance to counter, the Lions punted and the Saints scored again with the same passing combination, making the score 28-10. After the Lions recovered a muffed punt, Stafford was intercepted at the goal-line by Saints' S Darren Sharper, setting up another possible scoring drive for the Saints, which ended with a blocked field goal by DE DeWayne White, sending the teams into halftime at 28-10. Coming out of the break, Stafford completed a short pass to C. Johnson which stretched into a 64-yard gain. Stafford later kept the ball and scored to make the score 28-17. The Saints responded with a field goal after a long drive, 31-17. On the ensuing kickoff, rookie RB/KR Aaron Brown broke through the Saints' coverage for an 87-yard return, but the Lions settled for a field goal to put the deficit back at 11 points. It was short-lived as the Saints returned Hanson's kickoff to their own 42-yard line and scored on a pass from Brees to WR Devery Henderson on their first play from scrimmage. Stafford was then intercepted by Saints' LB Scott Shanle, but on their next play, RB Mike Bell's fumble ball was scooped up by S Louis Delmas and returned 65 yards for a touchdown to make the score 38-27 going into the fourth quarter. The Saints' next possession again ended in a touchdown, this time from Brees to FB Heath Evans, 45-27. The Lions again attempted a comeback, entering Saints' territory. However, Stafford was intercepted a second time by Sharper, allowing the Saints to run out the rest of the clock and come away with a 45-27 victory.

**SUMMARY**

In their 2009 home opener, the Lions took on NFC North rivals the Minnesota Vikings. The Vikings won the toss and elected to receive, sending the Lions' defense onto the field early to face the run-based attack of the Vikings. The Vikings quickly picked up a first down in the Lions' territory, but a bad exchange caused RB Adrian Peterson to fumble the ball, and it was recovered by LB Ernie Sims. The Lions then used a balanced attack to move 40 yards to the Vikings' 12-yard line, but were forced to take the field goal by K Jason Hanson when they failed to convert, making the score 3-0. After the score, the Lions defense came out strong once again, stifling the trickery of the Vikings on first down and then putting the Vikings in a hole when DE Jason Hunter came up with a sack on QB Brett Favre. On the Lions' next possession, the offense moved the ball well once again into Vikings' territory, but QB Matthew Stafford was intercepted by LB Chad Greenway at the 31-yard line. Despite the turnover, the Vikings were unable to get anything going against the Lions' defense. Led by LB Larry Foote, who had a tackle for a loss and a sack, the Lions forced two three-and-outs to get the ball back. Starting at their own 25-yard line, the Lions used a solid running attack to reach the red zone and the drive was capped off by Stafford's first career touchdown pass—an 8-yard toss to WR Calvin Johnson. Protecting a 10 point lead, the Lions defense took the field once again to try to put the clamps on Minnesota's offense, but the Vikings responded quickly, scoring on a 1-yard pass from Favre to TE Visanthe Shiancoe with just over a minute remaining in the half. The Lions then let the clock run out, heading into the locker room with a 10-7 lead. After halftime, the Lions received and set out to continue their success on offense. Vikings DE Jared Allen sacked Stafford on first down, forcing a fumble that was recovered by TE Brandon Pettigrew. Stafford was sacked again on third down, which ended in a punting situation. The Vikings then tied the game on a 26-yard field goal by K Ryan Longwell. With the game tied and the ball on the Lions' 31-yard line, RB Kevin Smith fumbled and it was recovered by Greenway. On the Vikings' first play from scrimmage, Peterson appeared to be stopped at the line, but bounced outside and outran the defenders for a 27-yard touchdown to make the score 17-10. Later on in the 4th quarter, the Vikings were once again in Lions' territory and extended their lead with a 46-yard field goal by Longwell. Now trailing by 10 points, Stafford looked to close the gap but was intercepted a second time by Greenway, and the Vikings' linebacker returned the ball to the Lions' 16-yard line. Favre connected on a screen pass to WR Percy Harvin, who eluded defenders to score and make the Vikings lead 27-10. Forced into a passing situation, Stafford led the lions to the Vikings' 30-yard line, but the offense could only come up with a field goal. The ensuing onside kick was recovered by the Vikings, allowing them to keep the ball until the game ended, winning 27-13.

**SUMMARY**

The Lions entered this contest against the Washington Redskins having won only five times of their last 35 meetings. After receiving the opening kickoff, Detroit was unable to get a drive going and had to punt. Washington moved the ball steadily down the field through the air down to the Detroit 9-yard line and looked to come up with the game's first points, but LBs Larry Foote and DeAndre Levy had two big stops on third and fourth down at the goal line to keep the game scoreless. On the ensuing possession, QB Matthew Stafford engineered a 12 play, 99-yard drive, hitting WR Bryant Johnson from 21-yards out for the touchdown. It was Johnson's first TD catch as a Lion and the offense's longest drive of the season. The Detroit defense forced a quick punt out of the Redskins offense, and the Lions started at their own six-yard line after a nice punt from P Hunter Smith. Once again, the offense was not hindered by the field position. The running game, led by RB Kevin Smith, helped move the offense, but the drive would stall, and the Lions came away with a 39-yard field goal by K Jason Hanson to put the home team up 10-0. The Detroit defense forced a three-and-out, and the Lions took over inside its own 10-yard line for the third time. With a mixture of run and pass, the offense moved down to the Washington 8-yard line, but the Redskins defense held Detroit to another field goal to end the half at 13-0. Washington received to start the second half and needed only four plays to score when QB Jason Campbell connected with WR Santana Moss, who raced down the Detroit sideline 57 yards to make the score 13-7. Both defenses put the clamps until the fourth quarter, when Stafford led the offense on another long scoring drive. This time the Lions went 85 yards in eight plays and handed off to RB Maurice Morris, who took it two yards for the touchdown. After a failed two-point conversion the Lions went up 19-7. Campbell and the Redskins answered back with its own eight play touchdown drive, ending with a four-yard pass from Campbell to RB Rock Cartwright. With 2:36 remaining, Stafford had to eat clock to secure a win. He did his part by completing a gutsy 24-yard pass to TE Will Heller for a first down. However, the Redskins still had three timeouts and the two-minute warning to stop the clock, and eventually the Lions punted to the Washington 22-yard line. After a couple of Campbell passes to TE Chris Cooley, RB Ladell Betts, and Moss, the Redskins entered Lions' territory but were out of timeouts and spiked at the Lions 36-yard line. On the final play of the game, Campbell hit Moss over the middle for a hook-and-ladder, but the game—and the Lions' 19-game losing streak—ended when Foote made the final tackle on Betts.

**SUMMARY**

Coming off their first win since 2007, the Lions sought to ride their momentum into this divisional contest. On their first possession, the Lions came out firing, with QB Matthew Stafford hitting WR Calvin Johnson for 45 yards on the first play from scrimmage. Later in the drive, an offside penalty against the Bears on a field goal attempt gave the Lions a fresh set of downs and allowed them to score on a 1 yard run by RB Kevin Smith. The Bears wasted no time responding, scoring on a 5 yard scramble by QB Jay Cutler to tie the game at 7-7. With the ball back in their hands, the Lions' offense continued to be efficient, scoring again on a pass from Stafford to TE Will Heller. Ahead 14-7, the Lions' defense forced a three-and-out, but the offense stalled when Stafford was sacked, forcing a punt that was returned deep into Lions' territory by WR Devin Hester. The Bears scored quickly on a pass from Cutler to TE Kellen Davis. After receiving the kickoff, the Lions found themselves in a third-and-long situation. Stafford felt the pressure from the Bear's pass rush and was intercepted by DT Tommie Harris to give the Bears another short field. This time, Cutler completed a short pass to TE Greg Olsen to put the Bears ahead 21-14. The teams exchanged punts and the Lions took control of the ball at their own 2-yard line with 4:51 remaining in the first half. Stafford led the offense 98 yards, ending on Smith's second touchdown run of the day to leave the teams deadlocked at 21 going into halftime. Out of the break, the Bears immediately grabbed control of the game on a 102-yard kickoff return by WR Johnny Knox. A big sack by the Bears' defense put the Lions in another third-and-long deep in their own territory, and they then gave up another big punt return, setting up a field goal by K Robbie Gould to make the score 31-21. The Bears continued to win the field position battle with the Lions, taking another field goal in the third quarter after a fumble by Stafford and constantly forcing the Lions to punt from inside their own territory. In the fourth quarter, the Lions got back on the scoreboard with a field goal by K Jason Hanson to cut the deficit back to 10, but the Bears never let up. RBs Matt Forte and Garrett Wolfe each scored to put the game away for good, ending at 48-24.

**SUMMARY**

With the reigning champion Steelers in town, the Lions looked to establish themselves against one of the NFL's best teams. The defense forced a three-and-out from the Steelers on their first possession. With the ball on their own 22-yard line, QB Daunte Culpepper, in his first start of 2009, took over. The offense appeared shaky when Culpepper was sacked by LB James Harrison and fumbled on first down, but the ball was recovered and he went on to scramble for 32 yards on third down. The drive ended on a 46-yard field goal by K Jason Hanson. The Steelers then retook the field and scored behind the passing of QB Ben Roethlisberger and the touchdown run of RB Rashard Mendenhall. On the Lions' next possession, Culpepper led the team inside the Steelers' 10-yard line, but an intentional grounding penalty backed them up to create second and goal from the 23-yard line. The Lions would have to settle for another field goal to make the score 7-6. The Steelers again began driving, and Roethlisberger was intercepted by CB Eric King. However, the interception was negated by a controversial roughing the passer penalty and the Steelers scored on a pass from Roethlisberger to TE Heath Miller. A Lions three-and-out gave the ball back to the Steelers very quickly. WR Mike Wallace dropped a wide open pass and Roethlisberger looked to connect with him again, but this time CB William James jumped the route and took the interception 38 yards for the score. Roethlisberger shook off the interception, leading the Steelers into Lions' territory then hitting WR Hines Ward for a 17-yard touchdown to pull ahead 21-13 at halftime. Coming out of the break, the Lions hoped to break their trend of slow starts in the second half. It seemed they would by scoring on their first possession, but Hanson missed a 49-yard field goal. When the Steelers regained possession, they scored on a 47-yard strike from Roethlisberger to Wallace to make the score 28-13. Needing to respond, the Lions marched downfield to the Pittsburgh 28-yard line, but after fumbling the snap Culpepper threw the ball up and was intercepted by S Ryan Clark. In the fourth quarter, the Lions' defense denied the Steelers more points and finally used its pressure to sack Roethlisberger and give the offense a chance. Culpepper moved the ball well and found WR Dennis Northcutt over the middle for a 25-yard touchdown that closed the gap to eight points. The Lions defense shut down the Steelers on the ensuing possession to give Detroit the ball 3:07 remaining along with two timeouts. The Lions moved all the way to the Steelers' 21-yard line, but the Steelers' sense of urgency kicked in and their pressure sacked Culpepper on three straight plays. When the final Hail Mary was knocked down, the Steelers had sealed their 28-20 victory.

**SUMMARY**

The Lions traveled to Lambeau Field to take on the Packers and try to end a dry spell in Green Bay dating back to 1991. On the opening kickoff, a Packers touchdown was nullified by an offensive holding penalty, and rather than taking the 6 points, they started on their own 20-yard line. WR Greg Jennings made a one-handed grab on third down to extend the drive, and later QB Aaron Rodgers connected on a 47-yard touchdown to WR James Jones. The Lions first possession began with two plays for a loss of yardage, then on third down QB Daunte Culpepper's screen pass was intercepted by DE Cullen Jenkins. With a short field in front of them, the Packers scored again quickly on a pass from Rodgers to FB John Kuhn to make the score 14-0. The Lions then registered another three-and-out to give the ball back to the Packers, who succumbed to the Lions' pressure and were stopped in their own territory. After connecting with WR Dennis Northcutt and a 9-yard run by RB Kevin Smith, the Lions entered the Packers' end of the field but were put in a fourth-and-one situation. The Lions chose to go for the first down instead of taking the points, but were stopped and the Packers took control of the ball. The Lions' defense stopped the Packers once again, but the offense failed to get anything going and continued to have to punt away to Green Bay. One their next try, the Packers came away with a 46-yard field goal by K Mason Crosby. Another Lions' drive was stopped short when Culpepper was sacked on third down, and the Packers returned the punt 45 yards all the way to the Lions' 29-yard line. The Lions were able to hold Green Bay to three points with the help of a sack by LB Julian Peterson, but Crosby's kick made the score 20-0. The Lions attempted to run the two-minute drill with 1:52 left in the half and were forced into another fourth down. P Nick Harris came out under center and handed the ball off to RB Aaron Brown, but the Packers were up to the task and made the stop to take the ball and kick a field goal to go into halftime ahead 23-0. Looking to come out of the locker room and mount a comeback, the Lions took the field. Culpepper tweaked a hamstring, bringing QB Drew Stanton into the game. The drive ended with another punt, and Green Bay drove 70 yards but again were only able to come up with a field goal, which would be the final score of the game. Stanton was intercepted on the next drive, which led to the Packers retaking possession and moving down to the Lions' 3-yard line. Peterson prevented a score by sacking Rodgers and forcing a fumble, which was recovered by LB Larry Foote. The Lions punted once again, and with the Packers continuing to move the ball, Rodgers was intercepted by LB DeAndre Levy, his first career interception. Stanton led the Lions inside the Packers' 10-yard line, but another interception ended the Lions last chance to score, and sent them into their bye week with a shutout loss.

**SUMMARY**

After a bye week that was used to review the first part of the season and allow players to heal, the Lions got set to host the winless St. Louis Rams at Ford Field. This game marked the return of rookie QB Matthew Stafford, who missed two games due to an injured knee. The other big news on the injury front was WR Calvin Johnson, who missed his second straight game since injuring his knee against Pittsburgh (10/11). The Lions received the opening kickoff and looked to establish the run game immediately with four straight carries by RB Kevin Smith. The drive appeared to be moving before a holding penalty and later a dropped pass on third down led to a punting situation. When the Rams got the ball, they too looked to establish the run with RB Steven Jackson. On a critical third down, LB Julian Peterson was flagged for roughing the passer which extended the Rams' drive, ending in a field goal by K Josh Brown. The Lions sought to respond quickly and put together their longest drive of the day. Beginning at their own 20-yard line, Stafford led the team 68 yards to the Rams' 12-yard line. On third-and-ten, Stafford's receiver dropped yet another pass and it was intercepted by S James Butler in the end zone. Butler attempted to return the interception and left the end zone, but was later ran back into the end zone on his own and was tackled by Smith for a safety to make the score 3-2. Dropped passes continued to plague the Lions' offense and they were unable to get into scoring range, giving the ball back to the Rams. Near the end of the half, the Rams drove into Lions' territory and were faced with a fourth down. They set up to try to convert the fourth down, but then called a timeout and came out of it with their field goal personnel in place. The Lions were fooled by a fake on what would have been a 53-yard field goal attempt, and Brown passed to a wide open TE Daniel Fells, who staved off a tackle to score. The teams entered the locker room at halftime with the score at 10-2. Late in the third quarter, the Rams found themselves deep in the Lions' end of the field once again. As QB Marc Bulger threw, the ball was tipped in the air and then intercepted by DE Dewayne White, who was tackled at the spot. Re-energized by the turnover, the Lions drove and connected on a 36-yard pass from Stafford to WR Bryant Johnson to put themselves inside the Rams' 5-yard line. After a 1-yard gain, Stafford dropped back to pass and scrambled to the end zone for the touchdown. The Lions attempted the two-point conversion and Stafford found the open RB Maurice Morris to tie the game at 10-10. Later on, the Rams were pinned on their own 2-yard line but got out behind the running of Jackson, allowing them to flip field position and pin the Lions with their punt. The Rams got the ball back and were helped into Lions' territory by a pass interference call. They then used runs of 17 and 25 yards by Jackson to score and take the lead 17-10 with 1:38 remaining. With the ball at their own 20-yard line, The Lions had a play erased by offsetting penalties and were pushed back to the 10-yard line by holding. The next three attempts fell incomplete to end the comeback try.

**SUMMARY**

Playing in a hostile environment, like Qwest Field, the Lions could not have asked for a better start. The Lions went up 17-0 in the opening quarter; however five turnovers and nine penalties allowed the Seahawks to come from behind and win 32-20. On the opening drive, K Jason Hanson missed a 34-yard Field Goal off the right goal post. The frustration was short lived as QB Matt Hasselbeck was intercepted on their first play by S Louis Delmas, who returned it 29 yards to the Seahawks 2-yard line. The offense capitalized when QB Matthew Stafford connected with TE Brandon Pettigrew for a 7-yard touchdown pass. FB Justin Griffith fumbled on the Seahawks first play of the ensuing drive after LB Julian Peterson stripped the ball and S Ko Simpson recovered. Two plays later, Stafford hit WR Bryant Johnson in the end zone for a 29-yard touchdown pass. Again, the defense came up big as LB Larry Foote stopped RB Julius Jones on fourth-and-one. Penalties forced a Jason Hanson 41-yard field goal. The Seahawks offense would answer back with a 10-play, 60-yard drive that ended in a 3-yard touchdown run from Jones. Once again, the Lions offense started with good field position, but Stafford was picked off at the Seattle 22-yard line by LB David Hawthorne. The Seahawks would move down inside the Detroit red zone, but only came away with a K Olindo Mare 37-yard field goal. After Stafford was intercepted again, Mare connected from 37 yards once more to make the score 17-13 at halftime. Both teams traded punts to start the second half before Mare connected on another field goal, this time from 24 yards. After a Lions punt, the Seahawks capped a 7 play, 68-yard drive with a 2-yard touchdown catch by WR T.J. Houshmandzadeh to give the Seahawks a 22-17 lead. Trying to be too aggressive on the next possession, Stafford under threw a deep pass intended for WR Calvin Johnson and was picked off by Hawthorne again. The Seahawks came away with a Mare 20-yard field goal. Highlighted by RB Kevin Smith's 31-yard run, the Lions would answer when Hanson connected from 50 yards out. After Detroit's defense forced a three-and-out, the offense was stalled by a Stafford interception, however the defense gave him another chance with just over two minutes left. The offense moved almost to midfield but an ill-advised throw by Stafford was picked off by CB Josh Wilson, who returned it 61 yards for a touchdown to make the score 32-20.

**SUMMARY**

The Lions headed to Minnesota to play the Vikings for the second time this season. The Vikings were fresh coming off a bye week, while the Lions played their second-straight road game after losing to the Seahawks in Seattle. The Vikings received the opening kick and immediately began moving the ball behind the passing of QB Brett Favre to WR Sidney Rice. The Lions, however, were able to hold the Vikings to a field goal by K Ryan Longwell by stopping them inside the 5-yard line. On the Lions' first possession, the drive was stalled when a pass from QB Matthew Stafford to WR Derrick Williams was short of the marker. On fourth down the Lions elected to punt, but an offside penalty gave them a fresh set of downs. The Lions couldn't advance the ball anymore and tried for a 48-yard field goal, but it was missed by K Jason Hanson. Another long pass for the Vikings brought them into Lions' territory, but an attempt at trickery went foul when RB Adrian Peterson's pitch to WR Percy Harvin fell to the turf and was recovered by DT Sammie Hill. The Lions couldn't score off the turnover and punted away to the Vikings. After exchanging punts, the Vikings connected yet again on a 43-yard pass from Favre to Rice, setting up a 22-yard scamper for Peterson to make the score 10-0. The Lions' offense struggled to produce, putting up another three-and-out possession and giving the ball back to the Vikings. On the ensuing drive, the Vikings had the ball at the Lions' 1-yard line and ran the ball with TE Jeff Dugan. He was stopped at the line by DT Grady Jackson. After another punt, Peterson broke free of the Lions' defense and had open field in front of him, but he was caught from behind by CB Phillip Buchanan, who punched the ball into the end zone where it was recovered by LB Jordan Dizon for a touchback. In the two-minute drill, a few completions to WR Calvin Johnson got the Lions in field goal range and the teams went into the break at 10-3. The Lions received the kickoff in the third quarter, and RB Kevin Smith fumbled the ball on the first play. The Vikings took advantage and Peterson scored after two carries for 28 yards. Determined to make up for the turnover, the Lions drove deep into Vikings' territory. On third down, Stafford was sacked and fumbled, but a penalty for a helmet-to-helmet hit negated the play and gave them a fresh set of downs. Stafford hit TE Will Heller for the score to cut the deficit to 17-10. At the start of the fourth quarter, another bomb from Favre to Rice put the Vikings in scoring position, Favre found Dugan in the end zone. Another Lions' possession found them punting, and the Vikings added another Longwell field goal to make the score 27-10. With the clock running out, the Lions tried to convert some fourth downs but were unsuccessful, allowing the Vikings to run out the clock and complete their victory.

**SUMMARY**

After trading field goals on the opening drives, the Browns took advantage of big plays to jump ahead by 21 points in the first quarter. Browns QB Brady Quinn threw three touchdowns to three different receivers. At the end of the quarter, Lions QB Matthew Stafford led the Lions back into the game, and a 78-yard drive was capped off by a 26-yard run off a screen pass by rookie RB Aaron Brown. The Lions' defense then stopped the Browns, who punted away. Stafford orchestrated another drive, finishing with a 25-yard strike to RB Kevin Smith. Another Browns punt followed, pinning the Lions at their own 6-yard line. The Browns' defense forced the Lions into a 3rd-and-1, but two consecutive offside penalties on DT Shaun Rogers gave the Lions breathing room. Stafford then found WR Calvin Johnson wide open in the middle of the field for a 75-yard touchdown, and the extra point tied the game at 24. With the clock running out on the half, the Browns faked a field goal with a pass from K Phil Dawson to WR Mike Furrey, but S Louis Delmas stopped him from scoring. The Browns kicked the field goal and went into halftime with a 27-24 lead. In the third quarter, the Lions' defense held up again and later Stafford hit Johnson again for a long gain, setting up a 1-yard touchdown to TE Will Heller to give the Lions their first lead at 31-27. The Browns punted on their next possession and pinned the Lions. Stafford took an intentional grounding penalty in the end zone and gave a safety to the Browns to make the score 31-29. The Browns then scored again on a pass from Quinn to TE Michael Gaines and got the two-point conversion to go up 37-31. Stafford was intercepted with 3:40 remaining, and the Browns tried to run out the clock. The Lions used their two timeouts and the two minute warning to stop the clock on 3rd-and-5. The Browns threw the ball and it fell incomplete, then punted to the Lions with 1:46 remaining. The Lions took chunks of yards and spiked multiple times to stop the clock. On the final play, Stafford scrambled and heaved the ball into the end zone, where it was intercepted, and was hurt on the play. A flag was thrown for pass interference and the Lions were given one untimed down at the 1-yard line. Due to Stafford's injury, QB Duane Culpepper was set to take the final snap when Cleveland called a timeout. Stafford had the awareness to know he could return for the play and willed himself into the game. Stafford then hit rookie TE Brandon Pettigrew for a 1-yard touchdown to tie the game and set a record for most touchdowns thrown by a rookie with five. Hanson then hit the extra point to complete the Lions' comeback win.

**SUMMARY**

In the 70th Annual Thanksgiving Day Game, the Lions took on the Packers for the 19th time in the holiday series. On the opening kickoff, the Lions started things out right with a forced fumble by DE Turk McBride that was recovered by LB Jordan Dizon on the Packers' 20-yard line. The Lions took advantage of the early turnover quickly, scoring on a 1-yard pass from QB Matthew Stafford to WR Calvin Johnson. The Packers then received another kickoff, and this time held the ball and advanced into Lions' territory. K Mason Crosby missed a 43-yard field goal, and the Lions took over at their own 33-yard line. Stafford then threw the first of his four interceptions on the day, and the Packers took over again. The defense looked to be holding strong by forcing a third-and-long situation, but QB Aaron Rodgers found WR Donald Driver downfield for a gain of 68 yards to the Detroit 7-yard line. They then scored on the first play of the second quarter to tie the game at 7-7. The Lions failed to advance the ball out of their own end, and on the next two possessions for the Packers, they were able to come away with points. Another big play from Rodgers, this time to WR Greg Jennings got them back into field goal range to make the score 10-7. Stafford then threw his second interception, and the Packers took another field goal to lead 13-7 at the break. The Lions started the second half with the ball, but on the second play from scrimmage, CB Charles Woodson made an incredible play to intercept a low ball. The Lions challenged the ruling but it was upheld as an interception. The Lions' defense answered back with a takeaway of their own. LB Julian Peterson sacked Rodgers on fourth down and forced a fumble that was recovered by DE Jason Hunter. The ensuing offensive possession ended in a three-and-out, and the Packers took a big chunk again by completing a pass from Rodgers to Driver. This time they got into the end zone at the end of the drive. The Lions tried to respond but were held up in long field goal range. K Jason Hanson missed the 54-yarder to give the ball back to the Packers at their 44-yard line. The passing of Rodgers once again got them into the end zone to take a 27-7 lead. In the fourth quarter, the Lions came up with a key stop and were at the Packers 1-yard line but failed to score. The Packers took over there, and S Louis Delmas tackled RB Ryan Grant for the safety. After the safety punt, the Lions got inside the Packers' 5-yard line again but again failed to score a touchdown and took a field goal. Detroit then kicked away and got the three-and-out they needed, but Stafford was intercepted for the fourth time, the second by Charles Woodson, and Woodson returned the pick for a touchdown to seal the game and a score of 34-12.

**SUMMARY**

The Lions headed down to Cincinnati to take on the Bengals, who were fresh off a win to sweep their division in 2009. The Lions received the ball to begin the game but were stopped at their own 42-yard line. The punt by P Nick Harris was returned 25 yards by Bengals PR Qwan Cosby to put them in good field position. The Lions' defense turned up the intensity to force the punt that bounced into the end zone for a touchback, but the next drive stalled out again. On the Bengals' next drive, QB Carson Palmer's pass was intercepted by CB William James. The Lions used a double play-fake to get the Bengals' defense to bite, and QB Matthew Stafford found WR Calvin Johnson wide open for a 54-yard touchdown and an early 7-0 lead. The Lions controlled the game through the rest of the first quarter and the early second quarter. On third-and-11, Stafford dropped back to pass, but the ball was tipped by DE Michael Johnson, then caught and returned for a touchdown by DE Jonathan Fanene. The Bengals then forced a three-and-out from the Lions and got in position for a deep play of their own, connecting on a 36-yard pass from Palmer to WR Chad Ochocinco. From that point forward, the Lions struggled to move the ball on offense but held the Bengals at bay. At the end of the first half, the Bengals kicked a field goal to go into the break leading 17-7. Coming out of halftime, the Bengals received the kickoff and used 6:57 of clock before taking a field goal to lead 20-7. Through the rest of the third quarter, the Lions failed to gain any ground on offense, but the defense continued to hold strong. CB Phillip Buchanon sacked Palmer and forced a fumble that was recovered by DE Dewayne White. In the fourth quarter, the Bengals came up with another clock-consuming drive that culminated in a field goal, giving the Lions some chance of coming back with two touchdowns and two 2-point conversions. On that next drive, the Lions moved into Bengals' territory but Stafford was intercepted. The Bengals looked to seal the game with another score, but only two plays later Palmer's pass was intercepted by CB Anthony Henry. Starting from their own 48-yard line, the Lions used passes from Stafford to RB Kevin Smith and RB Maurice Morris to get within scoring range, but the Bengals forced them into a fourth down situation. Stafford was hit on the play, re-injuring his non-throwing shoulder that was first hurt on the game-winning drive against Cleveland. After the turnover on downs, the Bengals tried to run out the clock but the Lions were able to get the ball back with 2:56 remaining. QB Daunte Culpepper replaced the injured Stafford and completed a 38-yard pass to Johnson to put the ball at the 2-yard line. Smith ran the ball in the cut the deficit but the two-point conversion failed. The onside kick attempt was then recovered by the Bengals, who knelt on the ball for the last 1:36 to secure the 23-13 victory over the Lions.

**SUMMARY**

In the driving rain in Baltimore, the Lions took on the Ravens at M&T Bank Stadium. With the Ravens desperate for a win to stay in the AFC playoff picture and the Lions looking to end a lengthy road losing streak, both teams started the game looking for a victory. The Lions received the opening kickoff and began moving the ball behind the running of RB Kevin Smith. At midfield the Lions failed to convert and had to punt away to the Ravens. Ravens RB Ray Rice began his day with a 52-yard scamper into the Lions' territory. On third-and-eight from the Lions' 12-yard line, Rice caught a pass from QB Joe Flacco and looked like he was on his way to the end zone, but LB Larry Foote popped the ball loose and it went out of bounds in the end zone for a Lions touchback. On the Lions' next possession, QB Daunte Culpepper threw an interception but it was nullified by a roughing the passer penalty. The Lions kept the ball and got it into field goal range, but K Jason Hanson missed a 45-yarder. For the rest of the first quarter, the Lions' defense held strong allowing only a 38-yard field goal by K Billy Cundiff. Early in the second quarter, the Lions once again moved the ball into Ravens territory, but failed to convert on third down and had to punt. Flacco then connected with WR Derrick Mason, who broke two tackles and ran 62 yards for a touchdown to make the score 10-0. The Lions' response was a 15 play, 69 yard drive that took them inside the Ravens' 10-yard line. They couldn't get the touchdown, but Hanson hit the field goal to cut the deficit to seven points. Rice then broke another long run of 59 yards for a touchdown. At the end of the half, the Lions tried to make up some points, but Culpepper was intercepted and the Ravens got another field goal to lead 20-3 at the break. The Ravens received the ball to begin the half, and put together a steady drive highlighted by a 34-yard pass from Flacco to WR Demetrius Williams to the Lions' 3-yard line. FB LeRon McClain punched the ball in to make the score 27-3. Throughout the rest of the third quarter, the Lions couldn't muster up any offense and the Ravens scored two more touchdowns behind the running of RB Willis McGahee. In the fourth quarter, the Lions began to move the ball more but struggled to convert on several third down and fourth down situations. The Ravens' final score came with just over five minutes remaining on a scramble by QB Troy Smith. The Lions had one final possession to try to put some points on the board but were unable to convert, giving the ball back to the Ravens for the final three minutes of the game.

**SUMMARY**

With the defending NFC champions coming into Ford Field, the Lions faced another test against a team battling for a playoff spot. For the second straight week, QB Daunte Culpepper started for the Lions and RB Maurice Morris also started for the first time in place of RB Kevin Smith. The Lions took the opening kickoff and Morris started quickly, but the drive ended in a punt. When the Cardinals' potent passing attack took the field, the Lions were able to get good pressure on QB Kurt Warner to force a three-and-out. The next possessions for each team failed to enter scoring range, but P Ben Graham's punt was muffed by PR Dennis Northcutt, and the Cardinals recovered at the Lions' 13-yard line. After getting a first down at the 1-yard line, Warner threw to WR Larry Fitzgerald in the end zone. CB William James popped the ball out of Fitzgerald's hands, but he was able to come down with the ball to go ahead 7-0. Looking to respond, the Lions looked for a big play of their own, but Culpepper was intercepted by CB Dominique Rodgers-Cromartie. The Cardinals got a field goal off the turnover. K Jason Hanson then missed a 54-yard field goal, and the Cardinals marched downfield to take a 17-0 lead. Going into halftime, the Cardinals were in position to score once again, but DE Cliff Avril sacked Warner and forced a fumble to eliminate the threat. After the break, the Lions decided to make a change at quarterback and bring in QB Drew Stanton. Early in the third quarter, Stanton threw an interception to Rodgers-Cromartie, who returned the ball to the Lions' 20-yard line. On the Cardinals' first play on that drive, Warner threw to the end zone and was intercepted by S Louis Delmas, who tip-toed along the sideline and scored a 101-yard touchdown. The score was an immediate boost to the Lions, who forced a three-and-out after the ensuing kickoff, then broke a 64-yard touchdown run by Morris, then forced another three-and-out before tying the game with a field goal at 17-17. Early in the fourth quarter the Cardinals took the lead again on an 18-yard touchdown run by RB Beanie Wells. The Lions had to punt on the next possession, but PR Steve Breaston muffed the punt and it was recovered by LB Zack Follett. The Lions got the ball inside the 10-yard line but failed to convert on fourth down. However, the defense played well and the Lions got the ball back after a punt. Stanton led the Lions down the field then scored on a QB sneak to tie the game again. On the kickoff, the Cardinals were able to return the ball close to midfield, then Wells ran for 34 yards. Warner connected with WR Anquan Boldin for the touchdown. The Lions had one last opportunity but failed to convert a fourth down, ending the game at the score of 31-24.

**SUMMARY**

The Lions took to the road in San Francisco the last road game of 2009. With the first possession of the ball, QB Drew Stanton moved the offense well in his first career start, using nearly eight minutes of game clock. On the first play from scrimmage, WR Calvin Johnson took the ball on a reverse and ran for 19 yards. Stanton then scrambled on a third down to move the chains, and Johnson had another big run to put the Lions in a goal-to-go situation. They were stopped on third down and took the field goal converted by K Jason Hanson. The defense then came out strong, and DE Jason Hunter sacked QB Alex Smith on the 49ers' first offensive play before forcing a punt. The Lions then had a three-and-out of their own and punted back to the 49ers. Smith completed a 50-yard pass to rookie WR Michael Crabtree, but the Lions were able to hold San Francisco to a field goal to tie the game at 3-3. The next two Detroit possessions ended with fumbles by both Stanton and Johnson, but the defense was able to hold the 49ers and keep points off the board until late in the quarter when another field goal gave the 49ers a 6-3 lead. With just over two minutes remaining, the Lions looked to score, but Stanton was intercepted by LB Patrick Willis. The 49ers began at the Lions' 40-yard line and got all the way to the 10-yard line, but had to go for a field goal on fourth down. The Lions called a timeout to ice rookie K Ricky Schmitt. The timeout paid off as DT Grady Jackson was able to get a good push and blocked the kick to prevent another score. Coming out of halftime, the Lions' defense continued to play well, but the offense could not get anything going to score points and had to punt. On the ensuing possession for the 49ers, RB Frank Gore was able to get some big chunks and moved them deep into Detroit territory. Smith threw a 2-yard touchdown to TE Vernon Davis, which was challenged by Detroit citing that Smith had crossed the line of scrimmage. The call on the field stood, and the Lions went down 13-3. Again the Lions' offense couldn't move the ball and punted. Faced with a fourth-and-inches on their own 46-yard line, San Francisco went for it. Gore got open in the flat was able to break a 48-yard run after the catch. He ran the ball in to finish the drive with a touchdown, making the score 20-3. In the fourth quarter the Lions tried to mount a comeback but were stopped short by turnovers as Stanton threw an interception in 49ers' territory. Later in the quarter, the Lions were given another opportunity when LB Julian Peterson forced a fumble from Gore that was recovered by DT Sammie Hill on the 49ers' 29-yard line. On the first play of the possession, Stanton threw another interception to CB Dre' Bly. QB Daunte Culpepper entered the game to finish and got the Lions into field goal range. Hanson converted to make the score 20-6. On the Lions' last effort, Culpepper completed a pass to Johnson, but his second fumble of the day allowed the 49ers to seal the game and the 20-6 victory.

**SUMMARY**

In front of a sellout crowd at Ford Field, the Lions faced the Bears for their final game of the 2009 season. On the opening drive of the game, the Bears were able to move the ball well into the Lions' territory, but the Lions were able to force a third down and held the Bears to a field goal by K Robbie Gould. QB Daunte Culpepper took the field for the Lions and threw an interception, but for most of the rest of the quarter neither team could get anything going on offense and exchanged three-and-outs. When P Brad Maynard shanked a punt and gave the Lions good field position, they capitalized with a long reception by WR Calvin Johnson and took a field goal to even the score. The tie was short-lived as the Bears answered back with another field goal by Gould. Later in the quarter, the Bears had a third-and-short but a false start moved them back, and DE Cliff Avril sacked Bears QB Jay Cutler to force the punt. On the ensuing drive, Culpepper completed a 12-yard pass to WR Bryant Johnson for a touchdown and the lead, 10-6. With less than two minutes in the half, however, then Cutler completed a long pass to TE Greg Olsen to put them inside scoring range. Inside the 10-yard line, he found Olsen again for a 7-yard touchdown and brought his team into halftime with a 13-10 lead. The Lions received the ball to begin the second half. On fourth-and-8 on their own 38-yard line, the Lions faked a punt with a direct snap to S Kalvin Pearson but were stopped. The Bears took advantage of the turnover on downs and scored on a pass from Cutler to WR Devin Aromashodu. Later in the quarter, another pass from Culpepper to Calvin Johnson put the Lions into scoring range and they came away with a field goal to cut the deficit to 20-13. At the start of the fourth quarter, the Lions once again moved downfield through the connection of Culpepper to Calvin Johnson, and the drive was capped off by a leaping touchdown catch by Johnson to tie the game. The tie was once again short-lived. The Lions' defense forced a third down situation, but a 48 yard pass from Cutler to WR Devin Hester followed by a 34-yard pass to Olsen set up the 1-yard touchdown pass to TE Desmond Clark. The Lions got a field goal back and kicked the ball away, but another big play doomed the Lions. RB Matt Forte ran for 53 yards to set up another touchdown pass to Aromashodu. Lions KR Derrick Williams fulfilled the kickoff return with 2:49 remaining, allowing the Bears to get another field goal and seal the game at 37-23.

### SERIES NOTES

- Detroit's series with the Cardinals is the oldest in the history of the Lions' franchise. The first game was played October 5, 1930 between the Portsmouth Spartans and the Chicago Cardinals, and it ended in a scoreless tie. That game is one of two scoreless ties (other was a 0-0 tie played September 15, 1940) played between the Lions and the Cardinals in their series. The Lions own a 31-23-5 advantage over the Cardinals.
- September 30, 1934 marked the first occasion that the Detroit Lions and the Chicago Cardinals matched up, and the Lions were victorious 6-0.
- In all, the Portsmouth Spartans were 2-2-2 vs. the Chicago Cardinals. Detroit has registered a 19-9-3 mark against the Chicago Cardinals, a 5-4 record over the St. Louis Cardinals and have a 5-8 mark since the Cardinals moved to Phoenix. Detroit currently has a three-game winning streak against the Cardinals.
- The Lions-Cardinals series is one of four series (Chicago, Green Bay and New York Giants) in franchise history that dates back to 1930, Portsmouth's inaugural season in the NFL.
- The teams met twice in 1993 with Detroit winning both contests, 26-20 at the Silverdome September 26 and 21-14 in Phoenix December 12.
- Behind the record-setting performance by QB Charlie Batch at Arizona November 18, 2001 (a then franchise record 436 yards passing), the Lions' offense set several team records and collected some of the franchise's highest totals in other team offensive categories. The Lions' 62 pass attempts set the team's single-game record by surpassing the previous high of 57 attempts accomplished vs. Chicago 10/9/88. The team's 36 completions are better than the 33 completions tossed at Cleveland 9/28/86, and vs. Green Bay 10/25/87. The Lions' established a new record for net passing yards by airing out 429 yards, which is better than the previous high of 395 vs. Minnesota 11/23/95. And the 22 first downs gained on pass plays is a new team record, passing the old mark of 20 set vs. Minnesota 11/23/95.
- Detroit snapped a five-game losing streak in the series in the 2003 season opener with a 42-24 win over the Cardinals at Ford Field. The win was the first for former Lions Head Coach Steve Mariucci. QB Joyce Harrington threw for a career high four touchdown passes in the game.
- In Detroit's 26-12 win over Arizona December 5, 2004, RB Kevin Jones ran for a career-high 196 yards on 26 carries, 105 of which came in the first half. It is the second highest rushing total by a Lions rookie in team history, just one yard shy of Mel Farr's record of 197 yards on 24 carries at Minnesota (11/12/67).
- In the same 2004 contest, K Jason Hanson became the 20th player in NFL history to reach the 1,300-point plateau.
- In the most recent meeting at Ford Field (12/20/09), S Louis Delmas returned an interception 101 yards for a touchdown which was the longest by a NFL rookie since 1926 (Columbus RB Pete Barnum, 103t at Canton 9/26/26). It also ranks as the longest by a Lions rookie in team history and is tied for the second longest in franchise history.

SERIES NOTES

- Aside from the NFL's recent expansion additions (Baltimore, Carolina, Houston and Jacksonville), the seven meetings between the Lions and Bills is the fewest number of games the Lions have played against any opponent.
- Two of the seven games have been played on Thanksgiving Day, with the Lions winning both outings. Detroit won the first, Turkey Day game between the two clubs 27-14 November 25, 1976 and the second Thanksgiving Day affair 35-21 November 24, 1994.
- In the 1976 meeting, O.J. Simpson put on one of the greatest individual performances in pro football history as he rushed for a then-NFL record 273 yards. Simpson's historic Thanksgiving Day performance wasn't enough as the Lions prevailed 27-14.
- The Lions defeated the Bills 20-17 in their first regular season visit to Ford Field. The victory also was Rod Marinelli's first as a head coach.
- Bills' owner Ralph C. Wilson grew up in Detroit and at one time was a Lions' shareholder. He attended the University of Michigan law school, is the Chairman of Ralph C. Wilson Industries and resides in Grosse Pointe Shores, Mich.
- The Lions and Bills have met each other in the preseason each year since 2002, and the two teams will once again face each other in the preseason Thursday, September 2 at Ford Field. Overall, the teams have played 29 times in the preseason, with Detroit holding a 17-11-1 edge in the preseason series.

### SERIES NOTES

- The Lions and Panthers faced off in their inaugural contest October 24, 1999. Detroit visited Carolina's Ericsson Stadium and handed the Panthers a 24-9 loss. The Panthers' made five trips inside the Lions' five-yard line, and the Detroit defense forced two turnovers and yielded only three field goals.
- The contest was also the first of two straight games in 1999 where Detroit's defense did not yield a touchdown. That accomplishment marked the first time since 1983 that the Lions have kept opponents out of the end zone in back-to-back games (45-3 win vs. Pittsburgh November 24, 1983 and 13-2 win vs. Minnesota December 5, 1983).
- The Panthers evened the series record at 1-1 with a 31-7 victory at Ericsson Stadium September 15, 2002.
- Despite having both a fumble return and a punt return go for touchdowns, the Lions fell short at the eventual NFC Champion Panthers, 21-14, on December 14, 2003. LB Boss Bailey (34 yards) and S Kenoy Kennedy (64 yards) each returned interceptions back for touchdowns in the Lions last-minute 21-20 loss against Carolina at Ford Field October 16, 2005. The last time the Lions had two interceptions for touchdowns in a game was at Seattle October 24, 1976 when Levi Johnson and Lem Barney both returned interceptions for touchdowns.

### SERIES NOTES

- The Lions hold a 14-4 (77%) series lead over the Browns, dating back to the clubs' initial meeting in 1952. Detroit owns an 9-1 record in games played in Detroit.
- Jason Hanson booted the longest field goal in franchise history against the Browns October 8, 1995. Hanson drilled a 56-yard effort on the last play of the first half.
- Lions QB Matthew Stafford led the Lions to a thrilling, come-from-behind 38-37 win over Cleveland (11/22) with one of the most remarkable performances by a rookie quarterback in NFL history. Stafford brought the team back from deficits three different times (21, 3 and 6 points) to either tie or take the lead. The win was Stafford's first career come-from-behind fourth-quarter win.

**1950s POSTSEASON BATTLES:** The following are brief recaps of each of the four postseason games between the Lions and Browns.

- December 28, 1952 (NFL Championship Game)** - The Detroit Lions claimed their first NFL title in 17 years with a 17-7 win over the Browns. The Lions scored their first touchdown of the game on a two-yard run by Bobby Layne and extended the lead to 14-0 in the third quarter on a 67-yard scamper by Doak Walker. Detroit was outgained in total yardage by 151 yards and had 12 fewer first downs, but the Detroit defense stiffened at crucial times. The Lions came up with four important goal line stands. Layne attempted only nine passes, all coming in the fourth quarter. To pick up the slack, the Lions rushed for 199 yards with 97 yards coming from Walker. Detroit

- capted the title game win with a 36-yard field goal by Pat Harder.
- December 27, 1953 (NFL Championship Game)** - The game evolved into a defensive struggle as 20 of the 33 points scored in the game were direct results of turnovers. The mistakes began when Otto Graham fumbled on his own 13-yard line, the Lions capitalized on a one-yard touchdown run by Doak Walker. Although Graham completed only two of his 15 attempts, the Browns managed to hold a 16-10 lead with less than five minutes to play. Then, Detroit quarterback Bobby Layne put together an impressive drive that culminated with a 33-yard touchdown toss to Jim Doran. The 17-16 victory provided the Lions with their second consecutive title.
- December 26, 1954 (NFL Championship Game)** - The game began on a good note for Detroit as Cleveland quarterback Otto Graham turned the ball over on an interception. But the Lions could only manage a field goal after the turnover and the rest of the afternoon was all Cleveland. Graham bounced back from the early interception to pass for three touchdowns and run for another three touchdowns as the Browns captured the World's Championship with a 56-10 win. Lions' quarterback Bobby Layne had a horrible day, as he threw six interceptions.
- December 29, 1957 (NFL Championship Game)** - Tobin Rote, playing for injured QB Bobby Layne, directed a relentless offensive attack as the Lions posted a 31-7 halftime lead and coasted to their fourth NFL title. The highlight of the day came on a 78-yard bomb from Rote to Jim Doran that gave the Lions a 38-14 lead. Detroit went on to win 59-14, the second biggest title win ever.

### SERIES NOTES

- The clubs have met just six times since the Colts moved to Indianapolis from Baltimore.
- A record-setting crowd of 63,107 witnessed the Lions take on the Colts November 25, 2004. The crowd was the Lions' largest at Ford Field, breaking the previous best of 62,938 set vs. Green Bay (10/17/04). The contest also marked the Colts' first visit to Ford Field and the first time the teams had met on Thanksgiving since 1965. The Lions and the then-Baltimore Colts tied 24-24.
- On October 20, 1957, Bobby Layne threw a 29-yard touchdown pass to Howard "Hopalong" Cassidy with 46 seconds remaining in the game as Detroit overcame a 27-10 fourth quarter deficit to defeat the Colts 31-27 in one of the greatest comebacks in team history.

- In their meeting November 23, 1997, a 32-10 Detroit win at the Silverdome, Jason Hanson became the only kicker in team history to convert two field goals of more than 50 yards in the same game. Hanson booted 52 and 55-yarders in the contest.
- In that same game, Barry Sanders rushed for 216 yards on 24 carries, including an 80-yarder for a touchdown. It was Sanders' fourth 200-yard outing of his career and the first against an AFC opponent.
- The 1997 game was the Colts' second trip ever to the Silverdome, and the first since the club moved from Baltimore.
- In Detroit's first visit to Indianapolis' Lucas Oil Stadium, December 14, 2008, K Jason Hanson connected on a 51-yard field goal, his 51-yarder set a new NFL record for 50-yard field goals in a career (41) and it tied Morten Andersen's NFL record for 50-yard field goals in a season (8). Hanson is the first player in NFL history to go 8-for-8 on 50-yard field goals in a single season.

### SERIES NOTES

- Detroit's 44-0 win over the Jaguars December 17, 1995 represents the largest victory margin in Lions' history and was the largest in the NFL in 1995. The game also marked the inaugural contest in the series between the Lions and the Jaguars.
- Lions KR Eddie Drummond had one of the finest performances by a returner in NFL history that ultimately forced the Lions' game at Jacksonville into overtime November 14, 2004. Drummond became the first player in NFL history to return two punts for touchdowns in the fourth quarter and the 11th (14th time) to return two punts for

- a touchdowns in a single game.
- Drummond's six punt returns against the Jaguars (11/14/04) for 199 yards (33.2 avg) is the third-best single-game total in NFL history and set a new Lions' franchise record for punt return yards in a game.
- His two punt returns for touchdowns (55 and 83 yards) at Jacksonville (11/14) marked the third time in Lions' history that a player recorded two punt return touchdowns in a game. Jack Christiansen accomplished the feat twice in 1951 (2 vs LA 10/14/51 and 2 vs GB 11/22/51).

- The Lions are 1-2 in home games (0-0 at Ford Field) against the Chiefs and 2-5 in games played in Kansas City.

The Lions hold a 6-4 preseason edge in the series against the Chiefs, and have won five of the last six preseason matchups. The two teams met August 23, 1975 in an exhibition affair that kicked off the opening of the Pontiac Silverdome. Detroit won the contest 27-24.
- Kansas City made their first ever trip to Ford Field December 23, 2007, with the Lions claiming a 25-20 victory.

**SERIES NOTES**

- The first two head coaches in Dolphins' history both had ties to Detroit. George Wilson coached the Dolphins from 1966-69. He was an assistant with the Lions from 1949-56 and was the Lions' head coach from 1957-64. Wilson was at the helm when the Lions won their last championship in 1957. Don Shula was the Dolphins' head coach from 1970-85, and was an assistant under Wilson with the Lions from 1960-62.
- The first three of Miami's triumphs over the Lions clinched AFC Eastern Division titles for the Dolphins (in 1973, 1979 and 1994).
- Detroit's win over Miami in 1985 was a historic one for the Lions. The win marked the first time in NFL history that a club had beaten the Super Bowl participants from the previous year in back-to-back weeks (the Lions had edged the Super Bowl XIX champion San Francisco 49ers 23-21 only seven days earlier).

**SERIES NOTES**

- The Lions trail 30-63-2 in the series with the Vikings in a NFC North Division rivalry that dates back to a 37-10 Detroit victory November 19, 1961 at Minnesota.
- With his opening kickoff return for a touchdown at Minnesota November 21, 2004, Eddie Drummond became the first player in NFL history to score three consecutive touchdowns for his team via punt and kickoff returns. He became only the second player in NFL history to return two kickoffs and two punts for touchdowns in a single season, the other being Dante Hall (Kansas City) in 2003.
- The Lions won the first five outings and nine of the first 14 games in the series; however, Minnesota then won 13 straight contests and 19 of the next 21.
- On two occasions, the Lions have accumulated 45 points in a single game against the Vikings. Detroit defeated Minnesota 45-14 December 9, 1978 and 45-7 December 12, 1981, with both games taking place at the Silverdome.
- Barry Sanders scored four touchdowns in the Lions' 34-14 win at Minnesota

- November 24, 1991. His four touchdowns established a new Lions' record for rushing touchdowns in a single game. His four touchdowns and 24-point performance also tied Lions' single-game marks.
- Scott Mitchell set a Lions' single-game record for passing yards, breaking Bobby Layne's previous mark of 375, when he accumulated 410 yards vs. Minnesota in a memorable Thanksgiving Day clash November 23, 1995. Mitchell completed 30-of-45 passes and tossed four touchdowns. The wide receiver (to Herman Moore, Brett Burman and Johnnie Merton each) reached the 100-yard receiving mark in the contest. The Lions won the game 44-38.
- In their final road game and the second-to-last game of the 1997 season, the Lions claimed a 14-13 victory over the Vikings at the Metrodome when Scott Mitchell tossed a one-yard pass to Herman Moore in the endzone to claim the come-from-behind victory with two seconds remaining to play. Mitchell engineered the game-winning 72-yard drive that began with 1:56 remaining to play and with only one timeout.

### SERIES NOTES

- New England has made just four regular season visits to Detroit, with each team taking a pair of victories.
- This year's regular season meeting between the Lions and the Patriots will be the third meeting between the teams since 2000 (fourth overall) on Thanksgiving. In the past 10 years, New England is the Lions second-most-common opponent on Thanksgiving behind Green Bay, which the Lions have hosted four times during that span.
- The Thanksgiving Day Lions-Patriots series is tied at 1-1. The Lions claimed victory in the first Thanksgiving Day meeting between the clubs with a 34-9 win in 2000 at the Pontiac Silverdome. In 2002, the Patriots returned to Detroit on Thanksgiving and captured a 20-12 victory over the Lions at Ford Field.

- Detroit opened their series vs. the Patriots with a 34-7 victory September 26, 1971 in Schaefer Stadium (renamed Foxboro Stadium). Steve Owens scored two touchdowns for the Lions, including a 74-yard touchdown catch from Greg Landry. The Lions also scored a defensive touchdown as Mike Lucci returned an interception 25 yards for a score.
- The fastest touchdown in Lions' history was scored against the Patriots, Willie Clay (who later joined the Patriots as a free agent) recovered a New England fumble on the opening kickoff and returned it 15 yards for a touchdown only 11 seconds into the game on September 12, 1993.
- In the 1993 matchup, Detroit edged New England 19-16 in overtime. The win gave the Lions their first 2-0 start since 1985, and was clinched on Jason Hanson's fourth field goal of the game, a 38-yarder.

### SERIES NOTES

- The Lions-Giants series is one of four series (Aiz, Chi and GB) in franchise history that dates back to 1930, Portsmouth's inaugural season in the NFL.
- The Lions hold a 21-17-1 lead in the series which dates back to a 19-6 New York victory at Detroit November 8, 1930, when the Lions were known as the Portsmouth Spartans.
- Detroit dominated the series initially, claiming eight of the first 12 contests, but the Giants have won eight of the last 12 decisions.
- The Giants were the opposition in the Lions' first-ever game in Detroit. The Lions won the game 9-0 September 23, 1934 at University of Detroit Stadium.
- The Lions and the Giants played the NFL's last scoreless tie. The 0-0 game was played November 7, 1943 at New York.
- Detroit claimed its first NFL championship with a 26-7 win over the defending champion Giants December 15, 1935. The contest marked the only time the two

- teams have met in postseason action.
- In the Lions' 28-13 win over the Giants October 24, 2004, QB Joey Harrington had the efficient outing of his career, completing 18-of-22 passes to set single-game career highs with an 81.2 completion percentage and a 140.5 quarterback rating. He finished the game with 230 yards passing, including four completions of at least 20 yards and seven completions of at least 18 yards to six different receivers.
- In 2000, the Lions jumped out to a 21-0 halftime lead en route to a 31-21 win at Giants Stadium November 19. The first half was highlighted by two Charlie Batch touchdown passes and a blocked punt by WR Larry Foster, which was the first by the Lions since Bennie Blades blocked a punt December 13, 1992 vs. Cleveland.
- This year's regular season match-up between the two teams will mark Detroit's first trip to the Giants' new stadium.

**SERIES NOTES**

- Detroit leads the all-time series 6-5, which dates back to a 37-20 Detroit victory November 23, 1972 at Tiger Stadium. Detroit has played seven of its 10 contests at home against the Jets with a record of 4-3 (1-0 at Tiger Stadium, 3-2 at the Silverdome and 0-1 at Ford Field).
- The Lions completed their first undefeated home season since 1962 with a 34-20 win over the Jets December 8, 1991.
- Detroit claimed a memorable 13-10 decision over the Jets at the Silverdome December 21, 1997 in a game in which the winner qualified for the playoffs and the loser was eliminated. RB Barry Sanders' 184 yards rushing in the contest made him only the

third player in NFL history to eclipse the 2,000-yard mark in a season. The noise was so boisterous at the sold-out Silverdome near the end of the game that players reported the turf actually vibrating beneath their feet. Unfortunately, Lions' LB Reggie Brown suffered a career-ending neck injury in the fourth quarter of the game. The Lions defeated the Jets 10-7 at the Meadowlands December 17, 2000 in the Lions' final road game of the season. Detroit's lone touchdown was a fumble recovery in the endzone by G Jeff Hartings.

➤ In 2010, the Jets will play the Lions at Ford Field for only the second time. New York's last trip to Detroit was in 2002, the Lions inaugural season at Ford Field.

SERIES NOTES

- In the first meeting between the two teams, the Lions defeated the Raiders 28-14 on Thanksgiving Day November 26, 1970. The win was the second of five consecutive wins by the Lions that year, which propelled them to their first playoff berth since 1957. In that contest between the two clubs, the Lions scored 14 fourth quarter points on the way to knocking off the Raiders. Mel Farr rushed 21 times for 121 yards, rallying Detroit from a 14-0 deficit.
- The Lions shut out the defending Super Bowl champion Oakland Raiders 16-0 September 27, 1981. Detroit was the first team to shut out the Raiders in 15 years, as the Lions limited Oakland to only 131 yards in total offense. The Lions collected six sacks and Jimmy Allen intercepted his fourth pass in as many games. Billy Sims earned his second consecutive 100-yard rushing game (133 yards) while Dexter Bussey passed Altie Taylor as the club's all-time leading rusher. Also in the game, Detroit QB Gary Danielson fractured his left wrist—an injury that would sideline him for 10 weeks.
- In the Monday Night meeting December 10, 1990, there were five former Heisman Trophy winners on the field—Barry Sanders and Andre Ware for Detroit, and Marcus Allen, Tim Brown and Bo Jackson for the Raiders. Sanders finished the game with 176 yards rushing on 25 carries, while Jackson led the Raiders with 129 yards rushing on 18 carries.
- The Lions defeated the defending AFC Champion Oakland Raiders on November 2, 2003 at Ford Field, the Raiders' first trip to Detroit since 1990.
- Detroit opened the 2007 season on the road at Oakland and came away with 36-21 victory. DE Dewayne White was named NFC Defensive Player of the Week for his Week 1 performance at Oakland as the veteran defensive end was a force in the fourth quarter when Detroit scored 16 unanswered points in the final 10:45 to come away with the victory. After the Lions took a 26-21 lead in the fourth quarter, White intercepted a pass on the ensuing Raiders drive and returned it 28 yards to set up a field goal to increase Detroit's lead to eight. On the first play of the next Oakland possession, White sacked the Raiders quarterback and forced a fumble. Another Oakland player recovered the ball and White forced another fumble, which was recovered by teammate DE Kalimba Edwards. The play helped set up a touchdown that put the game out of reach.
- Kitna's 289 yards in the '07 opener at Oakland were the second-passing yards by a Lions quarterback on opening day in franchise history, only behind Bobby Layne's 364 yards September 27, 1953 against Pittsburgh.

SERIES NOTES

- Detroit claimed victories in the first four games of the series, with each being a shutout. The Lions also won seven of the first eight meetings.
- In 25 regular season meetings, the Lions have scored more than 30 points only twice (35 points in both 1951 and 1955). Philadelphia, however, has also been limited to only three 30-point outbursts (45 points in 1948, 44 points in 1979), and 30 points September 26, 2004).
- The Lions' last tie in a regular season game was against the Eagles (23-23) November 4, 1984 at the Silverdome, and was the only tie in Silverdome history.
- In 2004, Philadelphia visited the Motor City for the first time since November 4, 1984.
- With nine receptions for 135 yards vs. Philadelphia September 26, 2004, WR Roy Williams became the first Detroit rookie receiver to top 100 yards receiving since Larry Foster caught eight passes for 106 yards at Minnesota (11/30/00). It marked Williams' first 100-yard receiving game of his career.
- In Detroit's last win over Philadelphia, the Lions' defense sacked Eagles QB Randall Cunningham 11 times to tie a club record in a 13-11 win November 6, 1986. Seven Lions' defenders recorded sacks, including four by Keith Ferguson and 2.5 by William Gay. A 72-yard scoring strike from Joe Ferguson-to-Jeff Chadwick in the first quarter turned out to be the only touchdown of the game.
- In the Lions first visit to Lincoln Financial Field September 23, 2007 to take on the Eagles, QB Jon Kitna set a franchise record with 446 passing yards. Kitna connected with WR Roy Williams for a 91-yard touchdown for the longest pass play in the NFL for 2007. The 91-yard pass play were career highs for both Kitna and Williams. With 204 receiving yards, Williams' career high was the third-highest tally by a receiver in Lions history.

**SERIES NOTES**

- The Detroit Lions played in Heinz Field's first game during the preseason (August, 25, 2001). In 2002, the Lions returned the favor as the Steelers played in the first game at Ford Field (August 24, 2002), which the Steelers won 34-22.
- In the first meeting between the two teams, the Lions beat the Steelers 40-7 behind a then-NFL record 426 yards rushing. Ernie Caddell scored three touchdowns in one of the more memorable games of the Lions' first season in Detroit.
- The Lions won the first four meetings of the series and were 12-4-1 through the first 17 contests, although the Steelers have come back to claim eight of the last 10 meetings.
- In the 1952 meeting, Bob Hoernschmeyer ran for 107 yards and the Lions rolled up 321 yards rushing. The Detroit defense held Pittsburgh to minus-3 yards rushing in a 31-6 win in Pittsburgh.
- Detroit passed for a then-club-record 375 yards (364 by Bobby Layne) in a 38-21 Lions' victory September 27, 1953.
- Detroit's 45-3 win over the Steelers November 24, 1983 stands as the Lions' largest winning margin in the history of the team's Thanksgiving Day series (second-largest in team history).
- The Lions also defeated Pittsburgh 19-16 in overtime November 26, 1998 in the second Thanksgiving Day matchup between the two teams. Jason Hanson made his fourth field goal of the game (42-yarder) 2:52 into the extra period. The game marked the first Thanksgiving overtime contest since 1980, and also was highlighted by a gutsy performance by Pittsburgh native, Charlie Batch, who completed 16-of-23 passes for 236 yards and a touchdown despite leaving the game for a time with a strained neck. The game will be remembered by a strange coin toss to begin the overtime period. Detroit and Pittsburgh faced off during the regular season for first time at Ford Field in 2009. The Steelers evened the all-time series with a 28-20 victory.

**SERIES NOTES**

- 2001 marked the final year of the Lions and the Buccaneers annual home-and-home divisional series between the two teams. As the NFL re-aligned in 2002 with the addition of the Houston Texans, Detroit was grouped in the AFC North division (Chicago, Green Bay and Minnesota) and Tampa Bay shifted to the NFC South division (Atlanta, Carolina and New Orleans). The two teams, however, did play December 15, 2002 at Ford Field in the 49<sup>th</sup> game in the series' history. The Buccaneers won the game 23-20.
- The Lions are 1-2 at Ford Field, 14-9 in the Silverdome, and 12-14 in Tampa (regular season) vs. the Buccaneers.
- The series went 23 games during 1983-94 without either team winning more than two games in a row. The streak ended when Detroit claimed five wins in a row, starting November 13, 1994 and continuing with season sweeps over the Bucs in 1995-96. In Detroit's 14-9 win at the Silverdome November 13, 1994, Barry Sanders rushed for a franchise-record 227 yards (then-sixth highest single-game total in NFL history). Sanders gained an NFL record 200 yards in the second half.
- Sanders made more history in Detroit's 27-9 win over the Buccaneers at Houlhan's Stadium October 12, 1997. Sanders became the first player in NFL history to record two runs of 80 yards-or-more in the same game. He broke off an 80-yard scoring play late in the first quarter, and added an 82-yard touchdown romp in the third quarter and finished the day with 215 yards rushing on 24 carries.
- The two clubs met for the only time in the playoffs December 28, 1997, with the Buccaneers coming away with a 20-10 win.

- The Lions and Titans have hooked up 10 times in the regular season with Tennessee holding a 7-3 lead. The Lions were 2-3 in Houston and 1-1 in the Pontiac Silverdome.
- The teams first met October 17, 1971 in Houston, with the Lions coming away with a 31-7 win.
- The Titans have won six of the last eight contests.
- The Titans, then the Oilers, put a damper on Detroit's 1992 Thanksgiving Day festivities with a come-from-behind 24-21 win November 26 over the Lions in the Silverdome. Lorenzo White's 8-yard touchdown scamper with 1:17 remaining sealed the Titans' victory and ended Detroit's three-game Thanksgiving Day win streak.
- On December 10, 1995, QB Scott Mitchell set the Lions' all-time record for touchdown passes in a season. Bobby Layne had previously owned the record (26 in 1951). Mitchell completed the '95 season with 32 touchdown passes.

**SERIES NOTES**

- The Lions have never won a game in the Washington D.C. area--record of 0-21 vs. the Redskins either at RFK Stadium (0-18) or at FedEx Field (0-3). Of those 20 games, three were postseason losses (0-2 at RFK Stadium and 0-1 at FedEx Field).
- The last time the Lions defeated the Redskins away from the Motor City was October 13, 1935, a 17-7 victory at Boston.
- Including postseason games, 11 of the last 14 contests between the two teams have been played away from Detroit--either at RFK Stadium or FedEx Field. The 2004 season marked the Redskins' first ever visit to Ford Field and their first to Detroit since November 9, 1997.
- Lions K Jason Hanson played in his 200th career game as a Lion when the Redskins visited Ford Field in 2004. Hanson's 200th game tied him for first on the Lions' all-time games played list with Wayne Walker (1958-72).
- The Lions own a 3-0 mark against the Redskins when they played in Boston, including two victories in 1935 en route to the NFL Championship.

- Detroit's 33-17 victory over the Redskins December 5, 1999 at the Silverdome snapped a 16-game regular season losing streak against Washington that dated back to a 14-10 Lions' win at Tiger Stadium October 3, 1965. However, the Redskins however rebounded when they defeated the Lions 27-13 January 8, 2000 in a 1999 Wild Card contest at FedEx Field.
- Detroit's win over Washington, 15-10, on September 10, 2000 at the Silverdome, the first time since the 1935 season was the Lions won back-to-back regular games against the Redskins. Washington was located in Boston when Detroit won both games played during the '35 season (11-7 at Boston and 14-0 at Detroit).
- In the last meeting against the Redskins (9/27/09), Lions rookie QB Matthew Stafford threw for 241 yards and one touchdown and was 21-of-36 (58.3 pct.) with no interceptions for his first win as an NFL starting quarterback.
- Washington will return to Detroit in 2010 marking the first time in the series' history that the Redskins will play in Detroit three consecutive seasons. The Lions played at Washington three consecutive season from 1983-85.

## A BRIEF HISTORY OF THE LIONS

Detroit welcomed the Lions in 1934, but it was not the area's first look at professional football. In 1920, the Detroit Herald's were a charter member of the American Professional Football Association, which was the original name of the present NFL, but the club folded after two years. The Detroit Panthers appeared in 1925, but also folded after two seasons. In 1928, the Detroit Wolverines were formed, but they failed after just one year.

In 1930, the then-10-year-old National Football League added a franchise from Portsmouth, Ohio, called the Spartans. After four seasons, the team was purchased for \$7,952.08 by a group headed by Detroit radio executive George A. Richards and moved to the Motor City.

Playing in the University of Detroit Stadium before crowds that averaged 16,000, the new Detroit Lions won the NFL Championship in only their second year (1935). Under the leadership of Coach "Potsy" Clark and stars like Hall of Famer "Dutch" Clark, Ernie Caddel, George Christensen, "Ace" Gutowsky, Glenn Presnell and "Ox" Emerson, the early Lions established pro football in Detroit.

In 1940, Chicagoan Fred Mandel bought the club. Lions' stars of that era included Hall of Famers Bill Dudley and Alex Wojciechowicz, John Green, Byron "Whizzer" White, Frank Sinkwich and "Camp" Wilson. The team was sold eight years later to a group of local businessmen under the leadership of Edwin J. Anderson. The Detroit syndicate controlled the club until 1964, when William Clay Ford became the sole owner for a price of \$4.5 million.

The Lions dominated the NFL in the 1950s with four division titles and three league championships. Under the direction of head coach Buddy Parker, the team won back-to-back world crowns in 1952-53, defeating Cleveland on both occasions. Stars of those powerful teams were Hall of Famers Bobby Layne, Jack Christensen, Doak Walker and Lou Creekmur, as well as Les Bingaman, Cloyce Box, Leon Hart and Bob Hoernschemeyer. The Detroit-Cleveland battles of the era were classic confrontations between two giants of the blossoming NFL.

Since their last title in 1957 under the coaching of George Wilson, the Lions have continued searching for the league's top spot. Such performers as Joe Schmidt, Yale Lary, Dick "Night Train" Lane, John Henry Johnson and Lem Barney have been elected to the Hall of Fame. Outstanding players such as Wayne Walker, Mike Lucci, Nick Pietrosante, Roger Brown, Terry Barr, Mel Farr, Charlie Sanders, Dexter Bussey, Billy Sims and Doug English have also taken their places in the annals of pro football in Detroit.

In 1967, Schmidt began the first of six seasons as head coach of the Lions. His 1970 team made the playoffs, (first postseason trip since '57) but lost in the first round to Dallas by the baseball-like score of 5-0.

Prior to the 1975 season, the Lions moved into a new, domed stadium in Pontiac, Mich., a suburb located 30 miles north of Detroit. The Silverdome was at one time the world's largest air-supported domed structure and seated over 80,000 spectators under a fiberglass roof.

Monte Clark took control of all football operations as head coach in 1978. Under Clark's direction, the Lions narrowly missed playoff berths in 1980-81, before qualifying in 1982 — the Lions' first playoff appearance since 1970. Detroit captured the NFC Central Division crown in 1983, but stumbled in the first round of the playoffs with a 24-23 loss at San Francisco.

Darryl Rogers took over for Clark in 1985 but was replaced on an interim basis by his defensive coordinator Wayne Fontes in November 1988 after Rogers' teams had posted a combined 18-40 record. Fontes was officially named the franchise's 18th head coach on December 22, 1988.

The Lions "Restored the Roar" in 1991, winning a franchise-record 12 regular season games. Riding a tide of emotion after guard Mike Uteley's paralyzing neck injury, Detroit defeated Dallas, 38-6, in the Lions' first Silverdome playoff contest. The victory gave the Lions a berth in the NFC Championship Game, where Detroit fell to the eventual Super Bowl Champion Washington Redskins.

The Lions finished 10-6 in 1993 en route to capturing the NFC Central Division title, and earned a Wild Card playoff bid in 1994. The 1995 Lions featured the NFL's top-rated offense and won their final seven games to earn a third straight playoff berth. Herman Moore set an NFL record with 123 catches, and he and Brett Perriman became the first teammates to each total over 100 catches in the same season. The receiver tandem also set the NFL record for most receiving yards in a season. Quarterback Scott Mitchell set team passing records for yards (4,338), completions (346) and touchdowns (32).

In 1996, running back Barry Sanders captured his third NFL rushing title with a dramatic 175-yard outburst on the final Monday night of the season in San Francisco. The Lions, however, finished a disappointing 5-11 in '96 and following the season, Fontes was

### GRIDIRON HEROES...

As the new pro football franchise took root in Detroit, owner G.A. Richards called for an original fight song to be written for the Lions. In the late 1930s, Wayne State University director of bands Graham T. Overgard, who was also the Lions' director of entertainment, penned the lyrics and music for "Gridiron Heroes—The Victory Song of the Detroit Lions." The sound of "Gridiron Heroes" has become one of the NFL's oldest and most popular songs today, and it is still played after each Lions' score.

*(Verse) Hail the colors Blue and Silver let them wave.  
Sing the song and cheer the Gridiron Heroes brave,  
Fighting for fame, winning the game.  
Dashing to victory as they go.  
(Chorus) Forward down the field,  
A charging team that will not yield.  
And when the Blue and Silver wave,  
Stand and cheer the brave.  
Rah, Rah, Rah!  
Go hard win the game.  
With honor you will keep your fame  
Down the field and gain, A Lion victory!*

On January 16, 2009, Lions President Tom Lewand and General Manager Martin Mayhew introduced the Lions new head coach, Jim Schwartz, at a press conference held at Ford Field.

replaced as head coach by former San Diego Chargers' head coach, Bobby Ross. Fontes, who was the head coach for more than eight full seasons, finished his career as the team's all-time leader among head coaches in both wins (67) and games coached (138).

Ross was named the 19th head coach in team history January 13, 1997, and led the club back to the playoffs in his inaugural year at the helm with a 9-7 record. That season, Sanders, who was inducted into the Hall of Fame in August 2004, continued his storied career by becoming only the third player in league history to record 2,000 yards rushing in a single-season (2,053) and he reeled off an NFL record 14 consecutive 100-yard outings to finish the season.

The Lions closed out the 1990s reaching the playoffs for the sixth time in the 10-year span, which is a franchise record for playoff appearances during a decade. Detroit's playoff berth in 1999 marked the second time in Ross' first three years as head coach that he led the Lions into the postseason. The last Lions' head coach to accomplish that feat was Buddy Parker in 1952-53 during his second and third seasons at the helm.

After playing nine games into the 2000 season and compiling a 5-4 record, Ross abruptly resigned as head coach November 6 and was immediately replaced by Gary Moeller. Moeller guided the team to a 4-3 record over the last seven games, but narrowly missed the playoffs with a loss to the Chicago Bears in the season finale. Following the season, William Clay Ford named Matt Millen president and CEO, and he assumed control over team operations. On January 25, 2001 Gary Moeller was replaced as head coach by former San Francisco 49ers offensive coordinator Marty Mornhinweg.

On April 1, 2002, Detroit relocated the team's day-to-day operations into the new \$36 million Headquarters and Training Facility in Allen Park. The new complex features outdoor and indoor practice fields, spacious training and meeting rooms and even the team's own broadcast studio.

A new era in Lions' history dawned as Ford Field, the team's \$500 million downtown Detroit stadium, opened its doors in August 2002. The 65,000-seat stadium sparkled as its retro and innovative features glistened in the national spotlight as the premiere sports and entertainment complex. The Lions played the first game at Ford Field August 24, 2002 in a preseason tilt against the Pittsburgh Steelers. The inaugural regular season game was played between the Lions and the Green Bay Packers September 22, 2002.

In January 2003, Mornhinweg was fired after two seasons and former San Francisco 49ers Head Coach Steve Mariucci was tabbed the new Lions' head coach February 4.

For the first time since the Lions placed the Leaping Lion logo on the players' helmets in 1961, Detroit announced a major addition to the team's uniform on April 23, 2003. The Lions' classic uniform now features black trim on the logo, jerseys and pants, along with black shoes and black facemasks. In April 2005, the team introduced an alternate black jersey that would be worn through 2007.

On November 28, 2005, Steve Mariucci was relieved of his duties as head coach and defensive coordinator

Dick Jauron was named interim head coach for the remaining five games.

In 2006, the Lions hired Rod Marinelli as the team's 24th head coach, a position he would hold through 2008.

In 2008, the Lions commemorated the franchise's 75th season in Detroit. Just a handful of NFL teams have been around as long as the Lions, a franchise that spans several generations of fans over the years. Detroit has called three different stadiums home with nearly 1,400 players seeing action on a given gameday and numerous coaches strolling the sideline. That history is rich with great players who have donned the uniform -- the Lions are one of only nine teams to have at least 18 Pro Football Hall of Fame players don their respective uniforms -- and with traditions like the "Honolulu Blue and Silver", the leaping Lion logo, the "Roaring 20's" and the team's annual Thanksgiving Tradition.

With 76 years now in the rear-view mirror, Detroit is embarking on a new era of Lions football. In 2009, for the first time in team history, the team entered the season with a new president, Tom Lewand, a new general manager, Martin Mayhew, and a new head coach, Jim Schwartz, hired January 16, 2009. Together, they are the driving force for the team's success on and off the field. In that same year, the Lions introduced a new logo and new brand, along with new team uniforms that features the first significant change to the Lions logo since it was introduced in 1961.

In 2010, the franchise is led by ownership determined to deliver a winning team to the fans of Detroit, and the Lions are moving forward in this endeavor with strong leadership and a resolve to build a winner.

### NAMING THE LIONS

When the team moved to Detroit from Portsmouth, Ohio in 1934, the organization settled on the name that would be uttered in Detroit and all around the league to this very day. After deciding to be known as the Lions, (staying consistent with the jungle cat image of the city's baseball team, the Tigers) two Lion cubs were given to the team by John Millen of the Detroit Zoo. Their names were "Grid" and "Iron." They accompanied the team to all of their games. The previous Detroit professional football teams were known as the Heralds, Panthers and the Wolverines.

GRID AND IRON, DETROIT LIONS MASCOTS

Only a handful of great teams over the years in the NFL can claim the title of *dynasty*. One of those great teams were the Detroit Lions in the 1950s when the franchise captured world championships three times in a six-year span. Winning three championships in six years has occurred only nine times by eight different teams in the history of the NFL. Detroit won back-to-back titles in 1952 and 1953 and became the third team since the beginning of NFL Championship games in 1933 to win championships in consecutive years. Overall since '33, back-to-back titles has occurred just 15 times. Including 1954, the Lions appeared in the NFL title game four times in a six-year period. Above are images of the game program covers from the team's championship seasons in the 1950s.

## LIONS THANKSGIVING DAY TRADITION

It was, legend says, a typically colorful, probably chilly, November day in 1622 that Pilgrims and Native Americans celebrated the new world's bounty with a sumptuous feast.

They sat together at Plymouth Plantation (they spelled it Plimouth) in Massachusetts, gave thanks for the goodness set before them, then dined on pumpkin pie, sweet potatoes, maize, cranberry sauce, turkey and who knows what else.

Actually, fish was just as predominant a staple. And history books say pumpkin pie really debuted a year later. But regardless of the accuracy of the details, that's how Thanksgiving Day is seen by Americans -- except Detroiters.

They may have most of the same images as everyone else, but with a new twist that began in 1934.

That's when Detroiters and their outstate Michigan compatriots found themselves at the dawn of an unplanned behavior modification, courtesy of George A. "Dick" Richards, owner of the city's new entry in the National Football League: The Detroit Lions.

Larry Paladino, *Lions Pride*, 1993

Four generations of Detroiters have been a proud part of the American celebration of Thanksgiving. The relationship between Detroit and Thanksgiving dates back to 1934 when owner G.A. Richards scheduled a holiday contest between his first-year Lions and the Chicago Bears. Some 76 years later, fans throughout Michigan have transformed an annual holiday event into the single greatest tradition in the history of American professional team sports. Indeed, if **football** is America's passion, **Thanksgiving football** is Detroit's passion.

Richards, the first owner of the Detroit Lions, was behind the Lions' inaugural Thanksgiving game in 1934. Richards had purchased the team in June of that year and moved the Lions from Portsmouth, Ohio, to the Motor City. The Lions were the new kids in town and had taken a backseat to the Tigers of baseball. Despite the fact that the Lions had lost just one game prior to the Thanksgiving Day game that season, the largest crowd that season had been just 15,000.

The opponent for the Lions' first Thanksgiving Day game November 29, 1934 was the undefeated, defending World Champion Chicago Bears of George Halas and the rising star of that era, fullback Bronko Nagurski. The game would determine the champion of the Western Division. Richards had convinced the NBC Radio Network to carry the game coast-to-coast (94 stations), and additionally, an estimated 26,000 jammed into University of Detroit Stadium while thousands of disappointed fans were turned away.

In the inaugural game, the Bears won 19-16 and a classic was born. Since '34, the Lions have played 70 Thanksgiving Day games and Detroit has a 33-35-2 in the series. A total of 3,922,027 fans have witnessed Thanksgiving Day games in Detroit. The Lions Thanksgiving Day classic has been sold out in each of the last 15 seasons (since 1994).

The Detroit Lions 71st Thanksgiving Day Classic will feature the Lions hosting the New England Patriots Thursday, November 25. This year's game between the Lions and the Patriots is the third meeting between the teams since 2000 (third overall) on Thanksgiving. In the past 10 years, New England is the Lions second-most common opponent on Thanksgiving behind Green Bay.

The Thanksgiving Day Lions-Patriots series is tied at 1-1. The Lions claimed victory in the first Thanksgiving Day meeting between the clubs with a 34-9 win in 2000 at the Pontiac Silverdome. In 2002, the Patriots returned to Detroit on Thanksgiving and captured a 20-12 victory over the Lions at Ford Field.

### THANKSGIVING DAY FACTS

- The series began with a 19-16 loss to the Chicago Bears on November 29, 1934.

- A total of 70 games have been played with the Lions owning a 33-35-2 record in the annual holiday classic.
- More than 3.9 million fans have witnessed the Lions' 70 Thanksgiving Day games.
- The Lions have played 23 different teams since the first Thanksgiving Day game. The most common opponent has been the Packers, who the Lions played in 2009 for the 19th time in the Thanksgiving series. Their second most common opponent is the Chicago Bears (15 times).
- The two highest scoring games were a 44-40 Packers' win in 1986 and a 52-35 Detroit romp over Green Bay in 1951.
- The lowest scoring game was a 12-0 Philadelphia win in the 1968 "Mud Bowl."
- 10 games in the Thanksgiving Day series has a game been decided by three points or less, with the Lions' record standing at 4-4-2 in those meetings.
- The most lopsided game was a 45-3 Lions win over Pittsburgh in 1983.
- Seven shutouts have been recorded, but only one by the Lions (20-0 over the Bears in 1979).
- Two Thanksgiving Day games have gone into overtime. The first came in 1980 when the Bears' David Williams returned the opening kickoff of OT for a 95-yard touchdown. At the time, the game marked the shortest overtime game in NFL history (21 seconds). The most recent overtime game occurred in 1998 when the Lions defeated the Steelers 19-16 on a 42-yard Jason Hanson field goal in a game that will be remembered for the controversial coin toss before overtime began.

## DETROIT LIONS UNIFORM HISTORY

**1934-1947:** The first uniform donned by the Detroit Lions included a blue jersey with gleaming silver numerals, silver pants and a silver helmet. The shoes were black. The shade of blue used for the jersey became known as 'Honolulu' blue.

**1948:** Alvin 'Bo' McMillin joined the Lions after having success as a college coach at Indiana University. Soon after his arrival, McMillin changed the colors of the Lions' uniforms with the new colors resembling those of his Hoosier teams. The organization re-

retained Honolulu blue and silver as their official colors

- The jersey was scarlet with white numbers and the pants were white with a thin black stripe between two thin scarlet stripes. The helmets were black. All the players wore leather helmets that season due to the league's ban on plastic helmets.
- The team had a second, all-black uniform, which would be worn only for certain important games that McMillin particularly wished to win. The jersey was black with white numbers and the pants were black with a thin scarlet stripe between two thin white stripes.
- The two uniform sets ended up being worn in four different combinations (scarlet/white; black/black; scarlet/black; black/white).

**1949:** The Lions returned to wearing their Honolulu blue and silver uniforms at home but continued to wear combinations of the scarlet and white uniforms and the all-black uniforms on the road. The team changed the color of their helmet to blue and some players went back to wearing plastic helmets after the NFL lifted the ban on plastic headgear from the previous season.

**1950-55:** After wearing five different combinations of scarlet, white, black, silver and Honolulu blue in the previous two seasons, the Lions went back to wearing the traditional Honolulu blue and silver uniforms at home and on the road. For most of the 1950 season the team wore blue helmets but went back to wearing silver helmets for the 1951 season. During the early '50's, the NFL did not allow the Lions to wear silver helmets for night games because of their resemblance to the white ball under the night lights. They spray-painted their helmets blue for night games. Also, in 1951, the Lions wore the Detroit 250th Anniversary patch on their left sleeve. The patch was also worn by the Red Wings and Tigers.

**1956:** This was the first season that the Lions added their uniform numbers to the arm sleeves. Some players, like Lions Hall of Fame LT Lou Creekmur, were unhappy with the change – claiming that it made it harder to get away with holding.

**1957-60:** The Lions began wearing separate colored uniforms on the road on a permanent basis in 1957. The jersey was white with three blue stripes, one thick between two thin stripes, on the sleeves. The numbers were blue and the helmet and pants remained silver.

- They wore a white jersey on at least one other occasion in a previous season. On October 24, 1954, the Lions wore a similar white uniform in a game at San Francisco which they lost, 37-31, to the 49ers.

- **1961-67:** In 1961, William Clay Ford's first season as the team's president, there were some significant uniform changes. The helmet remained silver with a grey facemask but now had the leaping-lion logo as well as two vertical blue stripes running from the back to the front. The pants also had two vertical blue stripes. Three silver stripes, one thick between two thin, were added to the arm sleeves of the home jersey. The away jersey remained the same.
- During the mid-60s, many players cut off part of the sleeves-giving appearance of only one or two stripes.

**1968-69:** 1968 was the first year the Lions had a white stripe between the two blue stripes on the helmet. The Lions and the rest of the league wore the NFL 50th Anniversary patch on their left shoulder in 1969.

- **1970-71:** Last names were added to the back of the players' jerseys in silver lettering and white trim was added to the Leaping Lion logo on the helmet in 1970.
- For the second half of the 1971 season, the Lions wore a black band, which was sewn over the thick stripe on the left sleeve on their home and away jerseys, in honor of wide receiver Chuck Hughes. Hughes died of a heart attack with 62 seconds remaining in the fourth quarter against the Chicago Bears on October 24, 1971.

- **1972:** The Honolulu blue home jerseys had white trim on the silver numerals and the white jerseys had silver trim on blue numerals for the first time in 1972. It was also the first year that there was a white, vertical stripe between the two blue stripes on the pants.
- The Lions tweaked the striping on the arm-sleeves for that season as well. The home jerseys had the one thick silver stripe between two thin white stripes and the away jersey had the one thick blue stripe between two thin silver stripes.

- **1973-75:** Detroit changed back to the three silver stripes, one thick between two thin, on the sleeves of the Honolulu blue home jersey except now they had white trim. The away white jersey had three blue stripes, one thick between two thin, and they had silver trim.
- For the 1974 season, the Lions wore a black band, which was sewn over the thick stripe on the left sleeve of their home and away jerseys, in honor of Head Coach Don McCafferty who died of a heart attack during training camp.
- 1974 was also the season that the Lions started wearing white shoes.

**1976-79:** In 1976, the players' numbers were added to the back of the helmet.

**1980-81:** The Lions changed the dull silver stripes and trimming on their uniforms to a shimmering silver glitter. This only lasted two seasons because of complaints by other teams about the glare.

- **1982-97:** The Lions changed the color of the numbers on their home jerseys, making them white with silver trim.

- **1983:** The Lions wore a 50th Anniversary patch on their left shoulder. The Lions changed their facemask from silver/grey to Honolulu blue.
- **1991:** The team wore a patch honoring Russ Thomas, a former player and General Manager for the Lions, who had recently passed away. For their final seven games (five regular season, two postseason), each player had a white circle decal with a blue number '60,' on the back right side of the helmet, in honor of RG Mike Utley. Utley suffered a spinal cord injury in a game against the Los Angeles Rams on November 17, 1991. The small NFL shield was added to the 'V' of the neck.
- **1992:** They wore a black circle decal with a white number '65,' on the back right side of the helmet, in honor of LG Eric Andolsek, who was killed a few months prior to the season.
- **1993:** The Lions wore a 60th Anniversary patch on their left shoulder.
- **1994:** The Lions wore throwback jerseys for the 1994 season while the NFL was celebrating their 75th anniversary. This version of the uniform was intended to replicate the jersey worn by the Lions in 1935, which was the season that the team won their first world championship. Several players wore a black circle decal with a white number '50,' on the back right side of the helmet in honor of former Lions' LB Toby Coston.

**1998:** In what turned out to be Barry Sanders final season, the Lions changed their look on the road, wearing blue pants with a white stripe between two silver stripes.

**1999:** The Lions returned to wearing silver pants (with white stripe between two blue stripes) on the road.

**2000-02:** In 2000, the Lions moved the numbers that were on the sleeves up to the shoulders.

- The Lions wore a patch commemorating the first game at Ford Field September 22, 2002 against the Green Bay Packers.

**2003:** The home jersey has a thick silver stripe between two thin blue stripes with white trim and two thin black stripes. The numbers are white with silver trim and outside black trim. The away jersey has a thick blue stripe between two thin silver stripes with white trim and two thin black stripes. The numbers on the away jersey are blue with silver trim and outside black trim.

The helmet has one vertical white stripe between two blue stripes and two thin black stripes on the outside. The Leaping Lion has white trim and outside black trim and the facemask is black.

The pants have one vertical thick white stripe between two blue stripes and two thin black stripes.

**2005:** The Lions introduced a new black alternate jersey featuring Honolulu Blue numbers with silver and white trim. The alternate jersey can be worn in as many as two regular season games and one preseason game.

**2008:** To commemorate the Detroit Lions 75th Season, the team wore a patch on the home and away jerseys. Additionally, the Lions wore the franchise's classic "throwback" uniform sans 75th Season patch for two games.

## LIONS NEW COMPREHENSIVE BRAND

On April 20, 2009, the Detroit Lions unveiled a new comprehensive brand that includes a new logo and new uniforms. As part of the new comprehensive brand, the Lions also introduced a new logotype and a new proprietary font, "NFL Lions." The new logotype is additional imagery that presents the Lions brand and will be featured in such prominent places as the endzone marking at Ford Field. The classic Honolulu blue, white and black colors remain unchanged.

### Home Honolulu Blue Jerseys

- Numerals were customized specifically for the Lions uniform. They are Honolulu Blue, trimmed in silver and black.
- Above the new numerals is the new Lions logotype.
- On the collar, there are three trim lines of equal width, with two black trim lines outside a silver trim line.
- The sleeves are a new knit sleeve that features a wide silver trim, inside two smaller white trims and those all inside two black trims of equal width as the white trim. The new material is improved and more flexible for players. The trim is part of the knit-sleeve material, which was changed from the previous silk-screened sleeve.
- Numerals remain on the shoulders but are now in the customized Lions jersey numerals.
- Players' nameplates on the back of the uniform have slightly modified block letters from the previous block letter names on the back of the uniform.

### Road White Jerseys

- The road jerseys are the traditional "road whites," with blue numerals trimmed in silver and black.
- On the road jerseys, the collar is in the same black and silver trim pattern as the home uniforms.
- Sleeves are of the same new knit-sleeve material that are on the new home uniforms. The trim on the sleeves includes a wide Honolulu blue trim, inside two smaller silver trims and those are all inside two black trims of equal width as the white trim.

### Helmet

- The helmet now features the new logo on each side. It is the most significant change since the Lions logo was first placed on the team's helmet in 1961.
- The facemasks will remain black, but the new Lions logotype will be included on the front and the back of the helmet.
- At the top middle of the helmet, the striping pattern has been modified. Instead of a thick white stripe, two Honolulu blue stripes and a very thin black accent stripe, the helmet striping pattern is now a 5/8-inch Honolulu blue stripe, two 3/16-inch white stripes and two 3/16-inch black stripes. The striping pattern is the same striping pattern as the team's game pants.

### Pants and Game Socks

- The game pants will remain in the team's traditional silver. Like the striping pattern on the helmet, the pants vertical trim on the side of the legs are now a thick Honolulu blue stripe inside smaller white stripes, which are all inside black stripes that are the same width as the white stripes.
- The game socks, which are the same for the home and road uniforms, now have a 5/8-inch black stripe on the calf midline. The top half is Honolulu blue and the bottom half is white.

### LIONS MOVE UNDER MAYHEW

From the time Martin Mayhew assumed the role of general manager in 2008 (officially named to position December 29, 2008), the Lions have been utilizing every resource to improve the team. Indicative of this aggressiveness has occurred via trades with other teams. The club has made 15 trades for personnel or draft picks in the first 20 months (October 2008-May 2010) of Mayhew's time as the team's general manager.

- > The following veterans on the Lions' current roster were acquired via trade: QB Shaun Hill, CB Chris Houston, WR Dennis Northcutt, LB Julian Peterson, TE Tony Scheffler, S Ko Simpson, G Rob Sims and DT Corey Williams.
- > Projected starters among the group veterans acquired via trade could include Houston, Peterson, Scheffler, Sims and Williams.
- > Two of the biggest trades the Lions made since October 2008 involved the team acquiring a second first round draft choice in the 2009 and 2010 NFL Drafts. It marked the first time in team history that the Lions had two picks in the first round in back-to-back drafts. On October 14, 2008, the Lions consummated a trade with the Dallas Cowboys (WR Roy Williams) that gave the team the 20th overall pick on the first round of the 2009 NFL Draft. On the first day of the 2010 NFL Draft, the Lions exchanged picks with the Minnesota Vikings to move back into the first round by acquiring the 30th pick of the draft. In 2009, the Lions drafted TE Brandon Pettigrew and in 2010 they selected RB Jahvid Best.
- > Another example of Mayhew's diligence occurred at the end of the team's 2009 training camp when the Lions claimed QB Kevin O'Connell off waivers on September 1, 2009 and flipped that transaction into a trade with the New York Jets for a 2011 seventh round choice. With two picks in the seventh round of the 2011 draft, the Lions used the extra pick to acquire QB Shaun Hill from the San Francisco 49ers. The veteran quarterback is projected as the team's backup quarterback in 2010.

## DETROIT LIONS CHARITIES

Detroit Lions Charities (DLC) awarded 88 grants totaling \$345,829.13 to non-profit agencies in 2009-2010. This year's awards bring DLC, the football organization's philanthropic foundation, to nearly \$5.6 million in total donations in its 20-year history.

DLC was established in 1990 to assist all age groups in a diverse range of needs and programs in Michigan. Particular emphasis is placed on programs that benefit the children of Detroit.

"Detroit Lions Charities is honored and pleased to partner with so many outstanding charitable organizations in making the most positive impact we can in the community. These organizations have proven track records in making a difference especially during these difficult times when needs are so great," said Lions President Tom Lewand.

### THINK DETROIT PAL FOOTBALL LEAGUE

For the 12th consecutive year, a \$60,000 grant will sponsor the Think Detroit PAL Football League. The league involves 3,200 Detroit youngsters, ages eight through 14, playing in one of the nation's largest tackle football leagues. The Think Detroit PAL season will conclude with its annual championships to be held November 13th and hosted by the Lions at Ford Field.

*"Detroit Lions Charities is honored and pleased to partner with so many outstanding charitable organizations in making the most positive impact we can in the community. These organizations have proven track records in making a difference especially during these difficult times when needs are so great." - Lions President Tom Lewand.*

### DETROIT LIONS ACADEMY

Another major commitment to Detroit was made through a \$50,000 grant to Communities in Schools (CIS) of Detroit for the Detroit Lions Academy. The Academy will celebrate its 10th year this fall and has a student body of 140 sixth, seventh and eighth grade Detroit children who have had difficulties in traditional school settings. The Academy is a cooperative effort between the Lions, Detroit Public Schools and CIS in association with several corporate sponsors including Costco Wholesale and Ford Motor Company.

### LLOYD H. DIEHL BOYS @ GIRLS CLUB

A grant for nearly \$23,000 sponsored fitness equipment in the new "Lions' Den" at the Lloyd H. Diehl Boys @ Girls Club in Detroit. The donation was made in partnership with United Way for Southeastern Michigan and the NFL's Play 60 initiative that encourages children to be active at least 60 minutes each day. Also, in partnership with American Heart Association and Detroit Public Television, DLC awarded a \$10,000 grant to support youth fitness and nutrition programs through a youth summit and public service announcements featuring Lions' receiver Calvin Johnson.

### HIGH SCHOOL COACH OF THE WEEK

The Lions' High School Football Coach of the Week program awarded grants totaling more than \$17,000 to 10 Michigan prep football programs from Detroit to Grand Rapids and from Hudson to Pontiac. Marshall's Rich Hulkow was named High School Coach of the Year. The Lions have donated \$246,000 to Michigan high school football programs through the "Coach of the Week/Year" program since 1997.

### ADDITIONAL GRANTS

A grant for \$20,200 went to the Athletes with Disabilities Network to promote programs for persons with disabilities. This grant among several others came from the proceeds from the annual Lions' Tony Filippis Memorial Bocce Tournament held at Palazzo di Bocce in Orion Township.

DLC and the Lions continue to be major supporters of HAVEN, Oakland County's premier center for the prevention and treatment of domestic violence, sexual assault and child abuse. The annual Detroit Lions Courage House Dinner has raised approximately \$1.6 million for HAVEN since 1994.

DLC and the Lions supported various relief efforts following the earthquake in Haiti including a \$10,000 grant to American Red Cross International Response Fund.

## LIONS IN THE COMMUNITY

**DETROIT LIONS**

### MAKING A POSITIVE IMPACT

The Ford Family's commitment to community service and dedication to making an impact in the lives of the citizens of Michigan is evident by the contributions made all year long by the Detroit Lions players, coaches and staff. The Lions take great pride in supporting those in need and make every effort to lend a helping hand to the community that has always supported the Detroit Lions. The following is just a sample of some of the programs and events the Lions have been involved in during the past year.

##### DONATIONS

The Detroit Lions understand that even though not every DLC grant application can be fulfilled, they have other means of helping out charities throughout Michigan with donated memorabilia for school and community fundraisers, charity auctions and raffles. The Lions filled more than 2,000 donation requests in 2009 and strive to fill all donation requests in the state of Michigan. If you are having a fundraising or charitable event and are interested in a merchandise donation from the Detroit Lions, please go to [www.detroitlions.com](http://www.detroitlions.com) and click on the "Community" tab and then the "Make A Request" tab. All requests should be specific as to the need and the date that the fund-raising event is being held. Requests are required six weeks in advance of the date of the event.

##### PLAYER APPEARANCES

Lions' players spend much of their time away from football getting to know their fans by volunteering at special community events, hospitals, schools and fundraisers throughout the year. During 2009, players and coaches filled more than 250 appearance requests. Organizations requesting a player appearance can go to [www.detroitlions.com](http://www.detroitlions.com) and click on the "Community" tab and then the "Make A Request" tab. Requests should include information about the organization and appearance, where it will be held, what the player would be expected to do and if there is an honorarium available for the player. A six-week advance notice for all appearances is required.

## FORD FIELD

Ford Field, home of the Detroit Lions, is one of the premiere sports and entertainment stadiums in the world, and that fact has been proven over and over again the past few years with such high-profile international events like Super Bowl XL.

Every event at Ford Field impacts the city of Detroit beyond the event itself inside the stadium. For example, by hosting the Super Bowl in Detroit, Ford Field stood as the centerpiece to an over \$260 million economic impact on Metro Detroit.

And none of that would have been made possible without the vision and investment made by Lions Owner and Chairman William Clay Ford and the Ford family to not only construct a fine football stadium but an unrivaled sports and entertainment venue.

### HOME FOR FOOTBALL

More than just a host site for the Super Bowl XL in 2006, few stadiums in the country hold a football schedule as aggressive as Ford Field. Football championships have been held at virtually every level ranging from youth football to the Super Bowl.

### 2009 FALL FOOTBALL EVENTS

- 10 Lions home games, including the Lions 70th Thanksgiving Day Classic
- 13th annual Little Caesar's Pizza Bowl: Ohio vs. Marshall
- MAC Football Championship: Ohio vs. Central Michigan
- MHSAA High School State Championships
- High School Catholic League Championship
- Annual Detroit PAL Football Championships

Ford Field is busy during the summer time as well when the Detroit Lions Youth Football Programs host both summer camps and a high school 7-on-7 tournament at the stadium.

### SUPER BOWL XL RECAP

In 2006, Ford Field and Metro Detroit sparked life in the international sports community converged for the NFL's championship game.

"Much changed for the city of Detroit in 25 years since the Super Bowl was played there last," said former NFL Commissioner Paul Tagliabue. "The energy of the city and the revival of downtown Detroit are evident. Detroit was a wonderful host and the hospitality exceeded expectations.

"From the media center and NFL headquarters at GM World Headquarters and the Renaissance Center, to the NFL Experience at Cobo Center, to the events at some of downtown's historic theatres, to the game at Ford Field, our fans, teams, business partners and media enjoyed their Super Bowl experience in Detroit."

### THE ROAD AHEAD

Football events are not the only major events on the docket at Ford Field. The future is gearing up for several spectacular events that are anchors in an impressive entertainment schedule that continues serving as a centerpiece to growth in Detroit's downtown business district. The following is the Ford Field upcoming events calendar (tentative).

### NCAA CHAMPIONSHIPS

The 2009 NCAA Men's Basketball Final Four reached new heights in 2009 year as Ford Field served as the host site for one of the year's biggest sporting events. It capped off two years of setting new standards for the men's basketball championships, which included attendance records for the Final Four, National Championship and preliminary rounds.

### 2009 MEN'S NCAA FINAL FOUR

The 2009 Men's Basketball Final Four finalized a process that included six years of planning with the ultimate goal of delivering a Final Four like no other, and the NCAA, Ford Field and the city of Detroit did just that. The cornerstone to the championship at Ford Field was the center stadium court and seating configuration that included customized risers and, for the first time, designated student sections. On the court, the Final Four featured Michigan State defeating Connecticut, 82-73, and North Carolina defeating Villanova, 83-69 in the National Semifinals. In the National Championship, North Carolina ousted Michigan State, 89-72, to claim the NCAA title.

The weekend kicked off on a record note as Final Four Friday drew a record crowd with nearly 30,000 in attendance. The games were expected to establish new records, and they delivered as well. The National Semifinals set an all-time record with 72,456 fans attending both games, and the National Championship topped that amount when it drew 72,992. Overall, 145,448 fans attended the Final Four, which also set a new record.

Although the primary focus of Final Four weekend was on the student athletes, the festivities surrounding the event lived up to downtown Detroit. The ancillary events, like Hoops City, also drew record crowds over the five-day period. The NCAA and the Detroit Local Organizing Committee worked together on several community outreaches, which include a new legacy program. In the Detroit community, new early learning and literacy centers were opened. All of this was made possible by the vision of Ford Field and the NCAA to take this event to new levels. In the end, the Final Four generated an estimated \$30-50 million impact on the city of Detroit.

### 2008 MIDWEST REGIONALS

Midwest Regionals, which included the Sweet Sixteen and Elite Eight rounds, were held March 28 and 30 in downtown Detroit for the first time as well, and both sessions set new preliminary rounds attendance records with 57,028 and 57,563 respectively for each session. A record of 114,591 was also established for both sessions. The excitement for the Midwest Regional was evident when 50,000 tickets were sold prior to the announcement of the 65-team tournament. Teams in the regional included Kansas (1 seed), Wisconsin (3), Davidson (10 seed) and Villanova (12 seed). Davidson upset Wisconsin, 73-56, in the first game and Kansas defeated Villanova, 72-57, in the second game. The regional title was claimed by Kansas with a win over Davidson, 59-57, in a game that came down to the final seconds. The previous attendance record for a single Regional game

was 42,519. That mark was set at the Michigan State vs. Kentucky game in St. Louis' Trans World Dome in 1999.

**NCAA HOCKEY**

In 2010 Ford Field elevated collegiate hockey to an all-time level when it hosted the NCAA Men's 2010 Frozen Four. In an area that shows great support annually for college hockey and several Division I programs in the state of Michigan, Ford Field, which was the largest stadium ever to host the Frozen Four, proved the ideal venue to provide access to more fans of college hockey's version of the Final Four than ever before.

For both the National Semifinals and National Championship, the crowds that gathered set new NCAA records and new world records for an indoor hockey game. Overall, approximately 19,000 more fans experienced the Frozen Four weekend than ever before. The first night of the Frozen Four, the National Semifinals, commenced as Ford field established a new attendance record of 34,954. Wisconsin defeated Rochester Institute of Technology 8-1 and Boston College upended Miami 7-1. In the National Championship game, Boston College claimed the NCAA title by shutting out Wisconsin in front of a record crowd of 37,592. In total, 72,546 fans watched the Frozen Four at Ford Field.

**A LOOK AT THE PAST**

On November 16, 1999, a new era in Detroit Lions' history began when the team officially launched the construction of its new downtown Detroit stadium. In 2002, the Lions and the city of Detroit unveiled one of the most impressive sports and entertainment venues ever built.

The Lions' downtown home is an incomparable 65,000-seat facility that includes a giant glass wall, revealing the picturesque Detroit skyline, and the old Hudson's Warehouse, originally built in 1920. The massive project encompasses a total of 1.85 million square feet of development.

The old Hudson's Warehouse, a major cornerstone of Ford Field, houses most of the stadium luxury seats, pressbox, restaurants, food courts, lounge areas, banquet facilities, entertainment venues and commercial space. The inclusion of the warehouse into the stadium project allows the sightlines at Ford Field to be among the very best in the NFL. In fact, even the locker room facilities have been built in the basement of the seven-story historic Detroit structure.

Detroit played its first home preseason game at Ford Field Saturday, August 24, 2003 against the Pittsburgh Steelers. Almost one month later, the Lions celebrated the inaugural regular season game at Ford Field Sunday, September 22 when they played host to their long-time divisional rival, the Green Bay Packers. The 2002 home opener marked the return of the Lions to downtown Detroit for the first time since 1974.

Following this grand opening event and the Lions' first regular season game, Ford Field's first concert was October headlined by the rock-and-roll legends, the Rolling Stones. At Super Bowl XL, the Rolling Stones returned to headline the NFL's halftime show.

Not only has Ford Field impressed the NFL owners, but it has also made an impact on the NCAA to name the stadium the site of the 2009 NCAA Men's Basketball Final Four. Ford Field warmed-up for that championship event by hosting one of the four Men's Basketball Regional Finals in 2008. In addition to the men's basketball championship, the NCAA returned in 2010 as Ford Field hosted the Men's Hockey Frozen Four.

In April 2007, Ford Field expanded its portfolio when it hosted one of the biggest sports entertainment events of the year when the WWE's Wrestlemania extravaganza rolled into town. The event set a Ford Field record with 80,103 in attendance and it was the second-highest tally in the 23-year history of the event behind Wrestlemania III (93,173) held at the Pontiac Silverdome. Wrestlemania 23 at Ford Field included fans from 23 different countries, including all 50 states and nine Canadian provinces. Wrestlemania was the highest grossing one-day live event in WWE history, and holding the event at Ford Field helped pump an estimated \$25 million into the local economy.

Besides events like the NCAA Final Four, Midwest Regionals and Frozen Four, Ford Field has also hosted prominent motorsports events, including the Monster Jam monster truck series for the past five years and the AMA Amp'd Mobile Supercross series.

Ford Field began as a construction phenomenon on multiple fronts, and is now a crowning jewel of new stadiums in the NFL and Detroit's downtown entertainment district. The stadium's impact will continue to grow as Ford Field plays host to football games, sports and entertainment events, tradeshows and concerts.

## HEADQUARTERS & TRAINING FACILITY

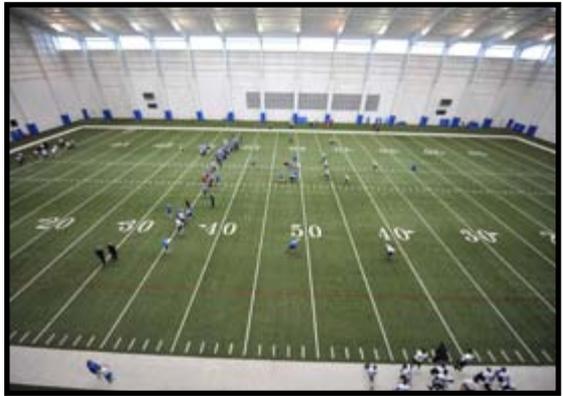

The Ford family not only made a commitment to bring the pride of the Detroit Lions back into downtown Detroit with the construction of Ford Field, but they also decided that the new training and practice facility would be rivaled by no other team in the National Football League.

The Lions' \$36 million Headquarters and Training Facility is built on a 22.7-acre parcel and is located just west of Detroit on the border of Allen Park and Dearborn. In fact, the facility is just down the street from Ford Motor Company's World Headquarters.

The franchise broke ground on the new world-class facility in August 2000 and moved into its new digs in April 2002. The 460,000 square foot complex includes a full indoor practice field, 2.5 outdoor practice fields, a state-of-the-art weight and training room, a massive locker room, a hydrotherapy room, a spacious equipment room, a cafeteria, meeting rooms for each position, a player lounge, a 106-person auditorium for full team meetings and large press conferences, a broadcast studio, a library and archive room, a media room along with offices for all personnel.

When entering the building from the main entrance, one is immediately hit with flashbacks of Lions' football. A 23-by-26 foot mural is covered with the likenes of nine Hall-of-Fame Lions players.

In an effort to keep the environment clean, William Clay Ford, Jr. also made sure the building was built with renewable and recyclable products. The bamboo floors in the lobby, latex paint and rubber flooring have all contributed to this cause.

### SANDOVAL FIELD

In June 2009, the Lions indoor practice field was named "Sandoval Field" in honor of Ricky Sandoval, who passed away after a courageous and extended battle with pancreatic cancer that lasted more than three years.

As a dedicated member of the organization, Sandoval touched virtually every person and every aspect of the team's operations. He was hired as director of security in June of 2001, and for eight seasons he managed the team's security operations.

The impact Sandoval had on everyone who knew him was lasting and profound. To recognize and honor his dedication and devotion to the Lions organization, "Sandoval Field" is a fitting tribute given his oversight of security at each and every team practice since 2001.

*"Ricky set a new standard for courage as he not only fought this disease, but did so with incredible spirit, dignity and determination," said Lions President Tom Lewand.*
