# MEDIA INFORMATION

## Welcome

As the Memphis Grizzlies extend their 10<sup>th</sup> season in the Bluff City into the NBA Playoffs, the Grizzlies media relations department has compiled the following list of guidelines to help you with your coverage during the season and provide a professional atmosphere... Thank you for your continued coverage and support.

## Credentials

A Grizzlies 2010-11 regular season media credential is valid **only** if it features a 2011 NBA Playoff sticker... You can obtain these stickers, available now, from any member of the Grizzlies media relations staff... Media members who do not have a season credential will be issued a playoff single-game credential on a game-by-game basis... Single-game credentials can be picked up at the media/employee entrance at FedExForum, located on the corner of Fourth Street and Linden Avenue... Valid credentials will allow access to FedExForum, press row, auxiliary media seating, the Don Poier Media Suite and both locker rooms... Without exception, **ALL** media members must notify the Grizzlies media relations department at least 48 hours prior to each home playoff game to request media access and reserve a media seat... Playoff credentials must be visibly worn at all times and, in all cases, are non-transferable... Any unauthorized use will subject the bearer to ejection from FedExForum and forfeiture of the credential.

## Photographer Credentials

Single-game photographer credentials will be issued as space permits and must be requested at least 48 hours in advance of the game they wish to cover... Credentialed photographers **must** sit in the designated baseline areas, as any area not marked as a space for photographers is off-limits... Photography for Grizzlies games is for **editorial use only** and shall not be released to any individual other than the publication for whom the pass was issued and subject to the rules governing such use as described on the reverse side of the credential... Any violation of this policy will result in forfeiture of future credentials. No photographer or videographer is allowed to sit in the three-foot escape lanes, located on both sides of both baskets... All working cameras must have a rubber shade lens per NBA policy... All television stations have access to the direct in-house feed by contacting the Grizzlies media relations department.

## Parking

Media parking is available by contacting the Grizzlies media relations department up until 5 p.m. the day **before** a game... Media parking will be available in the FedExForum surface lot located on Linden Avenue between Third and Fourth Streets (across from the Toyota Parking Garage).

## Media Work Room

The media workroom is open three hours prior to each playoff game and is located in the Don Poier Media Suite on the Southeast side of FedExForum... Admittance/space is limited to working media members with credentials only... Television monitors, telephones, workspace and complimentary photocopy and fax services are provided... Game notes, media guides, news releases and a limited number of game programs will also be available in the media work room during the course of the game... The media work room will also be available for use during all practices at FedExForum... Family members and guests of media members will not be permitted (no exceptions).

## Locker Room Access

In accordance with NBA policy, both locker rooms will be open 90 minutes prior to tip-off for a 45-minute period and will reopen after the game following a 10-minute cooling-off period... Only those individuals with prominently-displayed, valid credentials will gain admittance... Personal cameras and camera phones are not permitted... **Seeking autographs or souvenir items from players or coaches is strictly prohibited and subject to forfeiture of credential.**

## Media Services

Game notes and statistics will be available in the media work room at three hours prior to tip-off... Quarterly, halftime and final boxes, play-by-plays and postgame quotes and notes will be delivered to all working media as quickly as possible.

Media members requiring long-distance telephone service, high-speed internet access and/or wireless internet access are advised to contact the Grizzlies media relations department.

Food services are available for \$5 for all working media beginning approximately three hours prior to game time... The dining area is located in the Don Poier Media Suite on the Southeast side of FedExForum.

## Practices/Shootarounds

Grizzlies practices and shootarounds are held at either the Coventry Heath Care Practice Facility or the main court at FedExForum... Practices are closed, with the last 30 minutes open to the media... All shootarounds are closed to the media... There will be a 15-minute availability prior to or at the completion of shootaround... Please contact the Grizzlies media relations department to confirm practice and shootaround times, sites and player/staff availability.

## International Media Policy

International media interested in covering NBA regular-season games must submit a written request to the NBA league office... Please do not contact the Memphis Grizzlies directly... # MICHAEL HEISLEY

Majority Owner

**Michael Heisley**, chairman emeritus and founder of The Heico Companies, LLC, purchased the Grizzlies on April 11, 2000 from John McCaw after initially coming to an agreement in January of that year. The purchase of the Grizzlies allowed Heisley, a lifelong basketball fan, to achieve his dream.

One of Heisley's first moves to bring a winner to the city of Memphis was hiring NBA legend **Jerry West**, one of the top basketball executives in the NBA, as the president of basketball operations on April 30, 2002. Less than two years later, the Grizzlies won a franchise-record 50 games in 2003-04 and clinched their first playoff berth in club history. Under West and Heisley's leadership, the Grizzlies made the playoffs three consecutive seasons from 2003-04 to 2005-06, making them one of just nine teams to qualify for the NBA Playoffs in each of those seasons.

Following West's retirement in 2007, Heisley immediately set out once again to re-shape the franchise.

On June 18, 2007, Heisley announced the hiring of **Chris Wallace** as the team's new general manager and vice president of basketball operations. Wallace joined the Grizzlies after serving the previous 10 seasons as general manager of the Boston Celtics and has long been highly regarded for his extensive knowledge across the basketball spectrum from the high school to professional levels and overseas.

Heisley and Wallace wasted no time improving the roster, making bold moves to acquire 2010 NBA All-Star **Zach Randolph**, rising star **O.J. Mayo** and one of the league's best young centers, **Marc Gasol**. Combined with re-signing **Rudy Gay**, a key member of the FIBA World Championship gold-medal winning Team USA, and extending **Mike Conley**, one of the league's bright, young point guards who continued his steady progression this season, Heisley's maneuvers have yielded one of the youngest, up-and-coming teams in the NBA. Under the guidance of head coach **Lionel Hollins**, who was re-signed to a multi-year extension last summer, the Grizzlies posted a 40-42 record, in 2009-10, the league's second-best improvement (16 wins), in 2009-10, and will make a much-anticipated return to the NBA Playoffs this season.

But no matter how good a team is on the court, it must have the backing of fans and the community. Heisley recognizes this, and has made strides to establish the Grizzlies as a leader in community involvement. Heisley has taken the lead on numerous large community initiatives, including spearheading a \$5 million donation from the Memphis Grizzlies Charitable Foundation to the St. Jude Children's Research Hospital to build the Memphis Grizzlies House, a temporary on-campus residence for the families of St. Jude patients.

The Foundation, led by the Grizzlies' ownership group, has given a total of \$7 million to Memphis Athletic Ministries, who operate six neighborhood centers and run year-round youth sports leagues and after-school programs, and another \$1.5 million to Stax Music Academy. The Grizzlies Foundation has donated over \$25 million to local non-profit organizations since December 2001, raising the bar for charitable giving in professional sports. The Foundation's commitment to giving earned it the coveted 2007 Steve Patterson Sports Philanthropy Award from the Robert Wood Johnson Foundation as the most philanthropic sports team in the nation.

Of course, the biggest project the Grizzlies organization participated in was the construction of FedExForum, a state-of-the-art arena for the Grizzlies. The arena, the largest public works project in the history of the city of Memphis, was completed in September 2004 on time and on budget, and has set a new standard for NBA arenas. Fans flocked to FedExForum in its inaugural season, setting a franchise record with 18 sellouts, more than the first three seasons in Memphis combined.

Heisley's commitment to the community has been a thank you to Memphis for welcoming him and the team with open arms when he decided to relocate the franchise from Vancouver in the summer of 2001. Prior to deciding on Memphis as his destination, Heisley embarked on a cross-country odyssey to find a new home for his Grizzlies. Upon arriving in Memphis, he knew he'd found that home. Buoyed by impressive corporate and community support, Heisley successfully brought the NBA to Memphis.

Away from the court, Heico Acquisitions Inc., a key subsidiary of The Heico Companies, acts as an investment firm, specializing in buying interests in under-performing companies and turning them around. Heico holds interests in approximately 40 businesses worldwide within a diverse set of industries, including steel wire products, heavy equipment, telecommunications, plastics, food production and material handling equipment. The 40 businesses owned by Heico and its subsidiaries have over \$2.5 billion in revenue and employ approximately 13,000 people in varying capacities in the United States and internationally.

Heisley was born in Washington, D.C. and grew up in Alexandria, Va. He holds a BA from Georgetown University, where he served on the Board of Directors, Regents and Visitors for over 20 years. He also serves on the Board of Directors of several portfolio companies along with the Heisley Family Foundation. Heisley resides in Jupiter, Fla. with his wife, Agnes. They have five children and 12 grandchildren.

# LIONEL HOLLINS

## Head Coach

When **Lionel Hollins** took the reins as the 11th head coach in Grizzlies history on Jan. 25, 2009, he immediately set out to establish a team identity founded on playing hard and competing as a team every night.

Guiding the Grizzlies to their first postseason appearance since 2005-06, Hollins has transformed a young, inexperienced roster into one of the most hard-nosed, scrappiest defenses in the NBA... Leading the league in steals and forced turnovers under Hollins, the Grizzlies posted winning records in four consecutive calendar months (January-April 2011) for the first time in franchise history.

Since tabbing Hollins as head coach midway through the 2008-09 season, the Grizzlies have steadily improved, posting a 99-104 record (.488) after going 55-152 (.266) in the two-and-a-half season prior. In Hollins' first full season as head coach, the Grizzlies posted a 40-42 record (.488), the second-best improvement in the NBA in 2009-10 (16 wins), while setting a club record for scoring (102.5 points) and establishing the longest home (11, Dec. 18, 2009-Jan. 25, 2010) and road winning streaks (7, Feb. 17-March 10, 2010) in franchise history. Hollins won the Western Conference Coach of the Month Award after leading the Grizzlies to a 9-4 record (.692) in December 2009, the best December record and sixth-highest winning percentage for a single month in team history.

Meanwhile, two-and-a-half years after accepting his position, Hollins already has become the all-time winningest head coach in team history, eclipsing **Mike Fratello** with his 96<sup>th</sup> win on Jan. 31, 2011 vs. Orlando. Less than two weeks later, Hollins earned career victory No. 100 on Feb. 11 vs. Milwaukee.

In each of Hollins' first two full seasons as head coach, Memphis has led the league in points in the paint, averaging 51.4 points inside. No other team is within even five points of that average. The Grizzlies set a franchise record for field goal percentage this season (.471), surpassing the old mark set just last year (.469).

The 23-year NBA coaching veteran was an original member of the Vancouver franchise and was a staple on the coaching sidelines for 10 of its first 12 seasons (1995-00, 2002-07). Hollins also served as the club's interim head coach on two separate occasions. ### THE FINAL 11

After late-season injuries to **Marc Gasol** and **Ronnie Brewer** derailed the Grizzlies' playoff hopes in 2009-10, the team kept the momentum going toward the end of this season despite the loss of **Rudy Gay**, who underwent season-ending surgery on March 25 to repair a left shoulder subluxation... Here is a look at the team's numbers in the final 11 games of 2010-11 in contrast to last season:

In that span, **14** of those games came against current playoff teams... Here is a look at the numbers before and after Gay's injury, which he suffered on Feb. 15 vs. Philadelphia:

## THE GRIZZ BOWL

Football season is over, but it's worth taking a gridiron-style look at the turnover story for the Grizzlies, who led the league lead this season in turnover differential:

The Grizzlies won **nine** times this season when facing a double-digit deficit in the second half, with **eight** of those wins coming since Jan. 21... That number was tied for second in the NBA with the Chicago Bulls and behind only the Utah Jazz (**10**).

## WE'RE GETTING THE BAND BACK TOGETHER!

As **Shane Battier** proclaimed following his introductory press conference after being re-acquired by the Grizzlies in a trade on Feb. 24, many former "band members" are indeed back in Memphis this season... Along with Battier (previously with the Grizzlies from 2001-06), Memphis also signed **Jason Williams** (2001-05) on Feb. 7 and even brought back **Brevin Knight** (2001-03) this season, this time in the broadcast booth... On the coaching staff, assistant coach **Damon Stoudamire** is back for his second full season after playing for the Grizzlies from 2005-08 and Head Coach **Lionel Hollins** is in his second full season in his third tour of duty with the team after 10 years as an assistant (1995-00, 2002-07).

## MEMPHIS, TEN

The 2010-11 season is the Grizzlies 10<sup>th</sup> in the Bluff City after relocating from Vancouver, B.C., Canada after six years... The Grizz tied a franchise best with 23 wins in their inaugural season in Tennessee in 2001-02, increasing their win total to 28 in 2002-03 and then a franchise record 50 in 2003-04, earning their first of three consecutive playoff berths... Prior to the start of the 2010-11 season, the Grizzlies held a 303-435 (.411) all-time record since moving to Memphis, compared to the 101-359 (.220) mark posted while in Vancouver.

## FORESHADOWING?

Memphis finished the 2010 preseason with a perfect 8-0 record for the first time in franchise history, becoming one of only two teams this season (Utah Jazz) to win all eight preseason games and one of three (Orlando Magic, 7-0) to go undefeated... Since the Grizzlies relocated to Memphis before the 2001-02 season, there are now 20 teams to finish the preseason with one or zero losses... Eighteen of those 20 teams have qualified for the NBA Playoffs in that season ... The only two times a team has had one or fewer preseason losses and did not make the postseason, ironically, both involved the Jazz, who missed the Playoffs in 2003-04 after going 7-1 in going preseason action and finished out of the race this season after an perfect 8-0 preseason run... Every time the Grizzlies have won six-or-more preseason games, the team went on to make the playoffs (2003-04 through 2005-06, 2010-11).

## 2010-11 PLAYER NOTES

### DESERVING OF ZACH-OLADES

**Zach Randolph** remained one of the top forwards in the NBA, winning his first career Player of the Month Award for January and three Player of the Week honors... The 10-year NBA veteran averaged a team-high **20.1** points (**19<sup>th</sup>** in the NBA) and a career-high and franchise-record **12.2** rebounds (**3<sup>rd</sup>** in the NBA)... Z-Bo as one of just four *qualifying* NBA players this season (**Dwight Howard, Blake Griffin, Kevin Love**) to sport a 20-10 average... He's now accomplished that feat in three consecutive seasons while no other NBA player has been able to put together those averages in each of the last two seasons... Randolph's fifth consecutive year with a double-double average ranks behind only Howard (7, 2004-11) for the longest active streak.

### THE BIG Z-BOWSKI

Though **Zach Randolph** may not always receive the credit he deserves as one of the game's top forwards over the past eight years, the numbers certainly back it up... Since becoming a full-time starter with the Portland Trail Blazers during the 2003-04 season, Z-Bo is one of just seven NBA players who has recorded at least 10,000 points and 5,000 rebounds, joining the likes of NBA MVP Award winners **Tim Duncan, Kevin Garnett** and **Dirk Nowitzki** along with six-time NBA All-Star **Chris Bosh**, two-time NBA Defensive Player of the Year **Dwight Howard** and two-time NBA Champion **Pau Gasol**... Moreover, Randolph and Nowitzki are the only two players in that group who have made at least 100 three-pointers over that span... Notable names absent from this list include **LeBron James, Amar'e Stoudemire, Carlos Boozer, Shawn Marion, Elton Brand** and **Antawn Jamison**.

### ZACH RANDOLPH, BY THE NUMBERS

**Zach Randolph** has posted monster point-rebound games throughout his career, especially since joining the Grizzlies two seasons ago... This season, there were only **eight** instances in which a player has reached 34 points and 17 boards in a single game... Randolph had **three** of those performances, while **Kevin Durant** (one), **Dwight Howard** (one), **Kevin Love** (two) and **Andray Blatche** (one) had the others... Here is a numeric breakdown of Randolph's stat lines:

### IF YOU LIKE Z-BO'S 20-10 GAMES...

When **Zach Randolph** went for at least 20 points and 10 rebounds, everything seemed to come together for the Grizzlies... With Randolph averaging **24.8** points and **14.4** rebounds on **.536** shooting in his 20-10 games, the Grizzlies were **25-11** overall... All-time, the Grizzlies are **50-26** when Z-Bo scores 20-plus points and snares 10-plus boards... Randolph has averaged 20 points and 10 rebounds in six of his 10 NBA seasons, including last year with Memphis (20.8 points, 11.7 rebounds) in his first All-Star campaign.

### ...YOU'LL LOVE Z-BO'S 20-20 GAMES!

**Zach Randolph** went off for at least 20 points and 20 rebounds in a game **five** times this season and now has **seven** 20-20 games since joining the Grizzlies at the start of last season... That's one more than the total produced by every other player in the Grizzlies' 16-year history combined... Z-Bo had one more 20-20 games in the 2010-11 season (75 games) as he did in his first nine NBA seasons (587 games).

## TONY ALLEN WREAKING HAVOC

**Tony Allen** was a game-changer for the Grizzlies in his first season in Memphis, wreaking havoc on defense and subsequently creating more opportunities on offense... Long regarded as one of the league's best defenders, Allen topped himself this year, posting a 4.14 steals-per-48-minute average... That was over one steal ahead of second-place **Chris Paul** this season and the highest number the NBA has seen since **Nate McMillan** in 1993-94... Only one other active NBA player has ever had a single season averaging at least four steals per 48 minutes – **Ron Artest** (4.12 in 2001-02).

## CONLEY'S CAREER ACCELERATING

Known for his quickness on the court, **Mike Conley's** numbers once again accelerated during the 2010-11 season... The 6-1, 185-pound playmaker set a new career high with 14 assists on Dec. 8 at Phoenix and tied his own franchise record with seven steals on Oct. 30 vs. Minnesota... The 23-year-old, who would be an NBA rookie this season had he stayed all four years at Ohio State, scored a season-high 28 points in a Nov. 30 home victory over the Los Angeles Lakers and led the Grizzlies in assists in all but 14 games played this season.

## MAKING A MARC

Only in his third NBA season, **Marc Gasol** has established himself as the Grizzlies' all-time career leader for field goal percentage (.545), far exceeding his brother **Pau Gasol**, who ranks second in the team's annals (.509)... Marc now owns three of the franchise's best four single-season marks for field goal accuracy after shooting .527 clip this season... ## KING ARTHUR

Third-year forward **Darrell Arthur** enjoyed a breakout 2010-11 campaign, averaging career highs in points (9.1), blocks (0.79) and field goal percentage (.497)... Arthur tallied a career-best 24 points on Feb. 13 vs. Denver and scored 17-or-more points nine times this season after never doing so in his first two seasons (108 games)... The 6-9, 235-pounder scored in double-figures in six consecutive games to start the season, the longest streak of his career, and tallied two double-doubles as a reserve (five career).

## RUDY...FOR THE WIN!

In crucial moments this season, **Rudy Gay** has come to the Grizzlies' rescue... The clutch performer beat the buzzer and the Miami Heat (97-95) with a baseline jumper over **LeBron James** on Nov. 20 in front of a sellout crowd at FedExForum... It marked Gay's third career buzzer-beater and his fifth game-winning field goal in the final three seconds of the fourth quarter, one for each season of his NBA career... Gay's three buzzer beaters are tied for the most by any NBA player age 24 or younger over the last nine seasons, equaling **Gilbert Arenas**... Gay's late-game heroics this season also include a game-winning shot with 0.8 seconds left on the clock to knock off the Raptors on Jan. 24, as well as a three-pointer to send a game into overtime, an eventual Grizzlies win, on Dec. 8 at Phoenix:

### RUDY GAY'S GAME-WINNERS, CAREER

SEASON	DATE	OPPONENT	FINAL SCORE	TIME REMAINING AFTER FINAL SHOT
2010-11	Jan. 24, 2011	at Toronto	100-98	0.8 seconds
2010-11	Nov. 20, 2010	vs. Miami	97-95	0.0 seconds
2009-10	Jan. 22, 2010	vs. Oklahoma City	86-84	1.3 seconds
2008-09	Oct. 31, 2008	vs. Orlando	86-84	0.0 seconds
2007-08	Dec. 19, 2007	vs. San Antonio	88-85	0.0 seconds
2006-07	Dec. 6, 2006	at Boston	98-96	2.6 seconds

## "NO! NO! NO! NOT THIS GUY! NOT THIS GUY! NOOOOOOOOOOOO!!!"

Now immortalized on YouTube, this was a Raptors fan's reaction to **Rudy Gay's** game-winning shot on Jan. 24 at Toronto... Not only did Gay hit the game-winning basket with 0.8 seconds left to play, he then blocked **Sundiata Gaines'** potential game-winning shot at the other end of the court... According to the Elias Sports Bureau, the last player to hit a game-winning field goal (one that put his team ahead to stay) in the last 10 seconds of a game and then block a potential game-tying or game-winning field goal was **Amar'e Stoudemire** for Phoenix against Sacramento on Nov. 14, 2008... Stoudemire broke a tie with 4.3 seconds left in overtime and then blocked two shots in the dying seconds.

SAN ANTONIO SPURS

61-21

## 2010-11 SEASON RECAP

The Memphis Grizzlies will match up with the San Antonio Spurs in the postseason for the second time in franchise history, looking to avenge a 4-0 sweep at the hands of San Antonio in the 2004 Playoffs—Memphis' first-ever trip to the postseason. The Spurs' core remains intact from that 2003-04 squad, with **Gregg Popovich** leading **Tim Duncan**, **Manu Ginobili** and **Tony Parker**, just as he did seven years prior. The Spurs shot out of the gate this season, collecting 40 wins before the month of February and finishing with 61, one less than Chicago's NBA-leading 62 victories. A late-season injury to Duncan slowed San Antonio down in March, but the Spurs still were able to fend off the Lakers for the West's top seed. Thanks to the development of young players **George Hill**, **DeJuan Blair** and **Gary Neal**, among others, the Spurs have maintained a perfect blend of youth and experience as they vie for a fifth NBA Championship since 1998-99.

# MEMPHIS GRIZZLIES VS. LOS ANGELES LAKERS

2

LOS ANGELES LAKERS

57-25

## 2010-11 SEASON RECAP

The two-time defending NBA Champion Los Angeles Lakers seek a three-peat in what could be the swan-song for legendary head coach **Phil Jackson**. **Kobe Bryant** and Co. proved that they are still just as dangerous as ever with an impressive run in the second half of the season, winning 17 of 18 after the All-Star Break before dropping five of their last six. For the Lakers to come out of the West for a fourth-straight year, they'll need to rely on their trio of big men (**Pau Gasol**, **Lamar Odom** and **Andrew Bynum**), health permitting, to utilize an obvious advantage in length and athleticism in the post. Additionally, veterans **Derek Fisher**, **Ron Artest** and **Shannon Brown** will be counted on to take some of the burden off of Bryant as teams key in on the Lakers star.

# MEMPHIS GRIZZLIES VS. DALLAS MAVERICKS

3

DALLAS MAVERICKS

57-25

## 2010-11 SEASON RECAP

**Dirk Nowitzki** carried the veteran Dallas Mavericks all the way to the third spot in the Western Conference, despite an injury to forward **Caron Butler** early in the season. The next step for Nowitzki and the Mavericks is to find success in the postseason. Since reaching the NBA Finals in 2005-06, the Mavericks have made it out of the First Round just once in the last four seasons. Center **Tyson Chandler**, acquired this past summer, might be the key to Dallas' playoff fortunes. The veteran big man gives the Mavs the defensive presence in the paint that they've lacked for the past few years and is a great supplement to Nowitzki's tremendous offensive game. Sixth-man **Jason Terry** and fellow vets **Jason Kidd** and **Shawn Marion** provide an experienced mix of talent for Dallas, while young guards **Rodrigue Beaubois** and **J.J. Barea** will be called upon throughout the Mavs' run.

# MEMPHIS GRIZZLIES VS. OKLAHOMA CITY THUNDER

4

OKLAHOMA CITY THUNDER

55-27

## 2010-11 SEASON RECAP

One of the NBA's most promising young teams, the Oklahoma City Thunder have learned from a tough playoff series with the eventual champion Lakers last season and are poised to make a run of their own in 2011. Led by the reigning, two-time NBA scoring champion **Kevin Durant** and All-Star **Russell Westbrook**, the Thunder have a squad built for the future that also is very capable of winning now. Two other very talented young players—**Serge Ibaka** and **James Harden**—give the Thunder four core players under the age of 23. While the potential of this group is exciting, the Thunder became instant contenders at the trade deadline this season when they shored up their front line by adding **Kendrick Perkins** and **Nazr Mohammed** in separate deals. Now armed with the big bodies necessary to compete in the tough Western Conference, the sky is the limit to what Oklahoma City can accomplish in the playoffs.

# MEMPHIS GRIZZLIES VS. DENVER NUGGETS

5	DENVER NUGGETS
	50-32

## 2010-11 SEASON RECAP

After trading **Carmelo Anthony** just before the deadline, many wrote the Denver Nuggets off as a team that would—at best—limp into the postseason. Instead, the Nuggets proceeded to win 17 of their remaining 23 games after trading their franchise player thanks to a renewed defensive mentality instilled by Head Coach **George Karl**. The key acquisitions from the New York Knicks, including **Wilson Chandler**, **Danilo Gallinari** and **Raymond Felton**, have blended in seamlessly with the their new team alongside emerging young starters **Nene**, **Ty Lawson** and **Arron Afflalo**. One of the hottest teams heading into the postseason, the Nuggets are able to focus on forcing turnovers and making defensive stops rather than relying on Anthony to take over a game on the offensive end. Suddenly, the Nuggets have all the right pieces in place to make a deep run in the NBA's second season.

# MEMPHIS GRIZZLIES VS. PORTLAND TRAIL BLAZERS

PORTLAND TRAIL BLAZERS

48-34

## 2010-11 SEASON RECAP

A nagging knee injury to star guard **Brandon Roy** seriously jeopardized the future of the Portland Trail Blazers, both in the short and long term. Instead of collapsing under the weight of multiple injuries—including another missed season for former No. 1 overall pick **Greg Oden**, Portland leaned heavily on **LaMarcus Aldridge** to pull the team through some early adversity. Aldridge responded by posting career highs in points and rebounds and single-handedly keeping the Blazers afloat in the middle of the year. Though Roy is back to playing limited minutes down the stretch, Portland now counts on **Wesley Matthews**, a restricted free agent signee from Utah who has added to his impressive defensive game by becoming a reliable scoring threat this season. The trade deadline deal for longtime Charlotte Bobcats forward **Gerald Wallace** gives the Blazers added toughness on the wing while holdovers **Andre Miller** and **Marcus Camby** provide the veteran leadership for the gritty club.

# MEMPHIS GRIZZLIES VS. NEW ORLEANS HORNETS

7

NEW ORLEANS HORNETS

46-36

## 2010-11 SEASON RECAP

A healthy **Chris Paul** has made all the difference in New Orleans, as the superstar point guard has the Hornets back in the postseason after missing out in 2009-10. First-year Head Coach **Monty Williams** and the Hornets have cooled off since winning eight-straight and 11 of 12 to start the season, but the Hornets hope to shock the league by extending an already over-achieving season. The task got a lot more difficult when forward **David West** went down with a torn ACL late in the season, forcing the Hornets to lean heavily on **Emeka Okafor** and **Carl Landry** to fill a rather large and unexpected void in the frontcourt. Injuries aside, the Hornets are a dangerous perimeter team, with **Trevor Ariza**, **Marco Belinelli**, **Jarrett Jack** and **Willie Green** all capable of going off for big games.

The Grizzlies forced nine turnovers and limited the Mavericks to just 6-of-18 shooting (.333) in the final quarter... In the waning moments of the first half, the Warriors began a 12-0 run and would maintain a double-digit lead for most of the third quarter... A running **Mike Conley** jumper put the Grizzlies up 96-94 with 18.7 left in regulation and two clutch free throws from **O.J. Mayo** extended the lead to four points with 3.7 remaining, but Richardson answered by hitting a three-pointer with 1.1 on the clock before his game-tying tip-in... Richardson, who scored the Suns last eight points in regulation, saved some for overtime, hitting the go-ahead jumper with 25.6 remaining before a Conley free throw tied the game again at 109... The Kings came into the game averaging only 11.8 miscues... **Tyreke Evans** scored 30 points (12-of-20 FG), while **Francisco Garcia** finished with 21 points (7-of-14 FG) off the bench for the Kings, who lost their second-straight game.

# 2010-11 GAME RECAPS

Three nights following a double-overtime loss in Phoenix, the Memphis Grizzlies got a measure of revenge against the Suns at FedExForum... Memphis led Phoenix for all but 15 seconds, holding the Suns under 100 points for just the second time this season and moving to 4-0 when holding opponents under the century mark... Phoenix cut the deficit to five points toward the end of the third quarter, but Memphis responded with a 15-2 run bridging the third and fourth quarters to build the lead back to 18 points (93-75), the Grizzlies' largest advantage of the game, with 10:45 remaining in regulation... **Zach Randolph** led all players with 23 points (9-of-16 FG) and 20 rebounds, his fifth career 20-20 game and third in a Memphis uniform... **Rudy Gay** scored 22 points (8-of-18 FG), his eighth-straight 20-point game to open the 2010-11 season... The Dallas Mavericks avenged an Oct. 29 loss at home to the Memphis Grizzlies with a dominating performance at FedExForum, holding the Grizzlies to a season-low tying 91 points... The Grizzlies, who entered the game atop the NBA in steals and turnovers forced, swiped just four steals and created only 10 Mavericks turnovers, both season lows... Memphis scored the first bucket of the game, but never led again while the Mavericks lead grew to as many as 21... An 18-5 run by the Mavs to open the second half silenced the home team for good, as it extended a five-point halftime lead to 73-55 with 7:05 remaining in the third quarter, never allowing the Grizzlies back within single digits... Dallas dished out a Grizzlies opponent-high 30 assists while shooting .541 from the field... **Jason Terry** led all scorers with 25 points off the bench... **Dirk Nowitzki** returned from a sprained right ankle injury suffered in the second quarter to notch his third double-double of the year (12 points, 10 rebounds)... **Zach Randolph** paced the Grizzlies with a season-high-tying 23 points... **Greivis Vasquez** scored his first career points with a three-pointer in the fourth quarter... **Greivis Vasquez** provided a major spark off the bench, and **Rudy Gay** made two big shots to send the game to overtime, but the Boston Celtics pulled away in the extra frame, sending the Memphis Grizzlies to a 4-6 start through the team's first 10 games, which is still the club's best stretch to open a season since 2005-06... Down by four with under a minute left in regulation, Gay connected on a pull-up jumper with 46.3 seconds remaining and then another with 7.3 seconds left to knot the game at 99 and force overtime... However, Boston scored the first seven points, while Memphis misfired on its first four shots, and would outscore the Grizzlies 17-11 in OT... Gay, who was honored before the game for his gold medal-winning performance last summer for Team USA, led Memphis with 22 points (10-of-18 FG), and **Zach Randolph** put in 21 points (10-of-14 FG) and a game-high 11 rebounds for his fourth double-double of the season... However, Vasquez gave the Grizzlies a momentum boost when he was first inserted with 3:27 left in the third quarter... The rookie posted seven points, two rebounds and two assists in only 12 minutes, helping bring the team back from a six-point deficit to tie the game by the end of the third... **Paul Pierce** scored 28 points (9-of-13 FG) for the Celtics, who shot a season-high .577 from the field... **Ray Allen** scored 13 of his 15 points in the fourth quarter and overtime... **Rajon Rondo** had 11 points and 17 assists to pick up his sixth double-double... Down by as many as 18, 51-33 with 2:27 left in the third quarter, the Grizzlies leaned on Conley, who played the entire second half and scored all 17 of his points in that time to go with 10 assists for his sixth double-double of the season... With Memphis' three leading scorers after the All-Star Break (**Zach Randolph**, **Mike Conley**, **Tony Allen**) sitting out, Los Angeles quickly took advantage, scoring the first 11 points of the game, the first nine by **Blake Griffin**... The Clippers led by as many as 30 points (69-39) with 11:18 remaining in the third quarter and held a 20-point advantage (96-76) as late as 9:11 left in the game before the Grizzlies went on a 27-11 run to get as close as four points (107-103) with 33.5 seconds left... However, there was not quite enough time to complete the comeback, as **Randy Foye** split a pair of free throws and Griffin finished off his second career triple-double (31 points, 10 rebounds, 10 assists) with an offensive rebound and put-back at the end of the game... Los Angeles shot .543 from the field and tied a season high with 36 assists on 44 baskets, scoring 72 points in the paint... **Sam Young** tied a career high with 22 points, including nine in the fourth quarter... Making his first career start, **Greivis Vasquez** totaled a career-high 17 points and four assists... **Shane Battier** (13 points), **Marc Gasol** (10) and **Hamed Haddadi** (season-high tying 10) all reached double digits... **Eric Gordon** netted 24 points to help the Clippers' cause... Memphis secured the eighth seed in the Western Conference Playoffs, where the Grizzlies will meet the No. 1-seeded San Antonio Spurs in the team's first postseason trip since the 2005-06 season.
