TAKEAWAYS

MOAR AND NANCO SCORE FIRST CAREER GOALS

In Steel FC's first road match of the season, rookies Chris Nanco and Santi Moar found the back of the net for the first time in their respective careers. Moar collected a mishandled save and quickly fired it into the back of the net in the first half. In the second half, Steel FC turned to Nanco as a substitute to make an impact. Nanco did just that, scoring only five minutes into his professional debut.

CONNEH CLIMBS CAREER CHART

Liberian National Team forward Seku Conneh is off to a hot start in 2017. The 21-year-old is tied for the USL lead with three goals and set a club record against FC Cincinnati. In his impressive second half performance, Conneh became the first player to score two-goals in the same match in Steel FC history. His five career goals are currently tied for the most in team history (Derrick Jones/Ryan Richter). His effort last week also earned him the USL Week Three Player of the Week, winning 42 percent of the independent media vote. The award was Conneh's first of his career and the first time a Bethlehem Steel FC player had won the weekly honor.

YOUTH PLAYERS EARN NATIONAL TEAM CALL-UPS

Goalkeeper Tomas Romero is currently away with the El Salvador U17 national team as they compete in the 2017 CONCACAF Championships. Defender Mark McKenzie found out on Monday that he was named to the 2017 Slovakia Cup roster for the United States U18s.

STEEL FC WELCOMES FC CINCINNATI FOR SECOND TIME

After a disappointing loss in the club's homestand opener against Orlando City B, Steel FC will host FC Cincinnati for the second time in three weeks. The match will be crucial for Steel FC, as they look to snap a modest two-match losing streak prior to an extended three-game roadtrip for the month of May.

LAST REGULAR SEASON MEETING:

Just three weeks ago, Steel FC hosted FC Cincinnati with the home squad taking advantage of a red card to win 2-0. After defender Paul Nicholson was off, Seku Conneh took control of the match with his first career brace to lead the team to victory and notch Steel FC's first over Cincinnati.

THEY SAID...

Bethlehem Steel FC head coach Brendan Burke:

Takeaways from the Orlando City B match...

"We should have been up 2-0 at a minimum and probably 3-0 at halftime. When you leave a game in the balance like we did, you're going to pay at this level and Orlando made us pay. I thought we executed at a high standard in the first half, we got through the first 20 minutes and took over the rest of the half but we just have to finish chances and I'm confident that we will. We've been finishing those chances this year with two goals a game and if you look at the quality of the chances, not the quality, you have to be excited."

On playing FC Cincinnati for the second time in three weeks...

"I expect them to be extremely fired up because I don't think they would have expected to lose to us when we did. They're one of the big budget, big market teams that is expected to finish in the Top 3 in the East, so there is a lot of weight behind them and their roster. We understand that we're going to be facing a lot of energy when we see them plus they're coming off a frustrating result at home (to Louisville City)."

On the strides taken by Marcus Epps in the past few weeks...

"There is a natural transition that has to occur and as long as he continues to work hard and do what's asked of him, we're going to put him in the right positions to be on the ball in dangerous spots and execute. That really comes from experience and now he's had that with the past four games and we'd expect when he gets into those positions, that he'll start to execute and I think he'd expect that as well."
