TAKEAWAYS

AARON JONES NOTCHES FIRST PRO TALLY

Trailing 1-0 at the halftime whistle, Bethlehem Steel FC notched a draw due to the scoring boots of rookie defender Aaron Jones. Standing over the ball from 30 yards out, Jones fired a curling ball the bent over the four-man Richmond wall and into the near corner. The goal not only was the equalizer but Jones' first professional goal.

"It was my first of the season so it was an important strike based on the conditions of the game," Jones said. "Being 1-0 down and then down to 10 men so it was an important goal. I've been practicing so I'm glad it went in. It's a great feeling to score my first goal with Bethlehem Steel FC."

STEEL FC SHORTHANDED

Bethlehem Steel FC enters this weekend's contest missing two key pieces due to various reasons. Both Hugh Roberts and Cory Burke will serve one-game suspensions on Sunday's due to red cards received in last weekend's match against Richmond. Burke is also away due to a call up with the Jamaican National Team for the 2017 CONCACAF Gold Cup.

HISTORIC STREAK CONTINUES

With a 1-1 draw last weekend, Bethlehem Steel FC continued its unbeaten streak. The six-match stretch is the longest in the club's young history and began on May 28 when Steel FC downed rival Harrisburg, 3-1. During the streak, Steel FC has picked up 16 points and outscored opponents by a 9-4 margin.

STEEL FC LOOKS TO CONTINUE MOMENTUM DURING HOMESTAND

Bethlehem Steel FC looks to build upon its strong run of play that has seen the club win three-consecutive matches and go unbeaten in its last five matches. During the winning streak which came on the road, the club hasn't allowed a goal in 267 consecutive minutes. Steel FC has been led offensively by team captain James Chambers and forward Seku Conneh, who have each scored three goals in the five-game span. The match against Richmond is the first of a three-match homestand and a stretch where Steel FC plays five of its next seven at home.

LAST REGULAR SEASON MEETING:

Steel FC last faced off against Richmond Kickers in late June 2016, playing to a scoreless draw at City Stadium. Facing off against Hugh Roberts, who signed with Steel FC during the offseason, Steel FC was limited to six shots overall. Seku Conneh provided a dangerous first half chance off a free kick, clipping the cross bar. James Chambers was denied in the second half, as his right-footed volley was stopped by a diving save.

THEY SAID...

Bethlehem Steel FC head coach Brendan Burke:

On the draw with Richmond...

"Really proud of the guys. They fought under odd circumstances. I think a few of the young guys grew up a little bit tonight and got put into a very difficult situation and they managed it well. They fought hard and fought for each other and I think that is a testament to where we are as a group right now. We keep the momentum going under extreme circumstances, so it was a really positive night for us after some crazy stuff happened."

On preparing for Red Bulls II...

"We're going to rely on our experience of playing against them earlier this season. They are good at getting on top of teams and you have to be well prepared for that and deal with the pressure well. I think that we had a decent gameplan last time so we won't get too far from it but I expect them to make adjustments coming in. We're both system based clubs so I don't think too much is going to change. It will come down to executing and playing at the right speed on the ball and making sure that our decision making is sound throughout so that we don't get forced into any unnecessary errors."

On preparing for a system based club...

"I think you prepare for the system first and then highlight some individuals but the reality is you might not even see those individuals so it has to be system preparation. You try and highlight as many players as you can and when the teamsheet comes out, if you can hit a couple of them on the head, you're happy."
