**Scouting Minnesota:** Minnesota United FC have arguably one of the deepest squads in the NASL. An impressive back line anchored by Cristiano Dias and Tiago Calvano is compliment with several offensive weapons up front that includes Ibson, Kalif Alhassan, leading scorer Pablo Campos and 2014 Golden Boot winner Christian Ramirez. While Minnesota suffered just one defeat in their first seven games, they are winless in their last four matches (0W-2D-2L) and are level on points with Fury FC with 14.

**Head-to-Head:** Ottawa won the first meeting of the season (1-0) on their April 18 home opener. In 2014, Minnesota won all three meetings winning each game by a goal.

**Coach Quote:** "We know that we are going through a good moment right now. It is not easy in this league to go six games undefeated, but despite injuries we've fought to win every game and we go to Minnesota ready to fight for three points. Minnesota is a team built to win a championship, but we know some places that we can exploit and take advantage of and if we do that we will again put ourselves in a position to win the game."

## **MATCH PREVIEW:**

---

It was an ideal start to the NASL Fall Season for Marc Dos Santos' squad last Sunday as Ottawa Fury FC continued their impressive defensive form and ended their scoring woes with a 2-0 win over Jacksonville. The three points helped Fury FC climb the NASL standings where they now sit level on points with fourth place Minnesota – the very team they visit this weekend.

"We know that we are going through a good moment right now," said Head Coach Marc Dos Santos. "It is not easy in this league to go six games undefeated, but despite injuries we've fought to win every game and we go to Minnesota ready to fight for three points."

"Minnesota is a team built to win a championship, but we know some places that we can exploit and take advantage of and if we do that we will again put ourselves in a position to win the game."

While Ottawa might sport the League's best defensive record, Minnesota United boast a very impressive back line of their own anchored by centre backs Cristiano Dias and Tiago Calvano. Fury FC expect to have their defence tested to the max Saturday night with the likes Ibson, Kalif Alhassan, Pablo Campos and 2014 Golden Boot winner Christian Ramirez all thirsty to find the score sheet following last weekend's 3-1 defeat in Carolina.

Captain Richie Ryan returned to the line-up Sunday after missing most of the Spring Season due to injury and played the full 90 minutes for the first time since the end of last season. The skipper was very pleased with the team's performance and is confident heading into Minnesota.

"We are going to Minnesota after all three points," said Ryan. "We shouldn't fear anyone in the League. We've beaten them once already this season and I see no reason why we can't go and do it again."

Ottawa shutout Minnesota 1-0 on April 18 and while Minnesota only lost one of their first seven matches, they have since gone winless in their last four (0W-2D-2L) and have been outscored by an 8-5 margin.

Tom Heinemann, who scored the match-winner against Minnesota earlier this season, has scored twice in three games lifetime against the Loons since joining Fury FC.

"Last weekend was about the team winning and getting the three points and to do that in front of the home fans was great fun and hopefully those goals will press us on against Minnesota this weekend."

Heinemann and his teammates will gain support offensively against the Loons with last season's leading scorer Oliver returning from injury and mid-season acquisition Aly Hassan set to make his Fury FC debut.

With Nicki Paterson out for the season, the only other missing player from Dos Santos' squad is Canadian International Julian De Guzman who will miss the next few games as he captain's the Canadian Men's National Team at the CONCACAF Gold Cup.

Ottawa will carry its NASL record shutout streak of six straight games and 616 consecutive minutes into Minnesota, but they know that they will again need to finish their chances in front of goal to come away with a second straight win.

Fury FC return home to TD Place for three games in the course of a week facing Indy Eleven (July 19), Atlanta Silverbacks (July 22) and the Carolina RailHawks (July 26). Fans are asked to bring a non-perishable food item or cash donation to the July 19<sup>th</sup> match for Purolator Tackle Hunger Weekend in support of the Ottawa Food Bank. Tickets to these and Fall Season matches are available at [OttawaFuryFC.com](http://OttawaFuryFC.com).

## About Ottawa Fury FC

Ottawa became the 9th club in the modern era of the North American Soccer League on June 20, 2011 when the NASL awarded an expansion franchise granted to the Ottawa Sports and Entertainment Group (OSEG). On February 26, 2013 it was announced that Ottawa's newest pro sports team would bear the name Ottawa Fury FC - a named already deeply rooted in the Ottawa soccer community. Ottawa Fury FC play out of TD Place at the redeveloped Lansdowne Park.

Prior to being granted an NASL franchise, the organization existed as the Ottawa Fury Soccer Club - one of the most recognizable names at the development level across North America. Founded in 2000, current Fury FC President and OSEG Partner John Pugh purchased the Fury franchise in 2002 and would spend the next decade building one of the most respected youth academies in North America, a successful PDL program that has seen players move on to the professional ranks and the W-League's most storied franchise that captured a North American Championship in 2012. The Club boasted several successful grassroots, skill development and community programs that, alongside the Youth Academy, continue under the Fury FC banner.
