## MATCH PREVIEW:

After a scoreless stalemate last Saturday in Carolina – the team's fifth consecutive draw to tie an NASL record – Fury FC head to Minnesota on Saturday to close out their three game road trip (8600+ kilometers travelled) looking to extend their undefeated run against the Loons.

Saturday's contest is the first of back-to-back meetings between Ottawa and Minnesota as the Loons will fly north of the border next Saturday landing at TD Place to face Fury FC on September 24.

Fans should expect another tight affair on Saturday, as every contest lifetime between the two teams has been decided by a single goal or less. In eight lifetime meetings against the Loons, Fury FC have a record of 2W-2D-4L including a win in the lone postseason tilt last November.

"We are basically going to play an MLS team, so I expect it's going to be a good game, but a tough game," said head coach Paul Dalglish. "They're a quality team. We shared the points when we played them here in a tight game. We are really solid defensively at the moment and if we can only add a little bit of quality in the final third to that, I'm sure we can get points from that game as well."

While Fury FC are still aiming to find consistency in their attack, their defensive game looks sharper than ever, boasting the third best defensive record in the Fall Season conceding only 13 goals in 14 matches.

Rafael Alves and Romuald Peiser proved once again to be key components of Ottawa's defensive masterpiece displayed against Puerto Rico and Carolina last week. The Frenchman saw one of his brilliant saves win NASL Play of the Week honours, while Alves was selected to the NASL Team of the Week for a second time in three weeks.

Against Minnesota, Peiser expects another tough challenge and knows that his team will need to remain focused for 90 minutes.

"Against any team in this league, but mostly against Minnesota you need to stay focused for the whole game," said Peiser. "If stay focused and compact in the back we will be very hard to break through, then we only need to capitalize on one of our chances to get the win."

Another positive aspect in the past few weeks has been the return of injured players. Last week Onua Obasi got his first taste of action in three months after coming back from an Achilles injury. The Englishman feels relieved to finally be able to help the team.

"I feel reinvigorated to be back with the team and actually contribute," said Obasi. "It's lovely to be back, but it's now on my shoulders to earn my spot back."

Meanwhile, Minnesota United FC are currently occupying the final postseason position in the NASL combined standings, with a record of 10W-6D-8L. The Loons have the league's top goal scorer in their squad - Christian Ramirez - who has scored 14 goals in 24 games.

While NSC stadium proves to be a fortress for Minnesota who boast a record of 9W-1D-2L at home, Paul Dalglish believes that his team can produce a good result in a hostile environment.

"I think we can go anywhere and keep things tight," said Dalglish. We've got a real good defensive structure at the moment, we just need to turn things around offensively. We've been getting ourselves in great positions lately but the quality wasn't good enough so we need to improve it. If we do that, it should be an enjoyable night against Minnesota."

### ABOUT MINNESOTA

The original North American Soccer League lasted from 1968 to 1984. In that period of time, high level soccer was brought to North America by world class superstar players, including Pele, Johan Cruyff, Franz Beckenbauer, George Best, and Bobby Moore, among others.

The league started a second chapter in 2011 with an eight-team league featuring teams from the United States, Canada and Puerto Rico. United FC enjoyed a magical run to the League championship game, the Soccer Bowl, where it defeated the Fort Lauderdale Strikers across to claim the reborn league's inaugural championship.

Minnesota United was awarded an expansion spot in Major League Soccer on March 25, 2015 and shortly thereafter announced its intention to build a state of the art soccer stadium in St. Paul at the center of downtown Minneapolis and St. Paul. Construction of that stadium is expected to begin in summer of 2016 with United joining MLS in 2017 or 2018.
