On August 23, 2011, the home of the New York Jets became MetLife Stadium. The insurance company was the first of the four cornerstone partners in the new stadium, which opened in the spring of 2010. MetLife Stadium is one of the highest-profile stadiums in the country with more than 2 million fans attending events every year. On February 2, 2014, MetLife Stadium hosted Super Bowl XLVIII.

From the lighting and LED signage to the massive video boards to the plaza and tailgating options, the stadium bleeds green on Jets gamedays. Travelling to the home of the Jets is quick and easy with three times the number of roadways and a rail stop just outside the stadium.

Once at MetLife Stadium, fans have many options for entertainment and tailgating before the game. The ESPN New York - 98.7FM pregame radio show broadcasts live from the west plaza area. Fans can enjoy activities for kids and a vast array of food and beverage. Also, fans can find the latest gear at the team's 10,000 square foot flagship plaza store. MetLife and the cornerstone partners – Bud Light, Pepsi, EMC/SAP and Verizon – are integrated into the game experience with ample space to engage and entertain fans.

Inside there is more food variety and concessions stands all adding up to a “Home Food Advantage” for fans. The intimate seating bowl, uncompromised sight lines, cutting-edge video boards, LED signage and state-of-the-art sound system all enhance the game-watching experience.

One of the biggest upgrades in MetLife Stadium is the availability of club seats. There are four clubs – Chase, Coaches, MetLife 50 and Toyota – that offer access to VIP reserved parking, a private club entrance as well as a host of other amenities and benefits.

The Atlantic Health Jets Training Center in Florham Park, N.J. is the headquarters of the New York Jets. The team moved into the facility with a formal ribbon-cutting ceremony on September 2, 2008. Located at One Jets Drive, this 224,000 square-foot complex is surrounded by nearly 100 acres of open space and provides players, coaches and staff of the Jets with a state-of-the-art learning, practice and working environment. The facility is a short drive to MetLife Stadium, Newark Liberty International Airport and Morristown Medical Center.

Woody Johnson hired world-renowned architecture firm, Skidmore Owings + Merrill and outlined three key objectives in the design of the training facility. First, as the first true corporate headquarters for the team, the new training center needed to represent the beginning of a new era for the Jets. Previously, the Jets business and football operations were located in separate multi-tenant buildings more than 30 miles apart. The Atlantic Health Jets Training Center is a modern, glass and steel building that seamlessly combines the operations of football and business departments. Serving as the home base for the entire Jets organization, it is equipped with open-concept workstations and state-of-the-art technology to create an efficient and friendly work environment. The training center was a major contributing factor in the team being named one of Inc. Magazine's Top Small Company Workplaces in 2010. An outdoor terrace, which overlooks the practice fields, provides a business entertainment area for both the team and its corporate partners.

## ATLANTIC HEALTH JETS TRAINING CENTER HIGHLIGHTS

- 224,000 square-foot facility on a 27-acre campus
- Five full-length fields
- Permanent scoreboards for each field
- More than 75 miles of data cabling
- 5,500 square-foot locker room
- 11,00 square-foot weight room
- 10 state-of-the-art classrooms
- 60 large-screen TV monitors
- The Players Gallery, consisting of a life-size photo of cheering Jets fans, spans the building's main corridor

Second, the training and medical facilities had to be state-of-the-art, combining the latest advances in rehabilitation pools, high-performance equipment and nutrition. The complex has five full-size football fields; three natural grass, one Sportex synthetic turf field outdoors, and another in the Field House, each with a permanent scoreboard. The goalposts on two of the natural grass fields can be repositioned 90 degrees in order to minimize wear on the grass. Inside the complex, the first floor is dedicated to one-hundred yards of football along the "Players Gallery", consisting of a life-size super-panoramic photo of cheering Jets fans that serves as a daily reminder of the tremendous support the Jets receive from our faithful fans. In addition, the first level features a 5,500-square-foot locker room, an 11,000-square-foot weight room, and a 10,000 square foot cafeteria.

Third, the training center needed to be a "graduate school for football." Players and coaches actually spend more time in the classrooms than on the football fields themselves. To that end, there is more than 25,000 square feet of space dedicated to classrooms and instruction space – including 10 classrooms. The classroom atrium is located just steps from the practice fields, with direct access to both the indoor and outdoor fields.

2015 will be the second year, and first since 2011, the Jets will host training camp at Atlantic Health Jets Training Center. The site, since 2009, has hosted mini-camps and organized team activities that were open to fans. The Atlantic Health Jets Training Center is evidence of the team's commitment to excellence, providing the organization with a competitive advantage and a new community to call home.

## MISSION - NEW YORK JETS FOUNDATION

The New York Jets take great pride in a long-standing, year-round commitment to our community. Programs funded by the New York Jets Foundation look to positively influence the lives of young men and women in the tri-state area by promoting fitness and supporting youth football, particularly in disadvantaged communities.

From launching football teams at urban high schools to urging students to be active for at least 60 minutes every day to providing new and reconditioned football helmets, the New York Jets invest in programs that make a difference in the lives of others. In addition to our focus on youth development, the Jets support the efforts of the Alliance for Lupus Research and numerous established charitable organizations and causes sponsored by the NFL.

## ALLIANCE FOR LUPUS RESEARCH

### Alliance for Lupus Research

PREVENT. TREAT. CURE.

The New York Jets are deeply committed to supporting the Alliance for Lupus Research (ALR)—a national voluntary health organization based in New York City, founded in 1999 and chaired by Robert Wood Johnson IV, a member of the founding family of Johnson & Johnson and owner of the New York Jets. The ALR's mission is to find better treatments and ultimately prevent and cure systemic lupus erythematosus (SLE, or lupus), a debilitating autoimmune disease by supporting the most promising and innovative lupus research. To date, the ALR has committed almost \$100 million to lupus research projects at the most prestigious universities, medical schools and hospitals throughout the world.

Since 2001, the New York Jets have increased awareness of lupus and helped to raise more than \$11 million for research through proceeds from the ALR Walk with Us to Cure Lupus program, the annual New York Jets Kickoff Luncheon and other events in the tri-state area. To find a walk near you, visit [www.alr.org](http://www.alr.org) or call toll free, (866) WALK-ALR. Together, we will find a cure!

## JETS PLAY 60 EQUIPPED BY MODELL'S

The New York Jets have taken a stance in the fight against childhood obesity through fitness and nutrition programs under the Jets PLAY 60 platform equipped by Modell's, which encourages children to get 60 minutes of activity every day. Our partnership brings together the Jets passion for helping children live healthy lives and Modell's vision to make sports accessible to everyone, as well as their commitment to programs that support families, youth, education, and physical activity. The Jets are proud to partner with Modell's to enhance our PLAY 60 initiative by bringing their product to our valued community partners in order to help the children we work with reach their full potential.

## JETS PLAY 60 EQUIPPED BY MODELL'S SCHOOL PROGRAM

The Jets PLAY 60 equipped by Modell's School Program has partnered with 10 local New Jersey schools for the 2015 season. This in-school program will challenge students to get 60 minutes of activity every day over a four week period. Each student participating in the PLAY 60 equipped by Modell's School Program will receive a Jets and Modell's branded game planner to track their minutes. Each planner will also include a Modell's coupon. The top male and female performing students in school will receive two tickets to the Jets PLAY 60 Game equipped by Modell's on November 29th against the Miami Dolphins and be recognized on field for their achievement. Modell's will provide all top 20 performing students with a special prize pack.

## Jets PLAY 60 Eat Right, Move More Program

Launched in 2006, the New Jersey Department of Agriculture's Jets PLAY 60 Eat Right, Move More Program partnered with the Robert Wood Johnson Foundation encourages New Jersey school children to take advantage of healthy foods

in their school cafeterias and become more active through grant incentives and Jets player visits.

The campaign asks schools to challenge their students to get 60 minutes of physical activity every day and invites schools to submit their most creative cafeteria meal menus to determine ten New Jersey schools each year that go above and beyond state and federal guidelines. The Robert Wood Johnson Foundation generously provides matching grants to the winning schools, which can be used for cafeteria infrastructure improvements and physical education equipment. Annually, one grand prize winning school is awarded a \$15,000 grant, a visit from the program's spokesperson, Jets kicker, Nick Folk, and on-field recognition at a Jets home game.

Four schools are awarded first prize grants of \$5,000 and a Jets player visit, while five finalists are awarded \$2,000 grants. To apply, check for the grant application at [www.state.nj.us/agriculture](http://www.state.nj.us/agriculture) in September.

## Fuel Up to PLAY 60 Hometown Grants

Tell us how your school district is making positive changes for student health! Through the Fuel Up to PLAY 60 program, the New York Jets and American Dairy Association and Dairy Council, Inc. is offering two \$5,000 Hometown Grants to eligible schools in Nassau County and Suffolk County. The program encourages youth to consume nutrient-rich foods and achieve at least 60 minutes of physical activity every day. Grants will be awarded to schools that provide increased access to school breakfast and best showcase the ways in which their students stay active for 60 minutes per day. These grants will be awarded to one school in each county to help facilitate sustainable physical activity and eating improvements. If your school has not already enrolled in the Fuel Up to PLAY 60 program, there's still time to complete the online grant at [www.fueluptoplay60.com](http://www.fueluptoplay60.com). This in-school nutrition and physical activity program was launched by the National Dairy Council and the National Football League, with additional support from the US Department of Agriculture. The application deadline is Friday, October 23, 2015. For more information, contact: Kristina Deecher at [kdeecher@adadc.com](mailto:kdeecher@adadc.com).

## American Heart Association Jets PLAY 60 Challenge Equipped by Modell's

The American Heart Association and the National Football League have teamed up to create the PLAY 60 Challenge, a program that inspires kids to get the recommended 60 minutes of physical activity a day. The PLAY 60 Challenge is an in-school curriculum created by the National Football League and the American Heart Association that has been implemented locally between the Jets, Modell's, and several schools in Morris County, New Jersey, the home of the Jets training facility. Childhood obesity rates are at an all-time high: today, nearly one in three kids and teens in the United States are obese or overweight. Physical activity produces overall physical, psychological and social benefits, while research suggests that inactive children are likely to become inactive adults. This program helps schools become environments that encourage physically active lifestyles year-round. Defensive back Jaiquawn Jarrett serves as the Jets PLAY 60 spokesperson. For all things PLAY 60 visit [www.nflrush.com/play60](http://www.nflrush.com/play60) and to become involved with PLAY 60 go to [www.nflrush.com/play60/school](http://www.nflrush.com/play60/school).

# JETS IN THE COMMUNITY

## Hometown Huddle

The NFL and United Way's Hometown Huddle is an NFL-wide day of service that provides NFL players, coaches, spouses, and staff from each team the opportunity to participate in a variety of community service activities. Each year the Jets Hometown Huddle consists of building a Jets PLAY 60 fitness zone in an underserved community.

In 2014 the New York Jets donated \$45,000 to build a PLAY 60 Fitness Zone playground for the Montclair Child Development Center. Since 1999, Hometown Huddle has helped to help make a difference in local NFL communities.

## PLAY 60 Challenge at Generation Jets Academy

The primary goal of Generation Jets Academy is to provide elementary school students with enjoyable learning experiences that enhance their literacy and math skills, creativity, community awareness and self-esteem. This education initiative provides students with personalized attention from caring and creative teachers and a 50 percent increase in learning time each day. Generation Jets Academy is operated by the Gary Klinisky Children's Centers of the Brooklyn Community Services.

Throughout the year, the Jets implement the PLAY 60 Challenge at Generation Jets Academy. Students attend field trips to enrich their lives as incentives for participation in the program. Generation Jets Academy is located at the Ethan Allen School (P.S. 306) in East New York, Brooklyn.

## YOUTH FOOTBALL

### Jets Youth Football presented by Chase

In 2014, Chase aligned with the New York Jets continued support for youth football in New York City and Northern New Jersey through a \$150,000 contribution. Because of donation this season, every team in the Pioneer Football League of New York City will receive brand new uniforms, with select teams also receiving new helmets and shoulder pads. Teams in the North Jersey Pop Warner Football League will also receive new helmets and shoulder pads. Players and coaches from the Pioneer Football League and North Jersey Pop Warner will have the opportunity to attend a Jets home game and select teams will play at half-time. In 2014, teams in the Twin Valley Football Conference received new helmets, shoulder pads, and every player obtained a long sleeve compression shirt for practice and games through the donation. Chase also provided the entire Newark Pop Warner League with new jerseys.

### SNY Play Ball: Football Week

The New York Jets have teamed up with our television partner, SNY, to offer support for youth football leagues in our community through SNY Play Ball: Football Week. SNY Play Ball offers leagues the opportunity to receive new footballs, tickets to a Jets preseason game, attend an exclusive youth football clinic, and volunteer with league projects in our local community. In addition, one eligible organization will receive a \$5,000 grant to be put towards new equipment for the upcoming season. The program will culminate in "Play Ball Week," where SNY will honor and highlight individuals and selected organizations daily on the television network and website. ### Jets Heads Up! – Public Schools Athletic League

In 2001, the New York Jets formed a community partnership with the Public Schools Athletic League (PSAL) to provide support to New York City public school football programs. The Jets and the PSAL expanded this partnership in 2005 and titled it Heads Up!

Through an annual matching grant from the NFL's Youth Football Fund,

the New York Jets now donate \$150,000 to the PSAL's football programs. This grant has helped to create 14 new and developmental football teams. The funding also as-

sisted in the creation of the first-ever PSAL female Varsity Flag Football League, the reconditioning of every student-athletes' helmet, two New York Jets PSAL \$5,000 college scholarships, and the expansion of C.H.A.M.P.S. Middle School Flag Football League to more than 200 programs throughout the New York City public school system. The Jets will continue to fund the cost for PSAL coaches to become USA Football Heads Up certified. Beyond these grants, the Jets continue to support the PSAL in a variety of other ways including honoring the PSAL football champions at a home game during the NFL season.

### C.H.A.M.P.S. Middle School Flag Football League

The Jets have teamed up with the New York City Department of Education (NYC DOE) to support the C.H.A.M.P.S. (Cooperative, Healthy, Active, Motivated, Positive Students) Middle School Flag Football League. Since 2007, more than 6,500 students at nearly 200 middle schools have participated in the program and have been provided the opportunity to engage in a wide variety of physical activities, including traditional sports, non-traditional sports and fitness activities both before and after school. The Jets commitment to the C.H.A.M.P.S. Middle School Flag Football League falls under the Heads Up! umbrella.

In 2014, the New York Jets and the NFL donated \$50,000 to the C.H.A.M.P.S. program and in-kind support and coaches training from USA Football and Fuel Up to PLAY 60 in the form of NFL FLAG Essentials Kits. Each kit includes 50 flag belts, 10 footballs and supplemental materials. The program promotes health-related fitness and sports skills that can be maintained long after school days are over.

### High School Coach of the Week presented by Chase

The Jets have been a proud participant in the NFL High School Coach of the Week program since 1996. The Jets present the award weekly to a coach in the tri-state area who best serves the interests of the game

through the teaching of sound football fundamentals, the motivation of young players to achieve, and the promotion of youth football by way of dedication to their community, school and student-athletes. Chase joined the program in 2014 to increase the impact of the award and recognizes each winner at a Jets home game with a signed certificate from General Manager Mike Maccagnan and Head Coach Todd Bowles, along with a personalized award ball. Chase and the NFL Foundation will also award each winner with a \$2,000 check for their high school's football program. In addition to the Coach of the Week awards, a Coach of the Year will be selected at the end of the high school season and awarded \$4,000 from the NFL Foundation and Chase.

## CHARITABLE PARTNERSHIPS

### Atlantic Health Jets Women's Organization

In 2008, the Jets Women's Organization and Atlantic Health partnered to form the Atlantic Health Jets Women's Organization (AHJWO). Through this partnership, the AHJWO can accomplish its mission of working together to build goodwill in the tri-state community through active volunteer participation. The Jets Community Relations Department oversees the organization with the assistance of Dana Glat wife of the Jets team president, Taneka Bowles, wife of the Jets head coach and Betty Maccagnan, wife of the Jets general manager.

The AHJWO serves as a unique and positive outlet in the community on behalf of the New York Jets and seeks to team up with select charities to assist in maximizing the impact of their events. The work of the AHJWO would not be possible without the partnership with Atlantic Health.

## United Way

Since 1973, United Way, the NFL and the New York Jets have had the most visible and longest-running charitable collaboration of its kind. Every year, thanks to community service projects and public service announcements, millions of Americans learn about United Way's vital work and the volunteer spirit of the NFL.

Combining their rich histories of active community involvement, United Way of New York City, United Way of Morris County and the New York Jets have teamed up to drive home the importance of community involvement. Their community outreach efforts include the Hometown Huddle, an annual hands-on volunteer project with players, the Gridiron Gala, New York City's premier charity event, and Tix for Kids, a charitable ticket turn-back program.

## Walter Payton Man of the Year Award

Since 1970, the NFL has awarded the Walter Payton NFL Man of the Year award to recognize a player's off-the-field community service, as well as his playing excellence. The Jets award winner will receive \$1,000 to donate to the 501(c)(3) organization of his choice. The team's recipient is eligible to win the national Walter Payton Man of the Year Award and be recognized at a press conference during Super Bowl Week. The national winner will receive \$25,000 to donate to the 501(c)(3) organization of his choice. The Jets have had two national winners, Marty Lyons in 1984 and Boomer Esiason in 1995.

## Marty Lyons Award

2013 Ring of Honor inductee, Marty Lyons, a former All-American defensive tackle from the University of Alabama, played the entirety of his 12-year NFL career with the New York Jets as a member of the feared "Sack Exchange." In 1984 Marty Lyons was named the National Football League's Man of the Year and in 1990 the New York Jets renamed their Outstanding Community Service Award the Marty Lyons Award because of Lyons' commitment to the community. Early in his career, Lyons befriended and became a surrogate father to a 3-year-old boy suffering from an advanced illness. Three years later, in the spring of 1982, the youngster's death coincided with the sudden death of Lyons' father and the birth of his first child, a healthy son. These experiences profoundly affected Lyons' outlook on life, fame and philanthropy. With the encouragement and the assistance of his family and friends, he established a foundation dedicated to granting wishes of seriously ill children. Incorporated

in 1982, the Marty Lyons Foundation helps to lift children's spirits and lets the magic of hope lead their thoughts and dreams for the future. More than 7,100 wishes have been granted to children suffering from life threatening or terminal illnesses since the foundation's inception. The Marty Lyons Award is presented each year to a New York Jets player that gives from the heart through charity and community involvement (as voted by Jets staff).

# NEW YORK JETS DRAFT PARTY

MetLife Stadium, East Rutherford, NJ

# WOODY JOHNSON

CHAIRMAN & CEO

EXPERIENCE: NFL: 16th • JETS: 16th

Robert Wood Johnson IV, a fourth-generation member of the founding family of Johnson & Johnson, has built upon his family's proud legacy of achievement as a successful businessman, civic leader and compassionate philanthropist. As an owner of the New York Jets, Johnson continues his commitment to a culture of success built on three key elements: passionate players, supportive fans and a new home field. His improvements to the franchise include: building a competitive team each season, a world-class training complex and a 21st-century sports stadium. Under his leadership, the Jets posted eight winning seasons, appeared in 12 postseason games, played in two AFC championship games, and captured an AFC East title.

Johnson's philosophy of a successful team celebrates the crucial role of fans, as well as the significant role the team plays in enriching the greater community. In this spirit, the New York Jets Foundation funds programs such as PLAY 60 Eat Right Move More to help teach children the importance of good health habits, enhance educational experiences and support the region's disabled and disadvantaged residents.

Johnson serves as a Trustee Emeritus of the Robert Wood Johnson Foundation, the nation's largest philanthropic organization devoted exclusively to promoting health and advancing healthcare. The Foundation aims to prompt new public policy, inspire action from the private sector and improve the delivery of the best health care to the most people.

Johnson's healthcare initiatives also include support

for lupus research. In 1999, Johnson founded the Alliance for Lupus Research (ALR), an organization devoted exclusively to finding new methods to prevent, treat and ultimately cure lupus. The ALR-funded International SLE Genetics Initiative recently uncovered several of the genes associated with lupus. ALR-funded research laid the foundation for development of 30% of all lupus drugs currently in the clinical-trial pipeline.

In Washington, D.C., Johnson has been a strong advocate for increased government spending for medical research. He helped initiate the campaign "The Only Remedy Is a Cure," transforming the Juvenile Diabetes Research Foundation (JDRF) from a small, non-profit group into the largest private medical entity focused on finding a cure for diabetes. Today he serves as Chairman of JDRF International.

Johnson is active in local philanthropy and civic affairs, serving as a board member of the National September 11 Memorial & Museum at the World Trade Center. He also lends his time and talents to the Council on Foreign Relations, and the Peregrine Fund, and is an Honorary Trustee of the Wildlife Conservation Society.

# NEIL GLAT

President

EXPERIENCE: NFL: 19th • JETS: 4th

Neil Glat is entering his fourth season with the Jets after being named President in April 2012. Glat reports directly to Jets Chairman and CEO, Woody Johnson, and oversees all elements of team business operations.

Since joining the Jets, Glat and his senior staff have focused on many fan engagement initiatives, including launching the Jets Rewards program and digital ticketing, revamping the gameday experience at MetLife Stadium, implementing a year-round fan engagement calendar with new events such as the Town Hall and Movie Night, introducing new platforms such as Jets House and the Jets Cruise, and significantly expanding the quantity and reach of Jets digital content. Also, under Glat's leadership, the Jets have reconfigured their strategy for season tickets by adding new benefits and incorporating variable pricing, with the goal of attracting more season ticket holders to augment home field advantage. In addition, Glat helped broker the partnership with EMC/SAP, the newest cornerstone partner of MetLife Stadium, and extended

successful media partnerships with CBS, ESPN Radio, and SNY. Among many other initiatives, Glat continues to strive for the organization to be best-in-class in all areas of the sports business.

Prior to joining the Jets, Glat was the National Football League's Senior Vice President of Corporate Development. Glat headed a department responsible for League strategic initiatives, new business development, Club business development, and stadium development. Glat's Club business development activities entailed initiating and overseeing the League efforts to help grow revenues for all 32 NFL Clubs. His stadium development activities included advancing numerous successful new stadium projects and the League's G-3 and G-4 stadium financing programs. Also, he conceptualized and secured approval for the launch of the NFL venture capital fund. Glat worked at the NFL from 1997-2012.

Glat received a J.D. from Harvard Law School after graduating with a degree in Economics from the Wharton School at the University of Pennsylvania.

# MIKE MACCAGNAN

GENERAL MANAGER

EXPERIENCE: NFL: 18th • JETS: 1st

Mike Maccagnan was named General Manager of the New York Jets by Woody Johnson on January 13, 2015. Prior to his arrival in Florham Park, he spent more than 20 years in scouting, including the last four as the director of college scouting for the Houston Texans.

“We interviewed a number of impressive, qualified candidates, but Mike Maccagnan clearly stood out,” said Johnson. “Mike’s attention to detail, strong personnel background and collaborative approach to evaluating players made it clear that he is the right choice to be the next General Manager of the New York Jets. We are proud to welcome Mike to the organization and I am confident that he will help us build a winning team.”

Maccagnan joined Houston in 2000, shortly after the expansion franchise was awarded. One of Charley Casserly’s original hires as Texans general manager, he spent his first 10 seasons with the club as the coordinator of college scouting before twice being promoted by current general manager Rick Smith, first to assistant director of college scouting in 2010 and then to the director of college scouting the following season.

He had a hand in every draft in Texans franchise history, selecting or signing an undrafted rookie free agent Pro Bowler at every position group with the exception of quarterback and specialist. RB Arian Foster (undrafted rookie free agent), WRs Andre Johnson (first-round pick) and Jacoby Jones (third-round pick), TE Owen Daniels (fourth-round pick), LT Duane Brown (first-round pick), DE J.J. Watt (first-round pick), DE Mario Williams (first-round pick), DE Jason Babin (first-round pick), LBs Brian Cushing (first-round pick) and DeMeco Ryans (second-round pick), CB Tramon Williams (undrafted rookie free agent) and S Glover Quin (fourth-round pick) were added to the roster and went on to make at least one Pro Bowl appearance in their careers.

Despite selecting just two offensive linemen before the third round since 2008, Maccagnan helped add talent to a position group that has cracked the top 10 in sacks allowed (eighth), rushing yards (eighth) and fewest turnovers (10th). In 2014, 65% of the Texans offensive line starters joined the team as a result of the draft or as an undrafted rookie free agent.

Maccagnan got his start in the NFL as a training camp intern with the Washington Redskins, and later re-joined the team in 1994 as a college scout before spending the next five seasons as a pro scout.

Prior to returning to Washington, Maccagnan served as a league scout for the World Football League at their office in Dallas, joining the London Monarchs the following year for the team’s championship run. He also spent time in the Canadian Football League, first with the Ottawa Rough Riders and later with the Saskatchewan Roughriders.

Married to wife, Betty, Maccagnan is a native of Hightstown, NJ, and holds a bachelor’s degree in economics from Trinity College.

# TODD BOWLES

HEAD COACH

HOMETOWN: Elizabeth, NJ

COLLEGE: Temple

EXPERIENCE: NFL: 18th • JETS: 2nd

## COACHING CAREER

On January 14, 2015, Chairman and CEO Woody Johnson named Todd Bowles the new head coach of the New York Jets.

"I am proud to welcome Todd Bowles as the head coach of the New York Jets," Johnson said. "From entering the league as an undrafted free agent in Washington to becoming a very successful coordinator in Arizona, Todd has earned everything he has achieved. He is a hard-working and dedicated leader who has garnered the respect of players and coaches. I am confident that Todd and Mike Maccagnan are the right combination to lead this team."

For Bowles, an Elizabeth, NJ native, he returns home and to the team with which he began his NFL coaching career back in 2000 as a defensive backs coach. Now in his first season as head coach, Bowles brings with him a résumé of 15 seasons spent climbing the coaching ranks with six different NFL teams.

Most recently, Bowles was the defensive coordinator for the Cardinals for the past two seasons (2013-14), earning Assistant Coach of the Year recognition in 2014 from both the Pro Football Writers of America and *The Associated Press*, the first ever recipient of the AP award. During his time with the Cardinals, Arizona's defense ranked in the top five in the league in several statistical categories, including third in fewest rushing touchdowns allowed (14), fifth in points per game allowed (19.5) and fifth in rushing yards per game (96.6). Also, Bowles' defenses demonstrated a knack for causing turnovers and returning them for scores. In that span, the Cardinals ranked first in defensive touchdowns (nine) and fifth in interceptions (38).

In 2014, despite key losses to injury, Arizona's defense remained among the league's best and helped the Cardinals tie their highest win total in franchise history with 11. The defense ranked fifth-best in the NFL in points per game allowed (18.7), tied for fifth in fewest touchdowns surrendered (32), tied for third in interceptions returned for touchdowns (three), and tied for fifth in turnover margin (+eight).

During Bowles' first season as Arizona's defensive coordinator in 2013, his defense immediately developed into one of the more stout units in the NFL. The Cardinals finished the

2013 campaign with 10 wins, led by the league's sixth-ranked overall defense with 317.4 yards per game allowed. Arizona finished with the NFL's number one rushing defense for the first time in franchise history, surrendering 84.4 yards per game, improving from 28th in the league in 2012. Additionally, the Cardinals defense ranked seventh in points allowed per game (20.3), sixth with 30 takeaways and fifth with 20 interceptions. The team's 47.0 sacks in 2013 were good for the third highest in a season in team history.

Under Bowles' tutelage, three different Cardinals defensive players were named to the Pro Bowl since 2013. Most notably, CB Patrick Peterson made the Pro Bowl both seasons and was recognized as a first-team Associated Press All-Pro in 2013. DE Calais Campbell was named to his first Pro Bowl in 2014, and earned second-team All-Pro honors after totaling 59 tackles, seven sacks, three passes defended and 17 quarterback pressures. In 2013, LB Karlos Dansby earned second-team All-Pro honors and LB John Abraham was a Pro Bowler after accumulating a team-leading 11.5 sacks, the most by a linebacker in a single season in team history.

Prior to joining the Cardinals, Bowles coached in Philadelphia (2012), Miami (2008-11), Dallas (2005-07) and Cleveland (2001-04) after his start with the Jets (2000).

With the Eagles, he began the season coaching the team's defensive backs for the first six games before his appointment to interim defensive coordinator for the final 10 contests. The Eagles finished ninth in the NFL in pass defense (216.9 ypg.) that season.

Before his time with the Eagles, he spent four seasons with the Dolphins, serving as the team's assistant head coach/secondary. In 2011, he was named interim head coach for the final three games, leading the club to a 2-1 record. In his time with the Dolphins, opposing quarterbacks completed just 58.1% of their passes, the seventh-lowest total in the league, while S Yereemiah Bell (2009) made his only Pro Bowl appearance in that span.

Previous to his time with Miami, he reunited with Head Coach Bill Parcells (who as the director of football operations for the Jets in 2000 hired Bowles to his first coaching job in the NFL) as the secondary coach for the Cowboys from 2005-

07. During that span, the Dallas defense totaled 52 interceptions, tied for third-most in the NFC, and ranked fifth in the NFC by holding opposing offenses to 310.4 total yards per game. He coached three defensive backs to a total of five Pro Bowls in Dallas, including three appearances by S Roy Williams and the first career trips for S Ken Hamlin and CB Terence Newman.

From 2001-04, Bowles was a defensive assistant for Cleveland, serving as the secondary coach (2004) and defensive nickel package coach (2001-03). In 2004, the Browns ranked fifth in the NFL in passing yards allowed with 181.3 yards per game. His first year with Cleveland in 2001, the Browns defense set a franchise record with 33 interceptions, including 28 picks by the secondary.

Bowles got his start in the NFL coaching ranks in 2000 as the Jets defensive backs coach, and mentored a secondary that was ranked sixth in the NFL in pass defense, allowing 183.3 yards per game.

Before beginning his NFL coaching career, Bowles was recruited by his former Redskins teammate, QB Doug Williams, despite never having coached at any level, to serve as the defensive coordinator/secondary coach at More-

house College in 1997 and then as the defensive coordinator/secondary coach at Grambling State from 1998-99.

After his retirement as a player, Bowles spent two seasons (1995-96) with the Green Bay Packers player personnel department under General Manager Ron Wolf, working alongside five current NFL general managers, John Dorsey, Scot McCloughan, Reggie McKenzie, John Schneider and Ted Thompson.

Despite going undrafted in the 1986 NFL Draft, Bowles, the four-year letterman and team captain out of Temple (1982-85), played in 117 regular-season games at cornerback and safety and registered 15 interceptions and seven fumble recoveries in his eight-year career playing for the Washington Redskins (1986-90, 1992-93) and the San Francisco 49ers (1991). He was a starter on the 1987 Redskins championship team that defeated the Denver Broncos, 42-10, in Super Bowl XXII.

Bowles makes his return to The Garden State, with the Atlantic Health Jets Training Center just 22 miles from his hometown. Bowles and his wife, Taneka, have a daughter, Sydni, and three sons, Todd Jr., Troy and Tyson.

April spent two seasons as the special teams coordinator in OAK (2013-14) after serving in the same capacity with PHI (2010-12). In 2012, Damaris Johnson returned a punt 98 yards for a touchdown, establishing an Eagles franchise record and tying for third-longest in NFL history. In 2011, April successfully integrated both a rookie kicker and a rookie punter on to his units. Alex Henry set a team record and an NFL rookie mark by hitting 88.9 percent of his field goals (24-for-27), including his last 16 attempts. The team also ranked third in the league in punt coverage.

In his first season with PHI (2010), April's special-teams corps ranked seventh in net punting average, ninth in kickoff coverage and 12th in punt-return average. Kicker David Akers led the NFL in scoring and earned a Pro Bowl selection, while punter Sav Rocca set a franchise record with a 39.0 net punting average.

Prior to joining the Eagles, April spent six seasons (2004-09) with Buffalo, and in three of those six years guided the Bills to the No. 1 spot in the annual Dallas Morning News rankings. Under April, punter Brian Moorman earned two Pro Bowl berths and punt returner Roscoe Parrish led the NFL with a 15.3-yard average in 2008. That same year, rookie kickoff returner Leodis McKelvin finished third in the NFL with a 28.2-yard average. In 2004, Terrence McGee earned a Pro Bowl nod after returning a franchise-record three kickoffs for touchdowns. In 2005, Bills long snapper Mike Schneck joined Moorman on the AFC Pro Bowl squad. April was named Special Teams Coach of the Year by his peers twice, in 2004 and 2008. April began his stint in Buffalo in 2004 as the special teams coordinator before being promoted to assistant head coach/special teams following the 2005 season.

# CHAN GAILEY

## OFFENSIVE COORDINATOR

**HOMETOWN:** Americus, GA

**COLLEGE:** Florida

**EXPERIENCE:** NFL: 19th • JETS: 1st

### COACHING CAREER

Named the offensive coordinator on January 20, 2015, Chan Gailey returns to the AFC East after most recently being the head coach of the Buffalo Bills from 2010-12, adding to his 38 seasons of coaching experience, including 18 in the NFL, 18 in the college ranks and two in the World League (WLAF). Gailey has coached all three phases during his career, but has spent 12 of his previous 18 NFL seasons as a head coach or offensive coordinator, with a resume that includes four Super Bowl appearances, including three with the Denver Broncos (XXI, XXII, XXIV) and one with the Pittsburgh Steelers (XXX).

In 2012 as Buffalo's head coach, Gailey oversaw an offense that ranked sixth in the NFL in rushing (138.6 ypg) and fourth in yards per attempt (5.02). Under Gailey's guidance, RB C.J. Spiller set career bests in 2012 in rushing yards (1,244), good for eighth-best in the NFL, total touchdowns (eight), carries (207), receptions (43), and receiving yards (459), and played in his first Pro Bowl. Additionally, DT Kyle Williams and S Jairus Byrd were named to the Pro Bowl following the 2012 season.

Prior to Buffalo, Gailey was the Kansas City Chiefs offensive coordinator in 2008 and for just the third time in franchise history they finished the season with a pair of 1,000-yard receivers – Pro Bowl TE Tony Gonzalez (1,058) and WR Dwayne Bowe (1,022).

Gailey became the head coach of Georgia Tech in 2002 and remained with the Yellow Jackets until 2007. He was the first head coach in school history to lead the team to bowl game appearances in his first six seasons and compiled a 44-33 record. Over the course of his six seasons as Georgia Tech's head coach, 46 players were either drafted into the NFL or were signed by an NFL team as an undrafted free agent, headlined by the number two selection in the 2007 NFL Draft, WR Calvin Johnson, who also won the Biletnikoff Award and was ACC Player of the Year.

In Miami as the offensive coordinator from 2000-01, the Dolphins made two playoff appearances, posting back-to-back 11-win seasons. Miami averaged 118.4 rushing yards per game in 2000, at the time the team's highest rushing total since 1984.

Gailey's first NFL head coaching job came in 1998 when he was named head coach of the Dallas Cowboys. During his tenure in Dallas, he led the Cowboys to consecutive trips to the postseason, with the offense scoring 37 rushing touchdowns, the fourth-highest total in the league during that span.

Before joining the Cowboys coaching staff, Gailey was with the Steelers for four seasons, first as the wide receivers coach (1994-95) before being promoted to offensive coordinator (1996-97). During those four years, Pittsburgh won the AFC Central four times, appeared in three AFC Championship Games and one Super Bowl. In his time as the Steelers offensive coordinator, Gailey was credited with implementing the "Slash" offense that featured dual-threat QB Kordell Stewart. In 1997, the Steelers led the NFL with 154.9 rushing yards per game, ranked sixth in total offense (34.6 ypg) and seventh in scoring (23.3 ppg).

In Gailey's offense, RB Jerome Bettis had his two most productive seasons as a pro, rushing for 1,431 yards in 1996, which ranked third in the NFL, and following that up with a career-best 1,665 rushing yards in 1997, again third-best in the league. Bettis was named to the Pro Bowl in both seasons and scored a total of 20 touchdowns.

In between his first two jobs coaching in the NFL, Gailey had a one-year stint as the head coach of Samford University (1993) and was the head coach of the Birmingham Fire (WLAF) from 1991-92.

Gailey began his NFL coaching career as an assistant in Denver for six seasons (1985-90) under head coach Dan Reeves, helping the Broncos advance to three Super Bowls. Gailey coached Hall of Fame QB John Elway in 1988 as the Broncos quarterbacks/receivers coach and from 1989-90 as the offensive coordinator/receivers. Also, he was the Broncos special teams/defensive assistant in 1985 and the special teams/tight ends coach from 1986-87.

Before coaching in the NFL, Gailey was the head coach at Troy State (1983-84), where in 1984 he led the Trojans to a 12-1 record and an NCAA Division II National Championship. Previously, he was on the coaching staff at Air Force, initially as a defensive assistant from 1979-80, and then as the defensive coordinator from 1981-82.

Gailey began his coaching career as a graduate assistant at the University of Florida from 1974-75, before coaching the secondary at Troy State (1976-78).

- **RB Lamar Smith** (MIA 2000-01) – In his only two seasons with Gailey, he registered his two best seasons, rushing for 1,139 and 968 yards. He did not eclipse 750 yards on the ground in any of his eight other NFL seasons.
- **TE Tony Gonzalez** (KC 2008) – In his lone season under Gailey, recorded 96 receptions, 1,058 yards and 10 touchdowns, all totals which rank amongst the top three of his career.
- **WR Stevie Johnson** (BUF 2010-12) – Upon Gailey's arrival in 2010, recorded career numbers with 82 receptions for 1,073 yards and 10 touchdowns and the next two seasons (2011 & 2012) he added similar numbers, ranking in the top three of his career thus far. His three totals under Gailey were amongst the best in the league as he ranked 10th in receptions (237), 11th in receiving yards (3,123) and tied for 12th in touchdown receptions (23).
- **RB C.J. Spiller** (BUF 2012) – Emerged in his third season with Gailey as he registered career highs with 207 carries for 1,244 yards rushing (6.0 avg.) and 43 receptions for 459 yards. His 1,703 total yards were the fifth-highest total among running backs, despite having over 50 fewer touches from the four players in front of him.

COLLEGE: UCLA

EXPERIENCE: NFL: 10th • JETS: 1st

## COACHING CAREER

Karl Dorrell was named the Jets wide receivers coach on January 23, 2015, after accumulating 26 years of coaching experience at the collegiate and professional levels, including serving as the offensive coordinator/quarterback coach for Vanderbilt last season.

In his last NFL stint, Dorrell helped the Texans reach the playoffs in 2012, when he tutored QB Matt Schaub to his second career Pro Bowl. With Dorrell's guidance, Schaub recorded 4,008 passing yards and completed 64.3 percent of his passes, his highest completion percentage since 2009.

Prior to his time with Houston, Dorrell spent four seasons in Miami, three as a wide receivers coach (2008-10) and the last as quarterbacks coach (2011). In 2011, he mentored Dolphins QB Matt Moore to a career season, as Moore took over the starting job in Week Five and set career highs in almost every category, while also ranking fourth among AFC quarterbacks with an 88.7 passer rating.

From 2008-10, as the wide receivers coach, Dorrell saw Brandon Marshall and Davone Bess combine for the fourth-most receptions of any duo in the NFL. Bess had 209 receptions from 2008-10, the most by any Dolphins player in his first three years with the team.

That same season, the Bruins defeated two ranked opponents, No. 21 Oklahoma and No. 10 California. The 2005 squad was led by quarterback Drew Olson and running back Maurice Jones-Drew, who helped the Bruins rank No. 5 nationally in scoring offense (39.1) and No. 23 in both passing offense (270.3) and total offense (431.0).

Dorrell's first full-time stint in the NFL came from 2000-02 when he served as the wide receivers coach for the Denver Broncos. While with the Broncos, he helped Rod Smith eclipse 1,000 yards receiving three times, and earn two Pro Bowl selections. In 2000, Ed McCaffrey posted 101 receptions for 1,317 yards and combined with Smith to become only the second wide receiver duo to each catch 100 passes in a single season.

Dorrell received his full-time opportunity with the Broncos after working with the staff during training camp in 1993 and 1999 as part of the NFL's Minority Coaching Fellowship program.

Dorrell coached wide receivers at Colorado from 1992-93 and Arizona State in 1994 before returning to Colorado to serve as offensive coordinator and wide receivers coach of the Buffaloes from 1995-98. While in Colorado, Dorrell helped Charles Johnson and Michael Westbrook become just the fourth pair of receivers on the same team to top 1,000 yards in a season.

Last season, Heller helped integrate new RT **BRENO GIACOMINI**, an unrestricted free agent signing, and 2013 fifth-round selection **ODAY ABOUSHI**, a college tackle, into the starting lineup at left guard after **BRIAN WINTERS** was lost for the season with an injury. The offensive line helped pave the way for a rushing offense that produced 142.5 yards per game, the third best average in the league.

In 2010, his group helped pave the way for the league's third-ranked rushing offense, averaging 149.7 yards per game, and 4.7 yards per carry (fifth in the NFL), despite having just two offensive linemen start all 16 games. Jones-Drew finished the season with the fifth-most rushing yards in the NFL (1,324).

Prior to his two-year stint with the Jaguars, Heller spent four years coaching in the Canadian Football League and NFL Europe, including stops with the Amsterdam Admirals (2004, 2006-07) and Toronto Argonauts (2009).

Prior to joining the Jets, Johnson spent eight seasons as the Vikings tight ends coach, utilizing a variety of different players in his time there. Four different tight ends led the group in receptions, including Jermaine Wiggins (2006), Visanthe Shiancoe (2007-11), Kyle Rudolph (2012) and John Carlson (2013). Under Johnson, Shiancoe posted 208 catches for 2,424 and 24 touchdowns in five seasons, despite amassing just 35 catches for 253 yards and three touchdowns in the four seasons prior to joining Minnesota. In their time under Johnson, Vikings tight ends also excelled in the red zone, producing 36 touchdowns on just 75 targets, or almost half a touchdown per target, the best in the league.

His group helped pave the way for the NFL's top rushing attack, as the Vikings produced 138.2 yards per game on the ground, the best yards per carry attempt (4.75), the most carries of 10+ yards (505) and the second-most rushing touchdowns (141). Additionally, Minnesota ran out of two-TE sets more than all but one other team and produced the most yards, the highest yards per carry average and the most carries of 10+ yards in the league.

Before entering the NFL coaching ranks, Johnson was the offensive coordinator/quarterbacks coach at Texas Southern (2004-05), the offensive coordinator/quarterbacks/wide receivers coach at Shaw and the running backs coach at South Carolina State.

A founding member of the "New York Sack Exchange," Lyons, together with teammates Mark Gastineau, Joe Klecko and Abdul Salaam, helped lead the 1981 Jets to a franchise-record 66 sacks, and the team's first playoff appearance since 1969.
