# THE HATCHING OF THE NAME

Western Florida's team. That's the idea behind Northwest Professional Baseball before it was even considered that there would need to be a name for the team that was going to play in Pensacola's beautiful bay-front, multi-use stadium. So, ownership and management turned their focus to the community when trying to establish the basis for the new team's long-term identity for the brand new Double-A team that was about to call Pensacola its home.

Along the way, local newspapers and television stations publicized the contest that was opened up to the public. Ownership was adamant that the name be submitted by a member of the community and voted on by future supporters of the team. The organization was flooded with suggestions from fans all over Northwest Florida. After all the names were collected, the list of nearly 1,700 suggestions was narrowed down to the six names that received the most submissions. The Pensacola News Journal printed the top names - Aviators, Blue Wahoos, Loggerheads, Mullets, Redbones and Salty Dogs - and opened voting online and through various sponsor sites.

In the end, Blue Wahoos became the name of Pensacola's team. Shelley Yates, who gained the most votes and originally submitted the winning name explained her reasoning for her suggestion: "I thought (Blue Wahoos) would be really fun because it has great long-term marketability, it's fun to say, you can chant it and it has a bunch of long-term possibilities. Wahoo's delicious. It's fun to catch. It's a ferocious predator of the seas. So I thought it would be a lot of fun and a great name for Pensacola." While there is no such thing as a "Blue Wahoo," the color distinction comes from the iridescent blue of the wahoo fish when it is first taken out of the water, the blue waters of Pensacola and the Naval history represented by the Blue Angels.

Once the team name was set, management began the process to establish a set of logos for the Blue Wahoos. Plan B Branding is one of the top design agencies used in professional baseball and was the obvious choice to design the new logo. Gallery Night on November 18 was the stage for the unveiling of the new logos. Hundreds of fans gathered on Palafox in anticipation to hear addresses from Blue Wahoos management and Pensacola Mayor Ashton Hayward. Staffers unrolled the banners over the balcony railings of Elebash Jewelers to reveal the logos. Merchandise was immediately set out for purchase. Amidst excitement surging through the crowd, the tables of merchandise were nearly wiped clean. A symbol of things to come for the Blue Wahoos.

### Delino DeShields

#### MANAGER

Delino DeShields enters his fifth season in the Reds organization, his fourth as a manager at the professional level and his first in Double-A. In 2010, he was the skipper at Rookie Billings, where he served as the hitting coach in 2009, and in 2011 and 2012 was the manager at Low-A Dayton. DeShields enjoyed a 13-year big league career with the Expos, Dodgers, Cardinals, Orioles and Cubs. He was the first-round draft pick for the Expos in 1987 and made his Major League debut with Montreal in 1990. That year he finished second in the National League Rookie of the Year voting. DeShields finished his big league career with a .268 batting average. His 463 career stolen bases rank him in MLB's top 50 all-time.

### Tom Brown

#### PITCHING COACH

Tom Brown enters his seventh season in the organization, his fourth as pitching coach at Double-A. He spent the 2007-09 seasons as the pitching coach for the Reds' High-A team. Prior to joining the organization, he served as pitching coach in Triple-A for Albuquerque (2006), Fresno (2005), Portland (2003-2044), Las Vegas (1999) and Oklahoma (1995-98). Brown began his professional coaching career in the Baltimore Orioles organization as pitching coach for Double-A Hagerstown (1988-90) and for the GCL Orioles (1981). He was pitching coordinator in the Orioles' minor league organization for 5 years and a pitching coordinator in the Padres' system for 4 years. During his playing days, Brown pitched in both the Kansas City Royals and Seattle Mariners chains, appearing in 6 Major League games with Seattle in 1978. He attended Northeast Louisiana University, where in 1972 he led the nation with a 0.51 ERA. Tom and his wife of 42 years, Sandy, reside in Venice, Florida.

### Dick Schofield

#### HITTING COACH

Dick Schofield is in his first season in the organization. He previously worked in the Angels' minor league system as a roving infield coordinator (2012) and hitting coach for High-A Inland Empire (2011). The former shortstop played 14 Major League seasons with the Angels, Mets, Blue Jays and Dodgers and led the American League in fielding percentage 4 times. Schofield played on the Angels' 1986 Western Division championship club, hitting an even .300 in that year's ALCS against the Red Sox, and was a member of Toronto's 1993 World Series championship team. In Game 3 of that '86 ALCS, he belted a home run off Oil Can Boyd. A native of Springfield, Illinois, Schofield was drafted by the Angels in the first round (third overall) of the 1981 draft. He resides in St. Louis with his wife and 4 children.

Rule 1.8 -- Division Champions

(a) First Half - Second Half Winners

The club which wins a greater percentage of overall games at the end of the first half of the split season of the adopted schedule shall be declared the first half division winner. The club which wins a greater percentage of overall games from the second half of the split season of the adopted schedule shall be declared the second half division winner.

(b) Ties for Division Winner

In case of a tie for division winner in the first half, the first time the two teams meet in the second half, the winner of Game 1 of that series will be declared the first half division winner. Although the home team may advertise this game as the first half division play-off game, this game will be counted in the second half standings and all statistics will be included for that championship season, making it unnecessary to play a doubleheader on the second day of the series.

In case of a tie for division winner in the second half, a one game play-off shall be played the day following the end of the regular season. The winner of this play-off game shall be declared the second half division winner. The site of this game shall be determined by a flip of a coin by the League President; or if mileage constraints must be considered, the League President shall have the discretion to decide where the one game play-off shall be held. In the event of a one game play-off for the second half divisional crown, the home club shall pay the visiting club ... and the home club shall be entitled to all revenue from such game. In case of rain, the game shall be played the following day. Any games played to break a divisional tie shall be included in the statistics for that championship season, except that the game result shall not be included as part of the winning and losing records of the participating clubs.

(c) Three-way Tie

In case of a three-way tie, in head-to-head competition, the combined record (at the end of the half in question) for each team against the other two opponents will be the most important consideration. The team with the best winning percentage will automatically be designated as one of the competitors. Whoever has the lowest percentage of win/lose will be eliminated.

If both remaining teams are tied, in head-to-head competition, the combined record for each team against the other divisional opponents will be considered. Whoever has the lowest percentage of win/lose will be eliminated.

If both teams remain tied, best record for last 35 games of half, if needed, is first considered; then the best record for the last 20 games of half is considered; and if still needed, best record for last 10 games of half is considered. After one of the two teams is eliminated, we follow the existing rule to determine the champion in which the two remaining clubs will have a one game play-off game to determine that half's winner.

(d) Division Playoffs

The first and second half winners in each division shall meet in a best 3 out of 5 series on the day following the determination of both first and second half winners or as otherwise established by the League President. The first half winners shall host the first two games of the series while the second half winners shall host Game 3 and Games 4 and 5, if necessary. Unless otherwise agreed to by the participating clubs and League President, a team winning both halves of the split season shall play the first two games of the division play-offs in its home park, the third game in the park of the runner-up club, and the remaining two games, if necessary, in its home park. The runner-up club, which shall be the opponent if a club wins both halves, shall be defined as the divisional club with the second best overall record for the entire season. For each divisional play-off game, the home club, at the conclusion of each home series, shall submit to the League Office a report form giving a full statement of attendance for all play-off games. ... In case of rain, the games shall be played the day following the scheduled game date. Winners of the division play-offs shall be declared division champions.

All the above-mentioned divisional play-off games shall be scheduled for nine innings, shall not count in the official standings, and individual records of these games shall not be included in the official statistics of the League.

Rule 1.9 -- League Champions

The division champions shall compete in a best 3 out of 5 Championship Series, the winner of which shall be declared League champion. The North division champion will host the first two games in even years, the South division champion in odd years, with the next three games, if necessary, to be played on the home ground of the other division winner unless otherwise mutually agreed to by the competing clubs and the League President. In case of a conflict, sites of the games shall be decided by mutual consent of the competing clubs, with approval of the League President.

**TERMS AND CONDITIONS OF CREDENTIALS FOR MINOR LEAGUE BASEBALL EVENTS**

The term "Event" as used herein includes, but is not limited to, any exhibition, regular season or post season game. Each individual or entity signing for or using a credential, and his/her/its employers (each signer, user and employer, a "Bearer"), agrees to the following:

1. Each Bearer represents that he or she is acting on specific assignment for a newspaper, press, news or photographic service and that Bearer is authorized to bind himself or herself and any entity or entities with which he or she is affiliated to these terms and conditions.
2. The use of any account, description, picture, photograph, video, audio, reproduction, or other information concerning an Event (the "Event Information") other than for news coverage of, or magazines, books or stories about the Events, or for First Amendment-protected purposes, is prohibited, except (a) by prior written consent of the President of the NAPBL or (b) as specifically licensed by Paragraph 6 below. Nothing in these terms and conditions authorizes Bearer to violate the Baseball Entities trademark, copyright and other proprietary rights. The Baseball Entities are the exclusive owners of, and expressly reserve all rights in, their trademarks, copyrights and other proprietary rights in their names, logos, mascots and uniform designs.
3. While an Event is in progress, Bearer shall not transmit or aid in transmitting any Event Information on a play-by-play or pitch-by-pitch basis more frequently than once every half-inning of play except to report on a significantly historic and newsworthy event. This limitation shall not apply to internal transmissions between the Bearer and Bearer's employer.
4. While an Event is in progress Bearer shall not transmit, display, or aid in displaying any video, audio, pictures, photographs or other non-text based accounts or descriptions of the Event that Bearer obtains at that Event in any media, except this limitation shall not apply to internal transmissions between the Bearer attending the Events and such Bearer's employer. The foregoing limitation shall not preclude the on-line transmission or display of up to seven still pictures or photographs of any Event during its progress; provided, however, that under no circumstances may Bearer display any more than seven still pictures or photographs of any Event during its progress.
5. Bearer assumes all risks incidental to the performance by the Bearer of Bearer's services in connection with an Event and assumes all risks incidental to an Event, whether occurring prior to, during or subsequent to the actual playing of the Event, including, but not limited to, the risk of being injured by bats or fragments thereof, and thrown or batted balls, and agrees that the National Association of Professional Baseball Leagues, Inc., Professional Baseball Promotion Corp., all member Leagues and Clubs of the NAPBL, Major League Baseball, the Baseball Office of the Commissioner, and all of their constituent clubs, and all of their respective owners, shareholders, affiliated entities, stadium owners and managers, partners, agents, officers, directors, players and other employees (collectively, the "Baseball Entities") shall not be liable for damages including, without limitation, damages for injuries or loss of or damage to personal property or equipment.
6. PICTURES AND PHOTOGRAPHS: The credential confers on Bearer a limited, non-exclusive and non-transferable license to take pictures and photographs of an Event, and to allow the entity that engaged the Bearer to use them only for news coverage of, or magazines, books or stories about the Event, other editorial purposes, and reprints of news pages from such entity's publications, provided that such use is not likely to create, or does not actually create, confusion in the minds of the trade or public that reprints or elements therein, or the items on which they are reprinted, are sponsored or endorsed by, or affiliated with, any of the Baseball Entities, or that any of the Baseball Entities licensed Bearer to use their trademark or copyrights. In exchange for the access granted by the credential, the Baseball Entities shall have the right to purchase prints of any published pictures or photographs taken by the Bearer in connection with the credential at the best financial terms offered to third parties, and such Baseball Entities shall be licensed at no additional charge to use the pictures or photographs for news coverage and promotional purposes. Except as specifically licensed herein, the Baseball Entities maintain that separate consent is required to transmit, offer to sell, or sell, any pictures or photographs featuring their respective trademarks, names, logos, uniform designs, copyrights or other proprietary rights for commercial purposes, including in third party advertisements or promotions, or on posters, T-shirts or other consumer products.
7. AUTOGRAPHS: The use of the credential for the purpose of obtaining autographs is strictly prohibited. Seeking or obtaining autographs from any player, personnel, public figure, or other individual within or adjacent to the ballpark shall subject Bearer to the immediate and permanent revocation of Bearer's credential.
8. **THE CREDENTIAL IS NOT TRANSFERABLE AND MAY BE REVOKED AT ANY TIME WITHOUT CAUSE.**
9. While within the ballpark, Bearer shall at all times be subject to the direction and/or supervision of the Club and its designated agents or employees.
10. Bearer shall obtain all necessary licenses, consents or releases permitting the use of any party's proprietary material, including, but not limited to any party's copyrights, trademarks, rights of publicity, rights of privacy or other proprietary or personal rights, however denominated, included in any photograph taken or other material obtained in connection with the credential. The Bearer is solely responsible for determining which licenses, consents and releases shall be obtained. Bearer shall indemnify, defend (if requested) and hold harmless the Baseball Entities against and from any and all claims, liability, loss, damage or expense (including reasonable attorneys' fees and expenses) against third party claims arising out of or relating to: (a) Bearer's use of any Event Information taken or obtained in connection with the credential, including, without limitation, any claim that use of such Information infringes any third party's copyrights, trademarks, rights of publicity, rights of privacy, or other proprietary rights, however denominated; (b) Bearer's acts or omissions; (c) the presence on the premises of any cameras, wires, cable or other equipment brought thereon by Bearer; and (d) Bearer's breach of any term of the credential.
11. In the event that the name or the likeness of any individual using this credential is included in any broadcast, telecast, photograph, film, video or other media taken in connection with an Event, such individual grants the Baseball Entities the non-exclusive, transferable, perpetual right and license to use (and to sub-license the use of) such name and likeness in any media worldwide whether now known or hereafter devised.

On Saturday, June 16, 2012 in front of a sellout crowd of 5,038 at Pensacola Bayfront Stadium, Blue Wahoos pitchers Daniel Corcino and Wilkin De La Rosa combined for the first no-hitter in Blue Wahoos history in just the 68th game of their inaugural season.

Corcino fired the first eight innings and was then replaced by pinch hitter Josh Fellhauer. De La Rosa then came on for the final frame and struck out LF Marc Krauss looking to cue the celebration. Both pitchers combined to yield just four walks in the no-no.

The right-handed Corcino struck out nine batters in his outing, including five of the final six he would face, striking out the side in the seventh frame. Corcino and De La Rosa combined to allow nine groundouts, six flyouts and punch out 11 batters for the 27 outs needed.

As is the case in seemingly every no-hitter, defense played a key role, with Pensacola 3B David Vidal making a slick play in the fifth to preserve the no-hitter. Mobile RF Alfredo Marte hit a slow roller towards Vidal, who charged in and fielded the grounder bare-handed before firing a strike across the diamond to retire Marte. Vidal would also launch his first career homer at the Double-A level two innings later to extend the Wahoos' advantage at the time to three.

The game would gain national attention, including an appearance on Sportscenter's Top Ten Plays from that weekend. For the 21-year-old Corcino, it was the longest outing of his career at that point, and the first time he had taken a no-hitter that deep into a game.

Behind the dish calling pitches for Corcino was Chris Berset, who only played in seven games for Pensacola during the 2012 season. It would also be the last time Berset would catch at the Double-A level that year, as he was transferred to High-A Bakersfield six days later.

# BILLY HAMILTON & THE STEALS RECORD

After Billy Hamilton stole 105 bases for Low-A Dayton in 2011, some wondered what the shortstop would do for an encore in 2012. The Mississippi native certainly did not disappoint, stealing a record-breaking 155 bases during the 2012 campaign, including his final 51 for the Pensacola Blue Wahoos.

Hamilton set the California League on fire and swiped 104 bases in his 82 contests with High-A Bakersfield, and then brought his record chase to Pensacola on July 11, when he was officially promoted to the Double-A level. The switch-hitter would start right where he left off, taking a base in his Blue Wahoos debut.

Sitting at 117 after the month of July, Hamilton blazed his trail into the record books, committing an astonishing 37 thefts in August, more than any other Southern League team's total in that span. Following a postponement, Hamilton and the Blue Wahoos were scheduled for a double header on Tuesday, August 21 against Montgomery with the speedster just two shy of breaking Vince Coleman's top mark of 145, set in 1983. Hamilton did not need the second game, swiping a base in the first inning to put him one away matching Coleman.

After reaching base on a single to right in the third inning, Hamilton proceeded to steal second and then third, tying and breaking Coleman's record 29 years to the day Coleman broke Ricky Henderson's record of 130. The infielder would later add to his total with his fourth theft of the contest.

Billy Hamilton's record drew a large amount of national attention, appearing in many top publications, including ESPN, Sports Illustrated, The New York Times, The Wall Street Journal and USA TODAY among many others.

The cleats Hamilton wore to steal the bases were sent to the Baseball Hall of Fame in Cooperstown, along with the record tying and breaking bases he stole and the helmet he used to do so.

In total, the speedster led both the California (104) and Southern Leagues (51) in steals and took 54 more bags than Lexington/Lancaster infielder Delino De Shields Jr., who swiped 101 bases. The 155 bases Hamilton stole during the 2012 campaign equates to approximately 13,950 feet, or 2.64 miles of basepaths.
