FOOD

There is a wide variety of food options available within Little Caesars Arena. Several different stands offer Detroit fan favorites such as Classics, The Coop and 313 Grill Co. The Classics stands offer the common items; hot dogs, popcorn and nachos. The Coop stands feature hand-cut fries and hand-battered crispy chicken tenders. The 313 Grill Co. stand offers a variety ranging from specialty fresh grilled burgers and local Italian sausages to loaded french fries. The highlight, Little Caesars Pizza stands, offer traditional rounds, Italian cheese bread, deep-dish style pizza and Caesars chicken wings.

Detroit House, a three option concept also on the main concourse reflecting the lifestyle of urban Detroit. Enjoy authentic Detroit street food in the taste of the Middle East with chicken shawarmas, tacos from Detroit's Mexicantown or a classic coney from the world-famous National Coney Island. On the upper concourse, high points of in-house smoked brisket and pulled pork come together at the BBQ stand. Neighboring this is a specialty Mac & Cheese stand offering up different varieties of macs. Hanging string lights set the mood at Taqueria with street-style tacos and burrito bowls. The upstairs pub, 1701, poses a relaxed atmosphere fit for any craft beer lover and simple dinner folk.

Please ask a concessions staff member for exact locations of specific stands or food items, or visit a Guest Services Office outside PORTAL 10, 20 or 67.
