SAM KATZ – PRESIDENT AND CEO

Samuel Michael Katz was born in Rehovot, Israel before moving to Winnipeg, Manitoba where he grew up in the city's North End. He graduated from the University of Manitoba with a Bachelor of Arts in Economics, and received a Distinguished Alumnus Award in 2003. Sam's first business venture was a retail clothing store.

Through entrepreneurial efforts—and in his role as President and CEO of Showtime Productions, Inc.—Katz has attracted many high-quality entertainment acts to the city. As President and CEO of the Winnipeg Goldeyes, Katz established Shaw Park, a key anchor in the renaissance of downtown Winnipeg. He was also a founder of the Winnipeg Goldeyes Field of Dreams Foundation, which has donated more than \$2.4 Million to children's charities in Manitoba since 1995.

In 2002, Katz received the Queen's Golden Jubilee Medal, and in 2004, he was awarded the province's highest honour—The Order of Manitoba. Katz was inducted into the Manitoba Baseball Hall of Fame in 2014.

On June 22nd, 2004, Katz became the 42nd mayor in Winnipeg's history. He was re-elected in a landslide on October 25th, 2006, and once again on October 27th, 2010. Voters endorsed Katz's vision of Winnipeg as a vibrant city of opportunity.

Katz did not seek re-election in 2014, and now focuses on his family and other businesses.

Sam is married to Leah Pasuta, and is the proud father of daughters Ava Beaudry (born July 11th, 2001), Keira Olivia Maxwell (born March 31st, 2005), son Aidan Alexander Zev (born November 18th, 2012), and daughters Aria Zena Ann (born November 5th, 2015) and Alivia Carole Rae (born January 15th, 2018).

ANDREW COLLIER – GENERAL MANAGER

2021 marks Andrew Collier's 20th season as the Winnipeg Goldeyes' general manager.

Following his first season in the position, Collier was recognized as the Northern League's 2002 Executive of the Year. Collier was again recognized by the Northern League in 2004, 2006, 2007, and 2009, and later received the same honour from the American Association in 2014. Collier was inducted into the Manitoba Baseball of Fame in 2018.

After graduating from the University of Manitoba with a Bachelor of Commerce, Collier joined the Goldeyes' ticket department during the team's inaugural season in 1994. Collier gradually climbed the front office ladder before reaching his current position in December 2001.

Andrew is also the treasurer and an original board member of the Winnipeg Goldeyes Field of Dreams Foundation, a charity established by the Goldeyes in 1995. The foundation has donated more than \$2.4 Million to children's charities in Manitoba since its inception.

Andrew and his wife Carleigh reside in Winnipeg with their two children, Donavan and Olivia.

EYE WITNESS TESTIMONY

Collier is the only person to have been in attendance when the Goldeyes clinched all four of their league championships: September 9th, 1994 in Winnipeg, September 14th, 2012 at Wichita, September 19th, 2016 at Wichita, and September 20th, 2017 in Winnipeg.

WINNIPEG GOLDEYES FIELD OF DREAMS FOUNDATION

The Winnipeg Goldeyes Field of Dreams Foundation was founded in 1995 through the Winnipeg Goldeyes baseball club. The foundation's ongoing mission is to support children's charities within Manitoba. The Field of Dreams Foundation continues to increase the amount of funds raised each year, and has become a positive asset to the community and province.

In 2015, the Field of Dreams Foundation exceeded the \$2 Million threshold for total donations since its inaugural year. Over the course of each baseball season, monies for the foundation are generated through initiatives such as the Fillmore Riley "Ks for Kids" program, the Catch and Release ticket program, the TCBY Radar Pitching Booth, the sale of 50/50 tickets at Goldeyes home games, the Manitoba Pork Piggy Bank, various memorabilia auctions, and the annual Field of Dreams Foundation golf tournament.

In addition to supporting children's charities in Manitoba, the Field of Dreams Foundation also grants three scholarships to Baseball Manitoba. The scholarships are awarded to members of Baseball Manitoba who are continuing their post-secondary education, while maintaining involvement in the sport.

APPLICATIONS FOR FUNDING

The Winnipeg Goldeyes Field of Dreams Foundation accepts funding requests each November. All proposals are reviewed by the following February. Registered children's charities in Manitoba should submit a written request through the online form available at www.goldeyes.com. For more information, call the Winnipeg Goldeyes' office at (204) 982-2273.

SHAW PARK

If you are one of the millions of baseball fans to have visited Shaw Park over the last two decades, then you already know what a gem the facility truly is. Since opening in 1999, the downtown home of the Winnipeg Goldeyes has not only received rave reviews as a great place to catch a baseball game, but has also played host to numerous other sporting events, functions, and concerts. Shaw Park hosted the baseball competition during the 1999 Pan American Games, and did the same for the 2017 Canada Summer Games.

From the delicious food at the multitude of concessions, to the chair-back seats offering scenic views of the field and beyond, Shaw Park provides all of the amenities one would expect from a state-of-the-art, first-class venue.

Shaw Park hosts a variety of food and beverage options for its patrons. From pizza, burgers, chicken wings, hot dogs, barbecue, mini doughnuts, cupcakes, and fresh lemonade, visitors can indulge in just about anything at "Winnipeg's largest food court."

The Skysuite level at Shaw Park features 29 private luxury suites, as well as one double suite. Skysuites are available for purchase for an entire season or on a game-by-game basis. Each Skysuite is furnished with couches, bar stools, a television, and refrigerator. Skysuite patrons can order from any of the concessions on the concourse level via their in-suite server.

In 2015, Shaw Park introduced the Field Level patio, which offers the facility's most intimate view of a game. The Field Level patio is located down the right field line, underneath the Concourse Level patio. The Goldeyes unveiled the "Craft Beer Corner" in 2018. Constructed down the left field line and perched across the back of Sections A and B, the Craft Beer Corner offers a variety of local beers, while providing fans a unique view of the playing field, stadium, and city skyline.

Located north of "The Forks," and just a popfly away from the renowned intersection of Portage and Main, Shaw Park is easily accessible to both vehicles and pedestrians alike. The stadium's central location allows fans to arrive for the opening pitch and return home after the final out with little or no difficulty.

With Winnipeg's historic Exchange District, The Forks, and St. Boniface all within easy walking distance of Shaw Park, a trip downtown to see the Goldeyes doesn't have to begin or end with the game itself. Numerous restaurants, shops, and night clubs on both sides of the Red River (which flows just beyond the left field wall) await fans venturing into the area.

WINNIPEG STADIUM

For the first five years of the team's existence, the Winnipeg Goldeyes played out of the northwest corner of Winnipeg Stadium, a facility originally built for the Canadian Football League's (CFL) Winnipeg Blue Bombers. Known for its odd dimensions, the distance from home plate to the wall down the left field line measured just 300 feet. The right field line was only 345 feet away from home.

Despite the unorthodox ballpark, the Goldeyes went 251-167 (.600) during their time at Winnipeg Stadium, and won the Northern League championship on the stadium's grounds in 1994. In fact, the Goldeyes reached the postseason all five years in which they played at the ballpark affectionately referred to as "deformity field."

LOOKS CAN BE DECEIVING

Although Winnipeg Stadium's aesthetics may have had their shortcomings, nine of the 10 largest single-game crowds in Goldeyes' history took place at the team's initial home.

Nearly 15,000 fans were in attendance for the Goldeyes' official return on June 7th, 1994.

On August 28th, 1997, Winnipeg Stadium welcomed 22,081 fans as the Goldeyes set a world record for attendance at a minor league baseball game.

MANAGER AND COACHING STAFF

RICK FORNEY – FIELD MANAGER

Rick Forney helped the Goldeyes to four consecutive postseason appearances as a pitcher.

Rick Forney, born October 24th, 1971 in Annapolis, Maryland, enters his 16th season as Winnipeg Goldeyes' manager, and his 25th overall within the organization. During his first 15 years as manager, Forney has guided Winnipeg to an overall record of 784-657 (.544), 11 winning seasons, nine playoff appearances, and three American Association championships (2012, 2016, 2017). Since Forney took over as manager in 2006, the Goldeyes have sold the contracts of 38 players to Major League organizations.

The Goldeyes are 528-431 since joining the American Association in 2011, and Forney's .551 winning percentage over that time period is the fourth highest in league history (there have been 58 total American Association managers through the 2020 season). Forney is one of only four managers to be voted American Association Manager of the Year on multiple occasions (2011, 2020).

In 2016, Forney became the longest tenured manager in Goldeyes' history, and guided the team to its second American Association championship in five years. During an 11-1 win at Sioux City on June 7th, Forney managed his 1,000th Goldeyes game. Forney was once again at the helm when the Goldeyes claimed the 2017 championship. It marked just the second time that an American Association club won back-to-back titles, a feat that had not been accomplished in 10 years. Winnipeg's three championships currently stand as the most of any club since the American Association began play in 2006.

Forney achieved two managerial milestones during the 2015 season. On June 16th, Forney notched his 500th win as Goldeyes' skipper with an extra inning victory versus the St. Paul Saints. On August 11th, a ninth-inning, walk-off home run versus the Sioux Falls Canaries provided Forney with his 524th managerial win, surpassing his former manager and mentor Hal Lanier for the franchise record.

Forney enjoyed a 10-year playing career from 1991-2000 in which he was 89-56 (.614) with a 3.63 ERA in 204 professional games, 195 of them as a starting pitcher. Forney recorded 1,050 strikeouts in 1,221.0 innings, while walking just 363 and allowing only 102 home runs. From 1997-2000, Forney established himself as one of the greatest pitchers in Goldeyes' history, setting numerous major pitching records that stood for more than a decade.

Forney was drafted by his hometown Baltimore Orioles as a 26th-round pick in 1991 out of Anne Arundel Community College (Arnold, Maryland). Shortly after being drafted, Forney's professional career immediately took off with a 7-0 record and 2.19 ERA for the Orioles' Rookie level Gulf Coast League affiliate. The following season, Forney posted a 2.48 ERA in 123.1 innings for the Low-A Midwest League's Kane County Cougars.

Forney continued to progress in 1993, winning 14 games with a 2.78 ERA for the High-A Carolina League's Frederick Keys. Forney spent the majority of the next two seasons pitching at the Double-A level with the Eastern League's Bowie Baysox, including a 13-win campaign in 1994 that saw Forney toss a perfect game. Forney reached the Triple-A level in 1995, making three starts for the International League's Rochester Red Wings.

The Double-A Eastern League's Bowie Baysox celebrate Rick Forney's perfect game on July 30th, 1994.

Rick Forney managing in 2018.

Forney first appeared in the independent ranks in 1996 for the Texas-Louisiana League's Lubbock Crickets. After going 9-7 for Lubbock, Forney signed with the Goldeyes in 1997 and compiled a 31-13 record for Winnipeg over the next three years. Forney earned a second chance with a Major League organization in 1999 when his contract was purchased by the Atlanta Braves. Forney was assigned to Double-A Greenville (Southern League) where he pitched to a 2.99 ERA in 12 starts.

Forney returned to the Goldeyes in 2000 in a dual role as player/pitching coach, and transitioned into a full-time pitching coach midway through the season. In six years as Goldeyes' pitching coach (2000-05), Forney saw 12 of his pitchers signed by Major League clubs.

Rick Forney, pictured with general manager Andrew Collier (left) and owner Sam Katz (right), introduced as the third manager in Goldeyes' history during the fall of 2005.

During his four years as a Goldeyes pitcher, Forney established club records for wins (33—surpassed by four others), strikeouts (313—surpassed by four others), games started (55—surpassed by four others), and innings pitched (367.0—surpassed by five others). Three times, Forney was named to Baseball America's All-Independent Team and was selected to two Northern League All-Star Games.

Rick resides in Walkersville, Maryland with his wife Erika and their children; Chris, Rebekah, and Erik.

IN MEMORIUM: DAVID FORNEY

The Winnipeg Goldeyes remember David Forney, the eldest child of Goldeyes' manager Rick Forney and his wife Erika, who passed away suddenly on February 22nd, 2020.

David was scheduled to graduate with a degree in Political Science from the United States Naval Academy in May of 2020, and commissioned as an Ensign and Cryptologic Warfare Officer.

A member of the 9th Company, David enjoyed a decorated football career at Navy that saw him earn First-Team American Athletic Conference honours, and culminated with a victory in the 2019 Liberty Bowl. David anchored an offensive line that led the NCAA in rushing yards and helped the Midshipmen tie a program record with 11 wins.

Just 22 years old at the time of his passing, David spent countless summer hours growing up at Shaw Park, and is fondly remembered as a "gentle giant" willing to help anyone in need.

David was buried at the US Naval Academy on March 3rd, 2020 with full military honours. His life and legacy will always remain present in the hearts and minds of the Winnipeg Goldeyes family.

KASH BEAUCHAMP – HITTING COACH

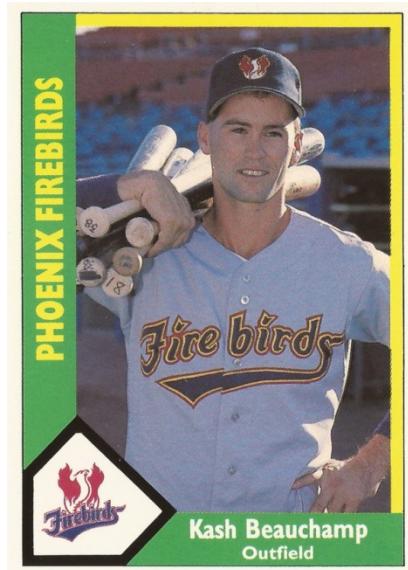

Beauchamp managing the American Association's Wichita Wingnuts during their inaugural season in 2008.

10 years in the independent ranks with five postseason appearances.

Most recently, Beauchamp served as hitting coach for the Atlantic League's Southern Maryland Blue Crabs in 2018.

Beauchamp won four championships during his playing career, capturing titles with the Rookie Pioneer League's Medicine Hat Blue Jays (1982), the Triple-A International League's Richmond Braves (1989), the Double-A Texas League's Shreveport Captains (1990), and the Triple-A Pacific Coast League's Albuquerque Dukes (1994).

James Kash Beauchamp, born January 8th, 1963 in Grove, Oklahoma, was hired by the Winnipeg Goldeyes on November 4th, 2019 and enters his second season hitting coach.

Beauchamp has more than 30 years of experience in professional baseball as a player, coach, manager, and scout. In addition to his role with the Goldeyes, Beauchamp also serves as the Independent Leagues Scout for the Arizona Diamondbacks, a position he has held since 2017.

Selected first overall by the Toronto Blue Jays in the January phase of the 1982 amateur draft, Beauchamp played 14 seasons, reaching the Triple-A level six times, and compiling a .285 batting average in 1,083 professional games.

In 1993, Beauchamp hit .367 over 47 games for the Northern League's Rochester Aces (the franchise that eventually became the Winnipeg Goldeyes) and became the first position player in independent baseball history to have his contract purchased by a Major League organization. Beauchamp was picked up by the Cincinnati Reds where he was assigned to Double-A Chattanooga.

After playing in the high minors for the Los Angeles Dodgers and Oakland Athletics, Beauchamp attended spring training with the Goldeyes in 1995 before taking a coaching position in the Montreal Expos' organization.

Beauchamp served three seasons with the Expos as a hitting coach before accepting his first managerial job when he was hired by the expansion New Jersey Jackals in 1998. Beauchamp led the Jackals to a Northeast League championship during their inaugural campaign, and has managed a total of

Beauchamp's late father, Jim, played 10 seasons in the Major Leagues for the Cincinnati Reds, Houston Astros, Milwaukee/Atlanta Braves, New York Mets, and St. Louis Cardinals. The elder Beauchamp was the Braves' bench coach from 1991-2001, which included Atlanta's 1995 World Series championship.

WINNIPEG GOLDEYES SUPPORT STAFF

EVAN FEHR – ATHLETIC THERAPIST

Fehr enters his first season as the Goldeyes' head Athletic Therapist after serving with the club as an intern in 2019. Fehr recently completed his degree in Athletic Therapy from the University of Manitoba where he worked extensively with several of the school's varsity teams.

JAMIE SAMSON – CLUBHOUSE MANAGER

Samson enters his 21st year and 20th season as a member of the Goldeyes' clubhouse staff. After starting out as a bat boy in 2001, Samson was promoted to Assistant Clubhouse Manager in 2005 before taking over his current position as Clubhouse/Equipment Manager midway through 2007. The St. Andrews, Manitoba native is responsible for all gameday player services, including equipment dispersal, meal preparation, and uniforms. In 2015, Samson worked his 1,000th game as a member of the Goldeyes' clubhouse staff. Samson graduated from Selkirk Comprehensive High School, and holds a Business Administration degree from the University of Winnipeg.

RUSS HORBAL – PHYSIOTHERAPIST

Russ has served as a rehab consultant and therapist for the Winnipeg Jets, Winnipeg Blue Bombers, and numerous other amateur sports organizations. Horbal coordinated the medical therapy services for many local sporting events, including the World Junior Men's and Women's Hockey Championships and the 1999 Pan Am Games. Horbal has been part of the Canadian Medical Team for four World Student Games and three Olympic Games.

DR. HEIN PETERS – TEAM PHYSICIAN

Dr. Peters has been a full-time Sport Medicine Physician at the Pan Am Clinic since 2004. Dr. Peters obtained his medical degree from the University of Pretoria, South Africa in 1985, and later obtained his Certification in Family Medicine from the College of Family Physicians of Canada, as well as a diploma in Sport Medicine from the Canadian Academy of Sport Medicine in 2003.

DR. SHAWN VERITY – TEAM PHYSICIAN

Dr. Verity serves as a Sport Medicine Physician at the Pan Am Clinic in Winnipeg. After earning a Bachelor of Science degree from the University of Winnipeg in 2001, Dr. Verity graduated from the University of Manitoba in 2006 with his Doctorate in Medicine. Dr. Verity later completed programs at the University of Manitoba in both Family and Sports Medicine, while also serving on the University's Faculty of Medicine as a lecturer.

DR. GLENN BAILEY – TEAM CHIROPRACTOR

A native of Pinawa, Manitoba, Dr. Bailey graduated from the prestigious Palmer College of Chiropractic in 1993, and also holds a four-year degree in Science from the University of Winnipeg. Dr. Bailey is also the only certified animal chiropractor in the province, and is a member of the Canadian Chiropractic Association, International Chiropractic Association, the Manitoba Chiropractic Association, and the American Veterinarian Chiropractic Association.

DR. BRIAN BOOK – TEAM OPTOMETRIST

Dr. Book graduated from the University of Waterloo as an optometrist in 1977 and is the founder of Book Optical and Book Vision Care, which has provided high-quality eye care and eyewear to Manitobans for nearly 40 years. Dr. Book was a pioneer in the early days of contact lenses, and has participated as a clinical investigator, helping contribute to the design and improvement of contact lenses and their fitting techniques.

TRAINING GROUNDS

Independent baseball is well-known as a springboard for players hoping for a second (or first) chance with a Major League organization. However, the opportunities for advancement extend well outside the foul lines.

Former Athletic Therapist Brad Shaw has been an integral part of the National Hockey League's (NHL) Winnipeg Jets' training staff since the franchise returned to the city in 2011.

Shane Zdebiak is another former Goldeyes' Athletic Therapist who is rising up the industry ladder. After serving three years in the Seattle Mariners' organization (MLB), "Dr. Zed" became the lead trainer for the California League's Stockton Ports, the High-A affiliate of the Oakland Athletics. In November 2019, Zdebiak was promoted to the Athletics' Double-A Texas League affiliate, the Midland RockHounds.

Stephen Wady, the Goldeyes' Athletic Therapist from 2014-15, is currently with the Canadian Football League's (CFL) Calgary Stampeders, and was a member of their Grey Cup-winning staff in 2018.

Kyle Vouriot, the Goldeyes' Athletic Therapist in 2016, is now with the American Hockey League's (AHL) Manitoba Moose.

Most recently, Derek McLennan, who served the Goldeyes from 2016-18, joined Valour FC soccer club during their expansion season in 2019.

WINNIPEG GOLDEYES AND JACKSON GENERALS 2021 PARTNERSHIP

As the COVID-19 pandemic has led to the ongoing closure of the Canada/US border, the Winnipeg Goldeyes face the prospect of not being able to host fans at Shaw Park for a second consecutive season.

The Goldeyes will continue to monitor the status of the border, and assess a potential return to Winnipeg as the 2021 season progresses.

In an effort to provide stability amidst the pandemic's ever-changing conditions, the Winnipeg Goldeyes have partnered with the Jackson Generals professional baseball club to provide the Goldeyes a home until it is deemed safe to return to Manitoba.

From 1998-2019, the Generals served as the Double-A Southern League affiliate of the Chicago Cubs, Seattle Mariners, and Arizona Diamondbacks. The team won four Southern League championships, including three of the final four in league history.

The affiliated minor leagues were canceled in 2020 due to the pandemic, and the Generals were one of many franchises who lost their Major League affiliation heading into 2021.

The Generals fully intend to return to professional baseball in 2022. In the meantime, the organization is excited to host the Goldeyes at The Ballpark at Jackson to begin 2021.

Built in time for the 1998 season, The Ballpark at Jackson hosted the Southern League All-Star Game in 1999 and 2011 (and was scheduled to host it again in 2020), and has been utilized for both college and high school baseball. Additional entertainment events such as concerts and professional wrestling have also taken place inside the 6,000-seat venue.

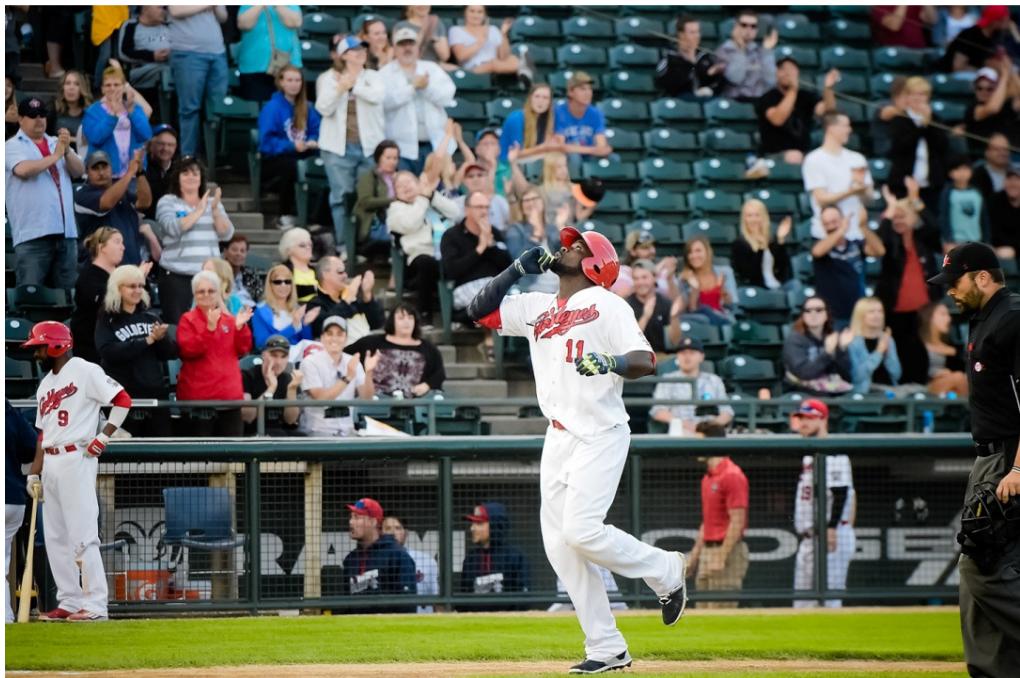

Professional baseball in Jackson dates back to 1903, which includes an original version of the Generals that played through the 1954 season. Jackson went without professional baseball from 1955-97 until the arrival of the modern day Generals (then known as the West Tennessee Diamond Jaxx) in 1998. Jackson has a population of approximately 67,000. The city is located 208 kilometres southwest of Nashville and 140 kilometres northeast of Memphis.

The Winnipeg Goldeyes sincerely thank the Jackson Generals for providing a home this summer.

FAMILIAR VOICE

Brandon native Ron Arnst has served as the Goldeyes' PA announcer since their inaugural season in 1994. Arnst is known for his trademark introduction of the team when they take the field at the beginning of each home game, elongating the letter "O" in the word "Goldeyes."

Arnst is also known for encouraging applause from the crowd when the Goldeyes' make an outstanding defensive play by announcing the player's name while the home team is in the field—something very seldom heard at a baseball game.

Arnst was inducted into the Manitoba Baseball Hall of Fame in 2020.

CAPABLE CAPELLAN

During his five seasons with the Goldeyes (2016-20), right-handed Victor Capellan established himself as one of the best relievers in both Goldeyes and American Association history. The hard-throwing sidearmer tied a Goldeyes' single-season record with 22 saves in 2018 before breaking that mark with 27 saves in 2019. During the 2019 season, Capellan also broke Steve Thomas' record for Goldeyes career saves, as well as the American Association's all-time record for appearances. In 2020, Capellan set the American Association record for all-time saves. Capellan is one of eight players to win both the 2016 and 2017 American Association championships, and appeared in all 12 of the Goldeyes' postseason victories.

NEW LEAGUE, NEW HEIGHTS
After 17 seasons in the Northern League, the Winnipeg Goldeyes became members of the American Association in 2011.

Since the move, the Goldeyes have twice set a franchise record for single-season wins. The Goldeyes won 60 games during their first American Association campaign in 2011, and topped that with 63 victories in 2014. In both years, the Goldeyes also captured the North Division pennant.

RED LIGHT GOLDEYES

Winnipeg Goldeyes' catchers set an American Association record in 2020, averaging just 0.47 stolen base attempts per game. Led by veteran John Nester, who was acquired from the Cleburne Railroaders in the league's dispersal draft, the opposition attempted just 28 stolen bases in 60 games. The previous mark was 0.69 attempts allowed per game, held by the 2018 Sioux City Explorers.

TWO SAVES IN ONE DAY			424	Roger Luque	2003-05	3	Steve Murray	2004-05
On June 21 st , 2008 vs. Fargo-Moorhead, Goldeyes closer Cristian Mendoza accomplished the rare feat of saving both games of a double header. Mendoza preserved a 5-2 win for Bear Bay in the opener and a 4-2 victory for Dustin Pease later that night.			3			3	Isaac Hess	2011
TWO WINS IN ONE DAY			WILD PITCHES			WILD PITCHES		
On May 24 th , 2015 at Grand Prairie, right-handed pitcher Tony Smith earned the win in both ends of a double header. In the opener, Smith pitched a scoreless bottom of the eighth as the Goldeyes won 4-2 in nine innings. In the nightcap, Smith pitched scoreless baseball over the final one and two-thirds innings in the Goldeyes' 4-3 win in 11 frames. As is common practice for double headers, each game was only scheduled for seven innings.			24	Edwin Carl	2015-18	24	Edwin Carl	2015-18

IRON MAN

In 2014, shortstop Tyler Kuhn batted .360 (tied for second in the American Association), and was both a mid-season and postseason all-star. Perhaps the most impressive achievement for Kuhn that year was the fact that he played every inning of every game while manning one of baseball's most physically demanding positions.

STRONG ARMED

Josh Mazzola is the only Goldeye to lead the team in outfield assists in three different seasons, and did so consecutively from 2012-14. Brent Watts holds the club record with 14 outfield assists in 1996. Chris Kokinda is the last Goldeyes' outfielder to reach double digits, throwing out 11 runners in 1999.

TWO-TIME CHAMPIONS

Eight players were members of the Winnipeg Goldeyes' back-to-back championship teams in 2016 and 2017. They are Reggie Abercrombie, Victor Capellan, Edwin Carl, Wes Darvill, Kevin McGovern, Mikey O'Brien, David Rohm, and Josh Romanski. These are the only players in Goldeyes' history to win more than one championship with the team.

HISTORIC DEFENCE

The 2019 Winnipeg Goldeyes set an American Association record with a .987 team fielding percentage. The Goldeyes committed just 48 errors across 100 games, shattering the previous mark of .982 set by the 2017 Lincoln Saltdogs.

Infielder Dominic Ficociello "led" the Goldeyes with seven errors, which marked the first time in franchise history that no player reached double digit miscues.

Excellent defence was a theme throughout the American Association last year with 2019 accounting for five of the top seven fielding averages since the league began play in 2006.

WINNIPEG GOLDEYES TRIPLE PLAYS

On September 4th, 2009, the Winnipeg Goldeyes turned the first triple play in franchise history during Game Three of the Northern League Semi-Final against the Fargo-Moorhead RedHawks at Shaw Park.

With runners on first and second and no outs, Goldeyes' third baseman Vince Harrison fielded Ruben Salazar's groundball. Harrison tagged Mike Coles running from second to third for the first out, before throwing the ball to second baseman Josh Asanovich, who covered the bag to force out Nic Jackson. Asanovich completed the play with a relay to first baseman Cody Ehlers that eliminated Salazar. Official scoring: 5-5-4-3

Nearly 11 years later, the Goldeyes turned their second triple play, which also came against Fargo-Moorhead. On August 25th, 2020 at Newman Outdoor Field, the RedHawks threatened with runners on first and second and no outs. Fargo-Moorhead's Leobaldo Pina hit a groundball to Goldeyes' shortstop Wes Darvill, who flipped the ball to second baseman Kevin Lachance to force out Correlle Prime. Lachance then threw to first baseman Kyle Martin to retire Pina and complete the traditional double play. Meanwhile, Drew Ward of the RedHawks (who started the play as the runner on second) strayed too far from the second base bag, and was trapped in a rundown when Martin threw to Goldeyes' third baseman Darnell Sweeney. Sweeney chased Ward back towards second base before throwing the ball to Lachance who tagged Ward for the third and final out. Official scoring: 6-4-3-5-4

ROSARIO'S RARE FEATS

Right-handed pitcher Charlie Rosario combined for 25 starts in 2017 between the Goldeyes and Gary SouthShore RailCats. The 25 starts are tied for the American Association single-season record. Rosario also became just the sixth pitcher in league history to win 10-plus games in three different years.

STRIKEOUT MACHINE

On July 24th, 2019 vs. Texas, left-hander Kevin McGovern recorded his 436th strikeout as a Goldeye to pass Chris Salamida for the franchise record. McGovern ran his Goldeyes' total to 467 at the conclusion of the season.

McGovern struck out 100-plus batters in three consecutive seasons from 2016-18, becoming the first pitcher in franchise history to do so.

COMBINED NO-HITTER – JUNE 4th, 2014 at SIOUX FALLS

On June 4th, 2014, the Winnipeg Goldeyes combined on the fifth no-hitter in American Association history. In the second game of a double header, the Goldeyes utilized five relievers to accomplish the feat. Gabe Aguilar, Kaohi Downing, Taylor Sewitt, Brendan Lafferty, and Kyle Bellamy each worked in the game. It was the first no-hitter in Goldeyes' history. Bellamy struck out Canaries' right fielder Chris Valencia for the final out in what was a 3-0 victory. Here is a full account of that historic night:

Bottom 1st
 - LHP Gabe Aguilar pitching for Winnipeg
 - Drew Muren lines out to first base
 - Carlos Mendez flies out to right field
 - Brandon Jones strikes out swinging

Bottom 2nd
 - AJ Kirby-Jones fouls out to third base
 - Chris Valencia flies out to left field
 - Shelby Ford flies out to left field

Bottom 3rd
 - Chris Duffy flies out to right field
 - RHP Kaohi Downing relieves Gabe Aguilar

STEALING SMART

Canadian-born infielder Wes Darvill was an American Association All-Star in two of his four seasons with the Goldeyes. With 87 stolen bases in 99 attempts, Darvill's 88 percent success rate is tied for second in American Association history for any player with at least 75 stolen base attempts. During his first season with the Goldeyes in 2016, Darvill stole 18 bases without getting caught.

MARVELOUS MITCH

In 2019, left-hander Mitchell Lambson turned in one of the finest seasons the Goldeyes have ever seen. Lambson won 13 games, one shy of the club's single-season record, while posting a 3.11 ERA with 133 strikeouts. Perhaps most impressively, Lambson performed at a high level while standing on the mound more than any other pitcher. His 150.2 innings pitched not only led the American Association, but established a Goldeyes' single-season record for durability. For his efforts, Lambson was voted American Association Pitcher of the Year.

Rafael Gross, Glenn Bott, and Mikey O'Brien are the only Goldeyes' pitchers to start multiple Opening Nights. O'Brien won both of his starts, including a rain-shortened complete game on May 19th, 2016 at Joplin. It is the only Opening Night complete game in team history. Bott, who had been living in Winnipeg since retiring from baseball, tragically passed away in September of 2018.

2020 DISPERSAL DRAFT

As a result of the COVID-19 pandemic, six of the American Association's 12 teams did not participate in the 2020 season. The players from the inactive clubs were made part of a dispersal draft. A total of 42 players were selected. The Goldeyes led the way with nine picks, eight of which made the Opening Night roster. Players taken in the dispersal draft were returned to their original clubs at the conclusion of the season.

INDEPENDENT SHUFFLE

Independent baseball experienced a significant change following the 2019 season when the Can-Am League merged with the Frontier League. Five Can-Am League clubs (New Jersey Jackals, Quebec Capitales, Rockland Boulders, Sussex County Miners, and Trois-Rivieres Aigles) planned to play under the Frontier League umbrella in 2020, while the Ottawa Champions ceased operations. The American Association and Can-Am League shared a close relationship with Miles Wolff (Commissioner) and Dan Moushon (Executive Director) overseeing both leagues for more than a decade. In fact, the two leagues played an interleague schedule for four seasons from 2012-15. Meanwhile, the Frontier League is the oldest active circuit in independent baseball, helping the industry launch in 1993. Over the years, numerous Goldeyes have played in one or both of the Can-Am and Frontier Leagues either before or after their time in Winnipeg. As a result of the COVID-19 pandemic, the Frontier League paused operations in 2020, but is expected to resume this season.

RARE CONNECTIONS

There are only six personnel in franchise history to have worn a Goldeyes' uniform alongside all three of the team's managers (Doug Simunic, Hal Lanier, and Rick Forney) in some capacity. They are:

Darryl Brinkley, OF
Brian Duva, 2B
Terry Lee, 1B
Scott Neiles, IF/Coach
Ken Smyth, RHP
Brent Watts, IF/OF

EXPERIENCE THIS

The Goldeyes set a franchise record for Opening Night experience in 2019. Eight of the nine players in the starting lineup on May 16th at Texas had experience at either the Triple-A or Major League levels. All nine reached at least Double-A. The previous record for most players in the Opening Night starting lineup to have reached Triple-A was six in 2015.

First baseman Kyle Martin was voted an American Association Postseason All-Star in 2020, and captured the league's RBI crown on the final day of the season. It marked the first time a Goldeye led the league in RBI since Jimmy Hurst paced the Northern League with 78 in 2006.

WINNIPEG GOLDEYES POSTSEASON

Catcher Dann Bilardello is congratulated after his grand slam home run in Game 4 of the 1994 Northern League Championship Series vs. Sioux City. The Goldeyes clinched the title later that night.

SPARKS vs. SCHMIDT

Game 3 of this series is considered one of the greatest games in Goldeyes' history, and often referred to as the "Sparks/Schmidt" game. Trailing Fargo-Moorhead 0-2 in the best-of-five series, the Goldeyes pulled out a 13-inning, 6-5 win to keep their season alive.

The game lasted four hours and 25 minutes, and is most remembered for Jeff Sparks (Winnipeg) and George Schmidt (Fargo-Moorhead) each turning in heroic relief performances. Schmidt took over in the 7th inning and eventually absorbed the loss, despite allowing just one earned run over 6.1 relief innings while striking out eight. Sparks entered the game midway through the top of the eighth, and struck out 12 in 5.1 innings to earn the win. The win was also the last for the Goldeyes in their original home park.

Although the RedHawks clinched the series the following night, the game is fondly remembered among Goldeyes fans.

AMERICAN ASSOCIATION CLASSIFICATION LEVELS

The American Association defines one **YEAR OF SERVICE** as at least 75 at bats or 30.0 innings pitched in a National Association or independent league or leagues in any one season prior to the present calendar year.

For independent, short-season, or rookie level service, the first two years equals one National Association year. For foreign players, the classification will be determined by the league office.

ROOKIE: a player with less than one year of service.

LS-1: a player with less than two years of service.

LS-2: a player with less than three years of service.

LS-3: a player with less than four years of service.

LS-4: a player with less than five years of service.

LS-5: a player with less than six years of service.

VETERAN: a player with six or more years of service.

If a player has six or more years of service, but has not reached the age of 27 by September 1st of that season, he will be considered an LS-4. If a player with six or more years of service has not reached the age of 25 by September 1st of that season, he will be considered an LS-3.

AMERICAN ASSOCIATION ROSTER RULES

For the 2021 season, American Association clubs may carry 23 players on their active roster (and up to 25 during the first 10 days of the regular season). The minimum number of players a team may carry is 19. Of the 23 active players, a maximum of 11 can be classified as LS-4. Of the 11 LS-4 or "experienced" spots, a maximum of seven may be LS-5. Of the seven LS-5 spots available, a maximum of five may be classified as VETERANS.

Of the remaining 11 roster spots, at least five must be classified as ROOKIES. The remaining six roster spots can be made up of any combination of players classified as LS-1, LS-2, or LS-3.

If a team carries 22 active players, at least four players must be classified as ROOKIES. If a team carries 21 active players, at least three players must be classified as ROOKIES. There is no minimum roster requirement for players classified LS-1 or above.

Each club may place up to two players on the INJURED LIST. A player on the DISABLED LIST must remain there for at least seven days from his last game played prior to being re-activated.

Each club may also place up to three players on the INACTIVE LIST. A player must remain on the INACTIVE LIST for at least 30 days from his last game played before being re-activated.

After waiving its classification restrictions in 2020 (attributed to the COVID-19 pandemic), the American Association will return to the above rules in 2021.

WINNIPEG GOLDEYES HISTORY

The Goldeyes celebrate the 2016 American Association championship at Wichita's Lawrence-Dumont Stadium on September 19th. The Goldeyes clinched the title with an 11-4 victory in a winner-take-all Game Five.

WINNIPEG GOLDEYES – LEAGUE HISTORY

AMERICAN ASSOCIATION (2011-present)

The present-day Winnipeg Goldeyes are a member of the 12-team American Association of Independent Professional Baseball. Miles Wolff, one of independent baseball's pioneers, founded the current American Association in 2006. The Lincoln Saltdogs (Lincoln, Nebraska), St. Paul Saints (St. Paul, Minnesota), Sioux City Explorers (Sioux City, Iowa), and Sioux Falls Canaries (Sioux Falls, South Dakota) joined the American Association from the Northern League. The Coastal Bend Aviators (Robstown, Texas), El Paso Diablos (El Paso, Texas), Fort Worth Cats (Fort Worth, Texas), Pensacola Pelicans (Pensacola, Florida), and Shreveport Sports (Shreveport, Louisiana) came over from the Central League. The St. Joe Blacksnakes (St. Joseph, Missouri) were added as an expansion team to balance out the new league at 10.

From 2006-10, the American Association held strong at 10 member clubs with minimal changes. In 2008, the Grand Prairie AirHogs (Grand Prairie, Texas) and Wichita Wingnuts (Wichita, Kansas) replaced Coastal Bend and St. Joe, while the Sports rebranded themselves as the Shreveport-Bossier Captains in 2009.

At the end of the 2010 season, the Goldeyes played a major role in the biggest change in league history. Joined by the Fargo-Moorhead RedHawks, Gary SouthShore RailCats, and Kansas City T-Bones, the Goldeyes moved from the Northern League to the American Association, bringing the league to an unprecedented 14 clubs. In addition to the four Northern League teams, the Pelicans transferred operations to Amarillo, Texas and became the Amarillo Sox.

Following 2011, Shreveport-Bossier relocated to Laredo, Texas where the Laredo Lemurs became the fifth expansion franchise in league history. Fort Worth departed the American Association, leaving the circuit with an odd number of teams at 13. To alleviate potential scheduling challenges, the American Association joined forces with the Can-Am League and utilized interleague play. This joint arrangement with the Can-Am League held constant through the 2013 season. El Paso ceased operations at the end of 2013, which brought the American Association back to an even number at 12 teams. Interleague play continued in 2014, however, and once again became a necessity in 2015 when the expansion Joplin Blasters (Joplin, Missouri) boosted league membership to 13 clubs. Amarillo rebranded as the Amarillo Thunderheads in 2015.

A unique arrangement took place in 2016 where Amarillo and Grand Prairie merged into the "Texas" AirHogs. The franchise operated as a single entity, but utilized both cities for its home schedule. Interleague play was removed in 2016.

In 2017, the American Association welcomed the expansion Cleburne Railroaders (Cleburne, Texas). The Railroaders replaced the Blasters, while the AirHogs played their home games exclusively in Grand Prairie. Shortly before the start of the 2017 season, the Lemurs ceased operations. The Salina Stockade, a former Pecos League club, replaced Laredo to help maintain a structural balance, and operated as a traveling road team.

The Chicago Dogs joined the league as an expansion team in 2018. Based out of Rosemont, Illinois, the Dogs replaced the Stockade and play their home games at state-of-the-art IMPACT Field. In 2018, the American Association also returned to a two-division format for the first time since 2010.

The Milwaukee Milkmen were established in 2019 and replaced the Wingnuts. The Milkmen play at the freshly-minted Ballpark Commons in Franklin, Wisconsin, which they share with the University of Wisconsin-Milwaukee baseball team. Due to construction delays, the Milkmen played their first 14 home games at a neutral site in Kokomo, Indiana.

As a result of the COVID-19 Pandemic, the American Association operated with six teams in 2020. The Goldeyes, Canaries, Dogs, Milkmen, RedHawks and Saints played a 60-game schedule based out of hub cities in Fargo-Moorhead, Milwaukee, and Sioux Falls.

The American Association is expected to return to full strength in 2021, but not without significant change. The Saints elected to become the Triple-A affiliate of the Minnesota Twins, while the AirHogs ceased operations. Taking their place are the Kane County Cougars, one of the most successful franchises in the Low-A Midwest League, and the Houston Apollos, a traveling team comprised of Pecos League all-stars, similar to the Stockade in 2017. The Goldeyes themselves will begin the 2021 season based out of Jackson, Tennessee, home of the Jackson Generals. Jackson previously hosted Double-A affiliates from 1998 through 2019.

Although the Goldeyes' tenure in the American Association has been short when compared to their years in the Northern League, the last 10 seasons have produced some of the best moments in franchise history. Since joining the American Association, the Goldeyes have twice set a franchise record for wins (60 in 2011 and 63 in 2014, as well as 62 in 2017). The Goldeyes won the 2012 American Association championship, which was the club's first since their inaugural season in 1994. The Goldeyes hosted the 2014 American Association All-Star Game in front of nearly 7,000 fans, an event that had not been held by the league since 2010. The Goldeyes are tied for the second most playoff berths in the league since 2011 (five), and captured back-to-back titles in 2016 and 2017. The Fort Worth Cats (2006-07) are the only other repeat champion in league history, and the Goldeyes' three American Association crowns are the most of any team since the league formed in 2006.

NORTHERN LEAGUE (1994-2010)

The birth of “modern” independent baseball started in 1993 when Miles Wolff created the Northern League. The Duluth-Superior Dukes (Duluth, Minnesota), Rochester Aces (Rochester, Minnesota), St. Paul Saints (St. Paul, Minnesota), Sioux City Explorers (Sioux City, Iowa), Sioux Falls, Canaries (Sioux Falls, South Dakota), and Thunder Bay Whiskey Jacks (Thunder Bay, Ontario) formed the six-team Northern League that became independent baseball’s gold standard for nearly two decades. Remarkably, five of the original six clubs continue to operate in some form today, with Sioux City and Sioux Falls still retaining their original identities. The Goldeyes replaced Rochester in 1994.

The Fargo-Moorhead RedHawks (Fargo, North Dakota) and Madison Black Wolf (Madison, Wisconsin) joined the Northern League in 1996. In 1999, the Northern League merged with the independent Northeast League, forming a 16-team “super” league. This venture operated under the Northern League umbrella. The Northern League clubs played in the “Central Conference” while the Northeast League teams played in the “Eastern Conference.” The arrangement lasted four years from 1999-2002, with the conferences playing schedules independent of one another. The conference champions met in the Northern League Championship Series to decide the league title. The championship series during this four-year span marked the only time teams from each conference played head-to-head, giving the final round an “old school” World Series feel.

In 2003, the Northern League returned to its pre-1999 format. By now, the Northern League had expanded into the “Chicagoland” area with Thunder Bay becoming the Schaumburg Flyers (Schaumburg, Illinois) in 1999, and the additions of the Gary SouthShore RailCats (Gary, Indiana) and Joliet Jackhammers (Joliet, Illinois) in 2002. Due to delayed ballpark construction, the RailCats played their inaugural 2002 season on the road before moving into their current home (US Steel Yard) the following year. The Lincoln Saltdogs (Lincoln, Nebraska) joined the Northern League in 2001, moving from Madison. Duluth-Superior moved to Kansas City, Kansas and became the Kansas City T-Bones prior to the 2003 season.

The Northern League added two more Canadian members in 2005 with the Calgary Vipers (Calgary, Alberta) and Edmonton Cracker-Cats (Edmonton, Alberta). Both cities were once home to Triple-A franchises. Following the 2005 season, Lincoln, St. Paul, Sioux City, and Sioux Falls moved into the new American Association. The Goldeyes, along with Fargo-Moorhead, Gary SouthShore, and Kansas City eventually reunited with these clubs when they moved to the American Association themselves in 2011.

Calgary and Edmonton departed for the Golden League following the 2007 season, and the Northern League operated with only six teams in 2008 and 2009. Additional Chicago area teams were added in 2010. The Rockford Riverhawks (Rockford, Illinois), long-time members of the Frontier League, switched circuits, while the expansion Lake County Fielders (Zion, Illinois) helped bring the Northern League back to eight total clubs.

2010 proved to be the final year of the Northern League. While Fargo-Moorhead, Gary SouthShore, Kansas City, and Winnipeg moved to the American Association, Joliet and Schaumburg folded, and Rockford transferred back to the Frontier League. Lake County moved to the newly-formed North American League before folding after the 2011 season. Joliet rebranded as the Frontier League’s Joliet Slammers in time for 2011. After one year without baseball, Schaumburg rebranded as well, and joined the Frontier League as the Schaumburg Boomers in 2012.

In total, seven of the 12 teams currently in the American Association hold ties to the original Northern League.

WINNIPEG GOLDEYES – TEAM HISTORY

Professional baseball returned to Winnipeg, Manitoba in 1994 when the Northern League welcomed the Winnipeg Goldeyes. The Goldeyes replaced the Rochester Aces (Rochester, Minnesota), one of the Northern League's original six members from the league's inaugural 1993 season.

Winnipeg had enjoyed baseball on-and-off since 1902, and was last home to a professional team in 1970 when the Winnipeg Whips were the Triple-A International League affiliate of the Montreal Expos. The Goldeyes moniker itself had been used on two previous occasions, and in both cases, the team was part of a different version of the Northern League. The first incarnation of the Winnipeg Goldeyes played in the Northern League (Class A) from 1954-65 as an affiliate of the St. Louis Cardinals. The Goldeyes won championships in 1957, 1959, and 1960. Hall of Fame left-hander Steve Carlton is regarded as the most notable Goldeyes' alumnus. The Goldeyes returned for a one-year stint in the Northern League (Short Season-A) in 1969 as an affiliate of the expansion Kansas City Royals.

Upon their rebirth in 1994, the modern-day Winnipeg Goldeyes made an immediate impact on the city by capturing the Northern League championship in their first year. Winnipeg defeated the Sioux City Explorers three games to one in the Northern League Championship Series, and drew more than 212,000 fans (5,314 fans per game). The championship marked the first of 10 consecutive playoff appearances (including seven berths in the Northern League Championship Series) for the Goldeyes, a feat still unmatched by any Northern League or American Association team today.

Originally built to a capacity of 6,140, Shaw Park helped revitalize Winnipeg's downtown area. Positioned in the heart of downtown Winnipeg, the ballpark is surrounded by the historic Exchange District, "The Forks" (where the Red River and Assiniboine River meet), and other locations pivotal to the city's economy and livelihood. Nearly 300,000 fans packed the new stadium in 1999 as the Goldeyes reached their fourth Northern League Championship Series. The average attendance of 6,048 per game represented a 98.5 percent capacity for the season.

In 2000, the Goldeyes drew a Northern League-best 271,513 fans, and sold out 34 of their 42 home dates. When added to the pre-season and playoff totals, the number again approached 300,000. The Goldeyes' average attendance of 6,456 during the regular season established a Northern League record, and was the highest average of all 50 teams in independent baseball.

2001 proved to be a success in every sense of the word. Not only did the Goldeyes reach the playoffs for the eighth time in their eight-year history, but the team broke its own average attendance record from the previous year at 6,491 fans per game. 35 of 45 home dates were sellouts, while total attendance reached 292,095 to once again lead independent baseball. In addition to reaching the Northern League Championship Series, the Goldeyes hosted the 2001 Northern League All-Star Game. 5,011 fans attended the July 30th skills competition, and a ballpark-record crowd of 6,942 were in the building for the All-Star Game the following night.

A year later, the Goldeyes continued to draw in record numbers. The Goldeyes once again reached the Northern League Championship Series and became the first team in league history to eclipse 300,000 regular season fans. Winnipeg averaged 6,200 fans per game, which outdrew 13 of the 30 teams at the Triple-A level. Along the way, the Goldeyes welcomed the one-millionth regular season fan at their downtown home, with Rory Newton receiving the honours on August 8th versus Joliet. Single-game attendance topped 7,000 on several occasions, including a new ballpark record of 7,056 on September 19th during Game Two of the Northern League Championship Series. Andrew Collier was named Northern League Executive of the Year.

Shaw Park underwent a facelift for 2003, adding more than 1,200 additional box seats, six Skysuites, six new concession stands, a mother's lounge, patio deck, grass berm, and a full-service restaurant. Fans once again supported their hometown team in record numbers, exceeding 300,000 fans and cheering on the Goldeyes to another appearance in the Northern League Championship Series. The Goldeyes won the Northern League's inaugural Organization of the Year Award, and became the first independent team ever to average more than 7,000 fans per game (7,161).

The Goldeyes surpassed 7,000 fans per game for a second straight year in 2004, averaging 7,027 per opening. A total of 323,241 fans took in a Goldeyes game, while Andrew Collier was honoured as the Northern League's Executive of the Year for a second time in three seasons. That same year, left-handers Bobby Madritsch and George Sherrill both made their Major League debuts for the Seattle Mariners. The two pitchers had been teammates in Winnipeg just two years prior.

Although the Goldeyes posted their first sub-.500 record in team history in 2005, fans continued to show their loyal support. The Goldeyes averaged 6,867 fans per game, and totaled 322,758 for the year—topping the 300,000 mark for a fourth consecutive season. This included a crowd of 8,668 on August 29th versus Lincoln, shattering the stadium's previous record of 7,930 set just 19 days earlier against Calgary. Along the way, three Goldeyes' pitchers had their contracts purchased by Major League organizations—the most in team history mid-season—while Brian Myrow made his Major League debut with the Los Angeles Dodgers that September. Just three years after welcoming the one-millionth fan to a regular season game at Shaw Park, the Goldeyes' celebrated their two-millionth on August 25th versus Fargo-Moorhead.

In 2006, Rick Forney took over as the third manager in team history and remains in that role today. Forney already had nine years of experience in the organization as either a pitcher or pitching coach. After a two-year absence, Forney led the Goldeyes back to the postseason. In the opening round, the Goldeyes pushed eventual champion Fargo-Moorhead to the brink of elimination as the RedHawks won the series in the bottom of the ninth inning in the decisive fifth game. Eight Goldeyes represented the team at the Northern League All-Star Game, while three more were named Postseason All-Stars. A total of five players were sold to Major League organizations, the most in one calendar year since 2001. At the gate, the Goldeyes welcomed 312,213 fans, reaching 300,000-plus for a fifth year in a row. The team earned its second Northern League Organization of the Year Award, while Collier was named Executive of the Year for a third time in the past five.

Like the previous season, the Goldeyes pushed the eventual 2007 Northern League champions to the brink of elimination in the postseason. This time, the Goldeyes battled the Gary SouthShore RailCats to a winner-take-all Game Five in the opening round. The Goldeyes ranked in the top-20 in all of minor league baseball (affiliated and independent), drawing an average attendance of 6,542. Six Goldeyes made the Northern League All-Star Game, and three more were named Postseason All-Stars. Collier earned Executive of the Year honours for a fourth time in six seasons.

The Goldeyes hosted their second Northern League All-Star Game in 2008. It was the team's 10th year at Shaw Park and 15th overall in the Northern League. Between the skills competition and All-Star Game itself, better than 12,000 fans witnessed the two-day festivities. 11 Goldeyes were represented in their home park during the All-Star Game. The Goldeyes reached the postseason for a 13th time in their 15-year history, and led all of independent baseball (58 teams) in average attendance for a ninth consecutive season (6,464). Three Goldeyes earned Postseason All-Star honours, and the team was named Northern League Organization of the Year for a third time.

2009 proved to be one of the best seasons for the modern-day Winnipeg Goldeyes. A well-rounded roster got off to the best start in team history, and qualified for the playoffs for a 14th time in 16 years. Collier earned his fifth Executive of the Year award, and the team led independent baseball in average attendance for a 10th consecutive year at 6,180. Overall, the Goldeyes ranked 26th out of the 267 teams (throughout 31 leagues) in all of minor league baseball.

In what proved to be the final year of the Northern League, the Goldeyes missed the playoffs in 2010. However, there were still several performances to celebrate. Kevin West became the first Goldeye since Brian Duva to win the Northern League batting title. Left-handed pitcher Ian Thomas earned Northern League Rookie Pitcher of the Year honours. Andrew "Ace" Walker—who would go on to break several major franchise pitching records—flirted with a no-hitter against the Fargo-Moorhead RedHawks on August 29th. Fittingly, the Goldeyes led the Northern League in attendance during the league's final season with 271,399 total fans, and an average attendance of 5,654—second-best in independent baseball.

2011 marked a major change as the Goldeyes (along with Fargo-Moorhead, Gary SouthShore, and Kansas City) joined the independent American Association. The league, which formed in 2006, was now a 14-team circuit with only four teams qualifying for the postseason. This meant simply making the playoffs would be a challenge for any team—and the Goldeyes were up to the task. Despite a new league and many more opponents fighting for position, the Goldeyes won a franchise-best 60 games, and used a dominant finish (17-8) to put away the American Association North Division. In one of the most exciting playoff series in team history, the Goldeyes fell in heartbreaking fashion to the St. Paul Saints in the ninth inning of the decisive fifth game at Midway Stadium. Walker became the franchise leader in wins, Price Kendall won American Association Rookie of the Year, and Forney was voted American Association Manager of the Year. In terms of fan support, the Goldeyes picked up where they left off in the Northern League. A 5,740 per game average not only topped the American Association, but all of independent baseball, and helped Winnipeg take its first American Association Organization of the Year award.

2012 will always have a special place in the hearts of Goldeyes' fans. The team grinded its way to a 55-45 record, qualifying for the wild card with three days left in the regular season. The Goldeyes then caught fire, and won the American Association championship. It was the Goldeyes first title in 18 years when they had won the 1994 Northern League crown during their inaugural season. The Goldeyes swept their way through the playoffs with a 6-0 record against Fargo-Moorhead and Wichita, and remain the only team in American Association history to enjoy a perfect postseason. During the regular year, Fargo-Moorhead tied a league record with 65 wins, and defeated the Goldeyes in 12 of 18 head-to-head meetings. Amos Ramon was named MVP of the playoffs, while Brian Beuning logged 11.2 brilliant innings, notching four saves, and recording the final out in all six postseason victories. Former Major League outfielder Chris Roberson made the American Association's Postseason All-Star team.

The Goldeyes actually won more games (56) in 2013 than they did during their championship year in 2012, and in fact, had the fourth-best record in the American Association. However, due to the South Division automatically receiving a playoff berth, the Goldeyes narrowly missed the postseason for only a fourth time in their history. 2013 also marked the 20th season of Winnipeg Goldeyes baseball. Outfielder Ryan Scoma contended for the American Association batting title, finishing third at .341. Scoma's contract was purchased by the Toronto Blue Jays at the end of the season. Meanwhile, new left-hander Brendan Lafferty tied for the league lead with 53 appearances, setting a franchise single-season record. The Goldeyes led all of independent baseball in average attendance at 5,880 and ranked 28th out of the 390 minor league teams in North America. Winnipeg outdrew 13 Triple-A and 27 Double-A teams with a grand total of 276,359 fans. The Goldeyes won Organization of the Year honours for a third straight season.

2014 proved to be another banner year for the Goldeyes with a franchise-record 63 wins and the team's second North Division title in four seasons. Shaw Park hosted its third All-Star Game, and the Goldeyes were well-represented with six players making the North Division squad. Casey Haerther and Tyler Kuhn tied for second in the league with a .360 batting average, while Nick Hernandez posted a 12-2 record en route to being named the American Association's Pitcher of the Year. On June 4th at Sioux Falls, five Goldeyes' pitchers combined on the first no-hitter in team history in the nightcap of a double header.

The Goldeyes missed the postseason in 2015, but several players and staff achieved key milestones. Forney earned his 500th managerial win on June 16th versus St. Paul, and later surpassed Hal Lanier for the most wins in team history on August 11th versus Sioux Falls. Long-time catcher Luis Alen became the franchise leader in base hits during the season opener on May 21st at Grand Prairie, and went on to set Goldeyes' career records for RBI, walks, and doubles. On June 6th versus Joplin, Hernandez flirted with a perfect game and eventually tossed eight no-hit innings in a Goldeyes victory. Rookie infielder James Boddicker gained national attention for a barehanded catch he made on August 26th at Quebec. Josh Mazzola surpassed Terry Lee for the franchise home run record on July 26th at Kansas City, and finished the season with a league-best 20 long balls. Mazzola, Haerther, and first-year Goldeyes' outfielder Adam Heisler all made the American Association's Postseason All-Star Team.

Winnipeg returned to the postseason in style in 2016, winning the American Association championship for a second time in five years. The Goldeyes qualified for the playoffs on the final day of the regular season when left-handed pitcher Kevin McGovern tossed a complete game two-hitter over the RedHawks that clinched the American Association wild card. In the Division Series, the Goldeyes came back from a 2-1 series deficit against the St. Paul Saints, winning Games Four and Five on the road. In the decisive fifth game, right-hander Mikey O'Brien worked seven shutout innings on three days of rest to help propel the Goldeyes into the ninth league final in team history. The Goldeyes also fell behind 2-1 in the Championship Series versus Wichita, but once again rallied for road wins in Games Four and Five. Reggie Abercrombie hit two home runs and set a franchise playoff single-game record with seven RBI in the deciding game. Earlier in the year, Abercrombie became the American Association's all-time leader in home runs, and was named the league's inaugural Scott Miller/Brian Rose Man of the Year. Outfielders David Rohm and Willie Cabrera were named Postseason All-Stars. The offence as a whole led the league with 594 runs scored, and set an American Association record with 462 walks. On 10 different occasions, the pitching staff combined to allow three or fewer base hits.

The Goldeyes made it back-to-back American Association championships in 2017 while fielding one of the most talented rosters in team history. The Goldeyes won a league-best 62 games, falling just one win shy of the franchise record set in 2014. Offensively, the Goldeyes ranked first in batting average (.296) and second in runs scored (607). The pitching staff set a franchise record with 751 strikeouts. Three Goldeyes were selected to the American Association/Can-Am League All-Star Game in Ottawa, while four were voted to the American Association's Postseason All-Star Team. First baseman Shawn Pleffner led the league with a .340 batting average, and returning outfielder Josh Romanski earned Player of the Year honours. The Goldeyes clinched their postseason berth by winning the American Association North Division, and outlasted a formidable Lincoln Saltdogs team three games to one in the Division Series. For a second consecutive year, and for a third time in the last six, Winnipeg matched up against Wichita in the Championship Series. Much like 2016, the Goldeyes fell behind 2-1 in the best-of-five series, but managed an epic victory in Game Four that prolonged their season. Game Four will long be remembered for its record-setting length (five hours and 59 minutes), as well as a ninth-inning balk in which it appeared the Wingnuts had won the series. Two nights later, and following a rainout, the Goldeyes defeated the Wingnuts 18-2 to win their fourth championship in franchise history. Pleffner hit for the cycle, while starting pitcher Edwin Carl set a Goldeyes' career record with his fifth postseason win.

The Goldeyes celebrated a quarter century of baseball in 2018. While the Goldeyes fell short of winning a third consecutive American Association championship, the club still provided many exciting moments and milestones. Franchise home run leader and fan-favourite Josh Mazzola returned to

play third base. In addition to swatting 20 more long balls, Mazzola set the American Association "iron man" record by playing in a 335th consecutive game. McGovern finished second in the league in strikeouts, while also breaking the American Association's career mark for "Ks" by a left-hander. Abercrombie returned for a fifth season and achieved two major bench marks. The former Major Leaguer stole the 500th base of his professional career in July, and then broke the American Association's all-time record for base hits later that month. Reliever Jack Charleston made history in his first year with the Goldeyes by appearing in 60 games. Returning bullpen arm Victor Capellan tied a franchise single-season record with 22 saves. The highlight of the year came on July 12th when the Goldeyes held their 25th anniversary luncheon. The event took a deep dive into the organization's history of success, and included insight from former manager Hal Lanier, current manager Rick Forney, and former radio broadcaster Paul Edmonds. Later that evening, Lanier's number "22" was retired during a pre-game ceremony.

The Goldeyes rebounded with a 57-43 record in 2019, and while the team narrowly missed the postseason, the Goldeyes demonstrated their mettle compiling a 21-17 mark against the four clubs that did qualify for the playoffs. Abercrombie concluded his 20-year professional career by establishing new franchise records for runs scored, home runs, and RBI. The home run came in dramatic fashion on August 31st versus Sioux Falls when Abercrombie lifted a two-run, walk-off shot in the bottom of the ninth to eclipse the record previously held by Mazzola. Abercrombie played his final game on September 2nd where he received two standing ovations before walking off the Shaw Park field for a final time. Several other prominent records fell in 2019. On July 24th versus Texas, McGovern passed Chris Salamida for the most strikeouts in franchise history, while fellow left-hander Mitchell Lambson logged a Goldeyes' single-season record 150.2 innings. Lambson finished the year 13-4 with a 3.11 ERA and 133 strikeouts, and was voted American Association Pitcher of the Year. After tying the Goldeyes' single-season saves record in 2018, Capellan shattered that bench mark with 27 saves, while breaking the Goldeyes' career record in the same category. On July 8th versus St. Paul, Capellan also set an American Association record for all-time appearances. Perhaps most impressive was the Goldeyes' team defence whose .987 fielding percentage easily surpassed the 2017 Saltdogs (.982) for the best in American Association history.

For reasons unrelated to baseball, the 2020 season was unlike any other as everyday lives and routines around the globe were disrupted by the COVID-19 pandemic. American Association fans were treated to a small slice of normal, however, when the league organized a six-team league and a 60-game schedule that included the Goldeyes. While the affiliated minor leagues were shut down and Major League Baseball played in front of empty stadiums, the American Association played games in front of live crowds in a safe manner for all who passed through the gates. Winnipeg's situation was especially unique as the Goldeyes were the only participating club that never played in its true home park. Despite the obstacles, the Goldeyes led the standings for the majority of the season, spending 28 days in first place. First baseman Kyle Martin became the first Goldeye in 14 years to lead the league in RBI, and was voted a Postseason All-Star. An 11-game losing streak at the end of the season dashed any playoff hopes, but the club played hard through the final out of every game and earned the admiration of both the City of Winnipeg and its American Association peers. As a result, Forney was voted American Association Manager of the Year for a second time.

THE "BALK"

On September 18th, 2017, the Goldeyes trailed the Wichita Wingnuts 3-2 in the bottom of the ninth inning of Game Four of the American Association Championship Series. Wichita led the best-of-five series 2-1, and was one strike away from winning the title.

With the tying run on second and two outs, Goldeyes' second baseman Casey Turgeon grounded an 0-2 pitch to Wingnuts' third baseman TJ Mittelstaedt. Mittelstaedt gloved the ball and threw to first to complete the final out. The Wingnuts stormed the field in celebration before home plate umpire Joe Stegner informed the players that a balk had been called prior to the pitch.

Stegner ruled that Wingnuts' closer Ryan Kussmaul did not come to a complete stop before starting his delivery, which effectively gave Turgeon a "free" swing. When play resumed, Turgeon worked the count to 1-2 against Kussmaul before smacking a double to left-centre that scored Wes Darvill with the tying run.

The two clubs then battled for another eight innings with the Goldeyes winning 4-3 in the bottom of the 17th on a David Rohm RBI double. The 17 innings tied an American Association record, while the duration of five hours and 59 minutes marked the longest game in league history.

Two nights later, the Goldeyes beat the Wingnuts 18-2 in the winner-take-all Game Five to capture a second consecutive championship.

Casey Turgeon scores the winning run in the 17th inning of Game Four of the 2017 American Association Championship Series.

WINNIPEG GOLDEYES RETIRED NUMBERS

#5 – BRIAN DUVA (1995-2000)

When discussing the Goldeyes' most distinguished alumni, it would be remiss to do so without talking about Brian Duva. One of the most popular players in team history, Duva retired following the 2000 season as the Northern League record holder for one single-game, two single-season, and three career benchmarks. On a franchise level, Duva held three single-season and eight career records at the time of his retirement, and remains the Goldeyes' all-time leader in stolen bases through 2019.

In addition to his statistical accomplishments, Duva also appeared in two Northern League All-Star Games (1997 and 1998). In both of those seasons, Duva was named to the Northern League's Postseason All-Star Team. Duva was also twice recognized as one of independent baseball's elite, earning Baseball America All-Independent Team honours in both 1997 and 1998.

Less than one year after retirement, Duva returned to Winnipeg on July 20th, 2001 when the Goldeyes retired his jersey number "5," making him the first player in franchise history to receive the honour. Duva currently works as an attorney in Atlanta, Georgia.

#6 – MAX POULIN (2001-08)

He was a fixture at shortstop for eight seasons, and on June 14th, 2011, Max Poulin's number "6" became the fourth jersey retirement in franchise history.

Poulin donned a Goldeyes' jersey from 2001-08, and played in a team record 676 games as part of a 10-year playing career. At the time of his jersey retirement, Poulin was the Goldeyes' all-time leader in base hits (631), at bats (2,374), triples (34), and walks (227). Poulin was tied for the career record in doubles (95), ranked second in runs scored (336), and third in RBI (250). Poulin holds Winnipeg's career games played record to this day.

Known for his acrobatic plays in the field, Poulin owned a .975 career fielding percentage, including a season-best .986 mark in 2001. During the 2008 season—his last as a member of the Goldeyes—Poulin finished with a .983 fielding percentage, and committed just seven errors in 407 defensive chances.

Poulin claimed numerous awards during his eight-year career. Poulin won the Northern League's Most Outstanding Defensive Player Award in 2005, and represented the Goldeyes in four Northern League All-Star Games (2002, 2003, 2005, and 2008). On two occasions, Poulin was named the Goldeyes' Player of the Year.

Poulin's storybook tale of how he arrived in Winnipeg is well-documented. As a free agent, Poulin packed up his car and drove from his hometown of Saint-Eustache, Quebec all the way to Winnipeg for an open tryout. After catching the eye of manager Hal Lanier, Poulin went on to spend the next eight summers entertaining Goldeyes' fans.

Poulin recently served as both a coach and manager for the Can-Am League's les Aigles de Trois-Rivieres, and was a member of their staff when they won the Can-Am League championship in 2015.

#21 – DONNIE SMITH (1998, 2000-06)

Donnie Smith, whose 206 appearances are more than anyone in Northern League history, had his jersey number “21” retired by the Goldeyes on July 21st, 2009.

A Winnipeg native, Smith was 25 when he signed with the Goldeyes in August of 1998 after manager Hal Lanier and coach Scott Neiles saw him pitch for Legion 141 of the Manitoba Senior Baseball League. In eight Northern League appearances, Smith was 2-0 with a 6.23 ERA, and was the winning pitcher in the final regular season game played at Winnipeg Stadium.

After sitting out the 1999 season to recuperate from a hand injury sustained while coaching at his alma mater, Valley City State, Smith made a successful return in 2000. In 23 appearances, 20 of them in relief, Smith was 1-2 with a 2.23 ERA and a minuscule .188 opposition batting average.

Smith went on to pitch four more seasons, including a career year in 2002 where the right-hander was 4-1 with a 1.19 ERA and 52 strikeouts in 45.1 innings. Shoulder problems forced Smith to cut his 2004 season short, and the right-hander underwent surgery that December before making an impressive comeback in 2005. That season, Smith was 1-3 with a 2.70 ERA and a career-best 11 saves.

Smith returned in 2006, and went 1-2 with a 2.51 ERA over 23 appearances before calling it a career at the end of the season.

In his eight years with the Goldeyes, Smith was 15-15 with 28 saves and a 3.22 ERA. Smith struck out 246 over 246.0 innings pitched, and held opponents to a .238 average.

#22 – HAL LANIER (1996-2005)

One of the most decorated managers in independent baseball history, Hal Lanier brought credibility to the Winnipeg Goldeyes when he arrived in 1996, and helped establish the club as one of the premier organizations in all of minor league sports. Lanier's number "22" was retired on July 12th, 2018 during the Goldeyes' 25th season celebration. It was the fifth number retired in club history.

Lanier enjoyed a 10-year playing career in the Major Leagues as a middle infielder for the San Francisco Giants and New York Yankees, which included a selection to the Topps All-Rookie Team in 1964. Upon retiring as a player, Lanier quickly found success as he transitioned into a managerial role. As a rookie manager in 1977, Lanier guided the Gastonia Cardinals to a Class A Western Carolinas League championship. Lanier skippered the Triple-A Springfield Redbirds each of the next two seasons, including an American Association championship in 1980.

Lanier then served five years as third base coach for the St. Louis Cardinals, learning from legendary manager Whitey Herzog. The Cardinals won the 1982 World Series and made a return trip to the Fall Classic in 1985 with Lanier on the staff.

Lanier was then hired to manage the Houston Astros, and guided the club to a National League Western Division title in 1986. The Astros came within two wins of reaching the World Series, falling to the eventual champion New York Mets in a tightly-contested NLCS.

From 1996-2005, Lanier managed the Goldeyes to a 523-360 (.592) overall record, eight playoff appearances, and five trips to the Northern League Championship Series. Lanier has managed five other independent league clubs since 2006, winning Can-Am League championships with the Sussex Skyhawks in 2008 and the Ottawa Champions in 2016.

#31 – ANDREW WALKER (2008-12)

For five seasons, right-hander Andrew “Ace” Walker etched his mark on independent baseball as the leader of the Winnipeg Goldeyes’ pitching staff. On June 23rd, 2015, Walker’s number “31” became just the fourth retirement in franchise history.

A former Texas Rangers farmhand (2004-07), Walker joined the Goldeyes in 2008 and proceeded to rewrite the club’s record book. Walker holds team career pitching records for wins (47), complete games (13), games started (105), and innings pitched (692.2). Walker also held the Goldeyes’ all-time record for strikeouts (380) upon his retirement following the 2012 season.

Walker’s best season with the Goldeyes came in 2009 when he was named the Northern League’s Pitcher of the Year. Walker was 12-6 with a 3.32 ERA, and set team single-season records for complete games (6) and innings pitched (149.0). Walker was also named to Baseball America’s 2009 All-Independent Leagues Team.

In his final season in Winnipeg, Walker helped the Goldeyes win the 2012 American Association championship with a 9-5 record and a 3.74 ERA in 22 regular season appearances, 21 of which were starts. Walker was then 1-0 with a 3.86 ERA in both of his playoff starts as the Goldeyes swept their way to their first title in 18 years.

Walker finished his Goldeyes career with a 47-25 (.653) record and a 3.92 ERA. Known for his control, Walker threw just 10 wild pitches and issued a paltry 1.8 walks per nine innings during his five years in Winnipeg.

An accomplished artist off the field, Walker would often paint graphics on the grass behind home plate at Shaw Park, and is responsible for the large Goldeyes’ logo painted on the wall in the club’s training room.

MLB ALUMNI – PLAYERS

MIKE CATHER (1995)

The first Goldeyes alumnus to reach the Majors, right-handed pitcher Mike Cather made his Major League debut on July 13th, 1997 with the Atlanta Braves.

Soon after setting the Goldeyes' single-season saves record in 1995, the Braves purchased Cather's contract.

After spending all of 1996 and the beginning of 1997 at the Double-A level, Cather spent one month in Triple-A before the Braves called him up midway through the 1997 season. Cather was a key member of the Atlanta bullpen as the Braves cruised to the National League East title.

Cather returned to the Braves in 1998 and 1999, and currently serves as Pitching Coordinator for the Miami Marlins.

JEFF ZIMMERMAN (1997)

The second Goldeyes alumnus to reach the Major Leagues, right-handed pitcher Jeff Zimmerman made his Major League debut on April 13th, 1999 with the Texas Rangers.

Shortly after nailing down Northern League Rookie Pitcher of the Year honours in 1997, Zimmerman was on his way to spring training after the Rangers purchased his contract. Zimmerman was named the Rangers' Minor League Pitcher of the Year in 1998, and made it to the Majors the following season—highlighted by an appearance in the 1999 MLB All-Star Game at Boston's Fenway Park.

Zimmerman stayed with the Rangers in 2000 and 2001, often serving as the team's closer. Zimmerman retired following the 2003 season after undergoing, and rehabbing from, elbow surgery.

JEFF SPARKS (1997-98)

The third Goldeyes alumnus to reach the Majors, right-handed pitcher Jeff Sparks made his Major League debut on September 12th 1999 with the Tampa Bay Devil Rays.

Acquired by the Pittsburgh Pirates in 1999 after setting the Goldeyes' single-season saves record the previous year, Sparks was poised to make the Majors with the Pirates before a mid-season trade to the Tampa Bay Devil Rays.

Following six weeks in the minor leagues, Sparks received the call all baseball players dream of, as the Devil Rays promoted him to the big club in August of 1999. Sparks spent the final month of the season in the Majors, and returned in 2000.

Sparks attended spring training with the New York Yankees in 2001, but was unable to land a spot in their organization. Undaunted, Sparks suited up for Albany of the independent All-American Association where he dominated. The performance earned him an invite to spring training with the Milwaukee Brewers in 2002.

After taking the 2003 season off, Sparks returned to the game in 2004, and spent the next two seasons in independent baseball. He came to camp with the Goldeyes in 2005, but opted to play that year in Mexico.

GEORGE SHERRILL (2002-03)

The fourth Goldeyes' alumnus to reach the Majors, left-handed pitcher George Sherrill made his Major League debut on July 16th, 2004 with the Seattle Mariners.

Signed by Seattle midway through the 2003 season, Sherrill spent the remainder of that campaign with the Double-A Texas League's San Antonio Missions, and was a key member of their championship club. Sherrill was invited to spring training in 2004 before opening the season with Triple-A Tacoma. Sherrill was scheduled to pitch in the Pacific Coast League All-Star Game, only to decline when the Mariners called him up.

Sherrill made 21 relief appearances for the Mariners, and even came back to Winnipeg to instruct at the Goldeyes' Holiday Skills Camp. Sherrill was back in Seattle in 2005 where he recovered from early shoulder trouble to make 29 more Major League appearances.

In 2006, Sherrill played with the Mariners before moving to the Baltimore Orioles in a 2007 trade. Sherrill pitched in Baltimore for just over one season when the Orioles dealt him to the Los Angeles Dodgers on July 30th, 2009. After one and a half years with the Dodgers, Sherrill spent 2011 with the Atlanta Braves. Sherrill returned to the Mariners for two games in 2012.

Sherrill retired in 2013 after pitching in 29 games for the Kansas City Royals' Triple-A affiliate in Omaha, Nebraska.

BOBBY MADRITSCH (2002)

The fifth Goldeyes' alumnus to reach the Majors, left-handed pitcher Bobby Madritsch made his Major League debut on July 21st, 2004 with the Seattle Mariners.

Purchased by the Mariners just days before he was named Baseball America's Independent Player of the Year in 2002, Madritsch earned Double-A Texas League all-star honours with the San Antonio Missions, helping them win the 2003 Texas League title. Madritsch was invited to spring training in 2004, but opened the season with Triple-A Tacoma in the Pacific Coast League. Following three months with the Rainiers, the Mariners called up Madritsch, who earned the win in his Major League debut.

Madritsch totaled 11 starts and four relief appearances for Seattle, and returned to the Majors in 2005 where he made the Opening Day roster. Madritsch suffered a torn ligament in his pitching shoulder after his first outing in 2005. He spent the remainder of the season rehabbing, and was then claimed off waivers by the Kansas City Royals in October. Having made limited progress in his recovery, Madritsch was released by the Royals in September of 2006.

BRIAN MYROW (1999-2001, 2011)

Infielder Brian Myrow made his Major League debut on September 6th, 2005 with the Los Angeles Dodgers.

Myrow was the first Goldeyes' position player to reach the Majors. His contract was originally purchased by the New York Yankees early in the 2001 season. Myrow spent nearly three years with the Yankees' organization before a May 2004 trade sent him to Los Angeles.

Myrow played the remainder of 2004 and much of 2005 with the Triple-A Pacific Coast League's Las Vegas 51's when the Dodgers called him up to the big club with a month left in the Major League season.

After spending one year playing in Korea, Myrow appeared in 12 games for the San Diego Padres in 2007, and another 21 contests for the Padres in 2008. Myrow returned to the Goldeyes in 2011 before spending the final years of his career with the Grand Prairie AirHogs. Myrow served as Grand Prairie's hitting coach in 2015, and was activated as a player midway

through the season.

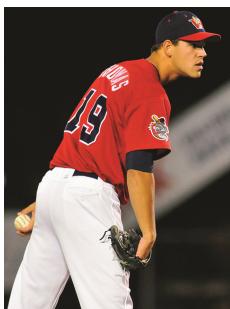

BRANDON KINTZLER (2007-08)

Right-handed pitcher Brandon Kintzler was called up by the Milwaukee Brewers in September of 2010. Earlier that year, Kintzler split time at Double-A Huntsville and Triple-A Nashville before making his Major League debut on September 10th. Kintzler combined for a 4-0 record with 16 saves and a 1.47 ERA during his time in Double- and Triple-A, striking out 44 and walking only seven in 49.0 innings pitched.

Kintzler pitched for the Goldeyes in 2007 and 2008, primarily as a starter. In 2007, he was 5-2 with a 4.87 ERA in 29 games, and followed that up with a 7-6 record and a 4.65 ERA in 20 games during the 2008 season.

In 2009, Kintzler opened the year with the St. Paul Saints before having his contract purchased by the Brewers. Kintzler has played the last 10 years at the Major League level with the Brewers, Minnesota Twins, Washington Nationals, and Chicago Cubs, compiling a 3.37 ERA in 424.1 Major League innings. Kintzler earned his first All-Star selection while playing for the Twins in 2017.

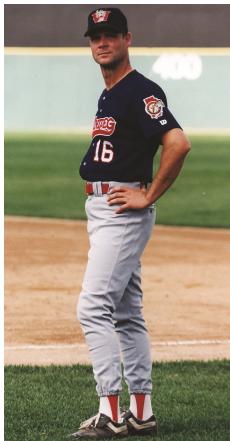

IAN THOMAS (2009-11)

Left-handed pitcher Ian Thomas is the Goldeyes' most recent alumnus to reach the Major Leagues, making his debut on March 31st, 2014 for the Atlanta Braves.

Making the jump straight from Double-A, Thomas was named to the Braves' 2014 Opening Day roster. In 2009, Thomas signed with the Goldeyes as a non-drafted free agent out of Virginia Commonwealth University. In a span of three seasons with the Goldeyes, Thomas was 11-5 with a 2.03 ERA in 82 relief appearances, and was named the 2010 Northern League's Rookie Pitcher of the Year.

Thomas signed with the Atlantic League's York Revolution in 2012 and was purchased by Atlanta after making seven appearances. Thomas rose quickly through the Braves' organization, playing the remainder of 2012 in Low-A, and then skipping a level to Double-A for all of 2013.

MLB ALUMNI - COACHES

BOB KIPPER (1996-98)

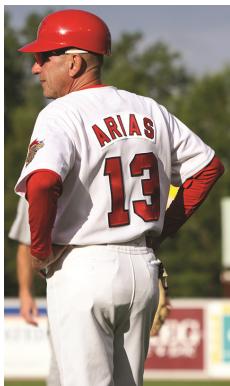

The first Goldeyes' coach to reach the Major Leagues, Kipper actually returned to the Majors when he was named the Boston Red Sox' bullpen coach on December 12th, 2001.

Following a pitching career that began in 1982 as a first-round pick of the California Angels (including eight years in the Major Leagues with three different clubs) and ending in 1994 as a member of the New York Mets' organization, Kipper began his coaching career as pitching coach for the Frontier League's Evansville Otters in 1995.

Kipper arrived in Winnipeg a year later and promptly guided the Goldeyes' pitching staff to the Northern League's best team ERA. Winnipeg's team ERA was among the top-three in the Northern League in each of Kipper's three years on the staff, a tall order for a club playing in homer-friendly Winnipeg Stadium.

Kipper departed the Goldeyes after the 1998 season, and headed to the Red Sox' organization. He was set to be the pitching coach for the Rookie Gulf Coast League affiliate in Fort Myers, but was promoted to the Short Season-A New York-Penn League's Lowell Spinners just before Opening Day. After a year with Lowell, Kipper spent the next two summers with Low-A Augusta in the South Atlantic League.

In 2002, Kipper joined the parent club in Boston and resumed his pitching coach role in Double-A Portland in 2003. After two years with the Sea Dogs, Kipper signed on with the South Atlantic League's Greenville Drive to be closer to home.

RUDY ARIAS (2008-10)

Upon joining the Goldeyes in 2008, bench coach Rudy Arias already had a championship coaching career, and laid claim to a title few in independent baseball circles could boast—a World Series ring.

In 1996, Arias was the bullpen coach for the New York Yankees when they won the first of four championships in a five-year span. Arias worked with the likes of Mariano Rivera and John Wetteland, among other Yankees' relievers, during their magical year.

For three seasons, Arias brought that knowledge to Winnipeg, and tutored younger players on baseball, as well as life as a professional athlete. Arias also served as the Goldeyes' first base coach during that time.

In the fall of 2010, Arias' former manager from his time with the Yankees, Buck Showalter, brought him back to the Major Leagues as a bench coach with the Baltimore Orioles to help work with the Spanish-speaking players on the roster.

Originally from Cuba, Arias defected to the United States and has greatly contributed to the baseball community in the Miami-Dade area in Florida. In fact, he was inducted into the Miami High Hall of Fame in 2012. Arias graduated from Miami High in 1975, and played three years in the Seattle Mariners' organization from 1977-79.

2020 ROAD WARRIORS

In addition to spending the entire 2020 season away from Winnipeg, the Goldeyes played "home" games in three different ballparks. The Goldeyes were based out of Newman Outdoor Field in Fargo for much of the season, but several late-season scheduling changes saw the Goldeyes play six games at Franklin Field in Milwaukee and three games at CHS Field in St. Paul in which the Goldeyes had the last at bat. Additionally, the Goldeyes played three series in which the host venue was home to neither the Goldeyes nor the opposition. Winnipeg "visited" St. Paul for a three-game series at Sioux Falls Stadium, and later "hosted" both St. Paul and Chicago for series at Newman Outdoor Field.

The Cleburne Railroaders joined the American Association as an expansion team in 2017. The Goldeyes helped the Railroaders open The Depot at Cleburne Station, capturing a 5-3 win on Opening Night, highlighted by a clutch home run from eventual Player of the Year Josh Romanski. Cleburne finished their inaugural season strong, posting a 17-10 record over the final month, and finishing fourth in the American Association with a 3.96 ERA.

The Railroaders were 33-66 in 2018 before undergoing significant changes in ownership and on-field personnel. Former Wichita Wingnuts' general manager Josh Robertson was named Director of Baseball Operations. Robertson oversaw the construction of Wingnuts' rosters that compiled the highest winning percentage in professional baseball from 2008-18. Wichita won the 2014 American Association championship. The revamped administration saw the

Railroaders improve by 24 wins in the standings. Cleburne's 57-43 record tied for second place in the South, and the Railroaders missed out on their first postseason berth due to a tiebreaker.

As a result of the COVID-19 pandemic, the Railroaders did not participate in the 2020 American Association season.

Former Major League pitcher Mike Jeffcoat, who served as Cleburne's pitching coach in 2019, takes over as field manager. Jeffcoat logged over 500.0 innings across 10 Major League seasons for the Cleveland Indians, San Francisco Giants, Texas Rangers, and Florida Marlins. Jeffcoat served as head coach at Texas Wesleyan University from 2002-18.

Former Major League infielder Logan Watkins enters his first year as hitting coach. Watkins played for the Chicago Cubs from 2013-14, and finished second in the American Association with a .338 batting average while playing for Wichita in 2018.

Former Winnipeg Blue Bombers and Seattle Seahawks punter Jon Ryan joined the Railroaders' ownership group leading into the 2021 season.

Prior to 2017, the city of Cleburne had not enjoyed professional baseball since 1906. The original Railroaders won the 1906 Texas League championship, but folded after the season. Hall of Fame outfielder Tris Speaker began his professional career with the 1906 club, and went on to amass 3,515 base hits at the Major League level.

The Chicago Dogs joined the American Association as an expansion team in 2018. The club is based out of Rosemont, Illinois, a suburb located 18 miles northwest of downtown Chicago. After a 1-14 start, the Dogs went 44-40 (.524) to finish their inaugural season, and ranked third in the American Association with a 3.86 ERA.

The strong finish in 2018 helped propel the Dogs to a 59-41 record in 2019. Chicago had the third best record in the American Association, but missed out on the postseason due to a very competitive North Division.

The Dogs were one of six teams to participate in the pandemic-shortened, 60-game season in 2020. Despite a last place finish, the Dogs easily led the American Association with 88 home runs in 58 games played. That extrapolates to 152 home runs over the course of a 100-game season, which would easily pass

the current league record of 128 home runs (Lincoln, 2010).

Veteran manager Butch Hobson returns for a fourth season as Dogs' manager. Hobson is one of only five managers in independent baseball history to win more than 1,000 games (Joe Calfapietra, Doug Simunic, Greg Tagert, and George Tsamis are the others), and has won independent league championships with the Nashua Pride (2000 Atlantic League, 2007 Can-Am League) and Lancaster Barnstormers (2014 Atlantic League).

Hobson managed the Boston Red Sox from 1992-94, working with Major League greats such as Andre Dawson, Roger Clemens, Wade Boggs, and Mo Vaughn. 2021 will be Hobson's 33rd season managing in professional baseball. Hobson played eight years in the Major Leagues for the Red Sox, California Angels, and New York Yankees, including a 30-homer, 112-RBI campaign for Boston in 1977.

The Dogs play at state-of-the-art IMPACT Field in Rosemont, which is located near O'Hare International Airport.

The Winnipeg Goldeyes and Fargo-Moorhead RedHawks have built one of the fiercest rivalries in the history of independent baseball. Separated by just 360 kilometers, the proximity of the two cities has led to an abundance of head-to-head matches, and the rivalry has only intensified due to the on-field success of both teams.

Through 2020, the Goldeyes and RedHawks have combined for 36 playoff appearances out of a total 52 possible seasons. The RedHawks won a Northern League record five championships, including the final two in league history (2009 and 2010). The rivals have clashed in the postseason 10 times, with the Goldeyes winning the most recent bout in 2012. Since the rivalry began in 1996, there have been just three seasons in which both clubs did not make the playoffs (2015, 2018, and 2020). A total of 62 players and staff have suited up for both teams.

The RedHawks joined the American Association along with the Goldeyes, Gary SouthShore RailCats, and Kansas City T-Bones in 2011. While the RedHawks suffered their first losing season in team history in 2011, the club bounced back the following year by tying an American Association record with 65 wins (the wins record has since been passed five times).

Newman Outdoor Field also plays host to the North Dakota State University (Bison) baseball team. The Maury Wills Museum lives inside of the ballpark. Wills stole 586 bases and collected 2,134 hits during 14 Major League seasons (1959-72), and previously served as a coach for the RedHawks. New York Yankees' legend Roger Maris, who broke Babe Ruth's single-season home run record in 1961, began his professional career with the Fargo-Moorhead Twins in 1953. The RedHawks retired the number "8" in honour of Maris, and The Roger Maris Museum is located inside a Fargo shopping mall near Newman Outdoor Field.

Former RedHawks' legend Chris Coste enters his second season as manager. Coste played four years for the RedHawks, and was a member of the 1998 Northern League championship squad that many consider the greatest independent team of all time. Coste then became one of independent baseball's biggest success stories, not only reaching the Major Leagues for four seasons, but capturing a World Series ring with the 2008 Philadelphia Phillies.

Due to the COVID-19 pandemic, the Goldeyes used Newman Outdoor Field as their home ballpark for much of the 2020 season.

The Gary SouthShore RailCats joined the American Association in 2011 along with the Goldeyes, Fargo-Moorhead RedHawks, and Kansas City T-Bones. Like their fellow companions from the Northern League, the RailCats have established themselves as one of the most successful teams in independent baseball.

After humble beginnings as a road-only franchise in 2002, the RailCats moved into state-of-the-art US Steel Yard in 2003. Greg Tagert took over as manager in 2005, and led the RailCats to the Northern League title that same year. Tagert and the RailCats claimed the Northern League championship again in 2007, and the club made a total of five consecutive appearances in the Northern League Championship Series from 2005-09.

The RailCats won their first American Association championship in 2013 after winning the wild card and knocking off a pair of teams that won 60-plus games. In the Division Series, Gary SouthShore ousted Fargo-Moorhead, who captured the North Division with

62 wins. The RailCats then won the American Association Championship Series from a Wichita Wingnuts club that set a league-record with 68 victories.

After missing the Central Division title by two games in 2016, the RailCats earned consecutive postseason berths in 2017 and 2018. The RailCats won 57 games in 2017, which was enough to win a three-way tiebreaker that clinched the wild card on the final day of the regular season. In 2019, the RailCats won a franchise-record 59 games and shared the North Division pennant with the St. Paul Saints.

The RailCats finished 40-59 in 2019, marking just the second time a Greg Tagert-led club has finished below .500 during his 24 seasons as a professional manager (the other was 2015).

The Goldeyes and RailCats have met twice in the postseason (opening round in both 2007 and 2008). The two series were tightly contested, with the RailCats emerging victorious both times. Of the nine head-to-head playoff games between Winnipeg and Gary SouthShore, seven of them have been decided by three runs or less.

Due to the COVID-19 Pandemic, the RailCats did not participate in the 2020 American Association season.

The Houston Apollos join the American Association as a traveling team for the 2021 season. The Apollos were members of the Pecos League in 2020, and their history dates back to 2002 where they participated in various annual summer tournaments.

Veteran Pecos League manager David Peterson will guide the road-only club. Peterson began his managerial career in 2016 with the Pecos League's Salina Stockade.

Former Pecos League pitcher TJ Zarewicz will serve as a coach on Peterson's staff. Both Peterson and Zarewicz managed the Stockade at various points in 2017 when they served as a traveling team in the American Association.

The need for a travel team arose when the American Association gained one franchise, but lost two during the 2020 off-season. The Kane County Cougars joined the American Association, while the St. Paul Saints (became the Triple-A affiliate of the Minnesota Twins) and Texas AirHogs (ceased operations) departed.

Four-game sweep at Winnipeg: n/a

Four-game sweep at Kane County: n/a

The American Association welcomed the Kane County Cougars in February of 2021 after the franchise spent their previous 30 years as an affiliate of the Baltimore Orioles (1991-92), Florida Marlins (1993-2002), Oakland Athletics (2003-10), Kansas City Royals (2011-12), Chicago Cubs (2013-14), and Arizona Diamondbacks (2015-20).

The Cougars are located just over 35 miles due west of downtown Chicago, and have drawn more than 11 million fans since opening Northwestern Medicine Field in 1991. Nearly 200 former Cougars have played or are currently playing in the Major Leagues. The list includes MLB All-Stars Miguel Cabrera, Adrian Gonzalez, Josh Beckett, and Andre Ethier.

Goldeyes' manager Rick Forney played for the Cougars during their second season in 1992, finishing with a 2.48 ERA in 123.1 innings pitched. Goldeyes' infielder Wes Darvill played briefly for Kane County in 2013.

The American Association Cougars are managed by George Tsamis, the long-time manager of the St. Paul Saints. Tsamis is one of only five managers in the history of independent baseball to amass 1,000-plus victories. The former Major League pitcher has guided clubs to four championships as a manager, including the 2019 American Association title with the Saints. Hitting coach Ole Sheldon and pitching coach Kerry Ligtenberg—both of whom served under Tsamis in St. Paul—have transitioned into the same roles in Kane County.

The Kansas City T-Bones rebranded as the Kansas City Monarchs in January of 2021. The change honours the former Negro Leagues franchise of the same name. The original Monarchs were the longest-running team in Negro Leagues history, winning an astounding 12 championships. Jackie Robinson, Satchel Paige, Buck O'Neil, and Cool Papa Bell are among the numerous Hall of Famers and baseball pioneers to have worn the Monarchs' uniform. Legends Field, home of the modern day Monarchs, is just 17 miles west of the Negro Leagues Baseball Museum.

The Monarchs joined the American Association as the T-Bones from the Northern League in 2011 along with the Goldeyes, Fargo-Moorhead RedHawks, and Gary SouthShore RailCats. The franchise traces back to the origins of the Northern League in 1993 when the club played as the Duluth-Superior Dukes—the team the Goldeyes played their first ever game against in 1994. The Dukes were moved to

Kansas City and brand new Legends Field (then known as CommunityAmerica Ballpark) in 2003.

Kansas City won its first championship in 2008 when it defeated the Gary SouthShore RailCats in the Northern League Championship Series. In 2018, the T-Bones captured their first American Association championship, taking down division-winning Sioux City and St. Paul.

Joe Calfapietra enters his fifth year and fourth season as Kansas City's manager after leading the Can-Am League's New Jersey Jackals for 14 seasons. Calfapietra led the Jackals to 10 postseason appearances during his 14 years at the helm. Kansas City's playoff berth in 2018 was their first since the final year of the Northern League in 2010.

The Monarchs/T-Bones have won 177 games in three seasons under Calfapietra. Despite a 57-43 record in 2017, the T-Bones narrowly missed the playoffs due to a three-way tiebreaker for the wild card on the final day of the regular season. After winning the 2018 championship, the T-Bones returned to the playoffs in 2019 by winning the American Association South Division.

Former Kansas City Royals' legend Frank White returns as first base coach. White was an integral member of the Royals' 1985 World Series championship team, and won eight Gold Gloves at second base during his 18 years in the Major Leagues. White managed the Wichita Wranglers from 2004-06 when the club served as the Royals' Double-A Texas League affiliate.

The Lincoln Saltdogs joined the Northern League in 2001, and later became a charter member of the American Association when the league was founded in 2006. The Saltdogs' lineage traces back to the Madison Black Wolf, which played in the Northern League from 1996-2000.

The Saltdogs won their first championship in 2009, winning a decisive Game Five on the road in each round of the playoffs.

The Goldeyes and Saltdogs have met in the postseason four times. The most recent matchup was the 2017 American Association Division Series, which the Goldeyes won three games to one.

Since their inaugural season in 2001, the Saltdogs have played at Haymarket Park just outside of downtown Lincoln, Nebraska. The facility is widely regarded as one of the finest in both college and professional baseball, and the Saltdogs earned Playing Surface of the Year honours 19 consecutive seasons from 2001-19, a streak that was broken in 2020 due to the COVID-19 pandemic. The Saltdogs share Haymarket Park with the University of Nebraska (Cornhuskers) baseball team.

Former Major League pitcher Brett Jodie enters his first season as Saltdogs' manager. Jodie played for the New York Yankees and San Diego Padres in 2001, and previously managed the Atlantic League's Somerset Patriots from 2013-19. Jodie led Somerset to a 556-405 (.579) overall regular season record and the 2015 Atlantic League championship.

James Frisbie was hired as manager for the 2020 season. However, the Saltdogs did not participate in the American Association last year as a result of the COVID-19 pandemic. Frisbie was then hired by the Detroit Tigers as a batting practice pitcher in March of 2021 without ever having managed a game for Lincoln.

The Milwaukee Milkmen joined the American Association as an expansion team in 2019, effectively replacing the Wichita Wingnuts. Milwaukee plays alongside the Goldeyes in the American Association North Division.

The Milkmen play their home games at state-of-the-art Franklin Field in Franklin, Wisconsin, a suburb of downtown Milwaukee. The facility also hosts the University of Wisconsin-Milwaukee (Panthers) baseball team.

Inclement weather during the winter of 2019 led to construction delays at the new ballpark, and the Milkmen were forced to play their first 14 home games at Kokomo Municipal Stadium in Kokomo, Indiana. Kokomo is home to the Northwoods League's Kokomo Jackrabbits, a college summer wood bat team that is under the same ownership group as the Milkmen.

Anthony Barone took over as Milkmen manager in 2020, and became the first rookie manager in league history to guide a team to the American Association championship. Barone served on the Milkmen coaching staff in 2018, and previously led the Jamestown Jammers of the Perfect Game Collegiate Baseball League.

Dan Runzler, who pitched five seasons in the Major Leagues for the San Francisco Giants and Pittsburgh Pirates, enters his first season as Milwaukee's pitching coach.

The Sioux City Explorers are one of the last remaining original members of independent baseball, having started as a charter member of the six-team Northern League in 1993. The Explorers join the Sioux Falls Canaries as the longest-standing independent franchises still operating in their original locations. Both celebrated their 25th season in 2017.

The Explorers won back-to-back Central Division titles in 2015 and 2016. During the 2015 season, Sioux City set an American Association record with 75 wins, while also setting league records for team ERA (3.04) and stolen bases (188). After beating the 74-win Saints in the Division Series, Sioux City ultimately fell in four games to the wild card Laredo Lemurs in the American Association Championship Series.

The Explorers won the Central Division again in 2016, beating out the Gary SouthShore RailCats and Lincoln Saltdogs by two games in the final standings. Sioux City then fell to the Wichita Wingnuts three games to one in the Division Series. Prior to 2015, the Explorers had last reached the playoffs in 2008.

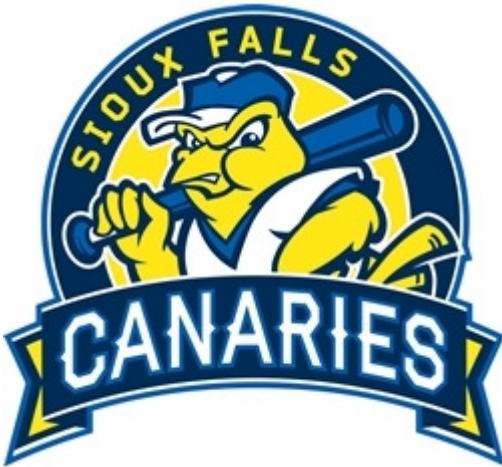

The Explorers posted a league-best 71-29 record in 2018, and became the first team in American Association history to achieve multiple 70-win campaigns. Sioux City was edged three games to two in the Division Series against eventual champion Kansas City. The Explorers returned to the playoffs for a fourth time in five years after winning the 2019 South Division Wild Card.

During the Goldeyes' inaugural season in 1994, Winnipeg beat Sioux City in the Northern League Championship Series to claim their first title. The following year, the Goldeyes famously won an extra-inning, one-game playoff at Lewis and Clark Park to advance to the Northern League Championship Series for a second straight year.

Steve Montgomery enters his eighth year and seventh season as Sioux City's manager. Montgomery previously served 10 years as pitching coach for the Fargo-Moorhead RedHawks under veteran manager Doug Simunic.

Bobby Post, who pitched three seasons for the Explorers from 1997-99, is in his eighth year and seventh season as pitching coach under Montgomery, and his 10th year and ninth season overall in that role for the Explorers' organization.

The Explorers did not participate in the 2020 American Association season due to the COVID-19 pandemic.

Charter members of both the Northern League (1993) and American Association (2006), the Sioux Falls Canaries join the Sioux City Explorers as independent baseball's longest tenured clubs still playing in their original city. Both celebrated their 25th season in 2017.

Since their inaugural season, the Canaries have played their games at Sioux Falls Stadium, often referred to as "The Bird Cage." The ballpark is known for its intimate feel and hitter-friendly dimensions. The right field line stands just 312 feet from home plate, while the left field line is marked at only 313 feet.

The Canaries have featured two of the best teams in the history of the American Association. Their 2008 squad won 60 games and delivered Sioux Falls its first championship in franchise history. The title was clinched in dramatic fashion. First

baseman Patrick Reilly singled with the bases loaded in the bottom of the 12th inning of Game Four against the expansion Grand Prairie AirHogs. Outfielder Beau Torbert was named league MVP, and later had his number "7" retired by the organization in 2013.

Two years later, Sioux Falls (rebranded as the Sioux Falls Fighting Pheasants) won 63 games and made a return trip to the American Association Championship Series. Torbert became the first (and to this day, still the only) two-time American Association MVP, flirting with a .400 batting average for much of the season. Torbert eventually settled on a league-best .394 mark, while first baseman Brandon Sing established an American Association single-season record with 27 home runs (since matched or surpassed five times). Reggie Abercrombie became the first player (and today, one of only three) in league history to achieve 20 home runs (22) and 20 stolen bases (34) in one season. The franchise re-adopted the "Canaries" moniker in 2013.

The Canaries ended a 10-year postseason drought in 2020 by finishing in second place and reaching the American Association Championship Series where they lost in five games to the Milwaukee Milkmen.

Former long-time Canaries' pitching coach Mike Meyer enters his fifth season as manager. Meyer was 26-21 for the St. Paul Saints from 2004-06, and helped the Saints win the 2004 Northern League championship.

CLUBHOUSE ACCESS

The Winnipeg Goldeyes' clubhouse will be open to the media one hour prior to batting practice up until the start of batting practice. The clubhouse will then be closed to the media from the start of batting practice until the conclusion of the game. Following the game, the clubhouse will be re-opened to the media within 10 minutes of the final pitch. On days in which a double header is scheduled, the clubhouse will be closed to media between games. The training room inside of the clubhouse is always closed to the media. In the event of a team meeting, the clubhouse is closed to the media until the meeting is concluded. For day games, the clubhouse will only be open after the game itself is completed. The Winnipeg Goldeyes' clubhouse is located at field level behind the Goldeyes' dugout on the third base side.

INTERVIEWS

Interviews may be conducted in the clubhouse prior to batting practice, or on the field after batting practice. No interviews are to be solicited or conducted during batting practice. In-depth interviews requiring additional time must be pre-arranged through the Winnipeg Goldeyes' communications department. **The Winnipeg Goldeyes' starting pitcher is not available for pre-game interviews on the day he is scheduled to start.** Post-game interviews will be arranged by the Winnipeg Goldeyes' communications department in the media portion of the home clubhouse.

BATTING PRACTICE

Batting practice is open to the media, and the team encourages media members to attend. Media may watch batting practice from field level, and are asked to enter the field through the tunnel entrance behind home plate. Field access to the media is closed one hour prior to the scheduled game time.

POST-GAME

The Winnipeg Goldeyes' clubhouse will be open to the media within 10 minutes of the final pitch. Players requested for an interview will be available in the media portion of the clubhouse. Goldeyes' manager Rick Forney will be available to the media following his post-game interview on the team's radio station.

PRE-GAME MEAL

A complimentary pre-game meal is available for credentialed members of the media. The meal is served two hours prior to the scheduled game time, and is located in the meeting room on the Shaw Park Skysuite level, down the hall and to the right of the press box.

PRESS BOX

Seating in the press box is available for working members of the media, and preferred seating will be reserved for media members who cover the team most frequently. Guests are not permitted in the press box unless permission has been granted by the Winnipeg Goldeyes' communications department. Wireless internet is available.

PHOTOGRAPHERS

Accredited photographers may shoot from the photo bays located at each end of the two dugouts. Photographers are asked to only move in and out of these bays between half innings. Photographers are also allowed on the field during batting practice, but are asked to stay in foul territory and between the baselines.

PARKING

Parking passes are available for media with season-long credentials. The media parking lot is located near the security entrance to Shaw Park on the opposite side of the train tracks.
