### **We Are the RubberDucks**

On October 29, 2013, team-owner **Ken Babby** stood before a capacity audience at the Akron Civic Theater and announced that the team would be known henceforth as the **Akron RubberDucks**. In addition to being symbolic of the fun, family-friendly brand of entertainment offered by minor league baseball, the name also honors Akron's long history as the "**Rubber Capital of the World.**" Brandiose Marketing of San Diego, California, designed the team logo, colors, and various marks and insignias. Please note that for print coverage, *RubberDucks* is spelled as one word with a capital "D". In broadcast coverage, referring to the team as "*the Ducks*" is an acceptable variation of the team's nickname.
