2018 Team Notes

- The Dragons have been the streakiest team in professional baseball in 2018. They started the year with a three-game losing streak, won the next nine games, lost the next eight, won nine of 10, lost the next eight, won seven of eight, lost the next three, won four of six, lost the next seven, won two, lost the next eight, and won last night.
- The Dragons are 3-15 since June 3 when their record stood at 29-26. Six of the 15 losses have come by one run. Over the last 18 games, the team batting average is .224 (133-594) while the club has averaged 3.00 runs per game (54 R/18 G). The team ERA is 5.12 (156.1 IP, 89 ER).

- Meanwhile, the Dragons broke the club record for fewest road wins in a half. The club record was 10 road wins, and the Dragons finished with nine. The Dragons played three fewer road games in the first half than the scheduled number of 35 due to three postponements at Great Lakes in April.

Never, Ever, Ever: On May 22, Dayton's Jeter Downs ended the first game of a doubleheader with a walk-off RBI single, then led off the bottom of the first inning in the second game with a home run. Downs had two consecutive Dayton at-bats on the same day (no other Dragons player batted between his two at-bats), driving in runs in both. Jason Stark of *The Athletic* checked with Elias Sports Bureau, the official statistics service for Major League Baseball, and found that, at the big league level, no player in baseball history has ever had two consecutive at-bats for the same team on the same day and recorded RBI in both at bats.

The Dragons MVP Program

The Dragons expanded elementary school MVP Program reaches five counties and more than 1,100 classrooms. Schools in Montgomery, Greene, Clark, Miami and Warren counties are part of the program that includes 1,116 fourth and fifth grade classrooms in 183 schools over 48 school districts. About 34,000 children will participate. The program is in its 13th year in 2018. The Dragons MVP Program presented by Bob Evans Farms is also made possible by the generous support of CollegeAdvantage, Sinclair College, WDTN-TV and Dayton's CW. Due to the support of the participating sponsors, the program is completely free of charge to the schools.

How does the Dragons School MVP Program work? The teacher in each of the classrooms over a five-county area (Clark, Greene, Miami, Montgomery, and Warren) selects five MVP's based on the teacher's judgment of performance, effort, citizenship, and improvement. The five MVPs selected by their teacher in each classroom receive four tickets to a Dragons game, tickets to a special Field Day event at the stadium during the season, an MVP certificate and a Dragons MVP hat. Dragons players and mascots visit selected classrooms over the course of the season. Additionally, 16 Dragons games during the season are designated as "MVP Game Nights." On those nights, one MVP gets to throw out the ceremonial first pitch to the game, another does an on-air interview during the Dragons game broadcast on Fox Sports 980, and another participates in an entertainment skit during the Dragons game.
