THE DEVELOPMENT LEADER

Founded in 1986, the original vision for USL's system of leagues was to provide teams with the opportunity to create a true soccer pyramid. That vision soon became reality and more than a quarter-century later USL clubs are able to field teams starting at the youth level (Super Y League & Super-20 League), the amateur level (PDL & W-League) and the professional level (USL PRO & MISL).

What will the future bring? With soccer's momentum growing at all levels throughout North America and the Caribbean, USL will continue to explore growth opportunities and set the standard for the quality of the action on the field and the level of service provided to clubs by the dedicated staff at league headquarters in Tampa, Florida.

GROWING THE GAME

When USL launched its outdoor program in 1989, there were only 19 professional soccer teams in the country and no organized lower divisions for the sport. That eight-team USL outdoor league has grown into the 73-team Premier Development League while USL has developed into one of the most sophisticated sports organizations in the U.S. and Canada.

Always a pioneer in the sport, USL launched the W-League in 1995 - long before women's professional soccer was born - and created the first national youth league with the Super Y-League in 1999. Today, USL oversees the development of players, coaches, referees and administrators that participate in six different leagues that encompass more than 120 men's and women's franchises and more than 500 youth teams.

USL has also seen its players go on to represent their countries in international competition. This summer the U.S. Men's National Team will begin qualifying for the 2014 World Cup with players who have developed through the USL system such as Tim Howard, Jozy Altidore, Juan Agudelo, Teal Bunbury, C.J. Sapong and Tim Ream likely to play key roles, as will Canada with players such as 2011 MLS Most Valuable Player Dwayne De Rosario. The list includes veterans who got their break in the professional game in the USL First Division, such as De Rosario with the Richmond Kickers, to Premier Development League products like Ream, Bunbury and Sapong.

Leading the charge as the first generation of Super Y-League alums to reach the world stage was Altidore, and he has now been joined by Agudelo. The vertically-integrated structure of USL has been in place for a decade and the dividends of the early years are already beginning to show. With USL and Major League Soccer teams focused on growing the game through a dedicated pyramid of soccer leagues from the youth ranks to the pros, future generations will continue to improve, year after year and tournament after tournament.

The dedication USL has shown to the women's game through the W-League has paid off for not only the U.S. and Canadian Women's National Teams, but also for players from other countries. At the 2011 Women's World Cup in Germany, 62 former W-League players took to the field, including the United States' Abby Wambach, Christie Rampone and Alex Morgan, Canada's Christine Sinclair and Japan's Homare Sawa, who was named the FIFA Women's World Player of the Year after leading her nation to victory.

In January of 2012, the Major League Soccer SuperDraft saw 26 PDL players selected, including No.1 selection Andrew Wenger of Reading United and the Carolina Dynamo, and the WPS Draft featured 11 former W-League players, including No.1 selection Sydney Leroux, who was the W-League's Rookie of the Year in 2011, and will return to the league this summer as a member of the Seattle Sounders Women and a fully-fledged member of the U.S. Women's National Team.

EXPANDING INTERNATIONAL HORIZONS

EXPANDING INTERNATIONAL HORIZONS

USL has long been a leader when it comes to international influence of players, clubs, and executives in North America. Given the organization's unique landscape of clubs from the youth to professional ranks, USL provides many opportunities for foreign clubs to develop affiliations and partnerships with its franchises.

Identifying talented players and creating new commercial opportunities is a priority for clubs around the world, and USL provides clubs the best platform to connect these opportunities with clubs that desire to have a presence in North America.

In 2008, USL embarked on an international development initiative to connect USL clubs with foreign counterparts. As part of this initiative, USL partnered with Beswicks Sports, the specialist sports division of the United Kingdom-based legal group Beswicks. As USL's representative in the UK to broker partnerships between British football clubs and USL franchises, Beswicks Sports has been able to open up new avenues for clubs from across the Atlantic to make new professional partnerships.

The partnership with Beswicks Sports paid immediate dividends for USL, formalizing affiliations with English clubs such as Burnley and Stoke City FC. In addition, Beswicks was integral to the hiring of former West Ham United player Anthony Hudson when he took the coaching reins at Real Maryland FC of the USL Second Division for the 2009 season.

More recently, Beswicks helped broker the deal that led to UK-based VisionPro Sports Institute's 2011 partnership with USL and the Brandon, Fla. Flames, resulting in the creation of a boys academy in Brandon and the announcement of new teams in USL PRO, the PDL, the W-League and the Super-20 League.

"The interest levels in USL and its various leagues have never been higher throughout Europe," said Gary Mellor, partner at Beswicks. "European clubs recognize that USL provides them with unequalled access to North American young talent as well as the opportunity to forge strategic partnerships and the commercial opportunities that follow."

USL has become the largest organization of elite-level soccer leagues in North America by building on the vision, commitment, and passion of players, fans and investors. Now in its third decade of operation, USL continues to be a driving force in the growth of soccer in the United States, Canada and Caribbean. USL provides a clearly defined path for the progression of male and female soccer players beginning at the youth level (Super Y-League/Super-20 League), continuing through the amateur level (PDL/W-League) and up to the professional level, both outdoor and indoor (USL PRO/MISL). A platform for countless players to reach for their dreams each year, USL is devoted to developing the sport at the grassroots level in every community across the region.

PROFESSIONAL LEAGUES

USL PRO

USL PRO is the strongest, best operated and most experienced North American men's professional soccer league below MLS, both on and off the field. Focused on franchise stability and longevity, USL PRO features 11 teams in 2012 and an unprecedented six teams with more than a decade of operational experience. The league is focused on aggressive but deliberate growth by adding teams fully capable of meeting USL and USSF standards, which are located in markets that further promote regional league play. In addition to league play, USL PRO teams will compete in the Lamar Hunt U.S. Open Cup as well as various domestic and international exhibitions. USL PRO is affiliated with the U.S. Soccer Federation.

MISL

USL acquired the Major Indoor Soccer League (MISL) in May, 2011 and began operating North America's most storied and tradition-rich professional indoor soccer for the 2011-12 season. The MISL represents the top level of professional indoor soccer in North America and currently consists of seven franchises. The league roster includes franchises in Baltimore, Kansas City, Milwaukee, Norfolk, Rochester, Syracuse and Wichita.

SENIOR DEVELOPMENT LEAGUES

PDL

The top developmental men's league in North America, the PDL features 73 teams within four conferences across the United States and Canada. The PDL season consists of 16 regular season matches for each team, eight home and eight away, and provides elite collegiate players the opportunity to taste a higher level of competition while maintaining their eligibility. In addition to league play, PDL teams compete in the Lamar Hunt U.S. Open Cup as well as various exhibitions. The PDL has proven to be an important stepping-stone for top professionals now playing throughout the world.

W-LEAGUE

The first and longest-standing women's league in North America, the W-League represents the highest level of women's soccer in the United States and Canada. The 2012 W-League campaign features 30 teams in three regional conferences playing 12-14 regular season matches. In addition to featuring international and professional stars, elite amateur players have the opportunity to compete in the W-League while maintaining their collegiate eligibility. The league is recognized throughout the world for providing superior competition for female players, while offering affordable family entertainment for fans across North America.

Affiliated with U.S. Soccer, the Super Y-League ODP Program has opened countless doors for players to be identified for U.S. National Team programs. The Super Y-League contains the youth academies of Major League Soccer clubs, USL PRO clubs, PDL and W-League clubs. The league also serves clubs looking to develop the game from the ground up. Top youth academies such as the Chicago Magic, Mass Premier Soccer and TSF Academy have been members of the league for several seasons. USL's Super Y-League has revolutionized youth player development in North America.

ABOUT THE U.S. SOCCER FEDERATION

As the governing body of soccer in all its forms in the United States, U.S. Soccer has played an integral part in charting the course for the sport in the USA for almost 100 years. In that time, the Federation's mission statement has been very simple and very clear: to make soccer, in all its forms, a preeminent sport in the United States and to continue the development of soccer at all recreational and competitive levels.

To that end, the sports exponential growth in the past two decades has been nothing short of remarkable. Multiple soccer-specific stadiums have opened their doors to resounding success, and new arenas around the country are currently being planned and built. The National Training Center in Carson, California is entering its seventh year of existence, and in 2007 the U.S. Soccer Development Academy kicked off with much fanfare at the state of the art facility.

The progress of soccer in the United States has been astounding and is all the more astonishing when one considers where the sport was a mere 20 years ago. In 1989, the U.S. Men's National Team hadn't played in a World Cup in 40 years and the U.S. Women's program was just four-years old. U.S. Soccer was playing games in small stadiums that were rarely filled to capacity. There were few games being televised (and none without commercials during play). There were no soccer-specific stadiums, and there were no high-level professional outdoor leagues of which to speak.

Since that time, the state of U.S. Soccer has evolved significantly. The U.S. MNT has played in six consecutive World Cups, and advanced to the quarterfinals at the 2002 event. U.S. Soccer is a world leader in women's soccer at every level, and the team has won two Women's World Cups, along with three Olympic Gold Medals. The United States has also hosted three World Cups with the support of its members and strong organizational abilities.

Coaching continues to get bigger in the United States, and with more classes being offered around the country, the number of licensed, well-educated trainers and managers is larger than ever. As soccer continues to grow, the education level amongst coaches has been tailored to match the expanding pool of talent in the United States, and in 2006 the U.S. Soccer offered its first ever Goalkeeper Coaching License.

In 2007, full-time officials were hired for the first time in the federation's history, and more programs are being planned as U.S. Soccer continues to set positive trends for referees in CONCACAF to help improve referee development across the spectrum of all grades and at all ages.

U.S. OPEN CUP

The Dewar Cup is awarded to the tournament champion

Dating back to 1914, the Lamar Hunt U.S. Open Cup is the oldest cup competition in United States soccer and is among the oldest in the world. Open to all affiliated amateur and professional teams in the United States, the annual U.S. Open Cup is a single-elimination tournament.

A total of 64 professional and amateur teams will compete in the Lamar Hunt U.S. Open Cup when it kicks off in May. The tournament will feature all 16 U.S.-based MLS clubs, the 10 U.S.-based USL PRO teams, six additional professional clubs, 16 qualifiers from the PDL and 16 amateur qualifiers.

Although the tournament proper, conducted by the USSF, only consists of 64 teams, qualifying for the event includes nearly 100 clubs total from United Soccer Leagues and Major League Soccer alone. The USASA's National Open tournament provides hundreds of other teams from around the country the opportunity to qualify for the honor of competing in the event.

The U.S. Open Cup is a single-elimination tournament, with games tied after regulation being decided in two 15-minute overtime halves. If neither team scores during the overtime period, the winner is decided on penalty kicks. The team that advances the furthest from each level except Division 1 earns a \$10,000 cash prize. The runner-up takes home \$50,000, while the champion collects \$100,000. The winner also will have the team's name engraved on the historic Dewar Challenge Trophy, the oldest trophy in American team sports.

US OPEN CUP REVIEW

The Richmond Kickers carried the USL flag in the 2011 Lamar Hunt U.S. Open Cup, making their deepest run in the tournament since their victory in 1995 as they reached the semifinals while creating a new piece of history along the way.

Led by David Bulow, who finished the tournament as its top scorer with six goals, the Kickers became the first lower division team in the tournament's history to win a pair of road games against MLS opposition. After taking victories against USL PRO's Dayton Dutch Lions and Pittsburgh Riverhounds in the opening two rounds, Richmond went on the road and stunned the Columbus Crew 2-1, Matt Delic ate's goal with five minutes to play proving the game-winner.

Two weeks later in the quarterfinals, the Kickers did it against Sporting Kansas City, as second-half goals by Shaka Bangura and Bulow gave them a 2-0 victory. In addition to their second win on the road against MLS opposition, the Kickers also became the first visiting team to earn victory at SKC's LiveStrong Sporting Park, a venue where Sporting only lost twice in MLS play all season while finishing top of the Eastern Division regular season standings.

Richmond's run came to an end at the hands of the Chicago Fire, who claimed a 2-1 victory against Leigh Cowlishaw's side at Toyota Park. After falling behind 2-0 midway through the second half, William Yomby pulled a goal back for the Kickers, but while their rally came up short, the poise and quality of play they displayed throughout their run impressed all who saw them.

Elsewhere, USL PRO teams gave their MLS counterparts a run for their money, but were unable to find a way through into the later stages of the tournament. USL PRO champion Orlando City came close to forcing overtime against FC Dallas, only to see a stoppage time goal eliminate them 3-2, while the Los Angeles Blues fell 2-1 to eventual MLS Cup champions the Los Angeles Galaxy.

The PDL saw two teams reach the third round, with 2011 champion Kitsap Pumas giving the Seattle Sounders a test in their meeting at the Starfire Sports Complex. The Chicago Fire Premier, who saw a record 11 players selected in the MLS SuperDraft this past January, also made it to the third round before falling to Sporting Kansas City.

With the expansion of the Open Cup to 64 teams this season, allowing 16 members of the PDL and all 10 of USL PRO's U.S.-based teams to participate, the tournament appears set to take an even larger place in the U.S. Soccer community in the coming year and beyond.

USL also features a full-time National Technical Director, Peter Mellor, to assist teams with player identification and to help create opportunities for player advancement both domestically and internationally. Mellor, a longtime U.S. Soccer Staff Coach, oversees the annual USL Men's Combine at IMG Academies in Bradenton, Florida, which has helped more than 150 players sign professional contracts with USL, MLS and international squads since its debut in 2006.

Recent beneficiaries of the event include rising star Tom Heinemann, who signed with the Charleston Battery following the 2008 Combine. Heinemann was named MVP of the 2010 USL-2 title game, finished the 2010 season in the USSF D2 League and is now a member of the Columbus Crew of MLS.

USL PRO, formed from the merger of USL's First and Second Divisions into a single league property prior to the 2011 season, was designed to help ensure the long-term stability of professional soccer in North America.

USL PRO is the strongest, best operated and most experienced North American men's professional soccer league below MLS, both on and off the field. Focused on franchise stability and longevity, USL PRO features 11 teams in 2012 and an unprecedented six teams with more than a decade of operational experience. The league is focused on aggressive but deliberate growth by adding teams fully capable of meeting USL and USSF standards, which are located in markets that further promote regional league play.

USL PRO is a national league featuring a predominantly regional competition model to build natural rivalries and reduce travel-related costs. The U.S. Soccer Federation-affiliated league benefits from the leadership of the dedicated and experienced professional staff at USL's Tampa headquarters as well as the developmental support of USL's proven and integrated system of leagues.

USL's professional staff includes not only experienced league administrators, but also a large staff of sports professionals to assist teams in the areas of franchise development, international partnerships, marketing, ticket sales, corporate sponsorships, communications, new media, broadcast production, web services and player registration.

2011 CHAMPIONSHIP

Orlando City goalkeeper Sean Kelley wasn't expecting to play much of a role in the USL PRO Championship Game.

"In a game like that, if I were to have to come in, something would have had to go wrong," he said.

Something went wrong for Orlando City, with starting goalkeeper Miguel Gallardo being sent off just after the halftime break, but Kelley turned in an MVP performance as the Lions capped an outstanding season by defeating the Harrisburg City Islanders 3-2 in a penalty shootout after the two teams had played to a 2-2 draw through regulation and overtime.

"He comes in every day, trains so hard and at times it must be hard for him when he's behind Miguel," Orlando coach Adrian Heath said. "Tonight it was strange; I said to him before the penalties that I had a feeling he was going to be big."

Kelley saved the City Islanders' first two penalties in the shootout, denying Nelson Becerra and Jose Angulo with saves to his right, and the Lions held a 2-0 advantage after Lewis Neal and Yordany Alvarez both scored. But Harrisburg got back on even terms as J.T. Noone and Stephen Basso each scored and Orlando's Charlie Campbell and Luke Boden both skied their shots, leaving the teams tied 2-2 entering the final round of shots.

Harrisburg's Sainey Touray missed that shot wide left to open the fifth round, opening the door for Devorn Jorsling to give the Lions the championship, and he obliged, shooting low into the left corner of the net to send the majority of the crowd of 11,220 at the Florida Citrus Bowl into massive celebrations.

"I don't know if I've ever been in a game that crazy before," Lions midfielder Jamie Watson said. "It's an unbelievable feeling right now."

While both teams had chances in the first half - the best falling to Harrisburg's Brian Schofield, who shot over the crossbar from 15 yards after beating Orlando's offside trap - the game didn't come alive properly until the second half. Four minutes after the break Touray was played in down the left channel and was brought down outside the penalty area by Gallardo, who was shown a red card for preventing a goal-scoring opportunity.

That gave the City Islanders the upper hand, and they tried to take advantage with Touray proving a constant menace, knifing past his marker in the 62nd minute only for Kelley to smother his shot as he closed down on the attacker.

But while they were down to 10 men, Orlando continued to push men forward at every opportunity, taking the game to the City Islanders as the half wore on. Watson had a glorious opportunity in the 70th minute as he broke through on goal and rounded Harrisburg goalkeeper Chase Harrison, only for a heavy touch to allow defender Geoff Bloes to recover and clear to safety.

The Lions' pressure paid off in the 89th minute, though, when Lawrence Olum appeared to have given his side a dramatic victory after arriving late at the top of the

penalty area to be found by a pass from Lewis Neal and rifling a shot home from 15 yards into the right side of the net.

But the drama was just beginning. Harrisburg threw everything forward in stoppage time, and off a third consecutive corner the City Islanders found their reward. Kelley came for the cross, but couldn't gather, and Noone was on hand to poke the ball home from six yards out with what proved to be the final kick of regulation.

Harrisburg then took the lead five minutes into overtime, Touray heading home a near-post corner from Jason Pelletier to give his side the lead. The City Islanders almost added to their lead in the 110th minute, with Angulo's header coming back off the post and being scrambled to safety by Orlando's defense.

Five minutes after Langley's header almost sealed the City Islanders' second USL Championship, the Lions gave themselves a chance at their first. A good ball into the penalty area found Dennis Chin, and he was brought down by Bloes, earning the defender a red card and Orlando a penalty kick and a chance to tie. Neal calmly slotted home from the spot to tie the game.

Either side could have won the game at the death, with Touray's header with a minute to go flashing just wide of Orlando's right post and Harrison saving brilliantly from Chin to deny the Lions, but Orlando wouldn't be denied in the shootout, with Kelley proving the hero. After a season that saw the side win both the regular season title and the league championship, the victory was a sweet one.

MISL

USL entered into an agreement with the Major Indoor Soccer League in 2011 and began operating North America's most storied and tradition-rich professional indoor soccer league beginning with the 2011-12 season.

The MISL represents the top level of professional indoor soccer in North America and consisted of seven franchises for 2011-12, with more expected to be added for next season. The 2011-12 MISL roster included a trio of existing franchises - the Baltimore Blast, Milwaukee Wave and Missouri Comets, as well as four first-year franchises in the Norfolk SharX, Rochester Lancers, Syracuse Silver Knights and Wichita Wings.

The MISL enjoyed fantastic growth in 2011-12, both in attendance and attention. More than 336,000 fans filled arenas during the regular season, representing an attendance increase of more than 60 percent from the previous season.

Nearly all MISL games are available online

MISL indoor soccer was developed to appeal to sports fans around the world. The fast-paced, fiercely competitive game is played on artificial turf on a hockey-rink-sized field surrounded by dasher boards and Plexiglas with eight-foot high by 14-foot wide goals recessed into the end boards. Creative dribbling, pinpoint passing, acrobatic goalkeeping and rugged defensive play are all skills demonstrated by MISL players.

A typical MISL game features end-to-end-action resulting in approximately 60 shots and 11 goals per game. Each game includes four 15-minute quarters and a popular feature is multi-point scoring, with goals from long distance worth more. Other unique characteristics of the MISL include action-packed power plays and free substitution of players while play continues.

2011 PDL CHAMPIONSHIP

PUMAS CLAIM FIRST PDL CHAMPIONSHIP

According to Kitsap Pumas captain Daniel Scott, sacrifice was at the heart of his side's success this past season.

That dedication paid off as the club claimed its first USL PDL Championship with a hard-fought 1-0 victory against the Laredo Heat at Bremerton Memorial Stadium on July 6.

"I don't think words can really describe it," Scott said. "I mean, if I think if we look back to the beginning of the season there was so much sacrifice that goes into this team. A good amount of us live over in the Seattle area and have to make the commute over here three, four days a week, sometimes five times on the weekend, so there's a lot of personal sacrifice that we put in, but it paid off and it was worth every minute of it."

The Pumas opened strongly, pinning the Heat back in their own half as the Southern Conference champion struggled to find any rhythm. After a pair of shots by Elliott Fauske and Robby Christner had challenged the Heat's defense early, Christner was on hand in the 11th minute to put away what would prove to be the only goal of the game. With Laredo unable to clear its lines properly, the ball came to Bryan Burke on the left side of the penalty area and his low cross was tapped into the back of the net by Christner from six yards out.

"We wanted to come out strong," Burke said. "We knew they knew we were going to bring it, but once we got that goal, we were all pretty tired from last night so we just made sure we'd hold that lead."

Burke's energy epitomized the Pumas' performance, and he took MVP honors after a strong effort that saw him consistently harry the Heat's defense.

"Bryan Burke is a tireless worker, and that's one thing I think that we really respect about him," Scott said. "You're going to get the same out of him day in and day out, in training sessions and in games. He definitely deserved the MVP of the game today, I mean he worked his rear off for us today and it paid dividends in the end."

Laredo eventually settled, but it took a poor clearance to give them their closest opportunity of the half. After goalkeeper Bryan Meredith's low clearance was controlled by Heat forward Esteban Bayona, the striker took a look up from 40 yards and fired an audacious chip that went just over the crossbar. For the most-part, though, the Heat weren't able to challenge Meredith until second-half stoppage time,

when Gregory Mulumba fired a blistering shot that came off the left post on almost the final kick of the game.

"I kind of just stretched out, got a little tip to it, not much, turned back and saw it hit the post, and luckily Dan Scott was right there to clear it out," Meredith said.

"Coach Pete [Fewing] says this all the time, but you have to earn your luck," Scott said. "I think that's something that's stuck with us throughout this year. Against Thunder Bay they had a shot off a free kick and Bryan Meredith makes a great save and it hits the post in the last couple of minutes of the game. We've dodged bullets, but I think sometimes you have to bend without breaking, and I think that's a testament to our work ethic defensively as a team."

Moments later the final whistle blew, sending the team and the packed home crowd into celebration while putting a broad smile on Fewing's face.

"They're a very remarkable group of guys, and that's why they win," Fewing said. "You have to give all the credit to these players. They've stuck together, been very committed and they've been very disciplined. I do not think we would have the team that we have without the discipline that the guys have and the commitment they have for each other. It's a special group."

"It's special, we're a special group," Scott said. "The cohesion on this team didn't happen overnight, and I think that's something that we all recognize is that it takes time, and I think in the long run when we look back on all of it, we're going to be friends for a long time going forward. This is a special group and if there's a team out there that deserves it, we do. I really personally feel like we do deserve this."

2011 W-LEAGUE CHAMPIONSHIP

SILVERBACKS CRUISE TO 1ST W-LEAGUE TITLE

Gunning for their first W-League title in franchise history the Atlanta Silverbacks showed no signs of nervous energy at the 2011 W-League Championship Presented by Umbro. After appearing in the 2010 W-League Championship Weekend but failing to reach the final, Silverbacks coach Chris Adams' squad came to Seattle focused and on a mission.

"We weren't focused last year and this year we came into the weekend with a different mentality," Adams said. "The girls have been outstanding and played so hard in these two games. Ottawa is an outstanding team but we came into this hungry."

While the Silverbacks were made to work harder than the final score of 6-1 on a Sunday afternoon at Starfire Sports Complex, their continuous work rate to win every ball, especially in the midfield, proved to be the key in winning their first title.

With 2011 W-League MVP Mallory Outerbridge in the attack, the Fury were successful all season at finding the back of the net. Chances were at a premium in the game, however, as Atlanta's back line stood strong and was up to the task from the first whistle. As in the semifinal, Megan Tomlinson got the Silverbacks off to a quick start. A corner kick was played long and sent back into the box where Tomlinson headed in her third goal of the tournament in just the ninth minute. And that was just the beginning.

Only four minutes later Rebecca Nolin forced Jasmine Phillips into a great save to keep the score line at 1-0. Ottawa came back into the game with Melissa Busque firing wide midway through the first half. Minutes later Atlanta went two up on a Susannah Dennis wonder strike from the left side of the box. Down two goals things did not get easier for the Fury as Courtney Wetzel received a straight red card for a foul in the box.

Alexa Newfield made no mistake from the spot and the rout was on.

Atlanta wanted one more before intermission and had two great chances to put the game out of reach but couldn't quite convert and the score line remained.

Ottawa came out in the second half with a vengeance and looking to pull off a remarkable comeback. Outerbridge was determined to lead the way and only four minutes in slotted home her league-leading 22nd goal of the season. Ottawa pushed forward but playing with 10 and two goals down was just too much. Dennis opened up a three-goal cushion five minutes later with her second of the game.

In unfamiliar territory Ottawa struggled to make headway through the Silverbacks defense. Nineteen minutes from time 2011 W-League Championship game MVP Tomlinson got her second. Out-racing the Fury back line she calmly finished past Phillips and had her second brace of the tournament. With the game all but over Atlanta added a sixth one minute from the final whistle as Sarah Bennett found space in the box to finish off a cross from close range.

Ottawa fought to the end but on this day it just wasn't enough as coach Chris Adams' side earned the title and head back to Atlanta with a championship in tow.

ABOUT SUPER Y

USL SUPER Y-LEAGUE (BOYS/GIRLS U12-U17)

Since founding the Super Y-League in 1999, USL has seen the limitless growth potential in soccer beginning at the youth levels and advancing through the professional ranks. By establishing a concrete soccer foundation through highly competitive and developmental youth programs such as the SYL, USL allows male and female players to develop and compete with one club through the duration of their careers.

The Super Y-League added the U12 boys and girls age groups for the 2011 season, giving the league six age groups for the first time. In conjunction with the other SYL age divisions, the U12 division also offers an Olympic Development Program.

Created in 1999 with 12 teams, the USL Super Y-League now includes nearly 75 clubs from throughout the United States and Canada with an average of 500 teams competing in the league every summer. The U12 divisions maintain the same rules and regulations of the league's U13-U17 age groups, and its first season concluded at the 2011 USL Super Y-League North American Finals in Tampa, Florida.

Many of the clubs participating in the league are now affiliated with the top professional and amateur men's and women's sides of USL and Major League Soccer, providing a true pyramid of development that mirrors those in "soccer nations" around the globe.

In its first few years, the league was primarily a vehicle for the top players to come together and face higher-level competition at a regional and/or national level on a regular basis. Now, the Super Y-League's fully operational ODP system helps propel the careers of elite players to the upper levels of the professional game in North America.

The Super Y-League North American Finals was the first step in the implementation of ODP status. Making the finals an official scouting event for identifying players for national team pools was just a starting point, however.

Part of the mission was to impress upon the senior clubs in North America the importance of playing a significant role in player development. Many professional teams in the U.S. and Canada

have used the league to begin their process of establishing academy programs that link the player development system from youth to pro.

ABOUT SUPER-20

USL SUPER-20 LEAGUE (MEN/WOMEN U-20)

United Soccer Leagues announced the creation of the USL Super-20 League in early 2006. The league is designed as a graduating youth league for elite players from 17-20 as they advance beyond the traditional youth bracket to the senior professional and amateur development leagues.

The Super-20 League, for men and women, replaced the U19 age bracket of the Super Y-League, creating a wider range for players on the cusp of playing for PDL or W-League teams. The league was designed to cater to the top of the youth ranks in the U.S. and Canada for players aspiring to play professionally. It also serves as a reserve division for USL's Premier Development League and W-League teams, which have increasingly taken youth development of this age range under their auspices. PDL and W-League teams are able to add USL Super-20 teams to expand their development goals as well as their player pool for the senior team.

In addition to the USL Super-20 League completing the model for club building and vertical integration, aids U.S. Soccer and the Canadian Soccer Association in identifying the top players for international competition ranging from U17 to U20.

Recent Super-20 expansion has included the additions of Rocky Mountain and Pacific Northwest Divisions, with a new Mid-South Division set to kick off in 2012.

THE SUPER Y-LEAGUE ODP PHILOSOPHY

To identify players for U.S. National Team Programs, within their natural environment during competition on their club team during the Super Y-League season.

PURPOSE

The Super Y-League ODP system was started in 2003 to recognize a pool of players in each age group for identification to U.S. National Team Programs; and to utilize the clubs system in the United States to identify players.

HOW DO I PARTICIPATE?

Contact a local Super Y-League club in order to become a part of the Super Y-League ODP system. Players will be scouted during league play by the national scouting system of the Super Y-League, which is comprised of all of the coaches within the clubs of the league.

PROGRAM DESCRIPTION HISTORY

In 2002, the Super Y-League, through US Soccer and the United States Olympic Committee, was granted ODP programs to identify players for U.S. National Team Programs. The first selection process began during the 2003 season to identify players for Regional Team selection events, where U.S. National Staff Coaches scouted players for National Team Programs. In addition to many players being identified for U.S. National Team Programs, top players are identified by leading college and university soccer programs throughout the United States.

RECENT PROGRAM ENHANCEMENTS

- World-class facilities - Train on the same fields as MLS players, U.S. National Team players, and other top players from around the world at IMG Academies in Bradenton, Florida
- USL National Technical Director Peter Mellor to oversee ODP sessions (former English player with Burnley, Fulham, longtime U.S. Soccer Staff Coach)
- Wholistic program featuring mental and physical conditioning
 - Nutrition session
 - Movement session
 - Playing analysis

THE SUPER Y-LEAGUE ODP SELECTION PROCESS

During the regular season players are evaluated during their games by the opposing team coaches for tactical, physical and psychological characteristics that will determine their ability to attend the ODP National Camp typically held in February and March. Through the scouting system, the combined nominations will be used, along with proportional allocation in conjunction with Director of Coaching recommendations, to determine invitations to the ODP camps. The overall number of games and teams will also be factored into this process.

WHAT ARE SYL ODP NATIONAL CAMPS?

The top players chosen by the scouting system in each age group per geographic division of the Super Y-League will attend the ODP National Camp. These camps are attended by U.S. National Staff Coaches to identify players for U.S. National Team Programs, as well as many of the nation's top collegiate coaches. The camps are held in Bradenton, Florida during February and March.

WHAT ARE THE BENEFITS OF THE SYL ODP SYSTEM?

- The selection of players within their natural environment on their club teams within league play, as opposed to an open-tryout system. Many players do not participate in the open-tryout ODP system operated by state associations, and other players do not perform well in the open tryout process.
- Exposure to the U.S. National Staff and Team Coaches
- Exposure to professional and collegiate scouts
- There is no cost to be scouted or to try out. The scouting system is built into league play and contains no additional ODP fees. Only those selected to attend ODP camps will incur camp fees.

U12 GIRLS CHAMPIONSHIP

Long Island Captures Title

For the second time during the 2011 Super Y-League North American Finals the Long Island Rough Riders came up against the Richmond Kickers. After the Rough Riders fell to the Kickers 3-1 two days earlier, revenge was on their mind. The Rough Riders took it, along with the U12 girls championship with a 2-0 win.

Long Island looked motivated from the first kick to take hold of the match. The Rough Riders had several early opportunities at the Richmond goal and were doing a superb job of possessing the ball.

The Long Island defense had little to do in the first half as the Long Island defense pressed high and kept the ball in the opposing half. Richmond struggled to find the potent attack they displayed during the side's first meeting.

Long Island's hard work paid off in the 22nd minute when Emma Cisneros penetrated the Richmond box and let loose a shot past the keeper, giving the Rough Riders a 1-0 lead.

The Rough Riders' goal was a direct result of their improved play in the midfield. Long Island was beginning to connect from front to back better this time around.

"Our girls did a nice job today, everyone contributed," Long Island's Head Coach John Diffley said. "We tried to find some spaces, possess the ball and be a little bit more connected then last time.

Long Island carried their superb play into the second half, containing the Kickers and attacking goal. The Rough Riders added a second goal in the second half to seal the win and claim the championship.

U12 BOYS CHAMPIONSHIP

Internationals Outlast Rangers

The Cleveland Internationals made the U12 boys final and were determined to make the most of it. After surviving a penalty shootout to advance to the final a day earlier, the Internationals were looking to make it five wins from five matches. Cleveland did just that, winning 2-0 against the New Jersey Rangers to claim the title.

Cleveland set the tone of the match early when a Will Jackson goal put the Internationals up 1-0.

New Jersey responded with its own pressure, but the two sides mainly cancelled each other out with the ball being clogged in the midfield.

Halftime came with the score still at 1-0 and in the second half the sides continued to push for a way through. Each side attempted to find a way through the other's defense, but the backlines were holding strong.

At times the two sides struggled to find the passing game which brought them to the final and resorted to long balls.

As the second half wore on the Internationals found the match again and they started to hold on to the ball better.

In the 56th minute the Internationals' patience paid off when a failed Rangers clearance fell to Joey Schmidt who took it in on goal, rounded the goalkeeper and finished it to ice the match and the championship for Cleveland.

"If you come to play and execute the game plan, you're going to win," Cleveland Head Coach Louie Nanchoff said. "These kids did perfect, they shut them out. They were a very strong team. We have a very young team, but we played very good soccer."

SYL FINALS

U13 GIRLS CHAMPIONSHIP

Atlanta Fire Cruise to Title

The Atlanta Fire left no doubt in their championship matchup with Rage SC, putting on a clinic that defined attacking soccer. Atlanta struck early and often as the Fire captured their first Super Y-League North American Championship with a 9-0 victory.

"We took control very early; the kids came in really pumped up and played crisp and clean," Atlanta Head Coach Danny Jenkins said. "We got two goals in the first five minutes and it was 3-0 halfway through the first half and it took the air out of the other team. After that, we were able to get multiple goals and secure the win.

"I think mentally we wanted to get a good start, and we did and after that it was cruise control for the second half."

For the Fire, the victory capped an overall impressive weekend with the team posting a perfect 5-0 record with 21 goals scored and only two against. The Fire needed to get through a couple of closer games to reach the finals, defeating Central Jersey 3-2 in group play and Princeton 1-0 in the semifinals.

"It's been a good experience," Jenkins said of the finals. "The weather has been awesome, the organization was very good, the communication was strong for the tournament, the facilities were good, and it was first class."

U13 BOYS CHAMPIONSHIP

Brandon Crowned U13 Champs

After four grueling days of soccer against some of the North America's brightest talents the Brandon Flames and Central Jersey Spartans met each other in the U13 boys final. Both

sides had won their semifinal matches 3-0, but this match would be that easy. After an intense match, Brandon prevailed as 3-2 winners and was crowned North American Champions.

After putting away their opponents early in the semifinals, Central Jersey again started the match fast with Chaz Burnett opening the scoring in the 5th minute. A centered pass fell to Burnett's feet at the top of the box and he rocketed the ball in to give his side an early 1-0 lead.

After the goal Central Jersey continued to look to more dangerous side, passing well and controlling the midfield. Spartan attacker Jalil Blalock demonstrated exceptional poise on the ball moving through Flames defenders.

Blalock's hard work would pay off a few minutes later when he latched on to a failed Brandon clearance and guided it into the top right corner. The Spartans were up 2-0 within the first fifteen minutes and looked to have a good hold of the match. The Flames did not panic though.

"We're confident in what we can do offensively," Brandon Head Coach Clay Roberts said. "[We] just [needed] to settle down. We knew that they were going to come out and have some fire power. We knew that if we went down it would be back and forth game. But we relaxed and stuck to our game plan."

That is just what Brandon did and a turning point came in the 15th minute when Brandon broke forward and Chase Hovious played Julian Hall into the box, who finished to pull a goal back for the Flames.

The Flames would grab another before the half as Raheem Parkes pushed the ball down the left flank past several Central Jersey defenders and centered it to Chase Hovious who tapped it in to level the match at 2-2.

SYL FINALS

Brandon would not relent in the second half as they continued to possess the ball. Central Jersey struggled to maintain the midfield presence they enjoyed early in the match. The momentum had shifted to Brandon.

Seven minutes into the second half the Flames capitalized on that momentum when Ben-Avir Espinal-Carbajal beat his man on Central Jersey's left touchline and centered the ball to Chase Lott in front of the net who slammed it home for a 3-2 lead.

Central Jersey responded by pushing waves of attackers forward, but the Brandon backline held firm. The Spartans could not link up like they did early in the match.

Brandon did well to hold the ball and waste time and ultimately they walked out 3-2 winners after their improbable comeback.

"They came out and did exactly what they do," Roberts said. "Their best players played well, but you have to give credit to our guys. Our best players played well. I think we stepped up to the challenge throughout the middle third of the field and that's what won it for us."

U14 GIRLS CHAMPIONSHIP

Kalamazoo Cruises to First Crown

After winning three one-goal games and tying another, the Kalamazoo Kingdom were hoping finally to create some breathing room in the U14 Girls Super Y-League Championship against Coquitlam Metro-Ford SC. Thanks in large part to Brittany Tanner's two goals and a goal and an assist from Corey Sawall, the Kingdom were finally able to relax a little in a 5-0 victory to capture the title.

"We took out four days of not finishing in one game," Kingdom Head Coach Josh Sheldon said.

"When we score early like that it seems to make the game open up for our team, and I think our kids wanted it too. They definitely dug down, got fluids in them last night and came ready to play."

I took only 14 minutes for Kalamazoo to get the upper hand against CMFSC, which advanced to the final with a thrilling sudden death penalty kicks win against the MPS Renegades on Monday. Kalamazoo had more energy from the start, and Tanner fired over the keeper's head from a tough angle for a 1-0 lead.

Sawall did all the work to make it 2-0 in the 27th minute, working hard to earn a corner kick then blasting the corner near post off the keeper and in the net. CMFSC's tired legs didn't allow them many chances, and their best of the half – a long-range free kick from Nicole Foreman – was tipped over the bar by Lauren Cannon to preserve the lead.

"You've got to hand it to the other team," CMFSC Head Coach Dennis Kindle said. "They were physical and they played the ball really well, and they were the one team that got the ball in the dangerous areas and that's what happens when they do the right things on the right day. We were looking tired from our group stage, but you've got to hand it to them."

After the break Kalamazoo picked up where it left off, with Nicole Blanchard scoring one of the better goals of the tournament in the 47th minute on a 35-yard laser that was still rising into the top right corner. Three minutes later Tanner headed in her second off a Sawall cross, and a near-post volley in the 60th minute by Michaela pope finished off the scoring.

Sheldon said his team was confident of its chances when the tournament kicked off on Friday.

"Every event we go to we have that intention [to reach the finals]," he said. "We have a deep team, an athletic team, a solid defense, and our goalkeeper played out of her mind today, which definitely helps."

U14 BOYS CHAMPIONSHIP

Brandon Tops TSF for Title

The Brandon Flames came through in the clutch again. After winning a thrilling penalty shootout less than a day earlier, Brandon took to the field in the U14 boys final against TSF, which had won its own dramatic overtime semifinal as well. Brandon would prevail once more, walking out as 3-0 winners, claiming the U14 boys crown.

SYL FINALS

U15 GIRLS CHAMPIONSHIP

Seacoast Takes OT Thriller

You've seen it many times – a team has control of a game and lets it slip away, giving the opponent some daylight and handing off the momentum along the way in an inevitable loss. Seacoast United looked like it might have done just that in the U15 Girls championship, letting a 3-1 lead slip away against TSF Academy and heading to overtime on its heels.

Luckily for Seacoast, forward Jackie Ham decided to rewrite the script, running onto a long Susannah Gray free kick at the far post to head Seacoast to a 4-3 overtime victory and the title.

After an opening period where the two sides traded attacks, Brandon struck first in the match. In the 17th minute, Michael Serrano centered a ball to Caleb Young in the box who drilled it home for a 1-0 advantage.

After the goal TSF pushed its attackers forward trying to break down the Brandon defense, but the backline held. When in possession, Brandon did well to keep the ball on the ground and move it around the midfield.

The half ended with Brandon still up 1-0. The effect of playing five consecutive days was evident, but each side mustered what it could for the second half.

TSF continued to try to push for its equalizer, but failed to consistently string passes together to constantly threaten goal.

As the clock began to wind down, Brandon finally broke TSF when Daniel Babir sent a high cross from the corner to Chandler Maynes in the box who poked it in for a 2-0 lead.

Minutes later Babir made it 3-0 when he broke through alone and finished to seal the championship.

After his team's semifinal win, Brandon Coach Charles Redding said they would either win or go out playing their style of soccer. After working hard to achieve a flowing, possession style of soccer Tuesday, Redding was right.

"We played our style of soccer like we said we were going to do," Redding said. "They fought really well; they were a well-coached team. I just thought we had a few more horses in our stable."

"We were tremendous [in the first half], I was very pleased at halftime, we really took it to them," Seacoast Head Coach Dave Burgess said. "Then credit to the other team – they came out to start the second half and that second goal for them was crucial, our heads went down and they got their tails up. The third really made us nervous, and credit to my team, they just kept going, kept going, and got the final goal in overtime."

At the end of the first half Seacoast appeared ready to coast to victory, with TSF struggling to contain speedy twins Kendall and Jackie Ham. While TSF took a 1-0 lead against the run of play in the 12th minute on a solo effort by Kendall Machak, the Ham sisters took over.

Jackie set up Kendall for the equalizer five minutes later, and the pair created three more excellent chances but was unable to produce a lead. Courtney Benson put Seacoast in front in first-half stoppage time when she flicked home a feed from Katie Day, and Benson then turned provider in setting up Kendall Ham's second a minute later.

TSF showed impressive resiliency in the second half, working hard to win more control and pulling

within one early when Machak fired over the keeper's head from 25 yards on TSF's first shot of the half. Seacoast tried to lock down its defensive end the rest of the way, but Jillian Sprong snuck behind the defense on a long Heather Pacheco free kick in the 66th minute to head her team even and set up Jackie Ham's heroics.

U15 BOYS CHAMPIONSHIP

Princeton Squeaks by CMFSC

When Princeton coach John Newman looked at the stats of his opponent for Tuesday's U15 Boys championship game at the Super Y-League North American Finals, he knew right away what his squad needed to do. With his team facing Coquitlam Metro-Ford SC, which had tallied 11 goals in group play and the semis to lead all teams, Newman decided to lock it down.

"We set out to play five in the midfield and frustrate them, to keep the ball in front of us and counterattack, and we did frustrate them," Newman said.

The plan worked perfectly, as Princeton captured the title 1-0 thanks to a goal from Julian Antal.

"I thought we dominated the game in large portions," Newman said. "They're a very attack-minded team with good players. We could have scored a couple more in regulation but their goalkeeper made a couple of world-class saves."

CMFSC advanced to the final by defeating the Perugia Grifos 2-1 in the semifinals after posting a 3-0-1 mark in group play. Princeton took Group B and finished a perfect 5-0-0 at the finals, allowing only two goals against in the five matches.

"We lacked a little composure in the final third but the togetherness and team spirit - you can't ask more than that," Newman said.

Hill's Late Goal Gives Seacoast Victory

A second-half goal by defender Abby Smith gave Seacoast United a 2-1 victory against the Long Island Rough Riders on Tuesday afternoon at the USL Super Y-League North American Finals, giving Seacoast its second championship in three seasons.

Hill was on hand to finish from close range off a free kick from the right with 10 minutes to go, although Long Island almost scrambled the ball off the goal line to keep the game tied. According to Seacoast coach Ian Burgess, the goal was a rarity for Smith.

"I don't think she's ever scored in her life," Burgess said. "She's one of the defenders, but we took a chance, stuck her further forward and she stuck it in."

Seacoast had the better of the second half, with Rachel Hill heading over the crossbar from a corner and Michelle Tremblay having a good effort off a counter-attack well saved. In the end, though, their pressure told from the set piece.

Long Island had taken a first-half lead through Erica Modena, but Seacoast's Lydia Simmons hit back before the break to get her side on even terms. With the Seacoast side having won the U14 championship in 2009, Burgess was very happy to have regained the title this year.

"I just told the girls, we're strong in our region, but it's always nice to come and win it nationally," he said. "You've got to get that winning mentality, and I think we're over that hump now where we're confident even in battles like this that we can go on and win the game. It's a good feeling."

TSF Takes Dramatic Win

A last-minute penalty by Steve Zamudio, his second goal of the game, gave TSF Academy a dramatic 2-1 victory against defending champions Coquitlam Metro-Ford in the final of the Boys U16 Division at the USL Super Y-League North American Finals.

Zamudio's opportunity came after Mateo Restrepo was brought down in the right side of the penalty area. The TSF striker stepped up and fired low into the right corner of the net, just past the stretched hand of the Coquitlam goalkeeper.

"I was just thinking I had to put in the back of the net to let my team win," Zamudio said. "I knew there were two minutes left, because I had just asked the ref."

TSF had the better of the game in the first half, with Teddy Forlan proving dangerous early on. He almost gave his side the lead inside the first 15 minutes, a stinging shot ringing the outside of the right post with the goalkeeper beaten. TSF was unable to take advantage of its chances, though, and the game went to halftime scoreless.

Coquitlam regrouped, and came out more assertively to start the second half. Adam Jones played a strong game linking between the midfield and attack, and it was his opportunity that led to the opening goal in the 53rd minute. Jones' shot from just outside the penalty was parried by TSF goalkeeper Eric Klenofsky, but Bryan Cadman was on hand to finish the rebound from a narrow angle on the left side of the penalty area.

Coquitlam pushed on for a second, but TSF was able to pull itself back into the game as they moved an extra attacker up in search of an equalizer. They were rewarded in the 66th minute as a flicked header by Andrew Romero released Zamudio into the left side of the penalty area, and he fired home from 15 yards into the right corner of the net.

"Since last year, we've been practicing the flick-on from the forwards, and since we had three forwards on at the end, Andrew just flicked it on for me and I put myself through," Zamudio said.

Coquitlam had an opportunity to retake the lead, Dominic Rigaux knifing into the right side of the penalty area inside the last 10 minutes, but Klenofsky closed him down well to make the save and keep the game tied. That proved vital moments later as Zamudio's second earned his side the championship.

"I'm very happy, because the players worked so hard before they came here," Coach Luis Mendoza said. "Their preparation was great, they made a lot of effort, we practiced through the high school season once a week to try and keep them together, so it's a great effort from the whole staff and the players."

MPS Rallies Past Majestics for Championship

The MPS Renegades had to come back from a first-half deficit, but took a 3-1 victory against the Northern Virginia Majestics and the U17 Girls championship at the USL Super Y-League North American Finals.

After a tight opening 20 minutes, Northern Virginia opened the scoring as Nicole Schweitzer found the back of the net in the 23rd minute. MPS hit back three minutes later from the penalty spot, though, after a handball by a Majestics defender. Emily Brown converted the spot kick, and the teams remained tied at the break.

MPS then took the lead just before the hour-mark, Stephanie Ribeiro finishing off a pass from Hannah Matlack to make it 2-1. Matlack assisted on the third goal as well, Abby O'Brien giving her side a two-goal advantage, and while MPS had to play with 10 after Ribeiro was sent off for her second yellow card, they held on comfortably to take the championship.

"We've been good in the final third all week," MPS coach Lee Billiard said. "We knew pretty much if we stuck to our game-plan eventually we'd get a chance and we knew we had the ability to put the ball in the back of the net. The girls did a very good job, kept their composure, even going 1-0 down we were able to get back in the game, and we were able to even improve in the second half and put them under more pressure."

MPS had a shortened squad from the regular season this week, with just 12 players available. Despite that, their work-rate, passing and discipline allowed them to play strongly for 90 minutes, even when they went a player down.

"These girls have been together for a long time," Billiard said. "Some of these girls have been in our development program since they were 10 years old, so they are all a close unit, they all give 150 percent for each other, and they're very close off the field as well. They have that good, strong team bond and they carry that onto the field."

U17 BOYS CHAMPIONSHIP

Ironbound Goes Back-to-Back

Goalkeeper Ryan Baird scored the decisive goal of a penalty shootout in the 10th round before turning aside a shot from his Kalamazoo Kingdom counterpart Nick Strait as Ironbound SC won its second consecutive USL Super Y-League North American Championship 8-7 in penalties after the two teams had finished regulation and overtime tied 1-1.

Baird shot low to the right with the first shot of the 10th round, and then when Strait went the same way got down well to turn his shot around the right post, starting the celebration for his teammates.

"I know many goalkeepers, and they usually go [to my] left side," Baird said. "I was very confident in that side, and it worked out perfectly."

The drama of a shootout was certainly an appropriate way to end a game that had seen its fair share of twists and turns. Kalamazoo, which had defeated Ironbound 4-0 when they met in group play on Sunday, made another positive start and twice came close to opening the scoring. First Dom Hunter blazed over the crossbar as Ironbound struggled to clear a free kick, and then Matt Davis struck a fine shot that went just off-target from 20 yards after a defensive error.

It was Ironbound that took the lead, though, as Lucas Terzi struck, firing in from the left side of the penalty area in the 27th minute. The lanky attacking midfielder, who was an All-Tournament selection a year ago after Ironbound's first title, finished this year's tournament with seven goals and four assists in five games, another remarkable haul.

Ironbound almost added to its lead shortly after, Almir Batista Jr. seeing his shot from 25 yards turned aside, but the one-goal lead stood until halftime.

Kalamazoo regained control after the break, and set about trying to find an equalizer with Carlos Suarez and Corey Werner-Hoskins proving active in attack. After Hunter Vandenoorn had a goal ruled out for offside, Werner-Hoskins had a diving header saved from a corner and shortly after Suarez stabbed a shot from the top of the penalty area wide of the right post.

Then with 24 minutes to go Ironbound was reduced to 10 men as Evan Marques was sent off for a dangerous challenge. That allowed Kalamazoo to push more players forward, and Nick Wysong almost found an equalizer soon

after, his sliding effort to get to a low cross going wide. Wysong also hit a rising shot that went just over the bar from 20 yards, but then with seven minutes to go Kalamazoo was awarded a penalty for a foul in the area and Suarez made no mistake from the spot, shooting high into the left corner.

Suarez went close to winning the game in regulation, a low shot from the left side of the penalty area finding the side-netting, but with fatigue setting in neither side was able to muster much in the way of opportunities in the two overtime sessions.

So the game went to a shootout, with each side exchanging goals and misses in the first four rounds to leave things tied 2-2 entering the fifth. Each side then reeled off five consecutive makes, until Baird finally stopped Strait in the 10th round to give his side victory.

"It's always tough," Ironbound coach Agostinho Freitas said. "They're a very good side, they beat us heavily during the group stages 4-0, they play us well. They're hard, they run, they're a very good team, very well coached, they stay centralized, it's hard for us. For the boys, it was great, coming back and winning it again was the best thing that could have happened to us."

SUPER-20 FINALS

CREW JRS. TAKE BACK-TO-BACK TITLES

Columbus Crew Jrs. coach Brian Bliss said after his side's victory in the USL Super-20 championship game against the Toronto Lynx that he felt winning the title as defending champions was more difficult than doing so for the first time.

"I said to the guys, 'you come in as defending champion, you come in with the MLS label,' so there's extra motivation [for opponents] any time we play a game," Bliss said.

While the Crew Jrs. were made to work harder than the final score of 4-1 would make it appear against the Toronto Junior Lynx on Sunday morning at J.C. Handley Field in Brandon, Florida, their quality of play, especially in the attacking third of the field, proved the difference as they won their second consecutive Super-20 championship.

As in prior games in the tournament, the Crew Jrs. were able to take the lead early as Toronto appeared tentative facing a side that had handed it a convincing defeat during the Midwest Division regular season. Ben Speas almost took advantage within the first five minute, a fierce volley flying just wide of the right post, but another miscue led to the opening goal as Eriq Zavaleta's shot after a poor clearance took a wicked deflection into the left corner of the net, leaving Lynx goalkeeper Matt Silva unable to recover.

The advantage was doubled shortly after as a fine driven cross from the right by A.J. Corrado was met by the head of Nick Haggland, who arrived late at the far post for an unmarked header.

Toronto was able to settle down as the half wore on and even had some good spells of possession

and pressure in the Columbus half. However, the Lynx were unable to find a telling cross, with the deliveries more often than not ending up behind the goal line instead of in the penalty area.

"I think our final balls were poor today, they're usually better quality," Toronto coach Duncan Wilde said. "I think that's part of the fatigue, I'm not sure they were quite as challenged in the group stage, looking at their scores, while we've been in a dogfight every game. I think we spent a lot of energy, but having said that I think they were the superior team when it came to quality and their composure, their build-up play and their patience. Their organization is very good, which is what I'd expect, I just hope we can learn from them and come back next year."

Columbus' Matt Walker had already had one opportunity saved by Silva as he knifed into the penalty area from the left midway through the second half, but he found the back of the net for the Crew Jrs. third after showing great composure to finish from a tight angle after beating Silva to a through-ball on the left side of the penalty area. And while Toronto was able to find the back of the net, Cameron Eisses' header from a corner the only goal the Crew Jrs. would concede for the tournament, Columbus restored their three-goal advantage shortly after as Speas scored his fifth goal of the tournament to cap the victory.

The victory, completing a season that saw the side go undefeated and draw just once in the regular season, was a satisfying one for Bliss, who said the commitment his players had shown was the key to their success this summer.

"When we started this in mid-May, we set the tone early, but they delivered it," Bliss said. "We set the environment for them. To me, [it was] the overall seriousness that the players approached the game with and the commitment they showed over the two-and-a-half month period."

CLARK GIVES TRIANGLE SUPER-20 TITLE

Ashley Clark's overtime goal gave Triangle FC a thrilling 4-3 victory against Reading United AC and the USL Women's Super-20 North American championship at J.C. Handley Park in Brandon, Florida.

Clark's goal came midway through the second half of overtime. Capping an incredible tournament, Clark made a late run into the penalty area, was picked out by Samantha Burch, and guided the ball into the upper corner with a fantastic side-footed finish. In a thrilling game, Triangle kept

Reading at bay for the rest of overtime to capture the USL Women's Super-20 Championship.

"Big time players step up in big time moments," Triangle coach Pete Sadin said. "She scored a fantastic free kick and the winner in overtime, which was when we needed her to be at her best and she was fantastic."

The first half saw both teams share possession, with Reading claiming the majority of scoring chances. But Clark was a threat all tournament with three goals entering the match, and she turned provider as Triangle opened the scoring. Beating a defender out on the right flank, Clark cut inside and beat a Reading center back. The ball fell to Burch, who slotted the ball into the lower right corner of the net.

Within two minutes, Reading brought itself level. Madison Clemens found herself free at the corner of the penalty area, unleashing a low drive inside the near post. But while Reading continued to see more of the ball, Triangle still found a way to carve out chances. The constant pressure from Triangle put Reading on its heels and Clark nearly put her team ahead midway through the first half, after a rebound fell to her feet at the edge of the six-yard box. The shot went just wide of the target, much to the relief of the Reading defenders.

Triangle found its second goal just minutes later as Burch's first touch just outside the penalty area took her away from the Reading defenders. A great dipping strike sunk under the crossbar for her second goal of the game, giving Triangle a 2-1 halftime lead.

Reading got back on even terms early in the second half when Regina Stump was brought down inside the penalty area. A composed spot kick to the lower right corner leveled the score.

Soon after, Clark found herself back on the score sheet. A well-driven free kick was deflected at the top of the penalty area, but found its way to the corner of the goal for Clark's fourth goal of the tournament. Triangle then looked to apply the knockout blow to Reading and build on their 3-2 lead. Burch lifted ball over her marker and found herself in on a breakaway, but the goalkeeper saved for Reading.

As the game went from one end to the other, Reading's Melissa Rowan found another equalizer from the left side of the box. After a good first touch toward goal, she struck a low drive just inside the far post, leveling the score at 3-3. This thrilling contest continued to open up late in the match as both sets of players faced fatigue and intense heat.

Reading's late goal sent the game to overtime, but there Triangle which had defeated Reading 2-1 in the opening group game of the tournament for both teams, proved to have too much as Clark's goal gave Triangle its third Women's title in four years after taking victory in 2008 and 2009.

USL PARTNERS

UMBRO – A LONG HISTORY WITH USL

Umbro's involvement with USL since 1996 will continue into 2012 as the two organizations continue a new partnership following the sale of USL by Nike.

Umbro was acquired by Nike at the beginning of 2008, and Nike maintained Umbro as its own unique identity and brand as it has done with other subsidiaries such as Converse, Cole Haan and Hurley.

Formerly a part owner of USL, Umbro had reaffirmed its commitment to United Soccer Leagues in 1999 and 2006 when it announced Umbro International, Ltd. had purchased an additional 30 percent of USISL, Inc. stock on both occasions. The apparel manufacturers had been involved with the ownership of USL since first acquiring partial ownership in 1996.

Umbro, one of the world's leading international brands of soccer uniforms, footwear, equipment and soccer-related apparel, is the proud sponsor and official equipment supplier of United Soccer Leagues.

Founded in 1924, Umbro built a strong reputation as supplier to the world's best soccer teams and leading grass roots sponsor of the game in the United States. Umbro and its double diamond logo are recognized on all seven continents, in the sport's largest arenas, which are home to the world's greatest soccer teams.

Umbro's vast knowledge of the equipment needs of soccer players, its commitment to excellence, and its dedication to producing the very best soccer products are major factors in the company's emergence as a complete soccer resource and one of the leading soccer apparel companies in the United States.

Utilizing four major hubs in the United States,

USL PARTNERSHIPS

United Soccer Leagues has outstanding partners in various categories which enhance the operations of its leagues and teams. The current partnership roster includes Prozone Sports, The Sport Source, Demosphere, Uni-Sport, T4 Soccer and Enterprise Rent-A-Car.

England, Brazil and the Far East (Hong Kong), the company is structured as a multi-national organization, a key to making an impact on a truly international sport.

Umbro's knowledge of what it takes to play soccer, along with its long association with the world's best players, has positively influenced the company's ability to produce high-performance soccer products.

Well-positioned as a technological leader, Umbro has also been highly successful in spearheading soccer performance fabrics for match play and training sessions. Umbro uniforms are built with superior moisture transportation qualities, making them equally comfortable in autumn weather, when most of the world plays soccer, to the hot, humid environments that surround the World Cup.

Umbro was the first company to take fabric made from recycled materials and put it on the professional playing field.

The name Umbro is derived from the original name of the business – Humphreys Brothers. In 1924, Harold and Wallace Humphreys started their company with \$50 in capital, two sewing machines, a slot-knife cutter and a delivery motorcycle.

MLS/WPS DRAFTS

PDL & W-LEAGUE PLAYERS SELECTED IN PRO DRAFTS

MAJOR LEAGUE SOCCER

Led by No. 1 overall selection Andrew Wenger, the PDL saw 26 players move into the professional ranks at the 2012 Major League Soccer SuperDraft in January, continuing the league's success in helping develop young professionals for the next level.

Wenger, who played for Reading United in 2010 and the Carolina Dynamo in 2011, was selected by expansion franchise the Montreal Impact. Six PDL players were selected in the Top 10, with Wenger being joined by former Washington Crossfire standout Kelyn Rowe selected third by the New England Revolution and Orange County Blue Star's Luis Silva fourth by Toronto FC.

The standout franchise of the SuperDraft was the Chicago Fire's PDL side, which produced a record 11 selections overall. Led by Austin Berry, who was selected by the Fire's senior side, the Fire also saw Aaron Maund (Toronto), Andrew Duran (Seattle), Tommy Meyer (L.A. Galaxy), Calum Mallace (Montreal), Chris Estridge (Vancouver), Tyler Polak (New England), Brendan King (Portland), Greg Jordan (Philadelphia) and Kenney Walker (L.A. Galaxy) taken in the first two rounds.

In addition to Wenger, Reading also saw Matt Hedges selected by FC Dallas and Raymon Gaddis join United's MLS affiliate the Philadelphia Union. Silva was joined in being selected by Blue Star All-League selection Chandler Hoffman, now with the Philadelphia Union, while Southwest Division rivals the Ventura County Fusion saw alumni Sam Garza and Jacob Hustedt both selected by San Jose.

All of this year's selections are hoping to follow in the footsteps of Reading United alum C.J. Spong, who had a stellar rookie season for Sporting Kansas City to earn MLS Rookie of the Year honors. With 111 alumni selected in the past three seasons - more than 70 percent of the players selected - the PDL continues to act as a proving ground for future professionals.

WOMEN'S PROFESSIONAL SOCCER

2011 W-League Rookie of the Year Sydney Leroux led the W-League alumni as the No. 1 selection in the Women's Professional Soccer Draft, with 11 of the 23 selections having previously played in the league.

Leroux was the third consecutive W-League alum taken with the No. 1 pick, following the Pali Blues duo of Tobin Heath and Alex Morgan. She was set to be joined on the Atlanta Beat by the Atlanta Silverback's Katy Frierson, and Seattle Sounders Women's Kate Deines.

The trio, and other drafted players such as Camille Levin (Pali Blues), Ingrid Wells (New Jersey Rangers) and Tori Huster (Colorado Rush), were left without a team in late January, however, as WPS cancelled its 2012 season.

Leroux and Deines will be teammates this summer, along with U.S. Women's National Team members Morgan and Hope Solo, with the Seattle Sounders Women for the upcoming W-League season as the longest continually operated women's league in North America assumed the mantle of the top competitive women's league on the continent.

USL MAKING A DIFFERENCE KIDS KICKING CANCER

A cancer diagnosis for a child can translate into missing typical childhood experiences, such as playing soccer, that are often taken for granted. Due to treatment and other various factors, some children may find it challenging to participate in sports teams and athletic events with their friends and family. However, exercise and activity can lead to a healthier lifestyle for kids – physically and emotionally – and frequently aid childhood and adolescent cancer survivors in their development. USL has teamed up with Iris S. & Bert L. Wolstein's Kids Kicking Cancer program in an effort to provide children with this opportunity.

United Soccer Leagues recognizes and understands the importance of the outstanding work being done by Kids Kicking Cancer, and has chosen to offer its unwavering support to this much-needed program.

Although the initiative has expanded since its founding to include golf, tennis, basketball, and swimming, the Kids Kicking Cancer program began with a soccer clinic in 2006. To this point, UH-Rainbow Babies and Children's Hospital has been the primary host of this annual soccer event in Cleveland for the past four years. With the support and reach of USL, which has teams in more than 100 markets, the Kids Kicking Cancer program will collaborate with USL clubs to expand the initiative across North America. The clinics at the local level will continue to serve the same purpose: encouraging cancer patients to be active and to recognize the health benefits of physical activity.

CANCER**

ABOUT IRIS S. & BERT L. WOLSTEIN'S KIDS KICKING CANCER PROGRAM

Iris S. & Bert L. Wolstein's Kids Kicking Cancer (<http://www.rainbowbabies.org/kkc>) program emerged from a generous \$1 million gift from Iris S. Wolstein, in memory of her husband Bert L. Wolstein, and a tradition was born. It is the largest gift UH Rainbow Babies & Children's Hospital (<http://www.rainbowbabies.org>) in Cleveland, Ohio has ever received to address physical fitness in chronically ill children. Kids Kicking Cancer allows UH Rainbow Babies & Children's Hospital, in partnership with the University Hospitals Ireland Cancer Center, to offer a series of annual athletic skills clinics for children on and off treatment for cancer.

In addition to offering free soccer, golf, tennis, basketball and swimming clinics, Kids Kicking Cancer presents an annual 12-week exercise program to encourage physical activity and fitness at home year-round. Pediatric sports medicine experts and licensed physical therapists incorporate athletic conditioning; registered dietitians teach proper diet and nutrition; and skilled therapists lead group psychosocial support and lessons in self-esteem, confidence and self-awareness.
