## PLAYOFFS

Three division winners and one wild card play in best-of-five series. Winners play for best-of-five American Association championship.

## ROSTER RULES

The roster limit for a American Association club is 22 players. An additional two players may be on the disabled list during the regular season. Of those 22 players, a maximum of four may be veterans and minimum of four must be rookies. The remaining players will be designated limited service players and of those LS players only six (6) may be LS-4.

During the pre-season, a maximum of 28 players may be under contract at any one time without regard to classification. The 22 active player roster must be met two days before the start of the regular season.

## Definitions

**Year of Service:** A year of service for American Association players is 75 official at bats or more in a National Association or independent league or leagues, or 30 innings or more pitched in a National Association or independent league or leagues, in any season prior to the present calendar year. For independent and short season/rookie league service, the first two years of service equals one National Association year. For foreign players, the classification and salary level will be determined by the league office.

**Rookie:** A player with less than one year of service.

**LS-1:** A player with fewer than two years of service.

**LS-2:** A player with fewer than three years of service.

**LS-3:** A player with fewer than four years of service.

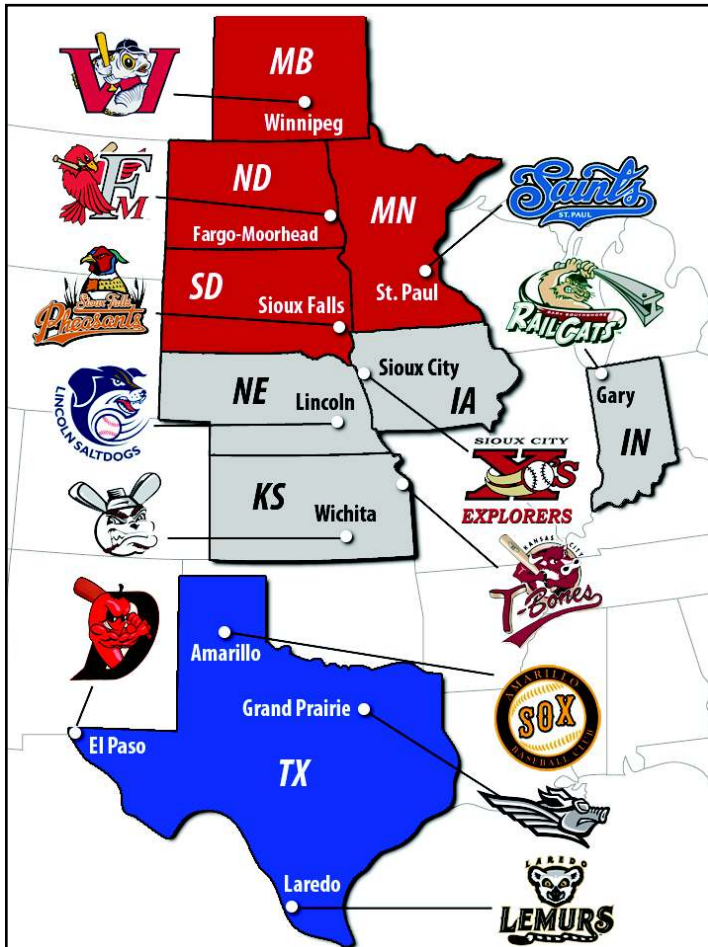

**LS-4:** A player with fewer than five years of service. Three of the six LS-4 players may be an LS-5.

**LS-5:** A player with less than 6 years of service.

**Veteran:** A player with six or more years of service. If a player has six or more years of service but has not reached the age of 26 by September 1 of that season, he will be considered an LS-4. If he has not reached the age of 24 by September 1 of that season, he will be considered an LS-3.
